Shaar 7

1a — The Five Revelations in the Worlds and the *Partzufim*

וּמַעֲתָה נִחְזָר לְעִנְיָנֵינוּ דְלַעִיל שְׁעַר ד' ה'

We can now return to the subjects we were discussing above in Sha'ar 4 and 5,

וְנֹאמַר כִּי הִנֵּה הַחֲמִשָּׁה גְלוּיִם שְׁאֲמַרְנוּ שֶׁם שֶׁהֵם כָּלִלוּת הָעוֹלָמוֹת
כֻּלָּם אֲשֶׁר מֵאַחֵר אֲמַתָּתוֹ הִנְעֲלָמָה

namely the five revelations that we mentioned there, which are the generality of all the worlds that come after His true unknowableness.

וְלִמְטָה עַד סוֹף כָּל הָעוֹלָמוֹת בִּי"ע.

These five revelations include everything from there on and below, until the conclusion of the worlds of Beriah, Yetzirah and Asiyah.

הִנֵּה רָאוּי לְדַעַת כִּי סוּד כָּל אֱלוֹהֵי הָהֵם גְּלוּיִם הֵנָּה הֵם יִשְׁנָם בְּכָל
עוֹלָם וְעוֹלָם גּוֹפָה כִּי כָּל מָה שֶׁהוּא בְּכָלִלוּת כֵּן הוּא ג"כ בְּפִרְטוֹת
וּבְפִרְטֵי פִרְטוֹת.

Now it is worth knowing that the secret of these five revelations is found in each and every world, since everything that is in the general macro scale is also found in the particular the micro scale**, and in the minute details thereof.**

וְהִנֵּה הֵם סוּד הַחֲמִשָּׁה פְּרָצוּפִים שֶׁבְּכָל עוֹלָם וְעוֹלָם.

This is the secret of the five *partzufim* in each and every world.

Although one *partzuf* specifically characterizes each of the five worlds, and dominates therein (*Arich Anpin-Keter* characterizes Adam Kadmon; *Abba-chochmah* characterizes Atzilut; *Imma-binah* characterizes Beriah; *Ze'ir Anpin* – the 6 *sefirot* from *chesed* to *yesod* – characterizes Yetzirah; and *Nukvah-malchut* characterizes Asiyah), nevertheless, each of the worlds has all five *partzufim*.

כִּי הָרִי כָּל עוֹלָם וְעוֹלָם אֲשֶׁר מֵאָדָם קְדָמוֹן וְלִמְטָה הִנֵּה הוּא נִקְרָא
בְּשֵׁם אָדָם וְכַנ"ל בְּשִׁעְרֵים הַקּוֹדְמִים שֶׁהֵם אָדָם קְדָמוֹן אָדָם
דְּאֲצִילוֹת אָדָם דְּבְרִיָּאָה אָדָם דִּיצִירָה אָדָם דְּעִשְׂיָה

Each of the worlds, from Adam Kadmon and down, is called 'Adam,' as we explained in previous sections – Adam Kadmon, Adam of Atzilut, Adam of Beriah, Adam of Yetzirah, Adam of Asiyah.

וְלָכֵן הַחֲמִשָּׁה בְּחִי' אֲשֶׁר כִּנְגָדָם בְּכָל עוֹלָם הֵנָּה הֵם נִקְרָאִים בְּשֵׁם
חֲמִשָּׁה פְּרָצוּפִים.

And therefore the five aspects corresponding to them in each world are called
'the five *partzufim*.'

וְהָגַם כִּי בְּבְחִי' הָה' גְּלוּיִם חֲשַׁבְנוּ אֶת כָּל הָעוֹלָמוֹת בִּי"ע לְאַחַד

Now although we counted the worlds of Beriah, Yetzirah, and Asiyah (BiY"A)
as one unit as regards the five levels of revelation,

מִשּׁוּם שֶׁהֵם כֻּלָּם מֵהַנִּפְרָדִים שְׁאִין מְצִיאוֹתָם גּוֹפָה אֱלֹהוּת כָּלָל
וְכַנ"ל שֶׁעַר ד' פ"ה.

this is because these three are detached, worlds, such that their existence is not
actual Godliness at all, as explained in *Sha'ar* 4 chapter 5.

וּא"כ הָרִי הַחֲמִשָּׁה בְּחִי' שֶׁבְּכָל עוֹלָם אֲשֶׁר אָמַרְנוּ שֶׁהֵם נֶגֶד הָה'
גְּלוּיִם

Accordingly, the five aspects in each of the worlds, corresponding to these five
revelations, as we noted,

אֵין בָּהֶם בְּחִי' אָדָם אֶלָּא רַק ג' לְבַד שֶׁהֵם אָדָם קַדְמוֹן וְאָדָם
דְּאַצִּילוֹת וְאָדָם דְּבִי"ע שֶׁהֵם בְּכָלִלוֹת אָדָם אֶחָד.

have only three formats of Adam – Adam Kadmon, Adam of Atzilut, and Adam
of BiY"A, the latter included in a single 'Adam,'

בְּבְחִי' רג"ב וְכַנ"ל שֶׁעַר ג' פ"א ע"ש.

comprising three levels: head, thorax and abdomen, as explained in *Sha'ar* 3
chapter 1. See there.

אָבֵל הֵב' גְּלוּיִם הָרִאשׁוֹנִים הָרִי אֵין בָּהֶם בְּחִי' אָדָם כָּלָל ח"ו.

However, the first two revelations – the *Ohr Ein Sof* and the *Tzimtzum/kav* – have
no format of Adam at all, Heaven forbid.

אָמֵנָם הוּא כִּי בְּכָל הָעוֹלָמוֹת אֲשֶׁר מֵאָדָם קַדְמוֹן וְלִמְטָה,

Nevertheless, in all of the worlds from Adam Kadmon and down,

הֵנָּה נִבְחַן בָּהֶם בְּחִי' אָדָם גַּם מָה שֶׁהוּא שֵׁם נֶגֶד הֵב' גְּלוּיִם
הָרִאשׁוֹנִים ג"כ.

one can ascribe the aspect of Adam, even regarding that which corresponds to
the first two revelations as well.

וְעוֹד כִּי מָה שֶׁחֲשַׁבְנוּ שֵׁם הָג' עוֹלָמוֹת בִּי"ע לְגְלוּי אֶחָת

Furthermore, when we reckoned the three worlds of BiY”A as a single revelation,

הוא משום שכלם נעשו בהגלוי דשם אלהים וכנ”ל שער ד' פ"ד

this is because they are a product of the revelation of the name *Elokim*, as explained above, Sha’ar 4 chapter 4.

אבל בפרטות הרי הם ג' עולמות.

Nonetheless, in a specific sense, they are indeed three separate worlds.

וכאשר נתחיל להבחין מאדם קדמון ולמטה

Thus when we begin to portray the worlds from Adam Kadmon and below

שהוא מעת שהתחיל הגלוי דבחי' אדם

- that is from the moment that the revelation of the format of Adam began –

הרי הם ה' עולמות אשר הם כלם בבחי' אדם כנז'

there are five worlds, all of them having the format of Adam ascribed to them, as mentioned.

והנה הם ג"כ בבחי' הה' גלויים הכלליים כי בערך העולמות בי"ע נחשב להם א"ק והאצילות בבחי' הב' גלויים הראשונים

Consequently there are also five general aspects of revelation, because in the register of the worlds of BiY”A, Adam Kadmon and Atzilut are considered the first two revelations – not the *Ohr Ein Sof* and the *Tzimtzum/kav*.

אך בערך הב' גלויים הראשונים העקריים נחשב כל הג' עולמות בי"ע כלם לאחת

But in the register of the first two revelations, the primary ones i.e. the *Ohr Ein Sof* and the *Tzimtzum/kav*, all three worlds of BiY”A are reckoned as one,

משום שהם כלם נפרדים ובגלוי אחת דשם אלהים כנז'.

since they are detached worlds, and the product of a single revelation, the *Nane Elokim*, as just mentioned.

כי הכל נדון בערכין כמ"ש לעיל בכ"מ.

This is because everything is judged in a relative manner, i.e. in relation to other levels, as explained above in a number of places.

ועכ"פ הוא כי לעולם הם בה' בחי' כלליים וכן הוא בפרטות ג"כ.

In any event, there are always 5 general aspects, and so too specifically there are also 5 aspects.

וְלָכוֹ אֲנִי מְכַנִּים וְקוֹרְאִים אֶת הָה' בְּחִי' הַפְּרָטִיִּים שֶׁבְּכָל עוֹלָם בְּשֵׁם
ה' פְּרָצוּפִים

This is why we refer to and name these five specific aspects of each world 'the five partzufim.'

וְהִנֵּה הֵם עוֹמְדִים בְּכָל עוֹלָם בְּבְחִי' אָדָם קַדְמוֹן וְאָדָם דְּאֶצִּילוֹת
וְאָדָם דְּבְרִיָּאָה וְאָדָם דִּיצִירָה וְאָדָם דְּעֵשֶׂיָּה

Now these five partzufim manifest in all of the worlds as the aspect of Adam Kadmon, Adam of Atzilut, Adam of Beriah, Adam of Yetzirah, and Adam of Asiyah of each world,

וְהֵם נֶגֶד הָה' גְּלוּיִם הַכְּלָלִיִּים.

and they correspond to the five general revelations.

וְהִנֵּה אֵלֵינוּ הָה' פְּרָצוּפִים שֶׁבְּכָל עוֹלָם הֵם נִקְרָאִים בְּזוֹה"ק וּבְדְבָרֵי
הָאֲרִיז"ל בְּשֵׁם אֲרִיךְ אֲנֹפִין אַבָּא אִמָּא זְעִיר אֲנֹפִין נִקְבָּא.

Now these 5 partzufim in each world are called in the Zohar and in the writings of the Arizal: Arich Anpin, Abba, Imma, Ze'ir Anpin, Nukvah.

ז"א הוּא נִקְרָא ג"כ יִשְׂרָאֵל וְיַעֲקֹב. וְהַנּוֹק' הִיא נִקְרָא ג"כ בְּשֵׁם לֵאָה
וְרַחֵל.

Z"A (Ze'ir Anpin) is also called Yisrael and Yaakov. And Nukvah is also called Leah and Rachel.

כִּי יַעֲקֹב אֲבִינוּ ע"ה הָיָה מְרַכָּבָה לז"א וְרַחֵל וְלֵאָה הָיוּ מְרַכָּבָה
לְהַנּוֹק'.

This is because our Patriarch Yaakov (Jacob), peace be upon him, was the vehicle for Z"A, and Rachel and Leah were the vehicle for Nukvah.

וְהִנֵּה הֵם הָה' פְּרָצוּפִים שֶׁבְּכָל עוֹלָם.

These then are the 5 partzufim that are in every world.

וְכֹן יִשְׁנִים ג"כ ה' בְּחִי' בְּכָל פְּרָצוּף וְהֵם הָה' חֲלָקֵי נִשְׁמָה.

There are also five aspects within every partzuf – these are the five levels of the neshama the soul or consciousness –

יְחִידָה חִיָּה נִשְׁמָה רוּחַ נֶפֶשׁ. שֶׁבְּאֲרָנוּ לְעֵיל שַׁעַר ג'.

from highest to lowest: Yechida, Chaya, Neshama, Ruach, Nefesh – as explained above Sha'ar 3.

וְאֵלֵינוּ הַחֲמִשָּׁה גְּלוּיִם שֶׁבְּכָל עוֹלָם וְשֶׁבְּכָל פְּרָצוּף הִנֵּה הֵם סוּד הַד'
אוֹתִיּוֹת דְּהַשֵּׁם הַגָּדוֹל ב"ה עִם קוּצוֹ שֶׁל י'

Now these five revelations in each world, and in each *partzuf*, are the mystical secret of the four letters of the blessed Name *Havaye* along with the ‘thorn’ on top of the letter *yud*.

כי ע"י גלוייו נתגלה להקרא בשם. ונתגלה עצמותו גופה בהשם
הנ"ה ב"ה

Indeed it is by way of these revelations that He is revealed to be called by Name. And His essence itself is revealed in the blessed Name *Havaye*,

שהוא הנראה תכונת כל אותן ה' גלויים באותיותיו שבו.

which is an indication, by way of the letters of that Name, of the characteristics of those five revelations.

וכן הם ג"כ סוד הנ"ה פשוט והד' מלואים ע"ב ס"ג מ"ה ב"ן
היוצאים מהד' אותיות שבו.

Similarly, this is also the secret of the Name *Havaye* in the non-iterated form, and in the four iterated forms the *miluim*, known as *A"b*, *Sa"g*, *Ma"h*, *Ba"n*² that emerge from the four letters of the Name.

These miluim are formed by expanding or iterating the Name Havaye as follows:

יו"ד ה"י וי"ו ה"י = $A''b = 72$

יו"ד ה"י וא"ו ה"י = $Sa''g = 63$

יו"ד ה"א וא"ו ה"א = $Ma''h = 45$

יו"ד ה"ה ו"ו ה"ה = $Ba''n = 52$

כי כ"ז הם הנראת פרטי כל גלוי וגלוי מהה' גלויים אשר בכל עולם
עצמו

All of these indicate the specific types of illumination of the five revelations in each and every world,

ומהה' גלויים אשר בכל פרצוף עצמו וכמו שיתבאר כ"ז לקמן
בדבריני בעה"י

as well as the five revelations of each *partzuf*, as will be explained below, with G-d's help.

1b — The *Partzuf* of *Arich Anpin* of the Third Revelation

והענין הוא כי הנה הגלוי הראשון מהגלויים הכלליים דלעיל שער
ד'

The concept is as follows: the first of the general revelations mentioned above in Sha'ar 4

וְהוּא אִזְרָא א"ס הַמְקִיף אֲשֶׁר לְמַעַלָּה מִהַצְמָצוּם וְכַנ"ל שֶׁע"ד פ"ג
– the all-encompassing *Ohr Ein Sof* that precedes the *tzimtzum* –

הֵנָּה הַמְשִׁיךְ מִמֶּנּוּ וְהוֹצִיא מֵעִין דְּגִמְתּוֹ בְּכָל עוֹלָם לְפִי עֶרְכוֹ
from it He drew forth and extracted something akin to it in each world
according to its stature.

וְהוּא אִזְרָא הַפְּרָצוּף הַנִּקְרָא בְּשֵׁם אֲרִיךְ אַנְפִּין וְהוּא עוֹמֵד בְּכָל עוֹלָם
ג"כ

This is the light of the *partzuf* called *Arich Anpin*, which is also present in every world

בְּבַחֲיוֹ אִזְרָא א"ס הַמְקִיף שֶׁלְמַעַלָּה מִהַצְמָצוּם
as the aspect of the all-encompassing *Ohr Ein Sof* that precedes the *tzimtzum*.

כִּי עֵקֶר הַצְמָצוּם דְּכָל עוֹלָם הוּא רַק מֵהַז"א שֶׁבּוֹ אֲבָל הָא"א שֶׁבּוֹ
הוּא בְּבַחֲיוֹ אִזְרָא א"ס בְּכָל עוֹלָם

Because the *tzimtzum* in each world is primarily from *ze'ir anpin* in that world and below, but *Arich Anpin* of that world is the aspect of *Ohr Ein Sof* in that world.

וּמִמֶּנּוּ הוּא כָּל הַהִנְהָגָה הַנְּסִית אֲשֶׁר הוּא לְמַעַלָּה מִהַטְבַּע לְגַמְרִי
וּלְמַעַלָּה מִן הַמִּדָּה לְגַמְרִי, כַּנ"ל שֶׁעַר ו' פ"ד.

From it from *Arich Anpin* of that world comes all the miraculous orchestration of events that transcend the natural order completely, and are completely beyond limitation, as explained in Sha'ar 6 chap. 4.

כִּי כָּל מָה שֶׁהוּא בְּהַשְׁרָשׁ כֵּן הוּא בְּעֵנָף הַיּוֹצֵא מִמֶּנּוּ

This is so because everything in the root is also in the branch that extends from it,

וְלָכֵן יִשְׁנוּ בְּכָל עוֹלָם וְעוֹלָם בְּחִי אִזְרָא א"ס וְהוּא הַשְׁרָשׁ הָרִאשׁוֹן,
הַגְּלוּי הָרִאשׁוֹן מֵאַמְתּוֹתוֹ הַנִּעְלָמָה ית"ש

and therefore there is in every world an aspect of *Ohr Ein Sof*, which is the original root, the first revelation in that world of His true concealed Being, may His Name be blessed.

אֲשֶׁר נִתְגַּלָּה לְצִדִּיק פְּעֻלַּת אוֹתוֹ הָעוֹלָם.

It i.e. *Arich Anpin* is revealed in that world for the requirement of producing that world.

וְהוּא בְּכָל עוֹלָם דְּגִמְתּוֹ אִזְרָא א"ס הַמְקִיף אֲשֶׁר בְּכָל־לִוְיֵי הָעוֹלָמוֹת
כָּלָם.

And indeed in every world i.e. in the micro-structure of each individual world there is an aspect similar to the all-encompassing *Ohr Ein Sof* of all the worlds in general i.e. in the macro-structure of all the worlds.

וְכֹן נִמְשָׁךְ וְנִצָּא מִמֶּנּוּ עַד"ז בְּכָל פְּרָצוֹף וּפְרָצוֹף גּוֹפָה ג"כ מֵעֵין
וּבְדִגְמָא

Likewise, from it from *Arich Anpin* is drawn forth and extracted a similar and comparable quality for each and every *partzuf* individually.

וְהוּא הַחֵלֶק הָעֲלִיוֹן דְּהֵה' חֲלָקֵי נִשְׁמָה שֶׁבְּכָל פְּרָצוֹף שֶׁהוּא הַיְחִידָה
שָׁבוּ.

This is the highest aspect of the five levels of the soul – or levels of consciousness – in each *partzuf*, which is the *yechidah* thereof.

וְנִקְרָא בְּשֵׁם יְחִידָה מִשּׁוּם שֶׁבָּהּ כָּלוּל כָּל הַד' חֲלָקֵי נִשְׁמָה
הַתַּחְתּוֹנִים וְכָל תְּכוּנוֹתֵיהֶם וְעֲנִינֵיהֶם

Now it is named '*yechidah*' because in it are included all of the four lower levels of the soul, as well as all of their attributes and their special features,

הַכָּל בְּאַחַדוֹת עָצוּם מְאֹד עַד שֶׁהִיא רַק יְחִידָה לְבַד

all of this in a very powerful unity, to the extent that there is only *yechidah* alone.

וְהִיא בְּכָל פְּרָצוֹף כְּבָחִי א"א שֶׁבְּכָלֹל אוֹתוֹ הָעוֹלָם

And it is found in every *partzuf* as the aspect of *Arich Anpin* of that world in general,

וְכְבָחִי א"ס הַמְקִיף שֶׁבְּכָלֹל הָעוֹלָמוֹת כָּלָם.

and as the aspect of the all-encompassing *Ein Sof* of all the worlds together.

אָמְנָם עַכ"ז הִנֵּה צְרִיכִים אָנוּ לַדַּעַת מְאֹד כִּי אוֹתוֹ הַכְּבָחִי שֶׁאָנוּ
מְבַחֲיָנִים אֶת אוֹר א"ס הַמְקִיף בֵּא"א שֶׁבְּכָל עוֹלָם

Nevertheless, it is indeed vital to know that the aspect that we discern as the encompassing³ *Ohr Ein Sof* in *Arich Anpin* of each world

הִנֵּה הוּא עוֹמֵד בּוֹ עֲתָה רַק בְּהַעֲלֵם גָּדוֹל נוֹרָא מְאֹד

is currently in a state of extraordinary concealment there.

כִּי כְּבֹר אֲמַרְנוּ לְעֵיל שַׁעַר ד' כִּי אוֹר א"ס הַמְקִיף הִנֵּה הוּא לִמְעָלָה
מִהַכָּל וּמִבְחוּץ לַהַכָּל

For we have already explained above, in *Sha'ar 4*, that the all-encompassing *Ohr Ein Sof* transcends everything and is 'outside' of everything.

The term 'outside' here is not meant literally, but rather to indicate that it is not revealed in any way as the internalized light of the *ohr pnimi*.

ואין שום עולם ושום פרצוף יכולים לקבל את עקר אורו ממשה
מאמה

There is no world and no *partzuf* that can receive the actual primary aspect of its light at all,

ואין כל העולמות משתמשים עתה רק בתמצית הארתו לבד
הנמשך ממנו מלמעלה מהכל ומסביב לכל

and none of the worlds currently make use of anything more than a distillation of its radiance, drawn down to it from beyond everything and encompassing everything.

ומה שאמרנו כי א"א שבכל עולם הוא מעין דגמתו שבכללות
העולמות כלם

When we said that Arich Anpin of each world is something akin to that quality i.e. the all-encompassing *Ohr Ein Sof* in the macro-structure of the worlds,

הנה הוא רק על עצמותו הפנימית לבד והוא עומד בו בהעלם גדול
נורא מאד

this is only as regards the inner essence of Arich Anpin, which is in a state of extraordinarily concealment.

אך עקר הגלוי דהא"א שבכל עולם וכן היחידה שבכל פרצוף

However, the primary revelation of *Arich Anpin* in all the worlds, as well as the *yechidah* of all *partzufim*,

הנה הוא רק בבחי' אדם קדמון שהוא הגלוי השלישי מהה' גלויים
הכלליים.

****is exclusively in *Adam Kadmon*, which is the third revelation of the five general revelations.**4**

והנה עצמותם הפנימי שבהעלם מהגלוי הראשון אך גלויים הוא
רק בבחי' הגלוי השלישי.

The concealed inner essence of all these five revelations is from the first revelation the *Ohr Ein Sof*, but actual revelation is only from the third revelation on.

ועומד הא"א שבכל עולם והיחידה שבכל פרצוף בדגמת אדם
קדמון הכללי

Arich Anpin in each world, and the yechidah of each partzuf, is thus like Adam Kadmon in general

שהוא הגלוי השלישי שבכלל העולמות.

– the third revelation in the macro-scale of the worlds.

אָמַנְם כָּבֵר אָמַרְנוּ בְּשַׁעַר ד' פ"ג שְׁגַם אָדָם קַדְמוֹן הֵנָּה הוּא עֵדִין וְכַךְ
בא"ס עֲצָמוּ אֵלָא שֶׁהוּא בְּחִי' הַתְּחִתּוֹנָה שָׁבוּ.

We did indeed state in Sha'ar 4 chap. 3 that *Adam Kadmon* is still in the actual *Ein Sof*, albeit in the lowest level thereof.

וְהִרִי הֵנָּה א"א בְּכָל עוֹלָם וְהִיחִידָה בְּכָל פְּרָצוֹף בְּדִגְמַת בְּחִי' א"ס
הַפְּלִי עַכ"פ.

Thus in any event, the *Arich Anpin* in each world, and the *yechidah* in every *partzuf* is a likeness of the aspect of *Ohr Ein Sof* in general.

וְהֵנָּה כ"ז הוּא ג"כ ע"פ מָה שֶׁאָמַרְנוּ לְעֵיל אוֹת א'

Now all of this follows the paradigm we expressed above in section (a) of this chapter –

כִּי הָעוֹלָמוֹת בִּי"ע שֶׁהֵם ג' עוֹלָמוֹת עִם אָדָם קַדְמוֹן וְאַצִּילוֹת
that the three worlds of BiY"K, together with Adam Kadmon and Atzilut,

הֵנָּה הֵם ג"כ בְּבְחִי' הָה' גְּלוּיִם הַפְּלִיִּים
follow the same paradigm in terms of the five general revelations

וְהֵנָּה א"ק שֶׁהוּא הַגְּלוֹי הַשְּׁלִישִׁי מִבְּחִי' אוֹר א"ס הַמְּקִיף שֶׁהוּא
הַגְּלוֹי הָרִאשׁוֹן.

so that A"K Adam Kadmon is the third revelation from the all-encompassing *Ohr Ein Sof*, the first revelation, followed by the *Tzimtzum* and *kav*

כִּי א"ק הִרִי הוּא עֵדִין מְאֹר א"ס עֲצָמוּ אֵלָא שֶׁהוּא הַגְּלוֹי הַשְּׁלִישִׁי
מִמֶּנּוּ

since A"K is still a product of the actual *Ohr Ein Sof*, albeit the third revelation down from there,

שֶׁהוּא בְּחִי' הַתְּחִתּוֹנָה שָׁבוּ כִּי אֵי אֶפְשָׁר לְהָעוֹלָמוֹת אֲבִי"ע לְקַבֵּל
אֶת גְּלוּיֹ דְאוֹר א"ס

which is the lowest aspect of it of the *Ohr Ein Sof*, since it is not possible for the worlds of Atzilut, Beriah, Yetzirah and Asiyah to receive the revelation of the *Ohr Ein Sof* –

אֵלָא וְכַךְ אֶת אוֹתוֹ הַבְּחִי' הַתְּחִתּוֹנָה שָׁבוּ לְבֵד שֶׁהוּא הָא"ק

other than that lowest aspect, which is A"K.

וְזֶה נַעֲשֶׂה לָהֶם לְבַחִי הָעֲלִיּוֹנָה וְהָרָאשׁוֹנָה.

A"K thus becomes their highest and the first aspect i.e. the heist aspect of Atzilut, Beriah, Yetzirah and Asiyah.

וְכֵן הוּא הָא"א שֶׁבְּכָל עוֹלָם וְהִיחִידָה שֶׁבְּכָל פְּרָצוּף בְּנִזְכָּר:

And the same applies to *Arich Anpin* in each world, and the *yechidah* in each *partzuf*.

1c — *Arich Anpin* as the extension of Adam Kadmon

וְהִנֵּה נִתְבָּאָר לָנוּ עַכ"פ כִּי פְּרָצוּף א"א הֵנָּה הוּא עוֹמֵד בְּכָל עוֹלָם
בְּמַדְרַגַּת אָדָם קַדְמוֹן.

In any event, it has now been explained that the *partzuf* of *Arich Anpin* in each world has the status of Adam Kadmon in that world,

וְעֲצָמוּתוֹ בְּהָעֶלֶם הוּא מְאֹר א"ס הָעֲלִיּוֹן, וְכֵמוּ שֶׁהוּא א"ק ג"כ.

and its hidden inner essence is from the supernal *Ohr Ein Sof*, just as with A"K.

וְא"כ הֵרִי נִמְצָא כִּי כֵמוּ שֶׁמְבָאָר מַדְבְּרִינוּ לְעֵיל בְּשֶׁעֲרִים הַקּוֹדְמִים

Accordingly, it turns out that just as it was explained above in the previous *sha'arim*

כִּי הֵנָּה הַגֵּם שֶׁכָּל הַגְּלוּיִם אֲשֶׁר מֵאַחֵר א"ס הַמְּקִיר וּלְמַטָּה

- that even though all the revelations below the all-encompassing *Ein Sof*

הֵנָּה כָּלֵם הֵם מִיִּסְדִּים עַל סוּד שְׂרֵשׁ דְּבַחִי גְּבוּל וּמַדָּה

are all based on the mystery of restriction and limitation,

כִּי הֵרִי הֵם נִמְשָׁכִים וְיוֹצְאִים מִסוּד הַצְמָצוּם וּמִיִּסְדִּים רַק עָלָיו

since they all derive from and emerge from the secret of the *tzimtzum*, and are based exclusively upon it –

וְעַכ"ז הֵרִי מְבָאָר בְּכָל דְּבַרֵּינוּ שֶׁם כִּי יִסוּדֵם הָרָאשׁוֹן וְהָעֲקָרִי הֵנָּה
הוּא רַק הָאוֹר א"ס לְבַד

nevertheless it is clear from our explanations there that their first and primary basis is exclusively the *Ohr Ein Sof*.

כִּי גַם כָּל סוּד הַצְמָצוּם עֲצָמוּ הֵנָּה הוּא עוֹמֵד רַק עָלָיו וְנִמְשָׁךְ מִמֶּנּוּ

This is because even the secret of the entire *tzimtzum* itself is based purely upon it the *Ohr Ein Sof* and is drawn therefrom.

וְכֵן הוּא מְשַׁפֵּעַ מִמֶּנּוּ תָּמִיד וְלָכֵן אֵין לְכָל הַטֶּבַע כֹּלָה אֲשֶׁר הִיא
מִיָּסֵד עַל סוּד הַצְמִצּוּם

And it the *tzimtzum* is also forever influenced by it, and therefore all of nature,
which is based on the secret of the *tzimtzum*,

וְלְכָל הַגְּבוּל וּמִדָּה הַנִּמְשָׁךְ מִמֶּנּוּ

and upon all of the constrictions and limitations that are drawn from it,

שׁוּם כֹּחַ הַחֲלָטִי כָּלֵל אֵלָּא שֶׁבְּרָצוֹתָיו חוֹגֵג וּבְרָצוֹתָיו מְמוּגָּג

that nature **has no absolute power at all, but** is “like glass in the hands of the glazer
– **who shapes it at will and melts it at will.”**5

מִשּׁוּם שֶׁכָּל הַגְּבוּל וּמִדָּה וְכָל הַטֶּבַע כֹּלָה עוֹמֵד בְּאַמָּת רַק עַל אוֹר
א"ס

This is because all of the constrictions and limitations of the *tzimtzum* and all of
Nature truly are based upon the *Ohr Ein Sof* exclusively.

וְרַק הוּא יְסוּדָם הָרָאוּשׁוֹן הָעֶקְרִי שֶׁבָּהֶם וְהוּא בְּפָנִימִית בָּהֶם תָּמִיד
וְכַנ"ל שֶׁעַד ד' ה' בְּאַרְכָּה

Only the *Ohr Ein Sof* is their first and primary foundation within them, and it is
at their very core at all times, as explained above Sha'ar 4 & 5 at length.

כֵּן הוּא עַד"ז ג"כ פְּרָצוֹף הָא"ס שֶׁבְּכָל עוֹלָם וְאוֹר הַיְחִידָה שֶׁבְּכָל
פְּרָצוֹף

And so too as regards the *partzuf* of *Arich Anpin* in each world, and the
yechidah of each *partzuf* –

אֲשֶׁר כָּחֶם וְעֲצֻמוּתָם בְּהֶעֱלָם הוּא מְאוּר א"ס הָעֲלִיּוֹן וְכַנְזָכָר

their hidden power and their essence is from the supernal *Ohr Ein Sof*, as
mentioned.

הֵנָּה הֵם מִתְפַּשְּׁטִים וְעוֹמְדִים ג"כ בְּפָנִימִית כָּל עוֹלָם וְכֵן בְּפָנִימִית
כָּל פְּרָצוֹף מְרַאשׁוֹן לְסוּפּוֹן מִמֶּשׁ

And they too permeate every world from within and remain at the core of every
world, as well as at the core of every *partzuf* – from top to bottom.

וְכָל עוֹלָם וְכָל פְּרָצוֹף הוּא מִיָּסֵד רַק עֲלֵיהֶם שֶׁהֵם שֶׁרֶשׁ הָרָאוּשׁוֹן
וְהָעֶקְרִי שָׁבוּ

And every world and every *partzuf* is based upon them, since they are the first
and primary root within them,

וְנִמְשָׁכִים וְתִלּוּיִם רַק מֵהֶם וּבָהֶם.

and they are drawn from them and are dependent upon them.

ועי"ז נמצא כי האור דא"ס הוא עומד לעקרי בכל עולם ובכל פרצוף
תמיד

So in this way it turns out that the *Ohr Ein Sof* always exists as the primary aspect of every world and every *partzuf*,

מהעולם ועד העולם ותלוי כל המציאות בלו תמיד רק עליו לבד:

from world to world, and all of existence is dependent exclusively upon it upon the *Ohr Ein Sof*.

1d — The two loftiest revelations cannot be comprehended

והנה אמרנו כי הגם שכחו ועצמותו דהא"א הנה הוא מאור א"ס
העליון

Now we said that although the power and essence of *Arich Anpin* is from the *Ohr Ein Sof*,

עכ"ז הנה גליו בכל עולם הוא רק בבחי' אדם קדמון וכנ"ל

nevertheless its revelation in each world is only the aspect of Adam Kadmon of that world, as we explained above.

ולכן הוא כי הנה הגם שאור א"ס עצמו הנה אין לו שום תפיסה
בשום שם ומלה

And therefore, even though the *Ohr Ein Sof* Himself cannot be expressed within any Name or word,

ולא בשום אות ונקדה כלל עכ"ז הנה בחינתו אשר כנגדו
בהעולמות

nor in any letter or vowel-point at all, nevertheless, the aspect corresponding to it to the *Ohr Ein Sof* in the worlds

והוא פרצוף הא"א שבכל עולם ואור היחידה שבכל פרצוף

is the *partzuf* of *Arich Anpin* of each world, and the light of *yechidah* in each *partzuf*.

הנה הם יש להם איזה תפיסה וגלוי קצת על כל פנים,

And these are amenable to at least some sort of comprehension and at least a modicum of revelation,

כי הרי מאחר שירד אור א"ס העליון דרך הצמצום ונתלבש בו

for since the supernal *Ohr Ein Sof* descended by way of the *tzimtzum* and became clothed within it within *Arich Anpin*

להיות על ידו שרש והתחלה לכל עולם ולכל פרצוף

becoming thereby the root and the beginning of every world and of every *partzuf*,

הנה נעשה שם גם להם איזה גלוי עכ"פ.

there was thus fashioned for them at least some sort of revelation there.

אמנם הוא רק בחי' גלוי ממעט מאד והינו בהקוצו של י' דהשם
הנ"ה ב"ה

It is nevertheless only a very minimal degree of revelation, indicated by the tiny 'thorn' on top of the *yud* of the blessed Name *Havaye*

אשר בכללות כל עולם ואשר בכללות כל פרצוף.

in the general structure of every world and in the general structure of every *partzuf*.

Each world and each *partzuf* follows the same paradigmatic structure indicated by the Name *Havaye*: In terms of worlds the 'thorn' on top of the *yud* is Adam Kadmon, the *yud* is Atzilut, the upper *hai* is Beriah, the *vav* is Yetzirah and the final *hai* is Asiyah. Similarly, in terms of *partzufim*: the *yud* is *Abba*, the upper *hai* is *Imma*, the *vav* is *Zei'r Anpin*, and the final *hai* is *Nukvah*. *Arich* is alluded to by the 'thorn' on top of the *yud*.

כי בסבת הגלוי העקרי דהעולם והפרצוף אשר הוא בתכונת
הוראת דהשם הנ"ה ב"ה

This is because by way of the primary revelation in each world and *partzuf*, which all of which have the attributes indicated by the blessed Name *Havaye*,

הנה עומד אותו האור דבחי' א"ס שבו שהוא שרש אליו

that aspect of the light of the *Ein Sof* therein is their root,

בתכונת הוראת דהקוצו של י' שהוא השרש וההתחלה לכל הד'
אותיות דהשם הנ"ה כלו.

so that the thorn on top of the *yud* indicates that it is the root and the beginning of all four of the letters of the Name *Havaye*.

ושם בהקוצו של י' הנה הוא גלוי של האור דא"ס שבאותו העולם
והפרצוף.

And there, in the thorn on top of the *yud*, is the revelation of the *Ohr Ein Sof* of that world and that *partzuf*

והוא הא"א שבכל עולם והיחידה שבכל פרצוף.

represented by the *Arich Anpin* of each world, and the *yechidah* of each *partzuf*.

אָמַנָם כ"ז הוּא רַק מֵהַגְלוּי הַשְּׁלִישִׁי הַכִּלְלִי שֶׁהוּא מֵאָדָם קַדְמוֹן
וּלְמַטָּה

However, all of this is only from the third macro-revelation on, from Adam Kadmon and below.

כִּי מִשָּׁם הֵנָּה מִתְחִיל הַבְּחִינֹת דְּעֵשֶׂר סְפִי אֲשֶׁר בְּבַחֲי מַחְשָׁבָה
וְהִרְוּר עַכ"פּ וְכַנ"ל שְׁעַר ד' פ"ג.

For it is there in Adam Kadmon that the ten *sefirot* start to become distinct, in the aspect of mind and thought at least, as explained in *sha'ar* 4, chapter 3.

אָבֵל הַגְלוּי הַב' שֶׁהוּא הָאִוִּיר קַדְמוֹן וְטִהִירוֹ עֲלָא

But as regards the second macro-revelation, which is called *Avir Kadmon* and *Tehiru Ila'ah*,

אֲשֶׁר שָׁם אֵין עֵדִין שׁוּם הַבְּחִינָה לְמַצִּיאוֹת דֵּהִי סְפִי כָּלֵל וְכַנ"ל שָׁם
there is no differentiation of the ten *sefirot* at that level at all, as explained there.

וּמַכְש"כ הַגְלוּי הָרִאשׁוֹן הַכִּלְלִי שֶׁהוּא הָאוֹר דַּא"ס אֲשֶׁר לְמַעְלָה
מִהַצְמָצוּם.

How much more so in the first macro-revelation, which is the *Ohr Ein Sof* that transcends the *tzimtzum* –

הֵנָּה שָׁם אֵין שׁוּם גְּלוּי עֵדִין עֲתָה כָּלֵל אֶפִּי בְּבַחֲי קוּצוֹ שֶׁל י'.

at that level, there is as yet no revelation at all, even the aspect represented by the thorn on top of the *yud*.

כִּי עֵדִין לֹא זָכוּ הָעוֹלָמוֹת לְקַבֵּל מִשָּׁם שׁוּם הַבְּחִינָה מֵאֲמָה

For as yet the worlds did not merit to have any distinguishing features ascribed to them at all,

וְנִשְׁאַרוּ הֵם נֶעְלָם בְּתַכְלִית הַהֶעָלָם וְלָכֵן אֵין לָהֶם גְּלוּי אֶפִּי בְּבַחֲי
קוּצוֹ שֶׁל י'.

and they remained absolutely concealed, and therefore they have no modicum of revelation, even in the form of a thorn on the *yud*.

וְאֵלּוּלָא הַחֲטָא דְּעַץ הַדַּעַת הָיוּ מִתְעַלִּים כָּל הָעוֹלָמוֹת וְהָיוּ עוֹלִים
בְּעֲלִיָּה אַחֵר עֲלִיָּה עַד אוֹר א"ס הָעֲלִיּוֹן ג"כ. ע' לַק"ת בְּרֵאשִׁית
וּמֵאֲמָרֵי רִשְׁב"י פ' קְדוֹשִׁים.

Now were it not for the sin of the Tree of Knowledge, all of the worlds would have become elevated, advancing from level to level, up until the supernal *Ohr Ein Sof*. See Arizal's *Likutei Torah*, *Bereishit*, and his *Ma'amarei Rashbi* – *Kedoshim****.

וְהָיָה גַלּוּי לְהַעֲלָמוֹת גַּם מִהָאֹר דַּא"ס אֲשֶׁר לְמַעַלָּה מִהַצְמָצוּם.

And so there would have been a revelation to the worlds even of the *Ohr Ein Sof* that transcends the *tzimtzum*, had it not been for that sin.

אָבֵל עֲכָשׁוּ הֵנָּה אֵין גַּלּוּי לָהֶם כָּלֵל גַּם מִהָאֹר קַדְמוֹן וְהִטְהִירוּ
עַלֶּאָה מְאוּמָּה

But now, because of the sin of the Tree of Knowledge, there is no revelation to them at all, even from the *Avir Kadmon* or the *Tehiru Ila'ah*,

וְנִשְׁאַרוּ כָּל מָה שֶׁלְּמַעַלָּה מֵאָדָם קַדְמוֹן נֶעְלָמִים עֲתָה לְגִמְרֵי עַד עַתָּה
קֶץ תִּקּוֹן הָאֲחֵרוֹן.

and everything above Adam Kadmon remains completely concealed for now, until the final *Tikun* i.e. rectification,

וְכִמּוֹ שֶׁבְּאֲרָנוּ בְּסֵפֶר הַכְּלָלִים כָּלֵל י"ז וּבְסֵפֶר הַדַּע"ה ח"א דְּרוֹשׁ ה'
סוּף סִימָן ה'.

***as we explained in the Sefer HaKelalim, klal 17, and in Sefer Derushei Olam HaTohu part 1, drush 5, end of siman 5.**6*

אֲמָנָם מֵאָדָם קַדְמוֹן וּלְמַטָּה אֲשֶׁר בּוֹ יֵשׁ הַבְּחִינָה לְבַחֲיָא י' סָפִי בְּבַחֲיָא
מִחֲשָׁבָה וְהִרְהוּר עכ"פ

However, from Adam Kadmon and below, ten *sefirot* of the aspect of mind and thought at least can indeed be ascribed,

הֵנָּה נִקְרָא הוּא בְּשֵׁם כְּתֹר הַכְּלָלִי לְכָל הָעוֹלָמוֹת כָּלָם.

and this is called 'the general *keter*' *keter hakelali* of all the worlds.

וְהֵנָּה הוּא בְּבַחֲיָא הַגַּלּוּי דְּקוּצוֹ שֶׁל י' מִהֶשֶׁם הַנִּי' הַכְּלָלִי הַכּוֹלֵל כָּל
הָעוֹלָמוֹת כָּלָם.

More specifically, it is the aspect of the revelation of the thorn of the *yud* of the general Name Havaye that includes all of the worlds.

וְכִן בְּכָל הָעוֹלָמוֹת אֲשֶׁר מֵאָדָם קַדְמוֹן וּלְמַטָּה הֵנָּה נִתְגַּלָּה בָּהֶם
הָאֹר דַּא"ס שֶׁבְּכָל עוֹלָם

So too, in all of the worlds from Adam Kadmon and down, the light of Arich Anpin is revealed in each world.

וְכִן אֹר הַיְחִידָה שֶׁבְּכָל פְּרָצוּף בְּהַגַּלּוּי דְּקוּצוֹ שֶׁל י' דֵּהֶשֶׁם הַנִּי' הַכְּלָלִי

Similarly, the light of *yechidah* is revealed in every *partzuf* as the thorn on the *yud* of the macro-Name Havaye

הכולל את אותו העולם ואת אותו הפרצוף וכנזכר:

that incorporates all of that world and that *partzuf*, as mentioned.

1e — Arich Anpin as Benefactor and Recipient

והנה זה שאמרנו שהא"א דכל עולם והיחידה דכל פרצוף הנה הם רק בהגלוי דקוצו של י'

Now when we said that Arich Anpin of each world, and the *yechidah* of each *partzuf*, is merely the revelation of the thorn on top of the *yud* of the Name Havaye,

הנה זהו רק בבחי' מציאותם הכללי ובערך העולם והפרצוף אשר למטה מהם

this is only as regards their general existence, and compared with the world and the *partzuf* below them.

כי כל עולם בכללו הוא בגלוי דשם הוי"ה אחד

This is because every world in general is a revelation of one Name Havaye as applicable to that world,

ונבחנו כל עולם עליון בערך התחתון ממנו רק בכללות הוי"ה פשוטה לבד

and every higher world is assessed in relation to the world below it only as regards the general Name Havaye in its unexpanded iteration i.e., as the simple four letter Name יו"ד-ה-א-ו rather than in the expanded form of א"ו-ה-א"ו-ה for example,

והד' פרצופים שבו שהם או"א זו"ן הם בערך עולם התחתון רק בהגלוי דהד' אותיות הפשוטים לבד מהשם הוי"ה ב"ה

so that the four *partzufim* therein indicated by the four letters of the Name – *Abba* and *Imma*, *Ze'ir Anpin* and *Nukvah* (*malchut*), following the order of the letters – are related to the lower world only in terms of the revelation of the unexpanded four letters of the blessed Name *Havaye*.

כי כל פרצוף שבו אין לו גלוי למטה אלא רק בכללותו לבד

This is because every *partzuf* therein has no revelation below other than in a general manner, since it is too lofty to be revealed below in fully iterated form,

והנה הוא אות אחד מהד' אותיות שבהשם הוי"ה ב"ה הכולל אותו העולם.

and this is as a single letter of the four letters of the blessed Name *Havaye* that includes all of that world.

Meaning to say, the letter י corresponds to Atzilut; the first ה to Beriah; ו to Yetzirah; the final ה to Asiyah.

וּבְזֶה הוּא מֵה שְׁאֲמַרְנוּ כִּי כָל כְּלָלוֹת פְּרָצוּף א"א דָּכַל עוֹלָם הוּא וְכָל
בְּהַגְלוֹי דְּקוּצוֹ שֶׁל י' לְבַד וּבְנֻזָּר.

This is as we have said – that the entire general *partzuf* of Arich Anpin of every world is the revelation of only the thorn on top of the *yud*, as mentioned.

אָמֵנָם הוּא כִּי בִבְחִי כְחוֹתֵיהֶם הַפְּרָטִיִּים שֶׁב־א גּוֹפָה

Indeed, the fact is that as regards the aspect of the individual powers of each of them in each world

הִנֵּה נִבְחַן ג"כ גַּם הָא"א שֶׁבְּכָל עוֹלָם וְכֵן גַּם הַיְחִידָה שֶׁבְּכָל פְּרָצוּף
לְהוֹיָה אֶחָד שֶׁלָּם

one can also discern the Arich Anpin in each world, as well as the *yechidah* of every *partzuf* as one complete Name *Havaye*, and not just as a single letter corresponding to each world,

וּבְכָל מְלוֹאֵי וּבְחִינוֹתָיו שְׁאֲפָשָׁר לְהִבְחִין בּוֹ

- and not only as a complete Name, but also **with all of the *miluim* (iterations) that it is possible to discern therein.**

כִּי הָרִי בְּעֶצְמוֹתָם גּוֹפָה הִנֵּה הֵם כְּלוּלִים ג"כ מִי סְפִי אֲשֶׁר הֵם
בִּבְחִי הַד' אוֹתִיּוֹת דֵּהֶשֶׁם כָּלּוּ

This is because they themselves each of the worlds also include ten *sefirot*, which are the aspect of or correspond to the four letters of the Name, as explained above.

וּסְפִי הַכֶּתֶר שֶׁבָּהֶם שֶׁהוּא קְשׁוּרָם וְתִלְיָתָם בְּהָעוֹלָם וְהַפְּרָצוּף
שֶׁלְמַעַלָּה הוּא הַקּוּצוֹ שֶׁל י' דָּאוֹתוֹ הַשֵּׁם הַיְּהִיָּה.

Thus the *sefirah* of *keter* in each of them, which is the connection to, and the dependence upon, the world and the *partzuf* above, is the thorn on the *yud* of that Name *Havaye* of that world.

וְעַכ"פּ הוּא, כִּי בִבְחִי כְחוֹתֵיהֶם הַפְּרָטִיִּים שֶׁבָּהֶם גּוֹפָה

In any event, the fact is that as regards their individual powers or *sefirot* in each of the worlds themselves,

הִנֵּה גַם הָא"א שֶׁבְּכָל עוֹלָם וְהַיְחִידָה שֶׁבְּכָל פְּרָצוּף ג"כ בִּבְחִי שֵׁם
הַיְּהִיָּה אֶחָד שֶׁלָּם

the Arich Anpin of each world, and the *yechidah* of each *partzuf*, are also an aspect of one complete Name *Havaye*,

וְהוּא בְּכָלְלוֹתוֹ הַיְיָה פְּשׁוּטָה.

that altogether comprises one simple i.e. non-iterated Name Havaye.

וְהֵד' פְּרָצוּפֵי או"א זו"ן

And the four *partzufim* – Abba *chochmah* and Imma *binah*, Ze'ir Anpin the six *sefirot* from *chesed* to *yesod*, and Nukvah *malchut* –

הֵנָּה הֵם נִבְחָנִים אֶז בְּבַחֲי' הֵד' שְׁמוֹת בְּמַלּוּאָם

are defined as the aspect of the four Names in their iterated form

שֶׁהֵם ע"ב ס"ג מ"ה ב"ן הַיּוֹצְאִים מֵהֵד' אוֹתִיּוֹת הַפְּשׁוּטִים שְׁבֵהָא"א.

– which are A"b, Sa"g, Ma"h and Ba"n that emerge from the four simple i.e. non-iterated letters of the Name Havaye in Arich Anpin, as explained above.

Thus A"b corresponds to Abba/*chochmah*; Sa"g to Imma/*binah*; Ma"h to *Ze'ir Anpin/*the six *sefirot* from *chesed* to *yesod*; and Ba"n to Nukvah/*malchut*.

כִּי הֵנָּה בָּהֶם נִתְגַּלָּה תְּכוּנַת כָּל אוֹת וְאוֹת בַּפִּנ"ע מֵהֵד' אוֹתִיּוֹת
הַשֵּׁם הַכְּלוּלִים בְּהָא"א, הִי סִפִּי דָּכָל אֶחָד מֵהֶם.

And in them in each of these four *partzufim* is revealed the quality or character of each individual letter of the four letters of the simple Name as contained within Arich Anpin, and each of them comprise ten *sefirot*.

וְעוֹמְדִים הָאו"א זו"ן כ"א בְּתִכּוּנָה מִיַּחַדָּת וּמִתְפַּשְׁטִים וּמִתְגַּלִּים
בְּתִכּוּנוֹתֵיהֶם

Thus Abba and Imma, and Ze'ir Anpin and Nukvah each have a unique quality, and they spread forth and are revealed with those qualities,

וְהֵנָּה הֵם הֵד' שְׁמוֹת עֶסֶם"ב אֲשֶׁר בָּאוּ"א זו"ן שֶׁבְּכָל עוֹלָם.

as the four Names A"b, Sa"g, Ma"h and Ba"n that correspond to Abba and Imma, and Ze'ir Anpin and Nukvah in each world.

וְעַד"ז בְּפִרְטוֹת הֵד' חֲלָקֵי נִשְׁמָה – חִיָּה נִשְׁמָה רוּחַ נֶפֶשׁ שֶׁבְּכָל
פְּרָצוּף.

The same is similarly true of the four immanent levels of the soul – *chaya*, *neschama*, *ruach* and *nefesh* of each *partzuf*.

In other words, the four immanent levels of soul also parallel the four letters of the Name Havaye*,* and the four *partzufim* Abba and Imma, and Ze'ir Anpin and Nukvah etc.

וְהָרִי נִמְצָא כִּי בְּבַחֲי' הַכְּלָלוֹת וּבְעֶרְךָ הָעוֹלָם שְׁלֵמָטָה

Thus it turns out that in from the general macro-view i.e. in their root above, compared with the world below it,

הנה נחשב כל ה' פרצופים דכל עולם עליון רק בבחי' הד' אותיות
דהויה פשוט ולקוצו של י' שבו

all of the five *partzufim* – Arich Anpin, Abba and Imma, Ze'ir Anpin and Nukvah – of each superior world are regarded as parallel to only the four letters of the simple non-iterated Name Havaye, and the thorn on the *yud*.

אבל בבחי' מציאותם גופה ובפרטות כחותיהם

But as regards their manifested existence below (rather than their existence in their root) and their individualized powers,

הנה נבחן ה' פרצופים דכל עולם בהגלוי דשם הויה פשוט והד'
מלואי עסמ"ב.

the five *partzufim* of each world are differentiated as the revelation of the letters of the simple non-iterated Name Havaye in the higher world, compared with the five iterated Names of A"b, Sa"g, Ma"h and Ba"n in the lower world.

In other words, a higher world is characterized by the four simple letters of the Name Havaye, as opposed to the world below it in which the four letters of the Name are manifested as A"b, Sa"g, Ma"h and Ba"n.⁷

ולא עוד כי הנה בערך עולם העליון הנה עומד גם הכתר

Furthermore, in comparison with a higher world, even *keter*,

שהוא פרצוף א"א שבכל עולם תחתון ג"כ בהגלוי דשם ע"ב.

which is the *partzuf* of Arich Anpin in each world, has the status in the lower world of also being the revelation of the Name A"b.

כי בערך עולם העליון שהוא יותר פשוט והאחדות שבו הוא יותר
עצום

Because in comparison with the higher world, which is simpler i.e. less differentiated, and in which the unity is more powerful,

הנה נחשב גם הכתר שהוא הא"א דהתחתון לגלוי גמור בכל
תכונת הי' ספי' הפרטיים שבו

even *keter*, the Arich Anpin of the lower world, is regarded as being completely revealed, with all the qualities of its ten individual *sefirot*.

ועומד הוא בערך העליון בהגלוי דשם ע"ב

And in comparison with the upper world, it Arich Anpin exists as a revelation of the Name A"b.

ופרצוף האבא שבהתחתון הוא בהגלוי דשם ס"ג

And the *partzuf* of Abba in the lower world is a revelation of the Name Sa"g.

וְהָאִמָּא בְּהַגְלוֹי דְּשֵׁם מ"ה.

And the *partzuf* of Imma in the lower world is a revelation of the Name *Ma"h*,
והזו"ן הנה הם כלולים שניהם יחד בְּהַגְלוֹי דְּשֵׁם ב"ן.

And the *partzufim* of Ze'ir Anpin and Nukvah, both together, constitute the
revelation of the Name *Ba"n* in the lower world.

כִּי מִתְחַלֵּף גְּלוּיִים בְּעֶרְכֵּיו שְׁבַעֲרַךְ זֶה נִחְשָׁבִים לַפְּשׁוּטִים וּלְנִעְלָמִים
וְהֵם נִדּוּנִים רַק בְּכָלְלוֹת.

The revelations or illuminations change in different registers – in one register
they are regarded as simple (in the sense of uncompounded) and are therefore
hidden from view, and they are discussed only in general terms,

וּבְעֶרְךָ זֶה נִדּוּנִים בְּפֶרְטוֹת וְהֵם גְּלוּיִים.

whereas in a different register they are discussed in detail and as something
revealed.

וְמָה שֶׁהוּא סֵתֵם וְנִעְלָם בְּעֶרְךָ הַתְּחַתּוֹן הוּא נִגְלָה וּמִפְּרָשׁ בְּעֶרְךָ
הָעֶלְיוֹן.

And something that is unknowable and hidden to a lower register is revealed
and explicit in a higher register.

וּבִדְרֹךְ זֶה מִתְחַלֵּף הָא"א בְּגִלּוּיֹ מְקוּצוֹ שֶׁל י' לַהֲיִי' שְׁלֵמָה וּמֵהֵי'ה
פְּשׁוּט לְהַגְלוֹי דְּשֵׁם ע"ב.

So in this manner Arich Anpin exchanges its revelatory status from the thorn
on the *yud* to a complete Name Havaye i.e. where all the letters are manifested,
and from a simple non-iterated Havaye to the revelation of the Name A"b.

וְכֵן מִתְחַלֵּף הָאָבָא מֵע"ב לִס"ג

And similarly, Abba switches from A"b to Sa"g.

כִּי מָה שֶׁהוּא נִחְשָׁב לְמַטָּה שֶׁהוּא סֵתֵם וְהוּא שֶׁרֶשׁ הַחֲסָדִים

Because what is regarded below as unknowable and as the root of kindness from
the *sefirah* of *chesed*,

הֵנָּה הוּא נִחְשָׁב לְמַעְלָה לְגִלּוֹי וְכֵן לְבַחֲי' גְבוּרוֹת.

is regarded above as revelation and constriction from the *sefirah* of *gevurah*.

וְעַד"ז מִתְחַלֵּף אִמָּא מִס"ג לִמ"ה כִּי הִס"ג גַּם הוּא נִקְרָא עֲדִין שְׁמָא
סֵתֵם וְהוּא בַּחֲי' נִקְבָּא וּגְבוּרוֹת

In similar fashion, Imma switches from Sa"g to Ma"h, since Sa"g is also still
called an unknowable Name, and it is the aspect of Nukvah the female element
and of the constrictions rooted in *gevurot****.

והמ"ה הוא שְׁמָא מְפָרֵשׁ שֶׁהוּא שֵׁם הַמְּפָרֵשׁ הַמְזָכָר בְּכָל מְקוֹם

whereas *Ma"h* is the explicit Name *Shem haMeforash*, the same *Shem haMeforash* mentioned in numerous places.

[ובנקדת מוציא אותיותיו על האותיות הפשוטות שבו חצק"צ]

[And as regards vowel points – its letters bring forth the vowels *chirik, tzeirei, kubutz, tzerei* in addition to the simple letters of the Name]

והוא בְּחִי חֲסָדִים וְדוּכָרָא.

It is the aspect of kindnesses rooted in *chesed* and of the male aspect.

כִּי בְּעֶרְךָ הָאָבָא יוֹתֵר סָתֵם וְיוֹתֵר חֲסָדִים וְהוּא ע"ב זָכָר

Because compared with the register of Abba, which is more concealed, and more of the aspect of kindnesses *chesed* since is at the top of the right column of *sefirot* and is associated with A"b and male,

הָיָה אִמָּא ס"ג וּגְבוּרֹת וְנִקְבָּא

Imma is associated with Sa"g – restrictiveness i.e. *gevurah* and female.

אָבֵל בְּעֶרְךָ הַזֶּה שֶׁהֵם כְּלולִים שְׁנֵיהֶם בְּאִמָּא בְּהֵשֵׁם ב"ן שְׁבִיה.

But compared with *Ze'ir anpin* and *Nukvah*, both of which are integrated into the Name *Ba"n* of Imma,

ע' שַׁעַר מ"ן וּמ"ד דְּרוּשׁ ח' סָמוּךְ לְסוּפוֹ

- see *Sha'ar Ma"n u'Ma"d*, end of *drush* 8 –

וְהֵם יוֹתֵר גְּבוּרֹת הָיָה אִמָּא בְּעֶרְכָּם בְּבִחִי שֵׁם מ"ה וְחֲסָדִים וְזָכָר.
ע' זוה"ק וַיְחִי רמ"ו סע"א.

and are even more restricted (i.e. of the aspects of *gevurah*) than Imma, compared with them, Imma is of the aspect of the Name *Ma"h*, kindnesses from *chesed* and male. See *Zohar, Vayechi* 246a.

וְעַד"ז הַזֶּה"ן כִּי הַזֶּה"ן דְּעוֹלָם הָעֶלְיוֹן בְּעֶרְךָ הַתַּחְתּוֹן הִנֵּה הֵם ב'
פְּרָצוּפִים מִיְחָדִים

The same principle applies with *Ze'ir Anpin* and *Nukvah* (*Zu"N*) – *Zu"N* of the higher world compared with the lower world are two *partzufim* united in to one,

זֶה מ"ה וְזֶה ב"ן זֶה חֲסֵד וְזֶה דִּין וְנִמְשָׁךְ כָּל הַשְּׁפַע לְהַתַּחְתּוֹן רַק
מִהֲנוּק' לְבַד

this one *Ze'ir Anpin* is *Ma"h*, and the other one *Nukvah* is *Ba"n*, this one is *chesed* and the other one is *gevurah* (*din*), and the outflow to the world below is exclusively from *Nukvah*.

אָבֵל בְּעֶרְךָ הָעָלְיוֹן הֵם שְׁנֵיהֶם בְּבַחֲי' הַשֵּׁם ב"ן וְדִין לְבַד

But compared with the higher world, both of them are regarded as the aspect of the Name *Ba"n*, and as exclusively from *the aspect of gevurah (din)*,

וְהֵם כְּלוּלִים שְׁנֵיהֶם יַחַד וְנִחָשְׁבִים לְבַחֲי' חֲסִידִים וְגִבּוּרֹת אֲשֶׁר בְּהַשֵּׁם ב"ן עֲצָמוֹ.

and they are both contained within the Name *Ba"n* itself, and are regarded as the aspects of *chesed* and *gevurah* respectively within it.

וְעַד"ז הֵנָּה הֵם מִתְחַלְפִּים בְּגִלּוּיִם כ"א לְבַחֲי' שׁוֹנוֹת רַבִּים.

So too, when it comes to the revelations of each of them, they switch over into numerous different aspects.

וְכ"ז הוּא מְשׁוּם שֶׁכ"א הוּא כָּלוּל מִכֻּלָּם אֲלָא שֶׁמִּתְחַלְפִּים לְפִי גִלּוּיִם וְהַכֹּל נִדּוֹן בְּעֶרְכּוֹ.

All of this is because each of them includes all of them, and they switch between them depending upon their revelations – and everything is judged in a relative manner, i.e. in relation to other levels.

וְכֵן יֵשׁ עוֹד בַּחֲי' בֵּא"א וּבִאֲמָא כִּי מְשׁוּם שֶׁהֵא"א הֵנָּה הוּא רַק הַשֶּׁרֶשׁ דְּכָל עוֹלָם

There are also other aspects of Arich Anpin and Imma, because since Arich Anpin is the root of every world,

שֶׁהָרִי הוּא רַק בְּהִקְצוֹ שֶׁל י' דֶּה־שֵׁם הַכִּלְלִי שֶׁבְּכָל עוֹלָם וְגִלּוּיוֹ הוּא בֵּאו"א וְזו"ן וְכַנ"ל

- since it is the thorn on the *yud* of the encompassing Name of that world, and its revelation is in Abba and Imma and Zu"N, as explained previously –

לָכֵן נִקְרָא א"א בְּשֵׁם אֶהְיָ שֶׁהוֹרָאָתוֹ הוּא עַל לַעֲתִיד אֲנָא זְמַן לְאַתְגַּלְיָא

and therefore Arich Anpin is referred to by the Name *Ehye-h*, which as a future continuous verb means 'I will be', alluding to the future – meaning 'I will be revealed in the future,'

כַּמ"ש בַּפ' וִיקְרָא י"א א' וַפ' אַחֲרֵי ס"ה ב'

as is written in *Zohar, Vayikra 11a; Acharei 65b*.

וְהוּא בְּמָה שֶׁמִּתְגַּלָּה אַח"כ בְּהַד' פְּרָצוּפִים או"א וְזו"ן שֶׁהֵם הַד' אוֹתִיּוֹת דֶּה־שֵׁם הַנִּיחָה ב"ה.

This is subsequently revealed in the four *partzufim* of Abba and Imma, Ze'ir Anpin and Nukvah, which are i.e. correspond to the four letters of the blessed Name Havaye.

אָבֵל הוּא עֲצָמוֹ הֵנָּה הוּא רַק בְּבַחֲיָא אֶהְיֶה כִּי אֵין לוֹ גִּלּוּי בְּשֵׁם הַיְוָה
ב"ה אֵלָּא רַק בְּקוֹצוֹ שֶׁל י'.

But He Himself is called only *Ehye-h*, because He is not revealed within the blessed Name Havaye other than in the thorn on the *yud*.

וְכֵן נִקְרָא אֵימָא ג"כ בְּשֵׁם אֶהְיֶה מְשׁוּם שֶׁהִיא עֲצָמָה הִיא ג"כ נִעְלָם
Imma (*binah*) too is called *Ehye-h* since she too is concealed,

אֵלָּא שֶׁמִּתְגַּלִּית בְּזוּ"ן כִּי הַזֶּה עַקֵּר הַגִּלּוּי דְּכָל עוֹלָם
and is revealed only in *Zu"N*, since *Zu"N* is the primary revelation in every world,

וּבֵהֶם הוּא עַקֵּר הַגִּלּוּי דֵּהֶשֶׁם הַיְוָה ב"ה
and in them is the primary revelation of the blessed Name Havaye.

אָבֵל הֵג' רֵאשׁוֹנוֹת כַּח"ב הֵם נִסְתָּרִים וְנִעְלָמִים וְכֵמוֹ שֶׁיִּתְבָּאֵר
בַּעֲה"י לְקִמּוֹ בַּפְּרָקִים הַבָּאִים

But the first three *sefirot keter, chochmah* and *binah* are hidden and unknowable,

וּמְשׁוּם שֶׁהָאֵמָא הִיא ג"כ נִעְלָם וְהִיא מִתְגַּלָּה בְּזוּ"ן לְכֵן נִקְרָא הִיא
ג"כ בְּשֵׁם אֶהְיֶה וְכַמ"ש בְּזוּה"ק שֶׁשׁ וְשֶׁשׁ וְכַנֶּזֶכֶר:

and since Imma too is unknowable, she is revealed only in *Zu"N* at present, and therefore she is also referred to by the Name *Ehye-h* as the *Zohar* states there, and as mentioned.

1f — Arich Anpin as the Unknowable *Ayin*

וְדַע עוֹד כִּי הֵגֶם שְׁאֵמְרָנוּ שֶׁהָה' פְּרָצוּפִים שְׁבָכָל עוֹלָם

****Know also that although we said that the five *partzufim* in every world ****

הֵנָּה הֵם מִכָּל בַּחֲיָא הָה' גִּלּוּיִם הַכְּלָלִיִּים אֲשֶׁר מֵאַחֵר אֲמַתְתּוּ
הַנִּעְלָמָה וְלִמְטָה

partake of all the five general revelations that emerge after His true concealed Being,

וְאֵמְרָנוּ כִּי א"א הֵנָּה הוּא בְּכָל עוֹלָם נֶגֶד הַגִּלּוּי הַכְּלָלִי הָרֵאשׁוֹן
and we also said that Arich Anpin in every world corresponds to the first general macro revelation,

שהוא האור דא"ס אשר למעלה מהצמצום וכנ"ל אות ב'

which is the *Ohr Ein Sof* that precedes the *tzimtzum*, as explained above section 2.

וא"כ הרי הנה נראה לפ"ז כי אין בכל עולם שום רמז מעוד יותר למעלה מאמה כלל.

That being so it would seem to follow that there is not a hint to anything higher in any world.

הנה על זה ראוי לדעת כי האמת הוא כי ישנו עוד בכל עולם ועולם בחי' אחת

In this regard it is worth knowing that the truth is, there is yet another aspect in each world –

אשר הוא עוד יותר גבוה ונעלה גם מא"א ג"כ וכל האור דא"א הוא נמשך ויוצא רק ממנו.

one that is even loftier and more sublime than Arich Anpin and that all the light of Arich Anpin is drawn from and emerges from!

והבחי' הנה הוא נקרא בשם רדל"א רישא דלא אתידע.

This aspect is called RADL" A – *Reisha d'lo Ityada* – ‘the beginning that is unknowable.’

והוא נזכר באד"ז האזינו דף רפ"ח סע"א.

This is mentioned in *Zohar* in the section called *Idra Zuta, Ha'azinu* p. 288a.

ונקרא דלא אתידע משום שהוא נעלם ונסתר גם מא"א

This supremely lofty level is referred to as ‘unknowable’ because it is hidden and unknowable even to Arich Anpin,

וכמ"ש בשער א"א פ"ב וכן בשער המלכים פ"ח.

as *Eitz Chaim, Sha'ar Arich Anpin* chapter 2 states, and similarly *Sha'ar HaMalachim* chapter 8.

והנה הבחי' הנה הוא רמוז על אמתתו הפשוטה הנעלמה אשר למעלה מהגלוי הראשון

Now this aspect alludes to His true uncompounded unknowableness, beyond the first revelation.

כי הוא אשר נתגלה בבחי' אור א"ס שקדם הצמצום

For it is revealed in the *Ohr Ein Sof* prior to the *tzimtzum*

שְׁנַעֲשֶׂה אֶח"כ לְבַחִי אֹר א"ס הַמְקִיף שֶׁהוּא הַגְּלוֹי הָרִאשׁוֹן וְכַנ"ל
שֶׁעַר ד' פ"ג.

and subsequently effects the all-encompassing *Ohr Ein Sof*, the very first revelation, as explained above *sha'ar* 4 chapter 3.

וְנִגְד אֶמְתָּתוֹ הַנֶּעֱלָמָה אֲשֶׁר לְמַעַלָּה מֵהַגְּלוֹי הָרִאשׁוֹן

So corresponding to His true unknowableness that precedes the first revelation, הִנֵּה הוּא בְּכָל עוֹלָם אֹר הַרְדַּל"א אֲשֶׁר הוּא לְמַעַלָּה מֵא"א וּמִמֶּנּוּ יֵצֵא וְנִתְגַּלָּה הָא"א כָּלּוּ.

there is in every world the light of RADL"A that transcends Arich Anpin, and from it from RADL"A the entire Arich Anpin emerges into revelation.

וְהַגֵּם כִּי לְעִיל שֶׁעַר ד' פ"ג אֶמְרֵנוּ שֶׁם כִּי בְּאֶמְתָּתוֹ הַנֶּעֱלָמָה אֲשֶׁר לְמַעַלָּה מֵהַגְּלוֹי הָרִאשׁוֹן

Now above in *sha'ar* 4 chapter 3 we said that about His true unknowableness that transcends even the first revelation

אֵין לָנוּ רְשׁוּת לְדַבֵּר וּלְהִרְהֹר כָּלּל

we have no permission to speak or even to ponder.

אֶמָּנָם בְּהַבְּחִי אֲשֶׁר כִּנְגִּדוֹ וְרִמּוֹ עָלָיו מַעִין וּבִדְגָמָא בְּכָל עוֹלָם וְעוֹלָם אֲשֶׁר מֵאַחֵר הַצִּמְצוּם וּלְמַטָּה,

Nevertheless, as regards the aspect corresponding to it, and the likeness and semblance thereof alluded to in each and every world after the *tzimtzum* and down,

וְהוּא הַרְדַּל"א שֶׁבְּכָל עוֹלָם וְכַנְזָכָר, הִנֵּה בְּזֶה יֵשׁ לָנוּ רְשׁוּת לְדַבֵּר ג"כ.

i.e., the aforementioned RADL"A of each world, this we do have permission to discuss.

וְכַדִּי לְהִתְבּוֹנֵן וּלְדַעַת אֵיךְ שֶׁהַכֹּל יֵצֵא רַק מֵאַחֲדוּתוֹ הַפְּשׁוּטָה וְהַנֶּעֱלָמָה ית"ש וְאַפֶּס זוּלָתוֹ

The reason that we have permission to discuss it is in order to contemplate and to know how everything emerges only from His blessed uncompounded unknowable Oneness, besides which there is nothing.

וְע"ד שְׁאֵמַר הַסִּפְרָא דְּצִנְיָעוּתָא פ"א הָאֵי מִתְקַלָּא תְּלִי בְּאַתֵּר דְּלָא הָיִי. וְע"ש בְּהִגְר"א.

This is similar to the statement of the *Zohar* in *Sifra d'Tzniuta* chapter 1 regarding that balance that is suspended from a place that is not a place. **See

GR”A’s explanation there.**8

וְהִנֵּה הוּא ע"ד שְׁאֲמַרְנוּ לְעֵיל אוֹת ד' בֵּא"א

This is similar to what we explained above in this chapter section (d) regarding Arich Anpin

כִּי הִנֵּה הַגִּם שֶׁעֲצָמוּתוֹ הוּא מְשַׁרְשׁ הַגְּלוּי הָרָאוּשׁוֹן שֶׁאֵין לוֹ תַּפְיָסָה
בְּשׁוּם אוֹת וּנְקֻדָּה כָּלל

– that although in essence it stems from the first revelation, which cannot be expressed by any letter or vowel-point –

עכ"ז הא"א אֲשֶׁר כִּנְגִדּוֹ בְּהַעוֹלָמוֹת הִנֵּה הוּא יֵשׁ לוֹ תַּפְיָסָה הֵיטִיב
בְּקוּצוֹ שֶׁל י'.

nevertheless, since Arich Anpin has an analog in the worlds i.e. in the microcosm, it can indeed expressed as the thorn on top of the yud.

כֵּן הוּא עד"ז בְּעֵנֶן הַרְדֵּל"א כִּי הַגִּם שֶׁהוּא רָמוֹז נֶגֶד אֲמַתּוֹת
הַנִּעְלָמָה ית"ש

Similarly as regards RADL”A, although it corresponds to His blessed unknowable truth,

אֲשֶׁר שָׁם אֵין רְשׁוּת לְהַרְהֵר כָּלל עכ"ז בְּבַחֲיָנָתוֹ הָרָמוֹז עָלָיו
בְּהַעוֹלָמוֹת

where there is no permission to ponder at all, nevertheless, in the aspect alluding to this in the worlds

הִנֵּה מֵתֵר הַדְּבוּר בּוֹ ג"כ וְכִמוֹ שֶׁמִּדְּבַר הָאֲרִיז"ל הַרְבֵּה בְּעֵנִינוּ בְּכָל
שְׁעַר עֲתִיק כָּלּוֹ.

it is permissible to even discuss it, just as the Arizal discusses many concepts relating to it in Eitz Chaim throughout Sha’ar Atik.

וְאַמֶּנֶם הוּא גְבוּהַ וְנִעְלָם מְאֹד וְכִמוֹ שֶׁשְּׁמוֹ מוֹכִיחַ עָלָיו שֶׁנִּקְרָא רִישָׁא
דְּלֵא אֲתִידַע.

Indeed it is very lofty and concealed, just as its name RADL”A indicates: ‘the beginning that cannot be known,’

וְכֵן הוּא נִקְרָא ג"כ בְּשֵׁם אֶפֶס, וְעַל שֵׁם הַכְּתוּב יִשְׁעִיהָ מ"ה "כִּי אֶפֶס
בְּלַעֲדֵי אֲנִי ה' וְאֵין עוֹד"

and it is also called efes ‘nothing,’ as in the verse Isaiah 45:6 “...there is nothing (efes) besides Me; I am Havaye, there is no other.”

כִּי הַכֹּל הוּא מִמֶּנּוּ וְהוּא נִעְלָם מְשׁוּם תַּפְיָסָה וְהַשְׁגָּה לַגִּמְרִי.

For everything is from Him; yet He is completely inaccessible to any comprehension or thought process.

ועד"ז הא"א הוא נקרא ג"כ בשם אין

Similarly as regards Arich Anpin which is also called *ayin* 'nothingness,'

כי הוראת אין הוא שהוא נעלם מהשגה.

because the meaning of *ayin* is that it is inaccessible to comprehension.

כי כן הוא הוראת המלה איה נעלם והוא על א"א שהוא נעלם מהשגה

Ayin also has the connotation of '*ayeh ne'elam*' (where is it hidden?), referring to Arich Anpin which is inaccessible to comprehension.

אבל במקומו הוא נמצא ויש לו תפיסה בקוצו של י' כי שם הוא מקומו של א"א ששם הוא מתגלה

But in its place, i.e. on the microcosmic scale as the *keter* of each individual world, it is comprehended as the thorn on the *yud*, for that is the proper place of Arich Anpin, and there it is revealed.

והרי יש לו גלוי קצת עכ"פ אבל הרדל"א אין לו תפיסה אפי' בקוצו של י'

Thus it is revealed at least to some extent, whereas RADL" A is inaccessible to comprehension, even as the thorn upon the *yud*.

והוא נעתק ונשלל מההשגה לגמרי שאין לו מקום וגלוי כלל ולכך נקרא בשם אפס

RADL" A is completely detached from and impenetrable to thought, and this is why it is called '*efes*' 'nothing.'

והנה הוא בכל עולם נגד אמתתו הנעלמה עצמותו הפשוטה ית"ש עצמו אשר אין בלעדו ולו דמיה תהלה.

And in each and every world this corresponds to His blessed unknowable truth, His uncompounded essence itself, besides whom there is nothing, 'and to Him silence is praise.'9

והרי לנו כי הגם שגלוייו הפלליים אינם אלא רק ה'

Thus we have it that although His general all-encompassing revelations are only five in number,

עכ"ז בכל העולמות אשר מהצמצום ולמטה הוא ו'

nevertheless in all of the worlds after the *tzimtzum* they are six,

כי יש בכ"א בחי' אַחַת מֵה שֶׁהוּא נִגְדַּד הַעֲלָמָתוֹ הַפְּשׁוּטָה ג"כ וְהֵם
רדל"א וא"א ואו"א וזו"ן:

since there is in each of them another aspect that also corresponds to His
uncompounded unknowability – these are RADL”A, Arich Anpin Abba and
Imma, Ze’ir Anpin and Nukvah.

וְהִירִי נִתְבָּאֵר לָנוּ עַכ"פ כֹּל עֲנִיָּן א"א בְּכָלֵל שֶׁהוּא הַכֶּתֶר שֶׁבְּכָל עוֹלָם.

So we have clarified the entire concept of Arich Anpin in general – in that it is
the *keter* of each world;

כִּי עֲצֻמוֹתוֹ בְּהָעָלָם הוּא מִבְּחִי' הַגְּלוּי הַכְּלָלִי הָרִאשׁוֹן הַנֶּ"ל שֶׁעַד ד'
פ"ג

the concealed essence thereof is from the first general revelation, as mentioned
above *sha'ar 4* chapter 3,

שֶׁהוּא בְּחִי' גְּלוּי רָצוֹנוֹ ית"ש לְכָל הַמְּצִיאוֹת דְּכָלֵל הָעוֹלָמוֹת בָּלָם.

which is the revelation of His blessed Will (*Ratzon*) for the entire existence of all
of the worlds.

וְכֵן הוּא ג"כ בְּחִי' א"א שֶׁבְּכָל עוֹלָם כִּי הֵנָּה הוּא הָרָצוֹן עָלָיו.

This is also true of the specific aspect of Arich Anpin of each world – it is the
will *ratzon* for that world.

כִּי כָל כֶּתֶר הוּא בְּבְחִי' רָצוֹן לְבַד וְהוּא הַתְּחִלָּה רִאשׁוֹנָה מִגְּלוּיֵיו
ית"ש אֲשֶׁר יֵשׁ לָנוּ רְשׁוֹת לְדַבֵּר בָּזֶה וּמִשָּׁם וּלְמַטָּה.

This is because *keter* is always the aspect of *ratzon* exclusively, and initiates the
first of His blessed revelations which we have permission to discuss, and from
there on down.

וְהוּא בְּכָל מֵה שֶׁרָצָה וּפָעַל וְעָשָׂה כִּי הִרִי בְּכָל זֶה נִתְגַּלָּה אֵלֵינוּ.

What we have permission to discuss is everything that He willed, caused and
made, for it was in this way that He revealed Himself to us.

וְהֵנָּה הִיא גְּלוּיֵיו הָרִאשׁוֹנָה בְּבִלְתִּי גְּבוּל וְעַל יְסוּד זֶה נִתְיַסַּד כָּל
הַמְּצִיאוֹת כֻּלּוֹ וְאֵלָיו יִחְזֹר לְבִסּוּף.

Now His first revelation was without limitation, and on this foundation the
entire existence is based, and to it the entire existence will return in the end.

וְכָל זֶה הוּא עֲצֻמוֹתוֹ הַנֶּעְלָם דֵּהא"א שֶׁבְּכָל עוֹלָם וְהוּא עוֹמֵד בָּזֶה
בְּכָל עוֹלָם בְּפִנְיָמִיּוֹתוֹ.

All of this is as regards the concealed essence of Arich Anpin in each world,
which is lodged in the innermost aspect of Arich Anpin of each world.

אך גלוי דהא"א הנה הוא בבחי' הגלוי הכללי השלישי שהוא אדם קדמון וכנ"ל אות ב'.

But the revelation of Arich Anpin, as opposed to the inner essence, is the third general or macro-scale revelation, which is Adam Kadmon, as explained above in this chapter section (b).

וגלוי בהשם הנה ב"ה הוא בקוצו של י' והוא בהשם הנה הכללי דכל עולם.

Its revelation in regard to the blessed Name Havaye is as the thorn on top of the yud of the general Name Havaye of each world.

אך בשמות הפרטיים שבכל עולם הנה עומד הא"א שבו בגלוי השם כלו

But as regards the individual Divine Names in each world, in Arich Anpin there of that world the entire Name is in a state of revelation and not just as the thorn on the yud.

As explained above, there is a revelation of the Name Havaye itself in Arich Anpin, and from there the revelation spreads forth to Abba and Imma and Ze'ir Anpin and Nukvah.¹⁰

וכן נבחן ג"כ בגלוי השם במלוי והוא בשם ע"ב.

In addition, the revelation of the Name fully iterated as *shem A"b* can also be discerned.

אך זהו רק בבחי' השמות הכללי והפרטי שבו גופה.

However, this is true only as regards the general and the individual Names in that world itself.

אבל בערך מה שהוא רק השרש להפרצופים דכל עולם

But relative to the fact that it Arich Anpin is only the root of the *partzufim* of every world

- שהוא רק הרצון להם כנזכר והם בערכו הפעלה והמציאות דהעולם כלו

since it is the Divine will for the existence of that world, as mentioned, and they i.e. those *partzufim* in comparison are the implementation and the actual being of that entire world –

הנה נקרא הוא להם רק בשם אהיה

therefore, to them, he i.e. Arich Anpin is only the name *Ehye-h*,

שהוראתו הוא אלא זמין לאתגליא וכנ"ל אות ד' ה'

which indicates that 'He will be revealed in the future,' as explained above, sections (d) and (e).

וְהוּא ע"ד הָרָצוֹן שֶׁנִּתְגַּלָּה ע"י הַפְּעֻלָּה.

****This is akin to the will that becomes revealed through action.**11**

וְכֵן כָּל מָה שֶׁאֶמְרֵנוּ בְּהַא"א דְּכָל עוֹלָם כֵּן הוּא כ"ז ג' כ"ב בְּהִיחִידָה
דְּכָל פְּרָצוֹף וְכַנ"ל כ"ז.

Everything that we said here about the Arich Anpin of each world is also true of the *yechidah* of every *partzuf*, as was all explained above.

1g — Arich Anpin as *Ein Sof*

אֶמְנָם מָה שֶׁנִּקְרָא שְׁמוֹ בְּשֵׁם אֲרִיךְ אַנְפִּין

Let us go back and examine why **indeed it is that Arich Anpin is called that name:**

הִנֵּה מָה שֶׁנִּקְרָא אֲרִיךְ הוּא מְשׁוּם שֶׁהוּא מְבַחֵי אִי"ס בְּבִלְתִּי
גְּבוּל וְכַנ"ל אוֹת ב' ג'.

Arich Anpin is called *Arich* – literally lengthy or extended – **because it is from the aspect of the infinite *Ohr Ein Sof* which extends without limit, as explained above sections (b) and (c).**

וְתֵאֵר אַנְפִּין הִנֵּה הוּא עַל שֵׁם שֶׁהוּא הָרָצוֹן כְּנֻזָּךְ

And the descriptive term 'Anpin' – literally, 'face' – alluding to the Divine Will, as mentioned,

וְהָרִי הוּא בַּחֲדֵי הָאֶרֶץ פָּנִים דִּהִמָּאֲצִיל ית"ש אֲשֶׁר בּוֹ פָּנָה אֶת עַצְמוֹ
כְּבִיכּוֹל

is the aspect of 'illumination from the face' of the blessed Emanator, who turns Himself, so to speak,

לְהִתְגַּלָּה בְּהִמָּצִיאוֹת כִּי הָרִי הוּא הָרָצוֹן לָהֶם לְהִמָּצִיא אוֹתָם
וּלְהִתְגַּלָּה בָּהֶם

to reveal Himself in existence, for His is the Will to bring them forth into existence and reveal Himself among them.

וְהָרִי הוּא כְּבִיכּוֹל פָּנָיו שֶׁל הַמָּאֲצִיל כִּי בּוֹ הִרְאָה פָּנָיו אֶל הַמָּצִיאוֹת
וּבּוֹ מֵאִיר פָּנָיו לָהֶם.

Thus Arich Anpin is the 'face' of the Emanator, so to speak, for it is via Arich Anpin that He reveals His presence to existence, and via Arich Anpin He shines His 'face' upon them.

וְהוּא אֲרִיךְ אֲנָפִין כִּי הוּא הַפָּנִים עֲצֻמוֹ שִׁפְנָה עֲצֻמוֹ בּוֹ שֶׁהֵרִי הוּא
הָרָצוֹן שֶׁהוּא קוֹדֵם לְכָל.

**And this is why it is called Arich Anpin – literally the long or extended face –
because it is the ‘face’ itself by which He presents Himself as the Divine Will
that precedes everything – every aspect of existence.**

וּמִשּׁוֹם כ"ז הֵנָּה הוּא נִקְרָא בְּשֵׁם אֲרִיךְ אֲנָפִין.

For all of these reasons, His Will is called Arich Anpin,

וְהוּא הַפְּרָצוּף הָרִאשׁוֹן דְּכָל עוֹלָם אֲשֶׁר כִּנְגַד הַגְּלוּי הַכָּלְלִי הָרִאשׁוֹן
שֶׁבְּכָל הָעוֹלָמוֹת כָּלָם:

**which is the very first *partzuf* of each world, and corresponds to the first general
macro-level revelation of all the worlds.**

Chapter 2 — Chochmah and the Partzuf of Abba

Sha'ar 7

2a — Chochmah and the Partzuf of Abba

הנה הפרצוף השני שבכל עולם אשר הוא כנגד הגלוי השני דכלל
העולמות כלם הנ"ל שער ד' פ"ג

Now the second *partzuf* in all the worlds, corresponding to the second revelation on the macro-scale of the worlds, as explained above *Sha'ar* 4 chapter 3,

הנה הוא הפרצוף הנקרא בשם אבא שהוא החכמה דעשר ספי
שבכל עולם

is the *partzuf* called *Abba*, which is *chochmah* of the ten *sefirot* in each world.

והנה הוא האות י' שבהשם הויה ב"ה והוא סוד העשרה מאמרות
דמעשה בראשית

Chochmah also corresponds to the letter *yud* of the Name Havaye, and is the mystical secret of the Ten (the *gematria* of *yud*) Utterances of Creation.¹

וכן יש בו ל"ב נתיבות שהם הל"ב שמות אלהים דמעשה בראשית

Chochmah also has 32 *netivot* paths² – the 32 channels between the *sefirot* in *chochmah* and the *sefirot* in *binah* – which are the 32 times the name *Elokim* appears in the work of Creation (Genesis chapter 1).

והחכמה הוא נקרא מחשבה כמ"ש בתקונים ס"ח סע"א

Chochmah is called *machshava* – mind³ – as the *Tikunei Zohar* states p. 68a⁴:

בחכמה דאיהי י' מחשבה עלאה והוא יוצא מא"א שנקרא אין

“When the Israelites examine a matter deeply with *chochmah*, which is the letter *yud***, supernal *machshava*...**” that emerges from Arich Anpin which is called *ayin* – nothingness,

וכמ"ש איוב כ"ח י"ב והחכמה מאין תמצא.

as the verse states in Job 28:12 “*chochmah* emerges from *ayin*.”

“*Chochmah* emerges from *ayin*” is a common interpretation in Kabbalistic works.⁵

Note however that the regular translation of the verse presents this as a question regarding the elusiveness of *chochmah*/wisdom – “[As for] *chochmah*, where can it be found?” – and not as a statement as to its origin (from *ayin*).

והוא המחשבה שנמשך מהרצון והוא ג"כ עדין נעלם.

This is ‘mind’ *chochmah* which is drawn from will *Arich Anpin*, and it is also, as yet, in a state of concealment.

וְשָׁרְשׁוֹ הוּא בְּהִגְלוֹי הַשְּׁנִי הַכָּלְלִי שֶׁהוּא הָעוֹלָם דָּקוֹ וְצִמְצוּם הַנִּלְשָׁן
שֶׁרֶשׁ ד' פ"ג

Its root is in the second revelation – the realm of the *kav* and the *tzimtzum* discussed above *sha'ar* 4, chap. 3.

שֶׁהוּא סוּד הַמַּחְשָׁבָה הָעֲלִיּוֹנָה אֲשֶׁר בְּהַמְאָצִיל עֲצָמוֹ וְשֵׁם הוּא סוּד
שֶׁרֶשׁ הָעֵשֶׂר סָפִי

This is the mystical secret of the supernal *machshava* in the Emanator Himself, where it is the mystery of the root of the ten *sefirot*,

וְשֶׁרֶשׁ הַל"ב נְתִיבוֹת חֲכָמָה

and the root of the 32 *netivot* paths of *chochmah*.

וְכַמ"ש הִגָּר"א בְּסֵפֶר יִצְיָרָה בְּתַחֲלָתוֹ כִּי סוּד שֶׁרֶשׁ הַל"ב הֵם בְּמִסְפָּר
הַקוֹ הַסּוּבֵב לְאַלְכֶסוֹן עֶשֶׂר

And as the GR" A writes in the beginning of *Sefer Yetzirah*: the mystery of the root of the 32 *netivot* is the measure of the circumference of a circle when the diameter is 10.

וּפִי' שֵׁם תַּלְמִידוֹ הֶרַמ"ש כִּי תַחֲלַת הַכֹּל הִיָּה הַצִּמְצוּם בְּסוּד עָגֹל

His student, the Rama"sh⁶, explained: since everything began with the *tzimtzum*, which was shaped like a sphere, or the mystery of a circle on the horizontal plane,⁷

לָכֵן אָמַר בַּל"ב שֶׁהוּא בְּמִסְפָּר הַקוֹ הַסּוּבֵב לְאַלְכֶסוֹן עֶשֶׂר הֵינּוּ רֹחֵב
הָעֻגוּל נִקְרָא אַלְכֶסוֹן

therefore he the GR" A said that 32 is the number measuring the circumference of a circle when the diameter – called the *alakson* – is 10.

וְכָל שֵׁשׁ בְּרֹחְבוֹ עֶשֶׂר יֵשׁ בְּהִקְפּוֹ ל"ב כַּמ"ש הֶרַמְבַּ"ם עַכ"ל

Conversely, any circle whose breadth is 10, its circumference is 32, as the Rambam writes. End quote.

כִּי הַצִּמְצוּם הוּא חֲלָל עָגֹל וּבְסוּד נִקְדָּה שֶׁהִיא י' ע' דְּבָרֵינוּ בַּע"ח
שֶׁרֶשׁ עֻגוּלִים וְיֵשֶׁר עֶנְף ב'

For the *tzimtzum* left a spherical void, around the central point, which is like a *yud* which has the numerical value of 10. See our explanation on *Eitz Chaim*, *Sha'ar Iggulim v'Yosher anaf* 2.

וְהִירֵי לָנוּ כִּי סוּד וְשֶׁרֶשׁ הָעֵשֶׂר וּל"ב הִנֵּה הוּא בְּהָעוֹלָם דָּקוֹ וְצִמְצוּם

Thus we have it that the mystery of the root of the 10 *sefirot* and 32 paths is the realm of the *kav* and the *tzimtzum*,

שהוא סוד המַחְשָׁבָה הַעֲלִיּוֹנָה בַּנ"ל שֶׁ"ד וְשֵׁם הוּא שְׂרֵשׁ אָבָא
which is the mystery of the supernal *machshava* (mind), as explained in *sha'ar 4*,
and there the root of *Abba* is found.

שהוא ספי' החֲכָמָה דְּכָל עוֹלָם וְהוּא הָאוֹת י' שֶׁל הַשֵּׁם כִּי הוּא כָּל
כֹּל הָעֶשֶׂר סְפִי'

This is the *chochmah* of every world, and the *yud* of the Name Havaye, and it
therefore includes all the ten *sefirot*,

ובו הוא הל"ב נְתִיבוֹת חֲכָמָה:

and therein is the secret of the thirty-two paths of *chochmah*.

וְהִנֵּה בַּפְּרָצוּף אֲרִיךְ אֲמַרְנוּ לְעֵיל פ"א כִּי הוּא בְּבַחֲי' אור א"ס

Now we mentioned above in chapter 1 that the *partzuf* of Arich is the aspect of
Ohr Ein Sof –

הַגְּלוּי הָרֵאשׁוֹן הַתְּחִלָּה הָרֵאשׁוֹנָה לְכָל

the first revelation, and the beginning of everything.

אֲמָנָם הוּא רַק הַהִתְחַלָּה בְּהַעֲלָם כִּי הוּא בַּחֲי' הָרָצוֹן שֶׁהוּא קֵדָם
לְהַמְחַשְׁבָּה וְהוּא סִבַּת הַמְחַשְׁבָּה

It is indeed the beginning, but only in a concealed manner, since it is the aspect
of the will *prior* to mind, and the impetus for mind,

וְכֵמוֹ אור א"ס שֶׁקֵּדָם הַצִּמְצוּם שֶׁהוּא הַתְּחִלָּה לְכָל הַכֹּל,

similar to the way the *Ohr Ein Sof* precedes the *tzimtzum* which is the beginning
of everything.

וְסִבַּתוֹ הוּא רַק בְּהַעֲלָם גְּדוֹל כִּי הִרִי עָלָה וְנִסְתַּלַּק וְהוּא עֲתָה אור
א"ס הַמְּקִיף

But as the impetus therefor it is greatly concealed, for it ascended and was
removed, and is now the all-encompassing *Ohr Ein Sof*

וְכָל גְּלוּיּוֹ הוּא רַק ע"י הַקוֹ וְצִמְצוּם שֶׁהוּא הַתְּחִלָּת דְּגִבּוּל וּמִדָּה

whose entire revelation is exclusively via the *kav* and the *tzimtzum*, the
beginning of boundaries and limitations,

וּמִמֶּנּוּ יֵצְאוּ וְנִעֲשׂוּ כָּל הָעוֹלָמוֹת כֻּלָּם.

and from it all the worlds emerge and are fashioned.

וְהִרִי נִמְצָא כִּי הַהִתְחַלָּה בְּהַעֲצָם הוּא אור א"ס

So it turns out that the beginning is essentially *Ohr Ein Sof*,

וְהַתְּחִלָּת הַגְּלוּי הוּא הָעוֹלָם דְּקוֹ וְצִמְצוּם

and the beginning of revelation is the realm of the *kav* and the *timztum*.

וכ"ז הוא בְּהִתְחַלַּת הַהֶעָלָם וְהַגְלוּי אֲשֶׁר בְּכָל־ל הָעוֹלָמוֹת כָּלָם
שֶׁהוּא בְּהֵא' גְלוּיִם הַכְּלָלִיִּים

All of this is at the beginning of the concealment and the revelation throughout all of the worlds, which is by means of the five general macro-revelations.

וְהִנֵּה עַד"ז הוּא ג"כ בְּכָל עוֹלָם וְעוֹלָם בְּהֵא' פְּרָצוּפִים שָׁבוּ

The same is also true regarding the five *partzufim* in each and every world –

כִּי הַתְּחִלָּה רִאשׁוֹנָה דָּכַל עוֹלָם אֲשֶׁר בְּהֶעָלָם הִנֵּה הוּא פְּרָצוּף א"א

the very beginning of every world is the *partzuf* of Arich Anpin in its concealed state.

שֶׁהוּא סִבָּתוֹ בְּהֶעָלָם וּבְבַחֲי' הָרָצוֹן הַקּוֹדֵם לְהַמְחָשֶׁבָה

It Arich is the concealed impetus and the aspect of the will that precedes mind.

אֲבָל הַתְּחִלַּת כָּל עוֹלָם אֲשֶׁר בְּגְלוּי הִנֵּה הוּא פְּרָצוּף אֲבָא שֶׁהוּא
רִאשִׁית הַגְלוּי דְּהִי סָפִי' שֶׁבְּכָל עוֹלָם

But the *revealed* beginning of every world is the *partzuf* of Abba – the first revelation of the ten *sefirot* in every world.

וְלָכֵן נִקְרָא אֲבָא שֶׁהוּא אֲבוּהוֹן דְּכוּלָּהוּ

And therefore it is called 'Abba' literally, 'father,' since it is the progenitor of all of them,

וְהוּא הָרִאשִׁית וְהַשְּׂרֵשׁ דְּבַחֲי' הַגְּבוּל וּמַדָּה שֶׁבְּכָל עוֹלָם

and is the beginning and root of boundaries and limitations in each world,

כִּי שְׂרָשׁוֹ הוּא מִהַגְלוּי הַשְּׁנִי הַכְּלָלִי שֶׁהוּא הָעוֹלָם דָּקוּ וְצִמְצוּם
שֶׁמִּשָּׁם הוּא כָּל הַשְּׂרֵשׁ דְּגְבוּל וּמַדָּה

since its root is in the second macro-revelation, which is the realm of the *kav* and the *tzimtzum* from whence is the root of all boundaries and limitations.

וְלָכֵן נִקְרָא אֲבָא שֶׁהוּא סָפִי' הַחֲכָמָה ג"כ בְּשֵׁם רִאשִׁית וּכְמ"ש
רִאשִׁית חֲכָמָה

Therefore Abba, which is the *sefirah* of *chochmah*, is also called '*reishit*' – the beginning – as in the verse (Psalms 111:10): '*reishit chochmah...*' – 'the beginning of wisdom...' which the author here interprets as 'wisdom (*chochmah*) is the beginning.'

וְכֵן מִתְרַגֵּם הִירוֹשְׁלָמִי בַּפְּסוּק בְּרִאשִׁית בָּרָא בְּחוּכְמָא כִּי הַחֲכָמָה
הוּא רִאשִׁית הַגְלוּי

This is in fact the way the Targum Yerushalmi renders the verse (Genesis 1:1) “In the beginning God created” – *b’chochmah***, ** ‘with *chochmah* God created’, since *chochmah* is the first revelation,

וְהוּא הָאוֹת י' שֶׁל הַשֵּׁם הוּיָהּ ב"ה הַתְּחִלַּת הַשֵּׁם שֶׁבּוֹ נִתְגַּלָּה
לְהִקְרֹא בְּשֵׁם

and it corresponds to the letter *yud* of the blessed Name Havaye – the beginning of the Name by which He revealed Himself to be called by Name,

וּבְכָל הַמְצִיאוֹת דְּהֶעוֹלָמוֹת כָּלֶם שֶׁמֵּהֲצַמְצוֹם וּלְמַטָּה

and the beginning of the entire existence of all the worlds from the *tzimtzum* on down.

אָבֵל לְמַעַלָּה מֵהַגְּלוּי שֶׁהוּא קֹדֶם הַצַּמְצוֹם הֲרִי אֵין לוֹ גְּלוּי בְּשׁוֹם
שֵׁם כָּלֶל

But prior to that first revelation, preceding the *tzimtzum*, there is no revelation of any Name at all.

וְהֲרִי הִנֵּה הַצַּמְצוֹם הַתְּחִלָּה וְשֶׁרֶשׁ לְכָל הַגְּלוּיִם וְכֵן הוּא הָאוֹת י'

Thus the *tzimtzum* is the beginning and the root of all revelations, as is the letter *yud* of the Name Havaye –

שֶׁהוּא הַתְּחִלָּה וְרֵאשִׁית הַשֵּׁם וְהוּא בְּחִי' פְּרָצוֹף אָבָא וְסִפִּי הַחֲכָמָה
שֶׁבְּכָל עוֹלָם

it is the beginning and the apex of the Name, and is the *partzuf* of Abba and the *sefirah* of *chochmah* in every world,

שֶׁהִיא הַהִתְחַלָּה וְרֵאשִׁית הַגְּלוּי שֶׁבּוֹ:

since it is the beginning and the apex of the revelation therein in each world.

וְהִנֵּה אֲמַרְנוּ כִּי הַחֲכָמָה הוּא בְּחִי' מַחֲשָׁבָה וְנוֹדַע הוּא כִּי הַמַּחֲשָׁבָה
עֲצָמָה

Now we said that *chochmah* is the aspect of *machshava* (mind), and as is known, *machshava* in and of itself

הִיא רַק כֹּחַ לְבַד בְּלֹא צוּרָה כָּלֶל וְהַצּוּרָה שֶׁלָּהּ הוּא הַהֲרָהוּר

is merely a capacity without any form. Its form is what is called *hirhur* (thought),

שֶׁהוּא הַתְּפִשְׁטוֹת הַמַּחֲשָׁבָה וְגְלוּיָהּ אָבֵל הַמַּחֲשָׁבָה גּוֹפָה הִיא רַק
בְּבְחִי' כֹּחַ הַיּוֹלִי כֹחַ מוֹכֵן לְקַבֵּל כָּל הַצּוּרוֹת.

which is the outward extension of *machshava* and its revelation. But *machshava* itself is only an unrealized potentiality, the potential to receive any form.

וְזֶהוּ שֶׁאָמַר כָּלֶם בְּחִכְמָה עֲשִׂיתָ שֶׁהַכֹּל נַעֲשֶׂה בָּהּ

This is the esoteric meaning of the verse (Psalms 104:24) “You made everything with *chochmah*” – everything was made utilizing it, as opposed to the plain meaning of ‘everything was designed by God in His wisdom.’

וְלָכֵן חִכְמָה גִּימ' גָּלֶם וְעָלָיו נֶאֱמַר גָּלָמִי רָאוּ עֵינֶיךָ

And therefore the *gematria* numerical value of the Hebrew letters of *chochmah* is the same as ‘*golem*’ – an unformed mass, regarding which the verse (Psalms 139:16) states: “Your eyes saw my unshaped form...”

שֶׁהוּא גָלֶם מוּכֵן לְקַבֵּל כָּל הַצּוּרוֹת

this is unformed mass ready to receive any form.

וְכֵן הוּא הָאוֹת י' שֶׁבִּשְׁם שֶׁהוּא נִקְדָּה מוּכֵן לְקַבֵּל צוּרַת כָּל הָאוֹתִיּוֹת.

This is also the letter *yud* of the Name, a point that is ready to accept the form of any letter.

וְעַקֵּר הַצּוּרָה נַעֲשִׂית בְּאוֹת ה'

But the primary form (*tzurah*) is produced by the letter *hai* which is indicative of three dimensions – the top bar of the *hai* is breadth, the right leg of the *hai* – length, and the shorter left leg of the *hai* – depth.

וְכֵן הוּא פְּרָצוּף אֲבָא שֶׁהֵגֶם שֶׁהוּא הִיסוּד וְהִרְאִשִׁית לְהוֹלֵד

And so too with the *partzuf* of Abba – even though it is the foundation and the inception of the fetus –

אֲךְ אִין לֹו גְלוֹי בְּהוֹלֵד אֶלָּא ע"י אֲמָא וְלֹא נַעֲשֶׂה לְבַחִי אֲב רַק ע"י
הָאִם

this is not revealed in the fetus other than by the mother, so that the aspect of the father is not developed other than by the mother in whose womb the fertilized embryo grows into a child.

וְכֵן הוּא הָאֲבָא שֶׁבְּכָל עוֹלָם שֶׁהֵגֶם שֶׁהוּא הִיסוּד הָעֶקְרִי שֶׁבּוֹ אֲשֶׁר
מִבְּחִי גְלוֹי

Similarly as regards the *partzuf* of Abba in every world: even though it is the primary basis of revelation,

וְכֵן"ל שֶׁהוּא הַתְּחִלַּת הַגְּלוֹי דְּכָל עוֹלָם אֲךְ כָּל גְּלוֹיּוֹ הוּא רַק ע"י
אֲמָא שֶׁהִיא סִפִּי בִּינָה וְכִמּוֹ שִׁיתְבָּאָר עֲנִינָה לְקָמֵן פ"ג

as we discussed earlier – it is the beginning of the revelation in each world – nevertheless, this is only by way of Imma, the *sefirah* of *binah*, the nature of which will be explained in chapter 3 below.

אָבֵל אַבָּא עֲצָמוֹ שֶׁהוּא סָפִי' הַחֲכָמָה זֹלֶת הָאֵמָא בִּינָה

But Abba, which is the *sefirah* of *chochmah* without *Imma/binah*,

אֵין לוֹ גִּלּוּי עֲדִין כִּי הוּא כָּלִיל בֹּא"א וּמִיָּחָד עֲמוֹ כְּמוֹ הִי עִם הַקּוּצוֹ
שֶׁל י'

is not yet revealed, because it is still submersed within Arich Anpin, and is united with it like the *yud* and the thorn of the *yud*.

וְכִ"ז הֵנָּה הוּא מְשָׁרְשׁוֹ שֶׁלֹּמְעָלָה שֶׁהוּא הָעוֹלָם דָּקוֹ וְצִמְצוּם וְכִנ"ל
שֶׁע"ד פ"ג

All of this is due to its origin above – the realm of the *kav* and the *tzimtzum* discussed above *sha'ar* 4, chapter 3.

כִּי הֵגֶם שֶׁהוּא הַשָּׂרֵשׁ דְּכָל הַגְּבוּל וּמִדָּה וְשָׂרֵשׁ כָּל הַגִּלּוּי עַכ"ז הֵנָּה
בּוֹ גּוֹפָה

Because although that realm is the root of all boundaries and limitations, and the origin of all revelation, nevertheless, within it

אֵין עֲדִין גִּלּוּי כָּלִל כִּי הוּא רַק בְּמַחְשַׁבַת הַמַּאֲצִיל עֲצָמוֹ ית"ש

there is as yet no revelation at all, because it is only in the mind of the blessed Emanator Himself,

וּבִבְחִי' כַּחַם הַמַּחְשָׁבָה לְבַד אֲשֶׁר אֵין בָּהּ עֲדִין צוּרָה כָּלִל

and only in a potential state within mind where there is as yet no *tzurah* form at all.

וְהַצּוּרָה שֶׁלָּהּ הוּא הַהֲרָהוּר שֶׁהוּא הַתַּפְּשֻׁטוֹת הַמַּחְשָׁבָה וְהוּא
הָאָדָם קַדְמוֹן

The *tzurah* of what is merely a potential within mind is *hirhur* (thought), the outward extension of *machshava* which is manifested as Adam Kadmon.

וְהוּא כָּל הַגִּלּוּי דְּהִקּוֹ וְצִמְצוּם שֶׁהוּא הַגִּלּוּי הַכָּלְלִי הַשֵּׁנִי רַק ע"י
אָדָם קַדְמוֹן שֶׁהוּא הַגִּלּוּי הַכָּלְלִי הַשְּׁלִישִׁי

Thus the entire revelation of the *kav* and the *tzimtzum*, the second macro-revelation, is only via Adam Kadmon, which is the third macro-revelation.

כֵּן הוּא בִּפְרָצוֹף אַבָּא שֶׁהוּא כִּנְגֻדוֹ בְּכָל עוֹלָם הֵנָּה נֶעֱשֶׂה כָּל גִּלּוּיוֹ
ג"כ לְעוֹלָם ג"כ רַק ע"י אֵמָא וְכִנְזָכָר:

So too correspondingly – all the revelation of the *partzuf* of Abba in each world is also always only by way of Imma, as just mentioned.

2b — Abba and Imma and the 2nd and 3rd Revelations

וְנֶאֱמַר עוֹד כִּי נִודַע הוּא שְׂכָל מָה שֶׁנִּתְגַּלֶּה הַמַּאֲצִיל ית"ש

Furthermore, we can state the known concept that everything that is revealed by the blessed Emanator,

מֵהַצְמָצוּם וּלְמַטָּה בְּהִכָּח דְּגִבּוּל וּמִדָּה הִנֵּה הוּא רַק לְצִוְרָךְ הָעוֹלָמוֹת
בי"ע

from the *tzimtzum* and below, is a product of the power of limitation and dimension,

כִּי עַקֵּר הַגִּבּוּל וּמִדָּה הוּא רַק בְּהֵם וְהֵם נַעֲשִׂים ע"י הָאֲצִילוֹת

since the primary aspect of boundaries and limitations is exclusively with them, and they are a product of the emanation.

וְנִתְרָאָה בְּאֲצִילוֹת הַכֹּחַ דְּגִבּוּל וּמִדָּה ע"י פְּעֻלַּת הָעוֹלָמוֹת בִּי"ע
שֶׁנַּעֲשֶׂה מֵהָאֲצִילוֹת

The powers of boundary and limitation appear in Atzilut by way of bringing the worlds of BiY"A into reality from Atzilut.

וְנִבְחַן הָאֲצִי' עִם הַבִּי"ע בְּבַחֲיוֹ מַחֲשָׁבָה וּמַעֲשֶׂה

And Atzilut is differentiated from BiY"A by way of the paradigms that depict each of them: the paradigm for Atzilut is **mind** and the paradigm for BiY"A is **action**,

שֶׁנִּתְרָאָה פְּעֻלַּת הַמַּעֲשֶׂה בְּהַמְחָשָׁבָה ע"י הַמַּעֲשֶׂה שֶׁיֵּצֵא מִמֶּנָּה

so that the functioning of action becomes detectable in the mind by way of the action that derives from it.

וְכֵן הוּא בְּכָל עוֹלָם וְעוֹלָם בְּעֵינֵי הַפְּרָצוּפִי דְּאַבָּא וְאִמָּא

The same is true of each and every world as regards the *partzufim* of Abba and Imma:

הִנֵּה נִתְרָאָה פְּעֻלַּת הָאַבָּא ע"י הָאִמָּא כִּי גִלּוּי הַפְּעֻלָּה נַעֲשֶׂה רַק בָּהּ

the functioning of Abba becomes detectable in Imma because the revelation of his⁸ activities are manifested in her,

וּמִמֶּנָּה נִתְרָאָה פְּעֻלַּת הָאַבָּא ג"כ כִּי הִרִי הִיא מְקַבֵּל רַק מִמֶּנּוּ

and from her the activities of Abba are also made visible, since she receives from him exclusively.

אָבֵל פְּעֻלַּת הָאַבָּא גּוּפָה הִרִי הוּא רַק בְּהֶעֱלָם כִּי אֵינוֹ נִכָּר וּמִתְגַּלֶּה
הָעֶבּוֹר אֶלָּא בְּמַעֲי הָאִמָּא

But the activities of the father Abba himself remain only in a state of concealment, for a fetus is not noticeable or revealed other than in the womb of

the mother Imma**, **

וּמִמֶּנָּה נִתְגַּלָּה פְּעֻלַּת הָאָבָא ג"כ וְכַ"ל.

and through her the activity of the father is also revealed, as explained above.

וְהִרִי הֵם שְׁנֵיהֶם בְּבַחֲיָא מַחְשָׁבָה וּמַעֲשֶׂה וְכֵן בְּבַחֲיָא מַחְשָׁבָה וְהִרְהוּר

Thus both of them Abba and Imma correspond to the aspects of 'mind' and 'action,' and also to 'mind' and 'thought' (*hirhur*),

שֶׁהִרְהוּר הוּא פְּעֻלַּת הַמַּחְשָׁבָה וְנִתְגַּלָּה כֹּחַ הַמַּחְשָׁבָה ע"י הִרְהוּר.

since 'thought' (*hirhur*) is the activity of mind, and the power of mind is revealed through thought.

וְכ"ז הוּא בְּהִב' גְּלוּיִם הַכְּלָלִיִּים הַשְּׁנִי וְהַשְּׁלִישִׁי שֶׁהוּא הָעוֹלָם דְּקוֹ וְצִמְצוּם עִם אָדָם קַדְמוֹן

In the macro-scenario, **all of these are** parallels or analogs to **two of the macro-revelations – the second and third, which are the realm of the *kav* and the *tzimtzum*** (the second revelation) **and Adam Kadmon** (the third revelation),

שֶׁמִּתְגַּלָּה הָקוֹ וְצִמְצוּם ע"י אָדָם קַדְמוֹן כַּנ"ל שַׁע"ד פ"ג.

for the *kav* and the *tzimtzum* are revealed via Adam Kadmon, as explained above Sha'ar 4 chapter 3.

וְכֵן בְּהִב' גְּלוּיִם הַכְּלָלִיִּים שֶׁהֵם הָרַבִּיעִי וְהַחֲמִישִׁי שֶׁהוּא הָאֲצִילוּת עִם הָעוֹלָמוֹת בִּי"ע

And similarly regarding the macro-revelations four and five – Atzilut the fourth revelation, and BiY" A the fifth revelation –

כִּי מִתְגַּלָּה כֹּחַ הַגְּבוּל בְּאֲצִילוּת ע"י הָעוֹלָמוֹת בִּי"ע

for the power of limitation in Atzilut is revealed by the worlds of BiY" A.

וְכֵן הֵם שְׁנֵיהֶם ג"כ בְּבַחֲיָא מַחְשָׁבָה וּמַעֲשֶׂה כַּנֶּזְכָּר.

These two Atzilut and BiY" A are also depicted as 'mind' and 'action,' as mentioned above.

וְנִמְצָא כִּי הַכֹּחַ דְּגְבוּל וּמִדָּה וְגִלּוּי הֵנָּה יֵצְאוּ מִמִּדְרָגָה לְמִדְרָגָה, מִגְּלוּי לְגְלוּי, וּמִכְלָלִי לְפָרָטִי.

Thus we find that the power of boundaries and limitation and their revelation emerged from level to level, from revelation to revelation and from general to specific (or from macro- to micro-).

כִּי ע"ד שֶׁהוּא לְמַעַלָּה בְּהָעוֹלָם דְּקוֹ וְצִמְצוּם עִם אָדָם קַדְמוֹן

Because just as it is up above in the realm of the *kav* and the *tzimtzum* the second revelation, together with Adam Kadmon, the third revelation,

כֵּן הוּא אִם"כ בְּאַצִּילוֹת עִם הַבִּי"ע

so is it subsequently with Atzilut the fourth revelation, and BiY" A the fifth revelation.

וְכֵן הוּא בְּאַבָּא וְאִמָּא שְׁהֵם מְהָה' פְּרָצוּפִים הַפְּרָטִיִּים שֶׁבְּכָל עוֹלָם

And so too as regards Abba and Imma, which are two of the five individual partzufim in each of the worlds.

וְהָרִי נִמְצָא כִּי שֶׁרֶשׁ הָרָאשׁוֹן דְּפְרָצוּף אַבָּא הֵנָּה הוּא לְמַעְלָה לְמַעְלָה

Thus we find that the first root of the *partzuf* of Abba extends way up –

שֶׁהוּא בְּהַגְלוֹי הַשְּׁנִי הַכָּלְלִי שֶׁהוּא הָעוֹלָם דְּקוּ וְצִמְצוּם.

as the second macro-revelation – the realm of the *kav* and the *tzimtzum*.

וְהָקוּ וְהַצִּמְצוּם שְׁהֵם ב' בְּחִי טְהִירוֹ עֲלָאָה וְאִוִּיר קַדְמוֹן

The *kav* and the *tzimtzum* are the two aspects called *Tehiru Ila'ah* and *Avir Kadmon* as explained above in chapter 1d,

הוּא הַשֶּׁרֶשׁ הָרָאשׁוֹן לְאַבָּא שֶׁכָּלוּל ג"כ מִב' שְׁהֵם או"א עֲלָאִין וְהוּא הָאוֹת יו"ד בְּמִלּוֹי ו' ד'

and is the first root of Abba, which also comprises two aspects – supernal Abba and Imma, denoted by the letter *yud* in its iterated form which includes a *vav* and a *dalet* i.e. *yud* = *yud vav dalet* or יו"ד.

שְׁהֵם צוּרַת ה' שֶׁרֶשׁ הָאִמָּא בִּינָה הַכָּלוּלָה בְּאַבָּא חֲכָמָה בְּסוּד 'הֶבֶן בְּחֲכָמָה'.

The *vav* and *dalet* together form a *hai* – in the scribal arts used to write a Torah, *tefillin* and *mezuzot*, the letter *hai* is written as a *dalet* for the crosspiece and long right leg, and a (shorter) *vav* for the left leg: ה which is the root of Imma/binah as it is included within Abba/chochmah in the mystical interpretation of “*havein b'chochmah*” – ‘understanding within wisdom,’⁹ or *binah* within *chochmah*.

וּכ"ז הוּא מִשְׁרֵשׁ הַשֶּׁרֶשִׁים דְּהָקוּ וְצִמְצוּם שֶׁהוּא הַשֶּׁרֶשׁ הָרָאשׁוֹן לְפְרָצוּף אַבָּא וְהוּא בְּהַגְלוֹי הַכָּלְלִי הַשְּׁנִי.

All of this that we just explained derives from the root of the root – from the *kav* and the *tzimtzum* – the initial root of the *partzuf* of Abba.

אך עקר מציאותו דהאבא הנה הוא רק בהגלוי הכללי הרביעי
שהוא העולם דאצילות

But the primary existence of Abba is in the fourth macro-revelation – the World of Atzilut.

כי עולם האצילות בערך פעלתו בבי"ע שהוא בחי' מחשבה להם
ומתגלה על ידיהם

The World of Atzilut compared with its effects in BiY" A – which is like mind compared to action for them, and through them it Atzilut becomes revealed –

כן הוא פרצוף אבא בערך הפרצופים התחתונים

so too is the *partzuf* of Abba to the lower *partzufim* – i.e. Abba becomes revealed through the lower *partzufim*

כי עקר הגלוי דכל עולם הוא רק הזו"ן כמו שיתבאר לקמן.

Because the revealed aspects in every world are primarily *zu"n* (*ze'ir anpin* and *nukvah*), as will be explained below,

ומתחיל גלויים בהאמא והאבא הוא בבחי' מחשבה להם ומתגלה
על ידיהם

and their revelation begins in Imma, whereas Abba is the aspect of mind to them and is revealed through them.

אבל העולם דקו וצמצום הנה הוא רמוז באבא רק בהעלם גדול
מאד

But the realm of the *kav* and the *tzimtzum* are hinted to in Abba only in a very veiled way,

The *kav* and the *tzimtzum* as the second revelation have some echo in *chochmah* as the second *sefirah* (after *keter*). Nevertheless, this is only in a very veiled way –

כי הוא בחי' המחשבה סתימאה עלאה אשר בהמאציל עצמו

because the second revelation is the supernal *machshava stima'a* the hidden mind within the Emanator Himself, comparable to *chochmah stima'a*, the concealed *chochmah* of Arich Anpin¹⁰ –

[והקו וצמצום עם א"ק הם בבחי' הג' רישיו עלאין. והנן מאד]

[The *kav* and the *tzimtzum*, together with A"K, are represented as the 'three supernal heads' in *keter* – RADL" A, Atika Kadisha and Arich Anpin.¹¹ Understand this very well].

ואינו מתגלה למטה ממנו עצמו כלל.

– nothing of which is revealed below its own level at all.

וְהִנֵּה כָּל מְצִיאת אַבָּא רַק מִבְּחִי' הָאֲצִילוֹת אֲלֵא שֶׁהָאֲצִילוֹת הוּא
בְּכָלל וְהָאֲבָא הוּא בְּפֶרֶט.

Thus the entire existence of Abba is congruent with that of Atzilut exclusively,
except that Atzilut is the general or macro-scale and Abba is the specific or
micro-scale.

וְהוּא בְּחִי' אֲצִילוֹת שֶׁבְּכָל עוֹלָם כִּי כָּל עוֹלָם הוּא כָּלֹל מִכָּל הַבְּחִי'
כָּלָם.

Abba is therefore the aspect of Atzilut in each world, since every world
comprises all of them, the world of Atzilut can be subdivided into Atzilut, Beriah,
Yetzirah and Asiyah; the world of Beriah can be subdivided into Atzilut, Beriah,
Yetzirah and Asiyah of Beriah, and so on for any world.

וְעוֹמֵד הָא"א שֶׁבְּכָל עוֹלָם בְּבְחִי' אָדָם קַדְמוֹן שָׁבוּ שֶׁהוּא מִהָעוֹלָמוֹת
דְּאוּר א"ס.

and Arich Anpin in each world has the stature of Adam Kadmon – from the
worlds of *Ohr Ein Sof* – there, in that world.

וְהָאֲבָא שֶׁבְּכָל עוֹלָם בְּבְחִי' אֲצִילוֹת שָׁבוּ וְכִמוֹ שֶׁהָאֲצִי' הִנֵּה הוּא
מִיָּחָד בֵּא"ק

So Abba in each world is the Atzilut of that world, and just like Atzilut is
unified with Adam Kadmon,

וְנִחְשֵׁב הָאֲצִי' עִם הָא"ק לְחָד כִּנֵּ"ל שֶׁעַר ה' פ"א

so that Atzilut and A"K are considered one entity, as explained above Sha'ar
5:1,

כֵּן הוּא פְּרָצוּף אַבָּא הִנֵּה הוּא כָּלֹל לְעוֹלָם בֵּא"א,

so too, regarding the *partzuf* of Abba which always includes Arich Anpin,

וְהוּא הָאוֹת י' דְּהַשֵּׁם שֶׁהוּא בְּאֲבָא חֲכָמָה, וְהוּא מִיָּחָד עִם הַקּוּצוֹ
שֶׁל י' שֶׁהוּא בֵּא"א וְכֶתֶר:

and is represented by the letter *yud* of the Name Havaye, which is Abba-
chochmah, and is united with the thorn on the *yud*, which represents Arich
Anpin and *keter*.

וְהָרִי נִתְבָּאָר כִּי א"א וְאַבָּא שֶׁבְּפֶרֶטוֹת כָּל עוֹלָם הִנֵּה הֵם בְּכָלֹלֹת
הָעוֹלָמוֹת הָא"ק וְהָאֲצִילוֹת

Thus it was explained that Arich Anpin and Abba in the specifics of every world
i.e. the micro-scale, in the general worlds i.e. the macro-scale are the worlds of
A"K and Atzilut.

ור"ל כי מה שהוא בכללות העולמות הא"ק ואצ"י הוא נגדם
בפרטות כל עולם פרצופי א"א ואבא.

Meaning to say, that what in the general macro-scale of worlds are A"K and Atzilut, correspondingly, in the specifics the micro-scale of each world are the *partzufim* of Arich Anpin and Abba.

וזהו בבחי' גלויים העקרי אך שרשם הנעלם הנה הוא הב' גלויים
הכלליים הראשונים

This is as regards their primary revelation. But as regards their concealed root in the macro-macro sense, they are i.e. correspond to the first two general revelations –

האור א"ס המקיף והעולם דקו וצמצום.

the all-encompassing *Ohr Ein Sof* and the realm of the *kav* and the *tzimtzum*.

וכן נתבאר מדברינו ג"כ כי א"א הוא התחלת כל עולם בהעלם

It has also been clarified through this analysis that Arich Anpin is the concealed beginning of every world,

והאבא הוא התחלת כל עולם בבחי' גלוי.

and that Abba is the revealed beginning of every world.

והם שניהם נקראו ראשית זה בהעלם זה בגלוי. ע' זהר בראשית
ל"א רע"ב.

Thus both of them are called the beginning – one in a concealed manner and the other in a revealed manner. See *Zohar Bereishit* 31b.

ועכ"ז הנה כל הגלוי דאבא לעולם רק ע"י אימא.

Nevertheless, the revelation of Abba is always through Imma,

וע"ד האצ"י שכל גלוי הוא רק ע"י הבי"ע.

just like Atzilut is revealed only through BiY"Y A,

והוא שם הויה ב"ה המתלבש ומתגלה ע"י שם אדנ"י.

and the blessed Name Havaye is clothed in and is revealed through the Name Adon-ai.

וכן אמר בעל שיר היחוד יום ה': לא מצאנוהו ולא ידענוהו אך
ממעשיו הכרנוהו:

And so the author of the *Shir HaYichud* for Thursday states: We did not find Him, and we did not know Him, but through His deeds we recognized Him!

2c — More Explanations regarding Arich, Abba and Imma

אמר המהדר הנה במהדורא קמא כתבתי כ"ז בסגנון אחר קצת
ואעתיקנו פה.

The author states: In the previous version I wrote this in a somewhat different manner, which I will reproduce here.

הנה הגלוי השני הכללי הנ"ל ש"ד פ"ג שהוא העולם דקו וצמצום

The second macro-revelation mentioned above Sha'ar 4, chapter 3 – i.e. the realm of the *kav* and the *tzimtzum*,

והוא שרש השרשים לכל פעלת גבול ומדה וכן לבחי' חסדים
וגבורות

which is the original source of all the activities of boundaries and limitations, and also of manifestations of *chesed* kindness and of *gevurah* withholding or restricting,

והוא הקו והצמצום הנקרא בשם טהירו עלאה ואויר הקדמון.

this is the *kav* and the *tzimtzum* that is called *Tehiru Ila'ah* and *Avir Kadmon*.

וגלוי'ו הוא רק בבחי' מחשבה בהמאציל עליון ית"ש.

Its revelation is only in the aspect of the mind of the blessed Supernal Emanator.

והמחשבה הוא כחמר היולי שהוא הכנה לכל הפעלות כלם.

That mind is like primordial matter in that it is a preparation for all activities.

הנה הוציא הוא כנגדו בכל עולם ועולם אור אחד הנקרא בשם
פרצוף אבא

And He brought forth in each world, corresponding to it to that aspect of mind, a unified light that is called the *partzuf* of Abba

כי הוא האב לכל הגלויים שבכל עולם אשר הם בבחי' גבול ומדה

because it is the 'father' of all the limited and dimensional revelations in every world.

והוא האות י' שבשם שהוא המציאות הראשון והכנה לכל
האותיות.

This is the letter *yud* of the Name Havaye, and is the first thing in existence and the preparation for all the letters. In scribal arts, when writing a *Torah*, *tefillin* or *mezuzah*, every letter begins as a *yud* and is then extended to form the required letter.

וישנו בחי' ג' קוצין (כמ"ש בזה"ק ויקרא י' ע"ב וי"א ע"ב ופע"ח
שער התפלין פ' ט"ו ט"ז בארבה)

The yud has three 'points' (as stated in Zohar, Vayikra 10b and 11b, and in Pri Eitz Chaim, Sha'ar HaTefillin chapters 15, 16 at length)

חד לעלא שהוא כתר אשר מקומו הוא בקוצו העליון של י' וחד
באמצעיתא שהוא גוף הי' עצמו שהוא החכמה,

– one above represents *keter*, this is located as the upper 'thorn' or point of the yud; one in the middle as part of the body of the yud itself, which represents *chochmah***, **

וקוצא חד לתתא שהוא בינה הכלולה בחכמה.

and the lower point, which is *binah* as included in *chochmah*.

והרי מיחד החכמה בכתר ע"י קוץ העליון והוא ע"ד היחוד דהקו
באור א"ס המקיף

Thus *chochmah* is united with *keter* via the upper point or thorn of the yud – and this is comparable to the unity of the *kav* and the all-encompassing *Ohr Ein Sof*, שהרי כלו נמשך רק משם וכנ"ל שער ו' פ' ב' ג'.

for it the *kav* is drawn entirely from there, as explained above *Sha'ar* 6 chapters 2-3.

והגוף הי' עם הקוץ התחתון שהוא על בינה הכלולה בחכמה

The body of the yud with the lower point thereof alludes to *binah* as it is included in *chochmah*,¹²

הנה הם בחי' החסדים וגבורות הכלולים בו ע"ד שרש בחי' החו"ג
המשרשים בהקו וצמצום.

and the aspects of *chesed* and *gevurah* are included therein, comparable to the roots of *chesed* and *gevurah* originating in the *kav chesed* and the *tzimtzum gevurah*.

כי החכמה הוא שרש החסדים והבינה היא שרש הגבורות.

Because *chochmah* is the root of all aspects of *chesed*¹³ and *binah* is the root of all aspects of *gevurah*.¹⁴

ומשום שכל הפעולות כלם הנה הם רק ע"י האורות והפחות
דהחסדים וגבורות,

And because all activities without exception come about only via the light and power of the aspects of *chesed* and *gevurah*,

וכמו שבארנו בספר הדע"ה ח"א דרוש א' סימן ב' ג' ע"ש

as we explained in *Sefer Drushei Olam haTohu* part 1, *drush* 1 *siman* 2&3 see there.

וְהַחֲכָמָה הוּא הָאֵב לְכֻלָּם וְשֶׁרֶשׁ הַכֹּל וְכַ"ש כֻּלָּם בַּחֲכָמָה עָשִׂיתָ
לְכֹן נִכְלָל בּוֹ שֶׁרֶשׁ כָּל הַחוּ"ג.

Now *chochmah* is the progenitor for all of them, and the root of all of them, as the verse (Psalms 104:24) states, “You made everything with *chochmah*” – and therefore the roots of all *chesed* and *gevurah* are included there. Note that the simple meaning of the verse is ‘everything was designed by God in His wisdom,’ as we explained previously.

אֲמָנָם עֶקֶר אֹרוֹת הַחוּ"ג הֵם רַק בְּהִז' תַּחְתּוֹנוֹת דְּכָל עוֹלָם.

Nevertheless, the primary aspect of the light of *chesed* and *gevurah* are only in the seven lower *sefirot* of each world.

שֶׁבָּהֶם הוּא הִז' אוֹתִיּוֹת בִּג"ד כִּפֶּר"ת שֶׁהֵם בְּרָפָה וְדָגֶשׁ.

In terms of the Hebrew letters, they correspond to the seven letters *b'g'd c'f'r't* – the only letters that have two forms: *rafeh* and *dagesh* without a *dagesh* and with a *dagesh* respectively, producing different pronunciations of these letters in each form.¹⁵

אֲבָל בַּחֲכָמָה הוּא רַק שֶׁרֶשׁם וּמִתְגַּלִּים ע"י הַבִּינָה.

But only their roots are in *chochmah*, whereas they are revealed by *binah*.

וְהוּא ג"כ ע"ד הַקוֹ וְצִמְצוּם שֶׁשָּׁם הוּא הַשֶּׁרֶשׁ דֵּהַחוּ"ג

This is also comparable to the *kav* and the *tzimtzum* since that is where the ultimate root of *chesed* and *gevurah* can be traced to.

וּמִתְגַּלִּים ע"י הָא"ק בִּהְשֵׁם ב"ן וְהַמ"ה הַיּוֹצֵאִים מִמֶּנּוּ

And they are revealed in Adam Kadmon as the Names *Ba'n* and *Ma'h*, that emerge from there

שֶׁהוּא עוֹלָם הַנִּקְדוֹת וְהָאֲצִילוֹת שֶׁהֵם בְּהִז' תַּחְתּוֹנוֹת דֵּהַא"ק

as the Worlds of *Nekudim* or *Tohu* and *Atzilut* or *Tikun* which constitute the seven lower *sefirot*¹⁶ of Adam Kadmon.

אֲבָל הַג"ר הָא"ק שֶׁם הוּא כְּלָלוֹת עוֹלָם הָעֶקְדִּים שֶׁהוּא כְּלוֹ מִשָּׁם
ס"ג בְּחִי' אֲמָא בִּינָה.

But the first three *sefirot* there include the entire World of *Akudim* are the Name *Sa'g*, the aspect of *Imma/binah*.

וְהִנֵּה שֶׁרֶשׁ כָּל הַגְּבוּל וּמִדָּה הוּא רַק מִפְּרָצוּף אֲבָא

Now the root of all boundaries and limitations is exclusively from the *partzuf* of *Abba*,

כי למעלה ממנו הוא האור דא"א אשר אורו הוא למעלה מהגבול ולמעלה מן המדה.

because above it is the light of Arich Anpin which transcends limitation and dimension.

אמנם האור דפרצוף האבא עצמו הוא באמת עדין אינו מהגלויים העקרים כלל

Nevertheless, the light of the *partzuf* of Abba itself in truth is not yet one of the primary revelations at all,

אלא שהוא רק האב להם אשר ממנו הם יוצאים אבל הוא עצמו הוא טמיר ונעלם

but merely the progenitor of them of the revelations which emerge therefrom, while Abba itself remains hidden and concealed.

והוא כלול בא"א ומיחד עמו ויהי הוא אחד באור א"ס שבא"א

This is because it is included with Arich Anpin and is united with it, and is therefore in a state of oneness with the *Ohr Ein Sof* in Arich Anpin.

אך עכ"ז הנה נתצמצם הוא להיות שרש דהגבול ומדה שבכל עולם.

And yet it was constrained sufficiently¹⁷ to become the root of boundaries and limitations in each world.

ויהי נמצא כי פרצוף אבא וא"א שבכל עולם הוא בבחי' אצילות עם הא"ק

So we find that the *partzuf* of Abba and of Arich Anpin in each world is the aspect of Atzilut (Abba/*chochmah*) and of Adam Kadmon (Arich Anpin) on the macro-scale.

ובבחי' העולם דקו וצמצום עם אור א"ס העליון

And on the macro-macro-scale they are the aspect of the realm of the *kav* and the *tzimtzum* (Abba/*chochmah*) together with the supernal *Ohr Ein Sof* (Arich Anpin).

והנה ישנם באבא ג"כ ב' בחי' כמו כללות החו"ג דאצילות וכמו הקו וצמצום שבהגילוי השני הכללי

Now in Abba as well there are two aspects, just as the general division between the sides of *chesed* and *gevurah* of Atzilut, and like the two aspects called the *kav* and the *tzimtzum* in the second general macro-revelation.

וְנִקְרָא אוֹתָן הֵב' בְּחִי' שֶׁבְּאַבָּא בְּשֵׁם או"א עֲלָאִין וְעכ"ז הִנֵּה נִקְרָא
כָּלִלוֹתוֹ בְּשֵׁם אָבָא לְבַד

These two aspects of Abba are called the supernal Abba and Imma. This is in a specific sense, but generally both of them together are only called 'Abba,'

וְהוּא מְשׁוּם כִּי נֹדַע הוּא שְׁתַּכְוִּינָת וּפְעֻלַּת אָבָא וְאִמָּא הוּא שֶׁשֶּׁרֶשׁ
הַבָּנִים הוּא בְּאַבָּא

and that is because in terms of the characteristics and activities of Abba and Imma, Abba is the root-origin of the children, as is known.¹⁸

אֲךָ כָּל שֶׁרֶשֶׁם אֲשֶׁר בּוֹ הוּא בְּהֶעֱלֵם גָּדוֹל וְיֵמָּה שְׁיוּצָא מִמֶּנּוּ הוּא רַק
כְּחֹמֶר בְּלִי צוּרָה

However, their root in Abba is in a state of great concealment, and what emerges from him is like matter without form.

וְכָלִיל בּוֹ כָּל עֲנִינֵי דְהוֹלָד רַק בְּכַח לְבַד

All of the qualities and characteristics of the child are there in Abba merely in a state of potential,

וְלֹא נַעֲשֶׂה צוּרַת הוֹלָד וְצִיּוּרֵיו וְכָל בְּנִין גּוֹפּוֹ בְּכָל פְּרָטָיו שְׁבוּ אֵלָּא רַק
בְּהֶאֱמָא

while the form and structure of a child, and the entire stature of the child's body in all its details are developed exclusively in the mother.

וְכֵן הוּא בְּעֲנִינֵינוּ כִּי כָּל הַגְּלוּיִם הָעֻקְרִים דְּכָל עוֹלָם אֲשֶׁר אֲמַרְנוּ
שֶׁהֵם יוֹצְאִים מִפְּרָצוּף הָאָבָא שְׁבוּ

And so too in the matter we are considering: all the primary revelations of every world we speak about, which emerge from the *partzuf* of Abba of that world,

הִנֵּה הֵם יוֹצְאִים מִמֶּנּוּ רַק בְּבַחִי גֵלָם וְחֹמֶר בְּלֹא צוּרָה כָּלֵל

materialize from there only as an unformed mass without any structure,

וְכָלִיל שֵׁם כָּל עֲנִינֵיהֶם רַק בְּכַח לְבַד וְלֹא נִגְמַר בְּנִינָם וְצוּרָתָם

and all of their qualities are only in a state of potential there, where their structure and form has not yet been developed;

אֵלָּא רַק בְּפְרָצוּף הָאִמָּא הַכָּלְלִי דְּכָל עוֹלָם אֲשֶׁר יִתְבָּאָר עֲנִינָהּ לְקַמּוֹן
פ"ג

this only happens in the general *partzuf* of Imma of every world. Her qualities will be explained below chapter 3.

וְלִכּוֹ נִקְרָא הַפְּרָצוּף הַזֶּה דְּעִנְיָנֵינוּ בְּשֵׁם אָבָא לְבַד הַגִּם שֶׁהוּא עֲצָמוֹ
כָּלּוּל בְּאַמֶּת ג"כ מִבְּחִי' או"א שֶׁהֵם בְּחִי' הַחו"ג שָׁבוּ

Therefore, the *partzuf* we are discussing is called Abba only, even though in fact it comprises Abba and Imma, which are the aspects of *chesed* and *gevurah* therein,

כִּי זֹלַת זֶה לֹא הִיָּה אֶפְשָׁר לְהַעֲשׂוֹת מִמֶּנּוּ שׁוּם פְּעֻלָּה כָּלָל

for were this not so, it would not have been possible for any activity to be accomplished at all from it from Abba.

אֲךְ מִשּׁוּם שֶׁכָּל פְּעֻלָּתוֹ הוּא רַק בְּמִצִּיאת חֵמֶר בְּלֹא צוּרָה וְכִתְכוּנָת
פְּעֻלַת אָבָא

But since Abba's entire activity is in matter without form – just like the actions of a father in terms of producing a child,

לִכּוֹ נִקְרָא כָּל כָּלּוּתוֹ בְּשֵׁם אָבָא לְבַד וְהוּא פְּרָצוּף אָבָא הַכָּלְלִי
הַכָּלּוּל מֵאו"א עֲלֵאִין

he therefore is referred to as Abba exclusively with no mention of the Imma aspect included therein; and this is the *partzuf* of Abba in general, albeit comprising the supernal Abba and Imma.

וְכ"ז הוּא כְּמוֹ שְׁאֻמְרָנוּ כִּי הַפְּרָצוּף דְּאָבָא שֶׁבְּכָל עוֹלָם הִנֵּה הוּא נִגְדָּה
הַגְּלוּי הַשְּׁנִי הַכָּלְלִי

All of this is as we said – that the *partzuf* of Abba in every world corresponds to the second general (macro) revelation

שֶׁהוּא הָעוֹלָם דְּקוֹ וְצִמְצוּם

which is the realm of the *kav* and the *tzimtzum*.

אֲשֶׁר שֵׁם עוֹמְדִים כָּל הַי"ס שֶׁהֵם פְּרִטִי כָּל הַגְּלוּיִם דְּכָל הָעוֹלָמוֹת
כֻּלָּם רַק בְּכַח לְבַד

Over there in that realm, all the ten *sefirot*, which are the specific i.e. micro revelations within all the worlds, are only in a state of potential,

וְלֹא בְּצִיּוּר וּבְפִועֵל כָּלָל וְכֹנ"ל שֶׁע"ד פ"ג.

and do not have a structure and are not actualized at all, as explained above in *Sha'ar* 4, chapter 3.

וְהִנֵּה פְּרָצוּף אָבָא הוּא סְפִי' הַחֲכָמָה הַיּוֹצֵא מִהֶכְתֵּר שֶׁהוּא פְּרָצוּף
א"א

Now the *partzuf* of Abba is the *sefirah* of *chochmah* that emerges from *keter*, the *partzuf* of Arich Anpin.

וְהוּא מָה שֶׁכְּתוּב (אִיּוֹב כ"ח) וְהִחְכְּמָה מֵאֵין תִּמְצָא כִּי הִכְתֵּר נִקְרָא
אֵין לְגִדֹּל הָעֵלְמוֹ

as the verse states (Job 28:12**) “*chochmah* emerges from *ayin*,” because *keter* is called *ayin*** ‘nothingness’ because of its state of great concealment.

As noted previously, this is a common interpretation of the verse in Kabbalistic works.¹⁹ The regular translation, however, presents this as a question regarding the elusiveness of *chochmah*/wisdom – “[As for] *chochmah*, where can it be found?” – and not as a statement about its origin (from *ayin*).

וּמִמֶּנּוּ יוֹצֵא הִחְכְּמָה שֶׁהוּא נִקְרָא יֵשׁ כִּנֵּ"ל שֶׁכֵּ"ד פ"א וְהוּא רִאשִׁית
לְכָל הַגְּלוּיִם

From it from *keter/ayin chochmah* emerges, and is called *yesh* ‘something,’ i.e. actual being, compared to the ‘nothingness’ of *keter*.

כִּי בּוֹ נַעֲשֶׂה הַכֹּל כִּמֵּ"שׁ כָּלֵם בְּחִכְמָה עָשִׂיתָ וְהוּא מָה שֶׁנֶּאֱמַר
בְּרִאשִׁית בָּרָא אֱלֹהִים

For with it everything was made, as the verse (Psalms 104:24) states “You made everything with *chochmah*” – everything was made utilizing *chochmah*. As we pointed out earlier, the simple meaning of the verse is that ‘everything was designed by God in His wisdom.’ And this is also the meaning of the verse (Genesis 1:1) “In the beginning God created...” – this is interpreted here (and in many Kabbalistic texts) as ‘God created with the beginning’ i.e. with *chochmah*, which is the initial manifestation of actual being.

וּתְרֻגּוֹם יְרוּשְׁלָמִי בְּחִכְמָא בָּרָא ה' כִּי הִיא נִקְרָאת רִאשִׁית וּכִמֵּ"שׁ
רִאשִׁית חִכְמָה

The *Targum Yerushalmi* one of the Aramaic translations of Scripture renders this as ‘God created *b’chuchma*’ with *chochmah*, which is called the beginning, as the verse (Psalms 111:10) states: ‘*reishit chochmah*’ – which the author interprets as ‘wisdom (*chochmah*) is the beginning.’

וּרצ"ל שֶׁהִיא הִרְאשִׁית לְכָל הַגְּלוּיִם דְּגִבּוּל וּמִדָּה וְכַנֻּזְכָּר.

The intention is that *chochmah* is the first of all the limited and finite revelations.

וְכֵן הוּא עוֹד כִּי מְשׁוּם שֶׁהָעוֹלָם אֲצִילוֹת הִנֵּה הוּא גְלוּי דְּהִמָּאֲצִיל
יֵת"ש אֲשֶׁר בִּבְחִי פְעֻלָּה וְכִנֵּ"ל שֶׁכֵּ"ד פ"ד

Furthermore, since the World of Atzilut is the revelation of the blessed Emanator in terms of bringing about the lower worlds**, as explained above *Sha’ar* 4, chapter 4**

וְהִרִי הוּא הִרְאשִׁית לְכָל הַמְּצִיאוֹת דְּהָעוֹלָמוֹת כָּלֵם

it is therefore the beginning of the entire existence of all the worlds.

וְכֵן עַד"ז פְּרָצוּף אַבָּא שֶׁהוּא סִפִּי חֲכָמָה שֶׁבְּכָל עוֹלָם

And similarly with regard to the *partzuf* of Abba, which is the *sefirah* of *chochmah* in every world

הֵנָּה הוּא הָרָאשִׁית לְכָל הַגְּלוּיִם דְּעֵשֶׂר סִפִּי שֶׁבְּכָל עוֹלָם

– this is the beginning of all the revelations of the ten *sefirot* in every world.

וְהִרִי נִתְגַּלָּה בָּהֶם הַמַּאֲצִיל ית"ש בְּהַכּחוֹת דְּגִבּוּל וּמִדָּה אֲשֶׁר יֵצֵא
מֵהֶם אַח"כ

Thus through them through the *chochmah* of each *partzuf*²⁰ the blessed Emanator is revealed within the boundaries and limitations that subsequently emerges from them.

וְלָכֵן הוּא כִּי הֵנָּה הַגִּם שֶׁשָּׂרָשָׁם אֲשֶׁר לְמַעַלָּה שֶׁהוּא הָעוֹלָם
דְּהַצְמָצוּם וְהַקּוֹ

Therefore, even though their root above is the realm of the *tzimtzum* and the *kav*,

הֵנָּה אֵין לוֹ גְּלוּי בְּשׁוּם שֵׁם כָּלֵל וְלֹא בְּשׁוּם אוֹת וּנְקֻדָּה כָּלֵל

nevertheless, He is not revealed by any name, nor by any letter or vowel-point at all.

כִּי רַק הָאָדָם קִדְמוֹן שֶׁהוּא הַגְּלוּי הַשְּׁלִישִׁי הַכָּלְלִי הֵנָּה הוּא רִמּוֹז
וְנִתְגַּלָּה

Because only in Adam Kadmon, the third macro-revelation, is He alluded to and revealed

בְּקוּצוֹ שֶׁל י' דְּהוּיָה הַכָּלְלִי הַכוֹלֵל כָּל הָעוֹלָמוֹת כָּלָם

in the thorn atop the *yud* of the Name Havaye, which is the all-inclusive category that includes all the worlds,

כִּי הֵא"ק הוּא הַכֶּתֶר דְּהָעוֹלָמוֹת אֲשֶׁר מְקוּמוֹ הוּא בְּהַקּוּצוֹ שֶׁל י'
כַּנ"ל פ"א

since A"K is the *keter* of all the worlds, and in terms of the Name Havaye is located at the thorn atop the *yud*, as explained above chapter 1.

אֲבָל לְמַעַלָּה מֵא"ק אֵין שׁוּם גְּלוּי וְרִמּוֹז כָּלֵל בְּשׁוּם אוֹת וּנְקֻדָּה כָּלֵל

But beyond A"K nothing is revealed or even hinted to at all by any letter or point.

אָמַנָם הַבְּחִי' אֲשֶׁר כִּנְגְדוּ בְּהַעֲלָמוֹת וְהַפְּרָצוּפִים מֵאַחַר שֶׁיֵּצֵא לְכָל
פְּעֻלָּה וּלְהַגְלוֹי דְּבַחִי אָדָם

However the aspect corresponding to A”K in the worlds and the *partzufim* has already emerged into the category of ‘action’ and revelation in the form of ‘Adam’ – as we can see by the name of that world ‘Adam Kadmon.’

וְהוּא הָאֲצִילוֹת שֶׁבְּהַעֲלָמוֹת וּפְרָצוֹף אָבָא שֶׁהוּא סָפִי' חֲכָמָה שֶׁבְּכָל
עוֹלָם עֲצָמוּ שֶׁהֵם רִאשִׁית הַגְּלוּיִם כִּנְזָכָר

And correspondingly, *Atzilut* in the worlds, and the *partzuf* of Abba, the *sefirah* of *chochmah* in every world itself – are the beginning of the revelations mentioned.

הִנֵּה הֵם יֵשׁ לָהֶם גְּלוֹי הֵיטִיב בְּהֶשֶׁם הוּיָה ב"ה

And so they are clearly revealed in the blessed Name Havaye.

וְהִנֵּה הוּא הָאוֹת י' דְּהֶשֶׁם הוּיָה הַכּוֹלֵל אֶת הַד' עוֹלָמוֹת אַבִּי"ע

Hence the letter *yud* of the Name Havaye includes all four worlds, *Atzilut*, *Beriah*, *Yetzirah* and *Asiyah*,

As we already know, the *yud* of the Name corresponds to *Atzilut*, the first *hai* to *Beriah*, the *vav* to *Yetzirah* and the final *hai* to *Asiyah*²¹.

וְהוּא הָאֲצִילוֹת הָאוֹת י' שָׁבוּ

Nevertheless, in a more specific sense, *Atzilut* itself constitutes the letter *yud* thereof of the Name Havaye.

וְכֵן בְּהֶשֶׁם הוּיָה הַכּוֹלֵל אֶת כָּל עוֹלָם הִנֵּה הוּא פְּרָצוֹף אָבָא בְּהָאוֹת
י' שָׁבוּ כִּי הָאוֹת י' הוּא הוֹרָאת כָּל הַתְּכוּנוֹת שֶׁאֲמַרְנוּ לְעֵיל
בְּהָאֲצִילוֹת

Similarly, regarding the Name Havaye that encompasses the entire world of any of the worlds. As we have already learned, each of the worlds is populated by all of the *partzufim* and *sefirot*, so that the *partzuf* of Abba corresponds to the letter *yud* of the Name, since the *yud* is indicative of all the qualities of *Atzilut* we described above,

וְכֵן בְּפְרָצוֹף אָבָא חֲכָמָה כִּי הִרִי הָאוֹת י' הוּא עַל שֵׁם הַמַּחֲשָׁבָה
נֶאֱמָרָה

and the *partzuf* of Abba is the *sefirah* of *chochmah****, since the *yud* is indicative of mind** *machashava*,

וְכַמֵּ"שׁ רַשִׁי בְּחֻמֶּשׁ בְּפָסוּק אֲזַי שִׁיר

as Rashi explains in Chumash, on the verse (Exodus 15:1), “Then he sang...”

Rashi comments: ‘When he [Moshe] saw the miracle [of the sea splitting], it arose in

his mind [chashav] to sing...'

וְכֵן הוּא רִאשִׁית וְשֵׁרֶשׁ הַכֹּל כִּי הָרִי הוּא נִקְדָּה שֶׁהוּא רִאשִׁית כָּל דָּבָר
וּמִמֶּנּוּ נִמְשָׁךְ וְנִעֲשָׂה הַכֹּל

It is also the beginning and the root of everything, since it is the point that everything begins from, and from it everything is drawn and produced.

וְכֵן הוּא בְּעֶצְמוֹ הֵנָּה הוּא רַק בְּבִחִי גֶלֶם וְחֹמֶר בְּלִי צוּרָה וְהוּא
מִצְמָצֵם מְאֹד

And so it is even in itself – it is an embryonic mass without form that is very condensed,²²

וְהָרִי הוּא הַשֵּׁרֶשׁ לְכָל גְּבוּלֵי וּמֵדָה

and yet it is the root of all limitation and dimension.

וְכֵן יֵשׁ בּוֹ הוֹרָאת הָעֶדֶר וּמִצִּיאוֹת שֶׁהֵם בִּחִי חֶסֶד וְדִין

Similarly, it displays both existential absence and presence, which are *chesed* the concept of an expansive presence, and *din* the concept of restriction and withdrawal and absence.

וְהוּא בְּמִצִּיאת הַנִּקְדָּה שָׁבוּ וְהִצְמָצוּם שָׁבוּ בְּמָה שֶׁהוּא רַק נִקְדָּה
קִטְנָה.

Both of these aspects are manifested in the existence or the presence of *chochmah* as a point, and the *tzimtzum*-restriction therein is that it is *only* a small point and not an expansive three-dimensional existence,

וְכֵן כָּלּוּל בּוֹ כָּל הָעֵשֶׂר סְפִי כִּי הָרִי מְסַפְּרוֹ עֶשֶׂר וְהוּא מְשׁוּם שֶׁהָרִי
הוּא שֵׁרֶשׁ הַכֹּל בְּנִזְכָּר.

where all of the ten *sefirot* are included – being that the letter *yud* represents the number ten, and this is because it is the root of all things that subsequently emerge from it, as mentioned.

וּר"ל כִּי הָרִי הַנִּקְדָּה הוּא שֵׁרֶשׁ וְרִאשִׁית דְּכָל מִצִּיאוֹת

Meaning to say that the point-like manifestation of *chochmah* is the root and the beginning of all existence,

וְכָל מִצִּיאוֹת הֵנָּה הוּא כָּלּוּל מֵעֵשֶׂר סְפִי (ע' מֵלֶת הַגִּיּוֹן פ"י וּבְעִקְדָּה
שֶׁעַר ג' וּבַהֲגַר"א סֵפֶר יִצִּירָה פ"א רִישׁ מִשְׁנָה ב')

and all of existence is comprised of ten *sefirot* (see *Milat Higayon* chap. 10; *Akeidah, sha'ar* 3; GR"A, *Sefer Yetzirah* 2:1).

וְלָכֵן הַנִּקְדָּה שֶׁהִיא כּוֹלָל אוֹתָם הִיא מְסַפְּרָה עֶשֶׂר וְזֶהוּ ג"כ מָה
שֶׁמְלִוֵי יו"ד הוּא ו' ד'

And therefore the numerical value of the point that includes all of them is 10, and this is also the reason that the full iteration of the letter *yud* is with a *vav* and a *dalet*,

שהם ג"כ עשר כי הוא מורה על העשר שכלולים בה בכם

and they too add up to 10 *vav* = 6 and *dalet* = 4, indicative of the ten that are included in the *yud in potentia***.*

וכ"ז הוא על הוראת עולם האצילות ששם הוא העשר ספי' הכללים הכולל כל המציאויות²³ כלם

All of this refers to the World of Atzilut, where the ten general *sefirot* that include all existences are located,

ועל פרצוף אבא חכמה אשר בו כלול העשר ספי' דכל עולם כלו

and also refers to the *partzuf* of Abba in which the ten *sefirot* of the entire world of Atzilut are included.

ולכן מתגלה בהם האות י' דהשם כי בהם הוא הגלוי דכל התכונות הנזכרים שבאות י'.

And therefore they are revealed as the letter *yud* of the Name, because of all of the qualities of the letter *yud* that were explained.

עד כאן מה שחזרנו על הדברים דלעיל בסגנון אחר קצת מה שכתבנו מקדם

This ends the repetition of matters we explained previously, albeit in a somewhat different manner.

ושניהם עולים למקום אחד ולכונה אחת

But both versions express the same point and have the same intention,

אלא שאותן הדברים השניים כתבתי איזה שנים מקדם ולא רציתי להשמיטם:

only that the second version here I had written a number of years earlier, and I did not want to omit it.

2d — The General and Specific Revelations of *Chochmah*

ומעתה נאמר עוד כי כל מה שאמרנו שהאצילות וכן ספי' חכמה שהוא פרצוף אבא הוא האות י' שבשם

Now we can say further that everything we stated – that Atzilut, and also the *sefirah* of *chochmah*, which is the *partzuf* of Abba, and is represented by the letter *yud* of the Name –

הנה הוא רק בבחי' הד' אותיות דהשם הויה ב"ה הכולל את הד'
עולמות אבי"ע

this is only as regards the aspect of the four letters of the blessed Name Havaye which include the four Worlds of ABiY”A so that Atzilut is represented by the *yud*, Beriah is represented by the first *hai*, Yetzirah by the *vav*, and Asiyah by the final *hai* of the Name Havaye.

ובזה הוה כל האצילות כלו רק בגלוי האות י' שבשם

In this macro-sense, all of Atzilut is only the revelation of the *yud* of the Name.

וכן בהשם הויה הכולל כל עולם ועולם הנה בזה הוה כל פרצוף
אבא כלו רק האות י' שבשם

And similarly regarding the Name Havaye that encompasses each world – in this sense the entire *partzuf* of Abba is represented only by the letter *yud* of the Name, whereas Imma is represented by the upper letter *hai*, Ze’ir Anpin by *vav*, and Nukvah/malchut by the final *hai*.

וכ"ז הוא רק בבחי' כללות ובערך עולם התחתון וכן בערך הפרצוף
התחתון

All of this is only in the macro sense, compared with the world below it and the *partzuf* below it.

אבל בבחי' אורותיהם הפרטיים שבכ"א גופה הנה נחשב עולם
האצילות בכל גלוי הי' ספי' שבו בערך הבי"ע

But as regards the individual *ohr* in each of them in each world, we regard the World of Atzilut with the revelation of all its ten *sefirot* in comparison with BiY”A,

וכן פרצוף אבא בכל גלוי הי"ס שבו בערך האמא והזו"ן.

and similarly we regard the *partzuf* of Abba with the revelation of all its ten *sefirot* when compared with Imma and Zu”N,

בבחי' הגלוי דהי' אותיות דשם ע"ב שהם יו"ד הי' וי"ו הי'

as the revelation of the ten letters of the Name A”b – ²⁴ יו"ד הי' וי"ו הי',

כי הם כ"א קומה שלמה מי"ס

because each of them each instance of a revelation of the Name is a complete stature comprising ten *sefirot*.

ומתגלים ומאירים הי"ס בכ"א בכחם ועצמותם

The ten *sefirot* in each of them are revealed and shine forth with the power and character unique to each *sefirah*.

וְהִנֵּה הֵם בְּהִגְלִיּוֹ דָשֵׁם ע"ב וְהוּא מְהֻטָּע כִּי הַשֵּׁם ע"ב גַּם אַחֵר
כָּל גְּלוּיּוֹ

Now all ten *sefirot* are represented in the revelation of the Name A"b, but because the Name A"b, even after its revelation,

עכ"ז הִנֵּה הוּא מוֹרָה עַל בְּחִי' תִּים וְנֶעְלָם ג"כ וְהוּא הָעֲנִין דְּהַמְלוּי
יודי"ן שְׁבוּ

nevertheless hints to the aspect of concealment and obscurity as well, by way of the 'filling' letters the iteration of the Name A"b with *yuds*.

שָׁזָה מוֹרָה עַל הָעָלָם עכ"פ כִּי כָל הוֹרָאת אוֹת י' הוּא רַק עַל שֶׁשׁ
וּכְלָלוֹת הָעֶשֶׂר

This indicates concealment, for any instance of the letter *yud* implies that it is merely the root and general aspect of the ten

The *gematria* of the letter *yud* is ten, but the ten *sefirot* it alludes to are not explicitly revealed.

שֶׁהֵם כְּלוּלִים בּוֹ בִּפְנֵי וְהֵם נֶעְלָמִים וְכַן ל"ו שֶׁהֵם נֶעְלָמִים
מִהַתְחַתּוֹנִים

that are included therein *in potentia*, but they are in a state of concealment, as mentioned – i.e. they are hidden from lower levels,

וְכָל גְּלוּיּוֹ הוּא רַק לְעֶצְמוֹתוֹ לְבַד אוֹ לְהַעֲלִיּוֹנִים מִמֶּנּוּ

and any revelation thereof is exclusively to itself, or to those levels above it.

וְלָכֵן הִנֵּה הַשֵּׁם ע"ב שֶׁמָּא תִּים יִתִּיר כִּי הַיּוֹדִי"ן שְׁבוּ מוֹרָה עַל
הָעָלָם עכ"פ וְהוּא לְעוֹלָם רַק שֶׁם נֶעְלָם

And therefore the Name A"b is exceedingly concealed, because the *yuds* in the iteration thereof indicate concealment in all cases, hence it is always a concealed Name.

אֲךָ עכ"פ הוּא כִּי בְּעֶצְמוֹתָם הִרִי הֵם נִגְלִים כִּי זֶהוּ הוֹרָאת דְּהִי
אוֹתִיּוֹת שְׁבוּ

But nevertheless, *internally*, in terms of their essence, they are revealed, for this is what the ten letters of the Name A"b indicate –

שֶׁכָּל אוֹר דְּכָל סִפִּי וְסִפִּי שְׁבוּ הוּא יֵצֵא לְפֹעֵל בְּכָל תְּכוּנָתוֹ

that every light of each and every *sefirah* therein emerged into actuality from its state of potential with all of its qualities.

וְלִכְךָ נִתְגַּלָּה כָּל סִפִּי בְּאוֹת בַּפִּנ"ע

And this is why each *sefirah* is revealed by its own letter among the ten letters of the Name A"b.

וְהָיָה לָנוּ כִּי מָה שֶׁאֲמַרְנוּ שֶׁהֵם רַק בְּהִגְלִיּוֹת דָּאוֹת י' לְבַד הוּא רַק
בְּכָל־לוֹת אֲבָל לֹא בְּפָרְטוֹת

Accordingly, when we said that they the lights of all ten *sefirot* are revealed only in the letter *yud* – this is only in a general sense, but not in a specific sense,

כִּי פָרְטֵי הָאוֹרוֹת אֲשֶׁר בְּעֶצְמוֹתָם גּוֹפָה הֵם עוֹמְדִים בְּהִגְלִיּוֹת דָּשֵׁם
ע"ב

because the individual lights in their essential state are in a revealed mode in the Name A"b.

אָמְנָם כָּבֵר אֲמַרְנוּ לְעֵיל פ"א כִּי יֵשׁ בָּזֶה עוֹד בְּחִי' רַבּוֹת שֶׁהֵם
שֶׁעֵקֶרָם הֵם רַק שֵׁם ע"ב

Indeed, we already mentioned above in chapter 1 that there are many other aspects there, even though they are primarily only the Name A"b.

עכ"ז מִתְחַלְפִּים בְּגִלּוּיִים ג"כ לְשֶׁאֵר הַשְּׁמוֹת כָּלָם.

Nevertheless, they become transposed in their revelations to all the other Names.

וְהֵינּוּ לְפִי עֵרֶךְ הָעֲלִיּוֹנִים מֵהֵם אוֹ לְפִי שְׁפָעַם הַנִּמְשָׁךְ מֵהֵם לְמַטָּה,

That is to say, commensurate with the levels above them, or sometimes because of that which is drawn from them to down below,

וְהוּא ע"י עוֹצֵם הָאֲחָדוֹת דְּכָל הַנִּצָּצִים כָּלָם

and this is due to the powerful unity of all the emanated entities,

שֶׁכָּל־לוֹלִים וּמִיחָדִים זב"ז וּכ"א מְכַלֵּם לְכוֹן מִתְחַלְפִּים בְּגִלּוּיִים

which are all included one within the other, and are united with one another, and each one with the other, and therefore their states of revelation are interchangeable,

וּמִתְגַּלִּים וּמֵאִירִים לְפָעָמִים בְּשֵׁם זֶה וּלְפָעָמִים בְּשֵׁם זֶה לְפִי רָצוֹן
הַמֵּאֲצִיל בָּהֶם

so that they become revealed and shine forth – sometimes with this Name, and sometimes with that Name – according to the Will of the Emanator.

אֲךָ כ"ז הוּא רַק כַּאֲשֶׁר מִתְרָאִים וּמִתְגַּלִּים בְּפָרְטֵי פָרְטוֹת כַּחוֹתֵיהֶם
אֲשֶׁר כ"א הוּא כָּלֹל מְכַלֵּם

But all of this is only when their powers become manifested and are revealed in specific detail, when every individual includes all of them.

אָבֵל סִדְרָם וְעֲצָמוֹתָם הַכִּלִּי וְהַעֲקָרִי שֶׁבָּהֶם הִנֵּה עוֹמֵד כָּלֵל
הָאֲצִילוֹת בְּעֶרְךָ הָעוֹלָמוֹת בִּי"ע

But the order and the primary general character of the World of Atzilut is commensurate with BiY"A,

וְכֹן כָּלֵל פְּרָצוּף אָבָא בְּעֶרְךָ אִמָּא וּזו"ן בְּהִגְלוֹי דְּשֵׁם ע"ב לְבַד וְכַנְזָר:

and similarly, the *partzuf* of Abba is commensurate with Imma and Zu"N in the Name A"b itself, as mentioned.

2e — The Revelation of *Chochmah* in *Partzufim* and in Worlds

וְהִנֵּה כָּל הַבְּחִי' הֵלְלוּ אֲשֶׁר אִמְרָנוּ בְּכָלֵל עוֹלָם הָאֲצִילוֹת אֲשֶׁר
בְּכָלֵל הָעוֹלָמוֹת וְכֹן בְּכָלֵל פְּרָצוּף אָבָא אֲשֶׁר בְּכָלֵל הָה' פְּרָצוּפִים

All these various aspects that we have been discussing as part of the category of Atzilut in terms of the worlds in general, and also as regards the *partzuf* of Abba among the five *partzufim*,

הִנֵּה יִשְׁנָם כָּל אֱלוֹ הַבְּחִי' ג"כ בְּכָל פְּרָצוּף וּפְרָצוּף בִּפְנֵי ע

all of these aspects are also present in each and every *partzuf* individually.

כִּי הִנֵּה יִשְׁנָם בְּכָל אֱלֹהֵי אֶחָת אֲשֶׁר הוּא כְּנֶגֶד הַגְּלוֹי הַשְּׁנִי הַכִּלִּי
שֶׁהוּא הַצִּמְצוּם וְקוֹ הַנִּי"ל שֶׁעַד ד' פ"ג

In every instance there is an aspect that corresponds to the second general revelation – the *tzimtzum* and the *kav* – as discussed above Sha'ar 4 chapter 3,

וְכַנְגֵּד עוֹלָם הָאֲצִילוֹת שֶׁהוּא מְגֻלּוּיּוֹ ית"ש אֲשֶׁר בִּפְעַל וְכַנִּי"ל שֵׁם
פ"ד

and also corresponding to the World of Atzilut, which is among of His revelations in actuality, may His Name be blessed, as explained above *ibid.* chapter 4,

וְכַנְגֵּד פְּרָצוּף אָבָא אֲשֶׁר מְכָלֵל הָה' פְּרָצוּפִים שֶׁבְּכָל עוֹלָם

and also corresponding to the *partzuf* of Abba within the general category of *partzufim* in every world.

וְהִנֵּה הוּא בְּכָל פְּרָצוּף הַחֶלֶק הַשְּׁנִי מֵהָה' חֶלְקִי נִשְׁמָה שָׁבוּ הַנִּקְרָא
בְּשֵׁם חִיָּה

This is the case with every *partzuf*: the second level of the five levels of soul in each *partzuf* is called *chaya*

כִּי מִמֶּנָּה הוּא הַחִיּוֹת דְּכָל פְּרָצוּף וְהוּא סִפִּי הַחֲכָמָה שָׁבוּ

since the life-force of every *partzuf* is from her from that level of soul, which is the *sefirah* of *chochmah*,

וכמ"ש (קהלת ז') החכמה תחיה בעליה וכן חכם גימ' חיים.

as the verse (Ecclesiastes 7:12) states: "Wisdom gives life to those who possess it." In addition, חכם (a wise person) has the same *gematria* numerical value as חיים (=68).

ור"ל שהוא החיות דגבול ומדה שבו, כי החיות הרי היא מסדר בכל
פרצוף רק בגבול ומדה

The intention is that this is the origin of the bounded and limited life-force within a person, because the life-force is configured in every *partzuf* only in a limited and measured fashion,

שהרי יש קצבה לכל החיים וכן הוא מכרח להתחדש בכל רגע
בנשימה חדשה

since there is a limit to the life-span of all living beings. In addition, it is necessary for the life-force to be renewed at every moment with each new breath.

ואותה החיות דגבול ומדה שבו הנה הוא מהחיה דכל פרצוף

Now the bounded and limited life-force in that being is from the *chaya* of every *partzuf*,

כי שרשה הוא משרש השרשים שהוא הקו וצמצום ולכן נתן על
ידה גבול וקצבה לכל חי

since its root is from the root of all roots – the *kav* and the *tzimtzum* – and therefore it the aspect of *chaya* allots limitation and cessation to all living beings.

אבל היחידה שבכל פרצוף ששרשה הוא מאור א"ס וכנ"ל פ"א

But the *yechidah* of every *partzuf*, the root of which is from the *Ohr Ein Sof*, as explained in chapter 1,

הנה ממנה הוא החיים הנצחי וממנה הוא השארת הנפש אשר
היא לא תמות לעולם

from there comes eternal life, and from there derives the soul that endures and never dies.

ומשום שהיא מאור א"ס אין לה השתוות עם הגוף להתצמצם
ולהתלבש בו להחיותו לנצח

And because it the *yechidah* of the soul is from the *Ohr Ein Sof* it has no parity with the body so that it could become constricted to be clothed within it within the body to enliven it eternally.

אך כאשר יתבטל הזקמא והעכירות דהגוף ויהיה אפשר להגוף
להשתוות גם עם אור היחידה

But when the noxiousness and obtuseness of the body has been nullified, and
parity of the body and even the light of *yeichidah* of the soul become possible,

אז תתיחד עמו ותחזר להחיותו בעת התחיה ויחיה על ידה לנצח

then *yeichidah* will unite with it with the body and return to animate it at the time
of *Techyat haMeitim* the Resurrection of the Dead, and then the body will live
forever because of it.

אך עתה שאין להגוף השתוות עמה ונמשך לו כל חיותו רק ע"י
האור דהחיה

But now, when the body has no parity with it with *yeichidah*, and all of its vitality
is exclusively from the light of *chaya*,

אשר היא נתצמצם בגבול ומדה לכן יש עתה קץ וקצבה לכל
החיים.

which is constricted by boundaries and limitations, therefore there is now a
cessation and threshold to all life.

וכן נקרא האור דהחיה ג"כ בשם נשמה לנשמה כי היא אינה
הנשמה העקרי המאיר בהפרצוף

In addition, the light of *chaya* is also called the *neschama* of the *neschama*, since
she is not the primary aspect of *neschama* that illuminates the *partzuf*,

אלא רק השרש שלה אבל היא עצמה אינה מתגלה בו כי היא
מיוחד עם אור היחידה

but only the root thereof, while she *chaya* herself is not revealed in it in the
partzuf since it is united with the light of *yeichidah**,*

וגלוייה בהפרצוף הוא רק בכח לבד ובפלות ולא בפרטות

and its revelation within the *partzuf* is merely in potential and in general, but
not specifically.

וממנה שואב הנשמה כח החיות להחיותו אבל היא עצמה אינה
מתגלה בו

And from it (from *chaya*²⁵) the *neschama* draws the life-force to animate the
partzuf, while she herself is not revealed within it.

והוא ע"ד שבארנו לעיל בענין המחשבה וההרהור ובענין האצילות
עם הבי"ע

This is similar to what we explained above regarding *machshava* and *hirhur* mind and thought, and Atzilut and BiY”A

שְׁמִתְגִּלָּה פְּעֻלַּת הָאֲצִילוֹת ע"י הַבִּי"ע וְכֵן מִתְגִּלָּה כֹּחַ הַמַּחְשָׁבָה
בְּהִרְהוּר

– that the activities in Atzilut are revealed through BiY”A, and the power of mind is revealed through thought.

וְכֵן בַּפְּעֻלַּת או"א שְׁמִתְגִּלָּה פְּעֻלַּת הָאָבָא ע"י הָאִמָּא

Similarly regarding the activity of Abba and Imma – the activity of Abba is revealed through Imma.

וְכֵן בְּעֵנִין הִי שֶׁל שֵׁם שָׁבוּ הוּא הַכֹּל בָּכֶם וּבְכָלִּיּוֹת וְכֵן "ל כ"ז

So too regarding the *yud* of the Name – everything in it is in a state of potential and in general in a macro sense, as was all explained above.

כֵּן הוּא כָּאן בְּעֵנִין הַחַיָּה עִם הַנְּשָׁמָה

So too here, regarding *chaya* and *neshama*:

כִּי הַחַיָּה הִיא אֶצֶם הַחַיּוֹת בְּעֶצְמָהּ וּמִמֶּנָּה שׁוֹאֵב הַנְּשָׁמָה וּמִתְפַּשֵּׁט
וּמִתְקַשֵּׁר עִם הָרוּחַ

Chaya is the essential life-force itself, and from her the *neshama* draws forth and spreads out and bonds with *ruach*,

הַנִּכְנָס בְּהַפְרָצוֹף בְּכָל אַפְרִיּוֹ וְגִידִיו וּמְחִיָּהוּ.

which enters the *partzuf* with all its ‘limbs’ and ‘sinews’ and animates it.

אָבֵל הַחַיָּה בְּעֶצְמָהּ הִיא נִשְׁאָר מִיַּחַד בְּאוֹר הַיְּחִידָה כִּי מִשָּׁם
נִמְשָׁכֶת

But *chaya* itself remains united with the light of *yechidah* from whence it is drawn,

אֲלֹא שֶׁבָּהּ נִתְצַמְצַם בָּכֶם דְּגִבּוּל וּמִדָּה

even though in her in *chaya* the light of *yechidah* becomes constricted through the power of boundaries and limitations;

אָבֵל הִיא תְּלוּיָה לְעוֹלָם רַק בְּאוֹר הַיְּחִידָה.

nevertheless she *chaya* always adheres to²⁶ only the light of *yechidah*.

ע"ד הַקוֹ וְצִמְצוּם שֶׁהוּא תְּלוּי לְעוֹלָם בְּאוֹר א"ס הָעֲלִיּוֹן וְכָל גְּלוּיּוֹ
הוּא רַק בֵּא"ק

This is similar to the way the *kav* and the *tzimtzum* always adhere to the supernal *Ohr Ein Sof*, and their entire revelation is only in A”K,

וע"ד האצילות שכל גליו הוא רק בהבי"ע

and similar to the way Atzilut and all of its revelation is exclusively in BiY" A,

אבל האצילות עצמו הוא קשור ומיוחד בא"ק אשר הוא עדן מאור
א"ס

although Atzilut itself is bound to and united with A"K which is still part of the *Ohr Ein Sof*.

וכן ע"ד האבא שכל גליו הוא באמא אבל הוא עצמו הוא מיוחד
בא"א

And similarly with Abba – all its revelation is in Imma, although he Abba himself is united with Arich Anpin,

שהוא ג"כ מבחי' אור א"ס (וכמ"ש ברע"מ פנחס רנ"ח סע"א
ובכ"מ)

which is also an aspect of the *Ohr Ein Sof* (as stated in *Zohar Raya Mehemna*, *Pinchas* p. 258b, and in several places).

וע"ד האות י' דהשם שהוא תלוי לעולם בהקוצו של י'

It is also similar to the way in which the letter *yud* of the Name always adheres to the thorn atop the *yud*.

כן הוא עד"ז הנה כלול ואחד לעולם החיה בהיחידה ונמשכת רק
ממנה

So too is it regarding *chaya* and *yechidah*: *chaya* is always submersed in and united with *yechidah* and is drawn from it exclusively,

אלא שהיא נתצמצמה בהכח דגבול ומדה והיא השרש והראשית
להנשמה

albeit that she *chaya* becomes constricted within boundaries and limitations, and she is the root and beginning of the *neshama* –

שהיא מתיחדת בהבחי' התחתונה שבה עם הנשמה

in that her lowest aspect unites with the *neshama*,

וממנה מקבלת הנשמה החיות דגבול ומדה ומתפשט ומאיר
בהפצוץ כל זמן קיומו

and from her from *chaya* the *neshama* receives the bounded and limited life-force that spreads forth and illuminates the *partzuf* throughout its existence,

עד שיחזר לשרשו וכמו שיתבאר לקמן פ"ט עש"ה

until it returns to its source, as will be explained below chapter 9.²⁷

וְהָיָה נִתְבָּאָר לָנוּ עַכְ"פּ כִּי הִנֵּה יִשְׁנֹנוּ בְּכָל פְּרָצוּף וּפְרָצוּף ג' כ' בְּחִי' אַחַת

In any event, we have clarified that there is an aspect of each and every *partzuf* אֲשֶׁר הוּא כְּנֶגֶד הַגְּלוּי הַשְּׁנִי הַכִּלְי דְּלַעִיל שֶׁעַד ד' פ"ג

that corresponds to the second general revelation the realm of the *kav* and the *tzimtzum* noted above Sha'ar 4, chapter 3,

וְהִנֵּה הוּא אוֹר הַחַיָּה שֶׁהוּא הַנִּשְׁמָה לַנִּשְׁמָה שְׁבֵכָל פְּרָצוּף וְכִנְזָכָר. and this is the light of *chaya*, the *neshamah* of the *neshamah* in every *partzuf*, as mentioned.

וְהִנֵּה נִתְבָּאָר לָנוּ מֵעַתָּה כִּי בְּחִי' הַגְּלוּי הַשְּׁנִי הַכִּלְי שֶׁהוּא הָעוֹלָם דְּקוּ וְצִמְצוּם

Thus it has now been explained that the second general revelation, the realm of the *kav* and the *tzimtzum*,

שֶׁהוּא מַעֲלָמוֹת דַּא"ס הִנֵּה הוֹצִיא הוּא אֶת דְּגִמְתּוֹ בְּהָעוֹלָמוֹת הַנִּפְעָלִים

one of the infinite realms, has its parallel in the manifested worlds,

וְהוּא הָעוֹלָם דְּאַצִּילוּת וּבִפְרָצוּפִים שְׁבֵכָל עוֹלָם וְהוּא פְּרָצוּף אַבָּא i.e. in the World of Atzilut, and in one of the *partzufim* in each world – the *partzuf* of Abba.

וּבְהַחֲלָקִי נִשְׁמָה שְׁבֵכָל פְּרָצוּף וְהוּא הָאוֹר דְּהַחַיָּה

And it also has its equivalent in one of the aspects of the soul in every *partzuf* – as the light of *chaya*,

וּבְהָאוֹתִיּוֹת דְּהֵשֵׁם הוּא הָאוֹת י' וּבְהֵשֵׁמוֹת דְּמַלְאִים הוּא הֵשֵׁם ע"ב

And in terms of the letters of the Name this is the letter *yud*, and among Names, it is the Name A"b.

כִּי כָּל אֱלוֹהִים כֻּלָּם בְּבְחִי' תְּכוּנָה אַחַת וְהוֹרָאָה אַחַת לְכָלָם.

All of these are all aspects of a single characteristic, and all demonstrate a single idea.

Chapter 3 — Binah and the Partzuf of Imma

Sha'ar 7

3a — Binah and the Partzuf of Imma

וַיִּבְאֵר מֵעַתָּה עֲנֵנוּ הַגְּלוּי הַשְּׁלִישִׁי הַכָּלְלִי אֲשֶׁר לְעִיל שְׁעַר ד' פ"ג

Let us now explain the third general revelation mentioned above Sha'ar 4, Chapter 3,

כָּל בְּחִינוֹתָיו אֲשֶׁר כָּנָגְדוּ בְּהַעֲלָמוֹת וְהַפְּרָצוּפִים ע"ד שְׂבָאֲרָנוּ לְעִיל
פ' א' ב' בַּהֲב' גְּלוּיִם הָרָאוֹנוּ.

and all of the aspects that correspond to it in the worlds and the *partzufim*, in a similar manner to our explanation above, chapters 1 & 2 regarding the first two revelations.

הִנֵּה הַגְּלוּי הַשְּׁלִישִׁי הַכָּלְלִי אֲשֶׁר בְּכָלל הָעוֹלָמוֹת כָּלָם הָרִי אָמְרָנוּ
שֶׁ כִּי הִנֵּה הוּא הָאָדָם קִדְמוֹן

Now the third general revelation that encompasses all of the worlds we described there in Sha'ar 4, Chapter 3 as Adam Kadmon.

שֶׁהוּא לְמַטָּה בְּמַדְרָגָה מֵהַקּו הָעֶקְרִי שְׂבָאֲוִיר הַקִּדְמוֹן וְטִהִירוֹ עֲלָאָה

It is on a lower level than the primary aspect of the *kav* from the *Avir Kadmon* and the *Tehiru Ila'a*,

וַיִּכְמוּ שְׂבָאֲרָנוּ בְּעִגּוּלִים וַיֵּשֶׁר עָנָף ב' אוֹת כ"ח וּבכ"מ

as we explained in our commentary on *Eitz Chaim*, in the section *Iggulim v'Yosher, anaf 2***,** in our note 28, and in other places.

He explains there that the *yosher* of A"K is drawn from the lowest extremity of the *kav* that extends from the *Avir Kadmon* (the light that remained in the *chalal/makom panui* after the *tzimtzum*, elsewhere called the *reshimu*¹). *Tehiru Ila'a* is the *Ohr Ein Sof* prior to the *tzimtzum*.

וְהִנֵּה אָמְרָנוּ לְעִיל שַׁע"ד פ"ג כִּי בֹא"ק נִתְגַּלָּה בְּחִי' הִי סִפִּי' אֲשֶׁר
כָּלוּל בְּהַקּו

Now we stated above *Sha'ar 4*, Chapter 3 that in A"K the ten *sefirot* that were integrated within the *kav* become revealed

בְּבְחִי' כַּח וּבְבְחִי' מַחְשָׁבָה שֶׁהוּא רַק כַּח הַיּוֹלִי לְבַד בְּלִתִּי גְּלוּי כָּלָל.

there they were in a state of potential and in the state of 'mind' (*machshava*) as opposed to thought (*hirschur*), as explained in the previous chapter – the potential of undefined existence without any revelation at all.

אָבֵל בְּאָדָם קַדְמוֹן הִנֵּה יֵצְאוּ לְגִלּוּיִים וּבְבִחִי' הֶהָרְהוּר, שֶׁהִיא
הַתְּפִשָּׁטוֹת הַמַּחֲשָׁבָה וְגִלּוּיָהּ

But in Adam Kadmon they the hidden *sefirot* came into revelation, as the aspect
of *hirhur* – the broadcasting outward of *machshava* and its revelation.

אָמֵנָם הוּא הַכֹּל עֲדִין בְּהַמְאָצִיל עֲצָמוֹ וְלָכוּ הִנֵּה אָדָם קַדְמוֹן ג"כ רַק
מִהָעוֹלָמוֹת דא"ס

Nevertheless, this is all still within the Emanator Himself, and therefore Adam
Kadmon is also one of the Infinite Worlds,

אֲלָא שֶׁהוּא מִהַבְּחִי' הַתַּחְתּוֹנָה שָׁבוּ וְכַנ"ל פ"א

albeit the lowest aspect thereof, as explained above in Chapter 1.

וְהִנֵּה הַגִּלּוּי הַזֶּה דְּאָדָם קַדְמוֹן הִנֵּה הוּא הוֹצִיא כְּנִגְדּוֹ בְּהָעוֹלָמוֹת
הַנִּפְעָלִים אֶת עוֹלָם הַבְּרִיָּאָה

Now corresponding to the revelation of Adam Kadmon He brought forth the
World of Beriah in the manifested worlds.

כִּי כְמוֹ שֶׁאָדָם קַדְמוֹן הוּא הָעוֹלָם הָרִאשׁוֹן מִהַגִּלּוּי דְּבִחִי' אָדָם וְכַנ"ל
שַׁע"ד פ"ג

Because just like Adam Kadmon is the first world to be revealed as the aspect of
Adam i.e. having the form of man create in the Divine Image, as explained above
Sha'ar 4, Chapter 3,

וְהָרִי נִתְגַּלָּה בּוֹ רְצוֹנוֹ שֶׁל הַמְאָצִיל ית"ש בְּצוּרַת הַמְצִיאוֹת וְאִיכוּתוֹ
וּתְכוּנָתוֹ

so that the Will of the blessed Emanator is revealed in the very form of its
existence and in its qualities and attributes

בְּאִיזָה צוּרָה שִׁימְצָא וְעַל אִיזָה תְּכוּנָה שֶׁתִּתְּיַסַּד

– in whatever form it is found, and with whatever attribute it is established –

כֵּן הוֹצִיא אִם"כ מִמֶּנּוּ וְעַל יָדוֹ בְּעוֹלָמוֹת הַנִּפְעָלִים אֶת עוֹלָם
הַבְּרִיָּאָה

so too, He subsequently brought forth from it the World of Beriah among the
manifested worlds.

שֶׁהִיא הַצּוּרָה לְהַמְצִיאוֹת דִּיצִירָה וְעִשְׂיָה וּמִמֶּנָּה הוּא כֹל אִיכוּתָם
וּתְכוּנָתָם

so that she Beriah is the form for the existence of Yetzirah and Asiyah, and from
it from the form of Beriah derive all of their qualities and attributes,

וכן כמו שהגלוי דצורת ותכונת אדם שנתגלה באדם קדמון שהוא
באור המאציל עצמו

just like the revelation of the form and attributes of man is revealed within
Adam Kadmon which is in the category of the light of the Emanator Himself.

הנה אין הצורה והתכונה הזה עצמית בו ח"ו

Now this form and these attributes are not His essence, Heaven forfend,
אלא רק רצונית ומחשבת להמציא את המציאות על צורה ותכונה
הזה

but only in His Will and Mind to produce existence in this form and with these
attributes.

כן הוא עולם הבריאה אשר הוציא ממנו ויצא שם אותו הצורה
והתכונה בפועל

This is also true of the World of Beriah which He produced therefrom, and it is
from there that the form and the attributes emerged into reality.

הנה היא נברא ויצא מהאצילות כי האצילות הוא הראשון
מהעולמות הנפעלים

Thus she the World of Beriah was created from and emerged out of Atzilut, since
Atzilut is the first of the manifested worlds,

אך התיחד בו אור א"ס ונעשה חד עמו והיא כלה אלהות גמור

albeit that the *Ohr Ein Sof* fused with it with Atzilut**,** in manner that it
became unified with Him, so that it is completely G-dliness,

ונעשה כל העולמות ב"ע רק ע"י האצילות ומשום שאור א"ס
מתיחד בה ונעשית חד עמו

whereas all the worlds of BiY"A were made only via Atzilut, because the *Ohr
Ein Sof* fused with it, and it became unified with Him.

הנה עומד האצילות עם הבריאה בבחי' מחשבה ומעשה

Thus Atzilut and Beriah bear the relationship of mind to action –

שבהאצילות נתגלה ונעשה פעלת המחשבה לכל המציאות
וההנהגה דהעולמות ב"ע

in the sense that the entire existence and comportment of the worlds of BiY"A is
revealed within and manufactured by the activity of 'Mind' (*machshava*) in
Atzilut.

וְהַגִּם שְׁאֲמָרְנוּ לְעִיל שֶׁ"ד פ"ג שֶׁהָרָצוֹן וְהַמַּחֲשָׁבָה וְהַהֲרָהוּר הֵנָּה
הֵם לְמַעַלָּה לְמַעַלָּה

Now even though we stated above *Sha'ar 4, Chapter 3* that Will (*Ratzon*) and Mind (*Machshava*) and Thought (*Hirhur*) are at the loftiest of levels, and by implication not in the manifested World of Atzilut,

אֲךָ שֵׁם הוּא רַק בְּבַחֲיָא אִוּר א"ס עֲצָמוֹ וְאֵלּוּ שֶׁהִיָּה יוֹצֵא הָעוֹלָמוֹת
בִּי"ע מִשָּׁם

however all there is there is the aspect of *Ohr Ein Sof*, and had He brought forth the worlds of BiY”A from there from A”K, which is the general aspect of Mind²,

הָיוּ הַבִּי"ע בְּמַדְרַגַּת הָאֲצִילוֹת עֲצָמָה שֶׁהִיא מְקַבֵּל יְחִוּדוֹ ית"ש וְהִיא
כָּלָה אֱלֹהוּת

BiY”A would have been at the level of Atzilut itself, as endowed with His blessed Oneness, and entirely G-dliness.

וְלָכֵן כָּל מָה שִׁיָּצָא וְנַעֲשָׂה בְּהָרָצוֹן וְהַמַּחֲשָׁבָה וְהַהֲרָהוּר שֶׁלְמַעַלָּה

Accordingly, everything that emerged from and was made within Will (*Ratzon*) and Mind (*Machshava*) and Thought (*Hirhur*) above in Atzilut

הֵנָּה הוּא בְּאֶמֶת רַק הַמַּצִּיאוֹת דְּאֲצִילוֹת גּוֹפָה

is in truth only the actuality of Atzilut itself.

אֲבָל כָּל מָה שֶׁהוּא לְמַטָּה מְדְרַגַּת הָאֲצִילוֹת הֵנָּה הֵם יוֹצְאִים
וְנַעֲשִׂים רַק מִהָאֲצִילוֹת

But anything below the level of Atzilut only emerges from, and is produced by, Atzilut.

וְנַעֲשִׂים כָּלֵם רַק אַחֵר שֶׁיֵּרֵד הַמַּאֲצִיל ית"ש וְנִתְגַּלָּה בְּכָל גְּלוּיָיו
שֶׁבְּהָאֲצִילוֹת

And they the Worlds of BiY”A are all produced only after the blessed Emanator ‘descended’ and was revealed in all of His revelations in Atzilut.

אָז עָשָׂה וְהַמַּצִּיא עִי"ז אֶת כָּל הָעוֹלָמוֹת הַנִּפְרָדִים ג"כ

Only then did He make and bring forth all the separated worlds as well,

וְנִתְגַּלָּה הָרָצוֹן וְהַמַּחֲשָׁבָה וְהַהֲרָהוּר לַפְּעֻלַּת הַנִּפְרָדִים רַק
בְּהָאֲצִילוֹת וּמִשָּׁם הֵם יוֹצְאִים וְנַעֲשִׂים לְמַטָּה

and *Ratzon*, *Machshava* and *Hirhur* became revealed only in Atzilut to bring about the separated worlds that emerged from there to be produced below.

ולא עוד אלא שגם מהרצון והמחשבה וההרהור הכלליים
שבהאצילות

Furthermore, even from the general or macro *Ratzon***, *Machshava*** and
Hirhur in Atzilut

לא היה אפשר ג"כ להנפדים לצאת מזה כי הנה הם רק הג'
דאצילות

the separated worlds could not have emerged, since these are revealed
exclusively in the first three *sefirot* of Atzilut – *keter*, *chochmah*, *binah* –

ומה שיצא מהם הוא הזו"ן דאצילות ולא היה אפשר להנפדים
לצאת

and what emerged from them are *Zu"n Ze'ir Anpin* (comprising the *sefirot* from
chesed to *yesod*) and *Nukvah* (*malchut*) of Atzilut, and it was not possible for the
separated worlds to emerge from them

אלא רק ע"י השתלשלות מדרגות רבות אשר נתגלו עוד באצילות
עצמו

other than by way of the chaining-down descent called *hishtalshelut* of numerous
levels that were yet to be revealed in Atzilut itself,

שהוא כל הפרצופים הכלליים והפרטים אשר שם
i.e. all the general and specific (macro and micro) *partzufim* there,

ומהבחי' התחתונה שבו שהוא המלכות דאצילות
and from the very lowest level thereof, which is *malchut* of Atzilut.

הנה ממנה יצא ונעשה כל הנבראים ולכן נקרא המלכות דאצילות
ראשית לנבראים

So it was from there from *malchut* that all the created levels emerged and were
made, which is why *malchut* of Atzilut is called 'the beginning of the created
beings,'

וכמ"ש ב'הקדמת תקונים י"ב סע"ב כי ממנה נברא הכל
as the Introduction to the *Tikunim* the *Tikunei Zohar* states, p. 12b, Because from
her from *malchut* of Atzilut everything was created.

ונקרא עולם האצי' בכלל בערך עולם הבריאה בשם עולם
המחשבה כנ"ל פ"ב

The World of Atzilut in general, compared with the World of Beriah, is referred
to as the World of Mind (*machshava*), as mentioned above, Chapter 2,

וַיֵּצֵא וְנַעֲשֶׂה עוֹלָם הַבְּרִיָּאָה מֵהַמַּלְכוּת דְּאַצִּילוֹת

and the World of Beriah emerged from and was made by *malchut* of Atzilut,

ע"י שִׁירְדָּה וְנִתְפָּשֶׁטָה הַמַּלְכוּת וְנִתְגַּלָּה לְמַטָּה בְּבַחֲי' הַהֲרֵהוּר

by *malchut* descending and spreading forth and becoming revealed below as the aspect of *hirhur*

הַמִּתְפָּשֵׁט וּמִתְגַּלָּה מֵהַמְּחֻשָּׁבָה וְהוֹצִיא וְהִמְצִיא אֶת עוֹלָם הַבְּרִיָּאָה

that spreads forth and is revealed from *machshava*, and *hirhur* brought forth and conceived the World of Beriah.

וְהִנֵּה הִיא שׁוֹרָה שָׁם תָּמִיד בְּרֹאשׁ הַבְּרִיָּאָה וְנַעֲשֶׂה שָׁם רֵאשִׁית
לְנִבְרָאִים

Thus she *malchut* of Atzilut always rests there at the head of Beriah, and she becomes the origin or beginning of created beings.

וְלָכֵן נִקְרָא עוֹלָם הַבְּרִיָּאָה כִּסֵּא הַכְּבוֹד מִשּׁוּם שֶׁעָלָיו שׁוֹרָה הַמַּלְכוּת
דְּאַצִּי' שֶׁהִיא אוֹר אֱלֹהוּתוֹ ית"ש אֲשֶׁר בְּאַצִּילוֹת

Accordingly, the World of Beriah is called "the Throne of Glory" since *malchut* of Atzilut – which is the light of His blessed G-dliness in Atzilut – rests there.

וְהִרִי נִמְצָא כִּי בְּהַעֲלָמוֹת הַנִּפְעָלִים שֶׁהוּא מְאַצִּילוֹת וּלְמַטָּה (כַּנ"ל
שֶׁעַר ד' פ"ד ע"ש)

So it turns out that in the manifested worlds, i.e. Atzilut and below (as mentioned above *Sha'ar* 4, Chapter 4),

הִנֵּה נַעֲשֶׂה עוֹלָם הַבְּרִיָּאָה מֵהַתְּפָשֻׁטוֹת הַהֲרֵהוּר אֲשֶׁר נִתְגַּלָּה
מֵהַמְּחֻשָּׁבָה דְּהֶאֱצִי'

that the World of Beriah is formed from *hirhur* being broadcast outward and revealed from *machshava* in Atzilut,

ע"ד הַא"ק שֶׁהוּא מֵהַתְּפָשֻׁטוֹת הַהֲרֵהוּר אֲשֶׁר נִתְגַּלָּה מֵהַמְּחֻשָּׁבָה
שֶׁבְּהַעֲלָמוֹת דַּא"ס

similar to the manner in which A"K is from *hirhur* being broadcast outward and revealed from *machshava* in the Infinite Worlds.

וְהִגָּם שֶׁהַבְּרִיָּאָה אֲשֶׁר יֵצֵא מִפְּעֻלַּת אוֹתוֹ הַהֲרֵהוּר הִרִי הִיא חוּץ
מִמֶּנּוּ

And even though Beriah emerged from the activity of that *hirhur*, it is nevertheless outside of it,

וְהַא"ק שֶׁהוּא שְׂרָשָׁה הִרִי הוּא הַהֲרֵהוּר עֲצֻמוֹ

whereas A”K, which is its origin³, is the *hirhur* itself.⁴

אך כבר אמרנו שגדרי הצורה ותכונת אדם הנעשה בא"ק שהוא
אור המאציל עצמו

Nevertheless, we already stated that the contours of the form and attributes of
'man' in A”K, which is the light of the Emanator Himself,

הנה כ"ז אינו עצמותית שם ח"ו אלא רק רצונית ומחשבתית לצורך
הפעלה שחוץ ממנו שהוא עולם הבריאה

all of this is not of His essence there, Heaven forfend, but merely in His Will and
Mind for the sake of activity outside of that outside of A”K, which is the World
of Beriah, the origin of which is A”K, as explained.

וא"כ הרי אדרבה הוא שכל מה שנעשה הבריאה חוץ ממנו

This being so, to the contrary – the entire creation that is made to be outside
thereof outside of A”K

הנה הוא מאותו הרצון והמחשבה עצמה המתגלה בא"ק

is actually from the very same Will and Mind *ratzon* and *machshava* that is
revealed in A”K,

ומה שהיה שם ברצון ובמחשבה יצא אח"כ בפעל והרי נתקים בזה
רצונו ומחשבתו:

and what was previously in Will and Mind *ratzon* and *machshava* in A”K emerges
afterwards into actuality, thus fulfilling His Will and what He had in Mind.

והרי נתבאר לנו עכ"פ כי עולם הבריאה הנה הוא כנגד האדם
קדמון אשר בהעלמות דהא"ס

Thus we have at least clarified that the World of Beriah corresponds to Adam
Kadmon in the Infinite Worlds,

כי הא"ק הוא שרש הבריאה אשר למעלה למעלה ולכך נקרא הוא
ג"כ אדם דבריאה כנ"ל.

since A”K is the origin of Beriah at the very highest level, and therefore A”K is
referred to as 'Adam of Beriah,' as explained above.

וכן הוא עוד כי ע"ד שנכלל א"ק בא"ס הגם שכל תארו ותכונתו
הוא אינו עצמית בו כלל ח"ו וכן'

Furthermore, in the same way that A”K is integrated with *Ein Sof*, even though
the entire description and the attributes of A”K are not of His essence at all,
Heaven forfend, as already mentioned,

כֵּן עַד"ז נִתְּיָסַד כָּל תְּכוּנַת הַמַּצִּיאוֹת דְּעוֹלָם הַבְּרִיָּאָה לִהְיוֹת נִכְלָל
עִם הָאֲצִילוֹת תָּמִיד

similarly all the attributes of existence of the World of Beriah are established in a manner that they are always integrated in the World of Atzilut,

וְכַמ"ש בִּסְפָד"צ פ"ד, ע"ש בְּבִאוֹר הַגֶּה"א בְּאַרְכָּה כִּי בְּזֶה תִּלּוּי כָּל
הַמַּצּוֹת וּמַע"ט

as the *Sifra d'Tzniuta* chapter 4 states. See the GRA's commentary there at length (p. 28d) that on this principle all mitzvot and good deeds depend

שַׁע"י הַמַּצּוֹת וּמַע"ט נִכְלָל הַבְּרִיָּאָה בְּאֲצִילוֹת וְנַעֲשֶׂה הַבְּרִיָּאָה לְבוֹשׁ
עַל הָאֲצִי'

– because by means of mitzvot and good deeds Beriah is elevated into Atzilut and Beriah becomes a ‘garment’ for Atzilut,

וְכַמ"ש בְּזוֹה"ק בְּרֵאשִׁית כ"ג סַע"א וְרַע"ב

as the *Zohar* states in *Bereishit* 23a-b.

וְהוּא סוּד הַלְבוּשִׁין שֶׁנִּתְחַלֵּף לֵאמֹר ע"י הַחֲטָא מִכְתָּנוֹת אוֹר
לְכְתָּנוֹת עוֹר

And this is the mystical secret⁵ of the garments that Adam downgraded from ‘a garment of light’ (*katnot ohr* with an *aleph*) to ‘a garment of skin’ or leather (*katnot ohr* with an *ayin*) because of his sin.

כִּי נִפְרַד הַבְּרִיָּאָה מִהָאֲצִי' ע"י הַחֲטָא וְאִפְשִׁיט לְשִׁכְנָתָא מִלְבוּשָׁהָ
וְלָכֵן נִשְׁאַר הוּא בְּלֹא לְבוֹשׁ

The explanation: Because Beriah became separated from Atzilut by means of the sin, and the *Shechinah* was stripped of her garment, therefore he Adam also remained without a garment, just like the *Shechinah*.⁶

וְהֵם הַבְּגָדִי חֲמוּדוֹת שֶׁהֵם לְבוּשֵׁי אוֹר הַבְּרִיָּאָה

These garments are referred to in Scripture (Genesis 27:15, Rashi) as ‘the precious garments’ – the garments of light (*levushei ohr* with an *aleph*) of Beriah,

שֶׁנֶּטַל מֵאָדָם וּבָאוּ לְנִמְרוֹד וְאַח"כ לְעֵשָׂו שֶׁהוּא נָחַשׁ הַקְּדֻמוֹנִי שֶׁלָּקַח
הַבְּגָדִים מֵאֵדָה"ר

that had been taken from Adam and came into the possession of Nimrod, and subsequently into the possession of Esau,⁷ who is the primordial snake that took the garments from Adam.

אך רבקה שהיתה מרכבה להשכינה הקדושה הנה ע"י זכות
דאברהם יצחק ויעקב

**But Rivkah (Rebecca, Isaac's wife), who was the vehicle for the holy *Shechinah*,
and by means of the merit of Abraham, Isaac and Jacob,**

חזרו אליה הבגדים וכמ"ש את בגדי עשו בנה הגדל החמדת אשר
אתה בבית

**those garments were returned to her, as the verse (Genesis 27:15) states, "Rivkah
then took the precious garments belonging to Esau, her older son, that were
with her in the house,**

ולקחה והלבישה אותם ליעקב

and clothed Jacob her younger son in them."

ואלו הלבושים הם נעשים לכל אדם מהמצות ומעשים טובים

**These are the garments that are made for every person from their mitzvot and
good deeds,**

והן הלבושין של צדיקים בג"ע ובהם היה לבוש אדה"ר בג"ע

**and they are the garments of the righteous in the Garden of Eden, and they
were the garments that Adam wore in the Garden of Eden.**

זוה סוד מאמרם ז"ל סנהדרין ק"ב סע"א שתפס הקב"ה לירבעם
בבגדו ואמר לו

**This is the mystical explanation of the words of our Sages in Tractate Sanhedrin
p. 102a – that the blessed Holy One grabbed Yeravam Jeroboam by his garment
and said to him,**

חזר בך ואני ואתה ובו ישי נטיל בגן עדן והוא באותן הבגדים דאור
הבריאה

**"Repent of your sins, and I and you and David, the son of Yishai, will stroll
together in the Garden of Eden" – with Yeravam clothed in those very garments
of the light of Beriah**

אשר היה לו לירבעם מתורתו ומעשיו הטובים הקודמים שהם
לבושי דשכינתא.

**that Yeravam had accumulated from all his previous mitzvot and good deeds,
which are the garments of the *Shechinah*.**

כי כפי ערך הלבושין דהאדם כן מתקן להשכינה וכמ"ש
בזוה"ק בראשית כ"ג סע"א

This is based on the principle that according to the value of the garments of a person, so too are established garments for the *Shechinah*, as the Zohar states in *Bereishit* p. 23a:

דְּאוּרֵייתָא דְּבְרִיאָה אִיהִי לְבוּשָׁא דְּשְׁכִינְתָּא ע"ש וְזֶהוּ שֶׁאָמְרוּ שֶׁתִּפֹּס
הַקֵּב"ה בְּבָגְדוֹ

‘The Torah in Beriah is the garment of the *Shechinah*’ see there.

וְהוּא הַשְּׁלֵמָה הַחֲדָשָׁה שֶׁהִיא מִתְכַּסֶּה בָּהּ כַּמ"ש בַּמַּלְכִים א' י"א

And this is the new garment that he Yeravam **was wearing, as I Kings 11:**29 states.

וְאָמְרוּ בְּסִנְהֶדְרִין שֶׁם שֶׁהוּא תוֹרָתוֹ שֶׁלֹּא הָיָה בָּהּ שׁוּם דֶּפֶי

The Sages in Tractate Sanhedrin *ibid.* p. 102a state that this ‘garment’ was his Torah knowledge, in which there was no defect.

וְאָמְרוּ שֶׁם עוֹד שֶׁחֲדָשׁוּ דְּבָרִים שֶׁלֹּא שָׁמְעָה אֵזֶן מֵעוֹלָם וּשְׁנִיָּהם
לְבָדָם בְּשָׂדֶה

The Sages in that same section state further that concepts were innovated there in the discussion between the Prophet Achiya haShiloni and Yeravam that no ear had ever heard before.

וּשְׁנִיָּהֶם לְבָדָם בְּשָׂדֶה שֶׁכָּל טַעְמֵי תוֹרָה מְגִלִּין לָהֶם כְּשָׂדֶה

“And the two of them were alone in the field” the Sages interpret as indicating that all the reasoning of the Torah was open to them like an open field.

וּבִמְדָּרֶשׁ שׁוֹחֵר טוֹב מִזְמוֹר ה' אָמְרוּ וּשְׁנִיָּהֶם לְבָדָם בְּשָׂדֶה שֶׁהִיא
שְׁקוּל כְּאַחִיהָ הַשִּׁילוֹנִי

In Midrash Shocher Tov, chapter 5 the Sages said, ‘And the two of them were alone in the field’ means that Yeravam was the equal of Achiya haShiloni in his depth and breadth of Torah knowledge,

שֶׁנֶּאֱמַר וַיֵּשְׁבוּ שְׁנֵיהֶם יַחְדָּו שֵׁיִשְׁבוּ לְבָרֵךְ (נ"א לְסַבֵּר) מַעֲשֵׂה מְרֻכָּבָה
as it states,⁸ “And the two of them [Achiya and Yeravam] sat together” – they sat down to clarify (or expound upon) the Work of the Chariot, understanding the mysteries of the angels and Divine revelation.⁹

וְעָמְדוּ מִלֵּאכֵי הַשָּׁרֵת לִפְנֵי הַקֵּב"ה וְאָמְרוּ לִפְנֵינוּ רַב־ש"ע אָדָם שֶׁהוּא
עֹתִיד לְהַעֲמִיד שְׁנֵי עֲגָלִים אֶתָּה מְגַלֶּה לּוֹ מַעֲשֵׂה מְרֻכָּבָה

The ministering angels stood before the blessed Holy One and declared, “Master of the World, do You intend to reveal the Works of the Chariot to a man who in the future will erect two calves to worship?”

אמר להן עכשו מה הוא צדיק או רשע אמרו לו צדיק אמר להן איני
דן את האדם אלא לפי שעתו.

He said to them, “Right now is he righteous or wicked?” And they answered, “He is righteous.” Then He said to them, “I only judge a man by the way he is currently.”

וכ"ז הוא כי כל מעשי האדם ותורתו הוא מגיע בתקון עולם
הבריאה וכנ"ל שער ד' פ"י

All of this is because the deeds and Torah knowledge of a person reach to the rank¹⁰ of the World of Beriah, as mentioned earlier *Sha'ar* 4 chapter 10

והוא לתקן את עולם הבריאה להיות לבוש על האצילות

– the intention being to establish the World of Beriah as a garment for Atzilut,

כי כן נברא עולם הבריאה מתחלתה להיות לבוש על האצילות

for this is the way Beriah was created from the outset, to be a garment for Atzilut.

אלא שע"י חטא האדם נתפרדה וכמ"ש בזהר בראשית שם

Only that because of the sin of Adam they Atzilut and Beriah became separated, as the Zohar states there in *Bereishit*:

דכל מאן דמקים פקודין דאורייתא כאלו הוא לביש לשכינתא
בלבושהא

Anyone who fulfills the injunctions of the Torah, it is as if they clothe the *Shechinah* in her garments;

וכל מאן דחב כאלו אפשיט לשכינתא מלבושהא והאי איהו ענשא
דאדם

and anyone who sins it is as if they strip the *Shechinah* of her garments, and this was Adam's punishment.

וזהו ג"כ כוננת מאמרים ז"ל בפדר"א פ"ג שמים מאיזה מקום נבראו

This is also the intention of the statement of the Sages in *Pirkei d'Rabbi Eliezer* chapter 3. They asked: From where were the heavens created?

מאור לבושו של הקב"ה כו' שנאמר עטה אור כשלמה נוטה שמים
בירעה

And they answered: From the light of the garment of the blessed Holy One, as the verse (Psalms 104:1) states, “You enwrap Yourself with light as with a garment.”

וְאָמַר הַגֵּר "אֵל בַּסֵּפֶד" צ"פ ג' בְּדָה" מִכְתִּיב וַיֹּאמֶר כִּי שָׁמַיִם הוּא
עוֹלָם הַיְצִירָה

The GR" A, in his commentary to *Sifra d'Tzniuta* chapter 3, beginning with the words: **כְּתִיב וַיֹּאמֶר** – states that 'the heavens' here refers to the World of Yetzirah

שֶׁז"א מְקַנֵּן שָׁם בְּיָדוֹעַ

in which *ze'ir anpin* makes its nest, as is known. Each of the *partzufim* is dominant in one of the worlds, *chochmah* in Atzilut, *binah* in Beriah, *ze'ir anpin* in Yetzirah, and *malchut* in Asiyah. This is referred to as 'making its nest' there.

וְנִבְרָא מֵאוֹר לְבוֹשׁוֹ ר"ל מִבְּרִיאָה וְכַמ"ש בְּתִקּוּנִים תִּקּוּן ס"ט קל"ד
א' כִּי הַבְּרִיאָה אִיהוּ אוֹר לְבוֹשׁ הָעֲלִיּוֹן

And 'from the light of His garment' refers to Beriah, as the *Tikunim* the *Tikunei Zohar***, *Tikun* 69 p. 134a states – that Beriah is the light of the upper garment.**

(וְעַי' בְּהַגֵּר "א שָׁם וּבִרְד"ל בַּפֶּדֶר" א שָׁם)

(See the GR" A and Rabbi David Luria to *Pirkei D'Rabbi Eliezer* there).

וְהָרִי לָנוּ מִכ"ז כִּי הַגֵּם שֶׁמְצִיאת עוֹלָם הַבְּרִיאָה הֵנָּה הִיא מְעוֹלָמוֹת
הַנִּפְרָדִים

So we have it from all this that even though in actuality of the World of Beriah is one of the separated worlds

וְהִיא נִפְרָד וְנִבְדָּל מִבְּחִי אֱלֹהוֹת שְׁאִין עֲצֻמוּתָהּ אֱלֹהוֹת כָּלֵל וְכַנ"ל

– it is separated and set apart from Godliness, so that its essence is not Godliness and all, as mentioned above –

עַכ"ז הֵנָּה נַעֲשֶׂה מְצִיאוּתָהּ בְּתִכּוּנָה כְּזוֹ לְהַתְחַבֵּר וּלְהִדְבֵּק בְּאוֹרוֹ
יֵת"ש בְּבְחִי לְבוֹשׁ אֱלֹיו.

nevertheless, Beriah was endowed with the attribute of connecting to, and cleaving to, His blessed light as a garment for it.

וְכֵן הִיא לְעוֹלָם כֶּסֶף כְּבוֹדוֹ שֶׁעָלֶיהָ הוּא שׁוֹרָה לְהִנְהִיג עַל יָדָהּ אֶת
כָּל הָעוֹלָמוֹת הַתַּחְתּוֹנִים

And she Beriah is also the World of the Throne of His Glory, upon which He rests so to speak in order to conduct all the lower worlds by means thereof.

וְהֵנָּה עוֹמֵד עוֹלָם הַבְּרִיאָה בְּבְחִי בֵּית הַמִּקְדָּשׁ שֶׁלִּמְטָה אֲשֶׁר שָׁם
יָרַד שְׁכִינָתוֹ הַקְדוּשָׁה

Now the World of Beriah stands below in the form of the *Beit HaMikdash* the Holy Temple below, into which the holy *Shechinah* descended

לשכן כבוד בתוכו להשרות שכינתו למטה

and in which His glory rests in order to cause His Shechinah to rest below.

וכמ"ש האריז"ל בדרושי מ"ן ומ"ד דרוש א' סמוך לסופו

And as the Arizal writes in *Eitz Chaim Drushei Ma"n uMa"d*, near the end of *drush 1*:

שבהמ"ק הוא נגד עולם הבריאה ולכן נקרא בית המקדש הדום רגליו

the Beit HaMikdash the Holy Temple corresponds to the World of Beriah, and therefore the Beit HaMikdash is called 'His footstool,'

וכמ"ש בדברי הימים א' כ"ח לבנות בית מנוחה לארון ברית ה' ולהדם רגלי אלהינו

as it states in I Chronicles 28:2 – "...I had in my heart to build a House of rest for the Ark of the Covenant of G-d, as a footstool for our Lord..."

משום שעקר כסא כבודו הוא לעולם בשמים מעל שהוא עולם הבריאה

This is because the primary Throne of Glory is always 'in the heavens above'¹¹, i.e. the World of Beriah.

אמנם שכינת עזו עצמו הוא לעולם בגבהי מרומים שהוא עולם האצילות

However, 'the abode of His majesty is in the loftiest heights'¹²

וע' דברינו בארפה בזה בספר הדע"ה ח"א דרוש ה' סימן ז'.

See our exposition of this at length in *Sefer HaDe'ah* part 1, *drush 5:7*.

וכ"ז הוא משום מה שאמרנו כי שרש הבריאה אשר בהעולמות דאור א"ס

All of this is due to the principle we stated above – that the origin of Beriah in the Infinite Worlds

הנה הוא אדם קדמון וכשם שנתגלה בו אור א"ס בתכונת אדם is Adam Kadmon, and just as the *Ohr Ein Sof* there is revealed in the form of human-like attributes, since man was created in the image of G-d, as explained earlier,

בבחי' רצונית ומחשבתית לצורך הבריאה

as a reflection of Will and Mind for the sake of creation,

הגם שעצמותו ית"ש הוא רחוק ומשולל מכל תמונה ומכל בחי'
איכות ותכונת אדם לגמרי

- albeit that His blessed essence is remote from, and a negation, of any image or any aspect of human quality or attribute at all –

עכ"ז הנה נתגלה בו אורו עצמו בבחי' רצונית ומחשבתית להוציא
את הבריאה בתאר ותכונה הנה

nevertheless, His light itself is revealed as the aspect of His Will and Mind to cause the creation to emerge with this form and these attributes.

ולכן הנה ישנו אח"כ בעולם הבריאה אשר הוציא והמציא בכח
ותכונה הנה

And therefore, subsequently in the World of Beriah that He caused to emerge, and that He brought forth with these powers and attributes

הנה ישנו בה ג"כ המעלת והרוממות להדבק באור אלהותו ית"ש
להכלל עמו

– in it in Beriah there is the superior quality and the lofty attribute of cleaving to the light of His blessed Godliness, and being immersed therein,

ולהעשות לבחי' לבוש אליו

and becoming a garment thereto.

והגם שעצמותה היא רק מעולמות הנפרדים עכ"ז ע"י שרש
תכונתה אשר למעלה למעלה

Now even though Beriah is in essence only from the separated worlds, nevertheless, by virtue of its origin and attributes in the very highest of levels

יצאה ראויה להיות אליו לכסא הכבוד ולהשרות שכינתו בה.

she emerges as fit to be the Throne of Glory for His Shechinah to dwell therein.

והרי נתבאר לנו עכ"פ כי הגלוי השלישי הכללי דלעיל שער ד' פ"ג
שהוא אדם קדמון

Thus we have now clarified that the Third general Revelation mentioned above, Sha'ar 4, Chapter 3, which is Adam Kadmon,

הנה בחינתו אשר כנגדו בעולמות הנה הוא המציאות דעולם
הבריאה:

has a corresponding aspect in the worlds, namely the World of Beriah.

3b — Abba and Imma as Impacting and Impacted¹³

וְעַתָּה נִבְאָר בְּחִינָתוֹ אֲשֶׁר כִּנְגְדוּ בְּהַפְרָצוּפִים ג"כ וְהוּא בְּהֵא
פְּרָצוּפִים שֶׁבְּכָל עוֹלָם

Let us now expound on the aspect of the *partzufim* corresponding to it to the third revelation among the five *partzufim* in each of the worlds.

הֵנָּה הַפְּרָצוּף אֲשֶׁר כִּנְגַד הַגְּלוּי הַשְּׁלִישִׁי כְּלָלִי שֶׁהוּא א"ק

The *partzuf* corresponding to the third general revelation, which is A"K Adam Kadmon**,**

הֵנָּה הוּא בְּכָל עוֹלָם וְעוֹלָם הַפְּרָצוּף הַנִּקְרָא בְּשֵׁם אִמָּא שֶׁהִיא
הַבִּינָה דְּהִי סְפִי

is the *partzuf* in each world called 'Imma' – *binah* among the ten *sefirot*.

כִּי עֲנִינָהּ הוּא שֶׁהָאֲבָא מְשַׁפִּיעַ בָּהּ כְּלָלוּת הִי סְפִי הָרְאוּי לְאוֹתוֹ
הָעוֹלָם

The idea is that Abba imbues in her the entirety of the ten *sefirot* appropriate for that world

וְכָלּוּלִים בּוֹ בְּהָעָלָם הֵנָּה מִמְּשִׁיךְ אוֹתוֹ בְּהָאֲמָא וּבָהּ נִבְנוּ וְנִצְטְרוּ
בְּכָל בְּנִינָם וְצוּרָתָם

that are integrated within him within Abba in a concealed manner, and he draws them down to Imma where they are built up and configured in all their structure and form.

וְהוּא מְשׁוּם כִּי שְׂרָשָׁהּ הִיא מֵאֲדָם קִדְמוֹן שֶׁהוּא הַגְּלוּי הַשְּׁלִישִׁי

And this is because her origin the origin of Imma-*binah* is from Adam Kadmon, the third revelation,

אֲשֶׁר בּוֹ נִתְפָּשֵׁט וְנִתְגַּלָּה הָרָצוֹן וְהַמְּחֻשָּׁבָה לְכָל פְּרִטִי הִי סְפִי כָּלָם
in which are manifested and revealed the will for, and perception *machshava* of, all the details of all the ten *sefirot*

אֲשֶׁר הָיוּ כְּלוּלִים בְּהָעָלָם בְּהַגְּלוּי הַשֵּׁנִי

that were integrated in a concealed manner in the second revelation.

הֵנָּה נִתְפָּשֵׁטוּ וְנִתְגַּלּוּ בּוֹ בְּבַחֲהִי הַהִרְהוּר שֶׁהוּא הַתְּפִשְׁטוּת
הַמְּחֻשָּׁבָה וְגִלּוּיָהּ

These now spread downwards and were revealed therein as the aspect of *hirhur* – the broadcasting outward of *machshava* and its revelation.

וּכ"ז הוּא בְּהָעוֹלָמוֹת דָּא"ס.

And all of this is as regards the infinite worlds.

וְהִנֵּה הוֹצִיא הוּא כְּנִגְדּוֹ בְּעוֹלָמוֹת הַנִּפְעָלִים אֶת הַפְּרָצוֹף אִמָּא אֲשֶׁר
בָּהּ נִבְנוּ וְנַעֲשׂוּ כָּל מְצִיאת הִ"ס דְּכָל עוֹלָם

Now corresponding to it to A"K**, He brought forth into the manifested worlds the *partzuf* of Imma in which the existence of the ten *sefirot* of each world are built and fashioned.**

אֲשֶׁר יֵצְאוּ מֵאֲבָא בְּכָלְלוֹת לְבַד וּבְבַחֲי' חֹמֶר בְּלֹא צוּרָה

Those are the very *sefirot* that emerged from Abba, as substance without form,

וְנִבְנוּ וְנַעֲשׂוּ בְּאִמָּא בְּכָל צִיּוּרֵיהֶם וּפְרִטֵיהֶם

that were built and completed in Imma in all of their structure and details.

וְהִרִי יֵצֵא בָּהּ הַכָּחוֹת דְּפִעֻלַּת הָאֲבָא מֵהֶכֶח אֶל הַפּוֹעֵל

Thus, through the activities of Abba the powers latent within him emerged in her in Imma/binah from potential into actuality.

וְהוּא מְשׁוּם כִּי שְׂרָשָׁה הוּא מֵא"ק אֲשֶׁר בּוֹ מִתְפַּשֵּׁט וְיוֹצֵא הַכָּחוֹת
דְּקוֹ וְצִמְצוּם

And this is because her Imma's origin is from A"K in which the powers of the *kav* and the *tzimtzum* were propagated and emerged

שֶׁהִיא כְּלוּל שֵׁם בְּבַחֲי' כֹחַ הַמַּחֲשָׁבָה לְבַד

out of their initially integrated state in *machshava* the power of mind alone.

וְהֵם יוֹצְאִים וּמִתְגַּלִּים בּוֹ בְּבַחֲי' הַתְּפִשְׁטוֹת הַמַּחֲשָׁבָה וְגִלּוּיָהּ

And so they emerged and became revealed within it within A"K as the aspect of the broadcasting outward of *machshava* and its revelation.

וְהוּא ג"כ בַּחֲי' יִצְיָאָה מֵהֶכֶח אֶל הַפּוֹעֵל.

And this is also the aspect of emerging from potential to actual.

אֲמָנָם הוּא כִּי הִנֵּה הָאִמָּא עֲצָמָהּ הִיא בְּאִמָּת אִינָה עֵדִין ג"כ
מֵהַגִּלּוּיִם כָּלֵל אֵלָּא שֶׁהִיא רַק הָאֵם לָהֶם

Nevertheless, Imma herself is in fact not yet in the category of revelation at all; she is merely the 'mother' for them i.e. the source from whence they emerge into actuality,

אֲבָל הִיא עֲצָמָהּ הִיא מִיָּחָד עִם הָאֲבָא לְעוֹלָם וּשְׁנֵיהֶם הֵם אֲחֻדִּים
וְכָלְלוּ בֵּא"א שֶׁהוּא בְּבַחֲי' אִו"ר א"ס שְׁבִכָּל עוֹלָם

whereas she herself is always united with Abba, and both of them are unified with and integrated in Arich Anpin, which is the aspect of *Ohr Ein Sof* in each world.

וְהֵם נִעְלָמִים וְכַמ־שׁ אֲלֵיהֶם זל"ט כִּי עֲלֵיהֶם נֶאֱמַר הַנִּסְתָּרוֹת לָהּ
אֶלְהִינוּ

And thus, since they are integrated within Arich Anpin, **they are concealed, as Eliyahu Elijah the Prophet – may he be remembered favorably – declared¹⁴: Regarding them Abba and Imma it states in the verse (Deuteronomy 29:28): “The hidden matters are for God our Lord.”**

וְהוּא מְשׁוּם שֶׁהֵם כְּלוּלִים בִּא"א לְעוֹלָם

And this is because they are always integrated within Arich Anpin.

וְהֵם הֵג' ראשונות אשר הם כֶּחֶד חֲשִׁיבֵן כִּי הָאוֹר א"ס שְׂבֵא א"א מִיַּחַד
אוֹתָם כֻּלָּם כְּאַחַד תָּמִיד

And these together comprise the three first sefirot – keter, chochmah, binah which are regarded as a single entity, because the Ohr Ein Sof within Arich Anpin always unites them as one,

וְהֵם מְכֻסִּים וְכְלוּלִים בְּאוֹרוֹ וְלִכֵּן לֹא הָיוּ גַם הָאֲמָא מְכַלֵּל אוֹתוֹ
הָעוֹלָם הָעֶקְרִי כֻּלָּל

and they are submerged and integrated within Arich's light, and therefore even Imma is regarded as not being part of the primary aspect of that world – of any world, since she, together with Abba-chochmah transcend that world while they are immersed in keter.

וְלֹא עוֹד אֵלָּא שְׁגֵם הִי"ס הָעֶקְרִים דְּאוֹתוֹ הָעוֹלָם

Not only that – that Abba-chochmah and Imma-binah should be regarded as hidden matters – but all the primary ten sefirot of that world

אֲשֶׁר אֲמַרְנוּ שֶׁהֵם נִמְשָׁכִים מֵהָאֲבָא לְהָאֲמָא וְהֵם נִגְמָרִים בָּהּ
which we said are drawn down from Abba to Imma, and are completed within her,

הִנֵּה כָּל זֶמֶן שְׁעוֹמְדִים בְּהָאֲמָא וְלֹא יֵצְאוּ מִמֶּנָּה הֵם ג"כ נִסְתָּרִים
וְנִעְלָמִים כַּעֲצָמִים בְּבֶטֶן הַמְּלָאָה

– as long as they are within Imma, and have not emerged from her, they too can be considered as **hidden and concealed “like an embryo within the womb”** (Ecclesiastes 11:5).

וְלֹא נִכָּר וְלֹא יֵצֵא עַדִּין אוֹתוֹ הָעוֹלָם בְּפֶעַל כֻּלָּל עַד שְׁמִתַּפְּשָׁטִים
וְיוֹצֵאִים מִמֶּנָּה

And that world is not distinguishable and did not emerge into actuality at all until they are broadcast outward and emerge from her.

וְלָכֵן אָמְרוּ בַּזוֹהַר "קִבְּרָא שִׁית א' ע"ב דְּהָאִמָּא בִּינָה אֶקְרִי מִי

And therefore they the Sages of the holy Zohar (Genesis 1b) said that Imma-
binah is called *mi* literally, 'who'?¹⁵

וְהִיא סֵתִם דְּקִימָא לְשֹׂאֵלָה

– indicating that because **she is concealed one can ask about her** – ‘who is that?’

כִּי עָלֶיהָ נֶאֱמַר שָׂאוּ מְרוֹם עֵינֵיכֶם וְרֹאוּ מִי בָרָא אֱלֹהִים וְהִרִי נֹפֵל
עָלֶיהָ הַשֹּׂאֵלָה מִי הוּא

For regarding her the verse (Isaiah 40:26) states, “Raise your eyes on high and see who (*mi*) created these...” – thus the question ‘who is that?’ applies to her to *binah*

כִּי הִיא דֶּרֶגָא סְתִימָאָה עֲלָאָה דְּכָלָא קִימָא בֵּהּ

since she is the concealed supernal level by which everything exists,

שְׁכָל הָעוֹלָם כֻּלּוֹ יוֹצֵא מִמֶּנָּה וּמִתְנַהֵג עַל יְדֶהָ וְלָכֵן הִיא קִימָא
לְשֹׂאֵלָה מִי בָרָא אֱלֹהִים

because the entire world emerges from her and is impacted by her, and
therefore one can ask about her “who created these?”

אָבֵל הַחֲכָמָה אַבָּא הוּא אֲשֶׁתְּכָלֵל מֵאִין וְלֹא קִימָא לְשֹׂאֵלָה דְּסֵתִם
וְעַמֻּק לִית דִּיקוּם בֵּהּ וּכְמ"ש שָׁם ל' ע"א

***But chochmah-Abba is adorned with ayin-nothingness and is not is a*

situation to be inquired about, for it is so hidden and deep that no one can
fathom it, as the Zohar states there p. 30a.

וְכָל זֶה הֵנָּה הוּא בְּהָאִמָּא מִשְׁרָשָׁה הַנֶּעְלָם שֶׁהוּא אָדָם קַדְמוֹן כְּנִז'

Now all of this is true of Imma due to her hidden source, which is Adam
Kadmon, as mentioned,

כִּי הִרִי כָל בְּחִי' הִי סִפִּי' שְׁאִמְרֵנוּ שֶׁנִּתְגַּלָּה בּוֹ הֵנָּה הוּא רַק בְּבִחִי'
גִּלּוּי הַהִרְהוּר שֶׁהוּא גִּלּוּי הַמַּחְשָׁבָה

for the entire aspect of the ten *sefirot* we have been discussing that were
revealed in it in A”K is merely the revelation of *hirhur*, which in turn is the
revelation of *machshava*.

וְעַדִּין לֹא יֵצְאוּ לַפּוֹעֵל כָּלֵל עַד עוֹלָם הָאֲצִילוּת וְכִנ"ל שֶׁע"ד פ' ג' ד'

And at this stage they have not yet emerged into actuality at all – not until the
World of Atzilut, as mentioned above Sha’ar 4, chapters 3, 4.

וְכָל מָה שֶׁנִּקְרָא בְּשֵׁם אָדָם הוּא רַק עַל שֵׁם הַפְּעֻלָּה שֶׁיֵּצֵא מִמֶּנּוּ

And everything referred to here, in A"K, as 'Adam' is only in reference to the activities that emerged therefrom,

אָבֶל הוּא עֲצָמוֹ הָרִי הוּא מַעוֹלָמוֹת דָּא"ס שֶׁהוּא טָמִיר וְנֶעְלָם

but he A"K itself is of the Infinite Worlds that are hidden and concealed.

וְנִקְרָאוּ כָל הַג' גְּלוֹיִם הַכְּלָלִיִּים הָרִאשׁוֹנִים שֶׁהוּא עַד סוֹף אָדָם
קִדְמוֹן בְּשֵׁם אוֹר א"ס וְהֵם כֶּחֶד חֲשִׁיבֹן

All of the first three general or macro- revelations, all the way to the conclusion of Adam Kadmon, are called *Ohr Ein Sof*, and are regarded as a single unit,

וְאִינוּ מִתְחִיל הַגְּלוֹי הָעֶקְרִי אֲלָא רַק אַחֵר שֶׁיֵּצֵא וְנִתְפָּשֵׁט מֵאָדָם
קִדְמוֹן שֶׁהוּא מַאֲצִילוֹת וּלְמַטָּה

and the primary revelation only begins after it emerged and was broadcast down from Adam Kadmon – i.e. from Atzilut and below.

וְהָרִי הָיָה א"ק עֲצָמוֹ סֵתֵם מִכּוֹלָא אֲלָא שֶׁהוּא קִיָּמָא לְשֹׁאֲלָה ע"י
הַגְּלוֹי דְּאֲצִי שֶׁיֵּצֵא מִמֶּנּוּ

Thus A"K itself is secreted away from everything, albeit that it exists to be asked about, due to the revelation in Atzilut that emerged from it.

מִשָּׂא"כ הֵקוּ וְצִמְצוּם שֶׁהוּא אֲוִיר הַקִּדְמוֹן וְטִהֲרוֹ עֲלָאָה

Whereas the *kav* and the *tzimtzum*, which is the *Avir Kadmon* and *Tehiru Ila'a*,

הֵנָּה הוּא אֲשֶׁתְּכַלֵּל מֵאִין שֶׁהוּא א"ס הַמְּקִיף וְלָכֵן לֹא קִיָּמָא הוּא
לְשֹׁאֲלָה כָּלֵל

are adorned with *ayin*-nothingness, which is the *Ein Sof* that surrounds everything, and therefore is not in a situation to be inquired about,

כִּי אֵין גְּלוֹי יוֹצֵא מִמֶּנּוּ שֶׁתִּפְּל עָלָיו הַשֹּׁאֲלָה מִי הוּא הַמְּמַצִּיא
וְהַמּוֹצִיא

for no illumination emerges from it that could be inquired about, asking 'who is it that caused it to emerge?' and 'who brought it forth?'

כִּי הָרִי גַם א"ק שֶׁיֵּצֵא מִמֶּנּוּ הוּא ג"כ סֵתֵם מִכּוֹלָא כְּנֻז'

For even A"K that emerged therefrom from the *kav* and the *tzimtzum* is also secluded from everything, as mentioned.

וְלָכֵן הָיָה הָעוֹלָם דְּקוּ וְצִמְצוּם עֲצָמוֹ סֵתֵם וְעַמֵּק לִית דִּיקוּם בֵּיה כָּלֵל

And therefore the realm of the *kav* and the *tzimtzum* is deeply concealed and there is nothing that can fathom it at all.

וְהִירִי נִמְצָא כִּי א"ק שְׁבִהָעוֹלָמוֹת דא"ס עִם פְּרָצוּף הָאֲמָא בִּינָה הֵם
נִבְחָנִים בְּבַחֲי אַחַת

So it turns out that A"K in the infinite worlds, and the *partzuf* of Imma-*binah* in all the worlds are distinguished by the same quality,

אַלָּא שֶׁבֶּכ"א הוּא לְפִי עֶרְכוֹ אֲבָל עכ"פ הוּא כִּי הֵם זֶה כְּנֶגֶד זֶה.

albeit each according to their stature, but nevertheless they correspond to one another.

וְהִנֵּה נֹדֵעַ הוּא בְּדַבְרֵי הָאֲרִיז"ל כִּי פְּרָצוּף הָאֲמָא הִנֵּה הִיא
כְּלוּלָה ג"כ מִדּו"ן¹⁶

Now it is known from the Arizal that the *partzuf* of Imma comprises both male and female (*d'char v'nukvah*) aspects

וּבִסּוּד שְׁאֵמְרוּ (סֵפֶר יִצִּירָה פ"א) הֵבִן בְּחֻמָּה וְחֻכָּם בְּבִינָה שְׁחֻמָּה
נִכְלָל בְּבִינָה וּע"ד שְׁאֵמְרָנוּ לְעִיל פ"ב בְּפְרָצוּף אֲבָא.

and according to the mystical secret stated in *Sefer Yetzirah* (chapter 1) – ‘*havein b'chochmah and v'chacham b'binah*’ – ‘understand with wisdom (*chochmah*), and be wise within understanding (*binah*),’ from which we deduce that *chochmah* integrates with *binah* in similar manner to what we stated above Chapter 2, regarding the *partzuf* of Abba.

וְהָדו"ן שֶׁבְּבִינָה הִנֵּה הֵם נִקְרָאִים בְּשֵׁם יִשְׂרָאֵל סָבָא וְתִבּוּנָה וְהֵם
הַחו"ג שְׁבָה.

The male and female elements of *binah* are called *Yisrael Sabba* and *Tevunah*, which are the *chesed* and *gevurah* therein.¹⁷

וְהִנֵּה כ"ז הוּא ג"כ מִשְׁרָשָׁה שְׁלִמְעָלָה שֶׁהוּא א"ק וְהֵם הִב' בְּחִי
שֶׁבֶּא"ק

Now all of this is due to her Imma-*binah*'s origin up above in A"K, where there are two aspects –

שֶׁהוּא הָעִגּוּלִים וְהַיֵּשֶׁר שֶׁבּו כְּנֹדֵעַ בְּשַׁעַר עִגּו"י

Iggulim and *Yosher* thereof (see note* below this text), as is known from *Eitz Chaim Sha'ar Iggulim v'Yosher*.

*After the *tzimtzum* there are two basic schemes in the arrangement of the *sefirot* – *iggulim* and *yosher*. The *iggulim* are formed in the void (*chahal*) left by the *tzimtzum* when the *kav* enters the *chahal* and circles around the inner perimeter of the *chahal*, forming a single sphere – the *iggul* of *keter*. The *kav* continues to circle round forming another concentric circle within *keter*, the *iggul* of *chochmah*. And so it continues, with the *iggul* of *binah* forming within the *iggul* of *chochmah*, and so on,

like the skins of an onion, one within the other. A second arrangement of the *sefirot*, *Yosher*, is formed by the *kav* descending straight down through the center of the *iggulim*, forming a new hierarchical but integrated structure, where the *sefirot* are not separate or self-contained entities as in *iggulim*, but rather form a harmonious, composite hierarchy of powers, “like the appearance of a man standing upright.”¹⁸

וְהַיֵּשֶׁר הוּא בְּחִי' חֲסִידִים וְדוֹכָא וְהַעֲגוּלִים הוּא בְּחִי' גְּבוּרֹת וְנִקְבָּא
וּבְסוֹד הַכְּתוּב יְרֵמְיָה ל"א נִקְבָּה תְּסוּבֵב גָּבֵר

Yosher **is the aspect of *chesed-*kindness, and the male aspect; *Iggulim* is the aspect of *gevurah-severity and the female aspect, based on the mystical interpretation of the verse Jeremiah 31:21 “a woman will court the man”* – literally, “the woman envelops the man.”

וּמֵאלוּ הֵב' בְּחִי' שְׂבֵא"ק שֶׁהוּא בְּעוֹלָמוֹת דָּא"ס

And from these two aspects in A”K, which is in the category of infinite worlds,

הִנֵּה יוֹצֵא וְנֹעֵשֶׂה אַח"כ בְּעוֹלָמוֹת הַנִּפְעָלִים ג"כ אֵלוּ ב' הַבְּחִי' בְּכָל
עוֹלָם וָעוֹלָם

these two aspects *chesed-*kindness, *gevurah-*severity subsequently emerge and are formed in each of the manifested worlds as well,

שֶׁכ"א הוּא כָּלּוֹל מֵעֲגוּלִים וַיֵּשֶׁר בְּנוֹדָע

– so that each of them each world comprises *Iggulim* and *Yosher*, as is known.

וְשִׁרְשָׁם דַּעְגו"י הִנֵּה הוּא מֵהֶקוּ וְצִמְצוּם שֶׁהַיֵּשֶׁר הוּא מֵהֶקוּ
וְהַעֲגוּלִים הוּא מֵהַצִּמְצוּם הַמְּקִיף אֶת הֶקוּ

The origin of *Iggulim* and *Yosher* is from the *kav* and the *tzimtzum* – *Yosher* is from the *kav*, and *Iggulim* are from the *tzimtzum* that envelops the *kav*.

וְהֵם ג"כ בְּחִי' דו"ן וּמֵהֶם הוּא הַשִּׁרְשׁ דָּאו"א עֲלָאִין שְׁבִפְרָצוֹף אַבָּא

They are also classified as the aspect of male and female, and from them is the origin of the supernal Abba and Imma of the *partzuf* of Abba

אֲשֶׁר שִׁרְשׁוֹ הוּא בְּהֶקוּ וְצִמְצוּם וְכַנ"ל פ"ב אוֹת ד'

whose source is in the *kav* and the *tzimtzum*, as explained above, Chapter 2d.

וְכֵן הוּא עַד"ז בְּהֶאֱמָא אֲשֶׁר שִׁרְשָׁהּ הוּא מֵהֶא"ק הִנֵּה הִיא כְּלוּלָה
ג"כ מִדוּ"ן

And so too, in similar manner regarding Imma, whose source is from A”K and she too comprises the male and female element,

שֶׁהֵם יִשְׂרָאֵל סִבָּא וְתַבּוּנָה וְהֵם נִמְשָׁכִין וְיוֹצְאִים מֵהַיֵּשֶׁר וְהַעֲגוּלִים
שֶׁבֵּהֶא"ק שֶׁהוּא שִׁרְשָׁהּ.

which are *Yisrael Sabba* and *Tevunah* that are drawn down and emerge from the *Yosher* and *Iggulim* of A”K, their source.

וְלָכֵן הוּא ג"כ כִּי לַפְעָמִים נַעֲשִׂים אַבָּא עֲלָאָה עִם יִשׁ"ס לַפְרָצוֹף
אֶחָד

And for this reason, supernal Abba and *Yisrael Sabba* sometimes form a single *partzuf*,

וְכֵן אִמָּא עֲלָאָה וְתִבּוּנָה לַפְרָצוֹף אֶחָד וְכַמ"ש בְּשַׁעַר ז"א פ"ב וּבכ"מ

and similarly supernal Imma and *Tevunah* sometimes form a single *partzuf*, as explained in *Eitz Chaim, Sha’ar Zeir Anpin* Chapter 2, and in a number of places.

וְהוּא מְשׁוּם כִּי כֵן הֵם מְרֻשָּׁם הַנִּעְלָם שְׁבִהַעוֹלָמוֹת דא"ס

And this is because that’s the way they are in their hidden root in the infinite worlds –

שְׁהִיָּשָׁר שְׁבֵא"ק הוּא נִמְשָׁךְ מֵהַקוֹ כְּאַחַד

the *Yosher* of A”K is drawn from the *kav* as one thing one arrangement of the *sefirot***, **

וְהַעֲגוּלִים שְׁבֵא"ק הֵם מִתְפַּשְׁטִים וְנִמְשָׁכִים מִכַּח הַצְמָצוּם כְּאַחַד

while the *Iggulim* of A”K are broadcast and drawn down via the power of the *tzimtzum* as another different arrangement of the *sefirot*,

וּבִאֲשֶׁר שְׁבִהַעוֹלָם הֵנָּה הֵם אֶחָד וּבִגְלוּיִים הֵנָּה הֵם ב'

in such a manner that in their concealed state they are one aspect, while in their revealed states they are two different aspects.

כִּי הֵא"ק עִם הָעוֹלָם דָּקוֹ וְצְמָצוּם הֵם ב' גְּלוּיִם כֵּן"ל וְלָכֵן נַעֲשֶׂה
בָּהֶם בְּחִי' שׁוֹנוֹת לְמִטָּה ג"כ

This is because A”K and the realm of the *kav* and the *tzimtzum* are two different revelations, as noted above, therefore they form different aspects below, as mentioned,

כִּי לַפְעָמִים מִתְיַחֲדִים וְלַפְעָמִים מִתְחַלְקִים

so that sometimes they are unified and sometimes divided.

וְהֵינּוּ כְּשֶׁנִּמְשָׁךְ עֲלֵיהֶם אוֹר א"ס מִלְמַעְלָה לְמַעְלָה וּמִתְגַּלָּה בָּהֶם
לְהַשְׁפִּיעַ אוֹרוֹת וּנְשָׁמוֹת חֲדָשׁוֹת

That is, when *Ohr Ein Sof* is drawn down upon them from the very loftiest levels and is revealed in them to bestow illumination and bring down new souls i.e. souls that have not been previously incarnated

וְהוּא ע"י שְׁמִתִּיחָדִים כָּל הַשָּׁרָשִׁים לְמַעְלָה

- which takes place when all the roots are unified above –

הִנֵּה אֵז מִתְיַחֲדִים אָבָא וִישׁ"ס וְנַעֲשִׂים לְפָרְצוּף אֶחָד וְכֵן נַעֲשִׂים
אִמָּא עֲלָאָה וְתִבּוּנָה לְאֶחָד

then Abba and Yisrael Sabba become a single *partzuf*, and so too supernal
Imma and *tevunah* become one.

אָבֵל כְּשֶׁהֵם עוֹמְדִים עַל מְצִיאוֹתָם הָעֶקְרִי לְבַד אֵז נִחָשְׁבִים לֵב' מִיָּנִי
פְּרָצוּפִים וְע"ד שֶׁהוּא אֵז גְּלוּיִים לְמַעְלָה ג"כ.

But when they maintain their primary existence exclusively, without
intermingling and fusing together, then they are regarded as two distinct
partzufim, the way they are revealed above as well.

וְכֵן הוּא עוֹד כִּי ע"ד שְׁאֲמָרְנוּ לְעֵיל שְׁכָלְלוֹת א"ק שֶׁהוּא הַגְּלוּי
הַשְּׁלִישִׁי הַכָּלְלִי

Furthermore, in the same manner as we explained above, that A"K in general,
which is the third revelation,

הִנֵּה הוּא הַשָּׁרֵשׁ לְעוֹלָם הַבְּרִיאָה כֵּן הוּא ג"כ בְּפִרְטוֹת הַסְּפִי
וְהַפְּרָצוּפִים שֶׁבְּכָל עוֹלָם

is the origin of the World of Beriah, so too in a specific sense regarding the
sefirot and *partzufim* in each world –

כִּי הַבִּינָה שֶׁהִיא פְּרָצוּף הָאִמָּא הִנֵּה הִיא הַשָּׁרֵשׁ הַפְּרָטִי דְּהָעוֹלָם
הַבְּרִיאָה

*binah***, which is the *partzuf* of Imma, is the specific origin of the World of
Beriah,**

וְנִמְשָׁךְ עוֹלָם הַבְּרִיאָה מֵהַבִּינָה וְהָאִמָּא דְּכָל הָעוֹלָמוֹת שֶׁלְמַעְלָה
so that the World of Beriah is drawn from *binah* and Imma of all the worlds
above (i.e. above *Beriah*), but not from higher than that,

כִּי מִתְפַּשֵּׁט אוֹר הַבִּינָה בְּהַמְלָכוֹת וּמוֹצִיא וּמְצִיא אֶת עוֹלָם
הַבְּרִיאָה

since the illumination from *binah* of Atzilut propagates to *malchut* of Atzilut,
which brings forth and produces the World of Beriah,

כִּי עוֹלָם הָאֲצִילוֹת הוּא מֵהַחֲכָמָה דְּכָל הָעוֹלָמוֹת שֶׁלְמַעְלָה אֲשֶׁר
בְּהָעוֹלָמוֹת דָּא"ס

But the world of Atzilut is from the *sefirah* of *chochmah* of all the supernal infinite worlds,

וְלִכּוֹן נִקְרָא הָאֲצִילוֹת כֻּלּוֹ עַל שֵׁם הַחֲכָמָה י' שֶׁבְּשֵׁם וְהִיא עוֹלָם
הַמַּחְשָׁבָה

which is why Atzilut in its entirety is called by the name of *chochmah* and the *yud* of the Name and the World of Mind – *Machshava* –

וְשִׁרְשָׁהּ בְּכָל־לוֹת הוּא מֵהָאֵוִיר הַקְּדָמוֹן וְהַטְּהִירוֹ עֲלֶאָה שֶׁהוּא
הַצִּמְצוּם וְהָקוֹ וְכַנ"ל פ"ב

and its source in general is the *Avir Kadmon* and *Tehiru Ila'a*, which are the *tzimtzum* and the *kav*, as explained in chapter 2.

אָבֵל עוֹלָם הַבְּרִיאָה הוּא מֵהַבִּינָה דָּכַל הָעוֹלָמוֹת שֶׁלִּמַּעַלָּה

But the World of Beriah is from *binah* of all the worlds above,

וּמִתְיַחֶסֶת כָּלָה עַל שֵׁם הַבִּינָה ה' רִאשׁוֹנָה שֶׁל שֵׁם. אָמָא מְקַנְנָת
בְּבִרְסָא.

and relates to *binah* and the first *hai* of the Name, and as the *Tikunei Zohar* p. 24b states¹⁹, *Imma* nests on the Throne of the Divine Chariot, i.e. the World of Beriah.

וְלִכּוֹן נִקְרָא הַבִּינָה ג"כ בְּשֵׁם בְּרִיאָה.

And therefore *binah* is also called Beriah.

כִּי בְּכָל עוֹלָם יֵשׁ אֲבִי"ע וְהָיָה חֲכָמָה אֲצִילוֹת וּבִינָה בְּרִיאָה

This is because there is *AbiY"A* in every world, so that *chochmah* constitutes Atzilut in every world, and *binah* constitutes Beriah etc.

וְכֹן חֲכָמָה מַחְשָׁבָה וּבִינָה הִרְהוּר כִּי הַכַּח"ב דָּכַל עוֹלָם הֵם רָצוֹן
וּמַחְשָׁבָה וְהִרְהוּר

Similarly, *chochmah* in every world is the aspect of *machshava* – mind, and *binah* is *hirhur* – thought, since *keter*, *chochmah*, *binah* of every world correspond to *ratzon*, *machshava*, *hirhur* (will, mind, and thought),

וְכַמ"ש הֵגָר"א בְּתַקוּנִים רִישׁ תַּקוּן ה'

as the GR"A states in his commentary on *Tikunim Tikunei Zohar*, beginning of *Tikun 5*.

וְכֹן נִקְרָא הַבִּינָה ג"כ בְּשֵׁם כְּסֵא וְכַמ"ש הֵגָר"א בְּסִפְרֵי יִצְרָה פ"א
מִשְׁנָה ו'

Similarly, *binah* is also called the 'Throne', as the GR"A states in his commentary on *Sefer Yetzirah* 1:6 –

וּכְמוֹ עוֹלָם הַבְּרִיאָה שֶׁהִיא עוֹלָם הַכֶּסֶּא עַל שֵׁם שֶׁעָלָיו שׁוֹרָה אוֹר
אֱלֹהוּתוֹ ית"ש

just like the World of Beriah, which is the world of the Divine Throne, since His Divine illumination rests there,

כֵּן הוּא הַבִּינָה דְאֶצִּיל בְּחִי' כֶּסֶּא לְמַדְרַגַּת דְּאוֹר א"ס אֲשֶׁר בַּהֲג"ר

so too is *binah* of Atzilut the aspect of 'Throne' for the level of *Ohr Ein Sof* in the top three *sefirot*,

וְהִיא הַשְּׂרֵשׁ הַפְּרָטִי לְעוֹלָם הַבְּרִיאָה.

and she *binah* is the specific origin of the World of Beriah.

וְכֵן הוּא הָאָדָם קַדְמוֹן שֶׁהוּא הַכֶּסֶּא לְכָל הָעוֹלָמוֹת דֵּא"ס

And similarly with Adam Kadmon, which is the 'Throne' for the infinite worlds,

וְהוּא הַשְּׂרֵשׁ הַכָּלְלִי דְעוֹלָם הַבְּרִיאָה וְנִקְרָא ג"כ בְּשֵׁם אָדָם דְּבְרִיאָה
וּכְנ"ל

and is the general i.e. macro- origin of the World of Beriah, and is thus called 'Adam of Beriah' as explained above.

וְהִרִי לָנוּ מִכ"ז כִּי הַבִּינָה אֲמָא הִנֵּה הִיא נִבְחַן בְּכָל הַבְּחִי' שֶׁבְּאָדָם
קַדְמוֹן

***What we deduce from all of this is that binah-Imma is characterized by all of these aspects of Adam Kadmon,*

כִּי שְׂרֵשָׁה הוּא מִמֶּנּוּ אֵלָּא שֶׁא"ק הוּא מֵעוֹלָמוֹת דֵּא"ס וְהוּא כָּלְלִי

since her origin is from there, only that A"K is part of the infinite worlds, and is in a general sense i.e. a macro aspect,

שֶׁהִרִי הוּא הַגְּלוּי הַשְּׁלִישִׁי הַכָּלְלִי אֲשֶׁר הוּא כָּלּוּל ג"כ מִכֶּמֶה
עוֹלָמוֹת אֵין חֶקֶר וְכַנּוּדָע בְּדַבְּרֵי הָאֲרִיז"ל

since it is the third general macro revelation comprising a number of inscrutable worlds, as is known from the words of the Arizal,

וְהַבִּינָה שֶׁהִיא פְּרָצוּף הָאֲמָא הוּא פְּרָצוּף אֶחָד שֶׁבְּכָל הִי סְפִי' דְּכָל
עוֹלָם בְּפֶרֶט

whereas *binah*, which is the *partzuf* of Imma, is one *partzuf* with all ten *sefirot* in each specific world.

אֲךָ עכ"פ הוּא כִּי שְׂרֵשָׁה הוּא מֵא"ק וְנִבְחַן בְּכָל הַבְּחִי' שֶׁבּוֹ וְכַנּוּזָר.

But in any event, her origin the origin of *binah* is from A”K and she is endowed with all the aspects thereof, as mentioned.

3c — The Third Revelation in Worlds and *Partzufim*

אָמַנָם הוּא כִּי הֵנָּה בְּאָדָם קְדָמוֹן אֶמְרָנוּ לְעֵיל שְׁאִין לוֹ גִּלּוּי עֲדִין כִּי
הוּא מְעוֹלָמוֹת דָּא"ס

We stated earlier that Adam Kadmon is not as yet revealed, and is regarded as being in the category of the Infinite Worlds.

וְלָכֵן אֵין לוֹ גִּלּוּי בְּשׁוֹם שֵׁם כִּי הַגִּלּוּי דְּהַשֵּׁם הֵנִיָּה ב"ה הוּא מִתְחִיל
רַק מֵהָאֲצִילוֹת

And therefore it is not revealed (in the sense of being expressed) in any Divine Name, since the revelation of the blessed Name Havaye begins only from Atzilut,

שֶׁהוּא הַגִּלּוּי הַכָּלְלִי הָרְבִיעִי וְהוּא לְמַטָּה מִג' לְאַמְתָּתוֹ הַנִּעְלָמָה
יִת"ש לָכֵן נַעֲשֶׂה הָאֲפָשְׁרִית בּוֹ לְהַתְגַּלָּה בְּשֵׁם

which is the fourth general macro- revelation, and it is three levels below His blessed concealed true Being, and therefore it can be revealed (expressed) in a Name,

אֲבָל אָדָם קְדָמוֹן שֶׁהוּא מְעוֹלָמוֹת דָּא"ס וְהוּא בְּפָחוֹת מִג' לְאַמְתָּתוֹ
הַנִּעְלָמָה

whereas Adam Kadmon is of the infinite worlds, since it is less than three levels from His blessed concealed true Being,

כִּי הֵרִי הוּא עֲצָמוֹ הַגִּלּוּי הַשְּׁלִישִׁי וְהוּא כְּלָבוֹד דְּמִי

since it Adam Kadmon itself is the third revelation, as is therefore like a *lavud*.*

*A *lavud* is a halachic concept²⁰ stating that where the gap between two parts of a fence or other barrier is less than three handbreadths they can be regarded as joined. But if the gap is wider than three handbreadths they are regarded as two separate pieces of fence with all the halachic implications thereof regarding Shabbat etc.²¹ In the analog, since Atzilut is already three levels ('handbreadths') away from the *Ohr Ein Sof*, it cannot be regarded as 'joined' to the infinite worlds (according to the majority opinion), whereas Adam Kadmon is within three levels (as the third level) therefore it is regarded as an 'extension' of the previous infinite levels.

לָכֵן אֵין לוֹ גִּלּוּי עֲדִין בְּשֵׁם מִמֶּשׁ כָּלֵל אֵלָּא שֶׁהוּא בְּקוֹצוֹ שֶׁל י' דְּהֵנִיָּה
הַכָּלְלִית הַכּוֹלֵל אֶת כָּל הָעוֹלָמוֹת כָּלָם כִּי הוּא הַכֶּתֶר הַכָּלְלִי וְכַנ"ל
פ"א

Therefore it Adam Kadmon is not as yet revealed (expressed) in any actual Name at all, but only as the ‘thorn’ on top of the letter *yud* of the macro Name *Havaye* that includes all of the worlds, since it is the general *keter* of all the worlds, as explained above, chapter 1.

In other words, the thorn of the *yud* corresponds to A”K, the *yud* corresponds to Atzilut, the first *hei* to Beriah, the *vav* to Yetzirah, and the final *hei* to Asiyah.

אך ספי' הבינה שהיא פרוץ האמא אשר כנגדו בכל עולם ועולם
מעולמות הנפעלים שהוא מאצילות ולמטה

But the *sefirah* of *binah*, which is the *partzuf* of *Imma*, has a corresponding letter in each of the manifested worlds – i.e. from Atzilut and below –

הנה היא יש לה גלוי בהשם הנה ב"ה והוא באות ה' ראשונה
דהשם

she is revealed (expressed) in the blessed Name *Havaye*, in the first letter *hei* of the Name,

כי הי' הוא חכמה אבא כנ"ל פ"ב והאות ה' הוא בינה אימא

****since the *yud* is *chochmah-*Abba, as explained in Chapter 2e, and the letter *hei* is *binah-Imma*.**

והוא מורה על תכונתה כי הוראת אות ה' הוא שאותן הי' ספי'

The structure of the letter *hei* is also indicative of its content, signifying that those ten *sefirot*

אשר היו כלולים באבא בכללות אחת וכחמר בלי צורה שהוא
באות י' שבו אשר הוא במספר עשר וכנ"ל פ"ב

that were integrated in Abba in one all-inclusive generality – like matter without form – in the letter *yud*, whose numerical value is 10, as explained above in Chapter 2,

הנה נצטירו באמא בצורתם היטיב.

those 10 *sefirot* become organized into their proper structure in *Imma*.

והוא הוראת צורת ה' שיש בו צורת ד' ו' שהם ג"כ עשר

This is indicated by the structure of the letter *hei* which comprises a *dalet* (ד) and a smaller *vav* (ו) as the left leg of the *hei*, below the roof of the *dalet* – ה which also add up to 10. The numerical value of *dalet* is 4 and of *vav* is 6 = 10.

כי הם אותן הי' ספי' עצמן שנגמרו בהאמא בכל צורתם

These are the very same ten *sefirot* that become completed in their full form in *Imma*.

וְכֵן הוּא עוֹד הוֹרָאת אוֹת ה' ג"כ עַל הו' ד' אֲשֶׁר הָיוּ כְּלוּלִים בְּכֶח
בְּהַמְלוֹי יו"ד שְׂבָאָבָא

An additional indication from the letter *hei*, also comprising the *vav* and *dalet*, is as they were integrated in potential in the *yud* and are revealed when the *yud* in Abba is spelled out in full (i.e. with the *milui*) – *yud, vav, dalet***. **

וְהָיוּ נֶעְלָמִים בּוֹ בְּכֶח שֶׁהוּא בְּהַמְלוֹי שֶׁבּוֹ הִנֵּה יֵצְאוּ בְּאֵמָא מִן הַכֶּח
אֶל הַפּוֹעַל

Initially they were concealed in Abba in potential as the *milui*, and emerged in Imma from potential to actual,

וְנִתְגַּלּוּ בָּהּ כָּל הָעֶשֶׂר כֻּלָּם וְהוּא הַצּוֹרֵת דְּאוֹת ה' שֶׁהוּא ד' ו'
and all ten aspects became revealed in her, which is the structure of the letter *hei* comprising a *dalet* and a *vav**,* as explained above.

וְמָה שֶׁנִּתְהַפֵּךְ בָּהּ מו"ד לד"ו הַטַּעַם הוּא כִּי כָּל פְּרָצוּף תַּחְתּוֹן
Now the reason that the *vav-dalet* in the *milui* switch around to *dalet-vav* in the *hei* is that every lower *partzuf*

הוּא נִמְשָׁךְ וְנֶעֱשֶׂה מֵהַד' תַּחְתּוֹנוֹת דִּהְעֵלְיוֹן שֶׁהוּא מִבְּחִי הַטָּבוֹר
שֶׁבּוֹ וּלְמַטָּה

is drawn from and produced by the four (*dalet* = 4) lowest *sefirot* of the *partzuf* above it – from the *tabur* the navel (which divides the upper and lower halves of the body) and below.

שֶׁכָּל הַד' תַּחְתּוֹנוֹת דִּהְעֵלְיוֹן הֵם לְצַרְךְ הַתַּחְתּוֹן וְכֵן עָקֵר בְּנִין כָּל
פְּרָצוּף הוּא רַק בְּחִי ו' שֶׁהוּא הו' קְצוֹת שֶׁבּוֹ

This is because all four of the lowest aspects of the higher *partzuf* are for the sake of the lower *partzuf*, and the primary structure of every *partzuf* comprises six aspects, which are the six sides thereof – corresponding in physical space to front-back, right-left, up-down –

וְגַם הַגִּלְגֻּלְתָּא וְהָרָאשׁ הוּא ג"כ רַק מִכָּלָּל הו"ק וְכַמ"ש בְּרַע"מ נֶשָׁא
קַב"ג ע"ב

with the skull *gulgulta* and the head included with the six sides, as *Zohar III, Raya Mehemna, Nasso* p. 123b states.

דְּגוּפָא וְרִישָׁא מְלַבֵּר וּמוֹחָא וְלֵבָא מְלַגְאוּ וְהַד' עֲלִיוֹנִים הֵם בְּחִי
הַמַּחֲיִין שֶׁהֵם חו"ב וחו"ג שְׂבִדְעַת

For the body and the head are external, while the brain and the heart are internal, and the four upper aspects are the four aspects of the brain – *chochmah* and *binah*, and *chesed* and *gevurah* of *da'at*.

וְהֵם נִמְשָׁכִין וְבָאִין בְּכָל פְּרָצוֹף ג' כ' רַק ע"י ה' תַּחְתּוֹנוֹת דְּהֶעֱלִיּוֹן.
וְזֶהוּ ה' ו' דָּאוֹת ה' שֶׁהֵם בְּחִי' הַמַּחֲיִין

These four aspects are drawn down into and manifested in every *partzuf* as well only by means of the four lowest aspects of the upper *partzuf*, which are the *dalet* and *vav* comprising the letter *hei* and are manifested as the aspect of *mochin* brains (also translated as consciousness) in the lower *partzuf*.

וְהוּ"ק דְּהָאֵמָא הַנִּמְשָׁכִין מֵהֶ"ד תַּחְתּוֹנוֹת דְּהָאֵבָא שֶׁהֵם הוּ"ד דְּמַלְוֵי יו"ד

And the six sides of Imma, drawn from the four lowest *sefirot* of Abba, are the *vav-dalet* of the *milui* of *yud*.

וְע' שֶׁעַר הַזְּוּגִים פ' ד' ה' ו'. וְכֵן יֵשׁ בְּזֶה עוֹד טַעַם וְכַמ"ש הֶרַח"ו בְּכָלֵלִים שְׁלוֹן

***[**Note: See Eitz Chaim, *Shaar HaZivugim* chaps. 4, 5, 6. There is also another reason, as Rabbi Chaim Vital writes in his *Klalim* in the Intro to *Eitz Chaim* (printed at the end of *Eitz Chaim* in the Warsaw edition) *klal* 19, and in *Pri Eitz Chaim*, *Sha'ar haTefillin* chap. 15, and in *Maamarei Rashbi* in the commentary to *Idra Zuta* p. 59a, b. See also *Sifra d'Tzniuta* chap. 4: From *yud* emerge male and female, *vav* and *dalet* where there was a *hei dalet* initially, see there. Here is not the place for it. See also the *Klalim* printed at the end of the *Tikunim*, # 34, 35.]

וְעַכ"פּ הוּא כִּי בִנְיָן הָאוֹת ה' הוּא מֵהוּ"ד דְּמַלְוֵי יו"ד

In any event, setting aside the more technical aspects, it is clear that the letter *hei* is formed from the *vav-dalet* of the *milui* of *yud*,

כִּי מָה שֶׁהִיָּה בָאוֹת י' בְּמַלְוֵי וּבְכַח הִנֵּה יֵצֵא וְנִתְגַּלָּה בְּהָאוֹת ה' מִן
הַכַּח אֶל הַפּוֹעֵל וְהֵם הִי"ס דִּנְתַּגְּלָה בְּהָאֵמָא.

so that what was latent in the *milui* of the *yud* becomes overt and is revealed in the letter *hei* from a state of potential to actuality, and these are the ten *sefirot* revealed in Imma.

אֲמָנָם עַכ"ז הִנֵּה הֵם נִכְלָלִים בָּהֶם רַק בָּאוֹת אַחַת לְבַד.

Nevertheless, having said all this, they the ten *sefirot* are still subsumed into a single letter only the letter *hei*, *binah*.

וְהוּא כְּמוֹ שֶׁאֲמַרְנוּ לַעֲיֵל שְׁכַל זְמַן שֶׁהֵם בְּאֵמָא וְלֹא יֵצֵאוּ מִמֶּנָּה

This is as we said above – that as long as they are in Imma, and have not emerged from her,

הִנֵּה הֵם עֲדִין כְּלוּלִים בָּהּ וְלֹא נִכְרוּ הֵם בַּפִּנ"ע וּע"ד שְׁאֵמְרוּ גִטִּין כֵּג,
ב' עֶבֶר יֵרָךְ אִמּוֹ הוּא

they are still integrated with her and are not identified individually, similar to the statement of the Talmud *Gittin* 23b: a fetus is regarded as part of the mother.

וְלָכוּ הֵם עוֹמְדִים עֲדִין כְּלוּלִים בָּהּ בְּאוֹת אַחַת לְבַד

Therefore they remain submerged within her within a single letter.

וְיָמָה שְׁמִסְפָּר אוֹת ה' הוּא חֲמִשָּׁה הוּא לְהוֹרוֹת עַל תְּכוּנַת הִי סְפִי'

Now the fact that the numerical value of the letter *hei* is five, not ten, is to highlight a quality of the ten *sefirot* –

שֶׁהֵם חֲמִשָּׁה ה' חֲסָדִים וְה' גְּבוּרוֹת

that they are divided into five aspects of *chesed* and five aspects of *gevurah*,

וכמ"ש הַסֵּפֶר יְצִירָה פ"א מְשֻׁנָּה ג' שֶׁהֵם חֲמִשָּׁה כִּנְגֵד חֲמִשָּׁה

as the *Sefer Yetzirah* 1:3 states, that ‘they are five opposite five,’

כִּי כִתְרֵי חֲכָמָה חֲסֵד ת"ת נֶצַח הֵם ה' חֲסָדִים בִּינָה גְּבוּרָה הוּד יְסוֹד
מַלְכוּת הֵם ה' גְּבוּרוֹת

so that *keter*, *chochmah*, *chesed*, *tiferet*, *netzach* are five aspects of *chesed*, and *binah*, *gevurah*, *hod*, *yesod*, *malchut* are five aspects of *gevurah*.

וְלָכוּ כְּלוּלִים כָּל הִי סְפִי' בָּהּ פְּרָצוּפִים כִּי כָל פְּרָצוּף הוּא כְּלוּל
מִחוּ"ג

Thus all the ten *sefirot* are included in the five *partzufim* since each *partzuf* comprises both *chesed* and *gevurah* –

וְהֵם י' הַכְּלוּלִים בָּהּ וְעַל זֶה הוּא הוֹרָאת דְּאוֹת ה' שֶׁהוּא חֲמִשָּׁה. וְע'
טַנַּת"א פ"א.

these are the ten included within the five *partzufim*, as indicated by the letter *hei* whose numerical value is 5. See *Sha'ar TaNT*”A chapter 1.

וְהִנֵּה אֲמַרְנוּ לְעֵיל כִּי פְּרָצוּף אִימָא הִנֵּה הוּא כְּלוּל מִדּו"ן שֶׁהוּא
יִשְׂרָאֵל סַבָּא וְתַבּוּנָה

Now we said above that the *partzuf* of Imma comprises both *d'char* and *nukvah*, the ‘male’ and ‘female’ elements called *Yisrael Sabba* and *Tevunah*,

וְהֵם מְרֻמָּזִים ג"כ בְּאוֹת ה', וְהוּא בְּעֻקְצָ שֶׁל ה' מֵאַחֲרָיו אֲשֶׁר בְּקֶרֶן
זוֹת הִימִינִי

and they are also hinted at in the letter *hei* – as the ‘thorn’ on the right corner

behind the *hei* as in the diagram.²²

וכמ"ש בפע"ח שער התפלין פ' ט"ו שאותו הקרן זויות הוא בְּחִי י'

And as *Pri Eitz Chaim, Sha'ar haTefillin* chap. 15 states – that corner is the aspect of *yud*,

וְהוּא רְמוז עַל יֵשׁ"ס הַכָּלּוּל בְּאֵמָא שְׁהִיא הָאוֹת ה'

and hints at *Yisrael Sabba* and *Tevunah* that are integrated within *Imma*, which is the letter *hei*.

וְכֵן מְלוּי ה' שֶׁהוּא י' אוֹ א' וּשְׁנֵיהֶם מְרָמֵז עַל הַחֲכָמָה

Similarly, the *milui* of the *hei* is a *yud* or an *alef*, both of which allude to *chochmah*

שֶׁהוּא יֵשׁ"ס הַכָּלּוּל בְּבִינָה וּכְמ"ש הַגֵּר"א בְּסִפְד"צ פ"א בְּדַה"מ
אַחֲתָא:

which is *Yisrael Sabba* integrated within *binah* as the GR"א writes in his commentary to *Sifra d'Tzniuta* chap. 1 p. 14c beginning with the word אַחֲתָא

וְהִרִי נִתְבָּאֵר לָנוּ מִכ"ז גְּלוּי הָאֵמָא בָּאוֹת ה' רִאשׁוֹנָה דְּהֵשֵׁם הַיָּה
ב"ה.

From all this above analysis we have clarified the revelation of *Imma* in the first letter *hei* of the blessed Name *Havaye*,

וּכ"ז הֵנָּה הוּא ג"כ רַק בְּבִחִי עֲצֻמוּתָהּ הַכָּלְלִי לְבַד כִּי בְּזֶה הֵנָּה הִיא
כָּלּוּלָה רַק בָּאוֹת אַחַת

and that this is also only as regards the general character of *Imma*, for this is what is encompassed in a single letter the letter *hei*.

אֲבָל בְּבִחִי כַּחוּתִּיהָ הַפְּרִטִּים שֶׁבָּהּ הֵנָּה עוֹמֶדֶת הָאֵמָא בְּגְלוּי הִי
אוֹתִיּוֹת דְּשֵׁם ס"ג שֶׁהוּא יוֹד הִי וְאוֹ הִי שֶׁהֵם י' אוֹתִיּוֹת

But as regards her *Imma*'s individual powers – these are revealed in the ten letters of the Name that adds up to *Sa"g* – 63, which is the *gematria* of the Name expanded as *הִי וְאוֹ הִי* **, comprising 10 letters,**

כִּי זֶה מוֹרָה עַל הַמְּצִיאוֹת דְּהִי סְפִי שֶׁבָּהּ שְׁבַע עֲצֻמוּתָהּ גּוֹפָה.

for they indicate the existence of the ten *sefirot* within her *Imma*'s very essence.

הֵנָּה יֵצֵא כָּל סְפִי שֶׁבָּהּ לַפּוֹעֵל בְּכָל תְּכוּנָתָהּ וְלָכֵן נִתְגַּלָּה כ"א בָּאוֹת
בִּפְנֵ"ע

Thus all the *sefirot* within her emerge into reality in all their qualities, and therefore each one is revealed with its own letter,

כי בעצמותה הרי היא פרצוף שלם ונתגלה בה כל הי"ס בפרטיות

because in essence she is a complete *partzuf* and all ten *sefirot* are revealed specifically with in her.

אמנם עכ"ז הנה היא רק בהגלוי דשם ס"ג לבד שהוצאתו הוא ג"כ
על ההעלם

Nevertheless, this applies only to the revelation of the Name Sa"g, which is also indicative of concealment

שהרי הההי"ן שבו הם במלוי יודי"ן וכל י' הוא מורה העלם וכנ"ל
פ"ב

since the letters *hei* thereof are expanded with *yuds* which are indicative of concealment, as explained above Chapter 2,

ורק והו' שבו הוא במלוי א' וכל א' הוא אור והארה וגלוי

and only the *vav* thereof is expanded with an *alef*, where every *alef* is indicative of light and illumination and revelation.

כי באותו הא' שם הוא השרש דהשם מ"ה שבז"א שהוא הגלוי
העקרי שבאצילות וכמו שיתבאר לקמן פ"ד

For the letter *alef* there in the Name Sa"g is the origin of the Name Ma"n of *Ze'ir Anpin*, the primary revelation in Atzilut, as will be explained below in Chapter 4.

ומשום שהוא נעשה ונבנה בהאמא ונכר עבירו בה לכן נעשה הו'
שבה במלוי א'

Because he the letter *alef* representing *Ze'ir Anpin* is produced and built up in *Imma*, and his impregnation is recognized within her as her fetus, so to speak, therefore the *vav* in her Name i.e. the *vav* of Sa"g is expanded with an *alef* as its *milui*.

משום שרש הז"א שנתגלה בה עכ"פ אבל היא עצמה היא לעולם
נעלם

This is because the origin of *Ze'ir Anpin* is at least revealed within her, whereas she *Imma* herself always remains concealed,

ובהוצאת הההי"ן שבה שהם רק במלוי יודי"ן

just as the letters *hei* within her within Sa"g are spelled out in full only with *yuds* which are indicative of concealment, as mentioned above.

וּלְכֹךְ נִקְרָא גַם הַשֵּׁם ס"ג בְּתִקּוּנִים תָּמִיד בְּשֵׁם שְׁמָא סְתָם וְכַ"ש
בְּתִקּוּן י"ג כ"ח ע"ב

Therefore the Name *Sa"g* is constantly referred to in the *Tikunim* the *Tikunei Zohar* as 'the hidden Name,' as for example in *Tikun 13*, p. 28b,

ע"ש בְּהִגָּר"א ע"ג דה"מ בְּשֵׁמָא סְתָם

see there in the GR"A's commentary column c, beginning with the words בְּשֵׁמָא סְתָם.

וְהוּא מְשׁוּם שְׁכָל גְלוּיָה דְּבַחִי הִי סְפִי שְׁבָה וּבַחִי הַפְּרָצוּף שְׁבָה
הוּא רַק לְעַצְמוּתָהּ לְבַד אֲבָל לַהֲזוֹ"ן הִיא נֶעְלָם ע' שֶׁעַר הַפְּנוּת
סְכוּת ק"ה ע"ב.

This is because the entire revelation of the ten *sefirot* therein, and the aspect of *partzuf* thereof is only for herself for Imma, but this is hidden from *Ze'ir Anpin* and *Nukvah* – *malchut*, see *Shaar haKavanot, Sukkot 105b*.

וְלָכֵן נִקְרָא גַם הַבִּינָה בְּשֵׁם נִסְתָּרוֹת כַּ"ש אֱלִיָּהוּ זל"ט וְכַ"ל

And therefore *binah* is also called one of the *nistarot* (hidden qualities) as *Eliyahu*, may his name be mentioned for the good, declared in *Patach Eliyahu*, the Intro to *Tikunei Zohar*, as explained above.

וְכֵן נִקְרָא הָאֲמָא ג"כ בְּשֵׁם אֱהִיָּה שֶׁהוֹרָאתוֹ הוּא אֲנִי זְמַן לְאַתְגָּלִיָּא
וְכַ"ש בְּזוּה"ק וְיִקְרָא י"א א'

Imma is also called by the Name *E'hye"h*, where the *alef* at the beginning of the Name is indicative of the future tense – 'I will be revealed in the future,' as the *Zohar, Vayikra 11a* states,

כִּי עָקָר כָּל הַגְּלוּי דְּאַצְלוֹת הוּא רַק בַּז"א שִׁיִּצָּא מִמֶּנָּה

for the primary revelation in *Atzilut* is only in *Ze'ir Anpin* which emerged from her from Imma.

וְהִנֵּה הַשֵּׁם ע"ב אֲשֶׁר בְּאֲבָא הוּא שְׁרֵשׁ הַחֲסָדִים וְלָכֵן הוּא גִימ' חֲסָד

Now the Name *A"b* – the Name *Havaye* expanded with the letter *yud*, having the numerical value of 72 – is in *Abba*, and therefore²³ is the origin of aspects of *chesed*-kindness, and therefore it is the same *gematria* as *chesed* 72 = חס"ד.

אֲבָל הַשֵּׁם ס"ג שְׁבָאֲמָא הוּא שְׁרֵשׁ הַגְּבוּרוֹת וְהִגָּם שְׁבָה גּוּפָה אֵין דִּין
כָּלֵל אֲבָל מִמֶּנָּה הֵם נוֹבְעִים

But the Name *Sa"g* in Imma is the origin of the aspects of *gevurah* restriction and harshness. And even though she herself contains no strict judgments, they nevertheless flow from her,

וכמ"ש ב'פ' ויקרא י' סע"ב דהיא בעצמה רחמי אך דינו מתערין
מינה

as the Zohar writes in *parshat Vayikra 10b*, that she herself is compassion (*rachamim*), but strict judgments arise from her.

ולכן נקרא ס"ג לבד מה שמספרו הוא כן אך בו מרמז ג"כ סוד
ששים גבורים

And therefore the Name expanded this way is called *Sa"g* – not only because this is the sum of the letters of this Name – but also because it hints to the mystical concept of the sixty warriors who surrounded the bed of King Solomon (*Shir HaShirim 3:7*),

המבאר בזוה"ק שמות י"ד ע"ב ופ' אחרי מות ס' ע"א ושרשם הוא
מכאן ולכן נקרא ס"ג – ס' גבורים.

as explained in *Zohar II 14b*, and in *Zohar III 60a*, and that is where their origin is, therefore she is called *Sa"g*, a *notarikon* of ג"ס = ס' גבורים.

והנה אמרנו לעיל כי הבינה הנה היא השרש לעולם הבריאה

Now we said above that *binah* is the origin of the World of Beriah,

ולכן הנה ישנם גם בעולם הבריאה כל אלו השמות כלם וישנו
בבריאה שם אהיה

and therefore all of these Name are found in the World of Beriah as well, and there is also the Name *Ehy'e* in Beriah,

וכמ"ש הרב בסוף שער כסא הכבוד וכן הוא בתקונים תקון ס"ט
קי"ט ע"ד

as the Rav Rabbi Yitzchak Luria, the Arizal, at the end of *Sha'ar Kisei HaKavod*, and similarly in *Tikunim*, *Tikun 69 p*, 119d.

וכן בהשם הנה הכולל ד' עולמות אבי"ע הנה אצילות י' והבריאה
ה' ראשונה

And likewise with the Name *Havaye* that encompasses the four Worlds of *ABiY"A* – *Atzilut* corresponds to *yud*, and *Beriah* to the first *hei* of the Name.

וכן בהד' שמות עסמ"ב הנה אצי"ע"ב והבריאה ס"ג

And likewise with the four Names *A"b*, *Sa"g*, *Ma"h*, *Ba"n* – *Atzilut* is *A"b*, and *Beriah* is *Sa"g*.

והרי הוי הבריאה בהשמות דהבינה והוא משום שהבינה היא
שרשה.

Thus Beriah is identified with the Names associated with *binah*, and this is because *binah* is their origin.

וְהָיָה נִתְבָּאֵר לָנוּ עַכְ"פּ מִכָּל דְּבָרֵינוּ הֵנָּה לִּי כִּי פְּרָצוּף הָאֵמָא שְׂבִכָּל
עוֹלָם

Thus at least we have clarified from all the above that the *partzuf* of Imma in every world

הִנֵּה הִיא נֶגֶד הַגְּלוּי הַשְּׁלִישִׁי הַכִּלְלִי דְלַעִיל שְׁעַר ד' פ"ג שֶׁהוּא אָדָם
קַדְמוֹן

corresponds to the third revelation mentioned above Sha'ar 4, Chapter 3 – which is Adam Kadmon.

כִּי הוּא אֲשֶׁר הוֹצִיא כְּנֶגְדּוֹ בְּכָל עוֹלָם אֶת פְּרָצוּף הָאֵמָא בִּינָה שֶׁהִיא
הַשְּׁלִישִׁי מֵהֶג"ר

For he Adam Kadmon emitted the *partzuf* of Imma-*binah* as the third of the three heads i.e. the first three *sefirot* – *keter*, *chochmah* and *binah* in each world, with Imma-*binah* corresponding to him to Adam Kadmon, the third revelation*.*

וְאֶמְרָנוּ כִּי הִיא בְּעֶצְמָהּ רַחֲמֵי וּמִנָּה דִּינִין מִתְעַרְוִין

We also said above that that she Imma-*binah* herself is compassion (*rachamim*), but that strict judgment is aroused from her –

זֶהוּ הָעֲנָנָן ג"כ מָה שֶׁכָּל הַמַּלְכִּין קַדְמָאִין הֵם יֵצְאוּ מֵהֶא"ק וּמֵהֶס"ג
שָׁבוּ כְּנוֹדָע

this is also the idea that all seven primordial kings of the World of Tohu emerged from A"K and the Name *Sa"g* therein, as is known.²⁴

וְהוּא מְשׁוּם שֶׁהוּא בְּבַחֲי אֵימָא אֲשֶׁר מִמֶּנָּה דִּינִין מִתְעַרְוִין

This is because it the World of *Tohu* is the aspect of Imma from which strict judgment are aroused.

וְכֵן אַח"כ מִתְתַּקְנִים ג"כ הַכָּל ע"י הֶא"ק וּכְמ"ש בְּשַׁעַר הַתִּקּוּן פ"ב

And all this is also subsequently rectified via A"K, as *Sha'ar HaTikkun* chapter 2 states,

וְהוּא ג"כ בְּבַחֲי אֵמָא הַמִּתְקֵן תָּמִיד לַהֲזוּן

and this too is the aspect of Imma that constantly rectifies *Ze'ir Anpin* and *Nukvah**.*

וּכְמ"ש בְּפ' וַיִּגֶשׁ ר"ז א' דָּהָא עֲלָמָא דְאֵתִי אֶפִּיק נְהוֹרִין זְהִירִין כָּל
יוֹמָא וְיוֹמָא תְּדִיר בְּלֹא פְּסִיקוּ בְּגִין לֹא נִהָרָא לוֹן תְּדִיר

as *Zohar I, Vayigash* p. 207a states: 'For the World-to-Come *binah* emits lights that shine constantly day by day without interruption in order to illuminate them *Ze'ir Anpin* and *Nukvah* constantly.

וְכֵן הוּא ג"כ בְּפ' פְּנִיחָס רל"ט ר"ש ע"ב ע"ש.

Similarly in *Zohar III, parashat Pinchas* p. 139b. See there.

3d — The *Neshama* of the Third Revelation in the *Partzufim*

וְהִנֵּה ע"ד שְׁאֲמָרְנוּ שֶׁהָא"ק הוּא הַגְּלוּי הַשְּׁלִישִׁי הַכִּלְלִי

Now in similar manner to our explanation that A"K is the third general revelation

הוֹצִיא כְּנִגְדּוֹ בְּכָל עוֹלָם בְּחִי אֶחָד דִּגְמָתוֹ שֶׁהוּא פְּרָצוּף הָאִמָּא

and produced a corresponding aspect in every world – the *partzuf* of Imma –

כֵּן הוֹצִיא כְּנִגְדּוֹ ג"כ בְּחִי אַחַת בְּכָל פְּרָצוּף וּפְרָצוּף בְּפֶרֶט בְּהִיא
חֲלָקֵי נִרְנַח"י שְׁבוּ

so too it produced a corresponding aspect in each and every *partzuf*, specifically in the five aspects of nrnch"y – *nefesh, ruach, neshama, chaya* and *yechidah* therein.

וְהִנֵּה הוּא הַחֲלָק אֹר הַנִּקְרָא בְּשֵׁם נִשְׁמָה

Specifically, this is the aspect of the light called '*neshama*.'

כִּי הִנֵּה הִיא ג"כ בְּכָל הַבְּחִי אֲשֶׁר אֲמָרְנוּ לְעֵיל בְּפְרָצוּף הָאִמָּא

She the level of *neshama* is also manifested in all the aspects mentioned above regarding the *partzuf* of Imma,

כִּי עָקְרוּ דְּכָל פְּרָצוּף הִנֵּה הוּא רַק הָרוּחַ שְׁבוּ שֶׁהוּא הַמְצִיאוֹת
הָעֶקְרִי דְּכָל פְּרָצוּף

because the primary aspect of every *partzuf* is only the level of *ruach* therein, the primary 'being' of every *partzuf*.

אֲבָל הַנִּשְׁמָה הִיא לְמַעְלָה מִמְּדֻרְגָּתוֹ וְהִיא רַק שְׂרָשׁוֹ אֲשֶׁר מִמֶּנּוּ הוּא
יוֹצֵא

But the level of *neshama* transcends the level of *ruach* and is merely the origin from which it *ruach* emerges.

וּמְקוֹמָהּ הוּא לְעוֹלָם לְמַעְלָה וְהִיא נֶעְלָם וּע"ד שְׁאֲמָרְנוּ לְעֵיל
בְּהָאִמָּא שֶׁהִיא מֵהַנִּסְתָּרוֹת וּבִהָא"ק שֶׁהוּא מְעוֹלָמוֹת דָּא"ס.

And she the *neshama* is always situated above and remains hidden,

similar to what we explained above regarding Imma, which is 'of the hidden aspects,'²⁵ and in A"K, which is counted as part of the Infinite Worlds,

אך ביה נעשה ונשלם כל מציאות הרוח ובנינו בכל תכונותיו

but within her the *partzuf* of Imma is completed the entire being of *ruach* and its structure with all of its characteristics,

ע"ד האמא אשר נעשה ביה ועל ידה כל ענין הולד וצורתו וכו"ל

in similar manner to the way a fetus and its shape is developed in its mother, as noted earlier.

אבל עקר הנשמה היא לעולם למעלה וכמו שאמרנו לעיל שער ג'

But the primary aspect of the *neshama* is always above, as mentioned above, in Sha'ar 3.

וכן הנשמה הנה היא הבינה דהפירצוף והה' ראשונה, והשם ס"ג שבו

The *neshama* too is the *binah* of the *partzuf*, and the first letter *hei* of the Name *Havaye*, and the Name *Sa"g* therein

ובה הוא קשור כל פירצוף תמיד ושואב ממנה כל חיותו ושפיעו

And to her to *binah* the entire *partzuf* of Imma is always connected and from her it draws all of its life-force and spiritual flow *shefa*.

וכן כתב הגר"א בספר יצירה פ"א משנה א' אפן ג' כי הנשמה היא נעלמת מאד

The GR"A writes in similar vein in *Sefer Yetzirah* 1:1, *ofen* 3 – that the *neshama* is exceedingly concealed.

ועקר חיותו של האדם הוא הרוח והוא המקבל שכר וענש והוא המרגיש והוא כל כחותיו וחושיו

The primary life-force of a person is from *ruach*, which is what receives reward and punishment and this is what has feeling and is the locus of all the powers and senses,

והנשמה הוא השכל המלמד לאדם דעת והוא מזלו של האדם ומלאכו והיא בשמים

whereas the *neshama* illuminates the intellect that teaches a person awareness *da'at* and is the person's *mazal*²⁶ and his angel, and remains in the heavenly realms,

רק ניצוצות מתנוצצים ממנה על האדם להנהיגו ולהשכילו

and only 'sparks' fly off from her from the *neshama* onto the person to guide him and endow him with intelligence.

וְלָכוֹן נִשְׁמָה בְּאָדָם נֶגֶד שָׁמַיִם בְּעוֹלָם (וְכוֹן נִשְׁמָה גִּימ' הַשָּׁמַיִם)

Therefore the *neshama* in a person corresponds to the heavens in worlds (and indeed *neshama* and *hashamayim* the heavens have the same *gematria* = 395, alluding to this connection).

וְהַתְחַלַּת אָדָם מֵרוּחַ וְהוּא עָקְרוֹ וּבְצִאָת הָרוּחַ מֵאָדָם הוּא מָת

The beginning of man is from *ruach*, and that is his primary aspect, and when the *ruach* leaves him he expires.

וְנִגְדוֹ בְּעוֹלָם – הָאוֹיֵר, שֶׁמִּמֶּנּוּ חַי הָאָדָם וְאִי אֶפְשָׁר לְהִתְקִים בְּלֹתוֹ
אֲפִי רָגַע אֶחָד וְנִקְרָא ג"כ רוּחַ עַכ"ל

Correspondingly, in the world there is the atmosphere in which a person lives, and without which he wouldn't be able to live for even a moment (a person can last in a vacuum for only a very short time), and this too is called '*ruach*.'

זֶהוּ ג"כ עֲנִין שֵׁם נִשְׁמָה כִּי הוּא מְלֶשׁוֹן הַשְׁתוּמְמוֹת וְתִמְחוֹן

This is also the concept behind the name '*neshama*' – from the words *hishtomemut* 'astonishment' and *timhon* 'shock' or 'surprise'

וְכִמּוֹ שֶׁמּוֹ שָׁמַיִם בִּירְמִיָּה ב' וְהוּא מְשׁוּם שְׂאִי אֶפְשָׁר לְהַשִּׁיגָהּ כִּי הִיא
לְמַעַל מִמְדֻרְגַּת הָאָדָם.

as in the verse in Jeremiah 2:12: "Be astounded [*shomu*], O heavens..." because it is something impossible for humans to fathom, since it transcends the level of man.

וְכוֹן הוּא מְלֶשׁוֹן שֵׁם וְכִמּוֹ שֶׁכְּתוּב בְּאַדְרַת אֱלֹהֵיוּ לְהִגָּר "א עַל מַלְאֲכֵי
הַשָּׁמַיִם

The name *neshama* is also from the origin word *sham* over there as the GR"A writes in his *Aderet Eliyahu* on the word '*shamayim*' heavens

שֶׁהוּא מְלֶשׁוֹן שֵׁם ע"ש שֶׁהוּא בִּקְצָה הַגְּבוּהוֹת שְׂאִי אֶפְשָׁר לְהִגִּיעַ שָׁם
which derives from the word '*sham*' – over there at the farthest boundary of loftiness that is impossible to reach.

וְכוֹן הוּא ג"כ מְלֶשׁוֹן שְׁמֻמּוֹן ע"ד שֶׁכְּתוּב תְּהִלִּים ס"ט תְּהִי טִירָתָם
נִשְׁמָה מְשׁוּם שְׂאִין הַפְּרָצוֹף מִגִּיעַ שָׁם

Neshama is also from the word *shim'mon* desolation or destruction, as in the verse (Psalms 69:26) "Let their palace be desolate" – *neshama* – since no *partzuf* reaches down to that level.

וְהוּא כַּמִּשְׁפָּד צִרְפָּן בְּשָׁעַל זֶה כְּתִיב לֹא עָבַר בָּהּ אִישׁ וְלֹא יָשַׁב
אָדָם שָׁם כִּי שָׁם אֵין מְגִיעַ שׁוֹם פְּרָצוֹף.

This is as the *Sifra d'Tzniuta* beginning of chapter 2 explains: The verse (Jeremiah 2:6) states: “In a land through which no man passed and where no person settled” – because no *partzuf* reaches down to that level.

וְעַכְשָׁנָה הִנֵּה הִיא הַשְּׂרֵשׁ הַיּוֹתֵר קָרוֹב מִכָּל מָה שֶׁלְּמַעַלָּה

Nevertheless, of all the aspects above, it is the very closest origin of all,

כִּי מִמֶּנָּה מְקַבֵּל וְשׂוֹאֵב הָרוּחַ כָּל חַיּוּתוֹ בְּכָל נְשִׁימָה וְנְשִׁימָה שָׁבוּ

for from her *neshama* the level of *ruach* receives all of its life-force with its each and every breath – note that the word *neshama* is also related to the word *neshima* = breath

וְהוּא קָשׁוּר וְתָלוּי בָּהּ לְעוֹלָם בְּכָל תְּכוּנוֹתָיו בְּפִרְטוּיּוֹת בְּלִי הַפְּסָק
מֵאַמָּה

and it *ruach* is always bound to her the *neshama* in all of its specific aspects with absolutely no hiatus,

וְכַמוֹ שֶׁאֲמַרְנוּ לְעֵיל מִזוּה"ק פ' וַיִּגַּשׁ בְּעֵנֵין הַזֶּה עִם הָאֵמָּה.

just as we stated above from the holy Zohar, *Vayigash* regarding Z”uN and *Imma*.

וְלִכְךָ נִקְרָאִים כָּל הָה' חֲלָקֵי נִרְנַח"י ע"ש הַנִּשְׁמָה

Therefore, all five levels *nefesh*, *ruach*, *neshama*, *chaya*, *yeichidat* are referred to generically as *neshama*,

מִשּׁוֹם שֶׁכָּל הָרוּחַ וְנִפְשׁ שֶׁהֵם עֹקֵר הַפְּרָצוֹף מְקַבְּלִים כָּל חַיּוּתָם רַק
מִמֶּנָּה

since every *ruach* and *nefesh*, which are the primary aspects of the *partzuf*, receive their life-force only from her from *neshama*,

וְהֵם תָּלוּיִם בָּהּ לְעוֹלָם וְהִיא כּוֹלֵל אוֹתָם מִלְּמַעַלָּה לְמַטָּה

and they are always dependent upon her, and she includes them from above to below.²⁷

וְהַחֲדָה וְהַיְחִידָה הִנֵּה הִיא כּוֹלֵל אוֹתָם מִלְּמַטָּה לְמַעַלָּה וְכָל קִשּׁוּרָם
בְּהַפְּרָצוֹף הוּא רַק עַל יָדָהּ.

And she includes *chaya* and *yeichidat* from below to above, and their entire connection to the *partzuf* is through her²⁸ – through *neshama*.

וְהוּא ע"ד שְׁנִקְרְאוּ כָל הָעוֹלָמוֹת הַתַּחְתּוֹנִים בְּשֵׁם בְּרִיאָה וְכַמ"ש
בְּרֵאשִׁית בְּרָא

This is similar in concept to how all the lower worlds are called by the name Beriah, as the verse (Genesis 1:1) states: "In the beginning, when God created... – bara."

מִשּׁוּם שֶׁהַבְּרִיאָה הִיא שְׂרָשָׁם וְהֵם קְשׁוּרִים בָּהּ וּתְלוּיִם בָּהּ תָּמִיד

This is because the World of Beriah is their source the source of the lower worlds and they are bound to her and are always dependent upon her,

וּמִקְבָּלִים מִשָּׁם כָּל חַיּוֹתָם ע"י אור שְׂכִינָתוֹ ית"ש הַשּׁוֹכֵן בָּהּ

and they receive all of their life-force from there via the light of His blessed Shechinah which rests there,

כִּי הִיא הַכֶּסֶּא הַכְּבוֹד כַּנ"ל וּמִמֶּנָּה הֵם נִשְׁפָּעִים בְּכָל קִיּוּמָם
וְהִנֵּהגָתָם

for she the World of Beriah is the Throne of Glory, as mentioned above, and their the lower worlds' entire existence and comportment are directly impacted²⁹ by her.

וְהִרִי עוֹמֵד כָּל מִצִּיאוֹתָם רַק ע"י גְּלוּיּוֹ ית"ש שֶׁבַּהַבְּרִיאָה

After all, their entire existence is exclusively via His revelation in Beriah.

וְהִנֵּה הוּא ע"ד הָאֵמָא בִּינָה שֶׁהִיא מִיַּחַד וְכָלּוֹל בְּכָל הַג"ר וְהַז"ת
שֶׁהֵם הַזו"ן כְּלוּלִים בָּהּ.

This is similar to the way in which Imma-binah is united with, and is integrated in, all three 'heads' the first three sefirot, referring to either keter-chochmah-binah or to chochmah-binah-da'at, and the seven lower sefirot – the six sefirot of zeir anpin and the sefirah of malchut, ** the latter of which are integrated within her.**

וְכֹן כָּלֵל הָעוֹלָמוֹת כָּלֵם הִנֵּה הֵם כָּלֵם תְּלוּיִם וְכָלוּלִים בְּאֶדָם
קְדָמָא שֶׁהוּא מְעוֹלָמוֹת דַּא"ס

And so too, all of the Worlds are dependent upon, and are integrated within, Adam Kadmon, which is in the category of the Infinite Worlds,

שֶׁהִרִי כָּל הָעוֹלָמוֹת שְׁלֻמְעָלָה מִמֶּנּוּ מְתִיחָדִים בּוֹ וְהוּא כּוֹלֵל אוֹתָם
מִמַּטָּה לְמַעְלָה כִּי שָׁם כָּלֵם מְתַגַּלִּים בּוֹ וְעַל יָדוֹ

for all of the worlds above it above Adam Kadmon are united with it, and it includes all of them from below to above, since all of them are revealed in it in Adam Kadmon and by it.

וכן הוא כולל את כל העולמות שלמטה כי על ידו נשתלשל כל
מציאותם

And so too, it Adam Kadmon includes all of the worlds below it, since their entire existence devolves by way thereof,

ועל ידו מתיחד ומתגלה האור דא"ס בכלם בכ"א לפי ערכו.

and by way thereof by way of Adam Kadmon the *Ohr Ein Sof* is united with and is revealed in all of them in all of the worlds, each according to its spiritual stature.

והרי נתבאר כי אור הנשמה שבכל פרצוף הנה שרשה אשר
בהעולמות דא"ס הוא א"ק

****Thus we have explained that the origin of the light of the *neshama* in every *partzuf* in the Infinite Worlds, i.e. in Adam Kadmon. ****

כי כמו שהוא השרש דכל תכונת אדם שבכלל העולמות כלם והוא
למעלה מהם

Just as it Adam Kadmon is the origin of all the aspects of ‘man’ – i.e. that which is fashioned in the Divine Image – in all of the worlds, and which transcends them,

כן הוא הנשמה השרש דהרום שהוא עקרו דכל פרצוף והיא
למעלה ממנו.

so too regarding the *neshama*: it is the origin of the next level down, *ruach*, which is the primary aspect of every *partzuf*, and she *neshama* transcends it i.e. *ruach* and all the *partzufim* of which *ruach* is the primary aspect.

ושרשה שבהפרצופים דכל עולם הוא פרצוף האמא בינה שהיא
למעלה מהזו"ן שהם עקר הגלוי דכל עולם

Its origin in terms of the *partzufim* in all the worlds is the *partzuf* of Imma-binah which is superior to *ze'ir anpin* and *malchut*, which are the primary revelation in each world.

וזהו שכתוב איוב ל"ב אכן רוח היא באנוש, ונשמת שדי תבנים

This is the meaning of the verse in Job 32:8 “Indeed it is a spirit *ruach* in man, but it is the soul *neshama* from the Almighty that gives them understanding”

הרי אמר שהרוח הוא בהאדם עצמו אבל על הנשמה אמר שהיא
נשמת שדי

– the verse states that it is *ruach* that is within the person himself, whereas regarding the *neshama* it states that she is the soul belonging to the Almighty.

כי היא למעלה מהאדם וכמ"ש רמ"ל מלבנים ז"ל שם

For it the *neshama* is loftier than the person himself, as the Malbim of blessed memory writes there in his commentary to Job 32:8.

וכן הרי אומר ונשמת שדי תבינם כי היא מהבינה

And therefore the verse states, “but it is the soul *neshama* from the Almighty *tevineim*” – ‘that gives them *understanding*’ from the word *binah*.

ומה שאמר ונשמת שדי כי היא מעולם הבריאה ששם הוא השם שדי

And that the verse states “but it is the *neshama* from the Almighty” using the Name י-ד-י specifically, is because this is the Name that is associated with the World of Beriah,

וכמ"ש בזוה"ק פקודי רנ"ג א' כי שם אל שדי הוא בהיכל אהבה דבריאה

as the holy Zohar states in *Pikudei* 253a – the Name א-ל-ש-ד-י is associated with the *heichal* of love of the World of Beriah.

וע' פע"ח שער הסליחות פ"ח שאמר שם מה שהשם אל שדי הוא בבריאה

See also *Pri Eitz Chaim, Sha'ar HaSelchiot* chap. 8 which states that the Name י-ד-י א-ל-ש-ד-י is in the World of Beriah,

הטעם הוא משום שהבריאה הוא משרש הבינה ועקר השם הוא שם ע"ש

and the reason is that the origin of Beriah is *binah*, and that Name is the primary one there.

והרי לנו כי הבינה והבריאה והנשמה בחי' אחת הם ושרש כלם הוא מא"ק וכמו שבארנו בכל דברינו לעיל

Thus we have it that *binah* and Beriah and *neshama* are all one aspect, and the root of all of them is in A"K, as we've explained above all along.

והרי נתבאר לנו מכ"ז כי הגלוי השלישי הכללי שהוא אדם קדמון שהוא מעולמות דא"ס

Thus we have clarified from all the above that the third general or macro revelation is Adam Kadmon, which is in the category of the Infinite Worlds.

הנה הוציא הוא את דגמת בחינתו בעולמות והוא עולם הבריאה

And it Adam Kadmon produced its likeness in the worlds as the World of Beriah,

ובפרצופים שבכל עולם הוא פרצוף האמא בינה
 and in the *partzufim* in each world as the *partzuf* of Imma-binah,
 ובהחלקי נרנח"י שבכל פרצוף הוא אור הנשמה
 and in the various levels of soul – *nrnch"y* – the light of *neshamah*,
 ובהאותיות דהשם הוא אות ה' ראשונה
 and in the letters of the Name i.e. the Name Havaye it is the first letter *hei*,
 ובהשמות דמלאים הוא השם ס"ג
 and among the Names as spelled out in full (i.e. with the *milui*) it is the Name
Sa"g.
 כי כל אלו הם בבחי' תכונה אחת והוראה אחת לכלם.

All of these are aspects of a single quality and a single teaching applies to all of them.

28. In the sense that *neshama* initially emerges from *chaya* and is maintained by the life-force she receives from *chaya*, and by extension *yechidah*. In this way *neshama* can be said to incorporate *chaya* and *yechidah* within her. [↩](#)
29. The word **נשפָּעִים** is difficult to translate. It is more than impinged upon, but less than absolutely dominated by. I think 'impacted' is not quite correct (because it implies only a secondary influence), hence 'directly impacted.' [↩](#)

Chapter 4 — Revelations and Divine Names in Atzilut, Beriah and Yetzirah

Shaar 7 Chapter 4

4a — Revelations and Divine Names in Atzilut, Beriah and Yetzirah

וּנְבְאָר ג"כ עֲנִין הַגְּלוּי הָרְבִיעִי שֶׁבְּכָלל הָעוֹלָמוֹת כָּלָם

Let us also explain the fourth revelation in the general category of all worlds i.e. on the macro scale,

הַבְּחִי' אֲשֶׁר כִּנְגְדוּ בְּהָעוֹלָמוֹת וְהַפְּרָצוּפִים^[1].

and the aspect that corresponds to it in the worlds and the *partzufim*.

הִנֵּה הַגְּלוּי הָרְבִיעִי שֶׁבְּכָלל הָעוֹלָמוֹת הִרִי אֲמַרְנוּ לְעֵיל שְׁעַר ד' פ"ד

Now the fourth revelation in the general category of worlds, as stated above

Sha'ar 4 chapter 4,

כִּי הִנֵּה הוּא גְלוּיוֹ ית"ש אֲשֶׁר נִתְגַּלָּה בְּעוֹלָם הָאֲצִילוֹת

is His blessed revelation that is revealed in the World of Atzilut.

וְאֲמַרְנוּ שֶׁם כִּי יֵשׁ חֲלוּק גָּדוֹל בֵּין הַגְּלוּי הָרְבִיעִי לְהַג' גְּלוּיִם
הָרְאשׁוֹנִים

And we stated there that there is a huge distinction between the fourth revelation and the first three that precede it.

כִּי כָל הַג' גְּלוּיִם הָרְאשׁוֹנִים הִנֵּה הֵם אֵינָם אֶלָּא רַק בְּבִחִי' רָצוֹן
וּמַחֲשָׁבָה וְהִרְהוּר

Because all three initial revelations are nothing other than the aspects of *Ratzon*, *Machshava*, and *Hirhur* – Will, Mind and Thought respectively.

וְהֵם כָּלָם עֲדִין בְּהַמְאָצִיל עֲצָמוֹ כִּי לֹא נִתְגַּלָּה בָּהֶם בְּבִחִי' פְּעֻלָּה
כָּלָל,

And all of them are as yet still within the Emanator Himself, because they are not revealed within Him as any type of activity,

וְלָכֵן הֵם נֶעְלָמִים מְאֹד וְהֵם כָּלָם מְהָעוֹלָמוֹת דא"ס

and therefore they are very hidden and inaccessible, and they are in the category of Infinite Worlds.

אֲךָ גְלוּיוֹ הָרְבִיעִי הִנֵּה בּוֹ יֵצֵא מִהַכֹּחַ אֶל הַפּוֹעֵל וְנִתְגַּלָּה שֶׁם בְּפְעֻלָּה
וּמַצִּיאוֹת

But the fourth revelation emerges from potential to actual or from latent to manifest and becomes revealed as an activity and in reality

וְהוּא מְצִיאוֹת הִי סִפִּי וּבְנִין כָּל הָעוֹלָם דְּאֲצִילוֹת

– as the manifestation of the ten *sefirot* and the entire structure of the World of Atzilut.

אֲמָנָם כָּל הַפְּעֻלָּה הַזֶּה הִנֵּה הִיא מִיָּחָד עִמּוֹ לְעוֹלָם כִּי מִתְלַבֵּשׁ בָּהּ וְנִעֲשִׂית חֵד עִמּוֹ.

Nevertheless, this entire activity the manifestation of the World of Atzilut in actuality is always united with Him, for He is clothed therein and it becomes one with Him.

וְנִתְגַּלָּה עַל יְדֵהּ הוּא עֲצָמוֹ ית"ש לְהִקְרָא בְּשֵׁם וְהוּא הַשֵּׁם הוּי"ה ב"ה.

What is revealed then through this activity is His blessed Self, where He comes to be called by Name, the blessed Name Havaye.

כִּי מְצִיאוֹת הָאֲצִילוֹת הוּא שְׁמוֹ וְכַאֲשֶׁר מִתְלַבֵּשׁ וּמִתְיַחַד שֵׁם נִתְגַּלָּה הוּא עֲצָמוֹ

This is because the actuality of Atzilut is His Name, and when it is clothed therein and unified therewith, He Himself becomes revealed

לְהִקְרָא בְּשֵׁם ע"י הָאֲצִילוֹת וְכַמ"ש בְּזוֹה"ק יתרו פ"ו א' עַל הָעֶשֶׂר סִפִּי דְּאֲצִי

to be called by Name via Atzilut, as the Zohar II*, Yitro* 86a states regarding the ten *sefirot* of Atzilut:

דְּבִהוּ אֶתְחִזִּי מִלְכָּא קְדִישָׁתָא ר"ל שְׁבָהֶם מִתְגַּלָּה לְהִקְרָא בְּשֵׁם

‘In them the Holy King becomes revealed’, meaning: He reveals Himself in them to be called by Name,

וְלִהְיוֹתָ עַל יְדוֹ אֶת כָּל הַמְצִיאוֹת כְּלוּ וְלִהְיוֹתָ בְּכָל הַתּוֹרָה כְּלָהּ.

and to bring forth the entire existence by means thereof by means of His Name, and to become revealed throughout the entire Torah.

וְאֵינּוֹן שְׁמָהּ וְהוּא אֲנוֹן הוּא וְשְׁמָהּ חֵד הוּא. כִּי נִעֲשֶׂה חֵד עִמָּהֶם.

They the ten *sefirot* are His Name, and He is clothed within them, and He and His Name are one; thus He becomes one with them.

וְכֹן בְּרַע"מ פִּנְחָס רכ"ה א' עֲלוֹת הָעֲלוֹת עַל כָּל דְּאֶתְקָרִי יְהוּה

Similarly in Zohar III *Raya Mehemna*, Pinchas 225a – ‘The Cause of causes, transcending everything, He who is called Havaye,

אֶתְמַר בֵּה וְאֵל מִי תִדְמִינִי וְאֶשְׁוֶה יֹאמֵר קְדוֹשׁ וְאֵל מִי תִדְמִינִי אֵל
וְמֵה דְמוּת תַּעֲרֹכוּ לוֹ כו'

regarding whom it states (Isiah 40:25) "To whom can you liken Me, that I should be [their] equal..."

וְאִיהוּ לֹא אֶתְקָרִי יְהוּה וּבְכָל שְׁמֵהוּן אֶלֶּא בְּאַתְפְּשׁוּת נְהוּרָה עֲלֵיהוּ

Now He is not called Havaye or any other Name until His light is spread forth upon them.

וְכִד אֶסְתַּלַּק מִנִּיהוּ לִית לֵה מִגְרָמָה שֵׁם כָּלֵל מִנְהוּן כו'.

And if His light would be withdrawn from them He would not of Himself have any of those Names since the Names are only the radiance of His light and are not of His essence.

וְשֵׁם רנ"ז ב' כָּל שְׁמֵהוּן דִּילֵה אָנוּן כְּנוּיִין וְלֹא אֶתְקָרִי בְהוּן אֶלֶּא עַל
שֵׁם בְּרִין דְּעֻלְמָא כו'

Also in Zohar III, *Raya Mehemna Pinchas* 257b: All of His Names are designations, and He is not called by them by those Names other than by way of His creating the world.

אֶתְקָרִי לְגַבִּיָּהוּ יְהוּה בְּמִדַּת רַחֲמִים כו' אֶתְקָרִי אֲדָנִי בְּמִדַּת הַדִּין כו'

He is called Havaye regarding the attribute of compassion, and Ad'nai² regarding the attribute of strict justice etc.

אֲבָל לֹא דְאִית לֵה מְדָה וְלֹא שֵׁם יָדוּעַ כְּגוֹנוֹנָא דְּסַפִּירָאן דְּכָל סְפִירָה
אִית לֵה שֵׁם יָדוּעַ כו'

But it isn't that He has these qualities, nor any known name. Contrast that with the *sefirot*, where each *sefirah* has a known name.

וּבְאֵלֵין שְׁמֵהוּן מְאָרִי עֻלְמָא אִיהוּ אֶתְפְּשֵׁט וְאִמְלִיךְ בְּהוּן וְאֶתְקָרִי
בְּהוּן וְאֶתְכַסִּי בְּהוּן

And with these Names the Master of the Worlds radiates forth and through them He rules, and by them by their Names He is addressed, and in them He is concealed,

וְדָר בְּהוּן כְּנִשְׁמַתָּא לְגַבִּי אֲבָרִים דְּגוּפָא

and in them He dwells, like the soul within the limbs of the body.

וְכֹן בְּרַע"מ פ' בָּא מ"ב ב' דְּהָא קָדָם דְּבָרָא קב"ה דִּיוֹקְנָא בְּעֻלְמָא

And similarly in *Raya Mehemna, Bo* 42b: Prior to the blessed Holy One creating any profile in the sense of form or structure in the world...

ר"ל קדם שְׁהַמְצִיא אֶת הָאֲצִילוֹת.

- meaning, prior to bringing forth Atzilut –

הָיָה הוּא יְחִידָאִי בְּלֹא צוּרָה וְדִמְיוֹן וּמֵאֵן דְּאִשְׁתַּמּוּדַע לִיָּה קִדְּם
בְּרִיָּאָה דְּאִיהוּ לְבַר מְדִיוֹקְנָא.

He was One and Only, without form or likeness, and had He been knowable
prior to the Creation, this would have been beyond any profile or image

ר"ל כְּשֶׁמְדַבְּרִים מֵעֲצֻמוֹתוֹ ית"ש אֲשֶׁר לְמַעַלָּה מֵאֲצִי'

- i.e. when we are talking about His blessed Essence that transcends
Atzilut –

אָסוּר לְמַעַבֵּד לִיָּה צוּרָה וְדִיוֹקְנָא בְּעִלְמָא לֹא בָּאוֹת ה' וְלֹא בָּאוֹת י'
וְאִפִּי בְּשֵׁמָא קְדִישָׁא כו'

and it would be forbidden to ascribe to Him any form or profile in existence, not
with the letter *hei* and not even with the letter *yud*, and not even by way of a
holy Name.

אֲבָל בְּתֵר דְּעֵבֵד הָאִי דִּיוֹקְנָא דְּמֶרְכָּבָה דְּאָדָם עֲלֵאָה

But after He fashioned that profile of the *Merkava* or 'vehicle' in the allegorical
sense of the supernal Adam

ר"ל אַחֲרֵי שֶׁהֶאֱצִיל אֶת הָאֲצִילוֹת שֶׁהוּא הַמְצִיאֹת דֶּהשֵׁם הוּי"ה וְכָל
הַשְּׁמוֹת הַקְּדוּשִׁים כָּלֵם הַמְּסַתְּעִפִּים מִמֶּנּוּ

- i.e. after He emanated Atzilut, which is the manifestation of the Name
Havaye, and all the holy Names that branch out from it –

נְחִית תַּמָּן וְאַתְקַרִּי בְּהֵוָה דִּיוֹקְנָא יֵהוּה.

He descended into it into that *Merkava* to be called by that profile – Havaye.

שֶׁנִּקְרָא מֵעַתָּה הוּא עֲצֻמוֹ בְּהֵשֵׁם הַזֶּה כִּי ע"י שְׁנִחַת תַּמָּן וְהִתְיַחֵד
בְּהֵם

From now He Himself is called by this Name, because once He descended there
and united with them with the Names in Atzilut

וְנִעְשָׂה חֵד עִמָּהֶם הֵנָּה נִתְגַּלָּה וּמִתְרָאָה הוּא עֲצֻמוֹ ע"י הָאֲצִילוֹת
בְּהֵשֵׁם הַזֶּה.

and became one with them, He is revealed and He Himself appears via Atzilut
in this Name

בְּגִין דִּישְׁתַּמּוּדְעוֹן לִיה כְּדִי לְהַתְגַּלָּה וּלְהוֹדֵעַ עִי"ז לְמִטָּה וּע"ש כָּל
הָעֲנִין

in order to be known, to become revealed and known thereby down below. See the entire matter there.

וְכֵן בְּתַפְלַת אֵלֵיהֶוּ וּבְהַקְדַּמַת תְּקוּנִים ז' ע"ב.

A similar analysis can be found in the prayer of Elijah called *Patach Eliyahu***, in the Introduction to the *Tikunei Zohar*** p. 7b.

וְהָרִי לָנוּ מִכ"ז ג' יְדִיעוֹת

From all of the above analysis we have it that there are three areas of knowledge:

א' כִּי הַמְצִיאוֹת דְּהַסְפִּי דְּאֲצִילוֹת הֵם מְצִיאת דְּכָל הַשְּׁמוֹת

1) The actuality of the *sefirot* of Atzilut is that they are the manifestation of all the Divine Names;

ב' כִּי הַתְלַבֵּשׁ בָּהֶם הַמְּאֲצִיל א"ס עֲצָמוּ ית"ש וְנִעְשָׂה חֵד עִמָּהֶם
וּמִתְגַּלָּה וּמִתְרָאָה הוּא עֲצָמוּ מַעֲתָה בְּהֵשֶׁם יְהוָה ב"ה וּבְכָל
הַשְּׁמוֹת הַמְּסֻתָּעִים מִמֶּנּוּ

2) The blessed Infinite Emanator clothed Himself within them and became one with them and He Himself becomes revealed and appears from now on in the blessed Name Havaye and in all the Names that branch off from it;

ג' כִּי כָּל הַמְצִיאוֹת דְּאֲצִילוֹת שֶׁהוּא הַמְצִיאוֹת דְּהַשְּׁמוֹת אֲשֶׁר נֶאֱצְלוּ
וְכֵן מָה שֶׁמִּתְרָאָה בָּהֶם מַעֲתָה הוּא עֲצָמוּ ית"ש הִנֵּה הוּא כְּדִי
לְהַתְגַּלָּה וּלְהוֹדֵעַ עַל יְדֵיהֶם לְמִטָּה שֶׁהוּא בְּכָל הָעוֹלָמוֹת בִּי"ע שֶׁהֵם
הָעוֹלָמוֹת הַנִּפְרָדִים

3) The entire actuality of Atzilut, which is the actuality of the Names that were emanated, and also that from now on what appears from within them is Him Himself, blessed is His Name, with the purpose of becoming revealed and known by means of them down below, in the Worlds of Beriah, Yetzirah and Asiyah – the separated worlds.

וְהָרִי לָנוּ כִּי כָּל הַמְצִיאוֹת דְּאֲצִי הוּא לְצַרְךָ הַבִּי"ע

So it turns out that the entire actuality of Atzilut is for the sake of BiY"A.

וְהִנֵּה עוֹלָם הַבְּרִיאָה גַם הוּא אֵינוֹ עֹדִין מִהַגְלוּיִם כִּי הוּא כֹּסֵא כְבוֹדוֹ
ית"ש

Now the World of Beriah too is not yet one of the fully revealed worlds, because it is the Throne of His Glory

אֲשֶׁר עָלָיו הוּא שׁוֹרָה וְהוּא לְבוּשׁ עַל הָאֲצִילוֹת כִּנ"ל פ"ג

upon which He 'rests' and it is a garment for Atzilut, as explained above, chapter 3.

וְהָיָה כָּל עוֹלָם הַבְּרִיָּאָה ג"כ רַק הַכֶּנֶּה וְצֶרֶךְ לְהַגְלוּתָם הָעֲקָרִיִּים
שֶׁהֵם הָעוֹלָמוֹת דִּיצִירָה וְעִשְׂיָה

Thus the World of Beriah is also merely a preparation for the sake of the primary revealed levels – the worlds of Yetzirah and Asiyah.

אָבֵל עוֹלָם הַבְּרִיָּאָה עֲצָמָה הִיא ג"כ סֶתֶם וְנִעְלָם וְכֵן אָמַר אֱלֹהֵינוּ
זל"ט

But the World of Beriah itself is also inaccessible and hidden, as Eliyahu, may his memory be a blessing, stated:

אֲנִי הוּא דְאֶפִּיקֶת עֲשֶׂר תְּקוּנֵינוּ וְקָרִינוּ לוֹ עֲשֶׂר סְפִירָה לְאַנְהָגָא בְּהוֹן
עֲלֵמִין סְתִימִין דְּלֹא אֶתְגַּלִּין

You are He who has brought forth ten 'garments'³ and we call them ten *sefirot*, through which to direct hidden worlds that are not revealed

(שֶׁהֵן אֲצִילוֹת וּבְרִיָּאָה י"ה שֶׁל הַשֵּׁם נֶגֶד חו"ב שֶׁהֵן נִסְתָּרוֹת ע"ש בְּהִגְר"א)

(these are the Worlds of Atzilut and Beriah, the *Yud* and *Hei* of the Name, corresponding to *chochmah* and *binah*, which are hidden qualities. See GR"A)

וְעֲלֵמִין דְּאֶתְגַּלִּין הֵן יִצִּירָה וְעִשְׂיָה שֶׁהֵן ו"ה שֶׁל הַשֵּׁם נֶגֶד זו"ן שֶׁהֵן
נִגְלּוֹת

and revealed worlds – Yetzirah and Asiyah – which are the *Vav*, *Hei* of the Name corresponding to *zeir anpin* and *nukvah*, the revealed levels.

וּא"כ הָרִי נִמְצָא כִּי עוֹלָם הָאֲצִילוֹת אֲשֶׁר אִמְרָנוּ שֶׁכָּל מְצִיאוֹתָיו הוּא
לְצֶרֶךְ גְּלוּיָיו אֲשֶׁר לְמַטָּה

This being so, it turns out that the World of Atzilut, the entire existence of which we described as being for the sake of its revelation down below,

הִנֵּה הוּא לְצֶרֶךְ הָעוֹלָמוֹת דִּיצִירָה וְעִשְׂיָה כִּי בָּהֶם הוּא גְלוּיָיו ית"ש

that is to say for the needs of the Worlds of Yetzirah and Asiyah, since in them are His blessed revelations.

אֲשֶׁר עַל זֶה כּוֹן בְּכָל בְּרִיאת עוֹלָמוֹ וּבְכָל הַמְּצִיאוֹת כְּלוּ

Indeed this was His intention throughout the creation of His world, and throughout all of existence,

כי עולם היצירה הוא הרוח הכללי וממנו הוא הרוח שבאדם שהוא עקר האדם וכנ"ל פ"ג אות ד'

since the World of Yetzirah is the general i.e. macro-level *ruach***, and from it comes the** soul level called *ruach* in man, and this is the primary aspect of man, as explained above 3:4.

אֵלָא שֶׁהוּא אִי אֶפְשָׁר לְהִתְלַבֵּשׁ בְּהַגּוּף שֶׁהוּא מִהַחֲצוֹנִית דְּהַעֲשִׂיָּה
אֵלָא וְכָּע"י הַנֶּפֶשׁ שֶׁהוּא מִהַפְּנִימִית דְּהַעֲשִׂיָּה

But it *ruach* itself cannot become clothed in the body, which is of the outer aspect of Asiyah, other than by way of the *nefesh*, which is the inner dimension of Asiyah.

וְנִבְנָה הָאָדָם מִהָרוּחַ וְנֶפֶשׁ וְגוּף שֶׁהֵם הַיְצִירָה וְעֲשִׂיָּה

And man in this world is built from *ruach*, *nefesh* and the body, which are Yetzirah and Asiyah – the body corresponding to the external aspect of Asiyah, while the *nefesh* corresponds to its inner dimension.⁴

וְלָהֶם הוּא גְלוּיוֹ שֶׁל הַקַּב"ה אֲשֶׁר נִתְגַּלָּה בְּהֵשֶׁם הוּי"ה ב"ה
שֶׁבְּאֲצִילוֹת

And to them is the revelation of the blessed Holy One, who became revealed in the blessed Name Havaye in Atzilut,

הִנֵּה הוּא לְצִדְקַת הָאָדָם שֶׁבִּנְיָנוֹ הוּא מִהַיְצִירָה וְעֲשִׂיָּה

which was for the sake of Adam whose structure derives from Yetzirah and Asiyah.

וְנִתְגַּלָּה וְנִתְרָאָה בְּאֲצִילוֹת בְּהֵשֶׁם הוּי"ה ב"ה וּבְכָל הַשְּׁמוֹת כָּלָם
הַמְסֻתָּעִים מִמֶּנּוּ

And this became revealed and appeared in Atzilut in the blessed Name Havaye, and in all the other Names that branch out from it,

בְּגִין דִּישְׁתַּמּוּדְעוֹן לִיה שֶׁהוּא כְּדִי לְהִתְגַּלָּה עִי"ז לְמַטָּה בַּשְּׁמוֹתָיו
וּפְעֻלוֹתָיו

so that they will come to know Him, so that the He will become revealed thereby down below in His Names and activities,

וּבְכָל הַתּוֹרָה כְּלָה אֲשֶׁר נִתְגַּלָּה בָּהֶם לְהָאָדָם שֶׁהוּא כָּלֵל הַיְצִירָה
וְעֲשִׂיָּה

and throughout the entire Torah in which He becomes revealed to man, who is in the category of Yetzirah and Asiyah.

וְהָרִי נִמְצָא כִּי הָאֲצִילוֹת הִנֵּה הוּא הַשֵּׁרֶשׁ דְּהַיְצִירָה וְהַעֲשִׂיָּה

So it turns out that Atzilut is the root or origin of Yetzirah and Asiyah,

כי השמות הם עצמן הכחות והשרשים דכל הפעלות כלם כנ"ל
שער א'

because the holy Names are themselves the potencies and roots of all activities without exception, as explained above in Sha'ar 1.

ובפרט לפי מה שיתבאר לקמן שכל גלויי ית"ש אשר גם באצילות

And particularly according to what we will explain below, that all His blessed revelations, even those in Atzilut,

הנה הוא רק בפרצופי הזו"ן שהם בחי' רוח ונפש והם השמות
דהוי"ה אדני

are merely in the *partzufim* of *ze'ir anpin* and *malchut*, which are the aspects of *ruach* and *nefesh* respectively, and these are the Names Havaye and Ad'nai.

והשם הוי"ה ב"ה הוא סתם וגלוי וכמ"ש בספד"צ רפ"ד

Now the blessed Name Havaye is both concealed and revealed, as the *Sifra d'Tzniuta* states at the beginning of chapter 4 (p. 28b).

כי באצילות מאיר השם הוי"ה בעצמו והוא בז"א שהוא עקר
האצילות כמו שיתבאר למטה

This is because the Name Havaye itself illuminates Atzilut, i.e. in *ze'ir anpin*, which is the primary aspect of Atzilut, as will be explained below.

אבל בעולמות ביי"ע אינה מתגלה השם הוי"ה ב"ה אלא ע"י שם
אדני זה שמי וזה זכרי לעלם כתיב

But the blessed Name Havaye is not revealed in BiY" A – other than via the Name Ad'nai – as the verse (Shemot 3:15) states: "This is My Name forever *l'olam* and this is My remembrance from generation to generation." Now it is written as "*P'olam*". Since לעלם is written in the defective form (i.e. missing a *vav*) it can also be pronounced as לַעַלִּים (*l'aleim*) 'to conceal.' This implies that the Divine Name should not be pronounced as written, but should be concealed within a 'remembrance' of the Name – i.e. as the Name Ad'nai.⁵

וא"כ הרי נמצא שהאצילות אשר הגלוי שם הוא רק הזו"ן

This being so, it turns out that Atzilut, where the revealed aspects are only *ze'ir anpin* and *nukvah* since Abba and Imma are called *nistarot* = hidden aspects,

הנה הוא השרש ממש להיצירה והעשייה שהם רוח נפש זו"ן

so Atzilut is the actual root of Yetzirah and Asiyah, which are *ruach* and *nefesh*, corresponding to *ze'ir anpin* and *nukvah*.

וְהִינוּ כִּי הִז"א שֶׁהוּא עֶקֶר הָאוֹר הַמְאִיר בְּאַצִּילוֹת הוּא הַשָּׁרֵשׁ
לְהִיצִירָה רוּחַ

That is to say, *ze'ir anpin*, which is the primary illumination in Atzilut, is the root of Yetzirah and the level of *ruach*,

אֲךָ הַמְלָכוֹת נֹק' שֶׁהִיא נֶפֶשׁ הִיא הַשָּׁרֵשׁ לְהַעֲשִׂיָּה

whereas *malchut, nukvah*, which is *nefesh*, is the root of Asiyah.

וְכַשֵּׁם שֶׁהַגְּלוּי דְּהַשֵּׁם הוּא"ה לְמַטָּה הוּא רַק ע"י שֵׁם אֲדָנִי שְׁמַתְלִבֵּשׁ
בּוֹ וּמַתְגַּלָּה עַל יָדוֹ

And just like the revelation of the Name Havaye down below is only by way of the Name Ad'nai in which it is clothed, and through which it is revealed,

כֵּן הוּא הַגְּלוּי דְּהָרוּחַ שֶׁהוּא מִהִיצִירָה בְּהַאֲדָם הִנֵּה הוּא רַק ע"י
הַנֶּפֶשׁ שֶׁהוּא מִהַעֲשִׂיָּה

so too, the revelation of *ruach* which is from the Yetzirah aspect within man, i.e. the emotional qualities that comprise *ze'ir anpin*, is only via *nefesh* from Asiyah.

וְהָרִי נִתְבָּאֵר לָנוּ מִכ"ז כִּי הַבְּחִי' אֲשֶׁר הוּא כִּנְגֵד הַגְּלוּי הָרְבִיעִי
הַכִּלְלִי שֶׁהוּא עוֹלָם הָאַצִּילוֹת

Thus from all of the above it has been clarified that the aspect that corresponds to the fourth macro-revelation, the World of Atzilut,

הִנֵּה הוּא כִּנְגֵדוֹ לְמַטָּה בְּעוֹלָמוֹת הַנִּפְרָדִים הַמְצִיאוֹת דְּעוֹלָם
הִיצִירָה.

its counterpart down below in the separated worlds is the actuality of the World of Yetzirah.

וְכ"ז הִנֵּה הוּא ע"פ עֵמֶק הַדְּבָרִים אֲשֶׁר אֲמַרְנוּ לְעִיל פָּרָק ב'

And all of this is in accord with the profound matters discussed above in Chapter 2

כִּי שָׁרֵשׁ הָאַצִּילוֹת אֲשֶׁר בְּהַעוֹלָמוֹת דַּא"ס הִנֵּה הוּא הַגְּלוּי הַשֵּׁנִי
הַכִּלְלִי שֶׁהוּא הָעוֹלָם דְּקוֹ וְצִמְצוּם

– that the root of Atzilut in the Infinite Worlds is the second macro-revelation, which is the realm of the *kav* and the *tzimtzum*,

וְהָרִי מִתְפַּשֵּׁט שֵׁם הָאוֹר דַּא"ס אֲשֶׁר בְּהִקּוֹ וּמִתְלַבֵּשׁ בְּהַצְמָצוּם
וְנִתְצַמְצַם עַל יָדוֹ

where the *Ohr Ein Sof* spreads into the *kav* and becomes clothed in the *tzimtzum* where it becomes constricted.

וְשֵׁם הוּא הַשָּׁרֵשׁ דְּאַצִּילוֹת כְּמוֹ שֶׁבְּאַרְנוּ שָׁם

And that is the root of Atzilut, as we explained there.

וְלָכֵן הוּא ג"כ מֵה שְׁאֵמְרָנוּ בְּעִנְיָנֵינוּ כִּי נִמְשָׁךְ מֵהָאֲצִילוֹת אִם"כ
בְּעוֹלָמוֹת הַנִּפְרָדִים

And therefore we declared in reference to this concept that from Atzilut there is subsequently drawn down into the separated worlds

הַמְצִיאוֹת דְּעוֹלָם הַיְצִירָה אֲשֶׁר מִשָּׁם הוּא הָרוּחַ הַמְתַּלְבֵּשׁ
בְּהַפְרָצוֹף

the actuality of the World of Yetzirah from whence *ruach* emerges to become clothed in the *partzuf*,

כִּי הוּא עָקְרוֹ דְּכָל פְּרָצוֹף כְּנִז' וְהָרִי מְתַלְבֵּשׁ הָרוּחַ בְּהַגּוֹף וּמִתְצַמָּצֵם
כָּל אוֹרוֹ רַק לְפִי כֹחַ הַגּוֹף

for this is the root of every *partzuf*, as mentioned, thus *ruach* is clothed within the body and its entire light is constricted according to the power of the body to contain it.

וְהָרִי נִתְבָּאֵר לָנוּ עכ"פ כִּי הַמְצִיאוֹת דְּעוֹלָם הַיְצִירָה הֵנָּה הוּא כְּנִגְדֵּי
הַגּוֹלֵי דְּעוֹלָם הָאֲצִילוֹת

So in any event we have learned that reality existence of the World of Yetzirah corresponds to the revelation of the World of Atzilut.

4b — The Revelation of Ze'ir Anpin as *Ruach*

וְעֵתָה נִבְאָר הַבְּחִי' אֲשֶׁר כְּנִגְדּוֹ כָּל עוֹלָם וְעוֹלָם גּוֹפָה בְּהַחֲמֻשָּׁה
פְּרָצוּפִים שֶׁבַּכ"א

Now we can explain the aspect of the five *partzufim* in each world that corresponds to the World of Yetzirah.

הֵנָּה הַפְּרָצוֹף שֶׁבְּכָל עוֹלָם אֲשֶׁר הוּא כְּנִגְדֵּי הָאֲצִילוֹת הֵנָּה הוּא אוֹר
הַפְּרָצוֹף אֲשֶׁר נִקְרָא בְּשֵׁם זְעִיר אֲנָפִין

The *partzuf* in every world that corresponds to Atzilut is actually the light of the *partzuf* called *ze'ir anpin**,*

וְהֵנָּה הוּא כָּל הו' קְצוּוֹת דְּכָל עוֹלָם שֶׁהוּא עָקֵר הָעוֹלָם עֲצֻמוֹ וְהוּא
הַגּוֹף דְּכָל עוֹלָם

which is the category of the six-sided structure – up down, front back, right left – of every world a depiction of the six *sefirot* of *ze'ir anpin* – *chesed*, *gevurah*, *tiferet*, *netzach*, *hod*, *yesod*.

כי הג' ראשונים דכל עולם ש'הם א"א ואו"א הנה הם רק בחי'
המחין ושרש המחין

Whereas the first three *sefirot* in each world, *Arich Anpin*, *Abba* and *Imma*, are the aspect of 'mind' or intelligence or intellectual faculties and the root of 'mind' or intelligence.

כי א"א הוא שרש המחין ואו"א הם המחין והם אורות המאירין
להגוף מלמעלה

Arich Anpin is the root of 'mind' and *Abba* and *Imma* are the faculties of intelligence – the lights that illuminate the body from above.

והם למעלה מן העולם וכנ"ל פ' א' ב' ג' ולכן הם אינם מצמצם
בהגוף

These first three aspects transcend the world, as explained earlier in Chapters 1, 2, 3 and therefore they are not constricted into a 'body.'

אבל האור דז"א הנה הוא מצמצם בגוף שהוא העולם

However, the light of *ze'ir anpin* does become constricted into a 'body', which is the world,

ועי"ז הנה נעשה כל פעלת הז"א במעוט וצמצום גדול

and thereby all of the activities of *ze'ir anpin* are greatly reduced and constricted,

וממנו נעשה כל פעלת הטבע כלה שהיא בחקים וגבולים

and from it all of nature i.e. the natural world comes about and it operates according to the laws and limitations of the natural world,

וכן כשנעשה ממנו נסים הם רק נסים נסתרים המלבשים בדרכי
הטבע

and even when miracles take place at this level they are miracles concealed in the paths of nature.

וכל אורו והנהגתו הוא רק במדה ובמשקל שהוא לפי מעשה
התחתונים וכנ"ל שער ו'

All of its light and its conduct is weighed and measured according to the deeds of those below, as mentioned above Sha'ar 6.

כי אור הז"א הוא נשקל ונמדד במדת החסד והדין והרחמים כ"א
במדה ובמשקל

This is because the light of *ze'ir anpin* is weighed and measured by the attributes of *chesed* and *din* and *rachamim* – kindness, severity and compassion –

each one of them in a weighed and measured manner.

משא"כ האור דא"א הוא הכל למעלה מן המדה והוא משום שהוא אינו מצמצם בגוף כלל

But the light of Arich Anpin totally transcends measurement, and this is because is it not constricted in a body at all.

משא"כ האור דז"א פנז' וזהו אשר נקרא בשם זעיר אנפין

This is not so as regards the light of *ze'ir anpin*, as mentioned, and this is why it is called *ze'ir anpin* literally "the small or minor visage"

משום שאורו הרי הוא במעוט ובצמצום והרי הוא זעיר

– because its light is reduced and constricted, thus is it 'small.'

ונקרא ג"כ אנפין משום שהרי אורו הוא עקר הגלוי דכל עולם

But it is also called 'visage' because its light is the primary revelation in each world.

והרי פנה המאציל בו בכל המציאות וההנהגה דהעולם

And with it the Emanator attended to the entire existence and conduct of that world

והוא הפנים עצמו המאיר ומתגלה בהעולם

and it is the visage or countenance itself that illuminates and is revealed in the world.

אלא משום שאורו הוא מצמצם לכך נקרא זעיר אנפין

But because its light is constricted, therefore it is called *ze'ir anpin* the minor or lesser visage.

והנה הוא נמשך ויוצא מאריך אנפין ע"י או"א כי הוא עקר המציאות והפעולה

Now *ze'ir anpin* is drawn down from Arich Anpin literally 'major or greater visage' via Abba and Imma, since it is the primary aspect of existence and activity

היוצא מהכונה והמחשבה והרצון שהם א"א ואו"א

that emerges from intention, thought and will, which are Arich Anpin (will), Abba thought and Imma intention.

והרי הרצון הוא שרשו ועליו הוא תלוי ועומד תמיד אלא שאריך אנפין הוא למעלה מן המדה וכנ"ל פ"א

Thus will is its root, and upon it *ze'ir anpin* depends and is always based. But Arich itself transcends measurement, as we stated in Chapter 1.

וממנו פעולות כל הנסים נגלים והז"א הוא המציאות והפעולה
המצמצם וממנו הוא כל פעלת הטבע והנסים נסתרים:

From it from Arich come all the revealed miracles, while *ze'ir anpin* is constricted reality and activity, and from it comes activities within nature as well as hidden miracles.

אמנם האורות דאבא ואמא הנה הם אין להם פעולות בפנ"ע כלל

Indeed the lights of Abba and Imma have no effect at all on their own –

אלא או שהם נכללים בא"א וכנ"ל פ' ב' ג' ואז הנה הם בטלים
באורו ע"ד שרגא בטהרא מאי מהניא

either they are included within Arich Anpin, as explained above chapters 2, 3, in which case they are nullified in the light of Arich, as in the expression 'what use is a candle at noon?'

או שהם נכללים בז"א ומתלבשים בו ונמשך פעלתם רק על ידו ולפי
חקו וגבולו ונקרא הפעלה רק על שמו

or they are included within *ze'ir anpin* in which they become clothed, and their activities are carried out through *ze'ir anpin* and according to its laws and limitations, and the activity is attributed to *ze'ir anpin*.

וזהו הטעם מה שאין לאו"א שמות תוארים בפנ"ע על הפרצופים
שבהם

And this is why Abba and Imma do not have descriptions independent of their *partzufim*, unlike Arich Anpin and *ze'ir anpin* whose names describe their essence.⁶

כי הרי הם נקראים רק בשם או"א שהוא רק שמות מצטרפים כי
אין אב ואם אלא לבנים

For they are called Abba and Imma, not as proper nouns, but as adjectival nouns, for there can be no father or mother if there are no children,

ולא נקראו בשם או"א אלא רק בשביל הזו"ן שיצא מהם

and they are not called Abba and Imma other than for the sake of and in relation to *ze'ir anpin* and *nukvah* that emerged from them.

אבל להם עצמם אין להם תוארים מיוחדים כלל על מציאות
פרצופיהם ע"ד שיש בא"א וז"א

But they themselves do not have a specific description at all, like Arich Anpin and *ze'ir anpin* do, over and above their *partzufim*.

וכן הנה אין להם ג"כ שמות מיוחדים בשמות הקדש מאמה

Similarly, they do not have special names at all among the Holy Names.⁷

כי א"א הנה יש לו שם בשמות הקדש והוא השם אהיה על שם
שעקרו הוא רק לעתיד

Arich Anpin, however, is identified with a Holy Name, the Name *Ehyeh* ("I will be"), since its primary status will only emerge in the future

שהוא מאלף השביעי והלאה שאז יתראה אור וכנ"ל שער ו'

from the seventh millennium and on, when the light will be revealed, as mentioned above *Sha'ar* 6.

והז"א הנה השם המיוחד לו הוא השם הוי"ה ב"ה שהוא גלוי של
המאציל א"ס ית"ש

And the unique Name associated with *ze'ir anpin* is the blessed Name

Havaye, which is the revelation of the blessed Infinite Emanator

אשר נתגלה גם עתה בהשם הזה ע"י האצילות ועקר גלוי הוא
בז"א

who is revealed even now in this Name via Atzilut, and its primary revelation is in *ze'ir anpin*,

שהוא כל הגלוי והמציאות העקרי דהאצילות וכמו שיתבאר עוד
למטה

which is the entire primary revelation and the actuality of Atzilut, as we will explain further below.

משא"כ האו"א הנה אין להם שמות מיוחדים כלל

This is not the case as regards Abba and Imma for they do not have unique Names at all.

כי מה שאמרנו לעיל פ' ב' ג' שאבא הוא שם ע"ב ואמא שם ס"ג

Now when we said above Chapters 2, 3 that Abba is the Name A"b and Imma is the Name Sa"g,

וכן אמרנו שם שהם האותיות י"ה שבשם הנה האמת הוא שכל זה
הוא ג"כ רק ע"י הז"א

and so too we stated there that these are letters י"ה of the Name, where the *yud* corresponds to Abba, and the *hei* to Imma,⁸ the truth is that all of this is still only via *ze'ir anpin*,

ואחר שמתלבשים בו דוקא כי כל השם הוי"ה פלו וכל הד' שמות
עסמ"ב

after Abba and Imma became clothed within it within *ze'ir anpin* specifically, for the entire Name Havaye, and all four derivative Names A "b, Sa" g, Ma" h and Ba" n

הם כֻּלָּם מְתַגְלִים רַק בַּז"א אֶלָּא שֶׁהָאוֹתִיּוֹת י"ה שֶׁבִּשְׁשֵׁם וְכֵן הֵעֵב
וּס"ג הוּא ע"י הָאוֹרוֹת דָּאו"א הַמְתַּלְבָּשִׁים בּוֹ

are all revealed only within *ze'ir anpin*, only that the letters י"ה of the Name, as well as A "b and Sa" g are by means of the lights of Abba and Imma that are clothed within it.

אֲבָל עֲצֻמוֹתוֹ דָּז"א גּוֹפֶה הֵנָּה הוּא הָאוֹת ו' דִּהֶשֶׁם וְהֶשֶׁם מ"ה וְכִמוֹ
שִׁיתְבָּאָר עוֹד לַמָּטָה

But the essence of *ze'ir anpin* itself is the letter vav of the Name, and the Name Ma" h, as will be further explained below.

אֲבָל הָאו"א עֲצָמוֹ בְּמִקּוֹמוֹ שֶׁהוּא לַמַּעֲלָה מִז"א אֵין לָהֶם שֵׁם מִיַּחַד
כָּלֵל וְלֹא שׁוֹם אוֹת מִיַּחַד

But Abba and Imma themselves in their natural place which transcends *ze'ir anpin* – there they have no unique Name at all, nor any special letter that identifies them

כִּי הֵם נִכְלָלִים בָּא"א וּבִטְלִים בְּאוֹרוֹ

since they are included in Arich Anpin and are nullified in its superior light.

וְמָה שֶׁנִּקְרָא אֵימָא ג"כ בְּשֵׁם אַהִי"ה וְכֵן ל' פ' א' ג' הֵנָּה הוּא ג"כ רַק
מִכֶּחָ הָאוֹר דָּא"א

Now the fact that Imma is also called *E-hyeh*, as we mentioned in chapters 1 & 3, this is only by virtue of the power of the light of Arich Anpin,

הַנִּמְשָׁךְ בָּהּ לְצַרֵּךְ הַלֵּדֶת דָּז"א וְאִזְ נִקְרָא הִיא בְּשֵׁם אַהִי"ה שֶׁהוּא
שֵׁם הָא"א

that is drawn down into her into Imma for the sake of giving birth to *ze'ir anpin*, and then she is called *E-hyeh*, the Name of Arich Anpin.

וּמִשּׁוֹם שֶׁעָקַר הַמְּצִיאוֹת דָּז"א נַעֲשֶׂה בָּהּ וְלֹא בְּאַבָּא כִּי בּוֹ הוּא נַעֲלָם
מֵאֵד כֵּן ל' פ"ב

And because the primary existence of *ze'ir anpin* is formed in her in Imma, and not in Abba, since *ze'ir anpin* is very concealed there in Abba, as noted in chapter 2,

וְהִירִי לֹא נִכָּר הָאוֹר דָּא"א אֲשֶׁר לְצַרֵּךְ ז"א רַק בְּאַמָּא וְלֹא בְּאַבָּא

so that the light of Arich Anpin which is for the sake of *ze'ir anpin* is not recognized in Abba, only in Imma,

לכן נקרא היא בשם אהי"ה שהוא שם הא"א ולא האבא

therefore she, Imma not Abba, is referred to by the Name *E"hyeh*, the name of Arich Anpin.

והרי לנו עכ"פ כי או"א אין להם שמות מיוחדים כלל כי אין להם
גלוי בפנ"ע

Thus we have it, at the very least, that Abba and Imma do not have unique Names at all, since they have no revelation on their own,

אלא או שהם כלולין בא"א או שהם מתלבשים וכלולים בז"א

but only as included in Arich anpin, or as clothed within and merged with *ze'ir anpin*.

והאמת הוא כי גם האור דא"א עצמו הוא אינו מתגלה עתה כלל

The truth is that even the light of Arich Anpin itself is not revealed now at all.

וימה שאמרנו כי ממנו הוא הנסים נגלים הוא ג"כ עתה רק ע"י
גליו בז"א

And what we stated earlier that revealed miracles stem from there from Arich is also only through its revelation currently in *ze'ir anpin*

שמתגלה בו ע"י האו"א ואז נתעלה גם הז"א למעלה ממדרגתו
ופועל גם הוא למעלה מן המדה וכן בפעלת הנסים נגלים.

– for Arich Anpin is revealed in *ze'ir anpin* via Abba and Imma, so that *ze'ir anpin* too ascends beyond its natural level and acts in a manner transcending limitation, and so too when revealed miracles transpire.

אבל האור דא"א עצמו בלתי התלבשות בז"א וע"י האו"א

But the light of Arich itself that is not clothed in *ze'ir anpin* via Abba and Imma

זה לא נעשה עדיו עתה מעולם והוא רק לעתיד כי אז יתבטל כל
הצמצום דז"א

is something that did not ever take place, and will only happen in the future, when the entire constriction of *ze'ir anpin* will be nullified

ויאירו כלם רק באור דא"א לבד וכמו שבארנו בארכה בספר
הכללים כלל י"ז ע"ש ותראה נפלאות

and everything will be illuminated with the light of Arich Anpin alone, as we explained at length in our *Sefer HaKlalim*, Principle 17. Examine the matter there and you will see wonders.

אָבֵל עֲתָה הוּא הַכֹּל רַק ע"י הַז"א וְלָכֵן לֹא נַעֲשֶׂה עֲתָה כָּל הַנִּסִּים
אֲלָא רַק בְּעֵתִים מִיְחָדִים וְרַק בְּמִקְוֹמוֹת מִיְחָדִים

But currently everything is only via *ze'ir anpin*, and therefore miracles take place only on rare occasions, and only in certain places.

וְהוּא מְשׁוּם כִּי לֹא נַעֲשֶׂה עֲתָה שׁוּם דְּבָר מֵעוֹלָם אֲלָא רַק ע"י הַז"א

The reason for this is that nothing ever happens nowadays other than via *ze'ir anpin*

אֲשֶׁר הוּא מְצַמֵּץ עכ"פ וְהִינוּ ע"י שֶׁהוּא"א מְמַשִּׁיכִין וּמוֹרִידִין בּוֹ
אֶת הָאוֹר דֹּא"א

which is in any event constricted, i.e. via Abba and Imma drawing down and lowering the light of Arich Anpin into it into *ze'ir anpin*

וּמִתְגַּלֶּה בּוֹ הָאוֹר דֹּא"א ע"י הַתְּפִשְׁטוֹת אוֹ"א הַכְּלִיל בֹּא"א

so that the light of Arich Anpin is revealed therein as a radiance spreading forth via Abba and Imma when they are included within Arich Anpin.

וְהַעֲקָר הוּא ע"י הָאִמָּא שֶׁהוּא הַיּוֹתֵר קְרוֹבָה לַז"א

The primary aspect of this is via Imma, which is closer to *ze'ir anpin*,

אָבֵל הָאִבָּא הָרִי הוּא יוֹתֵר קְרוֹב לַז"א וְהוּא עֲדִין נִעְלָם

whereas Abba is closer to Arich Anpin and is thus still concealed.

וּמִקְבֵּל הָאִמָּא מֵהָאִבָּא וּמִמְשִׁיךְ וּמוֹרִיד לַז"א וְלָכֵן נִקְרָא הָאִמָּא ג"כ
בְּשֵׁם אֵהִי"ה

Imma receives from Abba and draws out and lowers the light to *ze'ir anpin*, which is why Imma is also called by the Name *E'heye* –

עַל שֵׁם הָאוֹר דֹּא"א שֶׁמִּתְפִּשֵׁט בָּהּ לְצַרְךָ הַז"א וּמִתְגַּלֶּה בָּהּ ע"ד
הָעֲבוּר בְּמַעֲי אִמּוֹ

since the light of Arich Anpin spreads into her for the requirements of *ze'ir anpin* and is revealed within her in similar manner to a fetus in its mother's womb.

וּמִמֶּנָּה נּוֹלָד וְנִמְשָׁךְ לַז"א אֶךְ הוּא"א עֲצָמוֹן אֵין לָהֶם פְּעֻלוֹת מִיְחָדִים
כָּלֵל

And from her from Imma, the light is drawn into *ze'ir anpin*, but Abba and Imma themselves have no active part therein at all,

כִּי הֵם רַק שְׁלוּחִים לְקַבֵּל מֵא"א וּלְהַתְּפִשֵׁט בַּז"א וְאֵין לָהֶם פְּעֻלוֹת
בַּפִּנ"ע

for they are merely 'emissaries' to receive from Arich Anpin and transmit it to *ze'ir anpin*, and they have no other independent role.

וְלָכוֹן אֵין לָהֶם ג' כ שְׁמוֹת מִיְחָדִים וְאֵינָם נִקְרָאִים אֶלָּא רַק בְּשֵׁם
או"א

And therefore they do not have unique holy Names associated with them, and they are referred to only as Abba and Imma,

שֶׁהוּא רַק שְׁמוֹת תּוֹאֲרִים וּמַצְטָרְפִים עַל שֵׁם הַזֶּה שֶׁיֵּצְאוּ מֵהֶם
which are *descriptive* terms related to *ze'ir anpin* and *nukvah* that emerged from them.

וְכ"ז הֵנָּה הוּא ג' כ ע' עוֹמֵק הַדְּבָרִים שֶׁאֲמַרְנוּ לַעֲלֵל פ' ב' ג'

Now all of this accords as well with the depth of the matters we discussed above chapters 2 & 3,

כִּי שֶׁרֶשׁ או"א הֵנָּה הֵם בְּהֶעוֹלָם דְּקוֹ וְצִמְצוּם וּבְהֶעָלָם דְּאָדָם קַדְמוֹן
that the root of Abba and Imma is in the realm of the *kav* and the *tzimtzum*
which are the root of Abba, and in the recondite nature of Adam Kadmon which is the root of Imma.

שֶׁהֵם מַעֲלָמוֹת דָּא"ס כִּי הֵם עֲדִין בְּהַמְאָצִיל עֲצָמוֹ וְלֹא נִתְגַּלָּה בְּבַחֲי
פְּעֻלָּה

All of them are of the Infinite Worlds, for they are still within the Emanator Himself, and did not become revealed in any aspect of activity,

אֶלָּא רַק בְּאֲצִילוֹת שֶׁהוּא הַגִּלּוּי הָרְבִיעִי וְכנ"ל שֶׁעַר ד' פ"ד
until the World of Atzilut, which is already the fourth revelation, as mentioned above Sha'ar 4 chapter 4.

כִּי בְּאֲצִילוֹת הֵנָּה שֵׁם יֵצֵא הַמְאָצִיל ית"ש בְּגִלּוּי שְׁמוֹ יְהוּה ב"ה
But in Atzilut the blessed Emanator brought into revelation His blessed Name Havaya,

שֶׁהוּא הַמְצִיאוֹת דְּהַאֲצִילוֹת עֲצָמוֹ וְיִחּוּדוֹ בָּהֶם וְכנ"ל אוֹת א'
which is the actuality of Atzilut itself and His unity therein, as mentioned above in part (a) of this chapter.

וּבְגִלּוּי הַזֶּה הַמְצִיא אֶת כָּל הָעוֹלָמוֹת הַנִּפְעָלִים כֻּלָּם כִּי הוּא שֶׁרֶשׁ
כָּל נִמְצָא וְיִסוּד כָּל נִבְרָא

And with this revelation He brought forth all the created worlds, for Atzilut is the root of everything in existence and the foundation of every created being.

משא"כ הג' גלויים הכלליים הראשונים אין בהם עדין גלוי ממש
כלל

This is not the case regarding the first three macro-revelations – for they are as yet not revealed at all,

ולכן הם כלם מהעולמות דא"ס ולא נתגלה בגלוי ממש אלא רק
באצילות

and therefore they are all regarded as being of the Infinite Worlds that are not actually in a state of revelation, other than in the World of Atzilut.

וכן הוא בענינינו שהוא בפרטות ה'ה' פרצופים שבכל עולם שהם
נגד ה'ה' גלויים הכלליים

So too regarding the matter that concerns us – the specifics of the five *partzufim* in every world, corresponding to the five macro-revelations:

הנה הוו פרצופי או"א כלילן בא"א שהוא ב'ח'י א"ס כנ"ל פ"א
the *partzufim* of Abba and Imma are included within Arich Anpin, which is characterized as *Ein Sof* infinite, as explained above in chap. 1,

ואין גלוי להם כלל והם נקראים נסתרות כי הם למעלה מן העולם
and they have no revelation at all, and are called 'concealed' because they transcend the aspect of world altogether,

ואינם מתלבשים הם עצמם בגוף העולם כלל אלא רק הארתם
וכנ"ל שער ג' ושער ה'

and are not themselves clothed in the body of a world at all, only their radiance, as mentioned above Sha'ar 3 and Sha'ar 5.

והרי הם נעלמים ורק האור דפרצוף ז"א הנה הוא אשר מתלבש
ומתגלה בגוף העולם

Thus they remain concealed and only the light of the *partzuf* of *ze'ir anpin* is actually clothed within and revealed in the body of a world.

וממנו נעשה ונמצא כל המציאות דהעולם עצמו הו' קצוות והי"ב
גבולי אלכסונים שבה

And it is from *ze'ir anpin* that the existence of the world is produced and emerges as the six sides of space, i.e. the six *sefirot* of *ze'ir anpin* and the twelve diagonals connecting them.²

והוא עם העולם בבחי' אור וכלי וכהדין קמצא דלבושיה מיניה
וביה (ע"ד שאמרו בבראשית רבה פ' כ"א סימן ה')

Thus it *ze'ir anpin* together with the world built around it are like a light and a vessel, and can be compared to a snail whose shell is part and parcel of itself (similar to what it states in *Bereishit Rabba* 21:5).

וְנִמְשָׁךְ וְנֶאֱרָג הָאוֹר עִם הַכְּלִי בִּיחָד וְנִתְגַּלָּה אוֹרוֹ ע"י הַכְּלִי ע"ד
הַנִּשְׁמָה שֶׁנִּתְגַּלָּה ע"י הַגּוּף.

And the light is drawn down and woven together with the vessel, so that the light is revealed through the vessel, in a manner similar to the way the soul is revealed through the body.

וְכֹן מִתְפַּשְׁטִים וּמִתְלַבָּשִׁים בּוֹ הָאוֹר דא"א ואו"א ג"כ וְנִתְגַּלּוּ כָּלֶם עַל
יְדוֹ

And the light of Arich Anpin and of Abba and Imma as well extend into and become clothed within *ze'ir anpin*, so that all of them are revealed by *ze'ir anpin*.

וְהוּא ע"ד הַג' גְּלוּיִם הַכְּלָלִיִּים הָרָאוּשׁוֹנִים שֶׁמִּתְלַבָּשִׁים זב"ז
וּמִתְגַּלִּים כָּלֶם ע"י הָאֲצִילוֹת וְכנ"ל שְׁעַר ה'

This is similar to the first three macro-revelations which are clothed one within the other and all become revealed only via Atzilut, as explained above Sha'ar 5.

וְהָרִי יוֹצֵאִים הֵם כָּלֶם מִן הַכֹּחַ אֶל הַפּוֹעֵל וּמִתְגַּלִּים בְּאֲצִילוֹת שֶׁהוּא
הַפְּעֻלָּה

Thus all of them emerge from latent to actual and are revealed in Atzilut, which is their implementation.

כֵּן הוּא בַּז"א עִם הָא"א וְאו"א כִּי עֶקֶר הַמְּצִיאוֹת וְהַפְּעוּלָה שֶׁהוּא
הָעוֹלָם עֲצָמוֹ הוּא יֶרֶק הַז"א

So too regarding *ze'ir anpin* and Arich Anpin and Abba and Imma – the primary existence and consummation of the world itself, is only in *ze'ir anpin*,

וְא"א וְאו"א הֵם הָרָצוֹן וְהַמְּחַשְׁבָּה וְהַכּוֹנֶה אֵלָיו יוֹצֵאִים בּוֹ מִהַכֹּחַ
אֶל הַפּוֹעֵל וְנִתְגַּלּוּ בּוֹ בְּבַחֲיוֹ הַמּוֹחִין שְׁבוֹ

whereas Arich Anpin and Abba and Imma serve as will, thought and intention, and are revealed within *ze'ir anpin* as aspects of his 'brain' in the spiritual anatomy of *ze'ir anpin*. This could perhaps be dubbed the guiding intelligence of the *partzuf*.

וְהָרִי נִמְצָא כִּי פְּרָצוּף ז"א הֵנָּה הוּא בְּעֶרְךָ הָא"א וְאו"א

Thus it turns out that the *partzuf* of *ze'ir anpin* in relation to Arich Anpin, Abba and Imma,

כְּעֵין בְּחִי' הָאֲצִילוֹת הַכְּלָלִי שֶׁהוּא הַגְּלוֹי הַכְּלָלִי הָרְבִיעִי בְּעֶרְךָ הַג'
גְּלוֹיִם הַכְּלָלִיִּים הָרִאשׁוֹנִים

is like the aspect of Atzilut in general, the fourth revelation, compared with the three preceding macro-revelations prior to Atzilut.

וְהָרִי נִתְבָּאֵר כִּי בְּהַחֲמֹשָׁה פְּרָצוּפִים שֶׁבְּכָל עוֹלָם שֶׁהֵם א"א וְא"א
וְז"א וְנוק'

Thus it has been clarified that of the five *partzufim* in each world – Arich Anpin, Abba, Imma, *ze'ir anpin* and *nukvah* –

הֵנָּה עוֹמֵד הַזֶּה א"א שֶׁהוּא פְּרָצוּף הָרְבִיעִי נֶגֶד הָאֲצִילוֹת הַכְּלָלִי שֶׁהוּא
הַגְּלוֹי הָרְבִיעִי מֵהָה' גְּלוֹיִם הַכְּלָלִיִּים:

*ze'ir anpin***, the fourth *partzuf*, corresponds to macro-Atzilut, which is the fourth of the five macro-revelations.**

4c — The Primary Revelation of Atzilut is in Ze'ir Anpin

וְנֹאמַר עוֹד כִּי הָאֱמֶת וְהַעֲקָר הוּא כִּי כָל מָה שֶׁאָמַרְנוּ

Let us state further that in truth the primary fact is that everything we stated

שֶׁבְּעוֹלָם הָאֲצִילוֹת נִתְגַּלָּה הַמַּאֲצִיל א"ס ית"ש לְהַקְרָא בְּשֵׁם וְהוּא
הַשֵּׁם הוִי"ה ב"ה

– that in the World of Atzilut the blessed Infinite Emanator becomes revealed to be called by name, the blessed Name Havaye –

הֵנָּה כָּל הַגְּלוֹי הַזֶּה הוּא רַק בַּז"א דְּאֲצִילוֹת כִּי רַק הוּא עֲקָר הָעוֹלָם
עֲצָמוֹ

this revelation is exclusively in *ze'ir anpin* of Atzilut, since *ze'ir anpin* exclusively is the primary aspect of the world itself.

שֶׁהָרִי הָא"א וְא"א הֵם לְמַעַלָּה כְּנֻז' וְכָל הַגְּלוֹי דָּא"א שֶׁהוּא הַקּוּצוֹ
שֶׁל י'

For Arich Anpin and Abba and Imma transcend the world, as mentioned, and the entire revelation of Arich Anpin is represented merely by the thorn on top of the *yud*,

וְהָא"א שֶׁהֵם אוֹתִיּוֹת י"ה הֵנָּה הוּא רַק עַל הַמֹּחִין דַּז"א

and Abba and Imma, which are the letters *yud* and *hei* of the Name are only the *mochin* mind or intellectual capacities of *ze'ir anpin*,

שֶׁהוּא הַתְּפִשְׁטוֹת הָאֶרֶת דָּא"א וְא"א הַמִּתְּפַשְׁטִים וּמִתְּלַבְּשִׁים בַּז"א

those capacities **being the extension of the radiance of Arich, Abba and Imma that spread into, and are clothed in *ze'ir anpin*.**

אָבֶל הֵם עֲצָמָם בְּמִקּוֹמָם וְאִין לָהֶם גְּלוּי מִמָּשׁ כָּלֵל בְּשׁוּם אוֹת וּנְקֻדָּה

But they themselves in their place have no revelation at all within any letter or vowel point,

כִּי כָל בְּחִי' גְּלוּי הוּא רַק ע"י הַגּוּף וְהוּא רַק בִּז"א אָבֶל לֹא לְמַעְלָה מֵאֲמָה כָּלֵל

for every aspect of revelation is only via a body, and this is only in *ze'ir anpin*, but not higher than that in any way.

וְהוּא ע"ד שֶׁבְּאַרְנוּ לְעִיל שְׁעַר ג' בְּעֵנִין גְּלוּי הַנִּרְנַח"י

This is similar to our explanation above, Sha'ar 3 regarding the revelation of the levels of nefesh, ruach, neshama, chaya, yechidah,

שֶׁהוּא רַק בְּהַרוּחַ הַכָּלְלִי וְלֹא לְמַעְלָה מִשּׁוּם שֶׁרַק הַרוּחַ הַכָּלְלִי הוּא אֲשֶׁר מִתְלַבֵּשׁ בְּהַגּוּף הַכָּלְלִי

of the level of macro-ruach, but not beyond that – because only the level of macro-ruach is clothed within a macro-‘body.’

וְכֵן בְּעוֹלָמוֹת בִּי"ע הִזָּה הַבְּרִיאָה נִעְלָם כִּנ"ל אוֹת א' וְרַק הַיְצִירָה וְעֲשִׂיָּה הֵם הַנִּגְלִים

And similarly regarding the worlds of BiY" A – Beriah remains concealed, as explained above section (a), and only Yetzirah and Asiyah are revealed,

וְכֵמוֹ שֶׁיִּסְדּוּ יוֹצֵר אוֹר וּבוֹרֵא חֶשֶׁךְ כִּי הַיְצִירָה הוּא נִגְלָה וְהַבְּרִיאָה נִעְלָם וְכִמ"ש בַּפַּע"ח שֵׁם

as our Sages established in the *yotzer* section of prayer, with the words *yotzer ohr, u'vorei choshech* – He forms (*yotzer*) the light, and creates (*u'vorei*) the darkness, for Yetzirah is revealed and is therefore associated with light and Beriah is concealed and is therefore associated with darkness, as *Pri Eitz Chaim* states there.

וְכֵן מָה שֶׁיִּסְדּוּ בְּקִדְשׁת מוֹסַף שֶׁבֶת בְּנִסְחָ אֲשֶׁכְּנִז כְּסוּד שִׁיחַ שְׂרָפִי קִדְשׁ

And similarly according to the Ashkenazi custom for the *keshudash* of the *musaf* praper on Shabbat which states "the secret words of the holy Sefaphim..."

וְאָמְרוּ כְּסוּד מִשּׁוּם שֶׁהַבְּרִיאָה הוּא נִעְלָם וְאִינוּ מִתְחִיל הַגְּלוּי אֶלָּא מִהַיְצִירָה וּלְמַטָּה

where they used the word 'secret' to describe the speech of the angels of Beriah, because Beriah is concealed and the revelation only begins from Yetzirah and below,

כי אור היצירה שהוא הרוח הוא אשר מתלבש בגוף וכנ"ל אות א'
because the light of Yetzirah is the aspect of *ruach*, which is clothed in a 'body', as explained above part (a).

וכן הוא בעניינינו כי כל הגלויים כלם הוא רק בז"א

And so too, regarding our matter – all the revelations are exclusively in *ze'ir anpin*.

וימה שאמרנו שהא"א הוא הקוצו של י' ואו"א הם י"ה וכן הם ע"ב
וס"ג ושם אהי"ה

And when we said that Arich Anpin is the thorn on top of the *yud*, and Abba and Imma are the first two letters of the Name *yud hai*, and that

they are also the Names A"b and Sa"b and the Name *E-hye*,

הנה עקרים הוא רק בהכח"ב דז"א אשר הם בו מהארת הא"א
ואו"א הכלליים

the main aspects thereof are only in *keter-chochmah-binah* of *ze'ir anpin* where they are located as a radiance from the macro-Arich Anpin and Abba and Imma.

אבל הם עצמן במקומן אין להם גלוי כלל וכך מה שאמרנו בהם
לעיל פ' א' ב' ג' הוא רק על שם גלויים שבז"א.

But they themselves, in their own locality, are not revealed at all, and everything we said regarding them in chapters 1, 2, 3 above is only in terms of their revelation in *ze'ir anpin*.

וכן נדרש ג"כ כל העניינים כלם גם בא"ק והוא ג"כ הכל על שם
הארתם המתפשט ומתלבש בז"א

Now all of these matters are also taught about in Adam Kadmon, and there too everything is in terms of the radiance that spreads forth and is clothed in *ze'ir anpin*.

כי ז"א הוא כולל מכל מה שלמעלה למעלה כי כל העליונים כלם
מתפשטים ומתלבשים בז"ב כנ"ל שער ה'

This is because *ze'ir anpin* includes everything above, to the loftiest levels, since all of the higher levels spread forth and clothe themselves one in the other, as explained above Sha'ar 5,

והז"א כולל כלם כי הוא נמשך מכלם והם כלם מתגלים בו ב"ה

and *ze'ir anpin* includes all of them, since it is drawn from all of them, and all of them are revealed within it within *ze'ir anpin*.

וְהוּא הַגְּלוּי דְּהַשֵּׁם הוּי"ה אֲשֶׁר הוּא כָּלוּל מִכָּל הַהִשְׁתַּלְשָׁלוֹת
וְהַהִתְלַבְּשׁוֹת דְּכָל גְּלוּייוֹ

That is the significance of the revelation of the Name Havaye – that it includes the entire *hishtalshelut* the chain of descent of the worlds and the *sefirot* etc. and the entire process of enclothement of all the revelations

אֲשֶׁר מֵאֲמַתָּתוֹ הִנְעֵלְמָה עַד סוֹף כָּל הָאֲצִילוֹת
from His true concealed essence all the way through to the end of Atzilut.

וְהֵם כָּל הַגְּלוּיִם בָּלֵם אֲשֶׁר בְּאֶרְנוּ מִשְׁעַר ד' פ"ג עַד כֹּה הֵנָּה כָּלֵם
הֵם בְּהַשֵּׁם הוּי"ה ב"ה אֲשֶׁר הוּא כָּלְלוֹת הִז"א

This is the entire gamut of revelation we have been explaining from Sha'ar 4 chapter 3 until this point – all of them are within the blessed Name Havaye, which is the generality of *ze'ir anpin*.

כִּי ע"י שְׁנֵת צִמְצֻמָּם וְנִתְלַבֵּשׁ בִּז"א וְנִתְפַּשֵּׁט בּוֹ בְּהֶאֱרַת כָּל הָעֲלִיּוֹנִים
Because a radiance of all the higher levels spreads forth and become constricted in a manner that they can clothe themselves in *ze'ir anpin* –

אֲשֶׁר מֵאֲמַתָּתוֹ הִנְעֵלְמָה וְלִמְטָה וְנִתְגַּלָּה בּוֹ בְּהַשֵּׁם הוּי"ה ב"ה
הַכּוֹלֵל אֶת כָּלֵם

from His true concealed Being and below – all of this becomes revealed in the blessed Name Havaye that comprises all of them.

הֵנָּה עי"ז אֲנוּ דוֹרְשִׁים וּמִבְּחִינִים בְּכָל אוֹתוֹ הָאוֹרוֹת עֲצָמוֹ אֲשֶׁר
לְמַעַלָּה לְמַעַלָּה

Now in this way we can inquire into and differentiate all those same lights themselves to the very highest levels –

שֶׁהוּא גַם בְּהִג' גְּלוּיִם הַכְּלָלִיִּים הָרִאשׁוֹנִים אֲשֶׁר לְמַעַלָּה מִז"א
including the first three macro-revelations that transcend *ze'ir anpin*.

אָבֵל לֹא שִׁישׁ לָנוּ גְלוּי בָּהֶם עֲצָמָם ח"ו אֲלֹא שְׁאֲנוּ מִבְּחִינִים בָּהֶם
ע"י כָּלִילוֹתָם בִּז"א שֶׁהוּא הַגְּלוּי דְּהַשֵּׁם הוּי"ה ב"ה

It is not that they themselves are revealed to us, Heaven forbid, but rather that we can differentiate them as they are included in *ze'ir anpin*, which is the revelation of the blessed Name Havaye.

אָבֵל בְּעֲצָמוֹתָם גּוֹפָה לֹא הָיָה אֶפְשָׁר לְהִבְחִין וּלְדַבֵּר מֵאֲמָה

But as they are in themselves, we would have had no possibility of distinguishing them or even speaking about them at all,

כי למעלה מהגלוי דהשם הוי"ה ב"ה אין גלוי כלל

because beyond the revelation of the blessed Name Havaye there is no revelation at all.

ומה שאנו קוראים אותם בשם גלויים ואנו אומרים שיש ג' גלויים
כלליים למעלה מאצילות

And what we call 'revelations' – as when we say there are three general revelations above Atzilut –

הנה הוא רק על שם שהם השתלשלות אורו לצורך ולסבת גלוי
שבשם הוי"ה ב"ה

that is in name only, because they represent the chaining down of His light for the sake and purpose of His revelation in the blessed Name Havaye.

שהוא גלוי העקרי אשר נתגלה בו המאציל ית"ש ב"ה והוא כולל
את כלם כנז'

The blessed Name Havaye is the primary revelation in which the blessed Emanator becomes revealed in *zei'r anpin* which incorporates all the levels mentioned.

ולכן נקראו בשם גלויים על שם שעל ידם נשתלשל ונתגלה

And therefore they the first three macro-revelations that transcend *ze'ir anpin* are still called 'revelations' – since it is through them that the *hishtalshehut* and the revelation takes place,

וכן הם מתלבשים וכלולים בהשם הוי"ה ב"ה ונעשה ונמצא כל
הגלוי דהשם הוי"ה ב"ה ע"י כלם.

and also because they are clothed in and included in the blessed Name Havaye so that the entire revelation of the blessed Name Havaye is produced from and emerges out of all of those levels.

והנה כל גלוי הוא ב"ה דאצי אכל למעלה מז"א אין שום גלוי
עקרי מאמה

Now to reiterate: all the revelations are in *zei'r anpin* of Atzilut, but above *zei'r anpin* there is no primary revelation at all.

כי רק הז"א הוא אשר נקרא בשם עולם והוא הגוף והכלי לכל
התפשטות אורות העליונים

It is only *zei'r anpin* that is referred to as a world, and it is the 'body' and vessel for all the supernal illuminations to spread into.

שֶׁהֵם כָּל הַג' גְּלוּיִם הַכְּלָלִיִּים הָרָאוּנוֹת כִּי הֵם מִתְפַּשְׁטִים
וּמִתְלַבְּשִׁים זב"ז

These 'supernal illuminations' are the three initial macro-revelations that spread forth and become clothed one within the other –

אוֹר א"ס בְּהֶקְוֹ וְצִמְצוּם שֶׁהוּא אֲוִיר הַקַּדְמוֹן וְטִהִירוֹ עֲלֵאָה וְהֶקְוֹ
בְּאָדָם קְדָמָאָה וְאָדָם קְדָמָאָה בִּהַג"ר דְּאַצִּילוֹת וְהַג"ר בַּז"א

the *Ohr Ein Sof* in the *kav* and the *tzimtzum*, which is the *avir Kadmon* and *tehiru ila'a*; the *kav* in Adam Kadmon; and Adam Kadmon in the top three *sefirot* of Atzilut i.e. *keter-chochmah-binah*, and those three in *zei'r anpin*.

וְע"י כָּל הַשְּׁתִּלְשָׁלוֹת וְהַתְּלַבְּשׁוֹת הַזֶּה יֵצֵא וְנִתְגַּלָּה בַּז"א בְּהֶשֶׁם
הוּי"ה ב"ה

And via the entire *hishtalshelut* chaining down and the *hitlavshut* clothing within, the Name Havaye emerges and is revealed in *zei'r anpin*.

וְהִנֵּה כָּל עֶקֶר הַגְּלוּיִ דְּהֶשֶׁם רַק בַּז"א כִּי הוּא הַגּוֹף וְהַכְּלִי לְכָל
הָאוֹרוֹת הָעֲלִיוֹנִים

So the primary revelation on the Name is exclusively in *zei'r anpin*, since it is the 'body' and the vessel for all the supernal illuminations,

וְנִתְגַּלּוּ כָּלֶם בּוֹ בְּכָל הוֹרָאָת דְּהֶשֶׁם הוּי"ה ב"ה

and all of them are revealed within him within *zei'r anpin* with everything indicated by the blessed Name Havaye.

ע"ד הַנִּשְׁמָה שֶׁמִּתְגַּלָּה בְּהַגּוֹף בְּכָל הַתְּכוּנוֹת דְּפָרְצוּף אָדָם אֲבָל
לְמַעַלָּה מִהַגּוֹף

This is in similar manner to the way the *neshamah* is revealed in the body with all the characteristics of the human *partzuf* but in a manner that transcends the body.

זוּלַת הַגּוֹף הֵרִי אֵין שׁוּם גְּלוּי לְהַנִּשְׁמָה מֵאַמָּה

Nevertheless, without the body there would not be any revelation of the *neshamah* at all.

וְכֵן כָּל מֵה שֶׁאֲמַרְנוּ לְעֵיל כִּי בְּאַצִּילוֹת נִתְגַּלָּה הַמֵּאצִּיל ית"ש בְּבִחִי
פְּעֻלָּה וְהוּא בְּכָל מְצִיאת הַסְּפִי

Similarly, everything we said above – that in Atzilut the blessed Emanator become revealed through the activities of the *sefirot* that are manifested there –

הנה כל הגלוי דהפעלה הנה עקרו ג"כ רק בהספ"י דהז"א אבל
הא"א ואו"א הם עדין נסתרים ונעלמים

all of the revelation of those activities is also exclusively in the *sefirot* of *ze'ir anpin*, whereas Arich Anpin and Abba and Imma are as yet recondite and concealed.

וכן כל פעלתו דהמאציל ית"ש אשר פועל ע"י האצילות בהעולמות
בי"ע הן כל פעלת הטבע והן כל פעלת הנסים

And similarly, all of the activities of the blessed Emanator that He performs in BiY" A via Atzilut, whether they are activities within the natural world, or whether they are miraculous events,

הרי אמרנו ג"כ לעיל אות ב' שכל הפעלות כלם הם רק ע"י ז"א
we stated above section (b) that all of these activities are only via *ze'ir anpin*.

והרי נמצא כי עקר עולם האצ"י הנה הוא רק פרצוף ז"א כי רק הוא
המציאות דהעולם כנ"ל

Thus the primary aspect of the World of Atzilut is the *partzuf* of *ze'ir anpin* exclusively, since that *partzuf* is the actuality of that world, as we explained.

וא"כ נמצא כי מה שאמרנו שהאצ"י הנה הוא הגלוי הכללי הרביעי
הנה כל הגלוי הזה הוא רק בז"א כי הרי רק הוא עקר עולם האצ"י
עצמו

So it turns out that when we said that Atzilut is the fourth macro-revelation – this entire revelation is only in *ze'ir anpin*, since it is in any event the primary aspect of Atzilut itself.

וא"כ הרי לנו כי מה שאמרנו לעיל אות ב' שהבח"י אשר כנגד הגלוי
הרביעי הכללי שהוא האצילות

This being the case, we derive from here that when we said above (section b) that the aspect corresponding to the fourth macro-revelation is Atzilut,

הנה הוא הפרצוף ז"א הפרטי מהחמשה פרצופים דהאצ"י
in fact, of the five *partzufim* of Atzilut, this is specifically the *partzuf* of *ze'ir anpin*.

הנה האמת הוא שהכלל והפרט אחד הוא כי ז"א עצמו הוא האצ"י
והאצ"י הוא ז"א

Thus in truth the macro and the micro aspects are one – since *ze'ir anpin* is Atzilut, and Atzilut is *ze'ir anpin*!

כי הג"ר שהוא א"א ואו"א הם נסתרים וכל גלויים הוא ג"כ רק
בז"א כנז'

This is because the first three *sefirot* Arich and Abba and Imma are all in a state of concealment, and their entire revelation is also exclusively via *ze'ir anpin*, as we mentioned.

וכן פרצוף הנוק' שהיא המלכות הנה היא כלולה בו ג"כ כמו
שיתבאר

Similarly, the *partzuf* of *nukvah*, i.e. *malchut*, is also included within *ze'ir anpin*, as we will explain.

והרי הנה ז"א כלל כל האצילות והוא הגלוי והמציאות דהשם
הוי"ה ב"ה

Thus *ze'ir anpin* is the generality of all of Atzilut, and is the revelation of the blessed Name Havaye

שהוא האור הכלול מכל האורות כלם כנ"ל

which is the light that includes all the other lights, as explained above.

והוא שמו של א"ס אשר נתגלה בו להקרא בשם

And this is the Name of the Infinite One as He becomes revealed to be called by Name,

והיינו ע"י יחודו באצילות הכלול בז"א:

i.e. by His unification within Atzilut as is it included in *ze'ir anpin*.

4d — Letters of the Name Havaye and their Revelation in *Partzufim*

והנה כל הגלוי והמציאות דהשם הוי"ה ב"ה אשר אמרנו שהוא
באצילות ובז"א

Now as regards the entire revelation and actuality of the blessed Name Havaye, which is in Atzilut in general, and in *ze'ir anpin* specifically, as stated above

הרי אמרנו כי האותיות י"ה שבשם הנה הם בו מהא"א ואו"א

we noted that the letters Y" H of the Name, i.e. the first two letters, are from Arich Anpin, and Abba and Imma.

כי אחר שמתפשטים ומאירים בו נתגלו בו ועל ידו בהאותיות י"ה

This is because after they Arich Anpin and Abba and Imma extend down into *ze'ir anpin* and illuminate it, they become revealed in it and by it in and by *ze'ir anpin* as the letters Y" H

שהוא הנראת תכונת דהא"א ואו"א

which denote the qualities of Arich Anpin, and Abba and Imma

כִּי הָא"א הוּא הַקּוֹצוֹ שֶׁל י' וְאו"א הֵם אוֹתִיּוֹת י"ה כִּי כֵן הוּא הוֹרָאת
תְּכוּנוֹתֵיהֶם וְכִמּו שֶׁבְּאַרְנו לְעֵיל פ' א' ב' ג'

for Arich Anpin is represented by the thorn on top of the *yud*, and Abba and Imma are represented by the letters Y"=H – these are the qualities indicated by them by the letters Y"=H and the thorn on top of the *Yud* as we explained above in subsections a, b, c of this chapter.

אֶלָּא מִשּׁוּם שֶׁהֵם עֲצָמָן בְּמִקְוָמוֹ אֵין לָהֶם גְּלוּי כָּלֵל כִּי הֵם לְמַעְלָה
מִן הָעוֹלָם

But because in their own place they Arich Anpin, and Abba and Imma are not revealed at all, since they transcend the world

וְהוּא ע"ד הַנִּשְׁמָה שֶׁאֵין לָהּ גְּלוּי לְמַעְלָה מִפְּרִצוֹף הָאָדָם הַגָּם
שֶׁעֲקָרָהּ הוּא לְמַעְלָה וְכַ"ל שֶׁעַר ג'

- similar to the *neshama* that is not revealed on levels above the *partzuf* of man, even though its primary aspect transcends man, as explained in Sha'ar 3 –

וְרַק אַחֵר שֶׁמִּתְפַּשְּׁטִים בַּז"א נִתְגַּלָּה בּוֹ הָאוֹתִיּוֹת י"ה

and only after they extend down into *ze'ir anpin* are the letters Y"=H revealed therein in *ze'ir anpin*.

שֶׁהוּא הוֹרָאת דָּא"א וְאו"א הֵם הַמִּתְלַבְּשִׁים בּוֹ וּמִתְיַחֲדִים עִמּוֹ

Thus, the letters Y"=H and the thorn on top of the *Yud* indicate that Arich Anpin and Abba and Imma are clothed within him within *ze'ir anpin* and merge with him.

אֲמָנָם הוֹרָאת תְּכוּנוֹת הַז"א עֲצָמוֹ הֵנָּה הוּא הָאוֹת ו' דְּהֵשֵׁם

However, what is indicative of the qualities of *ze'ir anpin* itself is the letter *vav* of the Name Havaye.

The Ba'al HaLeshem will now explain the qualities of the entire Name Havaye as they are revealed in *ze'ir anpin*, even though the letter of the Name primarily associated with *ze'ir anpin* is only the letter *vav*...

שֶׁהוֹרָאתוֹ הוּא עַל בְּחִי הִי סְפִי אֲשֶׁר הִיוּ כָּלּוּלִים בָּאוֹת י' שֶׁהוּא
אָבָא וְקַבָּלָה שֶׁרָשׁ וְכָלְלוֹת לְבַד

Each of the letters of the Name Havaye in *ze'ir anpin* reveals a certain quality: The *yud* indicates that the ten *sefirot* that were initially included in the letter *Yud* (=10), **which is Abba in its root and macro form exclusively **

וְכִהוּרָאֵת הִי שֶׁהוּא רַק נִקְדָּה קִטְנָה וְכַ"ל פ"ב

- just like the letter *yud* which is merely a small point containing the full manifestation in potential only, as explained above in subsection (b) –

וְאַחֲ"כ הֵם נִתְפָּשְׁטוּ בְּהֶאֱמָא שֶׁהִיא הָאוֹת ה' וְנִתְגַּלּוּ שָׁם בְּבִחִי ד' ו'

and afterwards these ten potential forces extend into Imma, the letter *hei*, and become revealed there as the aspects of *dalet* (=4) and *vav* (=6), since the letter *hei* as written by a scribe comprises a *dalet* and a smaller *vav* within it ה.

שֶׁהוּא הוֹרָאֵתוֹ הַד' מוֹחִין וְהו' תַּחְתּוֹנוֹת וְכַ"ל פ"ג אוֹת ג'

The *dalet* is indicative of the four aspects of *mochin* (intellectual capacities) – *chochmah*, *binah* and *da'at*, which is divided into two (five aspects of *chesed* and five of *gevurah*), and the six lower *sefirot* (from *chesed* to *yesod*), as explained above 3:3.

וְהִנֵּה עוֹמְדִים שָׁם הַמֹּחִין וְהַגּוּף מִפְּרָדִים זֶה מִזֶּה כְּצוּרֵת אוֹת ה'
שֶׁהוּא ד' עַל ו' מִבְּדָלִים זֶה מִזֶּה

Now the ten *sefirot* in *binah* are arranged in such a way that the *mochin* are separated from the body the lower *sefirot*, just like the shape of the letter *hei* where the *dalet* above and the *vav* below are separated from one another.

וְהו' אֲשֶׁר שָׁם הוּא בִּלְתִּי רֹאשׁ וְהוּא הוֹרָאֵת שְׁאִין לַהֲג"ר שֶׁהֵם
הַמֹּחִין הַשְּׁתוּוֹת עִם הַגּוּף

Furthermore, the *vav* there in the letter ה is without a head i.e. it is written as a short, straight line, rather than the regular shape of the letter *vav* which has a horizontal head on top of the vertical line. This indicates that the first three *sefirot*, which are the *mochin*, have no parity with the body.

אָמְנָם עַכ"ז הֵם כְּלוּלִים שָׁם עַכ"פ בְּאוֹת אַחַת שֶׁהוּא הָאוֹת ה'

Nevertheless, they are still included in a single letter, the letter *hei*,

לְהוֹרוֹת עַל יְחוּדָם שֶׁבִּסּוּף כִּי הָרִי מִתְלַבְּשִׁים אַחֲ"כ הַמֹּחִין בְּהַגּוּף
וְנִעֲשִׂים לְאַחַד

to indicate their unity in the end, because after all the *mochin* subsequently become clothed in the body and form a single entity.

וְהִנֵּה כָּל הוֹרָאָה הַזֶּה הוּא רַק בְּהִיּוֹתָם לְמַעְלָה בְּהֶאֱמָא

Now this is all indicative of their status when they are in Imma above.

אֲךְ אַחֵר שֶׁמִּתְפָּשְׁטִים הַמֹּחִין וְיוֹצְאִים מִמֶּנָּה הִנֵּה נִתְצַמְצְמוּ וְאִפְשָׁר
לָהֶם לְהִתְלַבֵּשׁ בְּהַגּוּף ג"כ

But after the *mochin* extend down and emerge from her from Imma, they become constricted and this allows them to become clothed in a body as well.

ועל זה הוא הוראת דאות ו' והוא מורה כי מה שהיו מקדים כלולים ונעלמים

This is what is indicated by the letter *vav* – showing that what was previously integrated and concealed above

בהאות י' בבחי' שרש וכללות לבד הנה עתה הם יצאו ונתפשטו לגלויים בז"א

within the letter *yud*, and had the status of the root-level and macro-form exclusively, now emerges and extends down as revelations within *ze'ir anpin*,

בבחי' התפשטות הו' שהוא קו הנמשך ויוצא ומתגלה מהנקדה שהוא י'

just like the *vav* extends from top to bottom as a line that emerges and becomes revealed from the point that is represented by the *yud*.

והו' זה הרי יש לו ראש והוא להורות על המחין הכלולים בו

Now this *vav* has a head upon it, which is indicative of the *mochin* included within it within *ze'ir anpin*

כי מאחר שיצאו מאמא נתצמצמו ומתלבשים בו ונעשים לאחד

because once they the *mochin* emerged from Imma they became constricted and were clothed in it in *ze'ir anpin*, forming a single entity.

אמנם עכ"ז הנה עומדים בו המחין עדין רק כלולים ונעלמים והוא הראש של הו'

Nevertheless, even given all this, the *mochin* are as yet still submerged and concealed within – and this is indicated by the head of the *vav*

שהוא בבחי' י' שהוא מורה על שרש וכללות לבד כנז'

which is the *yud* on top of the vertical line of the *vav*, indicating the root-level and macro-aspect exclusively, as mentioned.

כי כל זמן שהוא עומד בבחי' האות ו' לבד ולא נתגלה עדין להוי"ה שלמה

For as long as it *ze'ir anpin* remains as the aspect of the letter *vav* only, without becoming revealed as the fully iterated or expanded Name *Havaye*,

הרי הוא בבחי' קטן שנולד שכל המחין שבו הם רק כלולים ונעלמים בו בהעלם גדול וכ"ז הוא הוראת דאות ו'

it remains in a state of 'a newborn' whose *mochin* (intellectual capabilities or capacity for intelligence) are submerged within and are greatly concealed. And all of this is indicated by the *vav*.

וכן הוא הוֹרָאָתוֹ ג"כ על הו"ק דְּמַחִין דְּגִדְלוֹת שְׁגָם אֲזַי אֵין לוֹ עֲדִין הַמַּחִין בְּשִׁלְמוֹת)

(And it the *vav* is also indicative of the six boundaries or aspects of mature intellect or intelligence, which even then is not fully developed intellect

וכמ"ש בפע"ח שְׁעַר הָעֵמִידָה פ"י ע"ש כִּי עֶקֶר הוֹרָאָת הו' הוּא רַק
עַל הַמַּחִין הַכְּלוּלִים בַּהַז"ת עֲצָמוֹן

as it states in *Pri Eitz Chaim, Sha'ar haAmidah* chapter 10. See there that the primary indication of the *vav* is only as regards the intellectual faculties included in the seven lowest *sefirot*.

וְע' בְּנִסְיָה פ"ד וּבַפֶּע"ח שְׁעַר הַתְּפִלִּין פ' י"ד כִּי רֹאשׁ אוֹת ו' הוּא
הַדַּעַת הַנִּמְשָׁךְ מִכַּח"ב

And see *Eitz Chaim, Sha'ar Hanesirah* chapter 4, and *Pri Eitz Chaim, Sha'ar haTefillin* chapter 14 that the head of the letter *vav* is the *sefirah* of *da'at***, which is drawn from *keter-chochmah-binah*.*

וְהָרִי עַכ"פ הוּא כִּי אֵינָם הַכַּח"ב מִמֶּשֶׁ.

In any event, it is clear that it is not the actual *keter-chochmah-binah*.

וּמ"ש שָׁם פ' ט"ז דֶּרֶךְ ב' כִּי גַם בִּינִיקָה חֶסֶד לוֹ בְּחִי' רֹאשׁ

As for what it states there, chapter 16 second approach, that even at the 'nursing stage' called *yenikah*, the *vav* is missing the aspect of a 'head',

ר"ל שְׁאֵין בּוֹ עֲדִין מוֹחִין מִמֶּשֶׁ אֲבָל יֵשׁ לוֹ רֹאשׁ וּמַחִין עַכ"פ

meaning that it does not yet have proper *mochin*, even though it does at least have a head and a brain

וְהוּא הָרֹאשׁ דָּאוֹת ו' וְכַנ"ל מִשְׁעַר הָעֵמִידָה פ"י וְכֵן הוּא בְּשְׁעַר
הַכְּנוּת שָׁם

which is indicated by the head on top of the *vav*, as explained above from *Sha'ar haAmidah* chapter 10, and also in *Sha'ar haKavanot* op cit.

אֲבָל כְּשִׁישׁ לוֹ הַמַּחִין דְּגִדְלוֹת בְּשִׁלְמוֹת אֲזַי עוֹמֵד בְּגִלּוּי הו"ה
(שְׁלֵמָה)

But when it has mature *mochin* in a complete fashion, then the complete fully iterated Name **Havaye** is revealed).

וּמָה שֶׁמִּסְפָּר ו' הוּא שְׁשָׁה הוּא מְשׁוּם שְׁגִלּוּי הוּא אֲזַי רַק בְּהו'
תַּחְתּוֹנוֹת שְׁבוּ לְבַד

The fact that the numerical value of *vav* is only six is because the revelation of *ze'ir anpin* is at that stage not in all ten *sefirot* but only in its lower six

שהם חג"ת נה"י כי המחין עומדין בו אז רק בהעלם ובכללות כנז'
which are *chesed-gevurah-tiferet* and *netzach-hod-yesod* since the aspect of *mochin* there are in a state of concealment and at a macro-level, as explained previously.

והמלכות שלו היא כלולה בעטרת היסוד שבו והוא הכתר והשרש
של המלכות הפרטי

In addition, its *malchut* i.e. the *malchut* of *ze'ir anpin* is merged into the crown of its *yesod*, which is the *keter* and the root of *malchut* as a distinct entity,

שהיא ה' אחרונה הנמשך מהו' ונעשית פרוץ בפנ"ע וכמו
שיתבאר בעה"י לקמן בענין פרוץ המלכות.

signified by the final *hei* that is drawn from the *vav* and becomes its own distinct *partzuf*, as will be explained below in discussing the *partzuf* of *malchut*.

והנה עומד הוראת דאות ו' שבהשם על עצמות הז"א גופה קדם
שנשלם על שלמותו העקרי

Thus the letter *vav* of the Name Havaye signifies the essence of *ze'ir anpin* itself before it attains full completion.

שהוא קדם שנתגלה בו המאציל ית"ש בגליון הראוי שהוא בהוי"ה
שלמה

This is prior to the blessed Emanator becoming properly revealed within it in as the fully iterated Name Havaye

ואז הנה הז"א בבחי' קטנות שעדין לא נגדל ולא נשלם כהראוי
so that *ze'ir anpin* was then still in a state of immaturity, not having grown and developed properly.

[והוא ג"כ סוד הסתרת פנים שאינו מתגלה המאציל ית"ש]

[This is also the secret of 'concealing the Divine countenance' i.e. the Divine Presence where the blessed Emanator is not revealed

להאיר באור דהוי"ה שהוא אור פני מלך חיים

and does not shine forth with the light of Havaye – “in the light of the king's countenance there is life”¹⁰ –

המקים ומחיה את כל העולמות כלם על תכלית שלימותם
sustaining and nourishing all of the worlds in the most comprehensive manner.

ועכ"ז אינו מבטל ח"ו את הפנים לגמרי להבליע אותו בשרשו

Nevertheless, He does not negate the Divine countenance completely, Heaven
forfend, submerging it in its source

כְּמוֹ שֶׁהָיָה קֹדֶם הָאֲצִילוֹת כִּי אַז הָיָה מִתְבַּטֵּל כָּל הַמְצִיאוֹת כְּלוֹ
כְּרָגַע אֲלָא רַק שְׁמִסְתִּיר אוֹתוֹ

as it was prior to Atzilut, for if that were so then all of existence would be
immediately nullified; instead He simply conceals it.

וְאָמְרוּ בְּחִגְיָה ה' ע"ב אָמַר הַקַּב"ה אַעפ"י שֶׁהִסְתַּרְתִּי פָנַי מֵהֶם

Now it states in Tractate *Chagiga* 5b that the blessed Holy One declared: "Even
though I have hidden My face from them,

בְּחִלּוֹם אֲדַבֵּר בּוֹ וְכֵן נֶאֱמַר דּוֹמָה דְּדוּדִי לְצָבִי נִרְאָה וְנִכְסָה וְחוֹזֵר
וְנִרְאָה כַּמ"ש בִּשְׁהַש"ר שֵׁם ב'

I will speak to him in a dream." And it also states (Song of Songs 2:9) "My
Beloved is like a deer" – appearing and disappearing and appearing again.

וְעֵינָיו הִסְתַּרְתָּ פָנִים הוּא סוּד חֲזָרְתָּ לְקַטְנוּת וְע' דְּבָרֵינוּ בְּזֶה בְּשַׁעַר
טַנְתָּ א"פ"ג אוֹת י"א

Now the concept of the hidden countenance is the secret of the return to *katnut*
a state of undeveloped spirituality or spiritual immaturity.]

אָבֵל כְּשֶׁמִּתְגַּלֶּה הַמַּאֲצִיל ית"ש לְהָאִיר בּוֹ א"א בְּאוֹר דְּהוּי"ה שְׁלֵמָה

But when the blessed Emanator reveals Himself to illuminate *ze'ir anpin* with
the full light of Havayah,

אַז מִתְפַּשְׁטִים בּוֹ הָאֶרֶת דָּא"א וְאו"א וּמֵאִירִים בּוֹ וּמִתְלַבְּשִׁים
וּמִתְיַחֲדִים עִמּוֹ

then the radiance of Arich Anpin and Abba and Imma spread forth therein in
ze'ir anpin illuminating it and clothing themselves in it and becoming one with
it.

וְנִעְשִׂים בּוֹ לְעַצֵּם מַעֲצָמֵי וְהוּא ע"ד כָּל אָב וְאִם שְׁנוּתִנִּים חֶלֶק
מְגוּפִם וְנִפְשָׁם בְּהוֹלֵךְ

Thus they become part of the essence of *ze'ir anpin*, in the same way that every
father and mother gives part of their own body and soul to their offspring,

וְאָמְרוּ בְּנִדְהָ ל"א א' שְׁלֹשָׁה שְׁתַּפְּנוּ יֵשׁ בְּאָדָם הַקַּב"ה וְאָבִיו וְאִמּוֹ

as the Sages stated in Tractate *Niddah* 31a: There are three partners in creating a
person – the blessed Holy One, their father and their mother.

וְהָרִי נַעֲשֶׂה בְּהָאָדָם כָּל חֶלְקֵי דְהֵג' שְׁתַּפְּנוּ לְעַצֵּם מַעֲצָמֵי וְכֵן הוּא
בְּעֵינֵינוּ

Thus the contributions of all three partners become part of the essence of the person. And so too as regards the concept we are discussing:

כִּי הָא"א וְאִו"א הֵם הַג' שֶׁתִּפְּיֵן שְׂבִז"א וְנִעְשָׂה הָאֲרִתָּם הַמִּתְפַּשֵּׁט בּוֹ
לְעֶצֶם מִעֲצָמָיו וּמִתְגַּלִּים וּמְאִירִים בּוֹ

Arich Anpin and Abba and Imma are the three partners in *ze'ir anpin* and their radiance spreads into *z"v* (*ze'ir anpin*), becoming part of its essence, and they become revealed in *z"v* and illuminate it.**

וְהֵם הָאוֹתִיּוֹת י"ה וְהוּא עֲצָמוֹ ו'

These Arich Anpin and Abba and Imma are indicated by the letters *Yud* (and Arich Anpin is signified by the thorn on top of the *Yud*) and *Hei*. And *z"v* itself is signified by the *vav*.

וְכֵן מִתְפַּשֵּׁט מִמֶּנּוּ אֵז פְּרָצוֹף הַמַּלְכוּת הַכְּלוּלָה בּוֹ וְנִמְשָׁךְ מִמֶּנּוּ וְהוּא
הָה' אַחֲרוֹנָה הַכְּלוּלָה בּוֹ לְעוֹלָם וְכִמוֹ שִׁיתִּבְאֵר לְקָמוֹ

And then the *partzuf* of *malchut* spreads forth from *ze'ir anpin* in which it was included, and is drawn down from it manifesting as the final *hei* which is always included therein initially as *ateret hayesod*, as will be explained below.

וְהָרִי נִעְשָׂה בִּז"א הַגְּלוּי דְּהוּי"ה שֶׁלָּמָה שֶׁהוּא גְלוּי דְּהַמְאֲצִיל ית"ש

Thus the revelation of the complete Name Havaye – which is the revelation of the blessed Emanator – is produced in *ze'ir anpin*

הַמִּתְגַּלָּה בּוֹ בְּכָל הָאוֹרוֹת הָעֲלִיוֹנִים אֲשֶׁר מְאֻמְתָּתוֹ הַנִּעְלָמָה עַד
הַז"א

in which are revealed all the supernal illuminations from His concealed True Being all the way through to *ze'ir anpin*.

וְהֵם כְּלוּלִים בּוֹ וּמְאִירִים בּוֹ בְּהָאוֹתִיּוֹת י"ה וְכֵן ל' וְנִבְּנָה עִי"ז הַז"א
שֶׁהוּא מְצִיאוֹת הו' לְקוּמָה שֶׁלָּמָה וּלְעוֹלָם מְלָא

And they are integrated into *ze'ir anpin* and illuminate it as the letters *Yud Hei*, as explained above, and through this *ze'ir anpin* – which is represented by the presence of the *vav* – is built into a complete stature and an entire world,

וְנִתְגַּלָּה בּוֹ אֵז כָּל שְׂרָשֵׁי הַכַּחוֹת דְּהָעוֹלָמוֹת בִּי"ע

and then all the root-potencies of the worlds of BiY"v become revealed.

וְהוּא פְּרָצוֹף הַמַּלְכוּת הַכְּלוּלָה בּוֹ וְנִמְשָׁךְ מִמֶּנּוּ שֶׁהִיא הָה' אַחֲרוֹנָה

This is the *partzuf* of *malchut* that was included within *ze'ir anpin* and now is drawn forth from it as the final *hei* of the Name.

וְבָהּ הוּא כָּל הַגְּלוּי דְּשִׁרְשֵׁי הַכַּחוֹת דְּכָל הָעוֹלָמוֹת בִּי"ע הַנִּמְשָׁךְ
מִז"א וְכָלּוּל בּוֹ וּמִתְגַּלָּה בְּהַמְלָכוֹת

In *malchut* all of the revealed root-potencies of all the worlds of BiY" A included initially in *ze'ir anpin* and then drawn forth from it become revealed in *malchut*.

וְהוּא בְּנִינָן כָּל הָאֲצִילוֹת אֲשֶׁר נִשְׁלַם וְנַעֲשֶׂה בִּז"א

And this is how the entire Atzilut is constructed and becomes complete through *ze'ir anpin*

ע"י שְׁנַעֲשֶׂה עֲתָה כָּלּוּל מִכָּל הָאוֹרוֹת שְׁלֻמְעָלָה וּמִכָּל הָעוֹלָמוֹת
שְׁלֻמְטָה

by virtue of its being comprised of all the illuminations from above and all of the worlds below.

וְהֵם כָּלָם מְאִירִים בּוֹ וּמִתְגַּלִּים בּוֹ וְהוּא הוּא הַגְּלוּי דְּהֵשֶׁם הוּי"ה
ב"ה

And all of them illuminate *ze'ir anpin* and are revealed within it as the revelation of the blessed Name Havaye

שְׁנַעֲשֶׂה בּוֹ שֶׁהוּא הַגְּלוּי דְּהַמְאָצִיל עֲצָמוֹ הַמִּתְגַּלָּה בִּז"א בְּהֵשֶׁם
הַנִּכְבָּד וְהַנּוֹרָא הַזֶּה

that is formed within *ze'ir anpin* and is the revelation of the Emanator Himself as revealed in *ze'ir anpin* in this revered and awe-inspiring Name.

כִּי בְּנִינּוּ הוּא מִכָּל הַג' גְּלוּיִם הַכְּלָלִיִּים הָרִאשׁוֹנִים שֶׁהֵם הָאוֹרוֹת
דִּא"ס

For it is constructed by the first three macro-revelations, which are the lights of the *Ein Sof*

וְהוּא הַכּוֹלָל אֶת כָּל שִׁרְשֵׁי הַכַּחוֹת דְּהָעוֹלָמוֹת שְׁלֻמְטָה וְהִנֵּה הוּא
הַגְּלוּי דְּהַמְאָצִיל ית"ש

and also include all the root-potencies of the worlds below.

וְהִנֵּה הוּא הַגְּלוּי דְּהַמְאָצִיל ית"ש שֶׁהוּא שְׁמוֹ הַמְיֻחָד אֲשֶׁר נִתְגַּלָּה
בּוֹ

This is the revelation of the blessed Emanator in His unique and unified¹¹ Name that is revealed in *ze'ir anpin*.

וְהִרִי נִתְבָּאָר לָנוּ כִּי כָּל גְּלוּי הַמְאָצִיל ית"ש אֲשֶׁר נִתְגַּלָּה לְהַקְרָא
בְּשֵׁם שֶׁהוּא הַשֵּׁם הַמְיֻחָד

Thus we have clarified that the entire revelation of the blessed Emanator, who becomes revealed to be called by name, is in the unique and unified Name,

הוא רק בז"א שהוא כָּלֵל כָּל הָאֲצִילוֹת וְכִנּוּי:

that is revealed exclusively in *ze'ir anpin*, which includes all of Atzilut, as mentioned.

4e — The Divine Names Revealed in Ze'ir Anpin

וְהִנֵּה אַחֲרֵי שְׁאֲמַרְנוּ שְׁגַם הָאוֹתִיּוֹת י"ה שְׁבַשֵּׁם אֲשֶׁר הֵם מֵא"א
וְאוֹ"א הִנֵּה כָל גִּלּוּיִים הוּא רַק בִּז"א

Following our statement above, that the letters *Yud Hei* of the Name Havaye, are from Arich Anpin, Abba and Imma, but all of their *revelations* are only in *ze'ir anpin*,

הִנֵּה נֹאמֵר עוֹד כִּי הֲרִי אֲמַרְנוּ לְעֵיל פ' א' ב' ג'

we can say further, as we stated in subsections a, b, and c above,

כִּי הָאוֹתִיּוֹת י"ה אֲשֶׁר הֵם עַל א"א וְאוֹ"א הִנֵּה הוּא רַק עַל
תְּכוּנוֹתֵיהֶם הַכִּלְיוֹת לְבַד

that the letters *Yud Hei*, which represent Arich Anpin, Abba and Imma – this is only as regards their general characteristics.

אֲבָל בְּפִרְטוֹת הִנֵּה הֵם בְּגִלּוּיִם דַּע"ב וּס"ג

But specifically, they are the revelations of the Names *A"b* and *Sa"g*.

וְהִנֵּה אֲמַרְנוּ כָּאן לְעֵיל אוֹת ב' ג' שֶׁכָּל הַגִּלּוּיִי דַע"ב וּס"ג

Now we said above, in subsections b, and c that all the revelations of the Names *A"b* and *Sa"g*

הִנֵּה הֵם ג' כ' רַק אַחֵר שְׁמַתְלַבְּשִׁים וּמַתְגַּלִּים בִּז"א כִּי לְמַעַלָּה מִז"א
אֵין גִּלּוּי לְשׁוּם שֵׁם כָּלֵל.

are only after they become clothed in their respective vessels and are revealed in *ze'ir anpin*, because above *z"a* there is no revelation of any Name at all.

וְהִנֵּה עַל זֶה הִנֵּה נֹאמֵר עֲתָה כִּי הָאֲמֶת הוּא שֶׁכָּל עֲצָמִיּוֹת וּפְנִימִיּוֹת
הִז"א

Regarding this it let us state now that the truth is that the entire essence and inner dimension of *ze'ir anpin*

הוּא רַק הָאוֹר דִּשְׁם מ"ה כִּמוֹ שִׁיתִּבְּאֵר.

is exclusively the light of the Name *Ma"h*, as will be explained.

ומה שאמרנו שכל הגלוי דע"ב וס"ג הוא ג"כ רק ע"י ז"א הענין הוא
כי הנה יש בז"א כמה בחי'

Now what just we explained in the previous sub-section, that the entire
revelation of the Names A"b and Sa"b is also only via ze'ir anpin, the idea is
that there are a number of aspects of ze'ir anpin.

כי הרי מאחר שאמרנו שכל בנינו וגלוינו הוא מכלילות כל האורות
העליונים

This is because, as we stated, the entire edifice and revelation of ze'ir anpin
includes all of the supernal illuminations,

לכן הנה נמשך בו שאינו עומד גלוי על מצב אחד לעולם,

and thus manifested in ze'ir anpin is the quality that what is revealed in it does
not remain perpetually static.

כי תלוי גלוי לפי ערך אור העליון אשר מתראה ומתגבר בו

For what it reveals is relative to and depends on the supernal light that appears
and predominates therein.

כי כשמתגבר בו האור דאמא הוא מתגלה בשם ס"ג וכשמתגבר בו
האור דאבא הוא מתגלה בשם ע"ב

For example, if the light of Imma is revealed in him in ze'ir anpin then it is
revealed as the Name Sa"b¹²; and if the light of Abba is revealed in him, it is
revealed as the Name A"b¹³.

וזה הנה נקרא באמת אצלו רק בשם עליה וגדלות כי נתעלה
ונתגדל אז למעלה ממדרגתו

And for him ze'ir anpin this is called an ascent and a state of maturity, since he
has ascended to a level higher than his own.

וכן הוא עולה לפעמים גם למדרגת הא"א ועומד אז בגלוי הע"ב
אשר במעלת ורוממות הא"א

Similarly, he sometimes ascends even to the level of Arich Anpin, where he is
illuminated with the revelation of the Name A"b,

אשר הוא כמעט למעלה מכל תפיסת שם

which almost transcends any expression in a Name.

אלא משום שהוא הז"א אשר נתצמצם עכ"פ כי הרי תלוי בו כל
העולמות שלמטה

But because this is *ze'ir anpin*, which has at least gone through some *tzimtzum*-constriction, since all of the worlds below are dependent upon him upon *ze'ir anpin*,

וְהָיָה עוֹמֵד תָּמִיד בְּבַחֲיוֹ צִמְצוּם שֶׁהוּא לִהְיוֹת שֶׁרֶשׁ לָהֶם וְכִדֵּי שְׁלֹא יִתְבַטְּלוּ כָּל הָעוֹלָמוֹת בִּי"ע

and he always remains in a state of *tzimtzum* in order to become the root of the lower worlds, and so that all the worlds of *Beriah*, *Yetzirah* and *Asiyah* will not become nullified.

לָכֵן גַּם כְּשֶׁעוֹלָה לְמַדְרַגַּת א"א אֵינוֹ מִתְבַטֵּל הַצִּמְצוּם שָׁבוּ מִכָּל וְכָל

Therefore, even when he *ze'ir anpin* ascends to the level of *Arich Anpin*, the *tzimtzum*-constriction is not nullified completely,

וְעוֹמֵד גַּם אַז בְּתַפִּיסַת שֵׁם וּמִתְרָאָה בְּמַעֲלַת וְרוֹמְמוֹת הָע"ב שְׁבֵא"א
so that even there he remains expressed in a Name, but appearing with the pre-eminent loftiness of A"b of *Arich Anpin*.

וְעכ"פּ הוּא כִּי כָּל מָה שֶׁמִּתְגַּלֶּה בּוֹ הַשְּׁמוֹת דַּע"ב וּס"ג הֵנָּה הוּא רַק
בְּבַחֲיוֹ עֲלִיתוֹ וְגִדְלוֹתוֹ לְמַעַלָּה מִדְּרַגָּתוֹ

In any event, the Names of A"b and Sa"b are revealed in him *ze'ir anpin* only when he ascends and matures to a level higher than his own.

אַבְל מִדְּרַגַּת הָעֲצָמוּתִית שָׁבוּ שֶׁהוּא הָאוֹר וְהָעֲצָמוּתִית הַמִּתְגַּלֶּה
וְיִמְאִיר תָּמִיד

But as regards his own essential level, which is the light and essence that always illuminates

בְּכָל סִפְיָא וְסִפְיָא פְּרֻטִית מֵהִי סִפְיָא שָׁבוּ הֵנָּה הוּא הָאוֹר דְּשֵׁם מ"ה
שֶׁהוּא יו"ד ה"א וְא"ו ה"ה

each and every individual *sefirah* of the ten *sefirot* therein – this is the light of the Name *Ma"n*, which is יו"ד ה"א וְא"ו ה"ה,

וְכַמ"ש אֵלֵיהֶם זל"ט דְּאֵיהֶם אוֹרָח אֲצִילוֹת שֶׁהוּא פְּנִימִית הָאֲצִילוֹת

as *Elijah*, may his memory be a blessing, declared¹⁴: this *ze'ir anpin* is the central path of *Atzilut*, which is at the core of *Atzilut*.

וְכָל הָאֲצִילוֹת כֻּלּוֹ תְּלוּי בּוֹ וְסוֹבֵב עָלָיו לְהֵאִיר מִמֶּנּוּ

The entire world of *Atzilut* depends upon this and revolves around it, and it is from there that *Atzilut* illuminates below.

וְנִמְצָא כִּי הַשֵּׁם מ"ה הוּא עֶקֶר הָאוֹר דְּז"א וּמִדְּרַגָּתוֹ

Thus we find that the Name *Ma"n* is the primary light and level of *ze'ir anpin*,

שהוא הגלוי העקרי שבו אשר בשבילו נקרא בשם ז"א.

and is the primary revelation therein, by virtue of which it is called ze'ir anpin.

אבל כשמתראה בו האור דס"ג או הע"ב אז נראה ונקרא על שם האו"א ולא בשם ז"א כלל

But when the light of Sa"ng or A"b appears in it, then it is named after Abba or Imma, and not after ze'ir anpin at all.

וזהו כל הדרושים הנמצא בדברי האריז"ל בהס"ג והע"ב שהוא באו"א או בא"א וכן למעלה

And this is why in all the treatises discussing the Arizal's teachings, Sa"ng and A"b are in Abba and Imma or Arich Anpin, or even above these.

הגם שכל גלויים הוא רק ע"י ז"א כי כשמתראה בו אותן האורות שלמעלה

This is so even though all the revelations are via ze'ir anpin – because when those supernal lights appear in him in ze'ir anpin

אז נבחן ונדרש על שמם כי מדרגת הז"א הוא רק השם מ"ה והוא האור המאיר בו תמיד

they are discerned as, and expounded upon, by their names the names A"b and Sa"ng,¹⁵ even though the actual level of ze'ir anpin is exclusively the Name Ma"n, and this is the light that always illuminates it –

והוא הגלוי דאצילות והוא האור דסתם הוי"ה המזכר בכל מקום ה-יה the revelation of Atzilut, and this is the light of the standard Name Havaye ה-ה mentioned everywhere i.e. in its non-iterated form.

כי השם מ"ה שהוא במלוי אלפי"ן הנה הוא מורה על אור וגלוי

Shem Ma"n, which is expanded with the letter aleph (primarily) which is indicative of light and revelation.

כי כל א' הוא אור והוא על שם אורו וגלוי שבו הוא הגלוי העקרי

Because aleph is always an indication of light¹⁶ and this is due to the light and revelation therein, which is the primary revelation.

והוא השם המפרש המזכר בכל מקום כשהוא בנקדות מוצאותיו חצק"צ שהם גימ' ס"ו והוא סוד מסנה

This Name is known universally as 'the explicit Name' Shem haMeforash which is spelled and pronounced with a chirik, tzeirei kametz, tzeirei which together add up to 66¹⁷, the mystery of the veil¹⁸

מ"ה וס"ו גימ' קי"א כמספר אָל"ף והוא ג"כ סוד זה שמי וזה זכרי

The word מסוה can be divided into two *mah* = 45 and *sveh* = 66**, together having the numerical value of 111, the same numerical value as the word *aleph* 111= 80=ף, 30=ל, 1=א, which is also the mystical secret of the verse (Exodus 3:15): "This is My Name forever, and this is My remembrance from generation to generation,"¹⁹

כי נקדוּתיו הפשוט שהם שבא-חולם-קמץ הם גימ' מ"ו והם הנקדוּת דשם אָדנִי

because the simple vowels of the Name as Havaye are *sheva* = 20***, *cholem**** = 10***, *kametz**** = 16 total = 46. These are also the vowels of the Name A-d-o-n-ai²⁰

שהוא גימ' ס"ה הרי ס"ה ומ"ו הוא ג"כ קי"א כמספר אָל"ף וכמ"ש הגר"א כ"ז

which have the numerical value of 65. Now 65 plus 46 = 111, the same the numerical value as *aleph*, as the GR" A writes in regard to all of this.

והרי לנו כי האות אָל"ף שהוא קי"א הנה הוא כָּללות שם המפָּרש בנקדוּת מוציא האותיות שבו

Thus we have it that the letter *aleph*, which is equal to 111, is the overall inclusion of the *Shem haMeforash* 'the explicit Name' and the vowels that express its letters,

ובְּלָלוּת שם אָדנִי בנקדוּתיו והוא האור שמתגַּלָּה ולְכָךְ נקרא המ"ה שם המפָּרש וכן מ"ש וזה זכרי שהוא אָדנִי.

together with the Name A-d-o-n-ai and its vowels – this is the revealed light – and therefore the Name *Ma" h* is called the *Shem haMeforash*,²¹ and also, 'My remembrance' which is the Name A-d-o-n-ai.

ובְּלָלוּת זה הוא משום שהשם מ"ה הוא כָּללות הז"א שהוא כָּלל האצילות

All of this is because the Name *Ma" h* is *ze'ir anpin* in general, which is Atzilut in general,

אשר הוא גלוי של המאציל ית"ש

and which is the revelation of the blessed Emanator.

ולכן מתבאָר ומתגַּלָּה בוּ בְּהַגְלִי דשם מ"ה שהוא מוֹרָה עַל גְּלוּי ואור וְכִנּוּי

Therefore He appears in, and is revealed in *ze'ir anpin* – as the revelation of the Name *Ma'h*, which is indicative of the revelation of light, as mentioned.

וְהִרִי נִתְבָּאֵר לָנוּ מִכ"ז כִּי פְרָצוּף הִז"א הֵגֶם שֶׁהוּא בְּעֶצְמוֹתוֹ הָעֶקְרִי
שָׁבוּ רַק פְּרָצוּף פְּרָטִי

Thus with all this we have clarified that the *partzuf* of *ze'ir anpin*, even though in itself it is primarily only one individual *partzuf*

מִהֶה' פְּרָצוּפִים שְׂבָאֲצִילוֹת וְהוּא רַק הָאוֹת ו' דִּהֶשֶׁם וְכנ"ל אוֹת ד'
of the five *partzufim* of Atzilut, and it is only the letter *vav* of the Name, as explained above subsection (d),

אֲךָ אַחֵר שֶׁנִּשְׁלַם הָאֲצִילוֹת וְנִתְפָּשְׁטוּ וְנִתְגַּלָּה בּוֹ כָּל כָּלּוֹת אוֹרוֹת
הָעֲלִיּוֹנִים כָּלָם

nevertheless, after Atzilut was completed, and all the general supernal illuminations were revealed therein,

הִנֵּה נַעֲשֶׂה פְּרָצוּף ז"א לְכָלֵּל כָּל הָאֲצִילוֹת כִּי כָּל הַהִתְפָּשְׁטוֹת דָּכָל
הָעֲלִיּוֹנִים

then the *partzuf* of *ze'ir anpin* became the general principle of all of Atzilut, for of the outward spread of all the higher levels

נִתְגַּלוּ כָּלָם רַק בּוֹ וְעַל יָדוֹ וְנִשְׁלַם מַעֲתָה לְהַגְלוֹי דֵּהוּי"ה שְׁלֵמָה
all of it became revealed only in *ze'ir anpin* and via him, and this completed now the total revelation of Havaye.

וּפְנִימִית הִי סָפִי' שָׁבוּ הוּא הִי אוֹתִיּוֹת דִּהֶשֶׁם מ"ה וְהוּא עֲצָמוֹ
מַעֲתָה כָּלֵל הָאֲצִילוֹת

The inner dimensions of the ten *sefirot* therein are the ten letters of the Name Havaye, and thus *z"a* himself is now the entire Atzilut,

שֶׁהוּא הַגְּלוֹי הַכָּלְלִי הָרְבִיעִי שֶׁאֲמַרְנוּ לְעֵיל שַׁעַר ד' פ"ד
which is the fourth macro revelation we spoke about above Sha'ar 4 chapter 4,

כִּי בּוֹ נִתְגַּלָּה הַמַּאֲצִיל ית"ש לְהַקְרָא בִּשְׁם

For it was in this aspect that the blessed Emanator became revealed to be called by Name.

וְרַק בִּז"א הוּא שְׁמוֹ וְגִלּוּיֹ שֶׁל הַמַּאֲצִיל א"ס ית"ש:

And it is only *z"a* that is His Name and the revelation of the Infinite Emanator, may His Name be blessed.

4f — The Level of *Ruach* in the *Partzufim*

וְהִנֵּה ע"ד שְׁאֲמַרְנוּ כִּי פָרְצוּף הִז"א שֶׁהוּא פָרְצוּף הָרְבִיעִי

Now in the same manner in which we said that the *partzuf* of *ze'ir anpin*, which is the fourth *partzuf*,

הִנֵּה הוּא כּוֹלֵל כָּל הַחֲמִשָּׁה פָרְצוּפִים כֻּלָּם וְהוּא הַגִּלּוּי שֶׁל כֻּלָּם
וְהוּא כָּלֵל הַכֹּל

includes all five of the *partzufim* and is the revelation of all of them, and includes all of them

כִּי הוּא כּוֹלֵל כָּל מָה שֶׁלְּמַעַלָּה וּלְמַטָּה

- since it includes everything above and below –

כֵּן הוּא עַד"ז בְּהֵה' חֲלָקֵי נִשְׁמָה שֶׁבְּכָל פָּרְצוּף שֶׁהֵם נִרְנַח"

so too is it regarding the five levels of soul in each *partzuf* – *nefesh, ruach, neshama, chaya* and *yechidah* –

הִנֵּה הַחֲלֵק הָרְבִיעִי הַנִּקְרָא רוּחַ הִנֵּה הוּא כּוֹלֵל בְּתוֹכּוֹ אֶת כָּל הֵה'
חֲלָקֵי נִשְׁמָה כֻּלָּם

the fourth level of soul, from highest to lowest, which is called *ruach*, includes within it all the five levels of soul.

שֶׁכֻּלָּם מְתַגַּלִּים רַק בּוֹ וְעַל יָדוֹ וְהוּא הָעֶקֶר הַנִּקְרָא בְּשֵׁם פָּרְצוּף

For all of them all the levels of soul are revealed only within and via *ruach*, and this is the primary aspect that is labeled as *partzuf*,

כִּי הוּא אֲשֶׁר מְתַלַּבֵּשׁ בְּהִגּוּף וְהוּא הַנִּקְרָא בְּשֵׁם אָדָם

since it is this level of soul i.e. *ruach* that is clothed in the body, and it is this level of soul that is called 'Man.'

אָבֵל הֵג' הָרִאשׁוֹנִים שֶׁהֵם יְחִידָה חִיָּה נִשְׁמָה הִנֵּה הֵם אֵינָם
נִקְרָאִים בְּשֵׁם פָּרְצוּף כָּלֵל

But the first three levels of soul from the highest level down – *yechidah, chaya, neshama* – are not referred to as *partzuf* at all

כִּי הֵם לְמַעַלָּה מִהִגּוּף וּמֵאִירִים עָלָיו רַק מְלַמְעָלָה

since they transcend the body and illuminate it only from above, and not from within,

וְרַק הָאֲרָתָם הוּא מְתַפְּשֵׁט בְּהִגּוּף וְהֵם קְשׁוּרִים עִמּוֹ ע"י הָאֲרָתָם

and only their radiance penetrates the body to which they are bound via this radiance

שמתפשטים בו לבחי' אורות ומחין והם המנהיגים אותו מלמעלה

which seeps into a person's aspects of illumination and intellect, and they direct the person from above.

כי אותו ההארה מהם המתפשט בו הוא השרש דכל הרוח כלו

That is because the radiance from the higher levels of soul that penetrates a person is the root of the entire level of *ruach*,

אשר בזה תלוי כל קיומו וחיותו ומציאותו כלו

upon which a person's entire endurance and life and existence depend.

אך הגוף אינו סובל אורם הגדול ורק הרוח שהוא תולדתם ותלוי בהם

But the body cannot tolerate their great light, only the level of *ruach* which they produced, and upon them it *ruach* is dependent.

הנה הוא אשר נכנס ועומד בהגוף עצמו והוא המחיה את הגוף

And it is *ruach* that enters and abides in the body itself, as that which enlivens the body

בהכח ואור המקבל מהנשמה חיה ויחידה החופפים עליו מלמעלה תמיד

with the power and light it receives from *neschama, chaya* and *yechidah* that continually hover over it over *ruach* from above.

והנה מתגלים ומאירים הם בהגוף ע"י הרוח וקשורם בו הוא דרך הקרקפתא

And thus they these higher levels of soul become revealed and illuminate the body via *ruach*, and their connection to *ruach* is by way of the *karkafta* the area of the skull above the person's forehead, where a man places his *tefillin shel rosh*

במקום שמוחו של תינוק רופס וכן הוא נודע כי קדרת המוח היא עשויה כלה חלולה מנקבים קטנים

in that place where there is a gap in the skull of a baby called the anterior fontanelle. And as is known, much of the skull bone is full of small holes (this is the spongy bone known as *diploë*)

כמו הספוג ודרך שם נכנס ומתפשט הארת הנשמה חיה יחידה בהמוח

like a sponge, or a honeycomb, and it is via this spongy area that the radiance of *neschama, chaya* and *yechida* enter and permeate the brain,

וְשֵׁם הוּא קְשׁוּרֵם עִם הָרוּחַ שְׁבִהְגוּף (ע' מְבוֹא שְׁעָרִים שְׁעַר ג' ח"ב
פ"ד)

and this is where they connect with the *ruach* that is infused in the body. (See *Mevo Sha'arim, Sha'ar 3, 2:4*).

ועכ"פ הוא כי עקר הפרצוף הוא הרוח והוא הגלוי העקרי דהאדם

In any event, the primary aspect of the *partzuf* is the *ruach*, and it is the principal revelation of personhood,

אֲלֹא שֶׁהוּא כּוֹלֵל בְּתוֹכּוֹ הָאֶרֶת כֹּל הָעֲלִיּוֹנִים שֶׁהֵם מִתְגַּלִּים
בְּהִפְרָצוֹף עַל יְדוֹ כְּנִז'

although it does include within it the radiance of all the higher levels, which are revealed in the *partzuf* by way of *ruach*, as noted.

וְהִנֵּה עוֹמֵד בְּהִפְרָצוֹף הָרוּחַ עִם הַנֶּפֶשׁ יַחַד כִּי זוֹלַת הַנֶּפֶשׁ לֹא הִיא
אֲפֹשֶׁר לְהָרוּחַ

Now in the *partzuf* the levels of *ruach* and *nefesh* abide together, for without *nefesh* it would not be possible for *ruach*

לְהִתְקַשֵּׁר עִם הַגּוּף וְלַעֲמֵד בּוֹ כָּלֵל אַךְ ע"י הַנֶּפֶשׁ שֶׁהוּא מְעַרְב עִם
הַגּוּף

to connect with the body and remain in it at all. But through the *nefesh*, which is intimately involved with the body,

וְכַמ"ש כִּי נֶפֶשׁ הַבָּשָׂר בָּדָם הִיא ע"י יֵשׁ לְהָרוּחַ מְקוֹם לַעֲמֵד בְּהַגּוּף
ע"י שְׂמִתְלִבֵּשׁ בְּהַנֶּפֶשׁ

as the verse (Leviticus 17:11) states, “for the soul *nefesh* of the flesh is in the blood” and it is by means of this – that *ruach* is clothed in *nefesh* – that *ruach* has the possibility of abiding in the body.

וְהִנֵּה הָרוּחַ הוּא שֶׁרֶשׁ הַנֶּפֶשׁ וְהַמּוֹלִידוֹ

Now *ruach* is the root of *nefesh* and ‘gives birth’ to it,

וְהִרִי נִמְצָא כִּי אֹר הָרוּחַ הוּא כּוֹלֵל אֶת כֹּל הַנִּרְנָח"י כִּי אֱלוֹלֵא הָרוּחַ
לֹא הִיא שׁוּם גְּלוּי לָהֶם כָּלֵל

so it turns out that the light of *ruach* includes all level of the soul – *nefesh*, *ruach*, *neshama*, *chaya* and *yechidah*.

וְרַק ע"י הָרוּחַ הֵם מִתְגַּלִּים וְהוּא כּוֹלֵלָם וְהוּא עֶקֶר כֹּל הִפְרָצוֹף כָּלּוֹ.

But they are only revealed via *ruach*, and *ruach* includes them all, and it is the primary aspect of the entire *partzuf*.

וְנִקְרָא בְשֵׁם רוּחַ עַל שֵׁם שֶׁהוּא אֵינוֹ מִשָּׁג בְּחוּשׁ

Now it is called '*ruach*' literally, 'spirit,' because it cannot be grasped by the senses,

כִּי הִרִי הֶגֶם שֶׁהוּא עֶקֶר הַפְּרָצוּף עכ"ז מֵהוּתוֹ אֵינוֹ מִשָּׁג בְּחוּשׁ כָּלֵל
וְהוּא רוּחָנִי

because even though it is the primary aspect of the *partzuf*, its essence is still not grasped by the senses at all, and it remains spiritual.

וְעֶקֶר מָה שֶׁנִּקְרָא בְשֵׁם רוּחַ הוּא מְשׁוּם שֶׁהוּא מִתְנוּעֶעַ תָּמִיד כִּי כָל
חַי הוּא תָּמִיד בְּתִנוּעָה וּפְעֻלָּה שֶׁהִרִי עוֹרְקִים הַדּוֹפְקִים אֵינָם
שׁוֹבְתִים אֶף רִגַע אַחַת

But the primary reason that it is called '*ruach*,' which also translates as breeze or wind, is that it is constantly swaying or undulating or oscillating, because anything living is always moving and acting since the veins and arteries are always pulsing and never rest for even a moment, just like the wind is never still.

וְכָל מִי שֶׁהַחַיּוּת בּוֹ הוּא יוֹתֵר חָזָק אִי אֶפְשָׁר לוֹ בְּיוֹתֵר לַעֲמֹד בְּלֹא
פְּעֻלָּה

And the stronger the life-force within something is, the more impossible it is for it to remain motionless,

אִם בְּכַחוּת הַפְּנִימִית כְּמוֹ בְּהַמְחָשְׁבָה וְהִרְעִיּוֹן אִם גַּם בְּכַחוּת
הַחִיצוֹנִיּוֹת

whether this applies to the internal faculties, such as thinking and generating ideas, or whether this applies to the external faculties.

וְהָרוּחַ הֵנָּה הוּא מְנִיעַ אֶת כָּל הַפְּרָצוּף תָּמִיד לְהוֹצִיא אֶת כָּל
תְּכוּנוֹתָיו מִן הַכֹּחַ אֶל הַפּוֹעֵל

And it is *ruach* that always motivates the *partzuf* to bring its qualities from potential to actual.

וְהִרִי לָנוּ מַכ"ז כִּי הֵג' חֲלָקִי נִשְׁמָה הָעֲלִיוֹנִים שֶׁהֵם יְחִידָה חִדָּה
נִשְׁמָה

From all of the above we derive that the three loftiest aspects of the soul, *yechidah*, *chaya* and *neshama*,

הֵנָּה הֶגֶם שֶׁהֵם הַשָּׂרֵשׁ וְשָׂרֵשׁ הַשָּׂרָשִׁים לְכָל הַפְּרָצוּף
even though they are the root, and root of the root of every *partzuf*,

עכ"ז הרי לא נעשה בהם עדין הפרצוף כלל והם רק בבחי' הרצון
והמחשבה והכונה להפרצוף

nevertheless, the *partzuf* is not produced by them at all, and they are
merely the aspects of the will, the thought and the intention of the *partzuf*.

אבל פעלת הפרצוף ומציאותו הוא נעשה רק בהרוח שהוא
המציאות דהפרצוף וכנז'

But the activity of the *partzuf* and its manifestation in actuality is produced
exclusively by *ruach*, which is the actuality of the *partzuf*, as mentioned.

והרי עומדים היחידה והחיה והנשמה בבחי' הג' גלויים הפלליים
הראשונים

Thus *yechidah*, *chaya* and *neshama* are the modalities of the first three
revelations

אשר בהם לא יצא המאציל עדין בבחי' פעלה כלל

in which the Emanator did not yet emerge into the realm of action at all,

והרוח הנה הוא בבחי' עולם האצילות ששם נתגלה המאציל ית"ש
בבחי' פעלה ומציאות וגלוי

whereas *ruach* is the modality of Atzilut, where the blessed Emanator becomes
revealed in the realm of action and actuality and revelation.

כי שם הוא הגלוי והמציאות דהשם הויה ב"ה וכנ"ל בכל דברינו

For it is there, in Atzilut, that the blessed Name Havaye is revealed and
actualized, as we noted above in our exposition.

וכן הם ע"ד החמשה פרצופים שבכל עולם

And similarly, they the five levels of soul parallel the five *partzufim* in each world

כי היחידה והחיה והנשמה הם בבחי' פרצופי א"א ואו"א שהם
למעלה מהו"ק העולם והם נעלמים

– *yechidah*, *chaya* and *neshama* parallel the aspects of Arich Anpin, Abba and
Imma, which all transcend the six boundaries of identifiable existence²² that
demarcate ze'ir anpin, and they remain concealed.

והרוח הוא בבחי' ז"א שהוא עקר העולם וגלוי וְהוא כלול מכל מה
שלמעלה ולמטה

Whereas *ruach* is the aspect of ze'ir anpin, the primary aspect of that
identifiable existence and its revelation, and it comprises all the aspects above it,
and all the aspects below it.

וְרַק הוּא עֶקֶר הָאֲצִילוֹת וּבּוֹ הוּא כָּל הַגְּלוֹי דְּהַשֵּׁם הוּי"ה ב"ה וְכַנ"ל

And only it ze'ir anpin in the primary aspect of Atzilut, and within it is the entire revelation of the blessed Name Havaye, as explained above.

כֵּן הוּא הָרוּחַ כִּי רַק בּוֹ הוּא נַעֲשֶׂה וְנִמְצָא כָּל הַבְּנִין וְהַמְּצִיאוֹת
דְּהַפְּרָצוּף וְכַנ"ל

The same is true of *ruach* since it is only in *ruach* that the entire structure and actuality of the *partzuf* is produced and actualized.

וְהָרִי עוֹמֵד אוֹר הָרוּחַ שֶׁבְּכָל פְּרָצוּף בְּעֶרְךָ שְׁאֵר הָה' חֲלָקֵי נִשְׁמָה
שָׁבוּ

Thus the light of *ruach* in every *partzuf*, in comparison to the remainder of the five aspects of soul,

בְּבַחֲהִי הָאֲצִילוֹת שֶׁבְּכָלל הָעוֹלָמוֹת וּבְבַחֲהִי פְּרָצוּף ז"א שֶׁבְּכָלל הָה' פְּרָצוּפִים

is the aspect of Atzilut in the worlds, and the *partzuf* of ze'ir anpin among the five *partzufim*.

כִּי בְּהָעוֹלָמוֹת בְּכָלל הָנָה הָאֲצִילוֹת הָרִאשִׁית וְהָרָאוֹנוֹ לְהַגְלוֹי
וְהַמְּצִיאוֹת

For in the category of 'Worlds' Atzilut is the first and foremost of the revelations and their actualization,

וְרַק הוּא כָּלל הַמְּצִיאוֹת וְהַגְּלוֹי שֶׁל כָּלם

and only Atzilut is the overall coming into being and revelation of all of them.

וּבְהָה' פְּרָצוּפִים שֶׁבְּכָל עוֹלָם הָנָה פְּרָצוּף ז"א כָּלל הַמְּצִיאוֹת וְהַגְּלוֹי
שֶׁל כָּלם

Among the five *partzufim* in each world, the *partzuf* of ze'ir anpin is the coming into being and revelation of all of them.

וּבְהָה' חֲלָקֵי נִשְׁמָה הַפְּרָטִיִּים שֶׁבְּכָל פְּרָצוּף הָנָה אוֹר הָרוּחַ הַגְּלוֹי
שֶׁל כָּלם וְרַק הוּא כָּלל הַפְּרָצוּף

And among the five individual levels of soul in every *partzuf* the light of *ruach* is the revelation of all of them, and only it is the generality of the *partzuf*.

וְזֶהוּ שֶׁאָמְרוּ בְּזוֹה"ק בְּרִאשִׁית ט"ז א' רוּחַ עָלֶיהָ שְׂרִיא שֵׁם הוּיָה ב"ה

This is also what the Zohar, *Bereishit* 16a states – that upon *ruach* rests the blessed Name Havaye,

כִּי שֶׁרֶשׁ הָרוּחַ הוּא מִז"א שָׁבוּ הוּא הַגְּלוֹי דְּהַשֵּׁם הוּי"ה וְכַנ"ל

for the root of *ruach* is from *ze'ir anpin* in which the Name Havaye is revealed, as explained above.

וּכְבֹּר אֲמָרְנוּ כִּי אֹר הַפְּנִימִי דְהִי סְפִי הַפְּרָטִיִּים שְׁבִז"א

Now we already explained that the inner light of the ten sub-*sefirot* of *ze'ir anpin* (each *sefirah* and *partzuf* in the World of Tikun is sub-divided into ten aspects – the ten sub-*sefirot* of the *partzuf* or *sefirah* itself)

הֵנָּה הוּא הִי אוֹתִיּוֹת דְּהֶשֶׁם מ"ה כִּי הוּא הָאֹר הַמְּאִיר בִּז"א

are the ten letters of the Name *Ma"h*, which is the light that illuminates *ze'ir anpin*.

וְלָכֵן הוּא כִּי אֹר הָרוּחַ הַנִּמְשָׁךְ מִמֶּנּוּ אֲשֶׁר הוּא הַמְּצִיאֹת דְּכָל
פְּרָצוּף כְּנִז'

And therefore, the light of *ruach* that is drawn therefrom, which is the actuality of the entire *partzuf*, as mentioned before,

הֵנָּה הוּא נִקְרָא בְּשֵׁם אָדָם שֶׁמִּסְפָּרוֹ מ"ה

is called 'Adam', the numerical value of which is 45,

כִּי הֶשֶׁם מ"ה הוּא שֶׁרֶשׁ דְּהָרוּחַ שֶׁבְּכָל פְּרָצוּף וּבְשִׁבִּילֵי נִקְרָא אָדָם
מָה.

because the Name *Ma"h* (=45) is the root of *ruach* in each *partzuf*, and by virtue thereof Adam is called '*Ma"h*.'

וְהֵנָּה לְעֵיל שַׁעַר ג' בְּאֶרְנוּ כִּי עוֹלָמוֹת הַנִּפְרָדִים שֶׁהֵם הָעוֹלָמוֹת בִּי"ע

Now above in *Sha'ar* 3 chap.6 we explained that regarding the separated worlds – the Worlds of Beriah, Yetzirah and Asiyah –

הֵנָּה כָּל מְצִיאֹתָם וְעִקָּרָם הוּא רוּחַ נֶפֶשׁ לְבַד

their entire existence and primary stature is only *ruach* and *nefesh*

וְהֵם הָעוֹלָמוֹת דְּהִיצִיָּה וְעִשְׂיָה כִּי עוֹלָם הַבְּרִיאָה הוּא רַק שֶׁרֶשֶׁם
וּכְמוֹ שֶׁבְּאֶרְנוּ שָׁם

– and these are the Worlds of Yetzirah and Asiyah, because the World of Beriah is merely their source, as explained there *Sha'ar* 3 chap.6

וּא"כ נִמְצָא כִּי עוֹלָם הִיצִיָּה שֶׁהוּא הָרוּחַ הַכִּלְי מֵהָעוֹלָמוֹת
הַנִּפְרָדִים

Thus it turns out that the World of Yetzirah is the macro-*ruach* of the separated worlds,

וּמִמֶּנּוּ הוּא כָּל אוֹרוֹת הָרוּחִין דְּכָל אָדָם שֶׁבָּהֶעוֹלָם הִזָּה הִנֵּה שָׂרְשׁוֹ
הוּא מַז"א דְּאַצִּילוֹת

and from it all derive all the expansive illuminations of the 'Adam' i.e.
the spiritual stature of that world whose root is from ze'ir anpin of Atzilut

אֲשֶׁר בּוֹ הוּא כָּל הַגְּלוּי דְּהַשֵּׁם הוּי"ה ב"ה וְהָאוֹר דְּשֵׁם מ"ה

in which is the entire revelation of the blessed Name Havaye and the light of the
Name Ma'h.

וְלִכְךָ קָרָא הַקַּב"ה לְאָדָם הָרִאשׁוֹן בְּשֵׁם אָדָם כִּי מִשֵּׁם הוּא שָׂרְשׁוֹ
וְהוּא הַשָּׂרֵשׁ וְהַעֲקָר דְּכָל מַצִּיאוֹתוֹ

Therefore the blessed Holy One called Adam the first man created by Hashem by
the name 'Adam' since that was his root, and it is the root and the primary
aspect of his entire existence.

וְלֹא נִקְרָא אָדָם אֶלָּא רַק עַל שֵׁם הָרוּחָנִיּוֹת שָׁבוּ וְעַל שֵׁם שָׂרְשׁוֹ

And he was only called Adam by virtue of the spirituality instilled in him, and
by virtue of his root.

אָבָל הַגּוּף הוּא אֵינוֹ הָאָדָם עֲצָמוֹ אֶלָּא רַק לְבוּשׁ עָלָיו וּכְמ"ש עַל
בֶּשֶׂר אָדָם לֹא יִסָּךְ

But the body is not the person himself, only a garment, as in the verse (Exodus
30:32), "It [the holy anointing oil] shall not be smeared on a person's flesh..."
from which it is clear that a person is not their flesh.

וְהִנֵּה הוּא מִהָאוֹר דְּשֵׁם מ"ה וּכְלָלוֹת הַשֵּׁם הוּי"ה ב"ה שֶׁהֵם שָׂרֵשׁ
דְּאוֹר הָרוּחַ כְּנִזְ'

Now from the light of the Name Ma'h and the macro-aspect of the blessed
Name Havaye – these are the root of the light of *ruach*, as mentioned.

כִּי הוּי"ה אֲדֹנָי הֵם שָׂרֵשׁ דְּבַחִי רוּחַ וְנִפְשׁ שֶׁהֵם עֲקָר הַגְּלוּי
וְהַמַּצִּיאוֹת דְּכָל עוֹלָם וְכָל פְּרָצוּף וְכִנְז'

This is because the Names Havaye and A-d-o-n-ai are the root of the aspect of
ruach and *nefesh* which are the primary revelation and existence of every world
and every *partzuf*, as noted earlier.

וְהָרִי נִתְבָּאֵר לָנוּ מִכָּל דְּבָרֵינוּ כִּי הַגְּלוּי הָרְבִיעִי הַכִּלְלִי שֶׁאֲמָרְנוּ לְעֵיל
שֶׁעַר ד' פ"ד שֶׁהוּא עוֹלָם הָאַצִּילוֹת

Thus it has been explained from all the above that the fourth macro-revelation
– that we discussed above Sha'ar 4 chap. 4 – is the World of Atzilut,

הִנֵּה הוּא כְּלָלוֹת הַז' שֶׁהוּא הַגְּלוּי הָעֲקָרִי דְּהַשֵּׁם הוּי"ה ב"ה

which is in a general sense *ze'ir anpin*, the primary revelation of the blessed Name Havaye.

ובַּפְּרָטוֹת הֵנָּה הוּא הָאוֹת ו' דִּהְשֵׁם הַכָּלְלִי הַכּוֹלֵל אֶת כָּל הָה' פְּרָצוּפִים דָּכַל עוֹלָם

And specifically this is the letter *vav* of the Name Havaye that includes in a general sense all five *partzufim* in each world. In other words, of the five *partzufim* in each world, the thorn on the *yud* corresponds to *Arich Anpin*, the *yud* to *chochmah*, the first *hei* to *binah*, the *vav* to *ze'ir anpin*, and final *hei* to *nukvah-malchut*, as explained above*.*

וּפְנִימִית אוֹרוֹ הוּא הָאוֹר דִּשֵׁם מ"ה וְהוּא הַשָּׁרֵשׁ דְּבַחִי רוּחַ שְׁבָכָל פְּרָצוּף.

And its internal light is the light of the Name *Ma"h* and it is the root of *ruach* in each *partzuf*.

וּבְעוֹלָמוֹת הַנִּפְרָדִים הוּא נִגְדּוֹ עוֹלָם הַיְצִירָה וּמִמֶּנּוּ הוּא הָרוּחַ דָּכַל אָדָם

And in the separated worlds Beriah, Yetzirah, Asiyah it corresponds to the World of Yetzirah, and it is from there that every person's *ruach* level of soul derives.

וְלָכֵן הוּא כִּי בִּהְשֵׁם הוּי"ה ב"ה הַכּוֹלֵל אֶת כָּל הַד' עוֹלָמוֹת אֲבִי"ע

And therefore the blessed Name Havaye includes all the four worlds of *AbiY"A*,

הֵנָּה הִי בְּאַצִּילוֹת הָה' בְּבִרְיָאָה ו' בִּיצִירָה ה' אֲחֵרוֹנָה בְּעֲשִׂיָּה

– the *yud* is in *Atzilut*, the *hei* in *Beriah*, the *vav* in *Yetzirah* and the final *hei* in *Asiyah*.

וְכֵן בְּהַד' מְלוּאֵי עֶסֶם"ב הֵנָּה הֵע"ב בְּאַצִּילוֹת ס"ג בְּבִרְיָאָה מ"ה בִּיצִירָה ב"ן בְּעֲשִׂיָּה

And so too the four *miluim* iterations or expansions of the Name Havaye, *A"b*, *Sa"g*, *Ma"h*, *Ba"n*** , so that *A"b* is in *Atzilut*, *Sa"g* is in *Beriah*, *Ma"h* is in *Yetzirah*, and *Ba"n* is in *Asiyah*.*.*

וְהִירִי הֵנָּה הָאוֹת ו' וְהִמ"ה בְּעוֹלָם הַיְצִירָה וְכֵן מֵאִיר בִּיצִירָה שֵׁם א-ל הוּי"ה

Thus the letter *vav* and the expanded Name *Ma"h* are in the World of *Yetzirah*, and the Name *E-l-Havaye* illuminates *Yetzirah*,

וּכְמ"ש בַּפַּע"ח שְׁעַר הַסְּלִיחוֹת פ"ח וּבְכ"מ.

as it states in *Pri Eitz Chaim*, *Sha'ar HaSelichot* chap. 8, and in a number of places.

וכ"ז הוא משום שש"רש היצירה הוא בז"א שהוא האות ו' וכללות השם הוי"ה והמ"ה

And all of this is because the root of Yetzirah is in ze'ir anpin, which is the letter *vav* of the Name, and is the generality of the Name Havaye and of *Ma"n* when it is expanded.

וממנו הוא שרש הרוח שהוא עקרו דכל פרצוף וכן:

And from there is the root of *ruach* which is the primary aspect of every *partzuf* as noted.

4g — The Main Revelation of the Name Havaye is in Atzilut

כלל הדברים הוא כי הכלל והפרט אחד הוא וכמו שהוא בכללות כן הוא בפרטות

The overall idea is that the macro and the micro the general and the specific are the same, so that the way it is on the macro-scale, so it is on the micro-scale.

וכן כמו שהוא באצילות שהוא אלהות גמור כי שם הוא גלוי דהמאציל א"ס ית"ש

Similarly, the way it is in Atzilut, which is complete Godliness, since that is where the revelation of the blessed Infinite Emanator is,

אשר נתגלה להקרא בשם ולהוציא ולהמציא את כל העולמות בי"ע שהם העולמות הנפרדים

and where He became revealed so that He can be called by Name and produce and originate all the worlds of BiY"A, the separated worlds,

הנה המציא אותם ג"כ ע"פ סדר כל גלוייו אשר נתגלה בשמו שהוא באצילות

and thus He produced them BiY"A too according to the order of all the revelations that were revealed through His Name, which is in Atzilut.

כי הרי רק לצורך זה נתגלה בשמו וכמ"ש לפי מעשי אני נקרא

For it was only for this purpose that He revealed Himself by Name, as the Sages state, "According to My deeds I am called."²³

ולכן אמרנו לעיל פ"ג כי עולם הבריאה והנשמה שבכל פרצוף הנה הוא מיה' ראשונה שבשם

And therefore we noted above subsection (c) that the World of Beriah and the level of soul called *neshama* in every *partzuf* is from the first letter *hei* of the Name,

אֲשֶׁר הוּא בְּבַחֲיוֹ פְּרָצוּף אִמָּא שֶׁהִיא הַבִּינָה דְּאֲצִילוֹת וְעַנְיָן אֶחָד
לְכֻלָּם וְכֻמוֹ שֶׁבְּאֲרָנוּ שָׁם.

which is the *partzuf* of Imma, which is *binah* of Atzilut – and all of these are one concept. I.e. the level of *neshama*, the *hei* of the Name, Imma and *binah* are all different terminologies for the same thing, as we explained there.

וְכֻמוֹ שֶׁבְּאֲרָנוּ שָׁם. וְכֵן הוּא בְּעַנְיָנֵינוּ כִּי עוֹלָם הַיְצִירָה וְהָרוּחַ שֶׁבְּכָל
פְּרָצוּף

And so to as regards our subject – the World of Yetzirah and the *ruach* of every *partzuf*

הִנֵּה הוּא מִקְהוֹת ו' שֶׁבְּשֵׁם שֶׁהוּא הַז' א"א דְּאֲצִילוֹת אֲשֶׁר הוּא בְּאִמָּת
כָּלֵל כָּל הָאֲצִילוֹת כְּלוּ וְכֵן"ל

is from the *vav* of the Name, which is *ze'ir anpin* of Atzilut, and indeed includes the entirety of Atzilut, as we explained above.

וְהִנֵּה הָרוּחַ וְהַז' א"א וְהָאֲצִילוֹת עַנְיָן אֶחָד לָהֶם כִּי הָרוּחַ הוּא עֶקֶר
דְּכָל פְּרָצוּף וְגִלּוּי

Thus *ruach* and *ze'ir anpin* and Atzilut are all one concept, since *ruach* is the primary aspect of every *partzuf* and its revelation,

כְּמוֹ הַז' א"א שֶׁהוּא עֶקֶר וְגִלּוּי דְּהָאֲצִילוֹת וְהָאֲצִילוֹת הוּא עֶקֶר הַגִּלּוּי
דא"ס

just as *ze'ir anpin* is the primary revelation of Atzilut, and Atzilut is the primary revelation of the *Ein Sof*,

כִּי בּוֹ יֵצֵא לְכָלֵל שֵׁם וּפְעֻלָּה כֵּן"ל בְּכָל דְּבָרֵינוּ.

since it was in *ze'ir anpin* that He emerged into the category of Name and Action, as noted above in all of our exposition.

כִּי הָרִי הַז' א"א הוּא כָּלֵל כָּל הָאֲצִילוֹת עֲצֻמוֹ כִּי כָל הַג' ר שֶׁהֵם א"א
וְאו"א הֵם מִתְגַּלִּים וּמִתְרָאִים רַק עַל יְדוֹ

This is because *ze'ir anpin* is the generality of all of Atzilut itself, since the first three *partzufim* – Arich Anpin, Abba and Imma – become revealed and are made perceptible only through *ze'ir anpin*.

וּמִתְגַּלָּה בּוֹ כָּל הַגִּלּוּי דְּהַשֵּׁם הוּי"ה ב"ה וְהוּא כָּלֵל הָאֲצִילוֹת וְהַשֵּׁם.

Furthermore, the entire revelation of the blessed Name Havaye is in *ze'ir anpin*; thus it *ze'ir anpin* is the generality of Atzilut and the Name.

וְהָאֲצִילוֹת שֶׁהוּא הַשֵּׁם הוּי"ה ב"ה הוּא א"ס עֲצֻמוֹ

And Atzilut, which is the blessed Name Havaye, is the Infinite One Himself.

כי כל מה שִנְעָשָה הָאֲצִילוֹת לְרוֹמְמוֹת וּמַעֲלֵת דְּהֵשֶׁם הוּי"ה ב"ה
שֶׁהוּא אֱלֹהֵינוּ

*The fact that Atzilut has the elevated status of the blessed Name Havaye, who is Elokeinu, our G-d,***

הוא רק ע"י אור א"ס המתלבש ומתיחד שם להעשות חד עם כל
האצילות כלו.

is only by virtue of the fact that the *Ohr Ein Sof* was clothed therein and became one with the entire Atzilut.

ומתראה שם הוא עצמו מעתה בזה השם.

And He Himself is now discernable from this point on in this Name the blessed Name Havaye.

והוא ע"ד כל מעלת ושבח דהגוף שהוא רק ע"י הנשמה שבו.

This is comparable to the superiority and praiseworthiness of the body – which is only because of the presence of the soul within it.

והרי הנה כל השם הוּי"ה ב"ה רק על א"ס עצמו כי הא"ס עצמו
נתגלה

Thus the blessed Name Havaye is what it is only because of the Infinite One Himself, since He *Ein Sof* Himself is revealed

ע"י התלבשו ויחודו באצילות בהתאר והוראת הד' אותיות יהו"ה
ב"ה בבחי' תארים שהם במציאות האצילות.

by clothing Himself in, and uniting with Atzilut, according to the paradigm indicated by the four letters of the Name Havaye, may He be blessed, the way they are depicted in Atzilut.

וע"ד הנשמה שנתגלה היא עצמה בתאר ותכונת כל פיצוי אדם
ע"י התלבשה ויחודה בהגוף.

This is similar to the manner in which the *neshama* itself is revealed in the description and characteristics of every human *partzuf* by way of its enclothment in and integration with the body.

ולכך נקרא השם הוּי"ה ב"ה שם העצם משום שא"ס עצמו
מתראה בשם זה

It is for this reason that the blessed Name Havaye is called *Shem haEtem* the Essential Name because the Infinite One Himself appears in this Name

ע"י התלבשו ויחודו באצילות וע"י שִנְעָשָה חד עמהם

by clothing Himself in and integrating with Atzilut, thus becoming one with them the letters of the Name.

[והוא לא כְּדַעַת מְקַבְּלִים אֲחֵרִים בְּעֵינָיו שֵׁם הָעֵצָם אֶלָּא כְּדַבְּרֵינוּ שֶׁהוּא סֵלֶת נִקְיָה] [מִדְּבַרֵי הָאֲרִיז"ל]

***[**This view regarding the Essential Name is not the opinion of other

Masters of Kabbalah.²⁴ However, our words are ‘refined flour’²⁵ sifted from the words of the Arizal].

וְהָרִי הָיָה הַשֵּׁם הוֹי"ה ב"ה עֲצֻמוֹתָו גּוֹפָהּ וּכְמ"ש אֲנֹכִי יְהו"ה
אֱלֹהֶיךָ

Thus the blessed Name Havaye is His Essence,²⁶ as the verse (Exodus 20:2) states, “I am Havaye your G-d,”

אֶלָּא שְׁלֹא נִתְרָאָה בּוֹ רַק אַחֵר שְׁמַתְלִבֵּשׁ בְּאַצִּילוֹת וְנִעֲשֶׂה חֵד
עֲמֵהֶם

although this is not revealed therein until after He clothes Himself in Atzilut and becomes one with them,

אֲבָל לֹא קִדָּם אֱלֹוֵי כִי זֹלַת הָאַצִּילוֹת אֵין גָּלוּי לוֹ כָּלֵל

but not prior to this, because prior to Atzilut He is not revealed at all.

וְלָכֵן הוּא כָּל הָעֲבוֹדָה רַק לְשִׁמּוֹ וּכְמ"ש וְאַבְרָכָה שְׁמֶךָ. וְאַהֲלֵלָהּ
שְׁמֶךָ. וַיְבָרְכוּ שֵׁם כְּבוֹדְךָ (נִחְמִיָּה ט')

And therefore all of our divine service is only for the sake of the Name, as the verses state: “I will bless Your Name” (Psalms 145:1); “I will praise your Name” (Psalms 145:2); “Let them bless Your glorious Name which is exalted above every blessing and praise” (Nechemiah 9:5).

וְכֵן בִּפ' תְּבוּאָה לִירָאָה אֶת הַשֵּׁם הַנִּכְבָּד וְהַנּוֹרָא. וּבִמְלֶאכִי א' מִקָּטָר
מִגֶּשׁ לְשִׁמִּי.

And similarly in *parshat Tavo* (Deut. 28:58): “...to fear this honored and awesome Name.” And also in Malachi (1:11) “...in every place [where offerings] are dedicated to My Name...”

וְשֵׁם ב' ב' לְתֵת כְּבוֹד לְשִׁמִּי. וּמִפְּנֵי שְׁמִי נִחַת הוּא. וְזָרְחָה לָכֶם יְרֵאִי
שְׁמִי.

Also *ibid* (2:2) “To render honor to My Name”; “...for he was in awe of My Name (*ibid* 2:5); and “But the sun of righteousness will shine for you who fear My Name” (*ibid*. 3:20).

וְכֵן דְּבָרֵי הַיָּמִים ב' ו' לְבָנוֹת בַּיִת לַשָּׁמַיִ. לְבָנוֹת בַּיִת לַשֵּׁם יְהוָה אֱלֹהֵי
יִשְׂרָאֵל.

And similarly in Chronicles II (6:8): "...to build a Temple for My Name" ibid.
(6:9): "...he will build a Temple for My Name."

וְכַיּוֹצֵא בְּזֶה פְּסוּקִים רַבִּים בְּתַנ"ךְ שֶׁכָּל הָעֲבוֹדָה הוּא לַשֵּׁם

There are numerous similar verses in *Tana"ch* (Scripture) which all emphasize
that all the Divine service is 'for My Name.'

וְלֹא נִזְכָּר מִלֵּת א"ס אֲשֶׁר בְּפִי הַמְּקַבְּלִים, אוֹ מְחַיֵּב הַמְּצִיאוֹת אֲשֶׁר
בְּפִי הַמְּחַקְרִים

But the term *Ein Sof* uttered by the Kabbalists is not mentioned there; neither
is the term 'necessary existence' – used by the philosophers –

בְּכָל הַתּוֹרָה וְהָעֲבוֹדָה אֵלָּא רַק הַשֵּׁם הוּא "ה' ב"ה לְבָד.

mentioned anywhere in Torah or in Divine service. Only the blessed Name
Havaye exclusively is mentioned.

אָדָם כִּי יִקְרִיב מִכֶּם קָרְבָן לַה' אֲשֶׁה רִיחַ נִיחֹחַ לָהּ; אֵת ה' אֱלֹהֶיךָ
תִּירָא אֹתוֹ תַעֲבֹד וְאָהַבְתָּ אֵת ה' אֱלֹהֶיךָ, וְכִמּוּהוּ רַבִּים.

Here are some examples where the Name Havaye is used for G-d: "When one of
you brings an offering to Havaye" (Leviticus 1:2); "A pleasing scent to Havaye"
(Leviticus 1:9); "Havaye your G-d shall you fear, and Him shall you serve..."
(Deut. 6:13); "You shall love Havaye your G-d..." (Deut. 6:5); and in many more
such verses.

וְכֵן חֲז"ל לֹא הִזְהִירוּנוּ בְּכַוָּנַת הָעֲבוֹדָה אֵלָּא רַק לַהֲשֵׁם

Regarding the intention of our Divine service, our Sages too cautioned us that
this should be only for the sake of His Name,

וְכַמ"ש בְּזִבְחִים סַפ"ד לַשֵּׁם שֶׁשָּׁה דְּבָרִים הַזִּבְחַת נִזְבַּח כּו' לַשֵּׁם
הַשֵּׁם...

as the Talmud in *Zevachim* end of chap. 4 (p. 46b, in the Mishna) states: An
offering is slaughtered for the sake of six things... for the sake of Hashem
(meaning for G-d) but literally 'the Name.'

חֲזוֹ הִיא הַכּוֹנֵה הָעֵקֶרִית וְהַמְּחִיבֶת בְּכָל הַבְּרוּכוֹת וְהַתְּפִלוֹת וּבְכָל
הַמַּצּוֹת וְהָעֲבוֹדָה כְּלָה

This is the main intention *kavanah***²⁷ one must have when reciting any
blessing or prayer and in fulfilling all the *mitzvot* and in all aspects of Divine
service –

לכוֹנוֹ רק לשם הוי"ה ב"ה וכמ"ש בלתי ליהו"ה לבדו

to direct one's thoughts exclusively to the blessed Name Havaye, as the verse (Exodus 22:19) states, "[Bring your offerings] only to Havaye alone."

וכ"ז הוא משום שַעֲצֻמוֹת הַמַּאֲצִיל א"ס ית"ש נִתְגַּלָּה ע"י הָאֲצִילוֹת
וּמִתְרָאָה בְּשֵׁם זֶה

All of this is because the essence of the blessed Infinite Emanator becomes revealed through Atzilut and becomes perceived in this Name Havaye.

וְהוּא אֱלֹהֵינוּ וְכִמוֹ שֶׁאָמַר הוּא עֲצֻמוֹ ית"ש לַמְּשֻׁרָבֵעַ

**And He is our G-d, as He Himself said to Moses, peace be upon
:him**

כֹּה תֹאמַר אֶל בְּנֵי יִשְׂרָאֵל יְהו"ה אֱלֹהֵי אֲבוֹתֵיכֶם אֱלֹהֵי אַבְרָהָם אֱלֹהֵי
יִצְחָק וְאֱלֹהֵי יַעֲקֹב כֹּי זֶה שְׁמִי לְעֹלָם וְזֶה זִכְרִי לְדֹר דֹּר.

(Exodus 3:15) "So you shall say to the Israelites, 'Havaye the G-d of your forefathers, the G-d of Abraham, the G-d of Isaac and the G-d of Jacob has sent me to you. This is My Name forever, and this is My remembrance from generation to generation.'"

וְכַתְּבִיתִי כ"ז מְשׁוּם שֶׁשִּׁמְעֵתִי מִחֶכְם אֶחָד שֶׁאָמַר שֶׁהַכֹּנָה צָרִיךְ
לִהְיוֹת לֹא א"ס יָחִיד פְּשוֹט שֶׁהוּא יְהו"ה ב"ה

Now I wrote all of this because I heard that one sage said that the *kavanah-
*intention when mentioning the Name should be on the *Ein Sof*, Who is the
unlimited One, and He is the blessed Havaye.

וְאָמַרְתִּי לוֹ כִּי אֲדַרְבֶּה הוּא שֶׁתְּחַלֵּת הַכֹּנָה מִכֶּרֶךְ לִהְיוֹת דְּוָקָא
לְהֵשֵׁם הוּי"ה ב"ה

But I said to him that to the contrary – the beginning *kavanah-*intention must
be precisely the blessed Name Havaye,

כִּי כֵן הוּא בְּכָל הַתּוֹרָה וּבְדַבְרֵי חֲז"ל

for that is what is expressed throughout the Torah and the writings of the Sages.

אֲךָ אִם בָּא לְהוֹסִיף בְּכֹנָה יָכוֹל לְהוֹסִיף שֶׁהוּא עֲצֻמוֹת א"ס יָחִיד
פְּשוֹט הַמִּתְגַּלָּה בְּשֵׁם זֶה הַנִּכְתָּב בְּהוּי"ה וְנִקְרָא בְּאֲדָנִי

But if he wishes to increase his *kavanah-*intention he should do so by adding
that the essence of the *Ein Sof* is the indivisible oneness that is revealed in the
Name written as Havaye הוּי"ה and pronounced as A-d-o-n-ai אֲדֹנָי

וְכִמוֹ שֶׁאָמְרוּ בְּהַקְדַּמַּת תְּקוּנוֹת דָּף ד' ע"א כִּי בֵּין בֵּין שֶׁבֵּין בְּצִלּוֹתָא
בֵּין בְּשִׁירוֹת וְתִשְׁבָּחוֹת וְהוֹדָאוֹת

as the Introduction to the *Tikunei Zohar* 3a states: Whether one is reciting the *Shema* prayer, the *Amidah* (the 18 benedictions also called *Shmoneh Esrei*) or the songs and praises and acknowledgements of the various sections of the prayers

דְּבַכֵּל אֶזְכְּרָה דִּיפּוֹק מִפּוֹמּוֹי בְּכֹל אֶתֶר וּבְכֹל מַמְלָל צָרִיךְ לְכוֹנֵן דְּבוּר
בְּאֶדְנָי קוֹל בִּהְיוּ"ה

– every mention of the Name that emerges from his mouth, wherever he is in the order of the prayers, and with every utterance, he must have the intention that speech corresponds to A-d-o-n-ai and his voice to Havaye. The idea here is that the more general concept of ‘voice’ corresponds to Havaye, whereas the actual words of speech (as the expression and limitation of his voice into words) correspond to the Name A-d-o-n-ai.

וְלִיִּיחָדָא לֹון פֿחָדָא בִּיחָדָא (דְּאִינוֹן יֵאֵהוּדוֹנָה"י) דְּאִיהוּ יֵחִיד נֶעֱלָם
דְּמִחְבֵּר לֹון וּמֵיחָד לֹון פֿחָדָא

And his intention must be to unite them as one (forming the compound Name ²⁸*He is the Hidden One Who joins and unites them as one*).

וְבֵה צָרִיךְ הַכּוֹנֵן דְּלֹא תֵּלֵא לְמִימַר בֵּה קוֹל וְדְבוּר אֶלֶּא מַחְשְׁבָתָא
עכ"ל

To this essence of the *Ein Sof* Who unites these two Names should be the subject of this internal *kavanah-*intention in one's prayers, for one cannot express this in voice and speech, but only have it in mind. End of quote from the *Tikunei Zohar*

וְהִרִי לָנוּ דְּתַחֲלַת הַכּוֹנֵן בְּכֹל הָאֶזְכָּרוֹת הוּא בִּהְיוּ"ה אֶדְנָי

Thus we have it that *kavanah* begins with every mention of the Name Havaye as it is written and A-d-o-n-ai as it is pronounced.

וְהֵם נַעֲשִׂים מְשֻׁלָּבוֹת ע"י אֹר א"ס שְׁבָהֶם כִּי א"ס עֲצֻמוֹ ית"ש
נִתְגַּלָּה בְּהֵשֶׁם הַזֶּה

And they are intertwined into one by the *Ohr Ein Sof* in them, for the blessed Infinite One Himself is revealed in this Name,

הַנִּכְתָּב בִּהְיוּ"ה וְנִקְרָא בְּאֶדְנָי ע"י הַתְּלַבְּשׁוֹ וְיִחְדּוּ בְּאַצִּילוֹת
written as Havaye and pronounced as A-d-o-n-ai, via His enclothing Himself in and uniting with Atzilut –

כְּדִי לְבְרָא אֶת כָּל הָעוֹלָמוֹת וּלְקַבֵּל הָעֲבוֹדָה מִבְּרוּאֵיו
in order to create all of the worlds and to accept the worship of those
He created.

ולא עוד אלא שתלה גלוי יחודו באצילות אם להגדיל גלוי שם או להמעיט ח"ו

Furthermore, the extent to which the revelation of His Oneness in Atzilut – whether to a greater degree or to a lesser degree, Heaven forbid – depends

ע"פ תוספת וגרעון דהעבודה שבתחתונים וכמו שבארנו בכ"מ מדברינו

upon the increase or decrease in the Divine service of those below, as we explained in our expositions in a number of places.

אבל עכ"פ הוא כי כל העבודה הוא רק ע"י שנתגלה באצילות בהשם המיוחד

But in any event, all Divine service is only because He revealed Himself in Atzilut in the Unified Name

הנכתב בהוי"ה ונקרא באדנ"י ואילו הוא כל העבודה כי זולת גלוי באותו השם

written as Havaye and pronounced as A-d-o-n-ai, and thereto all of our service is directed**, for without His revelation in that Name**

שהוא לעצמות א"ס פשוט אשר למעלה מאצילות

– which signifies the essence of the indivisible Ein Sof who transcends Atzilut –

לא שיש שום עבודה כלל כי הוא פשוט בתכלית הפשיטות ולא נתפס בשום שם ומילה

so, without His revelation in that Name no Divine service is relevant at all, since He is absolutely indivisible and cannot be expressed in any name or word,

והוא נעלם בתכלית ההעלם והרי אינו שיש שום עבודה אליו

and He is absolutely concealed and no service to Him is even relevant.

כי גם כל בריאת העולמות כלם והתחברו אליהם הוא ג"כ רק אחר שנתגלה בהשם הוי"ה ב"ה

For even the creation of all the worlds, and His connection to them, is also only after He has become revealed in the blessed Name Havaye.

אבל זולת גלוי בזה אין מקום למציאות העולמות כלל כי רק הוא הבורא ויוצר ועושה את כל

But prior to His revelation in this manner, there is no ‘space’ for the existence of the worlds at all, for it is only He who creates, forms and makes everything.

וכן הוא הוראת השם שהוא הנה ומנה

And this is indeed what the Name Havaye indicates – that He is, and that He brings into being.

כִּי בְּמָה שֶׁנִּתְגַּלָּה הַיּוֹתוֹת שֶׁהוּא הִנֵּחַ בְּאוֹתוֹ הַגִּלּוֹי הוּא
מֵהֵנָּה אֶת כָּל וְנִמְשָׁךְ גִּלּוּיוֹ בְּמֵהֵנָּה רַק מִגִּלּוֹי דְּהֵהוּהָ

For that in which His existence – that He is – is revealed, with that very revelation He brings everything into being, and His revelation is drawn down into that which is brought into being only by virtue of the current revelation.

וְאִם לֹא הָיָה נִגְלָה הָרִי לֹא הָיָה מִתְגַּלָּה וְהָיָה נִשְׁאָר נֶעְלָם כְּמוֹ
שֶׁהוּא בְּאַמְתָּתוֹ הִנְעֵלְמָה שֶׁהוּא לְבִדּוֹ הוּא וְאַפֶּס זֹלָתוֹ.

Had He not become revealed in this manner, He would not be revealed ever, and He would have remained hidden in His concealed truth – that He alone is, and there is nothing else.

וְהָרִי לָנוּ מִכ"ז כִּי כָל מְצִיאת הָעוֹלָמוֹת וְקִבְּלַת הָעֲבוֹדָה
מִהִתְחַתּוֹנִים

So what we derive from all of this is that the entire existence of the worlds, and His acceptance of the service of those below,

הֵנָּה הוּא רַק אַחֵר שֶׁנִּתְגַּלָּה ע"י הָאֲצִילוֹת בְּהַגִּלּוֹי דְּהַשֵּׁם הוּי"ה
ב"ה.

is only after He has become revealed via Atzilut – with the revelation of the blessed Name Havaye.

וְהֵנָּה הוּא ע"ד שֶׁכְּתוּב וּמִבְּשָׂרִי אֶחְזֶה אֵלֹהִים כִּי נֹדַע הוּא שֶׁהִנֵּשְׁמָה
עֲקָרָה הִיא לְמַעַלָּה

This is similar to the interpretation of the verse (Job 19:26) “from my flesh I see G-d,” for it is known that the primary aspect of the soul is above,

וְנִשְׁתַּלְשְׁלָה וְיִרְדָּה וְנִתְפַּשְׁטָה בְּהָאֶרֶת הַקְּצָה הִתְחַתּוֹן שְׁלֵה
וְנִתְלַבֶּשֶׁה בְּגוֹף בַּהֶעוֹלָם

and from there it devolves and descends, and the radiance of its lowest edge spreads forth and becomes clothed in a body in this world,

וְנִמְשָׁךְ כָּל כֹּחָ וְהִשְׁכָּלָתָהּ וְכָל עֲנִינָהּ הַמִּתְרָאָה בְּהַגּוֹף תָּמִיד רַק
מִעֲקָרָה אֲשֶׁר לְמַעַלָּה וְכֵן ל"ספ"ג וְכֵן לְעִיל שְׁעַר ב' ג'

so that all of its power and intelligence and all soul-matters that constantly manifest in the body are only from her root above, as we explained above at the end of chapter 3, and also in *Sha'ar* 2:3.

וְהָרִי נִמְצָא כִּי הִגֵּם שְׁעָקֵר שְׂבַח וּמַעֲלֵת הָאָדָם אֲשֶׁר מִתְעַלֶּה
וּמִתְחַכֵּם בַּעוֹה"ז

Thus it turns out that even though in this world the greatest praise and preeminence of a person who elevates himself and attains wisdom

הוא רק ע"י הנשמה אשר עקרה היא למעלה עכ"ז הרי אין מתגלה
הנשמה עצמה בשום פעלה

is only via the level of soul called *neshama***, whose primary aspect is above and is not itself revealed in any activity** down below,

ואין גלוי לה כלל אלא רק אחר שנתלבשה בהארתה בהרוח
שבהגוף וכנ"ל אות ו'

and she the *neshama* herself is not revealed at all until her radiance becomes clothed in the *ruach* in the body, as explained above subsection (f).

אבל זולת זה אין שיכות להנשמה בהעוה"ז כלל והיא נעלם מאד

But other than this, the *neshama* has no relationship at all to this world and it is extremely concealed.

כן הוא עד"ז בענינינו כביכול כי הגם שעקר הפועל והמנהיג הוא
לעולם רק א"ס ית"ש

So too, as it were, regarding the matter we have been discussing: although the primary Actor and Supervisor is always only the blessed *Ein Sof*,

אך לא הוציא שום פעלה ממנו ולא התקרב את עצמו לברואיו
לקבל העבודה מהם

nevertheless, no activity emerges directly from Him, and He does not bring Himself closer to His creations in order to receive their service to Him,

אלא רק אחר שהתפשט והתלבש באצילות ונתגלה הוא עצמו שם
בהגלוי דהשם המיוחד הנכתב בהוי"ה ונקרא באדנ"י

other than after He has extended His radiance outward and clothed it in *Atzilut*, where He Himself becomes revealed in the revelation of the unique name which is written as *י-ה-ו-ה* Havaye and is read as *אדנ"י* Ad-o-n-ai.

ובזה הוא כל גלוי עליהם ולכן נאמר בכל התורה פלה כל העבודה
רק לשמו וכנ"ל:

And this is His entire revelation upon them, and therefore throughout the entire Torah it states that all Divine service is exclusively to His Name, as we explained above.

ואגב הנה נאמר עוד כי גם הבאים בסוד ה' ומעמיקים בכונה לכוון
ע"פ כִּנְת האריז"ל

As a side note, it can also be said that even those who enter into the Divine secrets and are deeply involved in *kavanot* (plural of *kavanah*), the mystical meditations associated with prayer and the *mitzvot* (fulfilling the Commandments) according to the *kavanot* of the Arizal,

צריכים להזהר מאד לכוון רק בשמות הקדש או באותיות השמות
בכ"א לפי ענינו

must be extremely careful to intend only the holy Names or letters of the Names, each according to its particular connotation.

אבל לא בשמות הפרצופים כמו עתיק א"א או"א זו"ן ישסו"ת
ישראל ורחל יעקב ולא

But one should not have in mind the names of the *partzufim*, such as Atik, Arich Anpin, Abba and Imma, ze'ir anpin, nukvah, Yisrael Sabba and Tevunah, Yisrael and Rachel, and Yaakov and Leah*.*

וכן לא בשמות הספי' כח"ב חג"ת נהי"מ אלא רק בשמות הקדש
אשר בכ"א מהם

Similarly, one should not have in mind the names of the *sefirot* – *keter*, *chochmah*, *binah*; *chesed*, *gevurah*, *tiferet*; *netach*, *hod*, *yesod*, *malchut* – but only the holy Names associated with each of them,

ובאותיותיהם ושלוביהם ונקדותיהם וצירופם אשר בכ"א לפי ענינו
ומקומו

and their letters and their permutations and the vowel points of each of them, appropriate to the subject and the context,

וע"ד שהם מסדרים בסדור הרב הקדוש מהר"ש שרעבי זצוק"ל

the way they are laid out in the siddur of the holy Rabbi Shalom Sherabi, may his holy and righteous memory be a blessing.

ומי שאין כחו יפה להישר ולכוון את רעיונו ומחשבתו להשמות
עצמו בלבד

But one who does not have the wherewithal to guide and direct his mind and thoughts to the Names alone,

ומכש"כ אם שלא השכיל כ"כ בידיעת השמות הקדש אשר בכ"א

and all the more so if he hasn't properly grasped the knowledge of the holy Names associated with each of them,

יותר מוטב מאד לכוון במילות התבות כתינוק בבית הספר
ובפשטות הכוונה לבד

it would be far better to attend to the meaning of the words like a child in school, and use only the simple *kavanah*.

כי לכוון בספי' הנה ע"ז אמרו אליו ולא למדותיו

Because if he has a *sefirah* in mind, regarding this our Sages declared, "To Him, not to His attributes."²⁹

ומכש"כ לכוון בשמות הפרצופים וביחודם

And how much more so if one meditates upon the names of the *partzufim* and their unifications –

הרי אי אפשר שלא יגשם במחשבתו ח"ו או באיזה תכונה גשמיות
עכ"פ

it's not possible that these concepts will not become corporeal in his thoughts, Heaven forbid, or at the very least will be endowed some with material characteristics.

וכמ"ש הרמ"ק ז"ל בשער הכוונה רפ"ב כי כל מה שהאדם חושב
במחשבתו

This is as Rabbi Moshe Cordovero states in *Pardes Rimonim, Sha'ar Hakavanah* beg. Chapter 2: Anything that a person mulls in his thoughts

היא גשמי ואין ראות שכלו יכול לדמות הרוחניות בלתי אם
יגשימהו ויגבילהו ע"ש

is corporeal in some sense, and his mind's eye cannot envision something spiritual without making it corporeal and limiting it. See there.

ולא התר לדבר בזה אלא רק בדרך למוד לבד כי הרי גם התורה
מדבר בעין זה

We have no permission to discuss even this, unless it is within the framework of Torah study, for after all even the Torah uses such expressions,

והם כל התארי ותכונות הגשמיות המזכר בתורה כמו ויאמר ה' אל
לבו;

i.e. all the physical descriptions and qualities mentioned in Torah, such as "And G-d said in His heart" (Gen. 8:21);

וירח ה' את ריח הניחח; ותחת רגליו כמעשה לבנת הספיר;
כתובים באצבע אלהים;

“And G-d smelled the aroma”; “And under His feet was something liken sapphire brickwork” (Exodus 24:10); “... written by the finger of Gd” (Exodus 31:18),

וכיוצא בזה הרבה בנוגע מדברי המפרשים בזה ובפרט בשיר
השירים שהיא קדש קדשים

and many similar examples, as is known from the explanations of the commentaries on these verses, and particularly those on *Shir haShirim* (Song of Songs), which is the Holy of Holies,³⁰ despite the fact that it is replete with corporeal imagery.

וכל דבריה היא ממש כעין כל הדברים שבספד"צ והאדרות ודברי
האריז"ל

Indeed, **all the matters** described in the words of *Shir haShirim* are just like the matters discussed in the *Sifra d'Tzniuta* and the *Idrot* – some of the most abstruse and recondite sections of the Zohar – and like the words of the Arizal, all of which use various corporeal images to convey an idea that would otherwise be difficult to comprehend.

ולכן מתר לדבר בזה בדרך למוד כי הרי הוא כעין כל התורה כלה

And therefore it is permissible to speak about these matters during study, for this is like the entire Torah which also uses corporeal imagery as an analogy and metaphor for the deepest of insights.

אבל העבודה והפננה הרי אסור בזה בכל חמר אסור

****But during one's Divine service and kavanot-meditations using such imagery is forbidden in the strongest terms,**

וכמו שנאמר ונשמרתם מאד לנפשתיכם כי לא ראיתם כל תמונה

as the verse (Deut. 4:15) states, “Be exceedingly careful for your souls, for you did not see any likeness...”

ואינו מתר העבודה והפננה אלא רק בהשמות הקדש ועל זה נאמר
ותמונת ה' יביט

No Divine service or *kavanah* is permitted other than with the holy Names, regarding which the verse (Numbers 12:8) states, “Upon the image of Havaya does he gaze,”

כי הפננה בהשמות הוא אליו עצמו וכן"ל והארחנו בזה בדע"ה
ח"א דרוש ה' סימן ז' ע"ש

for *kavanah*-meditation on the Names is to Him Himself, as explained above, and I discussed this at length in our work *Drushei Olam Hatohu***, part 1, *drush* 5:7. See there.**

וע' עוד מה ששייך לכל הענין כאן לעיל שער א':

And see also above Sha'ar 1 matters that are relevant to the discussion here.

4h — *Kavanot and Yichudim*³¹

אָמנם גדל הענין מי שזכה לכנס בהיכל הקדש פנימה

How great is it indeed when a person is worthy of entering into the Holy Chamber,

וְחִנּוּ ה' בְּדַעַה בִּינָה וְהִשְׁכֵּל בְּכָל כּוֹנוֹת הָאַרִיזָ"ל.

being that Hashem has granted him awareness, understanding and intellectual perception (*da'at, binah and chochmah*) in all the *kavanot* of the Arizal,

וְאֶפְשָׁר לוֹ לִכְוֹן בְּכוֹנוֹת הַשְּׁמוֹת הַקְּדוֹשׁ הָרְאוּיִם לְכָל בְּרָכָה וְתַפְלָה וְלִיְחֻדָּם בְּהִיחוד הָרְאוּי כִּמוֹ שִׁיתְבָּאֵר

and he has the ability to concentrate on the *kavanot* utilizing the proper holy Names for each blessing and prayer, and use the appropriate *yichud*³² to unify them, as will be explained.

הִנֵּה גְדֻלָּה מַעֲלָתוֹ לְמַאֲד מְאֹד וְהוּא בְּכָלֹל מֵאַמְרָם ז"ל בְּפִסְקִיקָתָא רַבְּתִי סוּף פְּסָקָא כ"ב וְכֵן בְּשׁוּחַר טוֹב סוּף מִזְמוֹר צ"א

Such a person is of a very lofty stature, and is included in the statement of our Sages in *Pesikta Rabbati* end of para. 22, and also in *Shocheh Tov* a semi-mystical Midrashic commentary on Psalms, Samuel and Proverbs at the end of Psalm 91:

ר' יְהוֹשֻׁעַ בֶּן לׁוֹי בִּשְׁם ר' פִּנְחָס בֶּן יֶאִיר מִפְּנֵי מָה יִשְׂרָאֵל מִתְפַּלְלִים וְאֵינָן נִעָנִים?

Rabbi Yehoshua ben Levi in the name of Rabbi Pinchas ben Ya'ir asked: Why is it that Israel the Jewish People pray and are not answered?

מִפְּנֵי שְׂאִינָם יוֹדְעִים בְּסוּד שֵׁם הַמְּפָרָשׁ כּו' שֶׁנֶּאֱמַר כִּי יִדַּע שְׁמִי יִקְרָאֵנוּ וְאֶעֱנֶהוּ

And he explained: Because they do not know the mystical secret of the Ineffable Name... as the verses (Psalms 91:14-15) state, "...since he knows My Name, he can call out to Me and I will answer him."

וְכוֹנְנָתָם הוּא עַל כָּל הַשְּׁמוֹת כֻּלָּם שֶׁהֵם שְׂרָשֵׁי הַכּחוֹת דְּכָל הַהִנְהָגָה כְּלָה

Here they are referring to all the holy Names, for they are the roots of the potencies behind the entire control system by which the Almighty guides His creation.

וְהֵם כָּלָם גְּלוּיָיו ית"ש אֲשֶׁר מִתְגַּלֶּה בָּהֶם בְּפַעֲלַת כָּל הַמַּעֲשִׂים וּבְכָל
תְּהִלּוֹת הַנְּהַגָּתוֹ ית"ש

And all of them are His revelations in which He reveals Himself by putting
activating all the deeds and all the channels of His blessed guidance.

וְהֵם כָּל הַשְּׁמוֹת כָּלָם וְכַמ"ש לְפִי מַעֲשֵׂי אֲנִי נִקְרָא וְהֵם תְּלוּיִם כָּלָם
בְּשֵׁם הַמְּפָרֵשׁ שֶׁהוּא שֵׁרֶשׁ כָּלָם

And these deeds and channels are all the holy Names, as the Sages declared,
"According to My deeds I am called,"³³ and all of those Names derive from³⁴
the Ineffable Name which is the root of all of them.

זֶהוּ עֵקֶר הָעֲנָנִים דְּכָל הַכּוֹנִנוֹת וְהַיְחודִים לְדַעַת עַל כָּל שֵׁם אֵיךְ שֶׁהוּא
יוֹצֵא מֵהַשֵּׁם הוּי"ה ב"ה

And this is the main principle of all the *kavanot* and *yichudim* – to know for
every name, how it emerges from the blessed Name Havaye

וְלִיְחַדֵּם כָּלָם בְּהַעֲשֹׂר אוֹתוֹת דְּהַשֵּׁם מ"ה שֶׁהוּא הַשֵּׁם הַמְּפָרֵשׁ
כַּנ"ל בְּדַבְּרֵינוּ

and to unify all of them with the ten letters of *Shem Ma"h*, which is the
Ineffable Name, as we explained above,

וְכַמ"ש הַגָּר"א בְּתִקּוּנֵי תִקּוּן ס"ו קי"ג ע"ב בְּדַה"מ אָבֵל וּבְדַה"מ
וְאָמַר ע"ש וְתִמְצָא

and as the GRA writes in *Tikunim*, *Tikun 66*, p. 113b beginning at the word
אָבֵל and beginning at the word וְאָמַר – look there and you will find.

וְע' עוֹד בְּזֶה בְּדַבְּרֵינוּ בְּסוּף תִּקּוּן נ"ז וּבְסוּף תִּקּוּן נ"ח

See more on this matter in his commentary at the end of *Tikun 57*, and at the
end of *Tikun 55*.

זֶהוּ שֶׁאָמְרוּ רז"ל דְּלַכְךָ מִתְפַּלְלִים וְאֵינָם נֶעֱנִים מִפְּנֵי שֶׁאֵינָם יוֹדְעִים
סוּד שֵׁם הַמְּפָרֵשׁ

This is the meaning of the statement of our Sages, that "they the Jewish People
pray and are not answered"

ורז"ל שֶׁאֵינָם יוֹדְעִים אֵיךְ שֶׁכָּל הַשְּׁמוֹת כָּלָם יוֹצְאִים וְנִמְשָׁכִים מִמֶּנּוּ
וְלִיְחַד אֶת כָּלָם בְּמִקּוּרָו

– meaning to say, they are not answered because they do not know how all the
Names emerge and are drawn down from Him, and how to unify all of them in
their source.

אָבֵל מִי שְׁזָכָה לְכָל זֶה אֵין קֶץ לְמִתְּוֹ שְׂכָרוֹ וְכַמּ"ש בְּזוֹה"ק פ' חֻקַּת
קפ"ג ב' וקפ"ד א'

But for one who is worthy of all this there is unlimited reward, as the holy Zohar states in *parshat Chukat* p. 183b and 184a:

מִהֶכָּא אֹלִיפָנָא כָּל מָאן דְּבַעֵי לְאַתְּעָרָא מִלִּין דְּלַעֲלָא בִּין בְּעוֹבְדָא בִּין
בְּמִלָּה

From here from the song sung by Moses and the Israelites regarding the well of water that accompanied them throughout their sojourn in the desert (Numbers 21:17 ff.) **we learn that whoever wishes to stimulate and elicit matters from above, whether through deeds** fulfilling the *mitzvot* in the category of action, **or though words** those *mitzvot* that are fulfilled through speech,

אִי הָהוּא עוֹבְדָא אוּ הָהוּא מִלָּה לֹא אֶתְעֵבִיד כְּדָקָא יָאוֹת לֹא אֶתְעֵר
מִדִּי.

if that action or that speech is not done properly it will not arouse anything.

כָּל בְּנֵי עֲלָמִין אֲזִלִּין לְבִי כְּנִישְׁתָּא לְאַתְּעָרָא מִלָּה דְּלַעֲלָא אָבֵל זְעִירִין
אֵינוֹן דִּידְעִין לְאַתְּעָרָא כּו'

The entire Jewish world goes to the House of Worship to stimulate matters above, but only a few know how to stimulate the outpouring of benevolence from Above...

זָכָאִין אֵינוֹן צְדִיקָא דִּידְעֵי לְמַקְרִי לְמַאֲרִיָּהוֹן כְּדָקָא יָאוֹת כּו'

Privileged are those righteous tsaddikim who do know how to call out to their Master in the proper manner...

תָּא חֲזִי כָּל מָאן דִּידְעֵי לְסַדְרָא עוֹבְדָא כְּדָקָא יָאוֹת וְלְסַדְרָא מִלִּין
כְּדָקָא יָאוֹת

Come and see: Anyone who knows how to arrange the proper actions, and to orchestrate his words properly,

הָא וְדָאִי מִתְעָרִי לְקַב"ה לְאַמְשָׁכָא מִלִּין עֲלָאִין דְּמִתְכַּשְּׁרוּ וְאִי לֹא לֹא
אֶתְכַּשֵּׁר לְגַבִּיָּהוּ.

will certainly arouse the blessed Holy One and elicit the desired response from above. But if not if he does not know how to arrange his actions and words properly, **they will not be accepted by them** by those potencies and forces appointed to distribute G-d's beneficence below.

אִי הֵכִי כָּל עֲלָמָא יְדְעֵי לְסַדְרָא עוֹבְדָא וְלְסַדְרָא מִלִּין, מָאִי חֲשִׁיבוּ
דְּלָהוֹן דְּצַדִּיקָא

But if so, if everybody knows what actions to do and what words to say everyone knows how to fulfill the *mitzvot* and to recite the prayers, what is the importance of those Tsaddikim

דִּידְעֵי עֶקְרָא דְּמַלְהָ וְעֹבְדָא וְיָדְעֵי לְכוּנָה לְבָא וְרַעוּתָא

who know the root of the words and the actions and who know how to have *kavanah* in their heart i.e. how to direct their thoughts and their will

יְתִיר מֵאֲלִין אַחֲרָנִין דְּלֹא יָדְעֵי כָּל כְּרָ?

any more than any other person who doesn't know that much?

**אֶלֶּא אֲלִין דְּלֹא יָדְעֵי עֶקְרָא דְּעֹבְדָא כְּלִי הָאֵי אֶלֶּא סְדוּרָא בְּעַלְמָא
וְלֹא יְתִיר**

However, those who do not know the root of the matter so well, but merely the practical performance of the *mitzvot*, and no more,

**מְשַׁכִּין עֲלֵיהוּ מְשִׁיכוּ דְּבִתֵּר כְּתַפּוּי דְּקַב"ה דְּלֹא טַס בְּאַוּרָא, דְּשִׁגְיָחוּ
אֶקְרִי**

draw down upon themselves from ‘over the shoulder’ of the blessed Holy One, so to speak, and not ‘face-to-face,’ so that the outpouring of benevolence does not enter the environment of this world, but remains above and is called merely ‘oversight.’

**ר"ל שֶׁהוּא רַק הָאֵרָה וְשִׁפְעָא אֲשֶׁר בְּבַחֲיָה הִסְתֵּר פָּנִים וְלֹא נִתְגַּלָּה וְלֹא נִרְאָה הַשִּׁפְעָה
שֶׁהוּא נִמְשָׁךְ וּמִשׁוּטט בְּאוּרֵי ר"ל בְּהָאֵרָת הַשְּׁגָחָתוֹ ית"ש כִּי הֵיא רַק בְּהִסְתֵּר פָּנִים
(לְבַד)**

(That is to say, what is drawn down in the latter case is only a radiance, and the flow of beneficence descends in as a ‘hidden countenance’ so that the flow is not revealed or apparent, and is drawn down and ‘hovers in the atmosphere’ i.e. as a mere radiance of His blessed overseeing everything, for it is by way of a ‘concealed countenance’).

וְאֲלִין דִּידְעֵי וּמְכוּנֵי לְבָא וְרַעוּתָא מִפְּקֵי בְּרַכָּאָן מֵאֲתֵר דְּמַחְשַׁבָּה

But those who do know the inner dimensions of these matters, and

who have *kavanah* in their heart i.e. how to direct their thoughts and their will, elicit blessings from the place of Supernal Thought

(שֶׁהוּא מַעֲמֵק וְרִצּוֹן וּפְנִימִיּוּת הַלֵּב וְהוּא מְסוּד חֻכְמָה אֲבָא רַאשִׁית הָאֲצִילוֹת)

(i.e. from the depth and the will and the inner chambers of the heart, which is the secret of *chochmah-Abba*, the head in the sense of the highest immanent aspect of *Atzilut*).

**וְנִפְקֵי בְּכָל גְּזֵעִין וְשִׁרְשֵׁין בְּאֵרַח מִישׁוֹר כְּדָקָא יָאוֹת עַד דְּמִתְבָּרְכִין עֲלָאִין וְתַתָּאִין ##
וְשִׁמְאָ קַדִּישָׁא עֲלָאָה מִתְבָּרְךְ עַל יְדִיהוֹן**

These blessings **emerge intact with all the ‘trunk and roots’** so to speak, i.e. the entire blessing from the roots up, **in a direct manner, as is fitting, so that the upper worlds and the lower worlds are all blessed, and the supernal Holy Name is blessed by them.**

זכָּאָה חוֹלְקֵהוֹן דְּהָא קב"ה קָרַב לְגַבִּיּהוֹן וְזָמַן לְקַבְּלֵיהוֹן בְּשַׁעֲתָא
דְּקֶאֱרוֹן לֵיהּ,

Fortunate is the lot of those who know the Names and use them in their *kavanot*, **for the blessed Holy One is close to them, and is ready for them when they call out to Him;**

הוּא זָמַן לוֹן בְּשַׁעֲתָא דְּאִינוּן בְּעָאָקוּ הוּא לְגַבִּיּהוֹן,

He is ready for them so that when they are in anguish He is with them.

הוּא אוֹקֵר לוֹן בְּעֵלְמָא דִּין וּבְעֵלְמָא דְּאִתִּי הַה"ד כִּי בִי חֲשַׁק
וְאֶפְלֹטֵהוּ אֲשַׁגְּבֵהוּ כִּי יָדַע שְׁמִי עכ"ל.

He cherishes them in this world and in the World-to-Come, as G-d declares in the verse (Psalms 91:14), “since he yearns for Me, I will deliver him; I will elevate him because he knows My Name.” Here ends the quote from the Zohar.

וְכֵן הוּא עוֹד בַּכ"מ בְּזוּה"ק רַבּוּ מִלְּסַפֵּר.

So too in innumerable places in the holy Zohar.

הִגָּהָה מִכ"י הַמַּחְבֵּר: רַבּוּ מִלְּסַפֵּר, נ"ב, עִין פ' וַיִּקְהַל ר"א א' ב', וְשֵׁם ר"ב ע"א ורע"ב,
(וְשֵׁם ר"י ע"ב, וּפְקוּדֵי רס"ב ב', בְּמִדְבָּר ק"כ, וּבִא"ז רצ"ד ב', וּפְקוּדֵי ר"פ רע"א

(In a hand-written note from the author: *so too in innumerable places: see Vayakhel 201a, b; ibid. 202a, b; ibid. 210b; Pikudei 262b; Bamidbar 120; and in Idra Zuta 294b; Pikudei 280a).*

וְהָעֵנִי בְּבֵאוֹר הוּא כִּי הָרִי נִדָּע שְׁעָקֵר כָּל הַתּוֹרָה וְהַמִּצְוָה הוּא אֵינוֹ
תּוֹרַת הָאָדָם הַתַּחְתּוֹן בְּלִבָּד כְּמוֹ שֶׁחֲשַׁבּוּ הַחוֹקְרִים

The idea explained is this: As is known, the primary aspect of Torah and mitzvot is not exclusively that of man below, as the philosophers thought.

אֵלָּא הִיא נְתַן לְהָאָדָם לְהִיּוֹת בּוֹנֶה בְּשָׂמִים עֲלִיּוֹתָיו וּמַגִּיעִים
לְמַעְלָה לְמַעְלָה

Rather, Torah was given to man to build steps up to heaven and reach the loftiest levels,

גַּם בְּגַבְהֵי מְרוֹמִים עַד רוֹם חִבְיוֹן עֲזוֹ ית"ש שֶׁהוּא גַּם בְּכָל הַנְּאֻצִּלִּים
כָּלָם

even the uppermost heights, to the peaks of His blessed hidden strength.³⁵

וְהִינוּ כִּי הַמַּאֲצִיל עָלֵינוּ ית"ש בְּאֶשֶׁר הַאֲצִיל אֶת כָּל הָאֲצִילוֹת הַנֶּה
הַאֲצִיל אוֹתָהּ

That is to say, when the blessed Emanator emanated all of Atzilut, He exuded it

ע"פ סדר תהלוכות כל המציאות דהעולמות ב"ע שרצה להוציא
על ידה

according to the existential pathways of the Worlds of BiY"A that He desired to
manifest by way of Atzilut.

כִּי הַאֲצִילוֹת הוּא הַיְסוֹד וְהַשֶּׁשׁ דְּכָל הָעוֹלָמוֹת ב"ע כְּמוֹ שֶׁאֲמַרְנוּ
בְּכַמָּה מְקוֹמוֹת לְעֵיל

This is because Atzilut is the foundation and root of all the Worlds of BiY"A, as
we noted previously in a number of places.

וְהֵנָּה יִשְׁנָם בְּאֲצִילוֹת כָּל הַכּחוֹת כֻּלָּם דְּכָל צְאָצְאֵי הַבִּי"ע וְתִקּוּנֵיהֶן
הַמְתַּחַדְשִׁים בְּכָל עֵת

In Atzilut are present all the potencies of all the offshoots in BiY"A and their
rectifications; and those potencies are constantly being renewed –

הֵן מָה שֶׁנוֹגַע לְמַצִּיאוֹתָם גּוֹפָה

whether those that affect their actual existence,

כִּי הֵרִי נּוֹלָדִים וּמְתַחַדְשִׁים מְצִיאִית חֲדָשִׁים תָּמִיד

for new beings are brought into existence and are renewed constantly,

בְּכָל חֻלְקֵי הַדָּחַח"מ שֶׁבַּהֲבִי"ע בְּכָל עֵת וּבְכָל רֶגַע

in all the categories of inanimate, plant, animal and human life as they are in
BiY"A – obviously in different forms in each of the different worlds – at all times
and at every moment.

וְהוּא בְּכָל מְקָרֵיהֶם שְׁעוֹבְרִים וּמְתַחַלְפִים עַל כ"א מְקָרִיִּים חֲדָשִׁים
תָּמִיד

Or whether this concerns the incidents that occur and befall every individual;
events that are constantly taking new forms.

הֵנָּה כֻּלָּם יְסוֹדָתָם בְּקֹדֶשׁ שֶׁהוּא בְּעוֹלָם הַאֲצִילוֹת כִּי שֵׁם הוּא כָּל
הַכּחוֹת כֻּלָּם אֲשֶׁר לָזֶה

The foundation of all of them is in the World of Atzilut, for it is there that the
potencies that facilitate these things and events reside.

וְהֵם מְתַגַּלִּים שֵׁם תָּמִיד וְנִמְשָׁכִים מִשֵּׁם וְיוֹצְאִים מִן הַכֹּחַ אֶל הַפּוֹעֵל
שֶׁהוּא בְּעוֹלָמוֹת בִּי"ע

These potencies are always in a state of revelation there and are drawn down from there and emerge from potential to actual in the Worlds of BiY”A

מֵאֵת הַמְּחֻדָּשׁ בְּטוֹבוֹ בְּכָל יוֹם תָּמִיד מַעֲשֵׂה בְּרָאשִׁית שֶׁהוּא
הַמְּאַצִּיל עֲלֵיוֹן א"ס ית"ש

by the One Who in His goodness constantly renews the works of Creation – the Supernal, Infinite Emanator, blessed be His Name,

הַמְּתִיחַד בְּאַצִּילוֹת וּמִתְגַּלֶּה שֵׁם בְּפַעֲלָתוֹ וְהַנְהִיגוֹ

Who unifies Himself with Atzilut, and Who reveals Himself there through His actions and the way He conducts the worlds.

וְהִנֵּה כָל מָה שֶׁנִּבְרָא בְּשֵׁשֶׁת יָמֵי בְּרָאשִׁית עַד אָדָם הָרִאשׁוֹן

Now everything that was created during the six days of Creation, up to and including the creation of Adam, the first man,

הָרִי הָיָה הַכֹּל מֵהֶקֶב"ה לְבֶד וְאִין עֲזָר עָמוּ בְּמַלְאכָתוֹ

was all by the blessed Holy One exclusively, with no assistance in His work from anything else.

אֲךָ אַחֵר שֶׁנִּבְרָא אָדָם הָרִאשׁוֹן הִנֵּה נֹדַע הוּא שֶׁרְצוֹנוֹ ית"ש מֵאֵז
וְלִהְלָאָה

But after Adam was created, it became known that His desire from the outset was

שֶׁיַּעֲשֶׂה הַכֹּל ע"י הַתְּעוֹרְרוֹת הַתַּחְתּוֹנִים

that everything should be done by those below arousing themselves.

כִּי כָשֶׁם שֶׁכָּל תְּקוּנֵי הַמַּעֲשִׂים בַּעוֹה"ז נַעֲשֶׂה הַכֹּל ע"י סִיוַע בְּנֵי
אָדָם,

Because just as all proper action in this world is all achieved through the assistance of man –

אָדָם חוֹרֵשׁ בְּשַׁעַת חֲרִישָׁה וְזוֹרַע בְּשַׁעַת זְרִיעָה וְכוּ בְּכָל חֻלְקֵי
הַדָּצָח"מ

he plows during the plowing season and sews during the planting season, and so too in all the inanimate, plant, animal and human realms –

הָרִי לֹא נַעֲשֶׂה מֵעַתָּה שׁוּם פְּעֻלָּה מֵעַצְמוֹ אֶלָּא ע"י עֶסֶק בְּנֵי אָדָם

thus from this point on, no activity is completed independently, but rather through the agency of man,

וְכַמ"ש בְּפ' רֵאשִׁי וּבִרְכָּה ה' אֱלֹהֶיךָ בְּכָל אֲשֶׁר תַּעֲשֶׂה

as the verse states in *Parashat Re'eh* (Deut. 15:18) “The Lord your G-d will bless you in all that you do.”

וַאֲמָרוּ בְּסִפְרֵי שֵׁם יָכוֹל אֶפִּי יוֹשֵׁב וּבָטֹל ת"ל בְּכֹל אֲשֶׁר תַּעֲשֶׂה

And the Sifri there states: ‘You may think that you will be blessed even if you sit there and do nothing. Therefore the Torah teaches us, “in all that you do!”’

כֵּן הוּא עַד"ז גַּם בְּסִפְת הַתְּגָלוֹת וְהַמְשָׁכַת הַבְּרָכָה וְהַשְׁפַּע מִלְּמַעְלָה

And so too, in similar manner, regarding the reason for and the revelation of and drawing down of the blessing and outflow of beneficence from above –

רָצָה הַקֵּב"ה שִׁיְהִיָּה ג"כ ע"י מַעֲשֵׂה בְּנֵי אָדָם וְהוּא ע"י הַתּוֹרָה
וְהַמִּצְוָה

the blessed Holy One wanted the activities of man as well, in the form of Torah and mitzvot,

כִּי הֵם מְסֻדָּרִים ע"פ שְׂרָשֵׁי הַכּוֹחוֹת הָעֲלִיוֹנִים דְּכָל הַמְּצִיאִית כָּלָם

for they are arranged according to the supernal root-potencies of all that exists.

הֵן מָה שְׁנוּגָע לַעֲצָם מְצִיאֹתָם וְקִיּוּמָם וְהֵן מָה שְׁנוּגָע לְכָל
תְּהִלּוֹת הַמְּקָרִיִּים שֶׁעוֹבֵר עֲלֵיהֶם

Whether those that affect their very existence and continued viability, or whether those that concern all the unfolding of incidents that befall them –

וְהָרִי נַעֲשֶׂה בִּכ"א ע"י הַשְׁפַּע וְהַכַּח הַנִּמְשָׁךְ לְכָל מְצִיאֹת וּלְכָל
פְּעֻלָּה מִלְּמַעְלָה לְמַעְלָה

each of these factors is brought about by the flow and potency drawn down for the entire existence and for every activity from up on high,

שֶׁהוּא מַעֲוֹלָם לְעוֹלָם עַד עוֹלָם הָאֲצִילוֹת וְע"י גְּלוּיָו וְאוֹרוֹ ית"ש

from world to world, all the way to the World of Atzilut, via His revelation and His light, may His Name be blessed,

שֶׁמֵּאִיר וּמִתְגַּלֶּה שֵׁם בְּפַעֲלַת כָּל הַמַּעֲשִׂים וּלְחֻדֹשׁ בְּטוֹבוֹ בְּכָל יוֹם
תָּמִיד מַע"ב וְכַנִּז'

that illuminates and is revealed there, in actualizing all deeds, and in His beneficence always renewing the work of Creation, as noted.

וְהִנֵּה נַעֲשֶׂה כ"ז ע"י סִיוֵעַ הַתְּחַתּוֹנִים בְּהַתּוֹרָה וְהַמִּצְוָה כִּי הִיא
כָּלָה שְׁמוֹ שֶׁל הַקֵּב"ה

Now all of this is achieved by means of assistance from those below in their studying Torah and fulfilling mitzvot since the entire Torah is the Name of the blessed Holy One,

שהוא עצם השורש דכל המציאות כלו וכנ"ל בדברינו

for it the Torah is the root-essence of the entire existence, as discussed above.

ולכן ע"י התעוררות מקיומה ושמירתה ועשייתה שנעשה בה למטה

Therefore, by arousing ourselves through keeping it and guarding it and the actions done down below because of it,

הנה נפתח המקור העליון שלה למעלה להיות מאיר ומתגלה
בפעלת כל המעשים

its supernal source is opened up above so that it can illuminate and become revealed in the activity of all those deeds.

והנה זהו החלוק העצום וההבדל הגדול בין המקיים את התורה
והמצוה בסתם

Now this is the tremendous distinction and the great difference between one who simply fulfills the Torah and mitzvot,

שהוא בכונה כללית על כל מצוה ומצוה שמכוון ועושה אותה למען
שמו ויתברך והרי הוא כונה כללית אחת על כלם שנה

with only a general *kavanah* for all the mitzvot – the person has in mind and fulfills the mitzvah, for the sake of blessed His Name – thus he has one general *kavanah* for all of the mitzvot equally.

לבין מי שזכה להשכיל ולדעת על כל מצוה ומצוה בפרט את גלוי
אורו ית"ש אשר עליה בפרטיות מראשית האצילות עד סופו כלה

Contrast this with one who has merited to apprehend and to know the specific revelation of His blessed light designated for each mitzvah individually from the beginning of Atzilut to its end.

כי זה נכנס ועולה בהיכל הקדש פנימה בחדר לפניו מחדר

For the latter person enters and ascends into the chambers of holiness, to one room within another,

ועולה ומטיב את הנרות הוא בעצמו ומאיר ומזהיר את אור גלוי
ית"ש בכונתו ומחשבתו

and he ascends to kindle the candles of the Candelabra in the Temple himself and cause His blessed light to shine and glow in his *kavanot* and his thoughts.

ונעשה גם הגלוי גופה מאור יחודו ית"ש שבאצילות

This illumination itself is also fashioned from the light of His blessed unity in Atzilut.

הכל רק ע"י האדם עצמו כי הוא ממשיך את גלוי אורו ויחודו
שבאצילות השיך לאותו מצוה ממקור המקורות כלם עד סופו כלו

And all of this comes about only by way of man himself, for he draws down the revelation of His light and His unity in Atzilut – germane to that particular mitzvah – from the Source of all sources to the final end point.

והוא ע"י שעולה במחשבתו למעלה ויורד מדרגא לדרגא ומכונן את
השם הראוי לכל מדרגה ומדרגה

This the aforementioned is achieved by a person ascending on high in contemplation,³⁶ and then descending from level to level, keeping in mind the appropriate Name for each level.

ויכבד אמרנו לעיל שער א' ובכ"מ כי השמות עצמן הם הגלויים

Now we already stated above, *Sha'ar* 1, and in a number of places, that the Names themselves are the revelations.

והרי נעשה כל זוהרי הגלויים למעלה וכן המשכת גלויים למטה

Accordingly, the entire illumination of the revelations above, and drawing down the revelations below,

הכל רק ע"י אותו האדם הזוכה עצמו

is all achieved only through that person who is worthy,

כי הנה הוא מעורר ומזהיר רבוי אור קדשתו ית"ש למעלה
וממשיכה למטה

for he stimulates and causes to shine forth a profusion of the light of His blessed holiness above, and he draws this down below.

וזהו שאמר הזוה"ק הנ"ל ואליו דידיעי ומכווני לבא ורעותא מפקי
ברכאן מאתר דמחשבה

This is what the Zohar was referring to with the statement, "those who know the inner dimensions of these matters, and who have *kavanah* in their heart i.e. how to direct their thoughts and their will, elicit blessings from the place of Supernal Thought

והוא מהשם מ"ה שהוא שם המחשבה חשב מ"ה והוא מחכמה כח מ"ה כמ"ש
(בתקונים בכ"מ והוא מקור האצילות ובו מתיחד הכל כנ"ל)

(which is from the Name *Ma"h*, which is the Name of i.e. associated with Supernal Thought – the thought of *Ma"h* since the word *machshava* [Supernal Thought] in a different permutation spells *chashav Ma"h* [the thought of *Ma"h*], which is *chochmah* – *koach Ma"h* [the power of *Ma"h*, since *chochmah* in a different permutation spells *koach Ma"h* as the *Tikunim* states in a number of

places, and this is the source of Atzilut, and with it everything is unified, as explained above).

וְנִפְקִי בְּכָל גִּזְעֵי וְשָׁרְשֵׁי בְּאוֹרַח מִיִּשׁוּר כְּדָקָא יָאוּת עַד דְּמִתְבָּרְכִין
עַלְאִין וְתַתְּאִין

The Zohar cited above states: they emerge intact, with all the 'trunk and roots' so to speak, so that the upper worlds and the lower worlds are all blessed,

וְשִׁמָּא קְדִישָׁא עֲלָאָה מִתְבָּרַךְ עַל יְדִיהוֹן זְכָאָה חוֹלְקִיהוֹן כּו' כֵּן"ל
and the supernal Holy Name is blessed by them. Fortunate is the lot of those who know the Names and use them in their *kavanot*, as stated.

כִּי הוּא הָאָדָם אֲשֶׁר עוֹשֶׂה רָצוֹן קוֹנוֹ שֶׁבִּשְׂבִּילּוֹ נִבְרָא הָעוֹלָם
For this is the person who does the will of the One Who to whom he is loyal; it was for him that the world was created.

וְכִמּוֹ שֶׁאֲמַרְנוּ שֶׁרָצוֹן הַקֵּב"ה מִהָאָדָם הוּא שֶׁהוּא יִגְרֵם וְיִסְבֵּב אֶת
כָּל הַפְּעֻלּוֹת וְהַמַּעֲשִׂים

And as we stated previously, what the blessed Holy One desires from man is that he will cause and elicit all the activities and deeds

אֲשֶׁר גַּם מִמְּקוֹר הַמְּקוּרוֹת כָּלָם וּבִבְנִין כָּל הָאֲצִילוֹת כָּלוּ וְע' בְּזוּה"ק
בְּמִדְבָּר ק"כ ע"א

from even the Source of all sources, and the complete structure of Atzilut. See Zohar Bamidbar 120a.

מִשָּׁא"כ הָאָדָם אֲשֶׁר לֹא זָכָה לְכָל זֶה וְעוֹשֶׂה כָּל מִצְוָה בְּסֵתֶם וּבִדְרָךְ
כְּלָלוֹת לְבַד וְכֵן"ל

This is not so regarding a person who has not merited all this, and simply fulfills a mitzvah and in only a general manner, as explained.

הָרִי אֵינוֹ נִכְנָס בְּפָנִימִית כָּלוּם וְאֵינוֹ נֹגֵעַ בְּכֹנֶנְתּוֹ אֶלָּא רַק בְּחִיצוֹנִית
לְבַד

Such a person does not enter the inner realms, and his *kavanah* does not affect anything other than the outer realms,

וְלָכֵן כָּל מָה שֶׁמִּמָּשִׁיךְ מִלְּמַעְלָה הוּא רַק בְּבַחֲי' הַסֵּתֶר פָּנִים וְכֵן"ל.
and therefore everything he draws down from above is only in the aspect of the 'hidden countenance.'

וּבִפְרָט בְּעֵנֵי הַתַּפְּלָה אֲשֶׁר עֲקָרָהּ הוּא לִפְתָּח שַׁעֲרֵי רַחֲמִים לְהַפִּיק
רָצוֹן בְּכָל מִשְׁאָלוֹת לְבַב בְּנֵי אָדָם

This is so particularly in regard to prayer, the primary aspect of which is to open the gates of compassion, and evoke the Divine Will in all matters that people's hearts desire.

הנה שם הוא הכרח הכונה פנימית למי שזכה לזה, יותר צריך
וחיוב מכוננת כל המצות כֵּלֵן

That is where *kavanah* in the inner realms is necessary for one who has merited this; this is where *kavanah* in prayer is of greater necessity and obligation than in the mitzvot,

כי ע"י הכונה פנימית שהם השמות הקדושים כֵּלֵן אשר הם עצמן
הכוח דכל הפעולות כֵּלֵן

because it is by means of *kavanah* in the inner realms, which are all the holy Names which are themselves the potencies of all activities.

הנה באשר מכון את כל שם ושם המיוחד לאותו הענין בכל דרגא
וידרגא עד מקור המקורות כֵּלֵן

Now when a person has in mind the Name designated to a particular situation on each and every level up until the Source of all sources,

הרי פותח המקור וממשיך על עצמו את השפע והברכה מקדש
הקדשים

he opens up the source and draws down upon himself outflow and blessing from the Holy of Holies.

וממשיכה בכוננתו דרך כל המדרגות ע"י השם המיוחד לכל מדרגה
ומדרגה

And with his *kavanah* he draws down this outflow and blessing through all the levels of the worlds and the *sefirot* by means of the special Name associated with each level,

עד שממשיכה עליו את הרצון ואת הברכה לבקשתו

until he draws down upon himself the Divine Will and blessing according to his request.

ונמצא כי הוא בא בשלו מאת אשר חרש וזרע וקצר הוא עצמו

Thus we find that he acquires that which belongs to him, since he himself was the one who sowed and reaped,

שהרי הוא עצמו גרם וסבב את גלוי השפע והברכה עליו

for he himself brought about and caused the revelation of the outflow of beneficence and the blessing upon himself.

משא"כ אם מתפלל בסתם הלא אי אפשר שיתן לו בקשתו אלא
ברחמי שמים בלבד

This is not the case if a person prayed simply, for is it not impossible to
grant him what he requested other than by way of the mercies of Heaven alone?
שהוא במתנת חנם אשר לא כן היה כונתו ורצונו ית"ש בכל בריאת
עולמו

This is called an unsolicited gift, which was not His intention or will in creating
His entire universe,
אלא שהאדם בעצמו יסבב עליו כל טוב עולם ע"י מעשיו ופעולותיו
ודבורו ומחשבתו

but rather than man himself should bring about all the beneficence in the world
through his deeds and actions and words and thoughts,
אשר קשור בהם למעלה למעלה ומכּוּן למטה ומעורר למעלה

by means of which he is connected up above at the highest levels, while he uses
the *kavanot* down below and arouses matters above.
וזהו שאמרו מפני מה ישראל מתפללים ואינן נענים? מפני שאינם
יודעים סוד שם המפּרֵשׁ וככל הנ"ל.

This then is the meaning of the statement of our Sages Why is it that Israel the
Jewish People pray and are not answered? The reason is because they do not
know the mystical secret of the Ineffable Name, all as explained above.
וע' לקמן ספ"ה יתבאר בעה"י עוד בענין זה. ובזה נשלם הפרק.

See below end of Chapter 5 where we will explain this idea further, G-d willing.
This concludes the chapter.

ומעתה נחזור לענינינו הראשון ונבאר את פרצוף המלכות בכל
ענינה

And now, in the next chapter, we will return to our original subject and explain
the *partzuf* of *malchut* thoroughly,
ע"ד שבארנו את הד' פרצופים למען שמו יתברך ויתעלה ויניחד לזה
פרק בפנ"ע.

in a manner similar to the way we explained the other four *partzufim*, for His
Name's sake, may it be blessed and elevated. We will dedicate a chapter to this
subject exclusively.

1. It appears that the *vav* is missing from the text (*Meir HaLeshem*). ↵
2. The custom is not to mention the actual Name other than in prayer or when reading from *Tanach*. ↵
3. As noted previously the word **תְּקוּנִין** here means ‘garments’, not rectifications. ↵
4. Makover. ↵
5. See Rashi on the verse, from *Pesachim* 50a. ↵
6. Makover. ↵
7. Although the Name **י"ה** is associated with *chochmah* (Abba), and **יהו"ה** punctuated with the *nekudot* of *Elokim* is associated with *binah* (Imma), these are not unique Names, but rather variations of other Names. See *Eitz Chaim Sha'ar* 42:2 (Makover). ↵
8. Makover. ↵
9. Makover ↵
10. Proverbs 16:15. ↵
11. ↵.has the sense of both unique and unified **מיוחד**
12. The Name *Havaye* iterated as **י"ד ה"י ו"א ה"י** ↵
13. The Name *Havaye* iterated as **י"ד ה"י ו"י ה"י** ↵
14. *Patach Eliyahu, Intro to Tikunei Zohar* ↵
15. Makover. ↵
16. Note that the word **אור** itself begins with an *aleph* ↵
17. Each of the vowel points has a numerical value of 10 and each line (e.g. a *patach*) has a numerical value of six. Thus *chirik*=10*, *tzeirei**=20, *kametz*=16 (comprising a line above and a point under it), *tzeirei*=20. Sum Total = 66. ↵
18. A veil is a *masveh* (**מסוה**) in Biblical Hebrew. ↵
19. The Sages learned from this verse that the Name *Havaye* should not be pronounced as written (outside of the Temple), but should be pronounced as the Name *A-d-o-n-ai*. ↵
20. This is puzzling since the Name *A-d-o-n-ai* is vowelized with a *patach-sheva* and not just a *sheva*. The author directs us to the GR”A on this matter. See *Likut haGR”A to Sefer Yetzirah* 22a (Meir Haleshem) ↵
21. Since it is iterated with the letter *aleph*, which is the concept of light and revelation, as explained above. ↵
22. Literally ‘world,’ but intended here as the aspect of finite and delimited existence. ↵
23. *Shemot Rabbah* 3:6. ↵
24. The reference here is possibly to Ramchal in *Klach Pitchei Chochmah* #31. He maintains that the Name *Havaye* is in essence the system of how the worlds are conducted, called *Ilan haHanagah*, the purpose of which is to

- reveal the *yichud*. This takes place in Adam Kadmon, and the Worlds of ABiY”A devolve from there (Makover). [↵](#)
25. This is a rabbinical term used for highly refined deductions. The term is borrowed from the requirements for the *Omer* offering which had to be sifted 13 times using every more fine sifters before use. See *Mishna, Menachot* 6:6. [↵](#)
26. I.e. through this Name His essence is revealed (Makover). [↵](#)
27. *Kavanot* (sg. *kavanah*) are the mystical meditations associated with prayer and the fulfillment of the Commandments. [↵](#)
28. Cf. Intro. Tikunei Zohar p. 17a: “You are He who binds them together and unifies them...” [↵](#)
29. *Pardes Rimonim, Shaar* 32:2 in the name of *Sifri*. [↵](#)
30. See Mishnah, Yadayim 3:5 – כל הכתובים קדש, ושיר השירים קדש קדשים – [↵](#)
31. Again, *kavanot* (sg. *kavanah*) are the mystical meditations usually associated with prayer and fulfilling the Commandments. *Yichudim* (sg. *yichud*) are unifications of the Divine Names found in various mystical practices. [↵](#)
32. See previous footnote. [↵](#)
33. *Shemot Rabbah* 3:6. [↵](#)
34. Although a more literal translation would be “depend upon,” what follows makes it clear that the author means ‘derive or stem from.’ [↵](#)
35. Cf. Habakkuk 3:4 [עֲזָרָה] (עֲזָרָה) וְשֵׁם הַבְּיּוֹן [↵](#)
36. Literally, ‘in his thoughts.’ [↵](#)

Chapter 5 — The Partzuf of Malchut

5a — The Partzuf of Malchut

הנה ענין פרצוף החמישי שהוא פרצוף המלכות דאצילות נקבא
דז"א הנקראת בשם רחל

Now the fifth *partzuf*, the *partzuf* of *malchut* of Atzilut, also known as *nukva***, ** the female aspect of *ze'ir anpin*, is given the name *Rachel*.

הנה ביה הוא השורש להגלוי הפללי החמישי שאמרנו לעיל שער ד'
פי' ד' ה'

Within her within *malchut/Rachel* is manifested the root of the fifth macro revelation discussed above Sha'ar 4 chaps. 4, 5.

שהנה הוא גלוי ית"ש אשר נתגלה בכל המציאות דהעולמות בי"ע

This is His revelation, blessed is His Name, which was revealed throughout the reality of the Worlds of BiY"A

בפעלת מציאותם והשגחתו עליהם תמיד ובכל תהלוכות ההנהגה
שבהם

in bringing them into being and the constantly overseeing them and all the ways in which they are guided by individual Divine Providence.

והנה אמרנו שם כי כל מה שנעשה בהם הנה הוא בבחי' חוץ ממנו

Now we also mentioned there that whatever takes place with them is as if from outside of Himself,

כי מאחר אצילות ולמטה פעל והמציא ועשה מציאות זולתו שאינם
אלהות כלל

since He caused and produced and made post-Atzilut and below into an existence that is not Divine at all.

אמנם כל התהוותם וכחם וקיומם וכל מקריהם הוא לעולם רק
ממנו

Of course, all their existence and power and continuity and everything that occurs to them is all from Him,

כי הוא סבתם בכל עניניהם (ע' במורה ח"א פ' ס"ט וח"ב פ' י"ב)

since He is their cause in every respect (See *Moreh Nevuchim* I, 69; II, 12).

ולא עוד כי הנה שורה אורו בהם ג"כ תמיד בפנימית פנימיותם

And furthermore, His light constantly bathes them to their innermost core,

וּמִזֶּה נִתְּהוּ וְנִתְקִימוּ וּמִתְנַהֲגִים¹ בְּכָל תְּהִלּוֹתֵיהֶם

so that they come into being and persist and are guided in every way thereby.

וְעַל זֶה נִקְרָא הוּא ית"ש בְּשֵׁם חַי הָעוֹלָמִים וְכֵן בְּשֵׁם מְקוֹמוֹ שֶׁל
עוֹלָם

Because of this He, may His Name be blessed, is called ‘the Life of the Worlds’
and ‘the Place for the Universe,’

כִּי הוּא חַיּוּתָם שֶׁהוּא בְּבַחֲיוֹ נִשְׁמָה לְנִשְׁמָה לְכָלֶם

since He is their life-force – the soul of the soul of them all.

וּמִזֶּה נֶעֱשֶׂה בָּהֶם כָּל מָה שֶׁנֶּעֱשֶׂה ע"ד פְּעֻלַּת הַגּוֹי שֶׁנֶּעֱשֶׂה הַכֹּל רַק
מִהַנִּשְׁמָה שֶׁבּוֹ

Thus whatever happens in them happens is due to this, in a similar sense that
whatever activities the body performs is exclusively by virtue of the *neshamah*
soul invested in it.

וְכֵן הֵם נִשְׂוָאִים רַק עָלָיו שֶׁהוּא הַנּוֹשֵׂא אוֹתָם וְהוּא מְקוֹמָם

They too the worlds are borne only by Him, for He carries them and He is their
space in which they exist.

אָבָל עכ"פ הוּא כִּי כָל מְצִיאוֹתָם וְקִיּוּמָם הַנִּמְשָׁךְ מִמֶּנּוּ ית"ש

Nevertheless, the fact is that their entire existence and continued being is drawn
from Him, blessed is His Name,

הֵנָּה הַמְצִיא אוֹתָם וּמְקִיָּם אוֹתָם בְּמְצִיאוֹת וְקִיּוּם כְּזוֹ שֶׁהֵם חוּץ
מִמֶּנּוּ שֶׁאֵינָם אֱלֹהוֹת כָּלֵל וְכָלֵל

in a manner that He produced them and sustains them with an existence and
continuity that is ‘outside’ of Him in the sense that they are not Divine at all.

וְלִכְךָ נִקְרָאוּ בְּשֵׁם עוֹלָמוֹת נִפְרָדִים כִּי הֵם נִפְרָד וְנִבְדָּל מֵאֱלֹהוֹת
וְנִפְרָדוּ לְרַבּוּיִם רַבִּים וְנִבְדָּלוּ מִהֶאֱחָדוֹת

This is why they are known as ‘separated worlds’ – since they are distinct and
segregated from Divinity and are divvied up into multiplicity, segregated from
the supernal Oneness.

וְהָרִי נִתְגַּלָּה הוּא ית"ש מֵאַחֵר אֲצִילוֹת וּלְמַטָּה לַפְּעַל פְּעֻלּוֹת שְׁחוּץ
מִמֶּנּוּ וְהֵם הָעוֹלָמוֹת בִּי"ע

Thus He became revealed post-Atzilut and below, to bring about activities that
are ‘outside’ of Himself in the sense mentioned above – that they are not Divine –
and these are the Worlds of BiY”A.

וְהוּא גִלּוּי הַחֲמִישִׁי אֲשֶׁר מֵאַחֵר אֲמַתָּתוֹ הִנְעִלְמָה וּלְמַטָּה שְׁאֻמְרָנוּ
לְעֵיל שְׁעַר ד' פ' ד' ה'

This then is the fifth revelation subsequent to His concealed Truth and below, as explained above *Sha'ar 4*, chaps, 4 and 5.

וְהִנֵּה שׁוֹרֵשׁ הַגִּלּוּי הַזֶּה הוּא בְּהַמְלָכוֹת דְּאֲצִילוֹת כִּי בָּהּ נִתְגַּלָּה
הַמְאֲצִיל א"ס ית"ש

Now the root of this revelation is in *malchut* of Atzilut, because the blessed Infinite Emanator revealed Himself in *malchut* of Atzilut

לְצַמְצֵם מֵעֵתָּה אֶת אֹרֹךְ אֱלֹהוּתוֹ וְלַצָּאת מִמֶּנָּה וּלְמַטָּה בְּפִעֻלָּה
שְׁחוּץ מִמֶּנּוּ

in order to contract His Godly light from that point on, and emerge from there and below in action 'outside' of Himself.

וּלְכַךְ נִקְרָא מַלְכוּת כִּי אֹרֹךְ הַגִּלּוּי הַזֶּה הִנֵּה הוּא בְּבַחֲיוֹ מֶלֶךְ עִם עַמּוֹ

And therefore this level is called '*malchut*' – because the light of this revelation is comparable to a king and his people –

שֶׁהֵם חוּץ מִמֶּנּוּ וְהוּא מֶלֶךְ וְאֲדוֹן עֲלֵיהֶם וְלָכֵן נִקְרָא שֵׁם ג"כ בְּשֵׁם
אֲדֹנָי:

they are not part of him, i.e. they are external to him, and He is the King and Master over them. And therefore He is called at this level the Name Ad-nai, suggesting rulership and mastery over His creation.

וְהִנֵּה שׁוֹרֵשׁ הַגִּלּוּי הַזֶּה דְּהַמְלָכוֹת הוּא לְמַעְלָה לְמַעְלָה וְהִינּוּ
בְּהַגִּלּוּי הַכָּלְלִי הָרִאשׁוֹן שְׁאֻמְרָנוּ לְעֵיל שְׁעַר ד' פ"ג שֶׁהוּא אֹרֹךְ א"ס

Now the root of this revelation of *malchut* is at the very highest level –the first macro-revelation explained above *Sha'ar 4* ch. 3 – the *Ohr Ein Sof*.

כִּי הָרִי אֻמְרָנוּ שֵׁם וּבִפְרָט בְּשֵׁעַר ו' שְׁעֵנִינוּ הָה' גִּלּוּיָם הוּא כִּי יֵרֵד
בָּהֶם מִמְדֻרָּגָה לְמְדֻרָּגָה כְּדִי לְהִתְגַּלָּה לְמַטָּה

We explained there, and particularly in *Sha'ar 6*, that the concept of the five revelations is that the Infinite One descended from level to level in order to become revealed below.

וְהִיָּה סֵדֵר יְרִידַת מְכַל עֲלִיוֹן לְהִתְחַתּוֹן ע"י בַּחֲיוֹ צִמְצוּם הִנְעִשָּׂה בְּכָל
עֲלִיוֹן

The order of descent from any superior level to an inferior level is by means of a *tzimtzum* produced in the superior level.

וְהָרִי הִיָּה הַצִּמְצוּם הָרִאשׁוֹן שְׁבֵא"ס כְּדִי לַצָּאת מִמְדֻרָּגַת א"ס

Thus there was the first *tzimtzum* in the *Ohr*^{**2**} *Ein Sof* in order to depart from the level of infinite, i.e. *Ein Sof*

וְלִהְיוֹת גִּבּוֹל בְּבַחֲיוֹ אֱלֹהוּת בְּכָל הַנִּצְטָמָצִים כָּלָם שֶׁהֵם כָּל גְּלוּיָיו ית"ש
אֲשֶׁר בְּבַחֲיוֹ גִּבּוֹל וּמִדָּה

and become revealed as the aspect of Godliness throughout the realm of the Emanated – these are His revelations within limitation and dimension.

וְהִנֵּה הָיָה הַצִּמְצוּם הָרִאשׁוֹן ג"כ בְּבַחֲיוֹ הַמַּלְכוּת דא"ס כִּי נִתְצַמְצַם
וַיֵּצֵא מֵעֲצָמוּתוֹ הַפְּשׁוּטָה

Now this first *tzimtzum* was also in i.e. can be described as a *tzimtzum* in the aspect of *malchut* of *Ein Sof*, because it *malchut* underwent *tzimtzum* and emerged from His undefinable³ essence

כְּדֵי לִהְיוֹת גִּבּוֹל בְּבַחֲיוֹ אֱלֹהוּת וְלִכְוֹן נִקְרָא שֵׁם ג"כ בְּשֵׁם מַלְכוּת
so that it could become revealed within limitation and dimension; and that is also why it is called '*malchut*' –

עַל שֵׁם שֶׁהָיָה יֵצֵא מֵעֲתָה מִפְּשִׁיטוּתוֹ הָעֲצָמוּתִית וּמִתְגַּלָּה מִשֵּׁם
וּלְמַטָּה בְּגִלּוּיָם שְׂאִינָם לְפִי פְּשִׁיטוּתוֹ

since it now emerged from the state of undefinable essence and became revealed from that point and below in illuminations that are not undefined.

וְהָיָה הַיָּהוּה כָּל גְּלוּיָיו מִשֵּׁם וּלְמַטָּה ג"כ בְּבַחֲיוֹ חוּץ מִמְּנוֹ שֶׁהָיָה אֵינָם
לְפִי פְּשִׁיטוּתוֹ הָעֲצָמוּתִית

Thus all the revelations from that point on are also regarded as 'outside' of Him, since they are not of His undefinable essence.

וְלִכְךָ נִקְרָא אוֹתוֹ הַמָּקוֹם שֶׁנִּתְצַמְצַם בּוֹ בְּשֵׁם מַלְכוּת דא"ס.

Accordingly, that 'place' where the *tzimtzum* takes place is called *malchut* of *Ein Sof*.

אָמְנָם הוּא כִּי נַעֲשֶׂה אוֹתוֹ הַגְּלוּי וְהַמָּקוֹם דְּהַמַּלְכוּת רַק ע"י
הַצִּמְצוּם עֲצָמוֹ

However, it is indeed so that the very revelation and 'place' of *malchut* produced is due to the *tzimtzum* itself –

כִּי ע"י שֶׁנִּתְצַמְצַם נִתְגַּלָּה שֵׁם בְּבַחֲיוֹ מַלְכוּת

because of the *tzimtzum* that aspect of *malchut* becomes revealed,

אֲבָל קִדְּם שֶׁנִּתְצַמְצַם הָיָה לֹא שִׁיךְ הוֹרָאת מַלְכוּת כָּלָל

whereas prior to the *tzimtzum* there is no indication of the concept of *malchut* at all,

כִּי הָרִי הָיָה פְּשִׁיטוּתוֹ הָעֲצֻמוּתִית בְּכָל מְקוֹם שָׁוֶה וְלֹא הָיָה שׁוּם
מְקוֹם כָּלֵל חוּץ מִמֶּנּוּ

since His undefinable essence was everywhere equally, and there was no place
'outside' of Him at all.

וְאִ"כּ הָרִי לֹא שֵׁיךְ בְּחִי' מַלְכוּת כָּלֵל מֵאַחֵר שֶׁלֹּא הָיָה עֲדִין שׁוּם גְּלוּי
זוּלַת פְּשִׁיטוּתוֹ הָעֲצֻמוּתִית לְבַד בְּכָל מְקוֹם.

This being so, the aspect of *malchut* was not applicable at all, since there was
absolutely no revelation other than His omnipresent undefinable essence.

וְכֵן נִקְרָא ג' כ' בְּשֵׁם מַלְכוּת [דא"ס] לְהוֹרוֹת שֶׁהֵגֵם שְׁכָל הַגְּלוּיִם
כֻּלָּם אֲשֶׁר נִתְגַּלָּה ע"י הַצְמָצוּם

The term *malchut* [of *Ein Sof*]⁴ is also used to indicate that even though all the
revelations without exception were revealed by way of the *tzimtzum*

הֵנָּה הֵם גְּלוּיִם דְּבָחִי' גָּבוּל וּמִדָּה עכ"ז הֵנָּה הֵם מִתְנַהֲגִים כֻּלָּם רַק
בְּכַח דְּאוֹר א"ס

– and accordingly they are all limited and finite – nevertheless, they are all
deployed and directed⁵ by the power of the *Ohr Ein Sof*

וּבִהְנִיחָת דְּאוֹר א"ס תָּמִיד שְׁכָל הַגְּלוּיִם דְּגָבוּל וּמִדָּה הֵם מְשַׁגְּחִים
מְאוֹר א"ס

and deployed and directed *constantly* by the *Ohr Ein Sof*, since all limited and
finite revelations are overseen and directed by the *Ohr Ein Sof*,

וּבִרְצוּתוֹ חוֹגֵג וּבִרְצוּתוֹ מְמוֹגֵג

as the *piyut* in the Yom Kippur prayers states: Like glass in the hands of a glazier, if
he wills, he shapes it; if he wills, he melts it.

וְלִכְךָ נִקְרָא בְּשֵׁם מַלְכוּת דא"ס לְהוֹרוֹת שְׁכָל מָה שֶׁנִּתְגַּלָּה מִשָּׁם
וּלְמַטָּה הֵם תְּלוּיִם רַק עַל אוֹתוֹ הַמַּלְכוּת כִּי מִתְנַהֲגִים לְעוֹלָם רַק
עַל יָדוֹ

And therefore it is called '*malchut* of *Ein Sof*,' to indicate that everything which
is revealed from there and below depends entirely upon that *malchut*, for
everything is always directed exclusively by it.

וְהֵנָּה מִזֶּה הַמַּלְכוּת דא"ס נִתְגַּלָּה אַח"כ בְּהַמַּלְכוּת דְּאַצִּילוּת

Now from that very *malchut* of *Ein Sof* there is a subsequent revelation in
malchut of *Atzilut*,

וְנִתְצַמְצַם שָׁם בְּאוֹר אֱלֹהוֹת לְהַמְצִיא מִשָּׁם וּלְמַטָּה אֶת פְּעֻלַּת
הַנִּפְרָדִים וְכֵנִז'

and another *tzimtzum* takes place there in the Godly light⁶ of *malchut* of Atzilut and below in order to produce the activities of the separated worlds and entities, as mentioned.

וְהָרִי נִמְצָא כִּי שׁוֹרֵשׁ הַמַּלְכוּת דְּאַצִּילוֹת הוּא בְּהַמַּלְכוּת דְּאוֹר א"ס

So it turns out that the root of *malchut* of Atzilut is in *malchut* of *Ohr Ein Sof*,

כִּי שָׁם הָיָה הַצְמָצוּם בְּהָאוֹר דא"ס וְכֵאן הָיָה הַצְמָצוּם בְּהָאוֹר
דְּאֱלֹהוֹת

for it is there that the *tzimtzum* took place – in the *Ohr Ein Sof*, and here the *tzimtzum* referring to a second *tzimtzum* took place in the Godly light.

וְכֵן הוּא עַד"ז בְּכָל הַצְמָצוּמִים כֻּלָּם אֲשֶׁר הָיָה מִכָּל גְּלוּי רִאשׁוֹן
לְהַשְׁנִי וְכֵנ"ל שְׁעָר ו'

And so too regarding all the *tzimtzumim*, without exception – all were from a prior level to a subsequent level, as explained above in *Sha'ar* 6 chapter 2,

הִנֵּה הוּא הַכֹּל בְּהַמַּלְכוּת שֶׁל כָּל גְּלוּי כִּי כָל צְמָצוּם הוּא רַק
בְּהַמַּלְכוּת

and all of it all of the *tzimtzum* is in the *malchut* of that particular revelation, since every *tzimtzum* is only in *malchut*.

וְנִמְשָׁךְ מִמַּלְכוּת לַמַּלְכוּת שֶׁהוּא מִהַמַּלְכוּת דא"ס עַד הַמַּלְכוּת
דְּאַצִּילוֹת

The light is then drawn from *malchut* to *malchut*, i.e. from *malchut* of *Ein Sof* to *malchut* of Atzilut,

וְעִנְיָן אֶחָד וְכוּנָה אֶחָת לְכָלם שֶׁהוּא לְהַתְגַּלָּה לְמַטָּה וּלְמַלְכָּה עַל כָּל
הַמַּעֲשִׂים

and all of them the *tzimtzumim* in *malchut* have a single intention and purpose – to become revealed below and reign over every activity.

כִּי זֶהוּ כּוֹנֵן כָּל הַמְצִיאוֹת כֻּלּוֹ לְגִלּוֹת כְּבוֹד מַלְכוּתוֹ יִתְבָּרַךְ וְשֶׁהוּא
לְבַדּוֹ יִמְלֹךְ נֻרָא

Indeed, this is the purpose of all of existence – to reveal the glory of His kingdom, and that He alone will reign in His awesomeness.

וְהָרִי לָנוּ עַכ"פ כִּי שׁוֹרֵשׁ הַמַּלְכוּת דְּאַצִּילוֹת הִיא לְמַעַלְהָ לְמַעַלְהָ

Thus we have it that at the very least we have learned that the root of *malchut* of Atzilut is at the loftiest of levels,

וְהִיא עוֹלָה עַל כָּל הַנִּצָּצִים כֻּלָּם וְזֶהוּ מֵה שְּׁאִין גְּלוּי בִּא"ס לְשׁוֹם
סְפִי אֶלָּא רַק לְסְפִי הַמַּלְכוּת

and she surpasses all of the emanated attributes, which is why none of the *sefirot* are revealed in the *Ein Sof* other than the *sefirah* of *malchut*.

וְהוּא לְהוֹרוֹת עַל יְחֻדָּה הָעֶצוּם בְּשִׁרְשָׁה עַד שְׁנִקְרָא בְּשֵׁם אֶחָד

This indicates her tremendous uniqueness in her root – to the extent that she is referred to by a single name, *Ani* – ‘I’ – whether as *malchut* of *Ein Sof* or as *malchut* of Atzilut, as the Rav will now explain.

זֶה סוּד מ"ש יִשְׁעִיָּה מ"ד אֲנִי רִאשׁוֹן וְאֲנִי אַחֲרוֹן וּמִבְּלָעֲדֵי אֵין
אֱלֹהִים

This is the mystical explanation of the verse in Isaiah 44:6 “**I am the first and I am the last, and aside from Me there is no God**” where the word used for ‘I am’ in both instances is ‘*Ani*’.

אֲנִי רִאשׁוֹן בְּהַמַּלְכוּת דִּא"ס וְאֲנִי אַחֲרוֹן בְּהַמַּלְכוּת דְּהֶאֱצִילוֹת

‘I am the first’ refers to *malchut* of *Ein Sof*, and ‘I am the last’ refers to *malchut* of Atzilut,

וּמִבְּלָעֲדֵי אֵין אֱלֹהִים כִּי עַל יְדָה הוּא כָּל הַגְּלוּיִם הֵן לְמַעַלָּה שֶׁהוּא
כָּל הַנִּצָּצִים שֶׁהֵם מִהַמַּלְכוּת דִּא"ס

‘and aside from Me there is no God’ because all the revelations come through her *malchut* – whether above, in the sense that all the emanations derive from *malchut* of *Ein Sof*,

וְהֵן לְמַטָּה שֶׁהוּא כָּל הָעוֹלָמוֹת בִּי"ע שֶׁהֵם מִהַמַּלְכוּת דְּאֶצִּילוֹת

or whether below, in the sense that all the worlds of BiY”A derive from *malchut* of Atzilut.

וְלִכְךָ נִקְרָא הַמַּלְכוּת בְּשֵׁם אֲנִי וְכַ"ל שֶׁעַר ד' מְשׁוּם שֶׁרַק בָּהּ הוּא כָּל
הַגְּלוּיִם

This is why *malchut* is called by the name *Ani* ‘I’ as noted above *Sha’ar* 4 ch. 6,

וְעַד שֶׁכָּתוּב (יִשְׁעִיָּה נ"ב) כִּי אֲנִי הוּא הַמְּדַבֵּר הַנִּנִּי:

as the verse (Isaiah 52:6) states, “It is I [*Ani*] who speaks, here I am!”

וְכִבֵּר אֶמְרָנוּ לְעֵיל פ"א כִּי פְרָצוּף א"א שֶׁהוּא הַכֶּתֶר דְּאֶצִּילוֹת הִנֵּה
הוּא מְבַחֵי אִוֵּר א"ס שֶׁהוּא הַגְּלוּי הַכִּלְלִי הָרִאשׁוֹן

We already stated above in ch. 1 that the *partzuf* of *Arich Anpin*, which is *keter* of Atzilut, partakes of the qualities of *Ohr Ein Sof*, for it is the first macro revelation.

וא"כ הרי נמצא כי המלכות שהיא קשורה בא"ס כנז'

This being so, *malchut* – which is bound to the *Ein Sof*, as mentioned –

הנה היא קשור ומיוחד בהכתר כי שניהם הם משורש אחד

is bound to and unified with *keter* since both of them stem from one root.

וזהו שאמר אליהו זל"ט כתר עליון איהו כתר מלכות ועליה אתמר
מגיד מראשית אחרית

And this is what Eliyahu, who is always remembered for the good, declared in *Patach Eliyahu*^{**Z**}: “supernal *keter* is the crown of kingship, concerning which it is said in the verse (Isaiah 46:10): ‘He declares the end from the beginning.’”

והם בסוד אין ואני כתר אין כנ"ל פ"א ומלכות אני כי המלכות היא
גלוי דהכתר

They *keter* and *malchut* are the mystical secret of *Ayin* and *Ani* –

‘Nothingness’ and ‘I Myself’ – *keter* is *Ayin*, as mentioned above in chapter 1, and *malchut* is *Ani* because *malchut* is the revelation of *keter* and therefore the same three letters in different permutations י.א.נ as opposed to י.נ.א are used for both.

וכן היא הגלוי דהמלכות דא"ס כי המלכות דא"ס מתגלה
בהמלכות דאצילות

And so too regarding the revelation of *malchut* of *Ein Sof*, for *malchut* of *Ein Sof* is revealed in *malchut* of Atzilut,

שהוא הבורא ויוצר ועושה את כל המעשים. והרי נתבאר בזה ענין
השם מלכות:

which is in effect the creator, former and producer of all deeds. We have thus explained the name ‘*malchut*.’

וכן נקראת ג"כ בשם נוקבא דז"א כנ"ל

Similarly, *malchut* is also called *nukvah* or *nukvah of ze'ir anpin*, as noted earlier,

והוא משום כי הרי בארנו לעיל פ"ד כי כל הגלוי דהשם הוי"ה ב"ה

because, as we explained above in ch. 4, the entire revelation of the blessed Name Havaye

הנה הוא בז"א והוא גלוי דהמאציל א"ס ית"ש אשר באצילות

is in *ze'ir anpin*, which is the revelation of the blessed Infinite Emanator in Atzilut,

כי הז"א הוא כָּלֵל הָאֲצִילוֹת כְּמוֹ שֶׁבְּאֲרָנוּ שָׁם בְּאֶרְכָּה
since *ze'ir anpin* is Atzilut in the macro sense, as we explained there at length,
אֲבָל הַמַּלְכוּת הִרִי אֶמְרָנוּ כִּי שֵׁם הוּא גִלּוּי ית"ש בַּפְּעֻלַת כָּל הַבִּי"ע
whereas *malchut* is His blessed revelation in bringing about all of BiY"A, as we explained there.

וְהִנֵּה הֵם יּוֹצְאִים וְנִמְשָׁכִים מֵהָאֲצִילוֹת ע"פ סֵדֶר כָּל גִּלּוּיָיו אֲשֶׁר
נִתְגַּלָּה שָׁם

Now they emerge and are drawn down from Atzilut according to the same system as all His revelations that are disclosed there,

כִּי כָל הָאֲצִילוֹת הוּא שׁוֹרֵשׁ לְהַבִּי"ע וְכְמוֹ שֶׁכְּתִבְנוּ בַּכ"מ לְעֵיל
for all of Atzilut is the root of BiY"A, as we explained in a number of places above.

וּבְאֲשֶׁר שָׁאִין לְכָל הַבִּי"ע הַשְׁתּוּוֹת כָּלֵל עִם הָאֲצִילוֹת מְאוּמָּה
And since no aspect of BiY"A can be compared to Atzilut at all,

כִּי הָאֲצִילוֹת הוּא כָּלוּ אֱלֹהוֹת גָּמוֹר יָחִיד וּמִיָּחֵד
since Atzilut is entirely Godliness and is in a state of oneness and unity,

וּמִצִּיאוֹת הַבִּי"ע אֵינָם אֱלֹהוֹת כָּלֵל וְהֵם נִפְרָדִים
whereas BiY"A's existence is not Godliness at all, and they are separated worlds.

לָכֵן הִנֵּה יִסַּד הַמַּאֲצִיל ית"ש אֶת גִּלּוּיָו בַּפְּעֻלַת הַבִּי"ע ע"י שׁוֹרֵשׁ
מִיָּחֵד בַּפְּנ"ע

Therefore the blessed Emanator established His fifth revelation in producing BiY"A by means of a special and unique root so that there would be a connection between the worlds of BiY"A and Atzilut,⁸ despite their separation.

וְאוֹתוֹ הַשׁוֹרֵשׁ הוּא ג"כ מֵאֲצִילוֹת מִמַּשׁ אֱלֹהוֹת גָּמוֹר יָחִיד וּמִיָּחֵד
Now that root is also definitely from Atzilut, which is completely Godly, and is in a state of oneness and unity.

אֲלָא שֶׁגִּלּוּיָו בַּפְּעֻלַת הַבִּי"ע נִתְגַּלָּה רַק בְּאוֹתוֹ הַשׁוֹרֵשׁ לְבַד וְלֹא
לְמַעַלָּה

But with His revelation in bringing about BiY"A, He became revealed in that root exclusively, and no higher than that,

כְּדִי שֶׁלֹא יִמָּשַׁךְ הַמְצִיאוֹת דְּבִי"ע בְּהַשְׁתּוּת עִם הָאֲצִילוֹת

so that the existence of BiY" A should not be drawn down in a way that would be equal to Atzilut.

וְאוֹתוֹ הַשׁוֹרֵשׁ הֵנָּה הוּא הַמְּלָכוֹת דֵּהֶאֱצִילוֹת וְנִעֲשִׂית לְפָרְצוֹף
בִּפְנֵי"ע בְּאֲצִילוֹת גּוֹפָה

Now that 'root' is *malchut* of Atzilut which became a *partzuf* on its own, while in Atzilut itself

כְּדִי שֶׁתִּהְיֶה לְשׁוֹרֵשׁ מִיַּחַד לְהַגְלוֹי דְּפַעֲלַת הַבִּי"ע

so that it could serve as a unique root for the revelation of bringing about BiY" A,

אֲשֶׁר נִתְגַּלָּה בָּהּ הַמַּאֲצִיל וַיֵּצֵא בָּהּ מִבְּחִי מַאֲצִיל לְבְּחִי בּוֹרֵא וְיוֹצֵר
וְעוֹשֶׂה.

and wherein the Emanator would be revealed and would emerge thereby i.e. via *malchut* in Atzilut in which the Emanator is revealed, and by means of which He emerges from Emanator to the aspect of Creator, Former and Maker, corresponding to *Beriah*, *Yetzirah* and *Asiyah*.

וּמִשּׁוּם שֶׁהִיא נִעֲשֶׂה לְשׁוֹרֵשׁ מִיַּחַד בִּפְנֵי"ע וּפְעֻלָּתוֹ בָּהּ הוּא בְּפַעֲלַת
הַנִּפְרָדִים

And because she becomes this unique root through which His activities bring about the separated worlds of BiY" A,

וְכִדִּי שֶׁלֹא תִתְרָאֶה עֵי"ז לְנִפְרָדֶת ג' כ' ח' ו' לִכְן יִסַּד הַמַּאֲצִיל אֶת
כָּל בְּנִין פְּרָצוּפָה

in order that she will not appear as disconnected thereby, Heaven forbid, He established the entire construction of her *partzuf*

רַק מֵהֵט' סְפִי הָרָאשׁוֹנִים עֲצָמָן

exclusively from the first nine *sefirot* themselves.⁹

כִּי עֲצָמוֹת דֵּהִי סְפִי הֵם י' נִקּוּדוֹת וְכֻלּוֹל כָּל נִקּוּדָה מֵעֵשֶׂר וְנִבְנִית
פְּרָצוֹף הַמְּלָכוֹת מִכָּל הִי מְלָכוֹת

For in essence the ten *sefirot* are ten points, each of which in turn comprises ten (ten sub-*sefirot*), and the *partzuf* of *malchut* is built from all the ten aspects of *malchut* of the sub-*sefirot*.

שֶׁהֵט' מְלָכוֹת דֵּהֵט' סְפִי הָרָאשׁוֹנִים הֵם נִמְשְׁכוּ בָּהּ וּמִזֶּה נִבְנִית כָּל
פְּרָצוּפָה

The nine *malchut* sub-sefirot of the first nine *sefirot* are drawn down from them into her, and from this her entire *partzuf* is constructed.

וְנִשְׁאַרוּ הֵם רַק בֶּט' לְבַד וְהִיא מְשַׁלֶּמֶת אוֹתָן לִי

Thus they the first nine *sefirot* now remain with only nine sub-sefirot, and she *malchut* completes them as the tenth.

וְעִי"ז נִתְעַצֵּם יְחִוּדָה עִמָּהֶם הֵגֶם שְׁכָל פְּעֻלָּתָהּ הִיא בְּפֻעֻלָּת
הַנִּפְרָדִים

In this way her unique status becomes part of their essence, even though all her activities bring about the separated worlds.¹⁰

וְלֹא עוֹד אֵלָּא שְׁגֵם עֶקֶר עֲצֻמוּתָהּ גּוֹפָה, שֶׁהוּא נִקְדָּתָהּ הָעֲצֻמִּית
שָׁבָה, יֵצְאָה מִתְחֵלָה ג"כ כְּלוּלָה רַק בִּז"א וְכֵן נִשְׁאָר שְׁרָשָׁהּ בִּז"א
לְעוֹלָם

Furthermore, her primary essence itself, i.e. the essential point of *malchut*,¹¹ emerged initially only as included within *ze'ir anpin*,¹² and her root always remains in *ze'ir anpin*.

כִּי מִתְחֵלָה בְּהִיוּתָם שְׁנֵיהֶם כְּלוּלִים בְּבִינָה

This is because initially, when both of them *ze'ir anpin* (ז"א) and *malchut* were included within *binah*

וְהוּא בְּאוֹת ה' רִאשׁוֹנָה דְּהֵשֵׁם הוּי"ה ב"ה אֲשֶׁר צוּרַת אוֹת ה' הוּא ד'
ו'

– this is in the first letter *hei* of the blessed Name Havaye, the form of which is a *dalet* and a *vav* like this: ה.

הִנֵּה הִיְתָה כְּלוּלָה שֵׁם עֲמוּ בְּסוֹף הַקוּ דְּהו' וּבְסוֹד פְּסִיעָה לְבַר
שֶׁאֲמָרוּ בְּזוֹה"ק פ' בְּלָק ר"ג ע"ב

Now *malchut* was included within ז"א at the bottom of the line of the small *vav* that stands to the left of the *dalet* and underneath its roof in the mystical secret of 'a step towards the outside' mentioned in *Zohar, Balak* 203b.

וְאַח"כּ כְּאֲשֶׁר יֵצְאוּ מִהַבְּינָה וְנִתְגַּלּוּ הֵנָּה הֵם שְׁנֵיהֶם הָאוֹתִיּוֹת ו' ה'
דְּהֵשֵׁם

Afterwards, when they ז"א and *malchut* emerged from *binah* and became revealed, they are then the two letters – *vav* and the second *hei* of the Name.

וְלֹא נִקְרָא עֲדֵין בְּשֵׁם אֲדָנִי כִּלְל שֶׁהוּא הוֹרָאָה עַל פְּעֻלַּת הַבִּי"ע
כַּל.

But He is not as yet called Ad-nai at all, because this Name indicates bringing the worlds of BiY”A into reality, as mentioned above,

אֶלָּא שֶׁהִיא רַק בְּהֶשֶׁם הוּי"ה עֲצָמוֹ הָאוֹת ה' אַחֲרוֹנָה שָׁבוּ שֶׁהוּא
שְׁלִימוֹ דְּהֶשֶׁם

but rather only the final letter *hei* of the Name Havaye itself which completes the Name.

וְכֵן גַּם אַח"כ כְּשֶׁנִּתְגַּלָּה בְּשֵׁם אֲדֹנָי עכ"ז נִשְׁאָר שְׂרָשָׁה בּוֹ לְעוֹלָם
בְּכָל קוֹ הָאֲמָצְעִי שָׁבוּ

In addition, even subsequently, when the Name Ad-nai becomes

revealed, her root nevertheless always remains within him within $z''a$, as part of the entire middle column therein.

וְהֵם לְעוֹלָם אֶחָד וְהוּא הֵט"ס דז"א שֶׁלֹּא נִשְׁאָר הוּא רַק בִּט"ס כְּנִז'
וְהַד' הִיא מַלְכוּת

And they are always one, as indicated by the word אחד"ט which means ‘one’ but hints at the unity of $z''a$ and *malchut* in the following way: the two letters א and ח together have the numerical value of 9, alluding to the *sefirot* of $z''a$, since only nine *sefirot* remain in $z''a$, as we explained above. And the ט' is *malchut*.

וְהֵם לְעוֹלָם אֶחָד כְּמוֹ שֶׁיִּתְבָּאֵר עוֹד לְקָמֵן בַּעֲה"י

And together, they are always one forming the word אחד"ט, ‘one’ and represent one complete unit of ten *sefirot*, as will be further explained below, with God’s help.

וְאִינָהּ נִקְרָאת בְּשֵׁם אֲדֹנָי י גַּם בְּהִיוּתָהּ בְּאֲצִי' אֶלָּא עַל שֵׁם שֶׁהִיא
הַשּׁוֹרֵשׁ לְכָל פְּעֻלַּת הַבִּי"ע

But *Malchut* is not called ‘Ad-nai’ even in Atzilut but for the fact that she is the root of the entire bringing into being of BiY”A.

אֲבָל עֲצֻמוּתָהּ גּוֹפָה הִיא כְּלוּלָה בַּז"א וְהִיא הֵה' אַחֲרוֹנָה דְּהוּי"ה
שָׁבוּ וְהִיא בְּאַחֲדוּת עִמּוֹ לְעוֹלָם

But her essence itself is included in $z''a$ as the final *hei* of Havaye, and she is always united there with $z''a$.

וְהִרִי לָנוּ עַכ"פ כִּי שׁוֹרֵשׁ הַבִּי"ע הוּא נִתְגַּלָּה בְּהַמַּלְכוּת

Accordingly we have it that the root of BiY”A is revealed in *malchut*,

אֲבָל בַּז"א הִנֵּה שֵׁם כָּל שׁוֹרֵשׁ הַבִּי"ע רַק בְּבִחִי' שׁוֹרֵשׁ הַשְּׂרָשִׁים לְבַד
וְנִעְלָם שֵׁם מְאֹד

but as regards $z''a$, the entire root of BiY”A is only in the category of the root of the root, and is in a state of great concealment there.

וְלָכוּ נַעֲשֶׂה הַמַּמְלָכוֹת לַפְּרָצוֹף בַּפֶּנ"ע כְּדִי לִתֵּן אֶפְשָׁרִית לְשׁוֹרֵשׁ
הַבִּי"ע שִׁיתְגַּלָּה בָּהּ

It is for this reason that *malchut* is made into a separate *partzuf* – to allow for the possibility of the root of BiY”A to become revealed in her,

כִּי מָה שֶׁהוּא נֶעְלָם בַּז"א הוּא נִמְשָׁךְ בְּהַמְלָכוֹת וּמִתְגַּלָּה בָּהּ בְּכָל
הָרָאוּי לְהַמְצִיא אֶת הַבִּי"ע עַל יְדֵהּ

because what is concealed in *z”a* is drawn down into *malchut* and is revealed in her in all ways that are needed for producing BiY”A via her.

וְלִכְךָ הִיא נִקְרָאת בְּשֵׁם נִקְבָּא דַּז"א כִּי הִיא מְקַבֵּל מִמֶּנּוּ

And this is why she is called *nukvah* the feminine counterpart of *z”a*, since she receives from him,

וּמָה שֶׁנֶּעְלָם בּוֹ נִתְגַּלָּה בָּהּ וְנַעֲשֶׂה כָל פְּעֻלַּת וְהִנְהִיגַת הַבִּי"ע
מִשְׁנִיחֵם יַחַד

and what is concealed in him is revealed in her, and so the entire bringing into being of BiY”A, and the way they are conducted comes from both *z”a* and *malchut* together.

אֲלֹא כָּל זָמַן שֶׁהוּא בּוֹ הוּא ע"ד מְצִיאת הַנֶּלֶד שֶׁכָּל זָמַן שֶׁהוּא בְּמוֹחַ
הָאֵב הוּא נֶעְלָם בּוֹ מֵאֵד

But as long as she is within him i.e. that *malchut* cleaves to *z”a*^{13**} this is like the state of a fetus – as long as the fetus is still in the brain of the father,¹⁴ it is in a state of great concealment,

וְכָלִיל בּוֹ רַק בְּכַח לְבַד וְאִינוּ מִתְגַּלָּה רַק בְּאֵמוֹ "וְכַעֲצָמִים בְּבֶטֶן
הַמֶּלֶאכָה"

since it is included there only in potential, and is not revealed other than in the womb of his mother, as in the verse (Ecclesiastes 11:5): “Just as you do not know the way of the wind, nor the nature of an embryo in a pregnant womb...”

וּבָהּ נִגְמַר וְנַעֲשֶׂה וְיוֹצֵא מִמֶּנָּה וְלִכְךָ הִיא נִקְרָאת בְּשֵׁם נִקְבָּא אֱלִי
in which the baby becomes complete and fully made, and from which it emerges; and that is why she is called his *nukvah*.

וְהֵם הַשְּׁמוֹת דְּהוּי"ה אֲדָנִי שֶׁהִגְלוּי דְּהוּי"ה הוּא ע"י אֲדָנִי יְיָ
שְׁמִי... וְזֶה זִכְרִי

And these are the Names Havaye and Ad-nai, since the revelation of Havaye is via Ad-nai – as the verse (Exodus 3:15) states: “This Havaye is My Name... and this Ad-nai is My remembrance...”

וְכֵן נֶאֱמַר וְהָיָה כִּי יִכָּלֵל קִדְשׁוֹ הַס' כִּי יִכָּלֵל שְׁהוּא ס"ה הַס הָרִי הוּא
בְּמִסְפַּר אֲדֹנָי

And it also states (Habbakuk 2:20) “Havaye is in His holy Sanctuary, הַס =
*huss***¹⁵** before Him...” – the Sanctuary (ל"ה which has the numerical value
of 65) for Havaye is ‘הַס’ (*huss*) which also has the numerical value of 65, and this
is the same numerical value as אֲדֹנָי –

כִּי הַשֵּׁם אֲדֹנָי הוּא הִיכָל לַהֵשֶׁם הוּי"ה.

because the Name Ad-nai is the ‘sanctuary’ for the Name Havaye.

וְהִנֵּה יֵשׁ בְּאוֹתֵיּוֹת אֲדֹנָי כַּמָּה רַמְזִים הַמְרַמְזִים שֶׁהֵיא כּוֹלֵל אֶת כָּל
הָאֲצִילוֹת כֻּלּוֹ

Now in the letters of the Name Ad-nai there are a number of mystical allusions
that suggest that the Name Ad-nai includes the entire Atzilut,

כַּמ־שׁ בְּשַׁעַר תִּקּוּן נוֹק' פ"ב כָּלֵל י"א וְע' זוה"ק פְּקוּדֵי רַל"ה ע"ב

as is explained in *Sha'ar Tikun Nukvah* ch. 2 principle 11, and see also *Zohar
Pikudei*, p. 235b.

אֲךָ הַנוֹגַע לְעִנְיָנֵינוּ הוּא כִּי א' דָּאֲדָנָי הוּא א' דָּאֵהִי"ה שֶׁבִּפְתָּר כִּי
הֵיא קְשׁוּרָה שִׁם כַּנ"ל

But what concerns us here regarding *malchut* is that the *aleph* of Ad-nai is the
aleph of the Name *Ehye*"h of *keter* to which she** *malchut* is bound, as mentioned
above – supernal *keter* is the crown of kingship, concerning which it is said in the
verse (Isaiah 46:10): ‘He declares the end from the beginning.’”

וְי' דָּאֲדָנָי הוּא הִי דֵּהוּי"ה שְׁבַז"א כִּי הֵיא בְּאַחְדוֹת עֲמוֹ כַּנ"ל

And the *yud* of Ad-nai is the *yud* of Havaye of *ze'ir anpin*, since she *malchut* is
one with him *ze'ir anpin*, as noted earlier.

וְאוֹתֵיּוֹת ד' נ' דָּאֲדָנָי הֵם נ"ד צְרוּפֵי הוּי"ה שֶׁהֵם סוּד כָּל מִינֵי שְׁפַע
וְאֲצִילוֹת

And the letters *dalet*, *nun* of Ad-nai (which add up to 54) are the 54 permutations
of Havaye, the mystical secret of all types of spiritual outflow and emanation.

וּמֵהֶם נִמְשָׁךְ כַּח בְּכָל הַנִּמְצָאִים שֶׁבְּעוֹלָם בְּהִתְהוּוֹת כָּל הָהָא

From them from these permutations power is drawn into every entity in the
world in bringing everything into being,

וְהֵם הַמְּסַפִּיקִים צָרָךְ כָּל הַנִּבְרָאִים ע"י אֲדֹנָי וְכַמ־שׁ בְּסִפְרֵי שְׁעָרֵי
אוֹרָה שְׁעַר א'

and they these permutations provide for the needs of all created beings via the Name Ad-nai as it states in Rabbi Yosef Gikatilla's *Sha'arei Orah, Sha'ar 1*.

וּמִבְּאֵר כָּל הַנִּדְצָרוּפִים בַּפֶּדֶס שְׁעַר פְּרָטֵי הַשְּׁמוֹת פ' י"א

All 54 permutations are explained in *Pardes Rimonim**, Sha'ar*** 21, ch. 11.

וְהָרִי נִכְלָל בְּהֶשֶׁם אֲדֹנָי כֹּל הָעֲלִיּוֹנִים כֻּלָּם כִּי הִיא כָּלִל כָּלָם

Thus all of the upper realms are included in the Name Ad-nai and she this Name is the generality of all of them,

שֶׁהִפְתָּר כּוֹלֵל אוֹתָם לְמַעַלָּה שֶׁהוּא הַשּׁוֹרֵשׁ שֶׁלָּהֶם וְהַמְלָכוֹת כּוֹלֵל אוֹתָם לְמַטָּה שֶׁהִיא הַסּוּף שֶׁל כָּלָם

because *keter* includes them above, since it is their root, and *malchut* includes them below, because she is the conclusion of all of them,

כִּי בְּנִינָה הוּא מְכַל הַמְלָכוֹת שֶׁבָּהֶם וְכֵן ל' וּמִקְבֵּלֶת מִלְּמַעַלָּה וּמִשְׁפָּעֶת לְמַטָּה

since she is constructed out of all of the levels of *malchut* in them, as explained above, and she receives from above and imparts below.

וְלִכְךָ הִיא נִקְרָאת בְּשֵׁם נוֹק' דז"א כִּי הִז"א הוּא הַגִּלּוּי דְּהֶאֱצִילוֹת וְהִיא מִקְבֵּלֶת מִמֶּנּוּ

And this is why she is called *nukvah of ze'ir anpin*, since *ze'ir anpin* is the revelation in Atzilut and she *malchut* receives from him *ze'ir anpin*

ע"י שֶׁהִיא בְּאֶחָדוֹת עֲמוּ הַה' אַחֲרוֹנָה דְּהוּיָה וּמִתְגַּלִּית בְּפִעֻלַּת הַבִּי"ע

by means of her unity with him as the final *hei* of Havaye, and she comes into revelation in bringing about BiY"א,

שֶׁהוּא בְּגִלּוּי דְּשֵׁם אֲדֹנָי וּמִתְגַּלָּה הוּי"ה ע"י אֲדֹנָי וְה' בְּהִיכָל קִדְשׁוֹ:

which is the revelation of the Name Ad-nai, and the Name Havaye is revealed by way of the Name Ad-nai, as we explained above – that this is the meaning of “Havaye is in His holy Sanctuary” where the word for ‘Sanctuary’ – היכל – has the numerical value of 65 the same numerical value as Ad-nai.

5b — Malchut of Atzilut as the Partzuf of Rachel

וְכֹן נִקְרָא הַמְלָכוֹת דְּאֶצִּילוֹת ג"כ בְּשֵׁם רַחֵל כִּי הִיא שְׁרֵשׁ רַחֵל אֲמֵנוּ

Malchut of Atzilut is also called ‘Rachel’ since it is the root of Rachel our Matriarch,

וְרַחֵל הִיְתָה מִרְפָּבָה אֵלֶיהָ וְכַמ"ש בְּזוּה"ק בְּלֶק קפ"ז א'.

and Rachel was the *mercava* literally ‘chariot’ or vehicle for her for *malchut* as the *Zohar Balak* p. 187a states:

וְרַחֵל בָּאָה. דָּא דְיוֹקְנָא דְרַחֵל אַחֲרָא כּו'. כִּי רָעָה הִיא. אִיהִי מְנַהֶגָא
לִוְן וְאַתְּפִקְדָא עָלֶיהּ כּו' ע"ש כָּל הָעֲנָן.

“And Rachel his daughter is coming with the flock” (Genesis 29:6): This is the likeness of another Rachel... i.e. *malchut* of Atzilut. “Because she was a shepherdess” (ibid): She was their guide and was appointed over them... See the entire explanation there.

וְנִקְרָאת רַחֵל אֲמֵנוּ עֶקֶת הַבֵּית שֶׁהִיא עֶקֶת שֶׁל בֵּית וְכַמ"ש
בְּבִירָשִׁית רַבָּה פ' ע"א סִימָן ב' וְכֵן בְּפִסְקֵתָא דְרַב כְּהֵנָא פְּסָקָא כ'
וְרַחֵל עֶקֶת רַחֵל הִיְתָה עֶקֶת שֶׁל בֵּית

Our Matriarch Rachel is called the principal wife of Yaakov's household (*akeret habayit*); she was the primary aspect of the household as it states in *Bereishit Rabba* 80a, para. 2, and in *Pesikta d'Rav Kahana*, para. 20: “And Rachel was an *akara* (barren)” (Genesis 29:31). Don't read it as *akara* (barren), but as *ikara* (primary, principal), for Rachel was the principal of the household the *akeret habayit***.*

וְכֵן נִקְרָאת רַחֵל דְּלַעֲלָא עֶקֶת דְּבֵיתָא וְכַמ"ש בְּפ' יִצְחָק קנ"ד סע"א

Likewise, Rachel above is the principal of the household, as the *Zohar* states in *Vayetze* 154a:

דְּאִיהִי עֶקֶת דְּהָאִי עֲלָמָא עָלֵי אֲתִדְבֵּר וְע' עוֹד בְּפ' בְּשַׁלַּח נ"א א'
בְּאַרְכָּה וּפ' אַחֲרֵי מוֹת ע"ד סע"א.

She is the principal actor, for this world is shepherded or directed by her. See more on this in *Zohar Parashat Beshalach* 51a at length and in *Parashat Acharei Mot* 74a.

כִּי ע"י הַיְחוד דְּהוּי"ה בְּאֲדָנִי וְנִכְלָל בָּהּ כָּל זֶהָר דְּלַעֲלָא
מֵאֲסֻפְקָלְרִיא הַמְאִירָה

The reason for this is that by virtue of the *yichud* of Havaye with Ad-nai the entire radiance from above, from the *Aspaklaria haMe'irah*¹⁶,

שֶׁהוּא אוֹר כָּל הָאֲצִילוֹת כְּלוּ וְכַנ"ל עי"ז הִיא מְנַהֶגֶת כָּל הָעוֹלָמוֹת
בִּי"ע וְכַמ"ש בְּפ' בָּלָק הַנִּזְכָּר ע"ה.

which is the light of the entire Atzilut, as mentioned, and thereby she *malchut* directs all the Worlds of BiY”A, as we mentioned in our reference to *Zohar Balak*. See there.

ומשום שְׂרַחֵל אִמְנוּ הִיְתָה מְרַכָּבָה אֵלֶיהָ לָכֵן נִקְרָא כָּל בֵּית יִשְׂרָאֵל
עַל שְׁמָהּ

Now since our Matriarch Rachel was the *mercava* for her for *malchut*, therefore the entire House of Israel is referred to by her name,

וכמ"ש בב"ר פ' ע"א הנזכר תני ר' שמעון בן יוחאי לפי שכל הדברים
תלויין ברחל (כמו שיתבאר למטה)

as it states in *Bereishit Rabba* 71:2, as mentioned previously: Rabbi Shimon bar Yochai taught – since everything is dependent upon Rachel (as will be explained below),

לפיכך נקראו ישראל על שמה. רחל מבכה על בניה. ולא סוף דבר
לשמה אלא לשם בנה.

therefore Israel is referred to by her name, as in the verse (Jeremiah 31:15),
“Rachel weeps over her children...” not for her own sake ultimately, but for the sake of her children,

אולי יחננו ה' צבאות שארית יוסף. ולא סוף דבר לשם בנה אלא לשם
בן בנה שנאמר הבן יקיר לי אפרים.

that perhaps the Lord of Hosts will have compassion for the remnants of Yosef. And ultimately not even for the sake of her children, but for the sake of her children's children, as the verse (Jeremiah 31:19) states, “Efraim is my precious son...”

וכ"ז הוא משום שהיא דגמא דרחל עלאה שהיא כנסת ישראל ולכן
היה פונת יעקב אבינו ע"ה רק עליה

Now all of this is because she Rachel our Matriarch is modelled after the Supernal Rachel, which is Knesset Yisrael the House of Israel and therefore our Patriarch Yaakov's intention was only for her i.e. to marry her exclusively.

ובסבתה לקח גם את לאה אִמְנוּ וכן בלהה וזלפה ונולדו כל הי"ב
שבטים על ידה.

And because of her he also married our Matriarch Leah,¹⁷ as well as Bilhah and Zilpah, and so all the twelve Tribes of Israel were due to her to Rachel.

וכן משרשים כל הי"ב שבטים ברחל עלאה שהיא המלכות
דאצילות בה"ז תחתונות שבה וכמ"ש בזוה"ק משפטים ק"ד ע"ב

Accordingly, all the 12 Tribes are rooted in the Supernal Rachel – *malchut* of Atzilut – in the seven lower *sefirot* thereof, as *Zohar Mishpatim* 104b states.**

כי ראובן שמעון לוי יהודה יששכר זבולון הם בחג"ת נ"ה וכן שאר
הו' שבטים

Thus Reuven, Shimon, Levi, Yehuda, Yissachar, Zevulun are *chesed, gevurah, tiferet, netzach, hod*¹⁸ respectively, in their supernal source, and similarly the remaining six tribes,

וּכְמוֹ שִׁיתַּבָּאֵר לַמָּטָה וּכְמוֹ שֶׁהָגָר אֶבְסַד צ פ"א בדה"מ מַלְךְ
הַשְּׁמִינִי.

as will be explained below, and as the GR"A writes in *Sifra d'Tzniuta* ch. 1 the sentence beginning *melech hashemini*.

וְכֹן הֵם מְשַׁרְשִׁים עוֹד בְּהִ"ב תְּחוּמֵינִי שֶׁבָּה שֶׁהֵם הִ"ב גְּבוּלֵי אֶלְכָסוֹן
דְּהוּ"ק שֶׁבָּה וּכְמוֹ שֶׁבִּפ' יוֹחִי רַמ"א ע"א

The tribes are also rooted in the 12 borders or limitations which are the 12 diagonals of the six sides therein as in the diagram of a hexagon below, as the *Zohar Yechi* p. 241a states.

וַיַּעֲקֹב הוּא סוֹד ת"ת הַכּוֹלֵל ו"ק דז"א

And Yaakov Yaakov is the mystical secret of *tiferet* which encompasses all the six boundaries of *z"z*,

כִּי יַעֲקֹב אֲבִינוּ ע"ה הָיָה מְרַכָּבָה לְהוּ"ק וּכְמוֹ שֶׁהָאֲרִיז"ל בִּפְרוּשׁ
לְסַפְד"צ בְּסִפְרֵי זֶהר הָרָקִיעַ קכ"א ע"ב

since our Patriarch Yaakov is the *mercava* of the six boundaries of *z"z*, as the Arizal writes in his *Zohar HaRakia* p. 121b explaining the *Sifra d'Tzniuta* one of the most abstruse sections of the *Zohar*.

נַע' תַּקוּן נוֹק' פ"ב כָּלִל י"ט. וּבִזְוָה"ק אַחֲרֵי מוֹת ס"ו ע"ב וּפ' וַיֵּצֵא בַס"ת קמ"ז ע"ב
[וְכֹן שֵׁם קנ"ז ב' בַּס"ת. וַיָּבֵא יַעֲקֹב דָּא תַּפְאָרֶת קַדִּישָׁא

[See *Tikun Nukvah* ch. 2 para. 19; *Zohar, Acharei Mot* 66b; *Vayetze, Sitrei Torah* 147b, 157b – “and Yaakov came” (Genesis 30:16) this is the holy *sefirah* of *tiferet****]

וְהָרִי הָיָה יַעֲקֹב דְּגִמַּת ת"ת דז"א הַכּוֹלֵל ו"ק הַיּוֹצֵאִים מִהִבֵּינָה
עֲלָמָא עֲלָמָה

Thus Yaakov is modelled after *tiferet* of *z"l*, which encompasses all the six boundaries of *z"l* as they emerge from *binah*, the higher world i.e. the *partzuf* above *z"l*,

וְשֵׁם הוּא שְׂרֵשׁ לֵאָה אֲמֵנוּ כְּמוֹ שֶׁיִּתְבָּאֵר לְמִטָּה וְכֵן יֵצְאוּ מִלֵּאָה שֵׁיט
בְּנִין

and there in *binah* is the root of our Matriarch Leah, as will be explained below, and accordingly Leah gave birth to six sons,

שֶׁהֵם סוּד הוּ"ק הַכְּלוּלִים בַּת"ת סוּד יַעֲקֹב וְכַמ"ש בְּזוּה"ק וַיֵּצֵא
קַנ"ג ב'

who are the mystical secret of the six boundaries of *z"l* encompassed within *tiferet*, the mystical secret of Yaakov, as the *Zohar Vayetze* 153b states.

וּבִלְהָא זִלְפָּה וְזִלְפָּה שְׂרֵשׁ הוּא בְּאַחֲוִיָּם דְּרַחֵל וְלֵאָה הָעֵלְיוֹנִים שְׂבָאֲצִי

And the root of Bilhah and Zilpah is in the external aspect of the *partzuf* of the supernal Rachel and Leah in Atzilut,

וְכַמ"ש הָרַב בְּשַׁעַר הַקְּלָפוֹת פ"ב וְע' בְּזוּה"ק וַיֵּצֵא קַנ"ד א' קַנ"ה א'

as the Rav the Arizal writes in *Etz Chaim Sha'ar HaKelipot* ch. 2. See also *Zohar Vayetze* 154a, 155a.

וְלָכֵן כְּשֶׁלָּקַח אֶת רַחֵל וְלֵאָה לָקַח גַּם אוֹתָן וְנוֹלַד מֵהֶן הַד' בְּנֵי
הַשְּׂפָחוֹת

And therefore, when Yaakov married Rachel and Leah, he married them Bilhah and Zilpah as well, and thus the four sons Yissachar, Zevulun, Dan and Naftali of those maidservants were born.

וְהֵם מְאַחֲוִיָּם דְּחֶסֶד גְּבוּרָה נֶצַח הוּד אֶךְ עַכ"ז הֵינָה נֶאֱמָר עֲלֵיהֶם
וְכָל אַחֲוִיָּהֶם בֵּיתָה וְכַמ"ש בַּפ' וַיֵּצֵא שֵׁם וְשֵׁם

And they are the external aspects of *chesed*, *gevurah*, *netzach*, *hod*, but nevertheless about them it states (I Kings 7:25) "Their haunches were toward the center..." referring to the carvings of oxen upon which the "Sea of Solomon" stood, as it states in *Zohar Vayetze* there 154a, 155a. These carvings of oxen stood facing outward, while their rears faced the center of the pool.

וְנִמְשְׁכוּ גַם הֵם מִהַפְּנִים שֶׁהוּא מֵהַד' פְּרָקִין תִּתְּאִין דְּתִרְיוֹ רַגְלִין
וְכַמ"ש בַּפ' מִשְׁפָּטִים ק"ד ב'.

And they too are drawn from the 'front' the 'face' so to speak, rather than from the external aspect of the *partzuf*, i.e. from the four lower sections of the two legs *netzach* and *hod*, as it states in *Zohar Mishpatim* 104b.

וְיוֹסֵף וּבִנְיָמִין הֵם מִיֵּסוּד וְעֵטָרָה דְּרָחֵל וְאַח"כ עָלָה יוֹסֵף בְּיֵסוּד דְּז"א
וּבִנְיָמִין עָלָה בְּיֵסוּד דְּרָחֵל וְנָטְלוּ הֵם ב' הַיֵּסוּדִין

Yosef and Binyamin are from *yesod* and the *atarah* of Rachel respectively, but subsequently Yosef ascended to the *yesod* of z"v, and Binyamin ascended to the *yesod* of Rachel, so that they took over the two *yesods* – of z"v, and of Rachel.

וּמִנִּשָּׁה וְאַפְרַיִם נָטְלוּ ב' הָעֵטָרִין אֲפְרַיִם עֵטָרָה דְּז"א וּמִנִּשָּׁה עֵטָרָה
דְּנוּק'

Menashe and Efraim took the two *atarahs*¹⁹ – Efraim the *atarah* of z"v and Menashe the *atarah* of *nukvah*.

כִּי יְהוּדָה הוּא מַלְכוּת שְׁבָאֲחוּרֵי הַת"ת וְהוּא הִיָּה מַחְבֵּר עִם לְוִי בְּאַחוּרֵי הַת"ת
[דִּידָהּ וּכְמ"ש בִּפ' מִשְׁפָּטִים ק"ד רע"א. וְע' בִּפ' וַיֵּצֵא קִנְיָהּ ב' וּבְהֶאֱתָר הַמַּחֲוִין פ"ט

[Because Yehuda is *malchut* the posterior of *tiferet*, which was attached to Levi in the posterior of her *tiferet* i.e. of *malchut* as it states in *Zohar Mishpatim* 104a. See *Zohar Vayetze* 155b, and in *Etz Chaim, He'arat haMochin* ch. 9]

וְהָרִי לָנוּ עַכ"פ כִּי כָל הַי"ב שְׁבָטִים הֵם מִשְׁרָשִׁים בְּהַמְלָכוּת
דְּאַצִּילוֹת שֶׁהִיא שֶׁרֶשׁ רָחֵל

In any event, we have it that all the twelve Tribes are rooted in *malchut* of Atzilut, which is the root of Rachel.

אֲשֶׁר עַל יְדֶיהָ וּבִסְפָּתָהּ יֵצְאוּ כָל הַי"ב שְׁבָטִים כֻּלָּן וְנִקְרְאוּ כָל יִשְׂרָאֵל
עַל שְׁמָהּ כְּנ"ל.

And via her and due to her all the 12 tribes emerged, and all of Israel is therefore called by her name.

וְכֹן נִקְרָא רָחֵל עֲלָאָה בְּשֵׁם כְּנֶסֶת יִשְׂרָאֵל שֶׁכָּל נִשְׁמוֹת יִשְׂרָאֵל
מִשְׁרָשִׁים בָּהּ וְיוֹצְאִים מִמֶּנָּה

The Supernal Rachel is also called *Knesset Yisrael*, since all souls of Israel are rooted in her, and emerge from her.

וְלִכְךָ נִקְרְאתָ ג' כִּי בְּשֵׁם אִמָּא תִּתְּתָא כִּי בִינָה נִקְרָא אִמָּא עֲלָאָה

And therefore she is also called *Imma tata'a* the lower Imma, *malchut*, as opposed to the higher *Imma, binah* which is called *Imma ila'a***, **

מִשּׁוּם שֶׁמִּמֶּנָּה יֵצֵא ז"א וְהַנוּק' שֶׁהֵם כָּלֵל הָאֲצִילוֹת

since it is from her that z"v and *nukvah* emerge, and they are the generality of Atzilut.

וּמַלְכוּת שֶׁהִיא הַנוּק' נִקְרָא אִמָּא תִּתְּתָא שֶׁהוּא²⁰ שֶׁרֶשׁ כָּלֵל יִשְׂרָאֵל
וּמִמֶּנָּה נֶעֱשׂוּ כָל הָעוֹלָמוֹת בִּי"ע וּכְמ"ש בִּפ' בְּרֵאשִׁית כ"ב א' וּכ"ט ב'

*Malchut***, which is *nukvah*, is called *Imma tata'a* and is the root of all of Israel, and from her all the worlds of BiY" A are produced, as it states in** *Zohar Bereishit* 22a, 29b. See there.

וכן מתנהגים כל העולמות בי"ע על ידה ע"י יחודה בז"א שהוא
היחוד דהוי"ה אדנ"י

In addition, the worlds of BiY" A are all deployed and directed by her *malchut* by means of her *yichud* unification with *z" a*, which is the *yichud* of Havaye with Ad-nai.

ונכלל בה עי"ז כל האצילות כלו ביחוד אור א"ס שבו ונעשית עי"ז
אדון כל הארץ ואלהי כל הארץ יקרא

In this way the entire Atzilut, with which the *Ohr Ein Sof* is unified, is integrated into her, so that she *malchut* becomes the master of the entire Earth, and is called the Lord of all the Earth.

וכמ"ש ב'פ' בראשית נ' ע"ב ופ' ויג' צ"ט ע"ב ב'ס'תרי תורה שם וכן שם ק' ע"ב ע"ש)
(ו'פ' משפטים ק"ו א' ופ' תרומה קע"א ב' ופ' תצוה קפ"ו א

(As it states in *Zohar Bereishit* 50b; *Vayera* 99b in *Sitrei Torah*, and similarly 100b, see there. And in *Mishpatim* 106a; *Terumah* 171b; *Tetzave* 186a).

והרי נתבאר לנו כי המלכות דאצילות אשר בה ועל ידה נתגלה
המאציל א"ס ית"ש להמציא את כל העולמות בי"ע

Thus we have explained that *malchut* of Atzilut, in which the blessed Emanator, the *Ein Sof* Infinite One is revealed, may His Name be blessed, in order to produce the worlds of BiY" A,

כי כל מציאותם וכן כל הנהגתם הנה הוא מא"ס ית"ש ע"י יחודו
וגלוי'ו בהמלכות דאצילות ועל ידה הם מתנהגים תמיד

since their entire existence, and the entire way they are deployed and directed is from the blessed *Ein Sof* by way of His unification with and revelation in *malchut* of Atzilut, through which they are constantly guided.

והיא השכינה הקדושה שהוא אור שכינתו ית"ש המתפשט ושוכן
למטה תמיד

She *malchut* of Atzilut is the holy *Shechinah* – the luminescence of His blessed Indwelling Presence which spreads forth and resides below continually,

וכמ"ש בשמות רבה פרשה ב' סימן ב' לעולם אין השכינה זזה
מכתל מערבי.

as it states in *Shemot Rabba* 2:2 – the *Shechinah* never departed from the Western Wall of the Temple.

אע"פ שהוא חרב האלהים אינו זז משם.

Even though it was destroyed G-d does not budge from there.

ולכך נקרא שכינה משום שהיא שוכן למטה וכמ"ש ושכנתי בתוכם.

And therefore *malchut* is called the *Shechinah*, because she dwells below, as the verse (Exodus 25:8) states, "And I shall dwell among them."

הנה היא נקראת בשם רחל והיא כנסת ישראל (כמ"ש בפ' ויקרא ה' א' ופ' בלק קצ"ז א' ובכ"מ)

She *malchut* is also called Rachel, and she is also *Knesset Yisrael* (as it states in *Zohar Vayikra* 5a; *Balak* 197a, and elsewhere also).

כי היא שרש כל נשמות ישראל וכל הי"ב שבטים הם משרשים בה

For she *malchut* is the root of all the souls of Israel, and all of the 12 Tribes are rooted in her,

ועל ידם מצא השכינה מקום ומעון לשכון למטה לעולם

and through them the *Shechinah* found a dwelling in which to reside forever down below.

והיא שרש רחל אשת יעקב אם ישראל:

And she is the root of Rachel, Yaakov's wife, the Mother of Israel.

5c — The *Partzufim* of Rachel and Leah

וראינו כאן לבאר ענין אחד הנמשך לזה

We see fit here to explain a certain concept connected to the above:

כי הנה יש להבין כי הרי מאחר שרחל אשת יעקב היא היתה עקרת הבית

We need to understand²¹ – since Rachel, Yaakov's wife, was the principal wife or primary aspect of his household,

ושרשה הוא המלכות דאצילות כנסת ישראל אשר בה משרשים כל הי"ב שבטים וכנ"ל

and her root was in *malchut* of Atzilut, *Knesset Yisrael*, in which all twelve tribes are rooted, as we mentioned,

והם תקוניהא כי על ידם נתקשרה השכינה למטה'

and they are her *tikun* literally ‘rectification’^{**22**}, in the sense that via them the *Shechinah* is attached below,

וכמ"ש בפי' ויצא קנ"ח א דכלהו תריסר שבטים תקונא דעלמא
תתאה ניהו

as the *Zohar I, Vayetze p. 158a* states, that ‘all of the twelve tribes are rectifications *tikunim* of the lower world’

שהיא המלכות דאצילות כי הבינה נקרא עלמא עלאה משום שממנה יצא האצילות והמלכות נקראה עלמא תתאה משום שממנה ועל דה נעשה כל העולמות בי"ע וכל הי"ב שבטים הם תקונהא כי על ידם מצא השכינה מקום ומעון [לשכן למטה וכנ"ל ולכן]

[this ‘lower world’ is *malchut* of Atzilut, since *binah* is referred to as ‘the higher world,’ because the majority of the *sefirot* of Atzilut emerged from her, and *malchut* is termed ‘the lower world’ because from her and by her all the worlds of BiY”A are produced, and all of the 12 tribes are her *tikun* since, by their agency, the *Shechinah* found a place and shelter in which to dwell below, as noted above. Therefore]

כיון דאתילד בנימין מיתת רחל ונטלא דכתא האי עלמא תתאה
לא תתקנא בהו

as soon as Binyamin was born, Rachel passed away, and the lower world i.e. the *Shechinah*^{**23**} took her place to be rectified by them by the 12 tribes.

ועל דא לא אתילד בנימין אלא בארעא קדישא הה"ד ואני בבאי
מפדן מתה עלי רחל בארץ כנען בדרך

And it was for this reason that Binyamin alone was born in the Holy Land, as the verse (Genesis 48:7) states, “But as for me, when I came back from Padan, Rachel died on me in the Land of Canaan i.e. in Israel on the road.”

ותמן מיתת רחל ונטלא דכתא האי עלמא תתאה לא תישבא בביתא
שלמתא

It was *there* and then, specifically, that Rachel passed away, and this lower world the *Shechinah* took her place to dwell completely in her house.

וכל זמנא דרחל קימא עלמא תתאה לא אתתקנא בהו

Throughout the time that Rachel was alive, the lower world the *Shechinah* was not rectified by them by the 12 tribes.

מיתת רחל נטלא ביתא בשלימו

But when Rachel passed away the *Shechinah* took over her house her place completely.

וְאִי תִימָא לָאָה אֲמַאי לֹא מִיתַת בְּהֵוָה זְמַנָּא

Now if you will ask why Leah, who was the mother of six of the tribes, did not pass away at that time so that the *Shechinah* could take her place too,

אֶלָּא בְּגִין דְּבִיתָא בְּעֵלְמָא תַּתָּאָה אִיהוּ וְכֹלָא מִנָּה הוּוּ לֹא תַתְּקַנָּא
וְלֹא מֵעֵלְמָא עֲלָאָה

this was because her the *Shechinah*'s house was in the lower world, among the 12 tribes who served as the home and vehicle for the *Shechinah* and all of them the 12 tribes came from her from the lower world for the purpose of rectifying it, and not from the higher world of Leah

וּבְגִין כֵּן לֹא מִיתַת בְּהֵיָא שְׁעֵתָא [שְׁהִיא בִּינָה שְׂרָשׁ לָאָה]

[*binah*, which was the root of Leah], and therefore she did not pass away at that time,

וְכֻמוּ שְׁיִתְבָּאָר עִמָּךְ הַדְּבָרִים דְּמִיתַת רַחֵל תַּכְף אַחֵר שְׁנוּלְדוּ כָּל
הֵי"ב שְׁבֵטִים לְקַמּוֹ.

as we will explain below in depth regarding the passing of Rachel immediately after all twelve tribes had been born.

עוֹד שָׁם קנ"ח ע"ב כִּיּוֹן דְּאֶתִּילַד בְּנֵימִין אֶתְקַשְּׁרַת שְׁכִינְתָּא בְּכֹלָהוּ
שְׁבֵטִין וְנִטְלָא בֵּיתָא בְּכֹלָהוּ.

The *Zohar* states further there (p. 158b) that as soon as Binyamin was born the *Shechinah* became attached to all twelve tribes, and she took up her residence among all of them.

וַיַּעֲקֹב הָיָה יָדַע בְּרָזָא דְּחֻכְמָתָא דְּכַד יִשְׁתַּלְּימוּ תַרְיִסָּר שְׁבֵטִין

Yaakov knew through the mystery of *chochmah* i.e. through *Ruach*

*Hakodesh***²⁴*, that when all twelve tribes would be complete

דְּשְׁכִינְתָּא תַתְּקַשְּׁט וְתַתְּקַשֵּׁר בְּהוּ וְרַחֵל תָּמוּת וְאִיהִי נִטְלָא בֵּיתָא כּו'
כו' ע"ש כָּל הָעֲנָן

the *Shechinah* would become adorned by them and attached to them, and that Rachel would pass away and she the *Shechinah* would take over his household etc. See the entire account there.

וְכוּ שָׁם קנ"ט ב' שְׁכִינְתָּא לְעֵלָא כּו' שְׁכִינְתָּא לְתַתָּא בְּתַרְיִסָּר שְׁבֵטִין
קְדִישִׁין כּו' וַע"ש עוֹד קס"ה א' ב' בְּסַתְרֵי תוֹרָה

Similarly, *ibid* p. 159b: "The *Shechinah* above... the *Shechinah* below among the twelve tribes etc. See further *ibid* p. 165a-b in *Sitrei Torah*.

וְהִירִי לָנוּ מַכ"ז דְּכָל הֵי"ב שְׁבֵטִים הֵם שְׂיָכִים כָּלָם בְּרַחֵל

From all this we can conclude that all twelve tribes are associated with Rachel,

כי היא היתה מִרְכָּבָה לְהִשְׁכִּינָה הַקְּדוּשָׁה הַמְּלֻכּוֹת דְּאֲצִילוֹת אֲשֶׁר
כָּל הַי"ב שְׁבָטִים מְשֻׁרָשִׁים בָּהּ וְנִמְשָׁכּוּ מִמֶּנָּה

since she constitutes the *mercava* for the holy *Shechinah* – *malchut* of Atzilut –
in which all twelve tribes are rooted, and from which they are drawn.

וא"כ הרי יפלא מאד כי לפי זה היתה צריך שיצאו כל הי"ב שבטים
כלם רק מרחל לבד

That being so, it is astonishing (according to the above) that all twelve tribes
should have been born to Rachel alone, but were not!

והרי לבסוף לא נולדו ממנה עצמה אלא רק ב' שבטים

For in the end only two tribes were born to her, Yosef and Binyamin.

וגם למה היתה צריך יעקב אבינו ע"ה לשא את לאה כלל וכן בלהה
וזלפה

And also, why did our Patriarch Yaakov marry Leah at all, and similarly
Bilhah and Zilpah?

כי הרי כל עלמא תתאה שהוא המלכות דאצילות השכינה הקדשה
בנסת ישראל הוה רק רחל מרכבה אליה

For the entire lower world, which is *malchut* of Atzilut, the holy *Shechinah*,
Kneset Yisrael, as noted earlier, all of these terms are used synonymously, **only**
Rachel is the *mercava*.

ועוד כי הרי לאה הנה הוא שרשה מהארת המלכות דבינה

Furthermore, the root of Leah is from the radiance of *malchut* of *binah*

היוצאת מאחוריו סוד קשר של תפלין של ראש כמבאר בשער לאה
ורחל וכנודע

that emerges from behind *ze'ir anpin****²⁵ – the mystical secret of the knot of
the head *tefillin*, as Etz Chaim, *Sha'ar Leah* and *Rachel* explains, as is known.

והבינה היא האמא עלאה דהזו"ן והיא האמא הו ליעקב והו לרחל

Now *binah* is the Supernal Imma of *zu"n* (*z"n* and *nukvah* together) and she is
the mother of both Yaakov and Rachel in terms of their *partzufim*,

וכמ"ש שם קנ"ד ב' וירא ה' כי שנואה לאה מהכא דסני בר נש עריין
דאמיה כו' וכנודע כ"ז

as it states there *Zohar I, Vayetze 154b* on the verse (Genesis 29:31) “And God
saw that Leah was unloved...”: from here we learn that a man is repelled by the

womanhood of his mother who is forbidden to him, as is all well-known.

וע"ש עוד קנ"ג ב' שִׁמְבַּאֲר שָׁם כִּי לֵאָה הִיא סוּד יוֹבֵלָא וְרַחֵל סוּד
שִׁמְטָה

See also *ibid Zohar I 153b* where it is explained that Leah is the mystical secret of the *Yovel* the 50th Jubilee year when slaves were freed and the land lies fallow, and Rachel is the mystical secret of the *shemita* the seventh year, where the land also lies fallow.

שֶׁהֵם בִּינָה וּמַלְכוּת וְהֵם אִמָּא וּבִתָּה בְּנוּדָע

Leah and Rachel are respectively *binah* and *malchut*, and they are mother and daughter in the spiritual realms, as is known.

וא"כ הרי איך נֶעֱשׂוּ כָאן בעוה"ז לִשְׁתֵּי אָחִיוֹת:

This being so²⁶, how did they become sisters here, in this physical world?

אֲךְ הָעֲנִין בְּכ"ז הוּא כִּי הָאֵמֶת וְהַעֲקָר הוּא כִּי כָל הָעֲנִין דִּיעֵקֵב
וְיִשְׂרָאֵל וְרַחֵל וְלֵאָה

However, the idea is this: In truth, the main concept of the entire matter of Yaakov and Israel, Rachel and Leah,

הֵם כֻּלָּם רַק בְּהַמְלָכוּת דְּאֶצִּילוּת הַנִּקְרָא רַחֵל שֶׁהִיא הַשְּׂכִינָה
הַקְּדוּשָׁה

all take place in *malchut* of Atzilut, which is called Rachel, and she is the holy *Shechinah*.

וְהֵם כֻּלָּם רַק מִפְּרִטֵי הָאוּרוֹת וְהַפְּרָצוּפִים אֲשֶׁר בָּהּ גּוּפָה

And they the tribes derive from the individual lights and *partzufim* within,

וְכֵן כָּל הָאֲבוֹת כֻּלָּם וּמֹשֶׁה רַבֵּע"ה וְכָל הַנִּשְׁמוֹת כֻּלָּם אֲשֶׁר מֵעוֹלָם
וְעַד עוֹלָם הֵם כֻּלָּם רַק בָּהּ

and so do all the Patriarchs and our teacher Moshe, peace be upon him, and all of the souls from one world to the next, are all within her *malchut*.

(הַגָּהָה מִכ"י הַמַּחֲבֵר וּכְמ"ש הַגָּר"א תז"ח ל"ח ג' דה"מ בְּשַׁעְתָּא)

(The author's handwritten note: As the GR" A writes in *Tikunei Zohar* p. 38c, the sentence beginning בְּשַׁעְתָּא)

כִּי הִיא הָעֲלָמָא תַּתָּאָה שֶׁמְצִיאוֹת כָּל הָעוֹלָמוֹת בִּי"ע וְכָל עֲנִינֵיהֶם
וְכָל תְּהֻלוֹכוֹתֵיהֶם

For she is the lower world, and the existence of the Worlds of BiY" A and everything concerning them, and all of their developments,

אֲשֶׁר הוּא בְּעֶצֶם וְהוּא בְּמִקְוֶה הֵם כֻּלָּם רַק בָּהּ וּמִמֶּנָּה יֵצֵא וְנִעְשָׂה
הַכֹּל

whether essential or incidental, are all in her, and from her they
emerged and everything was produced.

כִּי אִמַּת מַלְכֵנוּ וְאַפֶּס זוּלָתוֹ שְׁכָל מָה שֶׁנִּעְשָׂה בְּהֶעוֹלָמוֹת בִּי"ע
מֵעוֹלָם וְעַד עוֹלָם

For, “truly He is our King; there is nothing besides Him”²⁷ – because everything
that is produced in the Worlds of BiY”A, from one world to the next,

הוּא הַכֹּל מִהַגְלוֹי וְהַיְחוד דָּאוֹר א"ס בְּהַמְלָכוֹת דְּאַצִּילוֹת וְהוּא
הַמֶּלֶךְ ה' צָבָאוֹת

is all from the oneness or the *Ohr Ein Sof* revealed in *malchut* of Atzilut, and He
is the King, the Lord of Hosts.

וְע' רַמְבַּ"ן בְּפ' וַיִּגַּשׁ בְּפָסוּק וַיִּזְבַּח זִבְחִים לֵאלֹהֵי אָבִיו יִצְחָק ע"ש

See Ramban *Vayigash* on the verse (Genesis 46:1) “And he offered sacrifices to
the God of his father Yitzchak.” See there.²⁸

וְהַכֹּל הוּא כִּי אֵין שׁוּם עֲנִיָּן בְּכֹל הֶעוֹלָמוֹת בִּי"ע זוּלַת הַמְלָכוֹת
דְּאַצִּילוֹת

The general rule is that nothing in the Worlds of BiY”A can be without *malchut*
of Atzilut,

שֶׁהוּא הַשְּׂכִינָה הַקְּדוּשָׁה כִּי הִיא כָּלָל כֹּל הָאַצִּילוֹת שֶׁהוּא כָּלָל כֹּל
גְּלוּיָיו ית"ש אֲשֶׁר לְמַעַלָּה לְמַעַלָּה.

which is the holy *Shechinah*, and she is the general principle of Atzilut, which is
the generality of all His revelations, blessed is His Name, to the very loftiest
level,

וּבִזְהָה הִיא מְנַהֶגֶת אֶת כָּל הֶעוֹלָמוֹת בִּי"ע אֲשֶׁר לְמַטָּה

It is with this revelation of the *Ohr Ein Sof* revealed in *malchut* that she directs all
the Worlds of BiY”A below,

וְהוּא הַיְחוד דְּהוּי"ה אֲדָנִי וְכַנ"ל.

and this revelation of the *Ohr Ein Sof* revealed in *malchut* is the *yichud* of Havaye
and Ad-nai, as noted above,

וְהַמְלָכוֹת שֶׁהִיא מְלָכוֹת שְׁמִים מְלָכוֹתוֹ יִתְבָּרַךְ

and *malchut* is the Kingdom of Heaven, and His blessed Kingship.

הִנֵּה בָּהּ נִעְשָׂה הַכֹּל וְזוּלָתָהּ אֵין דְּבָר.

Thus in her everything is produced, and without her there would be nothing.

וְכֵן הִיא הַשַּׁעַר לָהּ אֲשֶׁר אֵי אֶפְשָׁר לְכַנֵּס זֹלָתָהּ בְּשׁוּם תַּפְלָה
וְעִבּוּדָה אֲלֹא דְּוָקָא רַק ע"י קִבְּלַת עַל מַלְכוּת שָׁמַיִם

She is also ‘the gateway to God’ (Psalms 118:20) without which it is impossible to enter with any prayer or service – but only by way of accepting the yoke of *malchut shamayim* the Kingdom of Heaven,

וְכִמּוֹ שֶׁהָאֲרִיכוּ בְּזֶה בְּרַע"מ פִּנְחָס רנ"ו ע"ב וּבִתְקוּנִים תְּקוּן י"ט ט"ל
ע"ב וּבִתְז"ח ל"ב ע"ב וּבִכְמָה מְקוּמוֹת וּכ"מ בְּזו"ח

as the Zohar III *Raya Mehemna*, Pinchas p. 256b, and *Tikunim*, *Tikun* 19 p. 39b, and *Tikunei Zohar Chadash* p. 32b and several others places state at length.

This is also apparent from *Zohar Chadash*.²⁹

וְכֵן עַל זֶה בִּקֵּשׁ מִשְׁרַבַּע"ה וְאָמַר יִלְךְ נָא אֲדָנִי בְּקִרְבֵּנוּ

Similarly, our teacher Moshe, peace be upon him, asked ‘Let *Ad-nai* go *b’kirbeinu* – among us’ (Exodus 34:9), the word *b’kirbeinu* here can also be translated as ‘within us,’ as the author will point out shortly.

וְתִרְגּוּם אוֹנֶקְלוֹס תִּהְיֶה כַּעַן שְׂכִינְתָּא דְּה' בִּיָּם א וְנִתֵּן לוֹ בִּקְשָׁתוֹ
וּכְמ"ש בְּרִכּוֹת ז' א'

Onkelos translates this as ‘let the *Shechinah* of the Lord go now among us’ – and his request was granted, as the Talmud *Berachot* 7a states,

וְהִיא שׁוֹכֵנִת בְּקִרְבֵּי יִשְׂרָאֵל מִמֶּשׁ וּכְמ"ש הִגָּר"א בִּתְקוּנִים תְּקוּן ל"ח
פ"ז ע"ג

so that she the *Shechinah* dwells literally *within* Israel the Jewish People (i.e. not just *among* us, in the Tabernacle or the Temple, but *within* each and every one of us) as the GR”A writes on the *Tikunim*, *Tikun* 38 p. 87c

כִּי כָל קְשׁוּטֵי וּמַעֲשֵׂה יִשְׂרָאֵל וְכָל עֲנִינֵיהֶם הִכָּל בָּהּ כּו' (וְשָׁם ע"ד
בְּדָה"מ מָה)

– that all the adornments and deeds of the Jewish People, and all matters concerning them, are all in her (and also there on the same page with the sentence beginning ‘מָה’)

דְּכָל הַתְּקוּנִין בְּדִידוֹ הִכָּל אֵלֶיהָ דָּאֲנִי אִיבָרִים דְּלָהּ [הִגָּהָה מְכ"י
הַמַּחְבֵּר עִי' זוּה"ק ח"ג קצ"ט רִישׁ ע"ב] (וְשָׁם נ' ע"ב בְּדָה"מ וְכָד)

– for all our rectifications are all for her, since we are her limbs [in a handwritten note from the author: see *Zohar* III 199b, top] (and there

also 50b, the sentence beginning בְּכָד (**))

דְּהִיא מִתְפַּשֵּׁטת בַּכ"א וְא' מִיִּשְׂרָאֵל וּז"ש וְשָׁכַנְתִּי בְּתוֹכָם

for she *malchut*, the *Shechinah* extends into each and every Israelite, and this is the significance of “and I will dwell *betocham*’ – within them” –

ר"ל בְּתוֹךְ בְּנֵי יִשְׂרָאֵל וְהִיא כְּנִסֶּת יִשְׂרָאֵל

meaning to say ‘within each and every Israelite’ and she *malchut* is therefore called *Knesset Yisrael*, the Community of Israel.

וְהָרִי לָנוּ עַכ"פ כִּי שָׁרֵשׁ הַמְּצִיאוֹת דְּכָל הַנִּשְׁמוֹת כֻּלָּן הֵם מִתְגַּלִּים
וְנִנְעָשִׂים רַק בָּהּ

Here we have it that at the root of the existence of all souls, without exception, is that they are revealed and produced within her.

וְמָה שֶׁנּוֹדַע שֶׁאַבְרָהָם וְיִצְחָק הֵם בַּחו"ג דז"א וְיַעֲקֹב וְיִשְׂרָאֵל בַּת"ת
דז"א שֶׁהוּא עֶקֶר הַז"א עֲצָמוֹ

Now if one were to ask, but it is known that Avraham and Yitzchak are *chesed* and *gevurah* of *z"z*, and Yaakov and Yisrael are *tiferet* of *z"z*, the primary aspect of *z"z* itself, and none of them, it would seem, are associated with *malchut*?

אֲלָא שֶׁיַּעֲקֹב הוּא בְּסוֹד הַקְּטָנוֹת וְיִשְׂרָאֵל בְּסוֹד הַגְּדֻלוֹת וְכַמ"ש
בְּשַׁעַר הַפְּסוּקִים

But, as a side note concerning the two names Yaakov and Yisrael, **Yaakov is the mystical secret of spiritual immaturity, whereas Yisrael represents spiritual maturity, as the Arizal states in *Sha'ar HaPesukim***

בַּפְּסוּק לֹא יַעֲקֹב יֹאמַר עוֹד שְׁמִי כִּי אִם יִשְׂרָאֵל

on the verse (Genesis 32:28) “Your name shall no longer be Yaakov, but Yisrael.”

וּמִשָּׁה רַבֵּינוּ ע"ה הוּא בְּסוֹד הַדַּעַת פְּנִימִית הַת"ת

And our teacher Moshe, peace be upon him, is the mystical secret of *da'at*, the inner dimension of *tiferet*.

הִנֵּה כ"ז הוּא רַק בְּבַחֲי' שָׁרֵשׁ שְׁרָשָׁם הַנִּעְלָם

Given all the above, how can we state that the root of the existence of *all* souls is *malchut*? **However, all of this** regarding Avraham, Yitzchak, Yaakov and Moshe, **is only in the hidden root of the roots,**

וְהָעֶקֶר הוּא כִּי כ"ז הוּא ג"כ רַק בְּבַחֲי' הַז"א שֶׁבְּהַמְּלָכוֹת כִּי
הַמְּלָכוֹת עֲצָמָה הִנֵּה יֵשׁ בָּהּ כָּל הַבְּחִי' כָּלָם.

but the main idea is that all of them are only in *z"z* of *malchut*, since *malchut* itself has all the aspects within her including *z"z*.

כי כמו שהוא בכללות האצילות כן הוא בכל פרצוף בפנ"ע וישנם
בהמלכות גופה בחי' עתיק א"א או"א זו"ן

Because just as it is in Atzilut in general, so it is in each individual *partzuf*, so
that in *malchut* herself are the aspects of *Atik, Arich, Abba, Imma* and *Zu"N*,

הנמשכים בה מעתיק א"א או"א זו"ן הכלליים

that are drawn into her from the macro *Atik, Arich, Abba, Imma* and *Zu"N*.

וכן ישנם בה כל פרצופיהם בפרטיות שהם ישו"ת ישראל יעקב
לאה ורחל וכל הבחי'

And similarly in her are all the individual *partzufim* – *Yisrael Sabba, Tevunah, Yisrael, Yaakov, Leah, Rachel*, and all the aspects.

ומהם הוא כל הנשמות כלם אשר מעולם ועד עולם

And from them the individual *partzufim* within *malchut* emerge all the souls from
one world to the next.**

ונשמות האבות שהם מחג"ת דז"א ומרבע"ה שהיא מהדעת
הפנימית שבז"א הוא הכל מהז"א שבהמלכות

The souls of the Patriarchs, which are from *chesed, gevurah* and *tiferet* of *z"u*,
and of our teacher Moshe, which is from *da'at* in the inner dimension of *z"u* –
all are from *ze'ir anpin* of *malchut*,

כי כל הנשמות כלם הם ממנה אלא שכ"א הוא משרש מיוחד שבה.

because all souls without exception are from her, only that each individual has
their own distinct root within her.

והנה הנשמות שבכל דור הם כלם משרש כללי אחת הנתגלה
בהמלכות ע"י שפעת אור שמקבלת מלמעלה

Now the souls in each generation are all from a single general root, revealed
within *malchut* by means of the flow of light she receives from above;

אלא שבפרטות הם מתחלקים כי נמשך כ"א משרש מיוחד בפנ"ע
שבה

but taken individually they are differentiated, since each one is drawn from a
unique root within her in *malchut*.

וכגון זה מיעקב שבה וזה מישאל שבה

For example, one person can be drawn from the *partzuf* of *Yaakov* within her
within *malchut*, while another is drawn from the *partzuf* of *Yisrael* within her;

זֶה מֵרַחֵל שְׁפָה וְזֶה מֵלֶאָה שְׁפָה זֶה מִחֶסֶד וְזֶה מִגְבוּרָה וְכוּ בְּפִרְטֵי
פְּרָטוֹת

one person can be drawn from the *partzuf* of Rachel, and another from Leah; one from *chesed*, and another from *gevurah*, and so too in ever increasing specificity.

וְלָכוּ אִין בְּנֵי אָדָם דּוֹמִין זֶה לָזֶה וּכ"א הוּא בְּתִכּוּנָה בְּפִנ"ע

Therefore people are dissimilar to each other, and each one has a unique personality.

אָמְנָם הַשְׁלָמַת וּגְמִיר כָּלָם הוּא בְּמָקוֹם אֶחָד שֶׁהוּא בְּהִיסוּד שְׁפָה
וְשֵׁם נִשְׁלְמוּ כָּלָם

Nevertheless, the completion and conclusion of all of them is in one place – her *malchut's yesod***; there everything is completed.**

וְכוּ אַח"כ הֵם יוֹצְאִים כָּלָם מִמָּקוֹם אֶחָד שֶׁהוּא מֵהַמְּלָכוֹת שְׁפָה

And so too subsequently – all of them emerge from a single place: from *malchut* thereof i.e. *malchut* of *malchut*.

וְכוּ הוּא עַד"ז עוֹד שְׁכָל הַנִּשְׁמוֹת אֲשֶׁר בְּכָל דּוֹר הַקּוֹדֵם הָרִי הֵם
הָאֲבוֹת לְכָל הַנִּשְׁמוֹת אֲשֶׁר בְּכָל דּוֹר הַבָּא כִּי הֵם שְׂרָשָׁם

In similar fashion, all the souls in a previous generation are the ‘fathers’ or patriarchs for all the souls of the next generation, for they the former are their roots of the latter.

כִּי בְּהִגִּיעַ עֵת דְּמִצִּיאת הַנִּשְׁמוֹת שֶׁבְּכָל דּוֹר הִנֵּה מֵתְגַלֶּה בָּהּ
מִצִּיאוֹת שְׂרָשׁ כָּלְלִי אֶחָד

For when the time of the manifestation of souls arrives in each generation, there is revealed in it in that generation the existence of one general root extending from *malchut*

לְכָל אוֹתָן הַנִּשְׁמוֹת כָּלָן ע"י שִׁפְעַת אוֹר שֶׁמְקַבֶּלֶת מִלְּמַעְלָה

for all the souls of that generation via the flow of light that she receives from above.

וְהִנֵּה הוּא מֵתְגַלֶּה וְיוֹצֵא וְנִמְשָׁךְ מֵהַמִּצִּיאוֹת דְּשׂוֹרֵשׁ הַכָּלְלִי שֶׁבְּהַדּוֹר
הַקּוֹדֵם אֲשֶׁר בָּהּ

This flow of light becomes revealed and emerges and is drawn down from the existence of that general root stemming from the previous generation in her in *malchut*.

וְלָכוּ הִנֵּה כָּל דּוֹר הַקּוֹדֵם הָאֲבוֹת לְהַדּוֹר הַבָּא כִּי כָל דּוֹר הוּא מִשְׂרָשׁ
כָּלְלִי אֶחָד

And therefore, every previous generation are the 'fathers' or patriarchs of the next generation, since each generation stem from a single root

הַנִּמְשָׁךְ מֵהַשָּׁרֵשׁ הַכִּלְלִי שֶׁבְּהַדּוּר הַקֹּדֶם

drawn down from the general root of the previous generation.

וְהָרִי הֵנָּה כָּל דּוֹר בְּבָחִי אֲחִים זֶה לָזֶה כִּי הֵם מִשָּׁרֵשׁ כִּלְלִי אֶחָד
שֶׁבְּהַדּוּר הַקֹּדֶם שֶׁהֵם הָאָבוֹת

Thus all members of a generation are like brothers to one another, since they stem from a single general root emerging from the previous generation who are like their fathers.

וְכֵן נִשְׁלָמִים וְיוֹצְאִים כֻּלָּם מִמָּקוֹם אֶחָד שֶׁהוּא הַיְסוֹד וּמַלְכוּת

Similarly, each of them compliments the other and all emerge from one place, from *yesod* and *malchut*.

אֲלָא שֶׁעַכְ"ז הֵנָּה נִמְשָׁךְ כ"א מִמָּקוֹם פָּרָטִי מִיַּחַד אֲשֶׁר בְּפָרְצוֹף
הַמַּלְכוּת הַכִּלְלִי

Nevertheless, each of them is drawn from a unique aspect within the general *partzuf* of *malchut* –

זֶה מִחֶסֶד וְזֶה מִגְבוּרָה זֶה מִרַחֵל וְזֶה מִלֵּאָה זֶה מִיַּעֲקֹב וְזֶה מִיִּשְׂרָאֵל
וְכַנִּז'

one from *chesed*, another from *gevurah*; one from Rachel another from Leah; one from Yaakov, another from Yisrael, as mentioned earlier.

כִּי אוֹתוֹן הַפָּרָטִים כֻּלָּם הֵם בְּכָל דּוֹר וְדוֹר וְלִכְךָ אֵין בְּנֵי אָדָם דּוֹמִין זֶה
לָזֶה וְכַנִּז"ל

This is because all those details are manifested in every generation, and therefore one person is not similar to another, as mentioned before, since each person stems from a different combination of details.

וְאַחֵר כ"ז הָרִי נִיחָא לָנוּ מָה שֶׁהָעֲרִינוּ לְעֵיל בְּעֲנֵין לֵאָה וְרַחֵל אֵין
שֶׁהֵם שְׁתֵּי אֲחִיוֹת

After all of the above analysis, it is easier for us to explain that which we noted before – that Leah and Rachel are two sisters:

מֵאַחֵר שֶׁלֵּאָה הָרִי הִיא מֵהַבִּינָה אִמָּא כִּי הָרִי גַם לֵאָה הִיא בְּאֵמַת
ג"כ רַק מֵהַמַּלְכוּת הַכִּלְלִי

although Leah is from *binah* / *Imma*, it is also true that she is from *malchut* on the macro scale – i.e. from *binah* / *Imma* of *malchut*.

וַיֵּצֵאָה עִם רָחֵל בְּדוֹר אֶחָד וּמִמָּקוֹם אֶחָד א"כ הָרִי וְדַאי שֶׁהֵם אֲחִיות
זו לזו

Thus she emerged in the same generation as Rachel, and from the same place,
and therefore they certainly are sisters one to the other,

אֶלָּא שֶׁשָּׂרָשׁ לָאָה הוּא מִהַבִּינָה שְׁבָה וְשָׂרָשׁ רָחֵל הוּא מִהַמְּלָכוֹת
שְׁבָה

except that Leah's root is from *binah* thereof of *malchut*, while Rachel's root is
from *malchut* thereof.

אָבֵל שְׁנֵיהֶם הֵם מִפְּרֻצוֹף כָּלְלִי אֶחָת וַיֵּצְאוּ בְּדוֹר אֶחָד וּמִמָּקוֹם אֶחָד
וְהָרִי הֵם אֲחִיות בְּדַאי:

Thus both of them are from a single macro *partzuf*, and they emerged in the
same generation and from the same place, and therefore they are for sure
sisters!

וְהִנֵּה רָחֵל שֶׁהִיא מִהַמְּלָכוֹת שְׁבָה הִנֵּה אִין הַכֹּנֶנֶה עַל בְּחִי' הָעֵטָרָה

The Ba'al HaLeshem now goes on to explain the above statement

Now when we said that Rachel is from *malchut* thereof, the intention is not the
aspect of *malchut* called *atarah***,** i.e. *malchut* of *malchut*,

שֶׁהוּא סִפִּי' הַמְּלָכוֹת הַפְּרָטִי הַיּוֹתֵר אַחֲרוֹנָה שְׁבָה אֲשֶׁר שָׁם הוּא
שָׂרָשׁ מִנְּשָׂה בֶן יוֹסֵף כֵּן"ל אוֹת ב'

which is the final level of the individual *sefirah* of *malchut* within her, and is the
root of Menashe, Yosef's son, as we explained in subsection (b).

אֶלָּא הַכֹּנֶנֶה הוּא שֶׁהִיא פְּרֻצוֹף הַמְּלָכוֹת הָעוֹמֶדֶת בְּנֵה"י שְׁבָה

Rather the intention is the *partzuf* of *malchut* that is situated in *nh"y* (*netzach*,
hod, *yesod*) thereof of *malchut* (rather than *malchut* of *malchut*)

אֲשֶׁר מֵהַטְּבוֹר וּלְמַטָּה שְׁבָה וְכֵן"ל.

which extends from the navel and down within her, and as mentioned
previously.

שֶׁיִּשְׁנֵם בְּהַמְּלָכוֹת הַכָּלְלִי דְּאֲצִילוֹת כָּל הַפְּרֻצוֹפִים וְהִיא שָׂרָשׁ רָחֵל
אִמְנו פְּרֻצוֹף הַמְּלָכוֹת הַפְּרָטִי שְׁבָה הַמְּלָכוֹת הַכָּלְלִי

Now all the *partzufim* are in the macro *malchut* of Atzilut, and the root of
Rachel our Matriarch is in the individual or micro *partzuf* of *malchut* within the
macro *malchut*.

וְאוֹתוֹ פְּרֻצוֹף הַמְּלָכוֹת הַפְּרָטִי הוּא נִקְרָא בְּשֵׁם רָחֵל הַקְּטָנָה וְעֲלֶיהָ
נֶאֱמַר וְשֵׁם הַקְּטָנָה רָחֵל

And that individual-micro *partzuf* of *malchut* is called Rachel the younger one or the minor, regarding whom the verse (Genesis 29:16) states, “The name of the younger one was Rachel.”

אך פרצוף המלכות הפללי היא נקרא ג"כ בשם רחל והוא רחל
הפללי רחל הגדולה

But the *partzuf* of *malchut* on the macro level is also called Rachel – i.e. ‘macro’ Rachel or Rachel the elder,

והיא ה' אחרונה דהוי"ה הפללי שבאצילות שם אדנ"י הפללי
הנ"ל אות א'

which is the final letter *hei* of the macro-Havaya of Atzilut, and is the macro Name Ad-nai, as explained in subsection (a) above,

ועומד עקרה באצילות תמיד וכמו שידסדו ושכינת עזו בגבהי
מרומים

the primary aspect of which is always in Atzilut, as they the Men of the Great Assembly**³⁰ established in the *Aleinu* prayer: “and the abode (*shechinat*) of His majesty is in the loftiest heights.

אך רחל הפרטי הנה היא מתפשטת למטה ג"כ

But Rachel on the individual micro-level extends down below as well,

ועליה אמרו לעולם לא יזה שכינה מכתל מערב

and in regard to this they the Sages**³¹ declared that the *Shechinah* never departed from the *Kotel HaMa'aravi*** the Western Wall of the Temple.

והיא השרש דכל הי"ב שבטים הנ"ל אות ב'

And she is the root of all twelve tribes, as noted subsection (b) above,

והוא מה שאמרו בזוה"ק ויצא קנ"ט ב' שכינתא לתתא ושכינתא
לעלא ע"ש

and this is the significance of what the *Zohar Vayetze* 159b states:

‘There is a lower *Shechinah* and a higher *Shechinah*. See there.

ושניהם הם אחד כי הרי רחל הקטנה היא ג"כ רק ממנה עצמה
פרצוף פרטי אחד מפרטי הפרצופים שבה וכנ"ל

And both of them are actually one, since Rachel the younger or minor herself is also only one unit of the individual or micro *partzufim* within her *malchut*, as mentioned.

אך אותה רחל הקטנה שרש דהי"ב שבטים הוא אשר מתפשטת
למטה ג"כ ובישראל עצמן ושכנתי בתוכם כנ"ל

But the same Rachel the younger, the root of the 12 tribes, also extends below into the Jewish People themselves, as the verse (Exodus 25:8) states, “And I shall dwell among them,” as mentioned above.

משא"כ שאר כל הפרצופים העליונים שבה הם לעולם למעלה

This is not true of all the other supernal *partzufim* within her *malchut* – they always remain above.

וזהו שאמרו שכינתא לעילא שכינתא לתתא ועקרה הוא לעילא
וכנז':

This then is the significance of their statement ‘there is *Shechinah* above and there is *Shechinah* below, but the main aspect is above,’ as mentioned.

והרי נתבאר לנו עכ"פ מה שנוגע לעניינינו כי רחל ולאח נשי יעקב

In any event, we have explained that which is relevant to our subject – that Rachel and Leah, the wives of Yaakov,

הם באמת שתי אחיות גם משרשו והגם ששרש לאה היא מהבינה
אימא עלאה

are indeed two sisters even in their root, even though Leah's root is in *binah-Imma ila'ah* as explained above –

אך זהו רק בבחי' שרש השרשים הנעלם לבד

because this is only in the aspect of the hidden root of roots.

אבל גלוי מציאותה הוא ג"כ רק בהמלכות הכללי דאצילות

But in her revealed stated is only in the macro *malchut* of Atzilut,

כי שרש כל הנשמות נתגלו ונמצאו רק בה

since the root of all souls were revealed and are found only in her.

ולאח היא מהבינה שבה ורחל הוא מהרחל הפרטי שבה

And Leah is from *binah* in her in *malchut*, and Rachel is from the micro Rachel within her.

והרי הם שניהם מהמלכות הכללי רחל הכללי ויצאו בדור אחד

Thus both of them are from the macro level of *malchut*, macro Rachel, and both emerged in a single generation.

וכן היה יציאתם ממקום אחד שהוא מהיסוד ומלכות שבה

Similarly, they both emerged from one place – from within her *yesod* of *malchut*,

וְהוּא עֲצָמוֹ הַיְסוּד וּמַלְכוּת שֶׁבְּרַחֵל הַפְּרָטִי כִּי מִשָּׁם יוֹצְאִים כָּל
הַנְּשָׁמוֹת

which is itself the *yesod* of *malchut* of the micro Rachel, from whence all souls emerge.

וְאִ"כ הָרִי הֵם שְׁנֵי אֲחִיּוֹת בְּיָדָאִי.

Consequently, they are certainly sisters.

אָמְנָם שֶׁרֶשׁ כָּל הִי"ב שְׁבָטִים הֵם מִשְׁרָשִׁים כָּלֵם בְּרַחֵל הַפְּרָטִי

However, the root of all twelve tribes is in the micro-level Rachel,

כִּי שָׁם נִתְגַּלָּה מְצִיאוֹתָם וְכֵמוּ שִׁיתִּבְּאָר עוֹד לְמַטָּה:

since it is there that their existence is revealed, as will be explained further below.

5d — Rachel as the Primary *Partzuf* of *Malchut*; Its Revelation in Inner and Outer Dimensions

וְהִנֵּה מָה שֶׁנִּקְרָאת רַחֵל עֵקֶרֶת הַבֵּית עֵקֶרָה שֶׁל בֵּית וְכַנ"ל

Now the fact that Rachel is called *akeret habayit* the principal wife of Yaakov's household, and not her sister Leah who was also Yaakov's wife,

הוּא מְשׁוּם כִּי לֹאֶה הִיא רַק מִהֶאֱרַת הַבֵּינָה לְבֵד הַיּוֹצֵאת מֵאַחֲוֵי
הָרֹאשׁ בְּסוּד קֶשֶׁר שֶׁל תִּפְלִין

is because Leah is merely a radiance of *binah* that emerges from behind the head of *ze'ir anpin* – in the mystical secret of the knot of the head *tefillin* (phylactery).

אָבֵל רַחֵל הִיא מְכַל סָפִי' הַמַּלְכוּת כְּלָה שֶׁהִיא פְּרָצוּף גָּמוּר כַּנ"ל

Rachel however is the entire *sefirah* of *malchut*, which is a complete *partzuf* in its own right, called *nukvah*.

וְעוֹד מְשׁוּם שֶׁגַּם יְצִיאת נִשְׁמַת לֹאֶה הִיָּה ג"כ מִהַיְסוּד וּמַלְכוּת
דְּפְרָצוּף רַחֵל הַפְּרָטִי

Furthermore, even Leah's *neshama* (soul) is from *yesod* and *malchut* of the micro *partzuf* of Rachel –

כִּי מִשָּׁם הוּא יְצִיאת כָּל הַנְּשָׁמוֹת וְכַנ"ל וְעִי"ז הָרִי נִשְׁאָרָה הִיא
כְּלוּלָה בְּרַחֵל ג"כ

since all souls emerge from there, as explained above, and so she too is included in Rachel.

וגם יש טעם עוד כי משום שלאה היא מהבינה שהיא מהג"ר וכל הג"ר הם נסתרות וכמ"ש אליהו זל"ט

And there is yet another reason: because Leah is from *binah*, which is one of the first three *sefirot*, and all of those first three are regarded as concealed, as Eliyahu (may he be remembered for the good) stated,³²

ועקר הגלוי הוא רק בהז"ת שהם הזו"ן

whereas the primary revelation is only in the seven lower *sefirot*, comprising *ze'ir anpin* and *malchut*,

והם בסוד זה שמי זה זכרי שגם הז"א נתגלה רק ע"י המלכות which are the mystical secret of the verse (Exodus 3:15) “this is My Eternal Name and this how I am to be recalled for all generations” – for even *ze'ir anpin* is revealed only through *malchut*.

וכן נקרא לאה בזוה"ק בשם עלמא דאתבסיא משום שהיא מהבינה שהיא מהג"ר שהם נסתרות

And indeed in *Zohar* Leah is known as ‘the hidden world’³³, since she is from *binah* – one of the first three *sefirot* – which are concealed.

אבל רחל נקרא בזוה"ק בשם עלמא דאתגליא וכמ"ש בפ' ויצא קנ"ד ובכ"מ

But Rachel is called ‘the revealed world’ in *Zohar Vayetze* p. 154, and in a number of places.³⁴

משום שעקר גלוי ית"ש למטה הוא על ידה ומשום כ"ז הנה נקרא רחל עקרת הבית עקרא דביתא וכנ"ל:

This is because the primary revelation of the blessed Holy One below is through her *malchut* and for this reason Rachel is called the *akeret habayit* – the principal wife of the house.

אמנם מה שהיה צריך יעקב אבינו ע"ה לשא באמת את לאה ג"כ However, the reason that our Patriarch Yaakov had to marry Leah as well, even though Rachel was the *akeret habayit*,

וכן מה שנולדו עקר השבטים רק ממנה ומרחל לא נולדו רק ב' שבטים לבד

and indeed more of the Tribes were born to her than to any other of Yaakov's wives,³⁵ whereas Rachel gave birth to only two,

הגם שהיא עקרא דביתא וכל הי"ב שבטים הם משרשים בשרשה
העליון שהוא רחל הפרטי וכנ"ל וכמו שהערנו בזה לעיל

even though she Rachel is regarded as the *akeret habayit*, and all twelve Tribes
were rooted in her as the macro Rachel i.e. *malchut* as we noted.

וכן הרי ראינו באמת כי היתה תשוקת יעקב אבינו ע"ה על רחל
הרבה מאד

And we also see that in fact that Yaakov yearned greatly for Rachel,

עד שגם אחר מיתתה הסב מטתו באהל בלהה שפחתה ולא באהל
לאה

and even after her death he placed his bed in the tent of Bilhah, Rachel's
maidservant, and not in Leah's tent,

שהיא מהד' אמהות ושוכבת בחיקו לעולם במערת המכפלה

despite the fact that she Leah was one of the Matriarchs, and is interred right
next to him in the *Ma'arat haMachpelah* the Cave of the Patriarchs and Matriarchs
in Hebron.

וכן אהבתו ליוסף ובנימין היתה יותר מכל השבטים וכמ"ש ביוסף
וישראל אהב את יוסף מכל בניו

Furthermore, his love for Joseph and Benjamin was greater than his love for all
the other Tribes, as it states (Genesis 37:3) regarding Joseph, "and Israel loved
Yosef more than all his brothers..."

וכן בבנימין כתיב ואביו אהבו ונפשו קשורה בנפשו

and the same is true of Benjamin, as the verse states (Genesis 44:20), "and his
[Yaakov's] soul was bound to his [Benjamin's] soul.

והרי אהב אותם גם מלוי ויהודה אשר הם נטלו כתר כהנה
ומלכות

Thus he loved them more than even Levi and Yehuda who were granted the
crown of priesthood and the crown of royalty respectively.

וכן משה רבינו ע"ה שהוא שרש כל התורה הרי הוא מלוי

And also our blessed teacher Moshe, the root of the entire Torah, was from the
Tribe of Levi,

ויעקב אבינו ע"ה הרי הכל היתה גלוי וידוע לפניו וכמו שאמר ידעתי
בני

ידעתי

and all this was revealed and known to our Forefather Yaakov, as he said when Yosef questioned him about switching his hands when blessing his grandsons – putting his right hand on the head of the younger Ephraim, instead of on the head of the older boy Menashe – “I know, my son, I know” (Genesis 49:19).

וְכֹן כְּתִיב אִישׁ אֲשֶׁר כְּבָרְכָתוֹ בֵּרַךְ אֶתָם וְכַמ"ש רַשִׁי"ז לֹשֶׁן

And similarly, after Yaakov blessed all of his sons before his passing, the verse (Genesis 49:28) states, “He gave each one his own special blessing,” as Rashi explains in his commentary there where he explains that all of his sons were blessed with all of the blessings.

וְעַכ"ז הִנֵּה אָהֵב אֶת יוֹסֵף וּבִנְיָמִין יוֹתֵר מִכָּלֶם וּמִסֵּר נַפְשׁוֹ רַק עַל רָחֵל

And nevertheless, he Yaakov loved Yosef and Benjamin more than all of them, and he devoted himself completely only to Rachel.

הַגַּם שְׁלֹאָה הָיָה מִמְדֻרְגָּה יוֹתֵר גְּבוּהָ שֶׁהָרִי הִיא מֵהַג"ר אֲבֵל רָחֵל הָרִי הִיא רַק בְּנֵה"י

This is so even though Leah was of a higher spiritual level than Rachel, for she derived from the first three *sefirot*, whereas Rachel was merely from the last three, *netzach, hod, yesod*,

וְכִידּוּעַ בְּסוּד הַכְּתוּב "וְהִנֵּה בְּאֵר בְּשָׂדֶה וְהִנֵּה שָׁם שְׁלֹשָׁה עֲדָרֵי צֹאן רֹבְצִים עָלֶיהָ"

as is known from the verse (Genesis 29:2) “He [Yaakov] saw a well in a field, and three flocks of sheep were lying beside it...”

וְכַמ"ש בְּסִתְרֵי תוֹרָה וַיֵּצֵא קֵן"א ע"ב:

as the *Sitrei Torah Zohar I, Vayetze* p. 151b states.

אֲךָ הָעֲנִין בַּכ"ז הוּא כִּי הִנֵּה שָׁרֵשׁ רָחֵל שֶׁהִיא רָחֵל הַקְטָנָה שֶׁבְּאַצִּילוֹת

However, the deeper concept in all of this is that in the root of Rachel – the minor³⁶ Rachel in the World of Atzilut –

הִנֵּה יָסֵד בָּהּ הַמַּאֲצִיל ית"ש ב' בְּחִי' אֶחָד נִגְלָה וְאֶחָד נִסְתָּר וְהֵם ג"כ בְּחִי' הַחִיצוֹנִית וְהַפְּנִימִית שֶׁבָּהּ

in her the blessed Emanator invested two aspects, one revealed and the other hidden, and these are also her outward or superficial aspect and her inner aspect, respectively.

וּבְהַחִיצוֹנִית שֶׁהוּא הַנִּגְלָה שֶׁבָּהּ הִנֵּה הִיא לְמַטָּה מֵהַכֹּל וְהִיא מִתְפַּשֵּׁט בְּהֶאָרְתָּהּ

The outward aspect, the revealed one, is the lowest of all the aspects, and her radiance she spreads outward

וְיֵוֹרֶדֶת מִטָּה מִטָּה רַח"ל עַד שְׁאִין לְמִטָּה הַיְמָנָה

and descends below, to the very lowest level, may Heaven protect us, below which there is no lower level.³⁷

אָבֵל בְּבַחֲיָה הַפְּנִימִית שֶׁהוּא הַנֶּעְלָם שְׁבָהּ הִיא סִלְקַת וְעוֹלָה מֵעָלָה
מֵעָלָה

But her inner aspect, the hidden aspect within her, withdraws and ascends to the highest of levels,

עַד שְׁאִין לְמֵעָלָה הַיְמָנָה בְּכָל אֲצִילוֹת כֻּלּוֹ כִּי שֵׁם הוּא גְלוּיָו ית"ש
בְּכֻוֹנָתוֹ וּרְצוֹנוֹ בְּכָל בְּרִיאַת עוֹלָמוֹ

to the extent that there is no level higher than this in all of Atzilut, for it is there that His intention and will in creating His entire universe is revealed.

שֶׁהוּא לְמֶלֶךְ עַל כָּל הַמַּעֲשִׂים כִּי הִיא רִאשִׁית לְנִבְרָאִים שְׁמִמָּנָה
נִבְרָא הַכֹּל וְכַדִּי לְגִלּוֹת כְּבוֹד מַלְכוּתוֹ יִתְבָּרַךְ לְמִטָּה

And this intention and will is that He will be King over everything He made, for this level is the beginning of all creations, and from which everything was created, and in order to reveal the glory of His Kingship below.

וְכַמ"ש בְּהַקְדָּמַת תְּקוּנִים י"ב סע"ב שְׁכִינְתָּא תַּתָּא דְּאִיְהִי רִאשִׁית
לְנִבְרָאִים כּו' וּבִגְנָה אֶתְמַר מְגִיד מִרְאשִׁית אַחֲרִית

And as the Introduction to the *Tikunei Zohar* states p. 12b: The Lower *Shechinah* i.e. *malchut* is the beginning of created being... and through her 'the outcome is foretold from the beginning' as the verse (Isaiah 46:10) states,

כִּי הִיא סוֹף הַכֹּל הַמֵּתְגַלָּה וְנִמְשָׁךְ מִרְאשִׁית הַכֹּל וְסִלְקַת וְעוֹלָה עַד
הַמַּלְכוּת דֹּא"ס שֶׁהִיא גְלוּיָהּ וְכַ"ל אוֹת א'

for she is the final aspect of all, revealed and drawn down from the beginning of all, and she withdraws and ascends to *malchut* of *Ein Sof*, of which she *malchut* below is the revelation, as noted earlier in subsection (a).

אֲמָנָם הוּא כִּי הִנֵּה מַעַת הַחֲטָא דְּעַץ הַדַּעַת עַד הַתְּחִלַּת הַתְּקוּן
שֶׁהוּא בִּיאַת מְשִׁיחַ צִדְקָנוֹ

Nevertheless, it is indeed the case that from the time of the Sin of the Tree of Knowledge until the beginning of the Tikun, which is with the advent of our righteous *Mashiach* (the Messiah),

הנה נתעלם פנימיותה למטה הרבה מאוד עד שכמעט שאינה נכרת כלל

her inner dimension is heavily concealed down below, to the extent that it is not even recognized.

וכן גם למעלה באצילות נתעלם ג"כ ותלה ותולה גלויה שם לפי מעשה התחתונים

And even above, in Atzilut, it is also concealed, and the revelation thereof is dependent upon the actions of those down below.

וכשמתגלית באור פנימיותה הנה נראה יחודה למעלה והוא לפי ערך הגלוי

And when she *malchut* is revealed with her inner light her uniqueness above appears, and is commensurate with the degree of revelation –

כי כשמתגדל הגלוי נראה יחודה יותר למעלה וכשמתמעט נתעלם
for when the revelation increases, her uniqueness is revealed above to a greater extent, and when it is reduced then it becomes hidden.

והוא לפי ערך הגלוי דאור הפנימי שבה עד שלפעמים אינו נכר בה פנימיותה כלל

And this is all commensurate with the revelation of her inner light, to the extent that at times her inner dimensions are not recognized at all,

והיא למטה מכלם ובבחי' פרצוף בפנ"ע

and she appears to be on a rung below everything else, and a distinct *partzuf* – i.e. on her own, not as part of any other *partzuf*.

והוא הרהל הקטנה שאמרנו כי ע"י שנתעלם פנימיותה הנה היא נראה לפרצוף בפנ"ע בהמלכות גופה ולמטה מכלם.

Now this is Rachel the younger or minor that we mentioned, for by means of her inner dimension becoming concealed, she appears as an independent *partzuf* within *malchut* herself, and below all of them.

והנה מציאותה העקרית הרי היא ה' אחרונה דהוי"ה והיא מתפשט ומתגלה בשם אדנ"י

Now her *malchut*'s primary existence is as the final letter *hei* of the Name Havaye, which spreads forth and is revealed as the Name Ad-nai,

ור"ל מהשם הוי"ה הכללי שבהמלכות דאצילות

meaning to say, from the general Name Havaye in *malchut* of Atzilut.

כִּי כָּבֵד אֶמְרָנוּ שְׁבַהּ מַלְכוּת גּוֹפָה יֵשׁ בָּהּ כָּל הַפְּרָצוּפִים כָּלָם וְהִרִי
הִיא כּוֹלֵל הוּי"ה שְׁלֵמָה,

For we already noted that *malchut* herself contains all the *partzufim* and she includes a complete Name Havaye,

וְרַחֵל הַקְּטָנָה דְּעִנְיָנֵינוּ הוּא הָה' אַחֲרֹנָה שְׁבָהּ הַמִּתְגַּלָּה בְּשֵׁם
אֲדָנָי

and Rachel the younger, as far as the concept here is concerned, is the final letter *hei* thereof, that is revealed as the Name Ad-nai.

וְהִנֵּה הִיא יּוֹצֵאת מִהָה' רִאשׁוֹנָה שְׁבָהּ שֶׁהִיא בִּינָה אִימָא עֲלָאָה

Now she *malchut* in fact emerges from the first letter *hei* thereof i.e. of the Name Havaye, which is *binah*, the supernal *Imma*.

וְכִשְׁמִתְרָאָה בִּיחּוּדָהּ לְמַעַלָּה הִנֵּה מִתְיַחֲדֶת הָה' תִּתְאַה בְּהָה'
עֲלָאָה

And when she is revealed in her state of unity above, the lower *hei malchut* is unified with the upper *hei binah*

שֶׁהוּא מַלְכוּת בְּבִינָה רַחֵל בְּלָאָה וּבִסּוּד וְתִלְכָּנָה שְׁתִּיָּהֶם (רוּת א')

– i.e. *malchut* with *binah*, Rachel with Leah, according to the mystical explanation of “and the two of them Ruth and Naomi, *malchut* and *binah* went together until they came to Bethlehem” (Ruth 1:9),

וְכַמ"ש בְּתִקּוּנִים תִּקּוּן ס"ט קל"ג א' דְּבִקְדָּמִיתָא וְתִלְכָּנָה שְׁתִּיָּהֶן ה'
ה'

as the *Tikunim* states, *Tikun 69*, p. 133a: At first the two of them, the upper *hei* and the lower *hei* went together,

וּבִתְרָ דְּאִסְתַּלַּק ה' עֲלָאָה אֲשֶׁתְּאַרְתָּה' תִּתְאַה בְּתִרָאָה (ר"ל רַחֵל
הַקְּטָנָה וּז"ש תִּתְאַה בְּתִרָאָה) יַחֲדָה, אִיכָּה יִשְׁבָּה בְּדָד ע"ש

and after the upper *hei* was withdrawn above, the lower *hei* (i.e. Rachel the younger, which is why we call it the lower and the latter) remained alone, regarding which the verse (Lamentations 1:1) states, “Alas, she sits in solitude.”

וְכִן שֵׁם בְּתִקּוּן ל"א וְתִלְכָּנָה שְׁתִּיָּהֶם בְּשִׁכְנִיתָא עֲלָאָה וְתִתְאַה

And also in *Tikun 31* the same idea is presented: “and the two of them – the upper and the lower *Shechinah* – went together.

וְכִן שֵׁם בְּהַקְדָּמַת תִּקּוּנִים י"א סע"א דְּתִרֵי הֵה"י כְּחֻדָּא אֶנוּן אַחֲיוֹת

And the same idea is also presented in the Introduction to the *Tikunim* p. 11a – that the two *hei*'s are like one, like sisters.

וְהָרִי לָנוּ עַכְפ"פ כִּי כְשֶׁמִּתְגַּלֶּה אֹר הַיְחוד הֵנָּה מִתְיַחֲדִים הֵב' הֵהי"ן
זב"ז

Thus we have it that in any event, when the light of unity is revealed then the two *hei's* unite one with the other,

וְנַעֲשִׂים בִּינָה וּמַלְכוּת לָאָה וְרַחֵל לְחַד
and *binah* and *malchut*, Leah and Rachel, become one.

וְכֵן מִתְיַחֲדִים אָבָא וּז"א הָאוֹתִיּוֹת י' ו' לְחַד וּמִתְיַחֲדִים י' ו' עִם ה' ה' ה'
וְנַעֲשִׂים כָּלֶם אֶחָד.

In addition, Abba and Ze'ir Anpin unite, so that the letters *yud* and *vav* of the Name Havaye become one, and the letters *yud* and *vav* combine with the *hei*, *hei* becoming one Name.

וְכֵן אָמַר הָאַרִיזָ"ל בְּשֵׁעַר הַכְּלָלִים פ' י"ג כִּי לָאָה וְרַחֵל נִכְלָלִים
לְפַעֲמִים לְחַד וְנִכְלָלָת לָאָה בְּרַחֵל

And this is what the Arizal said in *Sha'ar haKlalim* ch. 13 – that sometimes Leah and Rachel become merged into one, so that Leah is integrated within Rachel,

כִּי רַחֵל הִיא הָעֵקֶר שֶׁבָּהּ הוּא הַגְּלוּי הָעֵקֶרִי כִּנ"ל וְהוּא ג' כ"ע פ'
מ"ש הָרַב בְּמִבּוֹא שְׁעָרִים שֶׁעַר ו' ח"א פ"ד

since Rachel is the primary aspect, because in her is the primary revelation, as mentioned above. And this also accords with what the Master the Arizal said in *Mevo Sha'arim, Sha'ar* 6 (1:4) –

כִּי שֶׁרֶשׁ לָאָה הוּא בְּדַעַת וְשֶׁרֶשׁ רַחֵל הוּא בַת"ת וְלָכֵן נִכְלָלָת לָאָה
בְּרַחֵל כִּי דַעַת הוּא מְלָגָא וְת"ת מְלַבֵּר שֶׁהַדַּעַת הוּא הַפְּנִימִית דַּת"ת
that the root of Leah is also in *da'at*, and the root of Rachel is in *tiferet*, and this is why Leah is integrated into Rachel, since *da'at* is within, while *tiferet* is the posterior aspect,³⁸ for *da'at* is the inner dimension of *tiferet*.

וְע' עוֹד בְּמַחֲנִין דְּצֻלָּם פ"ד כִּי כָל לָאָה הוּא בְּחִי' כְּתֵר דְּרַחֵל

See further in *Etz Chaim, Mochin d'Tzelem* ch. 4 – that the *partzuf* of Leah in her entirety is the aspect of *keter* of the *partzuf* of Rachel. This is why the primary *partzuf* is Rachel, not Leah.³⁹

וְהָרִי לָנוּ מִכ"ז כִּי בְּשֶׁרֶשָׁם שְׁלֹמַעְלָה הֵנָּה פְּנִימִיּוֹתָם אֶחָד וְכֵן הִיא
רְאוּי שִׁיְהִיּוּ לְמַטָּה ג' כ"

Thus, from all the above, we have it that in their root above their inner aspect is one, and this is the way it should have been below as well,

רָחֵל וְלֵאָה לְמִצִּיאוֹת אַחַת וְהָיָה צָרִיךְ שֶׁתְּכַלֵּל לֵאָה בְּרָחֵל וְלִהְיוֹת
לְמִצִּיאוֹת אֶדָם אֶחָד

that Rachel and Leah should have been a single unit, and Leah should have been included in Rachel, forming a single entity.

וְמָה שֶׁנִּחְלָקוּ לְשָׁנִים הֵנָּה הוּא רַק מִסִּבַּת הַחֲטָא דְּעַץ הַדַּעַת וְחֹסֶר
עִי"ז תְּקוּן הָרֶבֶה גַּם בְּאַצִּילוֹת

But the fact that they are divided into two aspects is only because of the sin of the Tree of Knowledge, and therefore even in Atzilut a lot of the *tikun* is lacking,

וכמ"ש בְּתַנְחוּמָא ס"פ תַּצָּא וְכֵן בִּפְס"ר פְּסָקָא י"ב

as it states in Midrash Tanchuma, end of *parshat Teitzei*, and also in *Pesikta Rabbati* para. 12 –

שְׁאִין הַשֵּׁם שָׁלֵם וְאִין הַכֶּסֶּא שָׁלֵם עַד שֶׁנֶּעְקַר זֵרְעוֹ שֶׁל עֲמֶלֶק
וַיִּתְּבֹטֵל הָרַע מִכָּל וְכֹל

that the Name is incomplete and the Throne is incomplete until the seed of Amalek will be uprooted and evil will be nullified completely.

וְהָרִי חֹסֶר עֲתָה הַיְחִיד הָרָאוּי בְּאַצִּילוֹת ג"כ

Thus the proper *yichud* is lacking in Atzilut as well,

וְעוֹמְדִים שָׁם לֵאָה וְרָחֵל בְּבַחֲי' ב' פְּרָצוּפִים וְכֵן נִחְלָקוּ לְמַטָּה לְשָׁנִים
and Leah and Rachel remain there as two *partzufim*, and they are divided down below as well.

וכ"ז הוּא מִחֲמַת חֲסָרוֹן דְּהִתְקוּן וְהֵנָּה עֶקֶר הַחֲסָרוֹן הוּא בְּרָחֵל
הַקְטָנָה שְׂכִינְתָּא תַּתָּא

All of this is due to something missing from the *tikun*, and the primary deficiency is in Rachel the younger, the lower aspect of the *Shechinah*.

כִּי מִשּׁוּם שֶׁהִיא מִתְפַּשֵּׁט לְמַטָּה ג"כ לָכֵן מִגִּיעַ עֶקֶר פָּגַם מַעֲשֵׂה
הַתַּחְתּוֹנִים רַק אֵלֶיהָ

And because she extends down below as well, therefore the blemish caused by those below effects only her,

אֲלֹא שֶׁמִּמֶּלֶא מִגִּיעַ הַחֲסָרוֹן בְּהַיְחִיד לְמַעְלָה ג"כ וְכִמוֹ שֶׁאָמְרוּ בִּפ'
וַיֵּצֵא קִנ"ט ע"ב

but automatically the deficiency reaches the *yichud* above as well, as stated in *Zohar I, Veyetze 159b*

כִּי בְּאֲשֶׁר לֹא אֶתְתַּקְנָת שְׂכִינְתָּא לְתַתָּא לְעֵלָא נָמִי לֹא אֶתְתַּקְנָת

that when the *Shechinah* is not rectified down below, it is also not rectified above.

וְלָכוּ הִנֵּה נֶצְרָךְ עֶקֶר הַתְּקוּן וְרַק בָּהּ שֶׁהוּא בְּשִׁכְיִנְתָּא דְלִתְתָּא שֶׁהִיא שְׂרֵשׁ רַחֵל אִם יִשְׂרָאֵל.

Therefore the primary *tikun* is necessary only in her, the lower *Shechinah*, which is the root of Rachel, the Mother of Israel.

וְהָרִי לָנוּ מִכ"ז כִּי בָאָם שֶׁהָיָה הָעוֹלָם עַל תְּקוּנָהּ וְהָיָה מֵאִיר וּמִתְגַּלָּה אוֹר הַפְּנִימִי דְפָרְצוּף רַחֵל לְמַעַלָּה

What we have from all of this is that if the world was already rectified, so that the inner light of the *partzuf* of Rachel above would shine forth and be revealed, לֹא הָיְתָה רַחֵל הַקְּטָנָה בְּבַחֲי' פָּרְצוּף בִּפְנֵי"ע כָּלֵל כִּי הָיְתָה מִתְעַלָּה וְנִמְשָׁכֶת עַד לְמַעַלָּה

then the younger Rachel would not have been a distinct *partzuf* at all, for she would have ascended and been drawn up above,

וְהָיָה הִיא וְלֵאָה לְפָרְצוּף אֶחָד שֶׁהָיְתָה לֵאָה כְּלוּלָה בְּרַחֵל

and she and Leah would have been one *partzuf*, for Leah would have been integrated into Rachel.

וְכֵן הָיוּ שְׁנֵיהֶם לְמַטָּה לְגוּף אֶחָד ג"כ שֶׁהוּא רַחֵל לְבַד וּמִמָּנָה הָיָה יוֹצֵאִים כָּל הִי"ב שְׁבָטִים כָּלֵן

Similarly, the two of them down below would also have been a single entity, that of Rachel alone, and from her all twelve tribes would have emerged.

וְלָכוּ הָיָה תְּשׁוּקַת יַעֲקֹב אֲבִינוּ ע"ה רַק עָלֶיהָ כִּי בָהּ תָּלוּי כָּל הַתְּקוּן כָּלֵן

Therefore it was our Patriarch Yaakov's desire for her alone, since the entire *tikun* depended on her exclusively,

כִּי הִיא הַמִּתְפַּשֵּׁט לְמַטָּה וּמִנְהֻגָּת אֶת כָּל הָעוֹלָמוֹת בִּי"ע כַּנ"ל

because she extends below and conducts all the worlds of Beriah, Yetzirah and Asiyah, as mentioned above.

וּבָאָם שֶׁהָיָה כֵּךְ הָיָה מִתְתַּקֵּן הָעוֹלָם מֵאִז וּלְהֵלָאָה בְּכָל הָרָאוּי

And if it were actually that way the world would be rectified from that point on as is fully fitting.

וְלָכוּ לֹא רָצָה מִתְחַלָּה רַק אֶת רַחֵל לְבַד

It was for this reason that he Yaakov wanted only Rachel as his wife.

אך כשראה שנתן לו גם את לאה וילדה לו בנים הבין כי נתפרדה
החבילה ולא הגיע עדיו העולם לתקונה כלל

But when he saw that Leah had also been given to him, and she gave
birth to sons, he understood that the 'package had unraveled' and that the
world had not yet reached its *tikun*,

כי עדיו לא אתפקנת שכינתא תתאה שרש רחל למעלה להתגלה
בה אור היחוד

since the lower *Shechinah*, which is the root of Rachel above, is as yet not
rectified or set up for the light of unity to illuminate her,

ונפרדו לאה ורחל לשנים ולכן היה מכרח לקח את שניהם כדי
שיתיחדו שניהם בת"ת עכ"פ

and Leah and Rachel separated into two different *partzufim* and therefore it was
necessary to take both of them in marriage, so that both of them could unite at
least in *tiferet* represented by Yaakov.

ומשום שמשרשם הם אחד בנז' והנה היה מיצר על זה מאד

And since from their root they Leah and Rachel are one, as mentioned, he was
very distressed about this split into two,

והיה מתעסק כל ימיו לתקן את פרצוף רחל למעלה כי בה תלוי כל
התקון בנז'

and he occupied himself all of his days with rectifying the *partzuf* of Rachel, for
the entire *tikun* is dependent upon her, as mentioned,

ולכן היה תשוקתו תמיד רק עליה ועל בניה וכמו שיתבאר עוד
למטה:

and therefore his desire was always only for her and her sons, as will be
explained further below.

5e — The Revelation of Malchut via the Name Ad-nai

ונבאר הענין ביתר באור

Let's elucidate this concept more:

כי הרי אמרנו ונדע הוא שהמלכות הכללי דאצילות שהיא רחל
הכללי

We said earlier and it is known that the macro-malchut of Atzilut, which is the
macro-Rachel,

הנה היא האות ה' האחרונה דהשם הוי"ה הכללי דאצילות

is the last letter *hei* of the macro Name Havaye of Atzilut.

וּלְצַרֵּךְ הַמְצִיאוֹת דְּהַעוֹלָמוֹת בִּי"ע הִנֵּה נִתְגַּלָּה בָּהּ בְּהַגְלוֹי דְּשֵׁם
אֲדָנִי וְכֵן "ל אוֹת א'

And for the sake of the existence of the Worlds of BiY" A it becomes revealed in the revelation of the Name Ad-nai, as we explained above in subsection (a)

וְהִנֵּה הִיא כֻּלָּה פָּרְצוּף אַחַת הַכְּלוּלָה מִכָּל הַפְּרָצוּפִים הָעֲלִיוֹנִים
כֻּלָּם א"א או"א זו"ן

Thus she *malchut* is a single *partzuf* that includes all the supernal *partzufim* – Arich Anpin, Abba and Imma, Ze'ir Anpin and Malchut.

וַיֵּשׁ בָּהּ גּוּפָה ג' כ כל אור דְּהַשֵּׁם הוּי"ה כָּל

And in the *partzuf* of *malchut* herself is also all the light of the Name Havaye,

שֶׁהִיא כְּלוּלָה מִכָּל הָעֲלִיוֹנִים וְנִתְצַמֵּצַם וְנִתְגַּלָּה בָּהּ הַשָּׂרָשִׁים דְּכָל
הָעוֹלָמוֹת בִּי"ע. וְהוּא בְּהַגְלוֹי דְּשֵׁם אֲדָנִי שְׁבָה

for she comprises all of the supernal levels, and condensed⁴⁰ and revealed within her are the roots of all the worlds of BiY" A – with the revelation of the Name Ad-nai within her.

וְאִם הֵיוּ הָעוֹלָמוֹת בִּי"ע כְּתִקּוּנָן הָיוּ כֻּלָּם דְּבוּקִים וּמִיחָדִים כָּכָל
פְּרָצוּפָה כֻּלָּה

And if the worlds of BiY" A were in their proper alignment, all of them would cohere and be united with her entire *partzuf*,

כִּי עוֹלָם הַבְּרִיאָה הוּא מְאוּר הַג' ר שְׁבָה וְהִצִּירָה מְאוּר הַז' א שְׁבָה
וְהַעֲשִׂיהָ מִהֶנְקָבָא שְׁבָה

for the World of Beriah is from the light of her first three *sefirot*, Yetzirah is from the light of the six *sefirot* of her *ze'ir anpin*, and Asiyah is from her *nukvah*.

וְהָיוּ כֻּלָּם מִיחָדִים זב"ז וְכֻלָּם בָּהּ וְהִיא ה' לְמַלְךְ עַל כָּל הָאָרֶץ

Now if the worlds of BiY" A were in their proper alignment, all would unify one with the other, and all of them with her the *partzuf* of *malchut*, and “God would be King over all the earth” (as the verse in Zachariah 14:9 states),

כִּי מַלְכוּת הַכְּלָלִי שֶׁהִיא מַלְכוּת שְׁמִים מְלָכוֹת דַּז"א הַכְּלָלִי שֶׁהוּא
אַצִּילוֹת הַכְּלָלִי

for macro-*malchut*, which is the Kingdom of Heaven, the *malchut* of macro-*ze'ir anpin*, which is the Atzilut on the macro scale,

הָיָה מְאִיר וּמִתְגַּלֶּה בְּכָל הָעוֹלָמוֹת בִּי"ע וְהָיָה נִשְׁגָּב ה' לְבִדּוֹ גַּם עַד
סוֹף הָעֲשִׂיָּה כְּלָה.

would have illuminated and become revealed in all the worlds of BiY”A, so that the situation would have been “His Name alone is exalted” (Psalms 148:8) even to the end of the world of Asiyah.

וכ"ז הָיָה בְּכָל מַעֲשֵׂה בְּרָאשִׁית עַד הַחֲטָא דְּעֵץ הַדַּעַת.

Indeed this was so throughout the work of Creation – until the sin of the Tree of Knowledge.

What follows is a complex analysis of certain highly esoteric concepts in Kabbalah.

וְהִנֵּה הָיָה בְּרִיאַת הָעוֹלָמוֹת כְּלָם בְּהָאוֹתֵיּוֹת ד' נ' מְאֻדָּנִי

Now the creation of all the worlds was with the letters *dalet, nun* from the Name Ad-nai.

שֶׁהֵם כְּלָלוֹת הַנ"ד צְרוּפֵי הַנְּיוֹת מֵהַע"ב צְרוּפִים הַיּוֹצְאִים מֵהֶשֶׁם
ע"ב דְּאֲצִילוֹת הַמְרָמָז בְּאוֹת י' דְּאֻדָּנִי

These are the collection of fifty-four of the seventy-two permutations of the Name Havaye that emerge from the Name of 72 of Atzilut, alluded to by the letter *yud* of Ad-nai.⁴¹

This is the seventy-two letter Name formed by combining the 72 letters of each of three consecutive verses in Exodus 14:19-21 into three-letter blocks in the following manner: the first letter of the first verse, the last letter of the second verse and the first letter of the third verse make the first block. Then the second, second-last and second letters of the three verses form the second block and so on.

כִּי הִי"ח צְרוּפִים הָרְאוּשׁוֹנִים הֵם בְּאֲצִילוֹת וְהוּא סוֹד מֵאֻמָּרָם ז"ל
עב"ז ג' ע"ב

The first eighteen permutations are in Atzilut, and are the mystical interpretation of the statement of our Sages in Tractate *Avoda Zara* 3b

שֶׁהֵקֵב ה' רוֹכֵב עַל כְּרוֹב קַל שְׁלוֹ וְשֵׁט בִּי"ח אֲלָפִים עוֹלָמוֹת בְּכָל
לַיְלָה

that ‘the Holy One blessed is He rides on His nimble cherub (*keruv*), and flits through 18,000 worlds every night.’

כִּי בְּרִיאַת הָעוֹלָמוֹת בִּי"ע הָיָה בִּהִי"ב שָׁעוֹת שְׁבַע יוֹם (כַּמ"ש ב"ר
פ' י"ד ס' י"ד)

For the creation of the worlds of BiY”A took place in the twelve daylight hours of each of the six days of Creation (as Midrash *Bereishit Rabba* 14:14 states).

וְהֵם ע"ב שְׁעוֹת דְּשֶׁשֶׁת יָמֵי בְּרֵאשִׁית כִּי הֵם מְשֻׁם ע"ב וכמ"ש עוֹלָם
חֶסֶד יִבְנֶה

These are the seventy-two hours total of the daylight hours of the six days of Creation, for they derive from the Name of 72, as the verse (Psalms 89:3) states⁴² “the world is built with kindness.”⁴³ The numerical value of *chesed* (‘kindness’) is also 72, and is thus associated with the Name of 72.

וכמ"ש רַבִּינוּ בְּחַיִּי פ' תְּצַוֶּה בַּפֶּסוּק וְעָשִׂיתָ חֶשֶׁן מִשְׁפָּט

This is as Rabbeinu Bechaye writes in *parashat Tetzaveh*, on the verse (Exodus 28:15), “You shall make a breastplate of judgment...”

וְכֵן מְחַדֵּשׁ הַקֵּב"ה בְּטוֹבוֹ בְּכָל יוֹם תָּמִיד מֵע"ב ג"כ בִּי"ב שְׁעוֹת הַיּוֹם

And indeed the blessed Holy One in His munificence renews the work of Creation every day, constantly, during the twelve hours of the day.

וכ"ז הוּא בְּעוֹלָמוֹת בִּי"ע שֶׁהֵם נִבְרָאוּ וְנוֹצְרוּ וְנִעָשׂוּ מֵהֵנ"ד צְרוּפִים

Now all of this is in regard to the worlds of BiY”A, which are created, formed and made – these terms correspond to the three lower worlds Beriah, Yetzirah and Asiyah, and in that order – from the aforementioned 54 permutations,

כָּל עוֹלָם מִי"ח צְרוּפִים וְהֵם נ"ד צְרוּפִים הַפּוֹעֲלִים בַּיּוֹם

thus each world comprises 18 permutations, and together these are the 54 permutations that are active during the day.

אֲךָ בַּלַּיְלָה הוּא מְתִיחַד בְּאַצִּילוֹת שֶׁהוּא בִּהִי"ח צְרוּפִים הָרֵאשׁוֹנִים

But at night He is unified with Atzilut, in the first 18 permutations,

וְהֵם הִי"ח אֲלָפִים עוֹלָמוֹת אֲשֶׁר שָׁט בָּהֶם עַל כְּרוֹב קַל שֶׁהוּא סוֹד
הַמַּלְכוּת

and these are the 18,000 worlds through which He flits upon His nimble cherub – this is the mystical secret of *malchut*,

כִּי הַזֶּה"ן הֵם סוֹד הַכְּרוּבִים וְכִמ"ש בְּרַע"מ פִּנְחָס רנ"ה ב'

because *zei'r anpin* and *nukvah* are the mystical secret of the cherubs (*keruvim*), as stated in *Zohar III, Pinchas* p. 255b in *Raya Mehemna*.

וְהַמַּלְכוּת הִיא כְּרוֹב קַל וּבִסּוֹד דַּעְתּוֹ שֶׁל נָשִׁים קִלָּה כִּמ"ש בְּזוֹה"ק
שֶׁלַח ק"ע ע"א וְע"ש קס"ב א' וּבִדְבָרֵי הַגָּר"א שָׁם.

And *malchut* (i.e. *nukvah*) is the ‘nimble cherub’ according to the mystical secret of ‘feminine deliberative skills are relatively ethereal’⁴⁴ as *Zohar III, Shelach* p. 170a states. See also ad loc. p. 162a and the words of the GR”A there.

וְכֹן אֵלֹו הִי"ח אֲלָפִים עוֹלָמוֹת הֵם מְסוּד הִי"ח מְשַׁחֲתִין שְׁבִהוּי"ה
דְּעִינִין

These 18,000 worlds are also the mystical secret of the 18 lines between the 'eyes' of 'Havaye of the Eyes' as will be explained below.

'Havaye of the eyes' is a concept found in *Tikunei Zohar* p. 126 and in *Etz Chaim, Sha'ar Hanekudot* ch. 1 according to the mystical explanation of the verse in Ezekiel's vision of the Divine 'Chariot': "Their backs were full of eyes surrounding the four of them" (Ezekiel 1:18). The Arizal explains that the phrase 'the four of them' alludes to the four letters of the Name Havaye manifested as 24 points of light (looking like eyes) connected by 18 lines between the points of light, forming the letters of the Name. Each point is also adorned with three spikes (like eyelashes). These all represent a certain manifestation of Godly light or energy on a very lofty level.

שֵׁשׁ בּוֹ ע"ב תְּגִין וּכ"ד עֵינִין [בְּכָל עֵין ג' תְּגִין נֶגֶד הַג' גְּלוּיִם
הָרָאוֹנוֹנִים שְׁלֹמֶעֱלָה מְאַצִּילוֹת וְהָאֲצִילוֹת תְּלוּי בָהֶם כִּנ"ל שֶׁעַד ד'
פ' ג' ד']

Thus there are 72 spikes, 24 eyes [since each eye has three thorns, corresponding to the first three levels of revelation beyond Atzilut, and upon which Atzilut depends, as mentioned earlier in *Sha'ar* 4 chaps 3 & 4]

וִי"ח מְשַׁחֲתִין שֶׁהֵם הַקּוּי אֲשֶׁר בֵּין עֵין לָעֵין (וְע' בְּרַע"מ פִּנְחָס רכ"ט
(א

and 18 lines between the eyes connecting them together (see *Raya Mehemna, Pinchas* 229a).

וּבַהֲכ"ד עֵינִין שֵׁם הוּא רִמּוֹז הַכ"ד צְרוּפִים דְּהִשָּׁם אֲדָנִי,

And the 24 'eyes' there allude to the 24 permutations of the Name Ad-nai,

וְהַג' תְּגִין שְׁבִכָּל עֵין וְהֵם ע"ב תְּגִין שֵׁם הוּא רִמּוֹז הַע"ב צְרוּפֵי הוּי"ה
אֲשֶׁר כ"א בַּג' אוֹתִיּוֹת.

while the three spikes that adorn each eye, forming the 72 spikes there, allude to the 72 block-permutations of the Name Havaye where each block has three letters formed by combining the 72 letters of each of three consecutive verses in Exodus 14:19-21, as explained above.

ע' בַּתִּז"ח ט"ו א' וּבְהַקְדָּמַת תְּקוּנִים לְהַגֵּר"א ט' סע"ב.

See *Tikunei Zohar Chadash* 15a, and in the GRA's Introduction to the *Tikunei Zohar*, p. 9b.

וְכֹן רָמוּז בְּהֵג' תְּגִין הֵג' פְּעָמִים ח"י צְרוּפִים שֶׁהֵם נ"ד צְרוּפִים
שֶׁבְּהֶאֱוִיתִי ד' נ' מֵאֲדָנִי

Also alluded to by those three spikes are the $3 \times 18 = 54$ permutations that are represented by the letters *nun* and *dalet* of the Name Ad-nai

אֲשֶׁר בָּהֶם גִּבְרָאוּ הֵג' עוֹלָמוֹת בִּי"ע, ח"י צְרוּפִים לְכָל עוֹלָם וְהוּא
סוֹד חֵי הָעוֹלָמִים

by means of which the three worlds of BiY" A – 18 permutations for each world, and this is the mystical secret of the last two words of the *Baruch Sh'amar* prayer: 'Life of the worlds,'

כִּי אֱלוֹ הַח"י צְרוּפִים הֵם הַקִּיּוֹם וְהַחַיּוּת דְּכָל עוֹלָם.

since these 18 permutations are what sustain the continued existence and vitality of every world (of the three worlds of BiY" A).

וַיֵּמְאֵלוּ הַח"י צְרוּפִים שֶׁבְּכָל עוֹלָם הוּא מָה שֶׁאֲמָרוּ רז"ל בְּסֻפָּה מ"ה
ע"ב וְכֹן בְּסִנְהֶדְרִין צ"ז ב'

And regarding these 18 permutations in each of those worlds the Sages declared in Tractates *Succah* 45b and *Sanhedrin* 97b,

דָּרָא דְקָמִי קוּדְשָׁא בְּרִיךְ הוּא תִּמְנִי סְרִי אֶלְפֵי הוּהָ.

that there are eighteen thousand righteous individuals in a row before the Holy One, Blessed is He...

וכ"ז הוּא בְּהֶאֱוִיתִי ד' נ' מֵאֲדָנִי שֶׁהוּא אוֹרָה וְשִׁפְעָה הַמְתַּפְּשֵׁט
בְּהָעוֹלָמוֹת בִּי"ע

And all of this is with the letters *dalet* and *nun* of Ad-nai, which represent the illumination and existence-sustaining flow that spreads into the worlds of BiY" A.

אֲךְ הָאוֹתִיּוֹת א' י' דְּאֲדָנִי הוּא עַל קִשּׁוּרָה וְתִלְיָתָהּ לְמַעַלָּה

But the letters *alef* and *yud* of Ad-nai represent the connection to and dependence upon that which is superior –

כִּי הָא' שֶׁבָּהּ הוּא קִשּׁוּרָה בְּהֶשֶׁם אֶהְיֶה שֶׁבִּפְתָּר וּבְאוֹר דא"ס שְׁבוּ
וכמ"ש בְּרַע"מ פ' בָּא מ"ב ב' ופ' פִּנְחָס רנ"ח סע"א

since the *alef* thereof is attached to the Name *E-hyeh* of *keter*, and to the *Ohr Ein Sof* therein, as it states in *Zohar II* in *Raya Mehemna*, Bo p. 42b, and in *Zohar III*, *Pinchas* p. 258a.

כִּי הַמַּלְכוּת דְּאֶצִּילוֹת הִיא מְגִיעָה בְּאוֹר א"ס מִמֶּשׁ שֶׁהוּא בְּהַמְלָכוֹת
דא"ס

This is because *malchut* of Atzilut ‘touches’ the *Ohr Ein Sof* so to speak**, i.e. the *malchut* of *Ohr Ein Sof***

כִּי סוּף מַעֲשֶׂה הוּא בְּמַחְשָׁבָה תַּחֲלָה וְשֵׁם מַלְכוּת אַחַד הוּא

since ‘that which was last in creation, was first in thought’⁴⁵ and there in thought *malchut* is unified,

וְכָל הַגְּלוּי דְּהַמְלָכוֹת דִּא"ס הוּא רַק בְּשִׁבְיָה כְּדִי שְׁתַּתְּגַּלָּה הִיא

and the entire revelation of *malchut* of *Ein Sof* is exclusively for her sake, that she could become revealed down below.

וְלִכְךָ נֶאֱצַל כָּל הָאֲצִילוֹת כְּלוּ בְּשִׁבְיָה הַמְלָכוֹת כְּדִי לְמַלְךְ עַל כָּל
הַמַּעֲשִׂים

And therefore the entire Atzilut was emanated – for the sake of *malchut* – in order that God**’s kingship extend over all** His works.⁴⁶

וְזֶהוּ מֵה שֶׁנִּקְרָא הַמְלָכוֹת בְּשֵׁם אֱמוּנָה וְכַמ"ש בַּפ' בְּלָק קצ"ח ע"ב

It is for this reason that *malchut* is called *emunah* – faith – as the *Zohar III, Balak* p. 198b states,

כִּי הִיא אֱמוּנַת יִשְׂרָאֵל כִּי אָנוּ מֵאֲמִינִים שֶׁה' מֶלֶךְ עוֹלָם וְעַד וְהוּא
לְבַדּוֹ עָשָׂה וְעוֹשֶׂה וְיַעֲשֶׂה לְכָל הַמַּעֲשִׂים

because she is the faith of Israel, since we believe that God is the eternal King, and He alone made, makes and will make all things.

וְלָכוּ בְּעֵת הַתְּקוּן כְּשִׁיתְּדַע מַלְכוּתוֹ יִתְבָּרַךְ בְּכָל הָעוֹלָם כְּלוּ וְהוּא
לְבַדּוֹ יִמְלֹךְ נוֹרָא

Therefore, at the time of the *Tikun* [i.e. when the *Tikun* will have been completed], when His blessed kingship will be recognized throughout the entire world, and He alone will rule in His awesome majesty.

אֲזִי תִתְּפֹשֵׁט אוֹר הַמְלָכוֹת וְתִתְּיַחַד מִתַּתָּא לְעֵלָא וּמִעֵלָא לְתַתָּא

Then the light of *malchut* will unify from bottom to top and from top to bottom,

וְתִתְּעַלָּה הִיא לְמַעְלָה מִהַכָּל שֶׁהוּא עַד הַמְלָכוֹת דִּא"ס ית"ש

and she *malchut* will ascend higher than all of them – to *malchut* of the blessed *Ein Sof*.

וכ"ז הוּא הוֹרָאֵת דָּאוֹת א' דִּאֲדָנִי

All of the above is what the letter *alef* of Ad-nai indicates⁴⁷

שֶׁהוּא אָל"ף פְּלֵא מְפֵלֵא וּמַכְסֵּה

for it is *alef, pele, mufla* – all of these are permutations or conjugations of the three letters *alef, lamed, peh* – meaning that the *alef* is wondrous⁴⁸ (*pele*), secluded (*mufla*) due to its loftiness and is concealed,⁴⁹

וְהוּא מוֹרָה עַל אוֹר פְּנִימִיּוּתָהּ שֶׁעוֹלָה לְמַעְלָה לְמַעְלָה.

and it is indicative of the light of her inner core that ascends to the loftiest heights.

וְהָאוֹת י' דֹּאֲדָנִי הוּא הָאוֹר דֶּה־שֵׁם הוּי"ה ב"ה הַשּׁוֹכֵן בָּהּ לְעוֹלָם וְה' בְּהִיכֵל קֹדֶשׁ

Now the letter *yud* of Ad-nai is the light of the blessed Name Havaye that dwells within her forever, as the verse (Habbakuk 2:20) states, “And Havaye is in His holy Sanctuary” – the ‘Sanctuary’ here alluding to the Name Ad-nai, and the *sefirah* of *malchut*,

זֶה שְׁמִי וְזֶה זְכָרִי

and as the verse (Exodus 3:15) states: “This is My Name...” referring to the Name Havaye, “and this is My remembrance...” referring to the Name Ad-nai.

וְהוּא כָּלֵל כָּל הָאֲצִילוֹת כָּלוּ הַנִּכְלָל בָּהּ כִּי נִכְלָל הוּי"ה בְּאֲדָנִי יֵי
יֵי אֵהָדוּנָה

And this is the overarching principle operating throughout Atzilut in which all of the above is included: that Havaye is included within Ad-nai forming the composite Name יֵי אֵהָדוּנָה starting with the *yud* of Havaye, followed by the *alef* of Ad-nai; followed by the *hei* of Havaye and the *dalet* of Ad-nai etc. interweaving the two Names into one.

וּבְזֶה הוֹצִיא וְהִמְצִיא אֶת כָּל הָעוֹלָמוֹת בִּי"ע בְּהָאוֹתִיּוֹת נ' ד' מֵאֲדָנִי יֵי

In this manner He brought forth and produced the worlds of BiY”A – via the letters *nun, dalet* of Ad-nai as explained above.

שֶׁהוּא בִּהַנ"ד צְרוּפֵי דְהוּי"ה הַנִּכְלָלִים בָּהּ שֶׁהֵם הַכֹּחַ וְהַשֹּׁפַע
וְהַקִּיּוֹם דְּכָל הָעוֹלָמוֹת בִּי"ע כְּנִזְ'

And these are the 54 permutations of the Name Havaye that are included within her; they are the power and the outflow and the continued existence of all the worlds of BiY”A as mentioned.

וְנִמְצָא כִּי הָאוֹתִיּוֹת א' י' מֵאֲדָנִי יֵי הוּא עַל פְּנִימִיּוּתָהּ וְהָאוֹתִיּוֹת ד' נ'
מֵאֲדָנִי יֵי הוּא עַל גְּלוּיָהּ אֲשֶׁר מְתַגַּלָּה וּמְתַפְּשֵׁט לְמַטָּה

So it turns out that the letters *alef* and *yud* of Ad-nai are indicative of her inner dimension, while the letters *dalet* and *nun* of Ad-nai are indicative of her revealed aspects that become disclosed and extend down below.

וְכֵן הוּא הוֹרָאת אוֹתִיּוֹת ד"נ שֶׁהוּא שׁוֹפֵט וְדָן אֶת כָּל הַמַּעֲשִׂים

And similarly, the letters *dalet* and *nun* indicate that He adjudicates and judges (*dan* – formed by these same two letters) **all deeds**.

וּמִשּׁוּם שֶׁבְּגִלְיָהּ הִיא מִתְפַּשֶּׁטת בְּכָל הָעוֹלָמוֹת בִּי"ע וְנִקְשָׁרַת עִמָּהֶם

And because she *malchut* extends into all the worlds of BiY”A, and is bound to them,

לְכֵן הִיא עוֹלָה וְיוֹרֶדֶת לְפִי מַעֲשֵׂה הַתַּחְתּוֹנִים.

therefore she ascends and descends according to the deeds of those below.

וּכְאֲשֶׁר גָּרַם הַחֲטָא דְעֵץ הַדַּעַת שְׁנֵתְחַלְּפוּ כָל הָעוֹלָמוֹת בִּי"ע מִכְתָּנוֹת אוֹר לְכְתָנוֹת עוֹר

For example, with the sin of the Tree of Knowledge all the worlds of BiY”A were transformed from the state of ‘garments of light’ *ohr* spelled with an *alef* = light, to a state of ‘garments of skin’ *oyr* spelled with an *ayin*,

הֵנָּה יָרְדָה הִיא ג"כ מִמַּעַלְתָּהּ הַרְבֵּה

she *malchut* also descended drastically from her supernal level.

וְהַגִּם שֶׁהִיא הִיא מַעֲצָם הָאֲצִילוֹת וְאִין פָּגַם וְחוּבָה מִגִּיעַ שָׁם כָּלֵל

Now even though she is from the essence of Atzilut, and no blemish or disqualification applies there,

אֲךְ זֶהוּ רַק שְׁאִין מִגִּיעַ שָׁם נִגְיַעַת וְאַחֲזִיזַת הַסְטֵרָא אַחֲרָא ח"ו

nevertheless, this only means that the other side the aspects of evil do not reach that level and latch on,

כִּי עַל זֶה נֶאֱמַר וְהָזַר הַקָּרֵב יוֹמֶת וּכְמ"ש בְּרַע"מ פ' תצא רע"ו א'

for in this regard the verse (Number 1:51) states, “an alien who approaches shall die.”

וְע' עוֹד פִּנְחָס רַכ"ה א' לֹא מָטִי בָּהּ חוּבִין כּו' וְעָלֶיהָ אֶתְמַר לֹא יִגּוּרָךְ רַע ע"ש

See further *Zohar III, Pinchas 225a*, which states, “iniquities do not touch her... and in regard to her the verse (Psalms 5:5) states, “no evil shall visit you.”

אֲךְ כ"ז הוּא רַק בְּאֲצִילוֹת עֲצָמוֹ אֲבָל בְּעֵינֵי גִלּוּי שְׁבִי"ע

However, all of this is only in Atzilut itself, but as regards its revelation in BiY”A,

הנה גורם הפגם דמעה בני אדם הרבה מאד וכן גורם ג"כ
למעלה מעוט גדול בענין הגלוי דאור א"ס אשר שם

men's flawed actions have a very great effect, and they cause a great reduction
above as well as regards the revelation of *Ohr Ein Sof* there.

ולכן נעשה ירידה גדולה לכל העולמות כלם אחר החטא דעץ
הדעת וכמ"ש בלק"ת פ' בראשית

And therefore all of the worlds go through a tremendous descent after the sin of
the Tree of Knowledge, as the Arizal writes in *Likutei Torah, Bereishit*.

ובפרט בהעולמות בי"ע כי מתחלה היה מאיר כל המלכות הפללי
כלה בהעולמות בי"ע

And this is particularly true in the Worlds of BiY"A, for initially all of *malchut*
in its macro state illuminated the Worlds of BiY"A,

והיה נמשך שפעת הנ"ד צרופים אשר ממנה מכל כללותה בלה

and the outflow from the entirety of her 54 permutations was drawn down to the
lower worlds.

אבל אחר החטא נסתלק עקרה למעלה ואינה משתתפת עם
הבי"ע

But after the sin, her primary aspect of *malchut* was withdrawn above and she
does not engage with BiY"A

אלא רק בפרצוף המלכות הפרטי שבה לבד ונמשך שפעת הבי"ע
רק מהנ"ד צרופים

other than by way of the micro aspect of *malchut* exclusively, and the outflow is
drawn down to BiY"A only from the 54 permutations

אשר בפרצוף המלכות הפרטי שבה כי בכ"א יש כל הבחי' כלם

of the *partzuf* of *malchut* on the micro level, for in each aspect all of the other
aspects are present.

ואינו מתפשט ומתגלה בהעולמות בי"ע מאחר החטא אלא רק
אותו הפרצוף דהמלכות הפרטי לבד

Thus after the sin what extends to and is revealed in the worlds of BiY"A is only
that micro aspect of the *partzuf* of *malchut* and nothing more.

והוא רחל הקטנה שהיא נקרא שכינתא תתאה,

This micro aspect is called the **minor** or lesser **Rachel**, and is called 'the lower
Shechinah,'

וְעִקְרָהּ אֲשֶׁר נִתְעַלַּם מִלְמָטָה וְעוֹמֶדֶת לְמַעַלָּה הִיא נִקְרָא שְׁכִינְתָּא
עֲלֵאָה

while the main aspect, which was withdrawn from below and now stands above, is called 'the higher *Shechinah*.'

כִּי ע"י הַחֲטָא נִתְעַלַּם וְנִסְתַּלַּק הַרְבֵּה הַגְּלוּי דְּאוּר א"ס הָרְאוּי גַם
לְמַעַלָּה בְּאַצִּילוֹת

It is because of sin that a large degree of the revelation of *Ohr Ein Sof* that is fitting even above in Atzilut is rescinded,

וְנִתְעַלַּם אוֹר הַיְחוד הָרְאוּי מִשְׁכִּינְתָּא עֲלֵאָה לְתַתָּא וְאִינוּ מִתְגַּלָּה
לְמָטָה אֶלָּא מִהִתְתַּאָּה לְבַד

and the light of the proper *yichud* of the upper and lower *Shechinah* becomes concealed, so that the only revelation below is from the lower aspect.

וְהָרִי נִמְצָא כִּי בְּבַחֲי' הַגְּלוּי אֲשֶׁר לְמָטָה נַעֲשֶׂה פְּרָצוֹף הַמַּלְכוּת
הַפְּרָטִי, שֶׁהִיא רַחֵל הַקְּטָנָה, לְפְרָצוֹף בִּפְנֵי"ע וְבָהּ מִתְפַּשֵּׁט כָּל אוֹרוֹ
וְגִלּוּי ית"ש

Thus it turns out that in the aspect of revelation below, the *partzuf* of micro-*malchut*, which is the minor or lesser Rachel, is formed into an autonomous *partzuf* into which all of His blessed light and revelation extends,

בְּכָל הַצָּרִיךְ לְהַנְהִיגַת דְּהַעוֹלָמוֹת בִּי"ע בְּכָל מְשָׁךְ זְמַן דְּהַנְהִיגַת עוֹה"ז
עַד עַת הַתְּקוּן

with everything necessary for directing the worlds of BiY" A throughout the time that this world is directed, until the time of the *tikun*

אֲבָל בְּאַמֶּת אֵינָה פְּרָצוֹף בִּפְנֵי"ע כִּלְכָּל כִּי הִיא רַק חֵלֶק אוֹר מְאוּר
הַמַּלְכוּת הַפְּלִי דְּאַצִּילוֹת

But in truth she is not an independent *partzuf* at all, but rather a part of the light of the macro-*malchut* of Atzilut,

הַכוֹלֵל בְּתוֹכָהּ כָּל אוֹר הָאַצִּילוֹת כֻּלּוֹ וְהִיא כִּלְכָּל כֻּלָּם

that incorporates all the light of Atzilut within her, and she is the generality of all of them.

וּבְאֵם שֶׁזָּכִינוּ שֶׁהָיָה הַגְּלוּי דְּאוּר א"ס לְמַעַלָּה כְּהָרְאוּי לֹא הָיָה נִרְאֶת
לְפְרָצוֹף בִּפְנֵי"ע כִּלְכָּל

And if we had merited the proper revelation of *Ohr Ein Sof* above, then it would not have appeared as an isolated *partzuf* at all,

כי בעצמותם ופנימיותם הם אחד ממש והיה אז כל העולמות בי"ע
ג"כ מיוחדים בכל המלכות הכללי כלה והיו כלם קודש לה':

for in their essence and in their inner dimensions they are one,

והיה אז כל העולמות בי"ע ג"כ מיוחדים בכל המלכות הכללי כלה
והיו כלם קודש לה':

and had we merited the full revelation of *Ohr Ein Sof*, all the worlds of BiY" A
would also have been unified with the entire macro-malchut, and all of them
would have been holy to Hashem.

5f — The Letters of E-hyeh, Havaye, Ad-nai as the Roots of BiY" A

והנה בהמלכות הכללי שם נתגלה השרש דכל נשמות כלל ישראל

In the macro-malchut is revealed the root of all the souls *neshamot* of the Jewish
People as a whole –

נשמת הזכרים מצד החסדים שבה ונשמת הנקבות מצד הגבורות
שבה

‘male’ *neshamot* from the side of *chesed* and ‘female’ *neshamot* from the side of
gevurah therein i.e. in *malchut*.

Note that this does not mean the souls of men and the souls of women, but rather
what the origin of the soul is: souls from the side of *chesed* of *malchut* are called
‘male’ souls, and souls from the side of *gevurah* of *malchut* are called ‘female’
souls.⁵⁰ The soul of King David, for example, was from the aspect of *gevurot* and
was therefore a ‘female’ soul, and the soul of Yitzchak was initially also a ‘female’
soul, but at the *Akeidah* he received a ‘male’ soul.⁵¹

והם נמשכין בה מעצמותה ויחודה העולה למעלה למעלה כנ"ל

And they these souls are drawn into her into *malchut* from her essence and
oneness that ascends to the very heights, as mentioned above.

כי שרש הי"ב שבטים הם בהי"ב צרופי הוי"ה אשר בהי"ב גבולי
אלכסון דהו"ק שבה

For the root of the twelve tribes is in the twelve permutations of the Name
Havaye, that are located in the twelve diagonals formed from the six sides of *ze'ir
anpin* within her.

וכן הם בהשם של י"ב שהוא ג' היות דמלך מלך ימלך הוה והיה
ויהיה

And they are also rooted in the Name of twelve letters, which are the three
Havayot associated with He is king, He was king, He will be king, which are also

present, past and future.

שֶׁהֵם אוֹתִיּוֹת דָּג' הַיּוֹת וְכֵן הֵם י"ב אוֹתִיּוֹת בִּאֵה"ה הו"ה אֲדֵנ"י

These are the letters of the three Names Havaye written with different vowel points, and also the twelve letters of *E-hye, Havaye, Ad-nai*

שֶׁהֵם כָּלֵל הַשְּׁמוֹת דָּכָל הָאֲצִילוֹת

which are the generality of the Names of all of Atzilut – *E-hye* corresponding to *keter*, *Havaye* corresponding to *tiferet* (and the middle column of *sefirot* in general), *Ad-nai* corresponding to *malchut*⁵²** –**

וְכֵן הוּא י"ב אוֹתִיּוֹת בְּהַמְלֹוי דְּשֵׁם אֲדֵנ"י

as well as the twelve letters of the full iteration of the Name Ad-nai.

וּמִכָּל זֶה נִמְשָׁךְ שֶׁרֶשׁ הַנִּשְׁמוֹת דֵּה"ב שְׁבָטִים וְהֵם הַנִּשְׁמוֹת דָּכָל
כָּלֵל יִשְׂרָאֵל

From all of these aspects are drawn the *neshamot* of the twelve tribes of Israel in general,

הַנִּמְשָׁךְ מֵהָאֲבוֹת אֲבִרָהֶם יִצְחָק וְיַעֲקֹב שֶׁהֵם מְכַלְלוֹת הַג' הַיּוֹת
שֶׁבַח"ת

who descend from the Patriarchs Avraham, Yitzchak and Yaakov – who are in general the three Names of Havaye corresponding to *chesed* (Avraham), *gevurah* (Yitzchak), and *tiferet* (Yaakov).

הַנִּמְשָׁכִין מֵהַג' מוֹחִין שְׁבַדְעַת

They in turn are drawn from the three intellectual properties of *da'at*.

וְכֵן שֵׁם הוּא שֶׁרֶשׁ הָאֲמָהוּת ג"כ הָאֲבוֹת מֵצֵד הַחֲסִידִים וְהָאֲמָהוּת
מֵצֵד הַגְּבוּרוֹת

There too are the roots of the Matriarchs – the Patriarchs from the side of the aspects of *chesed*, and the Matriarchs from the side of the aspects of *gevurah*.

וְאִח"כ נִתְפָּשְׁטוּ לִי"ב שְׁבָטִים שֶׁהֵם הִי"ב צְרוּפִים וְהִי"ב אוֹתִיּוֹת דָּכָל
הַשְּׁמוֹת הַנִּזְכָּר

Subsequently these extended to the twelve tribes, which are the twelve permutations and the twelve letters of all the Names mentioned.

וְכ"ז הוּא הַשֶּׁרֶשׁ דֵּהַנִּשְׁמוֹת שֶׁהֵם מֵהַפְּנִימִית דֵּהַמַּלְכוּת הַכָּלְלִי וְהֵם
הַשְּׁמוֹת הַקֹּדֶשׁ הַנִּזְכָּר

All of these are the root of *neshamot* which are from the inner aspect of macro-*malchut*, and they are the holy Names mentioned.

אָבֵל מְצִיאת דְּהַעוֹלָמוֹת בִּי"ע עֲצָמָן הֵם מֵהַחִיצוֹנִית דְּהַמַּלְכוּת
הַכִּלְלִי

But the actual manifestation of the worlds of BiY”A themselves is from the
outer aspect of macro-malchut,

שֶׁהֵם מְשַׁאֵר כָּל אוֹתִיּוֹת הַתּוֹרָה ע"פ סֵדֶר הַצְּרוּפִים דרל"א שְׁעָרִים
כמ"ש בְּסֵפֶר יְצִירָה

and they derive from the other letters of the Torah, according to the
permutations of the 231 gates mentioned in *Sefer Yetzirah* (2:4).

כִּי בָּהֶם נִבְרָא וְנוֹצָר וְנַעֲשָׂה הַכֹּל וְכִמוֹ שֶׁרָמְזוּ רז"ל בְּמַאמְרָם בְּרִכּוֹת
נ"ה א'

It was with them that everything was created, formed and made, as the Sages
allude to in their statement in Tractate *Berachot* 55a,

יֹדַע הָיָה בְּצִלְאֵל לִצְרֹף אוֹתִיּוֹת שֶׁנִּבְרְאוּ בָּהֶן שָׁמַיִם וָאָרֶץ.

that “Bezalel knew how to join together or reconstruct the letters with which the
heavens and earth were created.”

וְהָיָה בָּאֵם שֶׁהֵינּוּ זוֹכִים שִׁיתְּגַלֶּה הָאוֹר הַפְּנִימִי דְּכָל הַמַּלְכוּת
הַכִּלְלִי

Accordingly, had we been worthy of the revelation of that inner light of the
entire macro-malchut,

וְשִׁיבָאוּ הַנִּשְׁמוֹת דְּהִי"ב שְׁבֻטִים מֵהַמַּלְכוּת הַכִּלְלִי בְּתַקּוּנָן

so that the *neshamot* of the 12 tribes would have emerged from macro-malchut
in their properly rectified state⁵³,

הִנֵּה הָיָה רָאוּי שִׁיּוּצָא מִמֶּנָּה נִשְׁמַת יַעֲקֹב וְיִשְׂרָאֵל מִצַּד הַחֲסָדִים
שְׁבָה

then it would have been fitting that the soul of Yaakov and Israel would have
emerged from the aspects of *chesed* within her within malchut,

וְנִשְׁמַת רָחֵל וְלֵאָה כְּלוּלָה מִבְּלָהָ וְזֻלְפָּה בְּאַחֲוֵיהֶם וְהֵם כְּלֹן מִצַּד
הַגְּבוּרוֹת שְׁבָה

and the souls of Rachel and Leah would have included Bilhah and Zilpah as
their external aspects stemming from the aspects of *gevurah* within her within
malchut

שִׁיְהִיוּ כָּל אֱלוֹ הַד' נָשִׁים כְּלֹן רַק גּוּף אַחַת לְבַד כְּמוֹ יַעֲקֹב וְיִשְׂרָאֵל

and all these four women would have comprised only a single entity, just like
Yaakov and Israel who were one person with two aspects, signified by his two

names.

וְהִיְתָה נִקְרָאת כָּלָהּ רַק בְּשֵׁם רַחֵל לְבַד שֶׁהִיא עֲקָרָה שֶׁל בֵּית
הַמְּנִהְגָּת אֶת כָּל הָעוֹלָמוֹת בִּי"ע

Then the entire composite would have borne only the name Rachel, since she was the primary aspect of their home, presiding over all of BiY”A –

וּר"ל שֶׁכָּל גְּלוּיֵי ית"ש בְּהִנְהָגַת הַבִּי"ע הוּא רַק בָּהּ

meaning to say, that all of His revelations in supervising BiY”A would have been exclusively via her Rachel.

וְלָכֵן הָיוּ נִקְרָאוֹת כָּלֵן עַל שֵׁם רַחֵל

And therefore all of the aspects together would have been called ‘Rachel’

וּמֵהֶם שְׁנֵיהֶם שֶׁהוּא מִיִּשְׂרָאֵל וְרַחֵל הָיָה רְאוּי שְׁיוֹצְאִים כָּל הִי"ב
שְׁבָטִים כָּלָם

and from these two alone – Israel and Rachel – it would have been appropriate for all twelve tribes to emerge,

אֲשֶׁר הֵם מְשֻׁרָשִׁים בְּהַפְּנִימִיּוֹת דְּרַחֵל הַכִּלְי דִּאֲצִילוֹת וּכְנִז'

since they are rooted in the inner aspect of macro-Rachel of Atzilut, as mentioned above.

וְהִנֵּה הָיָה אִזְ הָאֲמָהוֹת ג' כ רַק ג' כְּמוֹ הָאֲבוֹת

And then there would only have been three Matriarchs, just like the three Patriarchs,

וְכֵן יַעֲקֹב וְיִשְׂרָאֵל הָיָה נִקְרָא מֵאִז רַק בְּשֵׁם יִשְׂרָאֵל לְבַד

and also Yaakov and Israel would have been called from then on only by the name Israel,

ע"ד שֶׁהוּא בְּאֲבָרָהֶם שֶׁהַקּוֹרָא לְאַבְרָהָם אֲבָרָם עוֹבֵר בְּלֹאוֹ וְעָשָׂה
כַּמ"ש בְּבִרְכוֹת ספ"ק

just as with Avraham, for “one who calls Avraham ‘Abram’ transgresses a prohibition” as the Talmud states at the end of the first chapter of Tractate *Berachot* p. 13a.

כִּי שֵׁם יִשְׂרָאֵל וְכֵן שֶׁרֶשׁ יֵלָא הִנֵּה הוּא בְּשִׁכְנִיתָא עֲלֵאָה

For the name Israel and also Leah’s root are in the higher level of the *Shechinah*

שֶׁהוּא בְּחִי' הַמַּחֲיִין וְהַדְּעָת אֲשֶׁר בְּהַמְלָכוֹת הַכִּלְי

which is the aspect of *mochin* intellectual faculties and *da'at* consciousness in *macro-malchut*.

וְכַאֲשֶׁר הָיָה מְשַׁתְּתָף וּמִתְפַּשֵּׁט כָּל הַמַּלְכוּת הַכִּלְלִי בְּלֶה בְּהַעֲלָמוֹת
בִּי"ע בִּיחֻדָּה כְּהֶרָאוֹי

Now when the entirety of macro-*malchut* would have participated in extending
into the worlds of BiY"A in the proper state of unity,

הָרִי לֹא הָיָה בְּחִי' חִלּוּקוֹת כָּלֵל בֵּין שְׂכִינָתָא עֲלָאָה לְתַתָּאָה

then there would have been no aspect of separation between the higher and
lower levels of the *Shechinah*,

כִּי הָיָה כְּלָה מִתְגַּלִּית בִּבִּי"ע בִּיחֻדָּה שְׁלֻמְעָלָה

since she would have been revealed in her entirety in BiY"A in her state of
oneness as it is above.

וְלָכֵן הָיָה נִקְרָא יַעֲקֹב רַק בְּשֵׁם יִשְׂרָאֵל שֶׁהוּא אוֹר הַדַּעַת שְׁבָה
שֶׁהִיא מִתְפַּשֵּׁט וּמִתְגַּלָּה ג"כ לְמַטָּה

And therefore Yaakov would have been called only by the name Israel, which is
the light of *da'at* therein, that would have spread forth and become revealed
below as well.

וְכֵן יֵלֶאָה וְרַחֵל הָיוּ לְגוּף אֶחָד שֶׁהוּא בְּחִי' הַמַּחֲיִין הַמְתִּיחֵדִים
וּמְאִירִים בְּהַגּוּף

And similarly Leah and Rachel would have formed a single entity – the aspect
of *mochin* united with and illuminating the body.

וְהָיוּ נִקְרָא עַל שֵׁם רַחֵל מִשּׁוּם שֶׁהִיא הַגְּלוּי הָעֶקְרִי אֲשֶׁר בְּבְחִי'
פְּרָצוּף מִמֶּשׁ

And it would have been called by Rachel's name since she is in fact the primary
revelation in the aspect of the *partzuf*,

מִשָּׂא"כ יֵלֶאָה שֶׁהִיא רַק הָאֶרֶת הַבִּינָה לְבַד דְּהַמַּחֲיִין

whereas Leah is merely the radiance of *binah* of the *mochin*.

וְלָכֵן הָיָה נִכְלָל יֵלֶאָה בְּרַחֵל שֶׁהוּא הָאֶרֶת הַמַּחֲיִין אֲשֶׁר בְּהַפְּרָצוּף

And therefore Leah would have been included within Rachel, as the radiance of
mochin i.e. *binah* in the *partzuf* of Rachel.

וְעִי"ז הָיְתָה כְּלוּלָה פְּרָצוּף רַחֵל מִלְמַעְלָה לְמַטָּה

And in this way the *partzuf* of Rachel would have incorporated aspects from
above to below.

וְכֵן יִשְׂרָאֵל שֶׁהִיא מִהַמַּחֲיִין וְהוּא הַדַּעַת מִמֶּשׁ הַמִּתְפַּשֵּׁט בַּת"ת
שֶׁהוּא יַעֲקֹב

And similarly the *partzuf* of Israel, which develops from *mochin*, from *da'at* in fact, which extends into *tiferet*, which is the *partzuf* of Yaakov,

הנה הוא היה נקרא על שם ישראל לחדוד כי הוא נשמתו מממש
would have been called by the name of Israel only, for this is the very soul of the
partzuf

והוא פנימית הפרצוף ועקרו
and is the inner aspect of the *partzuf* and its primary aspect.

ועכ"פ הוא כי מה שהוא עתה יעקב ורחל הקטנה
In any event, that which is now Yaakov and Rachel the minor,

שהם הת"ת ופרצוף המלכות הפרטי שהיא השכינתא תתאה
who are *tiferet* and the *partzuf* of micro-*malchut*, which is the lower aspect of the
Shechinah,

היו נכללים מעילא לתתא שהוא מכללות כל המוחין ולמטה אשר
בהמלכות הכללי
would have incorporated from above to below, which is the general aspect of all
mochin and below that are manifested in macro-*malchut*,

והיו נעשים עי"ז לישראל ורחל הגדולה שהוא מכלילות שכינתא
עלאה ותתאה יחד
and they would thus have become Israel and Rachel the major which integrates
the higher aspect and the lower aspect of the *Shechinah* as one,

ומהם שניהם שהוא מישאל ורחל היו יוצאים כל הי"ב שבטים
and from both of them – from Israel and Rachel – all twelve tribes would have
emerged,

כלולים ומשרשים בהיחוד דכל המלכות הכללי בלה
integrated into, and rooted in, the unity of the entire macro-*malchut*.

ואז היה אסור לקרא לישראל בשם יעקב כי הוא נראה לפגם ופרוד
בין הדביקים ח"ו.

In this scenario it would have been forbidden to call Israel by the name Yaakov,
for this would appear to be a flaw and a separation between things that are
fused together, Heaven forbid.

ובאם שזכה העולם לזה היה נמשך מאז ולהלאה תקון העולם
בשלמות

And had the world been worthy of it, the complete *tikun* of the world would have been drawn down from that time on,

כי הִיָּה מִתְגַּלֶּה אֹר הַיְחוד לְמַעַל וּלְמַטָּה

for the light of *yichud* would have been revealed above and below,

וְהִיָּה הַנְהֻגָת כָּל הַבִּי"ע ע"י הַמַּלְכוּת הַכִּלְלִי בְּלֹא

and the way the entire BiY" A are directed would have been via macro-*malchut* in its entirety,

וְהָיוּ אֵז כָּל הָעוֹלָמוֹת בִּי"ע כֻּלָּן הֵיכָל לָהּ בֵּיתָא דְּשִׁכְנִיתָא

and then all of the worlds of BiY" A would have been a sanctuary for Hashem – a home for the *Shechinah* –

שֶׁהוּא מְקוֹם וּמַעוֹן לְהַשְׁכִּינָה הַקְדָּשָׁה שֶׁתִּשְׁרָה בָּהֶם וְכֻמו קְדֻשָּׁת
בֵּית הַמִּקְדָּשׁ

which is a place and a residence for the holy *Shechinah* to dwell in, just like the *Beit HaMikdash* the Temple.

ע' בלק"ת פ' בראשית במדרגות העולמות שקדם החטא כי אחר שנבראו אדה"ר ונכנס כלו בגן עדן הִיָּה אֵז הו' אחרונים דעשינה בְּהו' ראשונים דבריאה של עֵתָה וְהוּא קְדֻשַׁת בֵּית הַמִּקְדָּשׁ כִּמ"ש בְּשַׁעַר מ"ן וּמ"ד דְּרוֹשׁ ד' סְמוּךְ לְסוּפוֹ

[See the Arizal's *Likutei Torah, Bereishit*, regarding the levels of the worlds prior to the sin of the Tree of Knowledge – because after Adam was created, and was placed into the Garden of Eden, the six last *sefirot* of Asiyah were on the level of the six last *sefirot* of Beriah in its current state – and this is the level of holiness of the *Beit HaMikdash*, as it states in *Etz Chaim Sha'ar Ma'n u'Ma'd, drush 4*, close to the end].

וְזֶהוּ שֶׁנֶּאֱמַר וְאַתֶּם תִּהְיוּ לִי מַמְלֶכֶת כֹּהֲנִים וְגוֹי קְדוֹשׁ

And this is the connotation of the verse (Exodus 19:6), “And you shall be for me a kingdom of priests and a holy nation”

כִּי הָיוּ אֵז כָּל יִשְׂרָאֵל כָּלָם לְכֹהֲנִים מִמֶּשׁ הַמִּשְׁמָשִׁים בְּבֵית הַמִּקְדָּשׁ
שֶׁל מַעַלָּה

for at that stage the entirety of the Jewish People were *Cohanim* priests, literally, serving in the *Beit HaMikdash* on high.

וְהִיָּה מִתְיַחַד הַמַּלְכוּת לְעֵלָא וְתַתָּא וְכֻמו שֶׁאֵמַר ר' שִׁמְעוֹן בְּפ' צו
ל"ד סע"ב:

Accordingly, had this situation been sustained, *malchut* would have been united above and below, as Rabbi Shimon bar Yochai declared in *parshat Tzav, Zohar III p. 34b*

מַלְכוּת כְּהָנִים לֹא אֶקְרִי אֶלָּא מַמְלַכֶּת דְּאִמְלֵכוּ לָהּ כְּהָנִי כו'

It is not called the 'reign' of Cohanim, but rather induction by the Cohanim, for the Cohanim induct her the *Shechinah* into office

וּמִחֲבָרָן לָהּ בְּמַלְכָּא וְכַדִּין הִיא מַמְלַכֶּת עַל כָּל גְּנִזֵּי מַלְכָּא.

and they connect her to the King, and then she presides over all the King's treasuries –

מַמְלַכֶּת עַל כָּל זִנֵּי מַלְכָּא מַמְלַכֶּת בְּעֶלְאֵי וְתַתְּאֵי מַמְלַכֶּת עַל כָּל עֲלְמָא.

presiding over all aspects of kingship in the upper and the lower planes, and she reigns over the entire world.

כִּי ע"י הִיא שְׁבָטִים וְכָלל יִשְׂרָאֵל שֶׁהֵם מְאֹר פְּנִימִיּוּתָהּ

For by way of the 12 tribes, and the entire Jewish People, who are from her inner light the innermost light of *malchut* and the *Shechinah*,

הָיָה נִמְשָׁךְ וּמִתְגַּלָּה אוֹרָה בְּכָל הָעוֹלָמוֹת בִּי"ע עֲצָמֹן שֶׁהֵם מִהַחֲצוֹנִית שְׁבָה

her light would have been drawn down and revealed in all of the worlds of BiY" A, which derive from her outer aspects,

וְהָיָה מִתְיַחַד הַפְּנִימִית בְּהַחֲצוֹנִית וְהָיוּ כָּל הָעוֹלָמוֹת כְּלוֹן קוֹדֶשׁ לָהּ

and the inner and the outer aspects would have united and all the worlds would have been holy unto the Lord.

זֶה הָיָה מִחֲשַׁבְתּוֹ יַעֲקֹב אֲבִינוּ ע"ה וְכֹנֶנֶתוֹ בְּמָה שֶׁהִסְתַּכֵּל רַק עַל רַחֵל לְבַד

And this is what our Patriarch Yaakov had in mind, and this was his intention when he fixed his attention upon Rachel exclusively,

וְהוּא כִּי חָשַׁב שֶׁ"י אֲבִרָהֶם וַיִּצְחָק וְעַל יָדוֹ כָּבֵר נִתְקַן הַחֲטָא דְּאָדָם

because he thought that the sin of Adam had already been rectified through Avraham, Yitzchak and himself,

וְכִמוֹ שֶׁאָמְרוּ בְּתִקּוּנֵי תִקּוּן ס"ט קי"ח ב'

as the *Tikunim Tikunei Zohar, Tikun 69 p. 118b* states:

כִּד אֵתָא אָדָם בְּגִלְגּוּל בְּאַבְרָהָם אֲתִנְסִי בֵּיהּ בְּעֶשֶׂר נְסִיוֹנִין כו'
בְּאַבְרָהָם נִתְנַסָּה בְּמִחְשָׁבָה.

When Adam was reincarnated in Avraham, he was tested ten times... In Avraham he was tested in thought,

כַּד אֶתְגַּלְגַּל בִּיצְחָק נִתְנָסָה בְּמַעֲשֵׂה. יַעֲקֹב כָּלִיל תְּרוּיָהוּ כו'.

and when he was reincarnated in Yitzchak he was tested in action, and in Yaakov he was tested in both together.

בְּאַבְרָהָם אֶתְלַבֵּן אָדָם. וּבִיצְחָק אֶצְטָרֵף כו'

Adam was cleansed in Avraham, and in Yitzchak he was sanitized etc.

וְכֵד אֶתָּא אָדָם אֶצְטָרֵף בְּאַבְרָהָם אֶתְפָּשְׁטוּ שְׂרָשׁוּי בְּאַרְעָא.

And when Adam came and was cleansed in Avraham, he struck his roots into the Land.

וְרָזָא דְּמַלְה מְצָרֵף לְכֶסֶף וְכוּר לְזָהָב.

The mystical secret of this is in the verse (Proverbs 17:3) “A crucible for silver, a furnace for gold, and God tests the heart.”

מְצָרֵף לְכֶסֶף דָּא אַבְרָהָם. וְכוּר לְזָהָב דָּא יִצְחָק וּבוֹחֵן לְבוֹת ה' דָּא יַעֲקֹב.

‘A crucible for silver’ alludes to Avraham since the word for ‘silver’ is *kesef* a term expressing yearning love (as in Genesis 31:30**⁵⁴**), the primary trait of Avraham. And ‘a furnace for gold’ alludes to Yitzchak since both fire and gold are aspects of *gevurah*, Yitzchak’s primary attribute. ‘And God tests the heart’ alludes to Yaakov.

הֵן כָּל אֱלֹהִים יִפְעַל אֵל פְּעֻמִּים שֶׁלֹּשׁ עִם גָּבֵר. ע"ש כָּל הָעֲנִין בְּאַרְכָּה הָרַבָּה.

And as another verse (Job 33:29) states, “Behold God does all these things with man two or three times” – apparently implying that once three generations have passed the test, the matter is resolved. See the entire matter there.

וְעַל זֶה חָשַׁב יַעֲקֹב אָבִינוּ ע"ה שֶׁכָּבֵר נִתְקַן הַחֲטָא

On this basis our Forefather Yaakov thought that the sin had already been rectified,

וְחָשַׁב עָתָה לְתַקֵּן אֶת הָעוֹלָם וּלְיַסֵּד אֶת הַבַּיִת בַּיִת לָהּ. הֵיכַל לָהּ.

and he thought that now was the time to rectify the world and establish the House of God, God’s Temple,

ע"י שִׁישָׂא אֶת רַחֵל שֶׁהִיא מְרַכָּבָה לְהַשְׁכִּינָה וַיְבָנוּ שְׁנֵיהֶם אֶת בֵּית יִשְׂרָאֵל

by marrying Rachel, who was the vehicle for the *Shechinah*,

and the two of them would build the House of Israel,

לְהַמְשִׁיךְ עִי"ז אֹר פְּנִימִיּוּתָהּ וְיִחוּדָהּ לְמַטָּה לְמַעַן טַהֵר אֶת הָאָרֶץ

in order to drawn down her the *Shechinah's* inner light down below in order to purify the earth,

וְשִׁיתְּפֹשֶׁט וְשִׁיתְּגִלָּה אֹרֹו וּקְדֻשָּׁתוֹ ית"ש בְּכָל הָעוֹלָם

and His blessed light and holiness would be revealed throughout the world,

וְלַהֲעֵלוֹת אֶת הָעוֹלָמוֹת כְּמוֹ קֹדֶם הַחֵטָא

and elevate the worlds to the way they were prior to the sin,

שֶׁהָיָה כָּל עוֹלָם הָעֲשִׂיָּה כָּלוּ בְּקִדְשֵׁת הַבַּיִת הַמִּקְדָּשׁ שֶׁל מַעֲלָה וּכְנֻז'.

for the entire world of *Asiyah* was on the level of sanctity of the *Beit HaMikdash* Temple on high, as mentioned previously.

אֲךָ הָאֱמֶת הוּא כִּי הָגַם שְׁנַתְקוֹ אָדָם ר' בְּאַבְרָהָם יִצְחָק וְיַעֲקֹב

But the truth was that even though Adam had been rectified by Avraham, Yitzchak and Yaakov,

עכ"ז לֹא הִגִּיעַ עֲדֵין הַעֵת לְהַחְזִיר אֶת הָעֵטֶר לְיִשְׁנָה

the time had not yet arrived to return the crown to its former state,

וּלְתַקֵּן וְלַהֲעֵלוֹת אֶת הָעוֹלָמוֹת עַל מַדְרָגָתָם שְׁקֵדָם הַחֵטָא.

and to rectify and elevate the worlds to their level prior to the sin.

אֲלָא רַק בְּמִתְּן תּוֹרָה אִם שָׁזְכוּ לְהַלּוּחוֹת הָרֵאשׁוֹנוֹת וְכְמוֹ שֶׁבִּאֲרָנוּ בַּמ"א

This was only possible at the time of *Matan Torah* when the Torah was given to us, had we merited to actually receive the first Tablets of the Law, which were ultimately withheld from us due to the sin of the golden calf, as we explained elsewhere.

אֲבָל עֲתָה שֶׁהוּא בְּעֵת יַעֲקֹב אָבִינוּ ע"ה לֹא הִגִּיעַ עֲדֵין אֲלָא לְהַכְשִׁיר וְהַכְנֵת הַתְּקוּן לְבַד

But at this time, during the era of our Patriarch Yaakov, only the preliminaries and the preparation could be achieved,

שֶׁהוּא לְבָנוֹת אֶת כָּל בֵּית יִשְׂרָאֵל וְלַהֲבִיא אֶת הַתְּקוּן עַל יָדָם בְּעֵת מִתְּן תּוֹרָה וְע"י מֹשֶׁה רַבֵּנוּ

and this was to build the House of Israel, who would bring about the *tikun* at the time of the giving of the Torah by way of Moshe our teacher.

וְלָכוּ לֹא הָיָה עֲדִין הַתְּקוּן הָרָאוּי גַּם לְמַעַלָּה בְּהִיחּוּד דְּשִׁכְנִיתָא
עֲלָאָה וְתַתָּאָה

And therefore the proper *tikun* was non-existent as yet, even above in the unification of the higher and lower aspects of *Shechinah*.

וַיֵּצֵא לֵאָה שֶׁהִיא מֵאוֹר דְּשִׁכְנִיתָא עֲלָאָה בְּגוּף בִּפְנֵי"ע

And so Leah, who derives from the light of the upper *Shechinah*, emerged as a distinct entity – literally, in a distinct body, i.e. not as part of Rachel –

וְכֵן רַחֵל שֶׁהִיא מִשְׁכְּנִיתָא תַּתָּאָה ג"כ בְּגוּף בִּפְנֵי"ע

and also Rachel, who was from the lower aspect of the *Shechinah*, emerged as a distinct entity literally, in a distinct body.

וּמִכַּש"כ בְּלֶהָה זִלְפָּה שֶׁהֵם מֵאַחֲוֵיהֶם וְכָל קִלְקוּל וּפְגָם נוֹגֵעַ
בְּאַחֲוֵיָם בְּיוֹתֵר

And all the more so Bilhah and Zilpah, who are from their Leah's and Rachel's posterior aspect (literally, hinder part), where any damage or blemish has an inordinate effect,

הֵנָּה נִפְרְדּוּ הֵם מֵהַפָּנִים וַיֵּצְאוּ בְּגוֹפּוֹת בִּפְנֵי"ע

they became separated from the inner dimension, and emerged as distinct entities (literally, in distinct bodies).

וְכ"ז הוּא מְשׁוּם חֲסֵרוֹן הִיחּוּד הָרָאוּי

All of this is due to the lack of the proper *yichud*

אֲשֶׁר הָיָה חֲסֵר עֲדִין בְּהַמְלָכוֹת הַכִּלְלִי דְּאַצִּילוֹת בְּכָל עֲנִין גְּלוּיָהּ
שֶׁבִּי"ע

that was still lacking in macro-*malchut* of Atzilut as regards her entire revelation in BiY"Y A,

וְלָכוּ יֵצְאוּ מִמֶּנָּה לְמַטָּה עֲתָה כָּל מָה שֶׁיֵּצֵא הַכֹּל רַק בְּגוֹפּוֹת
מְחֻלָּקוֹת וּבְאִשִּׁים בִּפְנֵי"ע

and therefore whatever now emerged from her down below, all of it was as distinct entities and as independent beings.

אֲמָנָם הֵהָכֵרַח הָיָה שֶׁיֵּצְאוּ כָּלָם עַכ"פ כְּדֵי לְבָנוֹת אֶת בֵּית יִשְׂרָאֵל

Nevertheless, it was necessary for all of them to emerge in order to build the House of Israel

מִכָּל הַמְלָכוֹת הַכִּלְלִי כְּלָה שֶׁיְהִיוּ מוֹכֵנִים לְתִקּוּן הָעָתִיד

out of the entire macro-*malchut* so that they would be prepared for the future *tikun*.

וְנִתְיָחְדוּ כָּלֶם ע"י יַעֲקֹב אָבִינוּ ע"ה שֶׁהוּא הַת"ת וְהַז"א שְׁבַה־מַלְכוּת
הַכִּלְלִי

All of them were united through our Patriarch Yaakov, who is the aspects of
tiferet and *ze'ir anpin* of macro-malchut.

שֶׁהוּא נִשָּׂא אֶת כָּלֶן וְנִתְיָחְדוּ כָּלֶן בּוֹ עכ"פ וְיֵצְאוּ מֵהֶם הַי"ב שְׁבָטִים
בַּעוֹה"ז

He lifted them all up and all of them were united in him, so that the 12 tribes
emerged from them from those supernal *sefirot* into this world.

וְהָיָה נִתְיָסַד עַי"ז יִסּוֹד לְמִטָּה לְהִיּוֹת מְקוֹם וּמַעוֹן לְכָל הַמַּלְכוּת
הַכִּלְלִי כָּלֹ

Thus was established a foundation below, to be a place and a sanctuary for the
entire macro-malchut

לְשֹׁכֵן כְּבוֹד בְּתוֹכָם וּלְהִתְגַּלֶּה לְמִטָּה בְּכָל כְּלֻתָּהּ כָּלָה בְּהִיחוד
דְּשִׁכְנִיתָא עֲלָאָה וְתַתָּאָה יַחַד

to dwell in in an honorable manner, and to be revealed below in all of her macro
aspect in the unity of the higher and lower aspects of the *Shechinah*

וְכִמוֹ שֶׁהָיָה בְּמִתֵּן תּוֹרָה כַּמ"ש בְּפ' יִתְרוֹ צ"א ע"א
just as it was when the Torah was given, as is written in *Zohar II, Yitro* p. 91a:

אֲנִכִּי כָּלְלָא דְּעֲלָא וְתַתָּא כו' כִּי שֵׁם נִתְיָחַד הַכֹּל

Anochi – the first word of the Ten Commandments, meaning ‘I Myself’ – am the
inclusion of higher and lower, for there everything is unified.

וְהָיָה עוֹמֵד אֲזִי שִׁיתֵּקֶן הָעוֹלָם לְגַמְרִי כִּמוֹ קֵדָם הַחֲטָא וְכַמ"ש שֵׁם
צ"ד ע"א

And the opportunity was there to rectify the entire world completely, as it was
prior to the sin of the Tree of Knowledge, as is written there in *Zohar II, p. 94a*.

וְכ"ז הָיָה ע"י הַכִּנּוּת הַתִּקּוּן שֶׁנַּעֲשָׂה בְּיַעֲקֹב וְנָשָׂיו שֶׁהָיוּ מִשְׁכַּנְתָּא
עֲלָאָה וְתַתָּאָה

All of this was due to the preparation for *tikun* that Yaakov and his wives – who
were from the higher and lower aspects of the *Shechinah* – achieved.

וְהָגַם שֶׁהָיוּ בְּגוֹפּוֹת מַחֲלָקוֹת מְשׁוּם שֶׁהָיָה חֶסֶד עֲדִין הִיחוד הָרְאוּי
גַּם לְמַעַלָּה

Now even though they were distinct entities, since the proper *yichud* was
lacking even above,

אָבֵל עַכְפִּי הָרִי נִתְגַּלָּה הַשְּׁכִינָתָא עֲלָאָה לְמַטָּה ג"כ

nevertheless, the higher level of *Shechinah* was revealed below as well,

וְנִתְיַחֲדוּ כָּלֵן בְּיַעֲקֹב וּבְהִי"ב שְׁבָטִים שִׁיִּצְאוּ מִמֶּנּוּ

and all of them united in Yaakov and the twelve tribes that emerged from him.

וְעִי"ז נֶעֱשֶׂה יְסוֹד לְמַטָּה לְהִיחֹד וְהַגְלוֹי דְּשְׁכִינָתָא עֲלָאָה ג"כ

And by means thereof, the foundation was laid below for the *yichud* and revelation of the higher level of *Shechinah* as well.

וְכֹן זָכָה יַעֲקֹב עִי"ז לְשֵׁם יִשְׂרָאֵל ג"כ אַחֵר שֶׁנִּתְעַבְּרָה רַחֵל מִבְּנֵימִין

Thus Yaakov merited the name Israel as well, after Rachel became pregnant with Binyamin (Benjamin),

וְהָיָה הַמְּצִיאוֹת דְּכָל הִי"ב שְׁבָטִים לְמַטָּה

and the actuality of all twelve tribes was manifested below (Benjamin was the twelfth tribe, even though as yet unborn).

הֵנָּה נִתְעַלָּה אֶז לְהִיּוֹת כָּלּוֹל מִכָּל הָאוֹר דְּהַמְלָכוֹת הַכָּלְלִי כָּלּוֹ

Then he was elevated and came to include all the light of the entire macro-malchut,

שֶׁהוּא בְּהִי"ב אוֹתִיּוֹת דְּשֵׁם שֶׁל י"ב וְאֵהִי"ה הוּי"ה אֲדֹנִי וְדָמְלוֹי

אֲדֹנִי וְכֹן בְּכָל הִי"ב צְרוּפֵי הוּי"ה שְׁבָה

comprising the twelve letters of the Names E-hyeh, Havaye and Ad-nai, as well as the full iteration of the Name Ad-nai which also comprises 12 letters, and similarly the twelve permutations of the Name Havaye therein.

וְעִי"ז עָלָה וְנִתְגַּדֵּל עַד לְמַעְלָה

And in this manner he Yaakov ascended and grew in spiritual stature to the very heights –

וְהוּא מָה שֶׁזָּכָה לְהֵשֵׁם יִשְׂרָאֵל כִּמְ"שׁ בִּפ' וַיִּשְׁלַח קַע"ג ב' וּפ' אַחֲרֵי

מוֹת ע"ג א'

attested to by the fact that he merited the name Israel, as written in

Zohar I, Vayishlach p. 173b and Zohar III, Acharei Mot p. 73a,

כִּי עָלָה וְנִשְׁתַּלֵּם בְּהָאוֹר דְּשְׁכִינָתָא עֲלָאָה ג"כ

for he ascended and became complete with the light of the upper *Shechinah*.

אַךְ מִשּׁוּם שֶׁעַדִּין לֹא הִגִּיעַ לְהַגְלוֹי דְּהִיחֹד מִמֶּשׁ וּכְנִז'

But since he did not yet achieve the revelation of the *yichud* unity in actuality, as mentioned,

וְכֹן גַּם בְּמַתָּן תּוֹרַת הָרִי לֹא נִשְׁלַם הִיחֹד ע"י שְׁלֹא זָכוּ לְהַלּוּחוֹת
הָרֵאשׁוֹנוֹת

and so too, at the time of *Matan Torah* when the Torah was given to us.

לָכֵן לֹא נֶעְקַר שֵׁם יַעֲקֹב מִמְּקוֹמוֹ אֶלָּא יִשְׂרָאֵל עָקַר וַיַּעֲקֹב טָפַל לוֹ
כַּמ"ש בְּבִרְכוֹת י"ב סע"ב

Accordingly, the name Yaakov was not uprooted from its place, but rather that the name Israel is primary and Yaakov is secondary to it, as it states in Tractate *Berachot* 12b, near the end.

וְהָרִי הוּא עֹדִין עוֹלָה וְיוֹרֵד כִּי כֵן הוּא לְמַעְלָה

Thus he still ascends and descends, for this is the situation above –

לְפַעְמִים בְּקִטְנוּת וְלְפַעְמִים בְּגִדְלוּת כְּנוֹדַע מִדְּבַר הָאַרִיזָ"ל:

sometimes in a state of spiritual immaturity, and sometimes in a state of spiritual maturity, as is known from the words of the Arizal.

5g — Rachel as the *Mercava*

אָמְנָם יַעֲקֹב אָבִינוּ ע"ה לְפִי דַעְתּוֹ שֶׁחָשַׁב בְּתַחֲלָה שֶׁכָּבֵד הִגִּיעַ
הָעוֹלָם לְזְמַן תְּקוּנוֹ

Indeed our Patriarch Yaakov thought initially that the world had already reached the time for its *tikun*,

וְחָשַׁב שֶׁרָחַל הִיא מְרַכֶּבֶה לְכָל הַמַּלְכוּת הַכְּלָלִי כּוֹלוֹ לֹא חָפֵץ
בְּאַחֲרֵת זוּלָתָהּ כָּלָל

and he thought that Rachel was the *mercava* for the entire macro-malchut, and so he had no desire for anyone other than her.

וְהָיָה דַעְתּוֹ לְהַמְשִׁיךְ עַל יָדָהּ אֶת כָּל הַגְּלוּי דְּהַמַּלְכוּת הַכְּלָלִי לְמַטָּה
בְּכָל יְחִידָה שְׂבָה

His intention was to draw through her the revelation of macro-malchut down below with all of her unique potential.

אֲךָ לְפִי הָאֱמֶת הָרִי הָיָה חָסֵר עֲדִין תְּקוּן הָרֵבָה

But in truth, much *tikun* was still lacking,

וְהָיְתָה רָחַל מְרַכֶּבֶה רַק לְפָרְצוֹף הַמַּלְכוּת הַפְּרָטִי שְׂבַהּ מַלְכוּת
הַכְּלָלִי

in that Rachel was the *mercava* for only the *partzuf* of micro-malchut within macro-malchut,

וְהִיא עֹמֶדֶת בָּהּ בְּנֵה"י שְׁלָה

and she was situated in *nh"y* – *netzach, hod, yesod*, the three *sefirot* that are described as *l'bar miguf*o, outside of the main body of the *sefirot* – **thereof** i.e. of macro-*malchut*.

שֶׁהִיא מֵהַטְּבוֹר וּלְמַטָּה וְהִיא הַמְּנַהֶגֶת אֶת כָּל הָעוֹלָמוֹת בִּי"ע

Now *nh"y* of macro-*malchut* is from the level of the ‘navel’ in the parallel human physique and below, and she directs all of the worlds of BiY”A.

וְלָכֵן הִיא עֶקְרָה שֶׁל בֵּית שְׁכָל הָעוֹלָמוֹת מִתְּנִהְגִּים עַל יָדָהּ

For this reason she is the primary aspect of the house (just like Rachel was the main wife of Yaakov’s household), in the sense that all of the worlds of BiY”A are directed or guided and shepherded through her.

וְכֵן הִיא עוֹלָה וְיוֹרֶדֶת לְפִי מַעֲשֵׂה הַתַּחְתּוֹנִים

And she also rises and descends according to the deeds of those below,

וְהִיא הַנִּקְרָא בַשֵּׁם שְׁכִינְתָּא תַּתָּאָה כִּי הִיא הַמְּתַפְּשֶׁטֶת לְמַטָּה
וּמִשְׁתַּתַּפֵּת עִמָּהֶם

and she is called ‘the lower *Shechinah*’ since she extends down below and engages with them,

שְׁכָל גְּלוּיָו ית"ש אֲשֶׁר בְּכָל אֲצִילוֹת כּוֹלוֹ הַמְּתַגַּלָּה לְמַטָּה
בְּהָעוֹלָמוֹת בִּי"ע בְּקִיּוּמָם וְהַנְּהָגָתָם וּבְכָל תְּהִלּוֹתֵיהֶם

for all of His blessed revelations throughout the entire Atzilut that become revealed below in the worlds of BiY”A – in maintaining their existence, in directing them and throughout their processes –

הִנֵּה הוּא נִמְשָׁךְ רַק עַל יָדָהּ וְלָכֵן אֲמַרְנוּ שֶׁהִיא הַמְּנַהֶגֶת אֶת כָּל
הָעוֹלָמוֹת הַתַּחְתּוֹנִים

are drawn down exclusively through her *malchut*, and therefore we said that she directs all of the lower worlds.

וְכֵן אוֹרָה וְגִלּוּיָה בָּהֶם הוּא לְפִי מַעֲשֵׂיהֶם ע"פ הַזְּכוֹת וְהַחֻבָּה

And her light and revelation in them in the lower worlds is according to their deeds, whether meritorious or worthy of censure.

כִּי כִשְׁמַעֲשֵׂה הַתַּחְתּוֹנִים הֵם מְקַלְקְלִים הִיא מִתְחַשְּׁכֶת וּמִתְעַלֶּמֶת

For if the deeds of those below are deviant, she *malchut* darkens and becomes concealed,

וְכִשְׁמַטִּיבִים אֶת מַעֲשֵׂיהֶם הִיא מְאִירָה וּמִתְגַּלָּה וְהִיא הַשְּׁכִינְתָּא
תַּתָּאָה אֲשֶׁר רָחַל אֲמָנוּ הָיָה מְרַכֶּבֶה אֶלֶיָּה

and if they improve their deeds, she shines out and becomes revealed as the lower *Shechinah* for which our Matriarch Rachel was the *mercava*.

ובְּאֲשֶׁר שֶׁהָעוֹלָם כּוֹלוּ הָיָה עוֹמֵד אַז בְּקִלְקוֹל גָּדוֹל

Now since the entire world was in deviant state at that time,

כִּי לֹא הָיָה אַז צְדִיקִים גְּמוּרִים בְּכָל הָעוֹלָם כּוֹלוּ אֶלָּא רַק יִצְחָק
וַיַּעֲקֹב לְבַד

for there were no perfectly saintly *tsaddikim* in the entire world then, aside from Yitzchak and Yaakov,

וְהָיָה עֵי"ז הַשְּׂכִינָתָא תַּתָּאָה מִתְחַשְּׁכֶת וּמִתְעַלְמָת מְאֹד

and the lower *Shechinah* became darkened and deeply concealed.

לְכוּן רַחֵל אֲמֵנוּ אֲשֶׁר הִיא מְרַכָּבָה אֵלֶיהָ הָיְתָה אַז ג"כ עֲקָרָה

And therefore our Matriarch Rachel, who is the *mercava* for the lower *Shechinah*, was barren at that time.

אֲשֶׁר לֹא יָלְדָה וְלֹא נִפְקְדָה אֶלָּא אַחֵר צַעַר גָּדוֹל וּבְרַחֲמִים רַבִּים

She did not give birth, or even become pregnant, until after great distress and with tremendous compassion from Above.

וְכוּן לֵאָה אֲמֵנוּ אֲשֶׁר שָׂרְשָׁהּ הוּא בְּשְׂכִינָתָא עֲלֵאָה הָיְתָה מִתְחִילָה
ג"כ עֲקָרָה וּכְמ"ש בְּאַגְדַּת בְּרֵאשִׁית פ' נ"ב

Our Matriarch Leah, whose root is in the higher *Shechinah*, was also barren initially, as the *Aggada Bereishit* (ch. 52)⁵⁵ states,

וְהוּא מְשׁוּם שֶׁהַשְּׂכִינָתָא עֲלֵאָה שְׂהִיא שָׂרְשָׁהּ הָרִי הָיָה נִתְעַלָּם אַז
מִהָעוֹלָם הַזֶּה לְגַמְרִי וְכָנ"ל

and this is because the higher *Shechinah*, which was her root,⁵⁶ was completely concealed from this world at that time, as mentioned,

וְלֹא הָיָה נִתְגַּלָּה לְמַטָּה אֶלָּא רַק בִּלְאָה לְבַד וְלֹא הָיָה מִתְפַּשֵּׁט עוֹד
כָּלֵל

and was not revealed down below other than in Leah, and it did not extend any further.

וְעוֹד כִּי הַתְּקוּן דְּשְׂכִינָתָא עֲלֵאָה הוּא תְּלוּי ג"כ בְּתַתָּאָה

In addition, the *tikun* of the higher *Shechinah* also depends on the lower *Shechinah***,**

וְהַגֵּם שְׂהִיא אֵינָה מְשַׁתְּפֶת לְמַטָּה לְהַתְּפִיעַל מִמַּעֲשֵׂה הַתְּחִתּוֹנִים
עֲצָמָם

even though she does not engage with those below to become affected by their own deeds.

אך עכ"ז הנה תלוי תקונה בשכינתא תתאה עכ"פ וכמ"ש בפ' ויצא
קנ"ט ב' ע"ש

Nevertheless, her *tikun* depends on the *tikun* of the lower *Shechinah*, as it states in *Zohar I, Vayetze 159b*, see there.

אמנם בלהה וזלפה לא היו עקרות הגם ששרשם הוא מהאחורים
דלעאה ורחל

But Bilhah and Zilpah were not barren, even though their roots were from the posterior aspects of Leah and Rachel,

והפגם מגיע תמיד בהאחוריים ביותר הרבה אך עכ"ז הנה האור
דבחי' אחורים לא נתעלם לגמרי מעולם

and any blemish always affects the posterior levels much more; nevertheless, the light of the posterior levels is never completely concealed,

כי אם היתה נתעלם גם הוא היתה נתחרב העולם מכל וכל

for if that light also became concealed, the world would be completely destroyed.

ואינו נתעלם אלא האור דהפנים אבל ההשגחה דהסתר פנים זה
לא נפסק מעולם

Only the inner light becomes concealed, but the oversight the Divine *hashgacha* (providence) in its concealed state is never interrupted,

ולכן לא היו עקרות אלא רק רחל ולעאה לבד שהם מאור הפנים
העקרי

and therefore only Rachel and Leah were barren, since they came from the primary inner light

ושם היתה ההעלם ע"י קלקול הדור שלא היתה אז צדיקים גמורים
אלא רק בית יצחק ובית יעקב לבד.

where the concealment reigned due to the deviant behavior of that generation, where there were no saintly *tsaddikim* other than in the household of Yitzchak and the household of Yaakov alone.

והנה הגם שהעולם כלו היה עומד אז בקלקול גדול והיה נתעלם
האור דשכינתא תתאה ועלעאה הרבה מאד וכנז'

Now even though the entire world was then in an acutely deviant state, so that the light of the lower *Shechinah*, and the light of the upper *Shechinah* were

severely concealed, as mentioned,

אך באשר שאין הקב"ה חפץ בהשחתת העולם ובפרט משום צורך להשלים כוננתו ורצונו ית"ש

nevertheless, since the blessed Holy One does not desire the destruction of the world, and particularly so since it was necessary⁵⁷ to fulfill His intention and will

בכל בריאת עולמו וכמ"ש בראשית ברא שהוא בשביל ישראל שנקראו ראשית ובשביל התורה שנקרא ראשית

in creating His entire world, as the verse (Genesis 1:1) states, “In the

beginning G-d created...” which our Sages**⁵⁸** explain as meaning that there were two ‘beginnings’ (ב' ראשית) for which all the worlds were created – for the Jewish People who are called ‘*reishit*’ (the beginning) and for the Torah which is called ‘*reishit*’ (the beginning),

ומה גם משום הברית וגדל הזכות דאברהם יצחק ויעקב

and particularly so because of the Covenant He made with Abraham, Yitzchak and Yaakov, and their great merit.

הנה הפליא חסדו וטובו להאיר ולגלות אור שכינתו ית"ש למטה

Thus He granted His great kindness and His goodness to them by radiating and revealing the light of His *Shechinah* below.

והיה התחלת גליו מלאה משום שהיא מהאור דשכינתא עלאה

This revelation began from Leah, because she was the light of the higher *Shechinah*

אשר אין הפגם דמעשה התחתונים מגיע אליה ולכן נפקדה היא ברחמים מתחילה

since the deviant deeds of those below do not reach her, and therefore she was mercifully impregnated first,

וילדה היא ליעקב ששה בנים משום שהיא מהארת אור הבינה שהיא אם הו"ק

and gave birth to six of Yaakov's sons, since she was the radiance of the light of *binah*, the mother of the six sides of *ze'ir anpin* – the 6 emotional attributes from *chesed* to *yesod* that form *ze'ir anpin*.

וכן היא אחוזה בדעת כנ"ל אות ד' מדברי האריז"ל במבו"ש

She Leah is entrenched in *da'at* as well, as mentioned previously in section 5** (d) based on the words of the Arizal in *Mevo Sha'arim*.**

וְהַדָּעַת הוּא הַפְּנִימִית הו"ק וְשָׂרְשׁוֹ וְלָכֵן יִלְדָּהּ הִיא לִיעֶקֶב שֶׁשָּׁה
בָּנִים

Da'at is the inner dimension of the six sides of ze'ir anpin and its root, and therefore she gave birth to six of Yaakov's sons,

וּכְמ"ש וַיָּצֵא קַנ"ג ב' לֵאָה אוֹלְדֹת שֵׁשׁ בָּנִין וּבִרְתָּא דָּא

As in written in Zohar I, p. 153b: Leah gave birth to six sons and one daughter

וְהִכִּי אֶתְחַזִּי דָּהָא שֵׁשׁ סְטָרִין קִיָּמִין עָלֶיהָ וְאֵלֶּיָּן שֵׁשׁ וּבִרְתָּא דָּא
בְּרָזָא עֲלֵאָה נִפְקָא

and this is appropriate, for the six sides exist because of her, and these six sons and one daughter emerge from the supernal mystery

כִּי לֵאָה הִיא מִהַבִּינָה אִם הו"ק וּמַלְכוּת וְעִי"ז הִנֵּה נַעֲשֶׂה מִמִּילָא
תִּקּוּן גָּדוֹל לְרַחֵל ג"כ שֶׁהִיא מִשְׁכִּינְתָּא תַּתָּא

that Leah is from binah, the mother of the six sides and malchut, and therefore a great tikun is achieved automatically for Rachel, since she is the lower Shechinah.

כִּי כָּל שִׁפְעַת הַשְּׁכִינְתָּא עֲלֵאָה הַמְשַׁפִּיעַ לַמָּטָה הִנֵּה הוּא נִמְשָׁךְ דֶּרֶךְ
הַשְּׁכִינְתָּא תַּתָּא

This is because all the spiritual flow from the higher Shechinah below is drawn down through the lower Shechinah,

וְנִשְׁרָשִׁים בָּהּ מִתְחִילָה וּמִמָּנָה הֵם יוֹצְאִים לַמָּטָה כִּי הִיא עֶקְרָא
דְּבֵיתָא וְכָנ"ל

and they are all rooted in her in the lower Shechinah from the outset, and from her they emerge down below, since she is the primary woman of the house, as mentioned.

וְהָרִי נִמְצָא כִּי כָּל מָה שֶׁיִּלְדָּהּ לֵאָה מִשְׁרָשָׁה יֵצֵא לַמָּטָה דֶּרֶךְ שָׂרֶשׁ
רַחֵל וְנִשְׁרָשׁוּ בָּהּ

Thus we find that all of those whom Leah gave birth to emerged from her root via the root of Rachel, in whom they became imbedded.

וְהָרִי נִתְמַלֵּא עִי"ז שָׂרֶשׁ רַחֵל בְּשִׁפְעַת גְּדוּלָּה מִלְּמַעְלָה וְאֶפְסָר לָהּ
מַעֲתָה לְהֵאִיר וּלְהַמְשִׁיךְ מַעֲצָמוּתָהּ ג"כ

Accordingly, the root of Rachel became filled with a great spiritual flow from above, and now it was possible for her to shine forth and draw down from her essence as well.

וְהָיָה הַיָּה לֵידָת לֵאָה מָה שְׂיֻלָּהּ הִיא תַּחֲלָה תּוֹעֵלֶת גָּדוֹל לְרַחֵל ג"כ
כִּי נִשְׂרָשׁוּ בָּהּ כָּל הַשָּׂשׂה שְׁבָטִים כּוֹלֵן

Thus Leah being born first, prior to Rachel being born**, was of great benefit to Rachel as well, for all the six tribes** to whom Leah gave birth, were rooted in her as well.

וְכֵן הָיָה עִי"ז סִבָּה גְדוֹלָה שֶׁתִּפְקְדָה גַם הִיא לְהוֹלִיד מֵעֲצֻמוֹתֶיהָ ג"כ.

In addition, this was also a major causative factor in her becoming pregnant, so that she herself could also give birth.

וְהָעֵקֶר הוּא כִּי כָּל הַשָּׂשׂה שְׁבָטִים שֶׁנוֹלְדוּ מֵלֵאָה וְכֵן הִב' שְׁבָטִים
שֶׁנוֹלְדוּ מִזִּלְפָּה

The main point is that all six tribes to whom Leah gave birth, and also the two tribes born from Zilpah,

שֶׁהֵם מֵאַחֲרֵי דִלָּאָה הָגַם שְׁכוֹלֶם הֵם מֵהָאֹר דְּשְׁכִינְתָּא עֲלָאָה
וְכַנ"ל

who were from the posterior aspect of Leah, even though all of them are from the light of the higher *Shechinah*, as mentioned previously.

עכ"ז הִנֵּה מְצִיאוֹתָם מִמֶּשׁ לֹא נַעֲשֶׂה אֶלָּא רַק אַחֵר שֶׁיֵּרְדוּ בְּשְׁכִינְתָּא
תַּתָּאָה שֶׁהִיא בַּהֲנָה"י דְּהַמְלָכוֹת הַכִּלְלִי

Nevertheless, their existence did not come about until after they descended to the level of the lower *Shechinah*, which is the *nh"y* – *netzach, hod, yesod* – of *macro-malchut*.

וְאַחֵר שֶׁיֵּרְדוּ בָּהּ מֵהַשְׁכִּינְתָּא עֲלָאָה שֶׁהִיא מֵהַטְּבוֹר וּלְמַעַלָּה

After they descended into that level from the higher *Shechinah*, which is from the navel and above in its analogy in the human body,

הִנֵּה שֶׁם נִמְצְאוּ וְנִתְּהוּ לְמַצִּיאת הַנִּשְׁמוֹת אֲשֶׁר גַּם לְבָנֵי לֵאָה
וְזִלְפָּה וּמִמֶּנָּה יֵצְאוּ לְמַטָּה

– it was at that level the level of the lower *Shechinah* that the *neshamot* souls of the sons of Leah and Zilpah became a reality and were brought into existence, and from her the lower *Shechinah* they emerged below

וְהָיָה יְצִיאָתָם מֵהֲנָה"י דְּשְׁכִינְתָּא תַּתָּאָה.

– and they exited from *nh"y* of the lower *Shechinah*.

כִּי גַם לֵאָה עֲצָמָה אֲשֶׁר הִיא מֵהָאֹר דְּהַשְׁכִּינְתָּא עֲלָאָה הָיָה
יְצִיאָתָהּ לְמַטָּה ג"כ

For even Leah herself, who was from the light of the higher *Shechinah*, also emerged below

רק דרך השכינתא תתאה ומהנה"י שבה ונשרשה בה ג"כ

only via the lower *Shechinah*, from *nh*"y thereof, and she became rooted therein.

אלא שלאה עצמה נעשה מציאותה בהשכינתא עלאה גופה אלא
שיציאתה למטה היה דרך השכינתא תתאה

However, the existence of Leah herself was produced in the higher *Shechinah*; only her emergence below was via the lower *Shechinah*,

כי משם הוא יציאת כל הנשמות כולן וכנ"ל אות ג' ד'.

since it is from there that all souls emerge, as mentioned above subsections c and d.

אבל מציאת הנשמות דכל הי"ב שבטים כולן גם אותן אשר שרשם
הוא מהשכינתא עלאה

However, the existence of all the twelve tribes, even those whose root it in the higher *Shechinah*,

הנה נעשה מציאותם ג"כ רק בהשכינתא תתאה ונשרשו בה
ונתלבשו בהארתה

their actual manifestation as well is produced only in the lower *Shechinah* in which they become rooted and in whose radiance they become clothed.

ועי"ז נעשה מציאותם למעלה שהוא באצילות ויצאו משכינתא
תתאה ונתנו בלאה אשת יעקב ונולדו ממנה בעולם הזה

In this manner, their existence was formed above, in Atzilut, but they emerged from the lower *Shechinah* and were given to Leah, Yaakov's wife, from whom they were born into this world.

כי שרשם הראשון אשר למעלה הוא בלאה העליונה שהיא עלמא
עלאה

For their first root above is in the supernal Leah, the higher world.

וזהו מה שנקרא כל בית ישראל על שם רחל כנ"ל אות ב'

This is the reason that all Israelites are named after Rachel, as mentioned in subsection (b),

משום שכל מציאת כולם נעשה רק בשכינתא תתאה שהיא שרש
רחל

since the existence of all of them was produced only in the lower *Shechinah*, which is the root of Rachel,

וְנִשְׁרְשׁוּ כּוֹלָם בָּהּ וְלָכֵן הֵם שְׂיָכִים כּוֹלָם אֵלֶיהָ וְנִקְרְאוּ עַל שְׁמָהּ

and all of them the twelve tribes are rooted in her, and therefore they are associated with her and are called by her name.

וְכָל זֶה הוּא מְשׁוּם שֶׁלֹא נִשְׁלַם עֲדִין הַיְחוד דְּשְׂכִינְתָא עֲלָאָה וְתַתָּאָה
בְּכָל מָה שֶׁנּוֹגֵעַ לַגְלוּיִים בְּהַעֲלָמוֹת בִּי"ע

The reason for all of this is that the *yichud* of the higher and the lower *Shechinah* was as yet incomplete with regard to the revelations in the worlds of BiY" A,

וְאִי אִפְשָׁר לְהַשְׂכִּינְתָּא עֲלָאָה לְהַתְגַּלָּה לְמַטָּה בְּאוֹרָה עֲצֻמָּה

and it is impossible for the higher *Shechinah* to be revealed below with her own light.

וְלָכֵן גַּם כָּל מָה שֶׁנִּתְפַּשֵּׁט מִמֶּנָּה לְמַטָּה לְהִיּוֹת הַכֶּנֶּה לְהַתִּיקוֹן
הָעַתִּיד וְהוּא גְלוּיָהּ בְּלָאָה וִילְדֶיהָ

And therefore, everything that spreads forth from her the higher *Shechinah* below – in the form of her revelation in Leah and her children – as a preparation for the future *tikun*,

לֹא נִתְפַּשֵּׁטוּ ג"כ אֶלָּא רַק אַחֵר שֶׁנִּשְׁרְשׁוּ בְּהַשְׂכִּינְתָּא תַתָּאָה עַכ"פ
וּמִמֶּנָּה יֵצְאוּ וְיִרְדּוּ לְמַטָּה

did not spread forth until after they had become rooted in the lower *Shechinah*, at the very least, and from her they emerged and descended below.

וְזֶהוּ שֶׁאָמְרוּ בִּפ' וַיֵּצֵא קַנ"ח א' דְּכֻלְהוּ תְּרִיסָר שְׁבִטִין תְּקוּנָא דְּעֲלָמָא
תַתָּאָה נִנְהוּ

And this is what they said in *Zohar I, Vayetze* p. 158a – that all twelve tribes are the *tikun* of the lower world,

כִּי הֵם תִּיקוּנָהּא שֶׁתְּתַגַּלָּה עַל יָדָם לְמַטָּה וְהוּא מְשׁוּם שֶׁכוֹלָם הֵם
נִשְׁרְשׁוּ בָּהּ בְּהַז' תַּחְתּוֹנוֹת שְׁבָהּ

for they are her *tikun* that were to be revealed by them down below, and this is because all of them were rooted in her, in her seven lower *sefirot* – from *chesed* to *malchut*.

וְהֵם בְּסֹדֶר זֶה רְאוּבוֹן בְּחֹסֶד שֶׁמַּעֲוֹן בְּגִבּוֹרָה לְיוֹי בַּת יְהוּדָה
בְּהַמְלָכוֹת שֶׁבְּאַחֲרֵי הַת"ת

This is how they are arranged: Reuven *chesed*; Shimon *gevurah*; Levi *tiferet*; Yehuda *malchut* of the posterior of *tiferet*

שְׂיוּצָא מִנֶּקֶב הַחֲזֵה וְהוּא הַגּוּמָא שֶׁתַּחַת הַלֵּב בֵּין הַצְלָעוֹת שֶׁעַל הַלֵּב

that emerges from the aperture in the ‘chest’ of *z”a* – this is the hollow below the heart, between the ribs over the heart.

וְהוּא טְבוּרָא דְלֵבָא וְאֶתְפָּשֵׁט וְאֶתְעַבֵּר בְּגִיסָא אַחֲרָא כַּמ"ש בַּאד"ר קַמ"א ע"ב

This is the ‘navel’ of the heart that spreads out and passes to the other side, as stated in *Idra Rabba* p. 141b

וְיוֹצֵאת מֵאַחֲרָיו וּבִסּוּד אַחֲוֹר וְקֹדֶם צִרְתָּנִי וְכַמ"ש בְּעֶרְוִבִין י"ח א'

and emerges behind him, in the mystical secret of (Psalms 139:5) “back and front You have formed me,” as the Talmud *Eruvin* 18a states.

וְאַח"כּ נִתְקַנָּה פָּנִים בְּפָנִים עִמּוֹ שֶׁנִּסְתָּרָם הַקֵּב"ה וְהִבִּיֵּאה פָּנִים בְּפָנִים עִמּוֹ כַּמ"ש בַּב"ר פ' ח'

After that, she is set face-to-face with him, for the blessed Holy One separated them and brought her face-to-face with him As *Bereishit Rabba* 8 states.

וּבְאוֹתָהּ הַמַּלְכוּת הַיּוֹצֵא מֵהַת"ת שֶׁם הוּא שְׂרָשׁ יְהוּדָה מַלְכוּת בֵּית דָּוִד הַנִּמְשָׁךְ וְיוֹצֵא מִמַּלְכוּת שָׁמַיִם.

From that *malchut* that emerges from the posterior of *tiferet* is the root of Yehuda, the Royal House of David which is drawn from and emerges from the Kingdom of Heaven.

יִשְׁשַׁכַּר בְּפָרָק עֲלִיּוֹן דִּנְצַח זְבֻלוֹן בְּפָרָק עֲלִיּוֹן דִּהוּד דָּן בְּפָרָק אֲמֻצָּעִי דִּהוּד

To continue listing the tribes according to the *sefirot*: Yissachar is the upper section of *netzach*, and Zevulun is the upper section of *hod*, and Dan is the middle section of *hod*.

נַפְתָּלִי בְּפָרָק תַּחְתּוֹן דִּהוּד גָּד בְּפָרָק אֲמֻצָּעִי דִּנְצַח אֲשֶׁר בְּפָרָק תַּחְתּוֹן דִּנְצַח יוֹסֵף בִּיסוּד שְׁלֵה בְּנִימִין בַּעֲטֻרַת הַיִּסּוּד

Naftali is the lower section of *hod*; Gad is the middle section of *netzach*; Asher is the lower section of *Netzach*; Yosef is her *yesod* and Binyamin is the corona of *yesod*.

וְאַח"כּ כִּשְׁעָמֵד יוֹסֵף בְּנִסְיוֹן עָלֶה יוֹסֵף בִּיסוּד דַּז"א וּבְנִימִין עָלֶה בִּיסוּד שְׁלֵה

Subsequently, when Yosef withstood his test by rejecting the enticements of Potiphar's wife, he ascended to the level of *yesod of ze'ir anpin*, and Binyamin ascended to the level of her *yesod* i.e. *yesod of malchut*

וּמְנַשֶּׁה וְאֶפְרַיִם נָטְלוּ ב' הָעֵטְרִין אֶפְרַיִם עֵטֶר דז"א מְנַשֶּׁה עֵטֶר
שָׁלָה

and Menashe and Ephraim took the two 'crowns' – Ephraim the crown of *ze'ir anpin*, and Menashe her crown of *malchut*.

וְכֵן נִשְׁרָשׁוּ ג"כ בְּהי"ב גְּבוּלֵי אֶלְכֶסוֹן שְׁבָהו"ק

And they became rooted in the twelve diagonals joining the six sides.

וְהוּא סוּד הַדְּגָלִים ג' לַיָּמִין וְג' לַשְּׂמָאל ג' לַמִּזְרָח וְג' לַמַּעַר

This is the mystical explanation of the flags – three to the right, three to the left, three to the east and three to the west.

וּכ"ז הוּא הַכֹּל מִשְׁרָשָׁם שֶׁבְּשִׁכְנִיתָא תַּתָּא אֲשֶׁר נִשְׁרָשׁוּ בָּהּ

All of this is due to their origin in the lower *Shechinah* in which they are rooted.

גַּם הַשָּׁשָׁה שְׁבָטִים דִּלְעָה בְּעֶבְרָם דֶּרֶךְ עָלֶיהָ, וְהֵגַם שֶׁשְׁרָשָׁם הוּא
מִהִשְׁכִּינְתָּא עֲלָהּ וְכֵן נִוְלְדוּ בְּעוֹה"ז מִלְּעָה

And so too with the six tribes who descended from Leah, when they transferred over to her to the lower level of *Shechinah*, even though their root is in the higher level of *Shechinah*, and they were also born into this world through Leah.

כִּי בְנֵי בֵּית יִשְׂרָאֵל צָרִיךְ לִהְיוֹת מִהַמְּלָכוֹת הַכִּלְלִי כוּלָּהּ

This is because building the House of Israel must be from the entire macro-*malchut*.

אֲךָ בְּאֲשֶׁר שְׁעֵדִין לֹא זָכָה הָעוֹלָם לְהַגִּילוֹי דְּהִיחּוּד הָעֲלָא בְּתַתָּא

But since the world was not yet worthy of the revelation of the *yichud* of the higher level of *Shechinah* with the lower

כִּי בְּאֵם שֶׁהָיָה הִיחּוּד כְּהֶרָאוֹי הָרִי הָיָה לָאָה וְרָחֵל וְכֵן בְּלָהָה וְזִלְפָּה
כוֹלָן לְפָרְצוּף אַחַת וּבִשְׁם רָחֵל וְכַנֵּ"ל

– for had that *yichud* been proper, then Leah and Rachel and also Bilhah and Zilpah would have all formed a single *partzuf* named Rachel, as explained above –

וְהָרִי לֹא הָיָה הִיחּוּד כְּרָאוֹי וְלָכֵן נִתְפָּרְדּוּ לְמַטָּה

but in fact the *yichud* was not a proper one, and therefore down below they all emerged as **distinct** individuals.

אֲמָנָם אֵינָה מִתְגַּלִּית הִשְׁכִּינְתָּא עֲלָהּ עֲצָמָה לְמַטָּה כָּלֵל

Nevertheless, the higher level of *Shechinah* herself is not revealed down below at all

כי אין פרוד ביניהם למעלה ח"ו שיתגלו למטה זה בפנ"ע וזה בפנ"ע חלילה וחלילה

since there is no separation between them between the higher and lower levels up above, so that each would manifest on its own, Heaven forbid,

כי הרי באם שהיה הגלוי דהיחוד כהראוי הרי לא היה כלל בחי' עלאה ותתאה

for if the revelation of the *yichud* was proper, there would not be higher and lower levels of *Shechinah* at all.

אלא שהשכינתא תתאה היתה עולה עד למעלה והיו שניהם אחד

Instead, the lower level of *Shechinah* would have ascended on high, and they would have been one –

שהוא המלכות הכללי דאצילות רחל הכללי והיתה מתגלה כולה למטה

the macro-*malchut* of Atzilut, macro-Rachel, and she would have been revealed below in her entirety.

וכן היו כל הד' נשי יעקב כולן אחת ובשם רחל וממנה היו נולדים כל הי"ב שבטים

Similarly, all four wives of Yaakov would have been one, named Rachel, and from her all twelve tribes would have been born

משמש דהז"ת והי"ב גבולי אלכסון שבכל המלכות הכללי כולו

from the seven lower *sefirot* of Atzilut and the twelve diagonals in all of macro-*malchut*.

ועכשו אשר לא זכה העולם להגילוי דהיחוד כהראוי

But now, since the world was not worthy of the revelation of the proper *yichud*,

הנה חסר העולם מהגלוי דשכינתא עלאה מכל וכל

the world is completely lacking the revelation of the higher *Shechinah*.

שגם מה שיצא ממנה למטה להיות הכנה על התקון דלעתיד והוא לאה וילדיה

For even what emerged from her down below, as a preparation for the future *tikun*, i.e. Leah and her offspring,

הנה הרי יצאו ג"כ רק דרך התפארה ובהבחי' שהיא עתה שהוא
בהחסרון דגלוי היחוד ולכן אינו מתגלה גם בהם העלאה כלל

they too emerged only via the lower level (usually identified as *malchut*), and only in the aspect that she is now – lacking the revelation of *yichud* – and therefore the higher level (usually identified as *binah*) is not revealed in them at all.

אמנם יציאתם דרך התפארה וכן מה שנשרשו ונתלבשו בה כנ"ל

Nevertheless, emerge as they did via the lower level, and also the fact that they became rooted and clothed in her, as mentioned previously,

הרי הוא ג"כ רק מסבת היחוד כי הרי בפנימיותם הם אחד

is also only due to the *yichud*, since in their inner dimensions they are actually one,

ואי אפשר שיתגלה עלאה בלתי תפארה ולכן יצאו רק דרך עליה

and it is impossible for the higher to be revealed without the lower, and therefore they emerged only through her

וע"י התלבשם בה דוקא והיה יציאתם ממנה כמו שהיא עתה

and via their becoming clothed precisely in her, and they emerged through her the way she is now –

בהחסרון דגלוי דהיחוד ואינו מתגלה עתה גם בהששה שבטים
דלאה

lacking a revelation of the *yichud* – and this is not revealed at the moment even in the six tribes who descended from Leah,

אלא האור דהתפארה לבד ממה שנשרשו ונתלבשו בה

other than the light of the lower *Shechinah*, from that which became rooted and clothed within her.

אבל האור דשכינתא עלאה אשר הוא שרשם העקרי אינה מתגלה
עתה בהם כלל.

But the light of the higher *Shechinah*, which is their primary source, is not revealed in them at this time at all.

ולכן הם כולם רק תקוני דהשכינתא תפארה כי על ידם היא
מתגלית למטה

And therefore they are all merely *tikunim*⁵⁹ of the lower *Shechinah*

והם בייא דשכינתא שהיא שורה בהם והם מרכבה אליה לשכן
כבוד בתוכם

and they house the *Shechinah* which dwells within them, and they are a *mercava* to her, in which she dwells in honor,

וְלִהְיֶה גְלוּתָהּ עַל יָדָם בְּכָבוֹד מַלְכוּתוֹ יִתְבָּרַךְ בְּכָל הָעוֹלָם כּוּלּוֹ

and through which she is revealed in the glory of His blessed sovereignty throughout the entire world.

וְהִרִי הֵם תִּיקוּנָהּא כִּי עַל יָדָם הִיא מִתְגַּלֶּה לְמַטָּה וְכֵן עַל יָדָם הִיא מִתְתַּקֶּנֶת תָּמִיד בִּיְחֻדָּהּ לְמַעַלָּה וּלְמַטָּה

Thus they are her *tikun*, for it is through them that she becomes revealed below, and it is also through them that she is constantly being rectified with the *yichud* above and below.

כִּי מִשּׁוּם שֶׁהֵם מֵהֶעֱלָאָה וְנִשְׁרָשׁוּ בָּהּ הִנֵּה נִמְשָׁךְ עַל יָדָם יְחִיד
הֶעֱלָאָה בְּתַתָּאָה גַּם לְמַטָּה וְיִתְגַּלֶּה זֶה לְעֵתִיד

The reason for this is that since they are from the higher level, and are rooted in her, via them the higher *yichud* is drawn down into the lower, even down below, and this will be revealed in the future.

וְהִרִי הִיא מִתְתַּקֶּנֶת עַל יָדָם וְהֵם תִּקוּנָהּא

Accordingly she is rectified by them, and they are her *tikun*.

זֶהוּ שֶׁאָמַר הַזֹּהַר "ק הַנִּזְכָּר דְּכוּלָּהּוּ תְּרִיסָר שְׁבָטִין תִּקוּנָא דְּעָלְמָא
תַּתָּאָה נִנְהוּ

This is the meaning of the statement in the Zohar cited earlier – that all twelve tribes are the rectification of the lower world.

כִּי הֶעֱלָאָה אֵינּוּ מִתְגַּלֶּה עִתָּהּ גַּם בְּהִשָּׁשָׁה שְׁבָטִים דְּלָאָה הֵגֶם שֶׁהֵם
מִמֶּנָּה

This is because the higher level is not revealed in the six tribes of Leah even now, even though they are from her,

מִשּׁוּם הַחֲסָרוֹן דְּהִיחוד כְּנִז' וְהֵם רַק תִּקוּנָא דְּעָלְמָא תַּתָּאָה מִשּׁוּם
שֶׁנִּשְׁרָשׁוּ בָּהּ

because of the lack of *yichud*, as mentioned, and they are therefore only the *tikun* of the lower world, since they became rooted therein

וְיֵצְאוּ גַּם הֵם לְמַעַלָּה רַק מִמֶּנָּה וְלָכֵן הִיא מִתְגַּלֶּית גַּם בָּהֶם תָּמִיד
וּמִתְתַּקֶּנֶת עַל יָדָם בִּיְחֻדָּהּ לְמַעַלָּה וְכִנְז'.

and they emerged above only from her the lower *Shechinah* and therefore she constantly becomes revealed in them as well, and she is rectified through them with the higher *yichud*, as mentioned before.

וְהָרִי נִתְבָּאָר לָנוּ מִכָּל זֶה הָעֲנָן מָה שֶׁלֹּא נִוְלְדוּ כָּל הַי"ב שְׁבָטִים
מִרְחֵל

Thus it has become clear from all of the above why not all the twelve tribes were born to Rachel,

הַגַּם שֶׁהָיָא עֲקָרָה שֶׁל בֵּית מִשּׁוּם שְׁעָדִין לֹא זָכָה הָעוֹלָם לְהִגְלִי
דְּאוּר הַיְחוד לְמַטָּה

even though she was the primary wife of Yaakov's house, since the world was not yet worthy of the revelation of the light of *yichud* down below,

וְהָיָה רְחֵל אִשְׁתִּי יַעֲקֹב מְרֻכָּבָה רַק לְהַשְׁכִּינָתָא תַּתָּא
and Rachel, Yaakov's wife, was the *mercava* only to the lower *Shechinah*.

אָבֵל הַשָּׂשָׁה שְׁבָטִים דְּלָאָה הִנָּה הֵם נִמְשְׁכוּ מִהַשְׁכִּינָתָא עֲלָאָה
שֶׁהָיָא שֶׁרֶשׁ לָאָה

But the six tribes of Leah were drawn from the higher *Shechinah*, which is the Leah's root,

כִּי כֵן צְרִיךְ לִהְיוֹת בְּנֵי בֵּית יִשְׂרָאֵל מִכָּל הַמַּלְכוּת הַכִּלְלִי כֹלָה
for this is the way the House of Israel must be built – from the entire macro-
malchut.

וַיֵּצְאוּ כֻלָּם מֵיעֲקֹב אָבִינוּ ע"ה שֶׁהוּא אִישׁ אֶחָד כְּדִי שִׁיתוּקֵן עַל יָדָם
הַגְּלוּי דְּאוּר הַיְחוד לְמַטָּה

All of them emerged from our Patriarch Yaakov – one man – so that the light of *yichud* could be rectified by them the twelve tribes down below,

שִׁיתִּיחַדוּ עַל יְדֵיהֶם הָעֲלָאָה בְּתַתָּא וַיְהִי שְׁנֵיהֶם אֶחָד כְּמוֹ שֶׁהֵם
בְּאַמֻּת הַכָּל אֶחָד וְכֵן הֵם לְעוֹלָם בְּפְנִימִיּוּתָם

with the unification of the upper and lower as one, as they truly are, and as they always are in their inner dimension.

וּמִשּׁוּם שֶׁרְחֵל אִמְנוּ לֹא הָיְתָה מְרֻכָּבָה רַק לְהַשְׁכִּינָתָא תַּתָּא לְבַד
But our Matriarch Rachel was a *mercava* only to the lower *Shechinah*,

כִּי לִהְיוֹת מְרֻכָּבָה לְכָל הַמַּלְכוּת הַכִּלְלִי כֹלָה וְכֵמוֹ שִׁיְהִיָּה בְּתַקוּן
הָעֲתִיד וְכֵן אִם זָכָה הָעוֹלָם לְכַךְ

whereas in order to be⁶⁰ a *mercava* to the entire macro-*malchut*, the way it will be in the future, and had the world been worthy thereof,

גַּם עַתָּה הָיוּ כָּל הַד' נָשֵׁי יַעֲקֹב לְאַחַת.

even now all four of Yaakov's wives would have been one.

וְלָכוּ ע"י שְׁלֹא זָכָה הָעוֹלָם עֲדִין לְהִתְקוֹן הַגָּמוּר הִיְתָה רַחֵל אֲמֵנוּ
מְרַכְבָּה רַק לְהִשְׁכִּינָתָא תַּתְּמָא לְבַד

But because the world was not yet worthy of the complete rectification, our
Matriarch Rachel was a *mercava* to the lower *Shechinah* exclusively,

וְנִתְפָּרְדוּ נְשֵׁי יַעֲקֹב לִד' כִּי נִפְרַד הַפָּנִים שֶׁהוּא לֵאמֹר וְרַחֵל לְשָׁנִים
and Yaakov had four wives, for the frontal aspect was divided into two,
Leah and Rachel.

וְכֵן נִפְרַד הָאַחֲוִיִּים שֶׁהֵם זֵלְפָּה וּבִלְהָה מֵהַפָּנִים וְנִפְרְדוּ גַם הֵם
לְשָׁנִים

and the posterior was also split off from the frontal aspect and was also divided
into two – Zilpah and Bilhah.

לָכוּ נִתְחַלֵּק לִידֵת הַשְּׁבָטִים וַיֵּצְאוּ בְּעוֹלָם הַזֶּה מִד' גּוֹפּוֹת שֶׁהֵם הִד'
נָשִׁים לְפִי שֶׁרֶשׁ כ"א אֲשֶׁר בְּהַמְלָכוֹת הַכִּלְלִי

Therefore the birth of the tribes was distributed among four wives, and they
emerged from four different bodies who were the four wives of Yaakov, since the
root of each of them was in macro-*malchut*.

אֲמֵנִם מְצִיאוֹתָם וַיֵּצְאוּתָם לְמַעַלָּה הָיָה הַכֹּל רַק דֶּרֶךְ הַשְּׁכִינָתָא
תַּתְּמָא שֶׁהִיא שֶׁרֶשׁ רַחֵל

Nevertheless, their existence and their emergence above in the higher worlds was
only via the lower *Shechinah*, the root of Rachel,

אַחֵר שֶׁנִּשְׁרְשׁוּ כּוֹלָם בָּהּ וְדֶרֶךְ בָּהּ נִמְשָׁךְ וְנִעֲשֶׂה וַיּוֹצֵא כָּל אֹר שְׁפַעַת
דְּהַמְלָכוֹת הַכִּלְלִי כּוֹלָה

since all of them became rooted in her, and via her all the light from the flow of
the entire macro-*malchut* was drawn down and formed and emerged.

כִּי לְמַעַלָּה הֵם מְיוֹחָדִים לְעוֹלָם עכ"פ וְנִמְשָׁךְ הַכֹּל רַק דֶּרֶךְ
הַשְּׁכִינָתָא תַּתְּמָא שֶׁהִיא עֶקְרָה שֶׁל בֵּית

Because above in any event they are always united as one, and everything is
drawn down only via the lower *Shechinah*, the primary aspect of the house of
Yaakov,

כִּי הִיא הַמְנַהֲגָת אֶת כָּל הָעוֹלָמוֹת בִּי"ע וְהִיא שֶׁרֶשׁ רַחֵל אֲמֵנוּ אִם
יִשְׂרָאֵל

because she is the one who directs or guides all the worlds of BiY”A, and she is
the root of our Matriarch Rachel, the Mother of Israel,

כי נמשכו כל הי"ב שבטים משרשה ומתיחסים כולם אחריה
ונקראו על שמה

since all twelve tribes were drawn down from her root, and the lineage of all of them is connected to her, and they are called by her name.

כי גם נשמת לאה עצמה וכן נשמת בלהה וזלפה יצאו למעלה ג"כ
רק דרך שרש רחל שהיא השכינתא תתאה

Even the soul of Leah herself and the souls of Bilhah and Zilpah emerged above only via the root of Rachel, the lower *Shechinah*,

ולא נתחלקו אלא למטה משום חסרון הגלוי דאור היחוד שלא זכה
העולם לזה עדיו עד לעתיד.

and they divided into four only down below, due to the lack of the light of *yichud* which the world was not yet worthy of, not until the future.

אך בהתיקון דלעתיד יוכללו כולם לאחד ויתיחדו כל אורות
הפרטים דהנוקבין שבהמלכות הפללי

But in the *tikun* of the future all of them will be included as one, and all of the individual illuminations of the individual aspects of the female elements of *macro-malchut* will unite into one –

שהם רחל ולאה ובלהה וזלפה כולן לאחת

i.e. Rachel, Leah, Bilhah, and Zilpah will all be one.

וכו ותיחדו תולדותיהן אשר למטה בעוה"ז שהם כל הי"ב שבטים
כל בית ישראל כולם לאחד

Similarly, all of their descendants below in this world, i.e. all twelve tribes comprising the entire House of Israel will all unite as one.

וזהו שאמר הכתוב ביחזקאל ל"ז קח לך עץ אחד וכתב עליו
ליהודה ולבני ישראל חבירו שהם כל בני לאה ובני זלפה

****This is indeed what the verse in Ezekiel 37:**16-19 states: "...take one piece of wood and write upon it, 'For Yehuda and for the Children of Israel, his comrades'..." where 'comrades' are the sons of Leah and the sons of Zilpah,**

ולקח לך עץ אחד וכתוב עליו ליוסף עץ אפרים וכל בית ישראל
חבירו שהם כל בני רחל ובני בלהה

"and take one piece of wood and write upon it, 'for Yosef, the wood of Ephraim and all the House of Israel, his comrades'..." where 'comrades' here are the sons of Rachel and the sons of Bilhah

וקרב אתם אחד אל אחד לך לעץ אחד והיו לאחדים בידיך כו'

“then bring them close to one another as one piece of wood, and they will become united in your hand...”

הִנֵּה אֲנִי לִקְחָם אֶת עֵץ יוֹסֵף אֲשֶׁר בְּיַד אֶפְרַיִם וְשִׁבְטֵי יִשְׂרָאֵל חִבְּרִיו
וְנִתְּתִי אוֹתָם עָלָיו

“behold I am taking the wood of Yosef which is in the hand of Ephraim and the tribes of Israel his comrades, and I am placing him together

אֶת עֵץ יְהוּדָה וְעֵשִׂיתָם לְעֵץ [כִּי יִכְלְלוּ הַכָּל בְּרַחֵל וּבִנָּהּ" ל שֶׁהִיא עֵקֶרָה שֶׁל בֵּית לְעוֹלָם]
אֶחָד וְהָיוּ אֶחָד בְּיָדִי

[because all of them will be included in Rachel, as we noted earlier, since she is forever the primary aspect of his household] with the wood of Yehuda, and make them into one piece of wood and they will become one in My hand.”

כִּי יִתְגַּלֶּה אָז אֹר הַיְחוד דְּשְׁכִינְתָא עֲלָא בְּתַתָּא וְלֹא יִהְיֶה אָז
לְשֵׁנִים כָּלִל

For then will be revealed the light of unity of the upper *Shechinah* with the lower *Shechinah* and they will no longer be two entities.

וְיִתְגַּלֶּה אָז הַשְּׁכִינְתָא תַתָּא לְמַעְלָה וְיֵאָר וְיִתְגַּלֶּה כָּל אֹר הַמַּלְכוּת
הַכָּלְלִי כּוֹלּוֹ לְמַטָּה וְהָיָה ה' לְמֶלֶךְ עַל כָּל הָאָרֶץ.

And then the lower *Shechinah* will become revealed above, and all the light of the entire macro-malchut will radiate out and become revealed down below, and the verse in Zechariah 14:9 “and God will be King over all the earth” will be completely fulfilled.

וְזֶהוּ שְׁאֵמַר שֵׁם הַכְּתוּב עוֹד וְלֹא יִחָצוּ עוֹד לְשֵׁנֵי מַמְלָכוֹת

And Scripture also states there “they will no longer be divided into two kingdoms” (Ezekiel 37:22)

שֶׁהוּא שְׁכִינְתָא עֲלָא וְתַתָּא שֶׁהֵם סוּד שְׂרֵשׁ מַלְכוּת בֵּית דָּוִד
וּמַלְכוּת בֵּית אֶפְרַיִם

which are the manifestation of the higher *Shechinah* and the lower *Shechinah* – the mystical explanation of the Kingdom of the House of David and the Kingdom of the House of Ephraim.

אָבֵל אַחֵר שִׁיתִּיחֲדוּ וְיִתְגַּלֶּה הַשְּׁכִינְתָא תַתָּא עַד לְמַעְלָה לְמַעְלָה

But after they have been united into one, and the lower *Shechinah* will become revealed in the very heights,

אָז תֵּאִיר הַשְּׁכִינְתָא תַתָּא עֲצָמָה לְמַטָּה בְּהָאֹר דְּשְׁכִינְתָא עֲלָא

then the lower *Shechinah* herself will shine with the light of the higher *Shechinah*.

וְזֶהוּ שֶׁאָמַר שֵׁם הַכְּתוּב עוֹד וְעַבְדֵי דָוִד מֶלֶךְ עֲלֵיהֶם וְרוּעָה אֶחָד
יְהִי לְכֻלָּם כִּי יַעֲשׂוּ שְׁנֵיהֶם לְאַחָד.

And this is what Scripture goes on to state there, “My servant David will be king over them, and there will be one shepherd for all of them” (Ezekiel 37:24), for the two of them will become one.

וְאָמַר שֵׁם הַכְּתוּב עוֹד וְדָוִד עַבְדֵי נָשִׂיא לָהֶם לְעוֹלָם

And then the verse there (Ezekiel 37:25) states further, “My servant David will be their leader forever.”

וְאָמְרוּ רַז"ל סְנֵהֲדָרִין צ"ח ב' כְּגוֹן קִיסָר וּפְלָגֵי קִיסָר

Regarding this latter verse, the question arises as to why David is only described in this verse as *nassi* – ‘their leader’ and not ‘their king’? **Our Sages (**Talmud Sanhedrin 98b) explain that this is like a king and his deputy. In other words, Mashiach (the Messiah) will rule over all of Israel, and King David will be his deputy (their leader, but not their king). This is the plain meaning of the text. However, the Baal haLeshem explains it differently:

כִּי עַקֵּר הַמַּלְכוּת יְהִיָּה אֲזִי רַק מַלְכוּת שָׁמַיִם וְהִיא ה' לְמֶלֶךְ עַל כָּל
הָאָרֶץ וְיְהִיָּה מֶלֶךְ הַמָּשִׁיחַ רַק בְּתוֹרַת נָשִׂיא

The reason is that the primary sovereignty will be only the Kingship of Heaven, as the verse (Zechariah 14:9) states, “And Havaye will be King over all the earth,” while Mashiach will reign only as a leader a *nassi*.

וְהוּא ע"ד שֶׁהִיא בְּמִשָּׁה רַבֵּנוּ ע"ה שֶׁהִיא כָּל הַנְּהָגַת יִשְׂרָאֵל בְּכָל
עֲנִינֵיהֶם רַק מֵהֶקֶב"ה לְבַד

This is similar to the way things were with Moshe Rabbeinu – the entire leadership of the Israelites in every aspect was exclusively from the blessed Holy One,

עַל פִּי ה' יִחַנו וְעַל פִּי ה' יִסָּעוּ וְכוּן בְּכָל צָרָכָם וְעֲנִינֵיהֶם

as the verse (Numbers 9:18) states, “according to God’s word they will encamp, and according to God’s word they will travel,” and similarly with all of their needs and issues –

הָרִי הָיָה הַכֹּל ה' אֱלֹהָיו עִמּוֹ וְתִרְוַעַת מֶלֶךְ בּוֹ וְהִיא רַק בְּהַנְּהָגָתוֹ
יִת"ש מִמֶּשֶׁשׁ

in every matter “Havaye his God is with him [Israel], and the friendship of the King is in him” (Numbers 23:21), i.e. they were led by Him alone, may He be blessed,

וכמ"ש וַיְהִי בִישׁוּרוֹן מֶלֶךְ וְהָיָה מִשְׁרַבַּע"ה רַק בְּתוֹרַת נָשִׂיא עַל כּוֹלָם

as the verse (Deuteronomy 33:5) states, “He [God] became King over Yeshurun” – Yeshurun is another name for the Israelites. God became King over them when they accepted the Torah (*Sforno*). And Moshe Rabbeinu was only the leader *nassi* over all of them.

כֵּן יִהְיֶה לְעֵתִיד בְּמֶלֶךְ הַמָּשִׁיחַ שְׁיִהְיֶה רַק בְּתוֹרַת נָשִׂיא לְבַד וַיִּתְגַּלֶּה הַקֵּב"ה הוּא עֲצָמוֹ בְּמַלְכוּתוֹ לְמַעַלָּה וּלְמַטָּה

And so it will in the future, with Mashiach, who will be only a leader a *nassi* rather than a king and the blessed Holy One Himself will be revealed in His sovereignty above and below,

וכמ"ש יִשְׁעִיָּה כ"ד כִּי מֶלֶךְ ה' צְבָאוֹת בִּהְרֵי צִיּוֹן וּבִירוּשָׁלַם שְׁיִתְגַּלֶּה אֹר מַלְכוּתוֹ ית"ש לְמַטָּה מִמָּשׁ.

as it states in Isaiah 24:23, “for Havaye, Master of Legions, will reign in Mount Zion and in Jerusalem” – i.e. the light of His Kingdom will be revealed below.

וְע' בְּזוֹהַר"ק סוֹף ח"ג דָּף ש"א סע"ב וְשָׁם ש"ב ע"א ע"ש כָּל הָעֲנָנוֹ וְכֵן בַּפ' וַיֵּרָא קי"ב ע"ב

See *Zohar III* 301b; *ibid.* 302a – see the entire concept there, and also in *Zohar I* 112b:

אַתָּה שְׁבִיעָא דְדִרְגִּין וְסִימָנָךְ וְאֵת דָּוִד מְלָכָם אֲשֶׁר אֲקִים לָהֶם

‘This is the locality of the seventh level the *sefirah* of *malchut* and the sign thereof is alluded to in the verse (Jeremiah 30:9) “... and David their king I will place over them.”

וְכֵן בַּפ' נח דף ע"ב ב', ופ' קדושים דף פ"ד א' וְשָׁם פ"ו א'

And similarly in *Zohar I*, *Noach* p. 72b, and in *Zohar III*, *Kedoshim* p. 84a, 86a.

וּמִזֶּה תָּבִין סוֹד מֵאֲמָרָם ז"ל סִנְהֶדְרִין צ"ח ב' עֵתִיד הַקֵּב"ה לְהַעֲמִיד לָהֶם דָּוִד אַחֵר

Understand from this the statement of our Sages in Talmud Sanhedrin 98b: In the future the blessed Holy One will establish another David for them,

שְׁנֵאֲמַר וְעָבְדוּ אֶת ה' אֱלֹהֵיהֶם וְאֵת דָּוִד מְלָכָם אֲשֶׁר אֲקִים לָהֶם

as the verse (Jeremiah 30:9) states, “And they will serve Havaye their Lord, and David their king I will place over them.”

הַקִּים לֹא נֵאֱמַר אֶלָּא אֲקִים כִּי הוּא בְּסוֹד אֲקִים אֶת סִכַּת דָּוִד הַנוֹפֶלֶת

‘Now it does not state, “I placed,” but rather “I will place” – for this is the mystical explanation of “I will raise up the fallen Succah Tabernacle of David” (Amos 9:11) – referring to the Temple.

שְׁהִיא בְּתוֹלֵת יִשְׂרָאֵל סִכַּת שְׁלוֹם (הַגָּהָה מִכ"י הַמַּחְבֵּר וְכמ"ש
כִּזְוָה"ק פ' בָּלָק קצ"ט ע"ב):

This refers to ‘the young maiden of Israel’ (see Jeremiah 31:3), alluding to *malchut*, who is the Tabernacle of Peace. (A hand-written note from the author: As *Zohar III, Balak* p. 199b states).

5h — Tikun of the World and Tikun of the Shechinah

וְנִחְזֹר לַעֲנִין בְּדַבְּרֵי הַזֶּה"ק קנ"ח א' שֶׁהֶעֱתִיקָתִי לַעֲלֹל אוֹת ג'

Let's return to the concept found in the words of the *Zohar I* p. 158a cited above, section (c),

שֶׁאָמַר שֵׁם דְּכָלֵּהוּ תְּרִיסָר שְׁבָטִין תְּקוּנִי דְּעָלְמָא תַּתָּאָה נִינְהוּ (פנ"ל
אוֹת ז')

that all twelve tribes are the *tikun* of the lower world (see above section g),

וְכִיּוֹן דְּאֵתִילֵד בְּנִימִין מִתַּת רָחֵל וְנִטְלָא דְּכִתָּא הָאִי עָלְמָא תַּתָּאָה
לְאַתְקַנְתָּא בְּהוּ כו'

and as soon as Binyamin was born, Rachel passed away, and this lower world i.e. the lower *Shechinah*⁶¹ took her place in order to be rectified by them by the 12 tribes.

וְכָל זְמַנָּא דְּרָחֵל קִימָא עָלְמָא תַּתָּאָה לָא אֶתְקַנְתָּא בְּהוּ מִתַּת רָחֵל
נִטְלָא בֵּיתָא בְּשְׁלִימוּ

When Rachel was alive, the lower world was not rectified by them; but when she passed on the *Shechinah* took her house over completely.

וְאִי תִימָא לָאָה אֲמַאי לָא מִתַּת בְּהוּא זְמַנָּא אֶלָּא בְּגִין דְּבֵיתָא
בְּעָלְמָא תַּתָּאָה אִיהוּ

Now if you will ask why Leah did not pass away at that time so that the *Shechinah* could take her place too, the reason is that the house i.e. the twelve tribes, who form the sanctuary for the *Shechinah* is in this lower world,

וְכָלָא מְנִיָּה הוּוּ לְאַתְקַנְתָּא וְלֹא מְעָלְמָא עֲלָאָה וּבְגִין כִּךְ לָא מִתַּת
בְּהוּא שְׁעִתָּא.

and all of them the tribes are there in this world for the sake of her *tikun*, and not in the higher world the world of Leah, *binah*, the higher *Shechinah*. And that is why she Leah did not pass away at that time.

וְכָל עֲבֹדֵי דְלֵאָה בְּאִתְכַּסְיָא אֲנוּן בְּגִין דְּעֲלָמָא עֲלָאָה אִיהוּ
בְּאִתְכַּסְיָא וְלֹא בְּאִתְגְּלִיָּא כו'

Everything Leah did was hidden from view, because the higher world is concealed and not revealed.

וְהוּא כְּמוֹ שְׁאֲמַרְנוּ בְּכָל דְּבָרֵינוּ לְעֵיל כִּי הָגַם שְׂרָבֹן שֶׁל שְׁבָטִים הֵם
מִשְׁרֵשׁ לֵאָה שְׁכִינְתָּא עֲלָאָה

And this is as we expressed above – that although the majority of the tribes are from the root of Leah, the higher *Shechinah*,

עכ"ז כָּל מְצִיאוֹתָם נַעֲשֶׂה רַק ע"י שְׁכִינְתָּא תַּתָּאָה שְׂרֵשׁ רַחֵל
nevertheless, their entire existence is produced only by means of the lower
Shechinah, the root of Rachel.

אָבֵל הַשְּׁכִינְתָּא עֲלָאָה עֲצָמָה אֵין לָהּ עֵתָה גְלוּי כָּלֵל וְהֵם כָּלָם
תְּקוּנֵי דְשְׁכִינְתָּא תַּתָּאָה וְכַ"ל בְּכָל דְּבָרֵינוּ.

But the higher *Shechinah* herself is not revealed at all in our times, and all these *Tikunim* are in regard to the lower *Shechinah*, as mentioned above throughout.

אֲמַנָם הָעֲנִין דְּמִיתֵת רַחֵל אַחֵר שְׁנוּלְדוּ הֵי"ב שְׁבָטִים
However, the concept of Rachel's passing after the twelve tribes were born,
וְאָמַר הַזֹּהוּ"ק הַנִּזְכָּר דְּכָל זְמַנָּא דְּרַחֵל קִימָא עֲלָמָא תַּתָּאָה לֹא
אִתְתַּקְנָא בְּהוּ

regarding which the Zohar *ibid.* states that as long as Rachel was alive, the lower world was not rectified by them by the tribes –

וְהָרִי אָמַר דְּכָל זְמַן שֶׁהָיָה רַחֵל בַּעוּה"ז הָיָה עֲכֹב לְתַקּוּן הַשְּׁכִינָה
בִּה"ב שְׁבָטִים

just mull over this: it states that as long as Rachel was in this world there was a delay in rectifying the *Shechinah* by the 12 tribes –

וְהוּא לְכַאוּרָה פְּלִיאָה גְדוֹלָה כִּי הָרִי אֲדָרְבָּה הוּא שְׂרַחֵל הָיָה
מְרַכְבָּה אֵלֶיהָ.

this is astonishing at first glance, for the opposite would seem to be true – since Rachel was her *mercava*!

אֲךָ הָעֲנִין הוּא כִּי הָרִי אֲמַרְנוּ שֶׁהַתְּקוּן דְּהַשְּׁכִינָה בִּה"ב שְׁבָטִים

But the idea is this: we said that the *tikun* of the *Shechinah* by the 12 tribes

הוּא ע"י שֶׁהֵם הָיוּ מִכָּל הַמַּלְכוּת הַכְּלָלִי כְּלָה שֶׁהוּא גַם מִהַשְּׁכִינְתָּא
עֲלָאָה שְׁבָה

is due to the fact that they were all the aspects of the macro-*malchut*, which includes the higher *Shechinah* thereof,

וְלָכֵן מִתְתַּקְנֶת הַשְּׂכִינָה תַּתְּמָה עַל יָדָם כִּי מִתְיַחֵדֶת עַל יָדָם
הַתַּתְּמָה בְּעֵלְמָה, וְנִעְשִׂים אֶחָד וְכֵן "ל בְּכָל דְּבָרֵינוּ.

and therefore the lower *Shechinah* is rectified by them, for they rectify the lower aspect with the higher aspect, and they become one, as we stated earlier throughout.

וְאִמְרָנוּ שֶׁם כִּי שָׂרָשׁ רָחֵל הוּא מֵהַתַּתְּמָה לְבַד כִּי מִשּׁוּם שֶׁהִיא חֶסֶר
עֲדִין הַגְּלוּי דְּהִיחּוּד כְּהִרְאוּי

We said there that the root of Rachel is from the lower aspect exclusively, and that since the revelation of the proper *yichud* was absent,

לָכֵן יֵצְאוּ לֵאמֹר וְרָחֵל שְׂשָׁרָשׁ הוּא מֵעֵלְמָה וְתַתְּמָה הִנֵּה נִתְחַלְקוּ
וְיֵצְאוּ בְּשְׁנֵי גּוֹפִים

Leah and Rachel, whose roots are in the higher and lower aspects respectively, emerged divided, as two distinct bodies.

וְהִיא תּוֹלֶה כָּל הַתְּקוּן בִּהּ"ב שְׁבָטִים כִּי בָהֶם נִתְיַחֲדוּ הָעֵלְמָה
וְתַתְּמָה

Accordingly, the entire *tikun* depended upon the 12 tribes, for in them the higher and lower merge into one

ע"י שִׁינְאוּ כָּלָם מֵעֵקֶב אָבִינוּ ע"ה שֶׁהוּא אִישׁ אֶחָד

by virtue of the fact that they all emerged from our Patriarch Yaakov who was one person.

וְכָל הַד' נָשִׁים נִתְיַחֲדוּ בּוֹ בִּהּ"ב שְׁבָטִים שִׁינְאוּ מִמֶּנּוּ וְהָרִי נִתְיַחֲדוּ
ע"י הָעֵלְמָה בְּתַתְּמָה

All his four wives were united by the twelve tribes that emerged from him, and in this manner the higher and lower aspects of the *Shechinah* were united into one.

וְלָכֵן כָּל זְמַן שֶׁהִיְתָה רָחֵל בְּחַיִּים בְּעוֹלָם וְהִיא הִיְתָה מְרַכֶּבֶה
לְהַתַּתְּמָה לְבַד וְהִיְתָה הִיא עִם לֵאָה לְשָׁנִים

Therefore, as long as Rachel was alive in the world, and being that she was the *mercava* to the lower aspect exclusively, so that she and Leah were two distinct *partzufim*,

הָרִי נִבְדֵּל בָּהּ הִיחּוּד לְמַטָּה מֵהַתַּתְּמָה בְּעֵלְמָה

thus, for her Rachel**, the *yichud* down below was distinct from** the *yichud* of lower and higher aspects up above

ולא היה אפשר שתתקן התפארה ביחודה בהעלאה ע"י הי"ב
שבטים אלא רק אחר שנסתלקה רחל

and it was not possible for the lower aspect to be rectified by merging with the higher via the twelve tribes, until after Rachel's passing.

אבל כל זמן שהיתה רחל בעולם הזה הרי היה להתפארה יסוד
למטה בפנ"ע

But as long as Rachel was alive in this world, the lower aspect has its own *yesod*⁶² down below,

ונתחלקה מהעלאה ע"י רחל שהיתה מרכבה אליה

and it was distinct from the higher aspect due to Rachel, who was the *mercava* for it for the lower aspect exclusively.

וזהו שאמר הזוה"ק וכל זמנא דרחל קימא עלמא תפארה לא
אתתקנא בהו

This is exactly what the Zohar states, that as long as Rachel lived, the lower world could not be rectified by them by the 12 tribes.

וכ"ז הוא ע"פ מה שאמרנו לעיל כי משום שלא זכה העולם עדיו
להגלוי דהיחוד כהראוי

And all of this is according to what we stated above – that since the world was not yet worthy of the proper *yichud*,

לכן נתחלק הגלוי דהמלכות הכללי למטה לשנים שהן ארבע

and therefore the revelation of macro-*malchut* was dived into 'two that are four' –

שהם לאה ורחל הכלולים מזלפה ובלהה ולא נתתקנו ביחודם
אלא רק בהי"ב שבטים

Leah and Rachel = 2**, who included Zilpah and Bilhah** = 4**, and their merging into one was not established other than through the twelve tribes**

ע"י שנתיחדו כלן ביעקב אבינו ע"ה ובהי"ב שבטים שיצאו ממנו
by virtue of the fact that they were all united through our Patriarch Yaakov and the twelve tribes that emerged from him.

ולכן לא היה אפשר להשכינתא תפארה להשלים תקונה על ידיהם
להתיחד בעלאה

And therefore it was not possible for the *tikun* of the lower *Shechinah* to be completed by them and merge with the higher *Shechinah*

אֶלָּא וְכֵן אַחֵר שֶׁנִּסְתַּלְּקָה רַחֵל דְּוָקָא כִּי אַז נִתְבַּטְּלָה הַיְסוּד בַּפֿנ"ע
אֲשֶׁר הָיָה לָהּ לְמַטָּה

until after Rachel had passed away, for then the distinct *yesod*⁶³ that she had established down below was abolished.

וְאַז נִטְלָא דְכִתְּתָא הָאִי עֲלֵמָא תַּתָּאָה לְאַתִּישְׁבָּא בְּבֵיתָא שְׁלִימָתָא
כַּמֿ"ש הַזֶּה "ק שָׁם

Only then did this lower world take her place and settle in her complete house, as the *Zohar* writes there.

וּמִ"ש בְּבֵיתָא שְׁלִימָתָא ר"ל כִּי בָהֶם הָיָה הַיְחוד דְּהַעֲלָאָה וְתַתָּאָה
יַחַד שֶׁהָיוּ כְּלוּלִים מִכָּל הַמַּלְכוּת הַכִּלְלִי כְּלָה וְכַנִּזְ'.

When the *Zohar* uses the term 'her complete house' the intention is that the *yichud* i.e. merging of higher and lower aspects into one, included all aspects of macro-*malchut*, as mentioned previously.

וְאָמַר שָׁם הַזֶּה "ק עוֹד וְאִי תִימָא לָאָה אֲמַאי לֹא מִתַּת בְּהֵוָה זְמַנָּא
אֶלָּא בְּגִין דְּבֵיתָא בְּעֲלֵמָא תַּתָּאָה אִיהוּ כּו'

The *Zohar* *ibid.* continues: Now if you will ask why Leah too did not pass away at that time, so that the *Shechinah* could take her place as well, the reason for this is that her the *Shechinah's* house is in the lower world, etc. and not in the higher world where Leah was situated.

ר"ל כִּי מֵאַחֵר שֶׁאֲמַרְנוּ שְׁמִיתַת רַחֵל הָיָה מִכְרַח כְּדִי לְסַלֵּק אֶת
הַיְסוּד בַּפֿנ"ע שֶׁהָיָה לְהַתַּתָּאָה

Meaning to say, that since we already explained that the passing of Rachel was necessary in order to remove the lower world's distinct *yesod*⁶⁴,

וְכִדִּי שֶׁתִּיחַד עִם הָעֲלָאָה לְהַעֲשׂוֹת עִמָּה לְאַחַד בֵּהי"ב שְׁבָטִים
שֶׁהָיוּ הֵם מִכָּל הַמַּלְכוּת הַכִּלְלִי כְּלָה

so that it could unite with the higher world to become one, via the twelve tribes who were from the entire macro-*malchut*.

א"כ הָרִי מֵאוֹתוֹ הַטַּעַם הָיָה צָרִיךְ שֶׁתִּמּוֹת לָאָה בְּהֵיכָל שְׁעֵתָא ג"כ

This being so, for the very same reason Leah should also have passed away at that time,

כִּי הָרִי הָיָה הֵיכָל מְרֻכָּבָה לְהַשְׁכִּינָתָא עֲלָאָה וְהָרִי הָיָה עַל יְדֵה
בְּעוֹלָם הַזֶּה יְסוּד בַּפֿנ"ע לְהַעֲלָאָה חֲלוּק מִהַתַּתָּאָה

for she was the *mercava* for the higher level of *Shechinah*, and it was due to her that in this world there was a distinct *yesod* for the higher level of the *Shechinah*, that was distinct from the lower one.⁶⁵

וְהָיָה צָרִיךְ שֶׁתָּמוּת הִיא ג' כִּי כְּדֵי לְהַתְיַחֵד הָעֲלֵאָה בְּתַתָּאָה בְּהִי"ב
שְׁבָטִים

And so she should also have died in order to unite the higher and the lower aspects of the *Shechinah* via the 12 tribes.

עַל זֶה מְתַרְץ הַזֹּהַר ק"ב 'תְּרוּצִים שֶׁהֵם עוֹלָיו לְמָקוֹם אֶחָד

The *Zohar* answers this question in two ways that are in essence one.

וְאָמַר בְּגִין דְּבִיתָא בְּעָלְמָא תַּתָּאָה אִיהוּ וְכָלֹא מִנָּה הוּוּ לְאַתְתִּיקָנָא
וְלֹא מְעָלְמָא עֲלָאָה

This is what it says: Since her home is in the lower world, and it was there that all of the *tikun* had to take place, not in the higher world,

וּר"ל כִּי הָרִי הָאֵמֶת הוּא שְׁגָם אָפִי' כְּשֶׁמְתַיַּחֵד הַתַּתָּאָה בְּעֲלֵאָה הִנֵּה
הַנְּהַגָּת כָּל הָעוֹלָם כְּלוּ הוּא לְעוֹלָם רַק בְּהַתַּתָּאָה כִּי כָל הַגְּלוּי
לְמַטָּה הוּא רַק בָּה

meaning to say that in fact even if the lower level united with the higher, the guidance of the entire world is still always only via the lower aspect, since the entire revelation below is only through her.

וְלָכֵן אָמַרְנוּ לְעֵיל כִּי גַם אִם הָיָה זֹכָה הָעוֹלָם לְגְלוּי הַיַּחֲוָד כְּהֶרָאוּי

And therefore we stated above that even if the world had been worthy of the revelation of the proper *yichud*,

וְהָיוּ כָל הַד' נָשִׁים לְאַחַת הָיוּ כָּלָם רַק בְּשֵׁם רַחֵל כִּי הָיוּ כָּלָם כְּלוּלִים
בָּהּ

and all four wives would have been one, she would have been named Rachel, since all would have been included in her.

וְלָכֵן אָמַרְנוּ ג' כִּי לְעֵיל שְׂכָל הִי"ב שְׁבָטִים כָּלָם גַּם אוֹתוֹן אֲשֶׁר שְׂרָשָׁם
הוּא מְהֻעָלָאָה

Accordingly we stated above that all 12 tribes, even those who root is in the higher level,

הִנֵּה נַעֲשֶׂה מְצִיאוֹתָם ג' כִּי רַק בְּהַתַּתָּאָה

their existence is still only manifested on the lower level.

אֶלָּא שֶׁהַחֲלוּק הוּא כִּי בָּאֵם שֶׁהִיָּה הַיְחוד כְּהָרָאוי הִיָּה מְאִיר
הַתַּתָּאָה בְּאוֹר הָעֲלֵאָה ג"כ כִּי הִיוּ שְׁנֵיהֶם לְאַחַת

But there is a difference between these two types of *yichud* – for if the *yichud* would be a proper one then the lower level would be illuminated with the light of the higher level as well, since they would have merged into one.

אָבֵל כְּשֶׁהַיְחוד הוּא אֵינוֹ כְּהָרָאוי נִתְעַלֵּם הָעֲלֵאָה וְאִין גְּלוּי לְמִטָּה
אֶלָּא מִהַתַּתָּאָה לְבַד

But when the *yichud* is not a proper one, then the higher aspect becomes concealed, and the revelation below is from the lower aspect only.

וְזֶהוּ שְׁאֵמַר הַזֹּה"ק בְּגִין דְּבֵיתָא בְּעֲלָמָא תַּתָּאָה אִיהוּ

This is what the *Zohar* implies when it states that because her home is in the lower world

שֶׁכָּל הִי"ב שְׁבָטִים כָּלֹן שֶׁהֵם הַמְּקוֹם וְהַמְּעוֹן לְהַשְׁכִּינָה שְׁתִּשְׁרָה
לְמִטָּה וְהֵם בֵּית דָּלָה הֵיכָל דָּלָה וְשַׁכְנֵתִי בְּתוֹכָם

– for all twelve tribes are the place and abode of the *Shechinah*, so that she will dwell down below, and they serve as her home, her chamber, as the verse (Exodus 25:8) states, “I will dwell among them” (literally ‘within them’) –

הִנֵּה הֵם הַבֵּית לְהַתַּתָּאָה כִּי וְכֵן הִיא הַמְּנַהֶגֶת אֶת כָּל הָעוֹלָמוֹת
הַתַּחְתּוֹנִים

thus they are the home for the lower level, since only she directs all of the lower worlds.

אֶלָּא מִשּׁוּם שֶׁשְׂרָשָׁם הוּא מִהָעֲלֵאָה ג"כ לְכָךְ נִכְלָלָה עַל יְדֵיהֶם
הַתַּתָּאָה בְּהָעֲלֵאָה

But because the root of six of the tribes is also from the higher aspect, therefore, due to them the six tribes born from Leah, the lower aspect merges into the higher aspect,

וּמִתְּקַנָּת עַל יָדָם וְזֶהוּ שְׁאֵמַר וְכָלָא. ר"ל כָּל הַבֵּית. מִנָּה הוּוּ. הֵם
כָּלֵם מִהַתַּתָּאָה

and is rectified by them, which is why it states, ‘all thereof’ all of the *tikun* had to take place on the lower level explicitly, meaning to say the entire house was from her the lower level, because all of them all twelve tribes were from the lower level (even though the root of six of the tribes was from the higher level),

שֶׁכָּל מְצִיאוֹתָם הוּא מִמֶּנָּה וְלָכֵן הִיא מִתְּקַנָּת עַל יָדָם לְהַתְאָחַד
עִם הָעֲלֵאָה

since their entire *manifested* existence was from her, and therefore she is rectified by them in order to unite with the higher level.

משום ששרשם הוא מעלָּאה ג"כ כְּנֻז' ועי"ז היא מתתקנת על ידם
וזו שאמר לאתתקנא.

This is possible because their root is also from the higher level, as mentioned, and in this manner she is rectified by them, which is why it uses the term *l'it'takna* – 'to be rectified.'

וא"כ הרי מאחר שכל מציאותם נעשה רק בזה הגם ששרשם הוא
מהעלָּאה

This being so – that their entire manifested existence is in her, even though their root is from the higher level –

ולכן היה אפשר היטיב להתתאָה להתתקן על ידם להתאחד
בשרשם גם בעוד לאה קימת

therefore it was eminently possible for the lower level to be rectified by them and become one with their root while Leah was still alive.

כי כמו שהי"ב שבטים עצמו הרי הם מיוחדים בשרשם הגם שכל
מציאותם נעשה בהתתאָה

Because just like the twelve tribes themselves remained united with their root, despite the fact that their entire manifested existence was produced in the lower level,

הרי כמו כן אפשר להתתאָה המתלבש בהם בהעולם הזה משום
שכל מציאותם נעשה ממנה

in similar fashion, it was possible for the lower level, which was clothed within them in this world – since their entire manifested existence was produced by her –

הרי אפשר לה ע"י התלבשותה בהם להתאחד בשרשם ג"כ וכמו
שהם עצמו

thus it was possible for her too, by being clothed in them, to unite with their root, just as they themselves remained united with their root.

והגם שלא היה קימת והרי היה להעלָּאה יסוד בפנ"ע בהעוה"ז
חלוק מהתתאָה

Now even though Leah was still alive, and thus she was a separate *yeshod* in this world, distinct from the lower level,

עכ"ז הִיָּה אֶפְשָׁר לְהִתְפָּאֵר לְהִתְאָחַד בְּהֶעֱלָא ע"י הַתְּלַבְּשׁוּתָהּ
בְּהִי"ב שְׁבָטִים וְכִמוּ שֶׁהֵם הִי"ב שְׁבָטִים עֲצֻמָּן

nevertheless it was possible for the lower level to unite with the higher level by being clothed in the 12 tribes, just as the 12 tribes themselves were united with their root.

וְהָיָה נִמְצָא כִּי מִתְּתַקֵּן הַתְּפָאָה הַיָּסוּב לְהִתְאָחַד בְּהֶעֱלָא גַם
בַּהֶעוֹה"ז ע"י הִי"ב שְׁבָטִים גַּם בְּעוֹד לֵאָה קַיָּמָה

Thus it turns out that the lower level is well rectified so that it can unify with the higher level even in this world by means of the 12 tribes, even though Leah was still alive,

וְזֶהוּ שֶׁאָמַר הַזֹּה"ק וּבִגִּין כֵּךְ לֹא מָתָה בְּהָיָה שֶׁעָתָה
and thus the *Zohar* states, "and therefore she did not pass away at that time."

אָבֵל רָחֵל הָיָה מְכַרַּח שְׁתֵּמּוֹת דָּא"כ הָרִי הָיְתָה הַתְּפָאָה עֲדִין
חֲלוּק בְּרָחֵל בְּלִי יְחֻד בְּהֶעֱלָא

But Rachel had to pass on, for if not, the lower level would have remained distinct in Rachel, without unifying with the higher level.

וְלִכְךָ מָתָה רָחֵל וְאֶתְלַבֵּשׁ בְּהִי"ב שְׁבָטִים שֶׁהוּא בֵּיתָא בְּשָׁלִימוֹ

And therefore Rachel passed away and she the lower level became clothed in the twelve tribes, who were the complete home for that level since they encompassed all the levels of macro-*malchut*,

וְכַמ"ש שֶׁשֶׁם מָתָה רָחֵל וְנִטְלָא דְכִתְּתָא הָאִי עֲלֵמָא תְּתָא לְאַתֵּינִישְׁבָּא
בְּבֵיתָא שְׁלִימָתָא כּו'

and as it states there: "When Rachel passed away the lower world took her place, to settle in her home completely..."

מָתָה רָחֵל נִטְלָא בֵּיתָא בְּשָׁלְמוֹ וְכַנ"ל.

and "with Rachel's passing, immediately she the *Shechinah* took over the house completely."⁶⁶

וְכ"ז הוּא כִּי הִנֵּה עָקֵר הַתְּקוּן הוּא צָרִיךְ בְּהִתְפָּאֵר לִיְחֻדָּה בְּהֶעֱלָא

All of this took place in this manner because the primary *tikun* is needed in the lower level, in order to unify it with the higher level.

וְגַם כָּל עָקֵר הַתְּקוּן הוּא לְמַטָּה בְּעוֹלָם הַזֶּה כִּי לְמַעְלָה שֶׁהוּא
בְּאַצִּילוֹת אֵין פְּרוּד בִּינֵיהֶם ח"ו

In addition, the primary *tikun* is below in this world, since above, in Atzilut, there is no division between them the higher and lower levels, Heaven forbid.

אך בהתלבשותם למטה נתפרדו ע"י החטא דעהד"ע

But when that unified level became clothed down below, the sin of the Tree of Knowledge caused a separation into higher and lower.

וע"י קלקול כל הדורות כלם אשר מאדם הראשון עד האבות

And because of the destructive activities of all the generations from Adam to the Patriarchs,

ובכל אותן הדורות כלם היה נתעלם האור של מעלה מכל וכל

And in all of those generations the light from above was completely concealed,

וכמ"ש בבראשית רבה פ' י"ט סימן ז' כיון שחטא אדם הראשון
נסתלקה שכניה כו'

as *Bereishit Rabba* 19:7 states: "when Adam sinned the *Shechinah* was withdrawn..." and so too with the following generations**,**

ובהאבות התחיל לרד השכניה למטה כמ"ש שם

but through the Patriarchs the *Shechinah* began to descend below, as stated there.

ובפרט בהאבות עצמן הרי אמרו שם פ' מ"ז סימן ו' האבות הן הן
המרכבה

And particularly so by virtue of the Patriarchs themselves, for the Sages stated there 47:6, "The Patriarchs are the very Mercava itself!"

אך משום שלא זכה העולם עדין להתקון בשלמות

But because the world was not yet worthy of the complete *tikun*,

נתלבש הגלויי אורות שלמעלה שהם הגלויי דשכינתא עלאה
ותתאה אשר לצרך בנין בית ישראל

the revelation of the illuminations from above, i.e. the revelation of the higher and lower levels of *Shechinah* that were necessary for building the House of Israel,

נתלבשו בגופות מחלקות ובשתיים שהן ארבע שהוא בלאה ורחל
הכלולים מזלפה ובלהה

became clothed in separate bodies, 'two that are four,' i.e. Leah and Rachel who included Zilpah and Bilhah –

והיה הגלויי דשכינתא עלאה בלאה הכולל גם זלפה

the revelation of the higher level of *Shechinah* in Leah who included Zilpah,

והגלויי דשכינתא תתאה ברחל הכולל את בלהה

and the revelation of the lower level of *Shechinah* in Rachel who included *Billah*.

ומשום שעקר ההנהגה דכל העולמות בי"ע הוא ע"י התפאָה

But because all the worlds of BiY" A are directed or guided primarily by the lower level,

לכן היתה רחל עקרה של בית וכל הי"ב שבטים משרשים בה

therefore Rachel was the primary woman of the home, and all 12 tribes were rooted in her.

וכן משום שכל ההנהגה הוא בה לכן היא עולה ויורדת לפי מעשה התחתונים

And also because the entire way the worlds are directed is through her, therefore she ascends and descends according to the deeds of those below,

ואנרה המתפשט למטה היא הצריכה תקון תמיד לתקנה מזהמת התחתונים

and her light spreads down below, and so she requires *tikun* continually due to contamination from those down below.

וליחדה למעלה והוא ע"י כל התורה והמצוה ובפרט במצות היחוד בק"ש שמע ישראל ה' אלהינו ה' אחד

And she also needs to be unified above, which is through Torah and mitzvot, and in particular the mitzvah of reciting the *Shema* – ‘Hear O Israel, God our Lord, God is One.’

וכן באמונת הלב ובדבור פה כי ה' הוא האלהים בשמים ממעל ועל הארץ מתחת אין עוד

And similarly with the faith of the heart expressed in speech – “God is our Lord in the Heavens above and upon the earth below; there is none other”

(Deuteronomy 4:39);

וכן ה' מלך ה' מלך ה' ימלך לעלם ועד ה' מלך עולם ועד

and also, “God is King; God was always King, and God will always be King”⁶⁷; “God is the eternal King” (Psalms 10:16)

וכיוצא בזה בכל פסוקי ושבחי הקדשה והיחוד במחשבה ובדבור

and similarly all those verses that express holy praise and Divine Oneness in thought and speech –

שקדשתו למעלה ולמטה הוא תמידי ומלא כל הארץ כבודו והוא לבדו עשה ועושה ויעשה כל המעשים

that His holiness above and below is constant, and “the earth is filled with His glory” (Isaiah 6:3), and He alone did, does, and will do all deeds.

וְהָיָה עַכְשָׁנָה כִּי כָל הַתְּקוּנִים הוּא בְּהַתְּתָאָה כִּי הִיא צְרִיכָה לְהַתְּתָקוֹן
לִיחְדָּא בְּהַעֲלָאָה

Thus it is that all rectifications are in the lower level, for it is she that requires *tikun* in order to unify her with the higher level.

וְלָכֵן כַּאֲשֶׁר מִתַּת רַחֵל וְנִתְבַּטַּל הַיְסוּד חֲלוּק בַּפֶּנִּי עַל אֲשֶׁר הָיָה לָהּ
בַּעוֹהָ"ז

And therefore, when Rachel passed away, and her distinct and independent *yesod* in this world was annulled,

נִתְלַבְּשָׁה בַּהִ"ב שְׁבָטִים וְנִתְיַחֲדָה עַל יָדָם בְּהַעֲלָאָה גַם בְּעוֹד לֵאָה
קִיָּמָת וַיָּכֻמוּ שָׁהֶם הִ"ב שְׁבָטִים עֲצָמוֹן וְכִנְיָ:

she became clothed in the 12 tribes, and was unified with the higher level through them, while Leah was still alive, just as the 12 tribes themselves were.

וְאָמַר שֵׁם הַזֶּה "ק עוֹד וְכָל עוֹבְדוֹי דִּלְאָה בְּאַתְּכַסִּיָּא אֲנִין

The *Zohar* *ibid.* states further: All matters concerning Leah are concealed.

בְּגִין דְּעֵלְמָא עֲלָאָה אִיהוּ בְּאַתְּכַסִּיָּא וְלֹא בְּאַתְּגִלְיָא וּבְגִין כֶּךָ לֹא
אֲדָכֵר מִיתְתָּה דִּלְאָה כְּמִיתְתָּה דְּרַחֵל כּו'

This is because the higher world is concealed and not revealed, and therefore Leah's death is not mentioned in the Torah in the same manner as Rachel's.

בְּגִין דְּעֵלְמָא עֲלָאָה כָּל מְלוֹי בְּאַתְּכַסִּיָּא וְעֵלְמָא תְּתָאָה כָּל מְלוֹי
בְּאַתְּגִלְיָא

All matters associated with the higher world are concealed, and all matters associated with the lower are revealed,

בְּגִין כֶּךָ אֵתְכַסִּיָּא לֵאָה בְּמַעֲרֵתָא דְּכַפְלֵתָא וְרַחֵל בְּגִלְיָא דְּאוֹרְחָא
דָּא בְּסִתְרָא וְדָא בְּאַתְּגִלְיָא כּו'

and therefore Leah is concealed in the *Ma'arat haMachpelah* the 'Cave of the Couples' in Hebron where Yaakov and the other Patriarchs and Matriarchs are interred, whereas Rachel was buried alongside the open road just outside Bethlehem – this one Leah in a concealed manner, and that one Rachel in the open.

וּר"ל כִּי זֶהוּ עֵקֶר הָעֲנָן דְּאַפְשְׁרִית הַתְּקוּן דְּהַתְּתָאָה ע"י הִ"ב
שְׁבָטִים גַּם בְּעוֹד לֵאָה קִיָּמָת

The intention here is that this is the main idea regarding the possibility of rectifying the lower level by means of the 12 tribes, even while Leah was still alive

וְהָיָה הָיָה לְהַעֲלָא יְסוֹד חֲלוֹק בְּפִנ"ע בְּעוֹה"ז חֲלוֹק מִהַתְּפָאָה

Now the higher level had a separate *yesod* in this world, distinct from the lower level;

וְעַכ"ז הָיָה אֶפְשָׁר לְהַתְּפָאָה לְהַתְּאָחַד בְּהַעֲלָא ע"י הַתְּלַבְּשׁוּתָהּ בַּה"ב שְׁבָטִים

nevertheless, it was possible for the lower level to unite with the higher level by way of clothing itself in the 12 tribes,

מִשּׁוּם שֶׁכָּל הָעֲנָנִים דְּהַעֲלָא בְּעוֹה"ז הוּא נֶעְלָם מְאֹד

since all matters regarding the higher level in this world are very concealed.

וְלָכֵן הָיָה כָּל עֲנִינֵי לֵאָה שֶׁהִיא הִיְסוֹד שְׁלָה בְּעוֹה"ז הָיָה בְּהִסְתָּר וּבְהֶעֱלָם

And therefore all matters concerning Leah – the *yesod* of the higher level in this world – were hidden and concealed,

כִּי הָיָה הִיא נִלְקָח לִיעֶקֶב שְׁלֹא בִּידִיעָה וְכֵן הָיָה תְּמִיד לֵב יַעֲקֹב אָבִינוּ ע"ה רְחוֹק מִמֶּנָּה

for, after all, she was taken as a wife by Yaakov unknowingly and unwillingly (when Laban tricked him into marrying her instead of Rachel), and in addition Yaakov's heart was always distant from her,

וְכַמ"ש וַיֵּרָא ה' כִּי שְׁנוּאָה לֵאָה. כִּי שָׁמַע ה' כִּי שְׁנוּאָה אֶנֶכִּי. עָתָה הַפַּעַם יִלְוֶה אִישִׁי אֲלֵי.

as the verses state, "And God saw that Leah was unloved" (Genesis 29:31); "Because God has heard that I am unloved" (Genesis 29:33); "This time my husband will bond with me" (Genesis 29:34).

הָיָה מִכָּאן שֶׁהִיְתָה רְחוֹקָה עֲדֵיו וְכֵן גַּם כְּשִׁילְדָה בֶּן שְׁשִׁי לִיעֶקֶב אָמְרָה הַפַּעַם יִזְבְּלֵנִי אִישִׁי

So from here we see that she was still distant from her husband, and even when she gave birth to a sixth son to Yaakov, she said, "Perhaps this time my husband will make his home with me" (Genesis 30:20).

וְהָיָה שֶׁהָיָה מְרֻגָּשֶׁת עֲדֵיו אֵיזָה רְחוֹק מִמֶּנּוּ וְכ"ז הוּא מִשּׁוּם שֶׁשְׂרָשָׁה וְעֻקְרָה הוּא נֶעְלָם בְּעוֹה"ז וְכַמ"ש בְּזוֹה"ק שֶׁם קַנ"ד סַע"א

Thus she still felt somewhat distant from him – and all this is because her root and primary aspect was concealed in this world, as the *Zohar* states there *Zohar I*, 154a.

וְאִין לָהּ הַתְקַשְּׁרוּת כ"כ עִם הָעוֹה"ז וְלִכְךָ הִיְתָה חֲסֵרָה מִהַקְרוֹב
לְעוֹלָם

And she the higher level of the *Shechinah* does not have so much of a connection to this world, and therefore she was always lacking that closeness.

וְהוּא כִּי הָעֲלָאָה אֵין לָהּ גְלוּי כָּלֵל לְמַטָּה אֶלָּא ע"י הַתַּתָּאָה

The reason for this is that the higher level is not revealed at all down below, other than via the lower level,

וְלִכְּנֹ כֹּל הַיְסוֹד דְּהָעֲלָאָה אֲשֶׁר הִיא לָהּ בְּעוֹה"ז בְּלֹאָה וְהָרִי לָהּ יְסוֹד
חֲלוּק בַּפָּנִי"ע חֲלוּק מִהַתַּתָּאָה

and therefore the entire *yesod* of the higher level as manifested in this world in Leah was as a separate *yesod*, distinct from the lower level.

עכ"ז לֹא הִיא גּוֹרֵם כָּל זֶה שׁוּם חֲסָרוֹן לְהַתְקוֹן דְּהַיְחוד הַתַּתָּאָה
בְּעֲלָאָה ע"י הִי"ב שְׁבָטִים אַחֵר מִיַּתֵּת רַחֵל

Nevertheless this did not adversely affect the *tikun* of the amalgamation of the lower level with the higher level by means of the 12 tribes.

כִּי הַיְסוֹד חֲלוּק אֲשֶׁר הִיא לְהָעֲלָאָה בְּלֹאָה הִיא בְּלִי הַתְקַשְּׁרוּת כ"כ
בְּהָעוֹה"ז

The distinct *yesod* possessed by the high level, Leah, was not so connected to this world;

וְהִיא רַק בְּבַחֲי' רוּחַ אֱלֹהִים מְרַחֶפֶת וּבִסוֹד מְגִדֵּל הַפּוֹרֵחַ בְּאֵוִיר
שֶׁהוּא בִּינָה שְׂרֵשׁ לָאָה

rather it was in a state of “the spirit of God hovered...” – the mystical secret of ‘a tower flying in the air’⁶⁸ (see Talmud *Chagiga* 15b), which is *binah*, the root of Leah.

וּא"כ הָרִי לֹא הִיא נֶחֱשֵׁב זֶה לְיְסוֹד חֲלוּק כָּלֵל כִּי הָרִי לֹא הִיְתָה
בְּמַצִּיאת יְסוֹד מִמֶּשׁ כָּלֵל

This being so, it was not regarded as a distinct *yesod* at all, since it was not a *yesod* in reality at all.

וְלִכְּנֹ הִיא אֶפְשָׁר הֵיטִיב לְהַתַּתָּאָה לְהַיְחוד בְּהָעֲלָאָה בְּהָעוֹה"ז ע"י
הִי"ב שְׁבָטִים גַּם בְּעוֹד לָאָה קִימָת.

Accordingly, it was eminently possible to unite with the upper level in this world via the 12 tribes even when Leah was alive,

וְמָה גַּם כִּי הָרִי גַם לֵאָה עֲצָמָה הָיָה יִצְיָאָתָהּ בַּהֶעָה"ז רַק ע"י
הַתַּתָּאָה וְנִשְׁרָשָׁה בָּהּ וְכַ"ל בְּדַבְּרֵינוּ

particularly since Leah herself emerged into this world only via the lower level in which she became rooted, as we explained previously,

כִּי אֵין לְהַעֲלָאָה עֲצָמָה שׁוּם גְּלוּי לְמַטָּה כָּלֵל אֶלָּא ע"י הַתַּתָּאָה
דְּוָקָא

since the higher level itself is not revealed below at all other than through the lower level explicitly.

וְהָרִי הָיָה לְהַתַּתָּאָה גַּם לְמַטָּה שְׂיִכּוּת בִּלְאָה ג"כ וְלָכֵן לֹא הָיָה
סְתִירָה כָּלֵל מִמְּצִיאוֹת לֵאָה בַּעוּה"ז

Thus the lower level, even down below, also has a connection with Leah, and there was no contradiction at all between Leah's continued existence in this world,

לְתַקּוֹן הַיְחוד דְּהַתַּתָּאָה בְּהַעֲלָאָה ע"י הִי"ב שְׂבָטִים

and rectifying the *yichud* of higher and lower via the 12 tribes.

וְזֶהוּ שְׁאֲמָרוּ בְּזוּה"ק שֶׁם קנ"ח רע"ב וּבִגִּין דָּא כּוֹלָא חַד דְּהָא כּוֹלָא
הָוִי מַעֲלָמָא עֲלָאָה

This is in fact what the *Zohar* *ibid.* 158b states: 'Because of this because the higher level (*binah*) affects the lower level (*malchut*) they are regarded as one, for everything that the lower level has, it acquired from the higher world.

הָכִי נִמִּי כּוֹלָא הָוִי מַעֲלָמָא תַּתָּאָה וּבְכָל אֶתֶר כּו' (כצ"ל ע"ש)

'In this case too, everything is via the lower world, and in every place' (this is the proper version).

ור"ל כִּי כְּמוֹ שֶׁלְּמַעַלָּה הַכֹּל נִמְשָׁךְ מִמַּעַלְמָא עֲלָאָה

Meaning to say, just as above everything is drawn down from the higher world,

שֶׁהָרִי הַתַּתָּאָה עֲצָמָה הוּא נִמְשָׁךְ לְמַעַלָּה רַק מִהַעֲלָאָה, כֵּן הוּא
נִמְשָׁךְ הַכֹּל לְמַטָּה בַּעוּה"ז רַק מִהַתַּתָּאָה

for even the lower aspect itself up above is drawn only from the higher level (*binah*), so too everything below in this world is drawn only from the lower level

—

שְׁגַם הַגְּלוּי דְּהַעֲלָאָה אֲשֶׁר מִתְגַּלָּה וְיורֵד בַּעוּה"ז הִנָּה הוּא ג"כ רַק
דֶּרֶךְ הַתַּתָּאָה

so that even the revelations of the higher level that are revealed and descend into this world, are only via the lower level (*malchut*),

וְהָיָה הָיָה יוֹצֵא הַמְצִיאוֹת לְאֵלָה לְמַטָּה ג' כ' וְכַךְ דֶּרֶךְ הַתְּפִאָה

and indeed the manifest existence of Leah below also only emerged through the lower level (*malchut*).

וּא"כ הָרִי הֵם שְׂיָכִים זֶה בָּזֶה וְכָלֶם חָד וְלָכֵן הָיָה אֶפְשָׁר הַיָּטִיב
שֶׁאֵתְּקֵן הַתְּפִאָה לְהִתְיַחַד בְּהֶעֱלָאָה

Accordingly, they have a connection between them, and they are actually one; therefore it was eminently possible for the lower level to

be rectified and unite with the higher level

ע"י הַתְּלַבְּשׁוּתָהּ בַּהִי"ב שְׂבָטִים גַּם בְּעוֹד לֵאָה חַיָּמָת:

by way of clothing herself in the 12 tribes even while Leah was alive.

אָמְנָם הִנֵּה בְּזוּה"ק פ' וַיִּשְׁלַח קע"ד ע"א אָמַר שֶׁם עוֹד עֲנִין אַחֵר
בְּעֲנִין מִיתַת רָחֵל אַחֵר שְׁנוּלְדוּ כָּל הַי"ב שְׂבָטִים

However, the *Zohar I*, Vayishlach p. 174a proposes another idea regarding the passing of Rachel just after all twelve tribes had been born –

שֶׁהוּא מְטַעַם כִּי בְּאֶשֶׁר מִגִּיעַ הָעֵת שִׁיתְּפֹשֶׁט וַיִּתְּגַלֶּה הַשְּׂכִינָה
הַקְּדוּשָׁה לְמַטָּה בְּיִשְׂרָאֵל

for the reason that when the time comes for the holy *Shechinah* to spread forth and become revealed below to the Jewish People,

הִנֵּה מִתְּעוֹרֵר הַדִּין בְּתַחֲלָה וּע"ד שֶׁכְּתוּב יִרְמְיָה ל' וְעַתָּה צָרָה הִיא
לִיעֲקֹב וּמִמָּנָה יוֹשַׁע

then *din* strict judgment is aroused first, in a similar sense to what the verse in Jeremiah 30:7 states, “it will be a time of trouble for Yaakov, but he will be rescued from it”;

וְכֵן בְּמִיכָה ז' כִּי נָפַלְתִּי קָמְתִּי כִּי אָשֵׁב בְּחֹשֶׁךְ ה' אֹר לִי

and similarly in Micah 7:8 “although I fell, I will rise; although I sit in the darkness, God is my light.”

וְאָמְרוּ בִּילְקוּט תַּהֲלִים ה' סוּף רָמַז תֵּרַכ"ח אֱלֹאִלָּה שֶׁנִּפְלַתִּי לֹא
קָמְתִּי אֱלֹאִלָּה שֶׁיִּשְׁבַּתִּי בְּחֹשֶׁךְ לֹא הָיָה אֹר לִי

Regarding the latter verse *Yalkut on Psalms 5, remez 628* states: ‘Had I not fallen, I would never arise; had I not sat in darkness, I would never have seen the light.’

וְלָכֵן בְּאֶשֶׁר מִתְּפֹשֶׁט הַשְּׂכִינָה לְמַטָּה בַּהִי"ב שְׂבָטִים

And therefore, when the *Shechinah* spreads out below to the 12 tribes,

וְשָׂרָא מַלְכוּתָא דְרַקִּיעָא לְאַשְׁתַּמּוּדְעָא בְּאַרְעָא נַעֲשֶׂה מְקָדֶם
הַתְעוֹרוֹרוֹת הַדִּין וּמִיתַת רַחֵל

and the Kingdom of Heaven settles into a state that it can be known on earth,
din harsh judgment was aroused and Rachel passed away.

וְאָמְרוּ שֶׁם וְרָזָא דָּא בְּכָל שִׁירוּתָא דְאַתָּא לְאַשְׁתַּמּוּדְעָא.

There (*Zohar I*, 174a) they stated that this mystical truth that *din* is

aroused whenever *malchut* first begins to become known and revealed in the world

—

בְּקִשְׁיוֹ אִיהוּ וְעַל דָּא אֵית בָּהּ דִּינָא דְמוֹתָא וּמִתְמָן אֲתִישְׁבֵּת.

this is accompanied by difficulties, and for this reason there was a decree of
death, but from that point she *malchut* begins to settle below.

הָכִי כִּד בְּעָא לְאַתְתַּקְנָא וּלְנִטְלָא בֵּיתָא אֲתַעְבִּיד דִּינָא בְּרַחֵל

In this case, when she the *Shechinah* wanted to be rectified and make her home,
harsh judgments were made against Rachel.

וּבִתְרַ כּוֹן אֲתַתְקַנְתָּ לְאַתִּישְׁבָּא כּו' ע"ש

But after that she was rectified so that she could dwell in the lower world and
settle upon the tribes.

וְהִנֵּה הוּא ג"כ ע"פ דְּבָרֵינוּ לְעֵיל כִּי כָל עֲנִין מָה שֶׁנִּתְחַלְקוּ נָשֵׁי יַעֲקֹב
בְּשִׁתִּים שֶׁהֵן אַרְבַּע

This too is according to our analysis above – for the entire concept of the
division of Yaakov's wives into 'two that are four'

כ"ז הוּא רַק מְסַבֵּת הַחֲטָא דְעַץ הַדַּעַת וּמִקְלָקוּל כָּל הַדּוֹרוֹת אֲשֶׁר
מֵאֲדָה"ר עַד הָאֲבוֹת

was a result of the sin of the Tree of Knowledge, and the ruination of the
generations from Adam until the Patriarchs.

וְלָכוּ מִצָּא הַסֵּם הַצּוֹרֵר מְקוֹם לְקַטְרֵג וּלְעַכֵּב גְּלוּיֵי הַשְׂכִּינָה לְמִטָּה
ע"י שֶׁתִּלְבֹּשׁ וְתִתְיַחַד בִּה"ב שְׁבָטִים

And therefore the evil angel Sama'el,⁶⁹ the oppressor, found a place to level an
accusation against our Patriarch Yaakov and his family and prevent the revelation
of the *Shechinah* below were it to become clothed in and unified with the 12
tribes.

אֲךָ מִפְּנֵי גָדֹל הַזְכוּת דִּיעֲקֹב אָבִינוּ ע"ה וְדִלְאָה וְרַחֵל לֹא הוֹעִיל
בְּקַטְרוּגָיו עַל עֶקֶר הָעֲנִין

But because of the great merits of our Patriarch Yaakov and Leah and Rachel, his main accusation did not succeed.

אָמנם פֿגע ונגע בקטרוגיו בַּמָּה שְׁנַעֲשָׂה דִין בְּרַחֵל וְנִסְתַּלְקָה וּמָתָה
הוא ע"י סבת אחור הנָּדָר

However, his accusation did cause harm, and a harsh judgement was issued against Rachel and she passed away due to Yaakov delaying his vow – that he would build a House for God as soon as he would return safely from the house of Lavan (Genesis 28:20-22), which he did not do immediately.

וע"י קללת יַעֲקֹב אָבִינוּ ע"ה בְּנוֹדַע וכמ"ש בַּזוּה"ק שֵׁם קע"ה ע"א

A second reason for the harsh judgement against Rachel: **Yaakov** unwittingly **cursed her**, as is known, when he cursed anyone who had stolen Lavan's *terafim* (Genesis 31:32) and he was unaware that Rachel had taken them to prevent her father from idolatry (Genesis 31:34), as the *Zohar* *ibid.* p. 175a explains.

אך באמת הרי הִיָּה מִיתָתָהּ עֲצָמָה תְּקוּן גָּדוֹל לְהִיחֹד דְּשִׁכְנִיתָא
תַּתָּא בְּהַעֲלָאָה בְּהַתְלַבְּשׁוּתָהּ בַּהִי"ב שְׁבָטִים וְכַנ"ל בְּכָל דְּבָרֵינוּ.

But in fact her death itself was a great *tikun* to bring about the *yichud* of the lower level of the *Shechinah* with the higher level, when she became clothed in the 12 tribes, as we have explained all along.

וְכֵן הִיָּה תוֹעֵלֶת וְתְקוּן גַּם לְרַחֵל אָמְנוּ גּוֹפָה כִּי הִרִי נִתְעַלִּית עִי"ז גַּם
היא

And it was also of benefit to our Matriarch Rachel herself, because by means thereof she too became elevated

בְּהַאֲוֹר דְּהַשְׁכִּינְתָּא עֲלָאָה וְנִתְאַחַדְתָּ בְּהִיחֹד דְּהַתַּתָּא בְּעֲלָאָה
וְכַנ"ל.

into the light of the higher level of *Shechinah* and she became unified in the unification of the lower level and the higher level, as mentioned.

וְנִמְצָא כִּי נִתְקַיֵּם אִז בְּהֶסֶם' הַצּוֹרֵר מִקְרָא שְׁכָתוּב קֹהֶלֶת ח' עַת
אֲשֶׁר שָׁלַט הָאָדָם בָּאָדָם לְרַע לוֹ

****So it turns out that the verse in Kohelet 8:**9 “There is a time when one man rules over another to his detriment” will be fulfilled in regard to the evil angel Sama’el, the oppressor,**

כִּי הִרִי סַבֵּב הֶסֶם' הַצּוֹרֵר עַל עֲצָמוֹ רָעָה גְדוֹלָה ע"י קְטְרוּגָיו וּמִיתָת
רַחֵל

for that tyrant Sama’el will cause great evil to himself by means of his accusations and the death of Rachel.

כי נתפשטה ונתגלה עי"ז השכינה הקדשה למטה וכמו שהיא
ביחודה למעלה

How? **Because through this** (the passing of Rachel) ****the holy Shechinah radiated out and became revealed below like it is in its state of unification above, ****

ע"י שנתלבשה בהי"ב שבטים שהם ביתא דשכינתא

by becoming clothed in the 12 tribes, who are the 'home' of the *Shechinah*.

ואתכפיא עי"ז הסטרא אחרא הרבה מאד וכן נתעלית רחל אמנו
גופה עי"ז ביחודה עלאה

In this manner the 'other side' the unholy side is subdued greatly, and our Matriarch Rachel herself is elevated thereby to the higher *yichud*.

והרי נתקים בו אשר שלט האדם בליעל באדם דקדשה

Thus there is fulfilled the promise of 'when the worthless man rules over the holy man'

לסבב מיתת רחל הוא נעשה לרע לו להאדם בליעל עצמו

to overturn the passing of Rachel into the detriment of the worthless 'man' himself,

וכמ"ש הרב בפע"ח שער הקריאת שמע פ"ג וכן בספר הגלגולים
פ"ב:

as the rabbi Rabbi Chaim Vital in the name of the Arizal explains in *Pri Etz Chaim, Sha'ar Keriat Shema ch. 3*, and in *Sefer Ha'Gilgulim ch. 2*.

5i — The Tikun of Rachel, Yosef and Binyamin

And the Tikun of the World

אמנם הוא הנה הגם כי אתקשר שכינתא בכלהו שבטין

It is indeed the case that the *Shechinah* is connected to all the tribes,

ונטל ביתא בהו ואתתקנת עי"ז וכנ"ל בדברי הזוה"ק קנ"ח א'
וקס"ה א'

and she makes her home with them, and through this she is rectified, as gleaned from the words of the *Zohar I* p. 158a, 165a mentioned above.

עכ"ז לא היה עדין תקון גמור כלל כי הרי לידת דהי"ב שבטים הרי
היה מד' גופות מחלקות עכ"פ

Nevertheless, this was not the complete *tikun* at all, since the 12 tribes were born from four separate bodies i.e. from four different mothers.

וְלָכוּ הַגִּם שְׁנֵיחֲדוֹ בְּפָנִימִיּוֹתָן ע"י שֶׁהָיוּ כּוֹלָם מִיַּעֲקֹב אֲבִינוּ ע"ה
שֶׁהוּא אִישׁ אֶחָד

Therefore, although they were united in their inner core by virtue of the fact that they were all from one father, our Patriarch Yaakov,

עכ"ז מאחר שִׁלְדָתָם הָיָה מִד' גּוֹפּוֹת מְחֻלָּקוֹת הָרִי נִתְחַלְקוּ
בְּחִיצוֹנִיּוֹתָם

nevertheless, since they were born from four separate bodies, they are divided outwardly.

וְלֹא הָיָה עֲדִין הַחִיצוֹנִית מִתְקַן כָּלֵל גַּם בִּה"ב שְׁבָטִים וְאִין זֶה תִּקּוֹן
גָּמוּר כָּלֵל

Moreover, the outer aspect had not yet been rectified at all, even as regards the 12 tribes, so this was not a complete *tikun* at all,

כִּי הַתִּקּוֹן הַגָּמוּר הוּא עַד שִׁתְּקַן בַּעוֹה"ז הַחִיצוֹנִית ג"כ

because a complete *tikun* is one where the external aspect in this world is also rectified.

וְהָרִי לֹא נַעֲשֶׂה עֲדִין הַתִּקּוֹן מִהִיחֹד דְּהַתַּתָּא בַּעֲלָא בְּשִׁלְמוֹת
שֶׁהוּא בְּהַחִיצוֹנִית ג"כ

In fact the *tikun* by means of the complete *yichud* of the lower level with the higher level, which includes the external aspect as well, had not been accomplished.

וְזֶהוּ מֵה שְׁגָם אַחֵר שְׁנֵתִקְשֶׁר הַשְּׂכִינָה בִּה"ב שְׁבָטִים וְנִטְלָא בֵּיתָא
בְּשִׁלְמוֹ

And this is even after the *Shechinah* became attached to the 12 tribes and made them here home completely.

עכ"ז לֹא נַעֲקַר שֵׁם יַעֲקֹב מִמְּקוֹמוֹ אֶלָּא שִׁישְׁרָאֵל עָקַר וַיַּעֲקֹב טָפַל לוֹ
וְכַמ"ש בְּבִרְכוֹת י"ג רע"א

With all of this, the name Yaakov was not uprooted from its place; instead, his name Israel was the primary aspect and Yaakov was secondary to it, as Tractate *Berachot* 13a states.

כִּי לֹא נַעֲשֶׂה עֲדִין אֶלָּא רַק הַתְּחִלַּת הַתִּקּוֹן לְבַד שְׁנֵתִקְשֶׁר הַחִיצוֹנִית
בְּהִיחֹד שְׁבָפָנִימִית

This is because only the beginning of the *tikun* had been implemented – the external aspect became attached to the internal aspect in *yichud*,

אָבֵל הַחִיצוֹנִית עֲצָמָה לֹא נִתְקַן עַדִּין בְּהִיחֻד כָּלֵל וְהָיָה תָלוּי וְעוֹמֵד
עַד מִתְּנַת תּוֹרָה

but the external aspect itself had not yet been rectified in that *yichud* at all, and it remained suspended in the sense that it was maintained in that state of separation between Yaakov and Israel, and was not fully consummated until the Torah was given on Mount Sinai.⁷⁰

אֱלוֹ שְׁזַכְּנוּ לְהַלּוּחוֹת הָרִאשׁוֹנוֹת כִּי אִזּוֹ הָיָה עֲתִיד שְׁיִתְבַּטֵּל כָּל
הַזִּמְמָא כְּלָה

Had we been worthy of the first Tablets which Moshe broke when some of the Israelites with the mixed multitude worshiped the golden calf and Moshe smashed the Tablets, then the situation that will prevail in the future, when all spiritual contamination will be nullified, would have become reality then,

וְהָיָה הַגָּלוּי דְּהִיחֻד לְמַעְלָה וּלְמַטָּה שֶׁהוּא ה' אֶחָד וְשְׁמוֹ אֶחָד כְּמוֹ
שֶׁיְהִיָּה לְעֵתִיד.

and the *yichud* would have been revealed above and below – that “God is One and His Name is One,” as it will be in the future.

ע' זוה"ק תרומה קס"א ב' וְשֵׁם קל"ד, א:

See *Zohar II, Terumah 161b; ibid. 134a.*

זֶהוּ הָעֲנִיָּן מֶה שְׁאַחַר שֶׁנִּקְרָא שְׁמוֹ יִשְׂרָאֵל מִתָּה עָלָיו רַחֵל מְשׁוּם
שֶׁהִיא הִיְתָה מְרֻכָּבָה רַק לְהִתְפָּאֵר לְבַד וְכַנ"ל

This is the insight as to why, after he was given the name Israel, Rachel passed away – because she was the *mercava* only to the lower level,

וְהָיָה לֹא הָיָה נִתְקַן עַדִּין הַחִיצוֹנִיּוֹת בִּיחֻד הִתְפָּאֵר בְּעַלְמָה

and the external aspect had not yet been rectified by means of the *yichud* of the lower level with the higher,

וְלָכוּ אַחֵר שֶׁנִּתְעַלָּה יַעֲקֹב אֲבִינוּ לְמַדְרַגַּת יִשְׂרָאֵל שֶׁהוּא בְּחִי
הַגְּדֻלוֹת דְּז"א וְהוּא בְּאוֹר הַיְחֻד

and therefore, after our Patriarch Yaakov ascended to the level of Israel, which is the aspect of *gadlut* of *z"v* the full maturity of *ze'ir anpin*, when *ze'ir anpin* is fully endowed with *mochin* (*chochmah, binah* and *da'at*), which is the light of that *yichud*.

לֹא הָיָה אֲפָשָׁר לְרַחֵל לְקַבֵּל אֶת הָאוֹר הַזֶּה וּלְהִתְיַחֵד עִם יַעֲקֹב
אֲבִינוּ ע"ה עוֹד

But it was no longer possible for Rachel to receive this light and unite with our Patriarch Yaakov

משום שגופה שהוא החיצונית דאור נשמטה לא היה מתקן עדין
since her body, which was the external aspect of the light of her soul, was not
yet rectified.

אלא רק לבחי' הקטנות ולהיות מרכבה להתפתא לבד בלי יחוד
בהעלאה

Instead, she was still at the level of *katnut* spiritual immaturity, and thus a
mercava only for the lower level, without a *yichud* with the higher level.

כי זהו הענין מה שנתחלקו לד' נשים משום שלא היה נתקן
החיצונית למטה בעוה"ז

This is the concept of them being divided into four wives – because the external
aspect had not been rectified below in this world

להיות מרכבה לאור היחוד דהעלאה בתפתא ולכך נתחלקו לד'
גופות וכנ"ל

so that it could serve as a *mercava* for the light of the *yichud* of higher and
lower, and therefore they were divided into four bodies, as explained above.

ולכן רחל אשר היתה מרכבה למטה להתפתא לבד ובלתי הגלוי
דאור היחוד שהוא בחי' הקטנות

Accordingly, since Rachel was the *mercava* below for the lower level only, and
she was lacking the light of that *yichud* – which is the level of *katnut* –

לא היה אפשר לה לקבל את האור דשם ישראל שהוא בחי' הגדלות
it was not possible for her to receive the light of the name Israel, which is the
aspect of *gadlut*.

לכך מאחר שזכה יעקב אבינו ע"ה לשם ישראל מיתת רחל

Thus, after our Patriarch Yaakov became worthy of the name Israel, Rachel
passed away,

כי לא היה אפשר לגופה שהוא החיצונית שבה להתיחד עמו עוד
משום שהחיצונית לא נתקן עדין.

for it was impossible for her body – her external aspect – to unite with him
again, since the external aspect had not yet been rectified.

וזהו הענין מה שהיה כל תשוקת יעקב אבינו ע"ה רק על רחל

This is the insight as to why it was that all of Yaakov's yearning was for Rachel
exclusively.

משום שְׁבָה תְּלוּי כָּל עֶקֶר הַתְּקוּן לַיְחֻדָּה עִמּוֹ וּלְקִשְׁרָהּ לַמַּעֲלָה כִּי
הוּא הִיָּה מְרַכְּבָה לז"א

Because the primary *tikun* – to unify her with him, and attach her above since he was the *mercava* for *ze'ir anpin* – depended on her.

וַיִּחְדוּ שְׁנֵיהֶם הוּא תְּקוּן זו"ן מִשּׁוּם שֶׁהִיא הִיָּתָה רַק בְּסוּד הַקִּטְנוּת
לְבַד וּכְמ"ש וְשֵׁם הַקִּטְנָה רַחֵל

The unification of the two of them Yaakov and Rachel would have been the *tikun* of *ze'ir anpin* and *nukvah* (*malchut*), because she was still only at the mystical level of *katnut*, as the verse (Genesis 29:16) states, "and the name of the smaller one *haketana* i.e. the younger sister was Rachel."

לָכֵן הִיָּה רוּצָה לְתַקְנָה תָּמִיד לְהַעֲלוֹתָהּ בְּסוּד הַגְּדֻלוּת וּכְמוֹ שֶׁזָּכָה
הוּא לְשֵׁם יִשְׂרָאֵל

This is why he always longed to rectify her – to elevate her to the mystical secret of *gadlut* – just as he had been worthy of when he was given the name Israel.

אֲךָ מִשּׁוּם שֶׁמִּצִּיאַת כָּל הָעוֹלָם כְּלוּ שֶׁהוּא מִבְּחִי הַנוּק' הָאֲחֵרוֹנָה
דְּהַמְלָכוֹת הַכְּלָלִי אֲשֶׁר רַחֵל הִיָּה מְרַכְּבָה אֵלֶיהָ

But because the existence of the entire world was from the aspect of the final female element of macro-*malchut*, for which Rachel was the *mercava*,

לֹא הִיָּה מְתֻקָּן עַדִּין כָּלֵל לָבוֹא לְמַדְרַגַּת הַיְחֻד וּלְהֵאִיר בָּאוּר
הַגְּדֻלוּת

she was not rectified yet at all to be able to approach the level of *yichud* and shine with the light of *gadlut*.

כִּי הָרִי מִשּׁוּם זֶה נִתְחַלֵּק גְּלוּיֵי דְאוֹרוֹת הַנוּקְבָא לְמִטָּה בְּד' גּוֹפּוֹת
כְּנִז'

This is why the revelations of the lights of *nukvah* the female element below was divided into four entities, as mentioned.

וְהוּא מִשּׁוּם שֶׁהַחִיצוֹנִית דְּהָעוֹלָם הִיָּה עַדִּין פָּגוּם מְאֹד ע"י קִלְקוּל
כָּל הַדּוֹרוֹת כּוֹלֵם וְכַנ"ל

This is because the external aspect of the world was still deeply tainted by the destructive activities of all the preceding generations, as mentioned above.

לָכֵן לֹא הִיָּה אֲפֻשָׁר שִׁיתֻקָּן רַחֵל גּוֹפָה לָבוֹא לְמַדְרַגַּת הַיְחֻד
וְהַגְּדֻלוּת

And therefore it was impossible for Rachel herself to be rectified and achieve the level of *yichud* and *gadlut*.

אֶלָּא אֲדַרְבֵּה הִיָּה שְׂכָאֲשֶׁר זָכָה יַעֲקֹב אָבִינוּ ע"ה לְשֵׁם יִשְׂרָאֵל
נִסְתַּלְקָה רַחֵל וּמִיתָה:

To the contrary, when Yaakov became worthy of the name Israel, the spiritual aspect of Rachel was retracted, and she passed away.

אָמְנָם עכ"ז הִנֵּה נִתְקִים בְּיַעֲקֹב אָבִינוּ ע"ה לֹא יִגְרַע מִצַּדִּיק עֵינָיו
(אִיּוֹב ל"ו) וְשָׂרֵשׁ צַדִּיקִים יִתֵּן (מִשְׁלֵי י"ב)

However, even given all of the above, with our Patriarch Yaakov the verses (Job 36:7) “He will not remove His gaze from the righteous,” and (Proverbs 12:12) “The roots of the righteous will bear fruit” are fulfilled

וְהוּא בָמָה שְׂיִלְדָּה לוֹ אֶת יוֹסֵף וּבִנְיָמִין וְהֵם הָיוּ מִבְּחֵי יִסּוֹד וַעֲטָרָה
שְׁבָה וְכַנ"ל אוֹת ז'

– in the sense that she Rachel bore him Yosef and Binyamin, who were from the aspect of *yesod* and its *atarah* crown or corona, as explained above subsection (g).

וְהָרִי הֵם מֵהֶקוּ הָאֲמָצְעֵי שְׁבָה הָעוֹלָה לְמַעְלָה לְמַעְלָה

They Yosef and Binyamin were from the middle column of the *sefirot* that ascends to the very heights to *keter*,⁷¹

וְהִיָּה לְבוֹ בְּטוֹחַ בָּזָה שֶׁהִגֵּם שְׁלֹא זָכָה לְתִקּוֹן אוֹתָהּ תִּכְף עכ"ז הָרִי
נִשְׁאָר גִּזְעָה לְנֶצַח עִמּוֹ וְתִתּוֹקֵן לְבִסּוּף עַל יְדוֹ עכ"פ

and his heart was sure that even though he had not merited to rectify her Rachel immediately, nevertheless, her ‘trunk’ so to speak, i.e. that which grows out of the roots, her progeny, remained with him eternally, and would be rectified by him in the end.

וְהָרִי יַעֲשֶׂה כָל תִּקּוֹן הָעוֹלָם כּוּלּוֹ וְכָל תִּקּוֹת חֲמֻדַּת יִשְׂרָאֵל רַק עַל
יְדוֹ

Thus the entire *tikun* of the world would be accomplished, and the hope and yearning of the Jewish People would come about only through him,

וְכִמּוֹ שְׁאָמְרוּ רַז"ל בְּבָא בְּתֵרָא קכ"ג ע"ב רָאָה יַעֲקֹב אָבִינוּ שְׁאִין זָרְעוֹ
שֶׁל עֶשָׂו נִמְסָר אֶלָּא בִּיד זָרְעוֹ שֶׁל יוֹסֵף

as our Sages state in Tractate *Bava Batra* 123b: ‘Yaakov foresaw that the progeny of Esau would be given over to the progeny of Yosef.

וְכֵן הוּא בְּבִרְאשִׁית רַבָּה פ' ע"ג סִימָן ז' וּבכ"מ מִמְסַרְתָּ הִיא שְׁאִין עֶשָׂו
נוֹפֵל אֶלָּא בִּיד בְּנֵיהָ שֶׁל רַחֵל

There is a similar statement in *Bereishit Rabba* 73:7, and in a number of other places: It is a tradition handed down that Esau will fall only into the hands of

the children of Rachel.

ולכן אהב אותם מכל בָּנָיו כִּי רַק בָּהֶם תָּלוּי כָּל בְּטוּל הָרַע כּוּלּוּ

And this is why he Yaakov loved them more than all his other sons, for the termination of all evil depends only on them.

וְהוּא מְשׁוּם כִּי רָחֵל הִיא עֶקְרָה שֶׁל בֵּית שְׁשׁרְשָׁה הוּא הַשְּׂכִינָתָא
תַּתָּא

And this is because Rachel, the primary wife of his household, was rooted in the lower level of the *Shechinah* –

שֶׁהִיא רָחֵל דְּאֶצִּילוֹת הַמְּנִהְגָּת אֶת כָּל הָעוֹלָמוֹת הַתַּחְתּוֹנִים

Rachel of Atzilut who directs and guides all of the lower worlds.

וְכֹאֲשֶׁר תִּתְקַן רָחֵל עֲלֵאָה בִּיְחֻדָּה לְמַעַלָּה אַזְיִתְקַן כָּל הַחִיצוֹנִית
דְּהָעוֹלָם ג"כ

Thus when the supernal Rachel will be rectified in her *yichud* up above, then the entire external aspect of the world will also be rectified

בְּבְטוּל כָּל הָרַע ע"י בְּנֵיהָ שֶׁל רָחֵל לְמַטָּה וְיִהְיֶה כָּל הַמְּצִיאוֹת כּוּלּוּ
קוֹדֵשׁ לָהּ:

with the termination of all evil through the agency of Rachel's descendants below, and all of existence will be sanctified to God.

וְהִנֵּה לֹא זָכְתָה רָחֵל לְהִבָּנוֹת מִיַּעֲקֹב אֲבִינוּ ע"ה אֶלָּא רַק בְּיוֹסֵף
וּבִנְיָמִין לְבַד

Now Rachel did not merit to be built up by Yaakov other than through Yosef and Binyamin,

שֶׁהֵם מֵהִיסוּד וְהָעֵטָרָה דְּרָחֵל דְּלַעֲלָא שֶׁהוּא הַנִּקְוָה הַפְּנִימִית
שְׁבָה הָעוֹלָה לְמַעַלָּה לְמַעַלָּה

who were the *yesod* and the *atara* of the supernal Rachel – the innermost point within her that ascends to the loftiest heights –

וְהוּא הַמְּלָכוֹת שְׁבָה אֲשֶׁר בְּסוֹף הַקוֹ הָאֲמֻצָּעִי

and this is the aspect of *malchut* within her, located at the end of the middle column,

הָעוֹלָה עַד הַכֶּתֶר וְעַד הַמְּלָכוֹת דֹּא"ס וְכַנ"ל אוֹת א' וְשֵׁם הוּא כָּל
הַיְחוד דְּעֲלָא וְתַתָּא

that ascends to *keter*, and even to *malchut* of *Ein Sof*, as explained previously in subsection (a), and that is where the complete *yichud* of higher and lower takes place.

וע"י שלא היה אז העולם עדין מתקן כלל לכן לא זכתה להבנות
אלא רק בהנקדה הפנימית שבה לבד משום כי שם הוא היחוד
לעולם והוא קוצו של ד' דאחד.

But since the world was not as yet rectified at all, she did not merit to be built up other than in her innermost point exclusively, because there the *yichud* is eternal and is alluded to by the 'thorn' atop the letter *dalet* of *echad*.

אבל עכ"פ הוא כי ע"ז הנה ירד ונתיסד בהעולם כל כח התקון
כולו

In any event, this was the way in which the entire potential for *tikun* descended into this world and became established.

ולכן שמר אותם יעקב אבינו ע"ה ביותר מכולם וכמו שראינו במה
ששם את רחל ואת יוסף אחרנים

It was for this reason that our Patriarch Yaakov guarded them more than all the other sons, as we saw when he placed Rachel and Yosef behind everyone else (see Genesis 33:2) when he saw Esau approaching in a menacing manner.

וכן אהב את יוסף ובנימין מכל בניו כי ראה וידע שהם יסוד כל
התקון דשכינתא תתאה ביחודה למעלה

And he also loved Yosef and Binyamin more than his other sons because he saw and knew that they were the foundation of the entire rectification of the lower *Shechinah* in her *yichud* above,

ובה תלוי תקון כל המציאות כולה והוא ע"י בניה של רחל שהם
מהנקודה פנימית דהשכינתא תתאה

and it is upon this that the *tikun* of all of existence depends – by means of the sons of Rachel who are the innermost point of the lower level of *Shechinah*,

אשר תאיר ותזריח אורה למעלה למעלה ליחד הכל ולגלה כבוד
מלכותו יתברך מלעילא לתתא

whose light will illuminate and shine forth at the highest levels above, to unify everything and to reveal the glory of His blessed sovereignty from above to below.

אשר זה היה כונת המאציל ית"ש בכל בריאת עולמו

And this was the intention of the blessed Emanator in creating His entire universe.

לכן נתן יעקב אבינו ע"ה כל נפשו רק על רחל לתקן אותה

This was why Yaakov gave over his entire soul to Rachel exclusively, in order to rectify her.

וְכֵן זָכָה לְבִסּוּף לְהוֹלִיד מִמֶּנָּה אֶת יוֹסֵף וּבִנְיָמִין שֶׁהֵם יְסוֹד כָּל הַתְּקוּן הָעֵתִיד כְּנִז'

And in the end he did merit to bear with her Yosef and Binyamin, who are the foundation of the entire future *tikun*, as mentioned.

וְזֶהוּ ג' כ' מָה שְׁאַחַר מִיתַת רָחֵל הֵסִיב מִטָּתוֹ בְּאֵהָל בִּלְהָה

And this is also why, after Rachel passed away, Yaakov moved his bed into Bilhah's tent, and not into Leah's tent,

מִשּׁוּם שֶׁהִיא הָיְתָה מְהַאֲחֻזִּים דְּשֵׁרֶשׁ אֹר דְּרָחֵל כְּנ"ל

since she Bilhah was the external aspect of the root of Rachel's light, as explained above,

וְהָיָה נִצְרָךְ הִיא לְתְּקוּן הַרְבֵּה שְׁהָרִי גַם הַשְּׁבָטִים אֲשֶׁר נִוְלְדוּ מִמֶּנָּה שֶׁהֵם דָּן וְנַפְתָּלִי

and she needed extensive *tikun*, since even the tribes who were born to her, Dan and Naftali,

הֵנָּה הֵם בְּהִתְרִין פְּרָקִין תַּתְּאִין דִּירְכָא שְׁמַאלָא כְּנ"ל אוֹת ז' וְכָל צַד הַשְּׁמַאל צָרִיךְ תְּקוּן מֵאֲדָ

were from the two lower sections of the left leg, so to speak, as explained above subsection (g), and all of the left side required extensive *tikun*.

וְלָכֵן הָיָה רוּצָה לְתַקֵּן אוֹתָהּ וּלְיַחֲדָה בְּאוֹר הַפָּנִים לְכָלְלָהּ בְּאוֹר אַחַת עִם הַפָּנִים בְּכָל הָאֲפָשָׁרִי

And therefore he wanted to rectify her and unify her with the light of the front, face-to-face so to speak, rather than only externally, back-to-back, and include her as one light from the front as far as possible,

וּכְמוֹ שֶׁתְּהִיָּה לָעֵתִיד כְּאֲשֶׁר יִתְּוֶקֶן הַחִיצוֹנִית ג' כ' שְׁאֵז יִתְאַחֲדוּ כּוֹלָן לְאַחַת מִמֶּשׁ.

as will be in the future when the external will be rectified as well, for at that time, they will all unite as one, literally.

וְכֵן כָּל הִי"ב שְׁבָטִים לְאַחַד וְכְנ"ל אוֹת ז'

And similarly, the 12 tribes will unite as one, as explained above subsection (g).

וְיִהְיֶה הַתְּחִלַּת הַתְּקוּן מִבְּנֵיהָ שֶׁל רָחֵל מִשּׁוּם שֶׁהֵם מְהֻנְקָוֶה פְּנִימִית שֶׁל הַסּוּף דְּקוֹ הָאֲמֻצָּעִי הָעוֹלָה לְמַעְלָה לְמַעְלָה

The *tikun* will begin from Rachel's sons, since they are the innermost point of the end of the middle column that ascends to the very heights.

וְהוּא סוּד הַיְחוד י' דִּיעֶקֶב י' דִּישְׂרָאֵל י' דְּשָׂדִי י' דְּאֲדָנִי י' דְּהַנִּיה

This is the mystical secret of the *yichud* of the *yud* of the name **Yaakov**; the *yud* of the name **Israel**; the *yud* of the Name *Sh-adai***; the *yud* of** the Name *Ad-nai*, and the *yud* of the Name **Havaye** – all of these contain the letter *yud*.

וְהוּא סוּד יוֹסֵף הַצַּדִּיק בְּרִית מִלָּה שֶׁהוּא לְעֵדוּת בְּיִשְׂרָאֵל וְהוּא
בְּקוּצוֹ שֶׁל ד' דָּאֶחָד

This is also the mystical secret of Yosef haTsadik corresponding to the circumcision of the male organ, a testimony in Israel of our faith in the covenant, and this is alluded to by the ‘thorn’ atop of the *dalet* of *echad*.

וַיֵּאָרֶז וַיִּתְגַּלֶּה הַיְחוד לְעֵלָא וּתְתָא וַיְהִיָּה ה' אֶחָד וּשְׁמוֹ אֶחָד: ⁷²

May this *yichud* shine forth and become revealed above and below, and “God will be One and His Name One” as the verse in Zechariah 14:9 states.

Footnotes

1. The word **מִתְנַהֲגִים** implies both terms – deployed *and* directed. ↵
2. Although the word **אור** is not present here, in several other places in this chapter and elsewhere the author makes clear that we are talking about the *Ohr Ein Sof*. ↵
3. The Hebrew term *pashut* can also be translated as ‘simple’ or ‘uncompounded.’ ↵
4. The parentheses were added in the author’s own handwriting (Makover). ↵
5. The word **מִתְנַהֲגִים** implies both terms – deployed *and* directed. ↵
6. As a reminder, the light of *malchut* of *Ein Sof* is referred to as ‘the undefinable Infinite Light,’ whereas the light of *malchut* of Atzilut is referred to as G-dly Light or Divine Light. ↵
7. Part of the Introduction to the *Tikunei Zohar*. ↵
8. Makover ↵
9. I.e. from the *malchut* of those *sefirot* (Makover). ↵
10. I.e. even though the activities of *malchut* are in BiY”A, her root is in Atzilut. ↵
11. From the outset *malchut* comprised only a single point, and the other nine aspects of *malchut* were emanated from that point (Makover). ↵
12. As *nukvah* of *ze’ir anpin*. ↵
13. Makover ↵
14. Traditionally, the origin of a man’s sperm is ultimately in his brain. ↵

15. Meaning 'be silent' [↩](#)
16. Literally 'the radiant lens' – referring to the *sefirah* of *tiferet* which illuminates the entire *partzuf* of *ze'ir anpin*, corresponding to the sun, whereas *malchut* is called 'the dark lens' *aspaklaria sh'eina me'ira* and corresponds to the moon which has no light of its own. [↩](#)
17. It was Rachel who gave Leah the secret signs that Yaakov had given her to ensure that the wily Lavan would not deceive him and given him someone other than Rachel as a wife. Rachel did this to avoid Leah's shame and embarrassment. See Genesis 29:17 ff. [↩](#)
18. Although the Ba'al HaLeshem mentions six tribes here, he only lists five *sefirot*, excluding *yesod*. *Meir HaLeshem* explains that Yehuda doesn't really belong on the list since he corresponds to *malchut*, so in reality there are only five tribes listed, and Yehuda was mentioned in error. However, the Arizal in *Sefer HaLikutim* (*Vayetze* 29) explains that **Levi** is not counted among the Tribes (since the camp of the Levites and their camp were separated from the other Tribes and their camp after the Golden Calf) and so Yehuda took the place of the original Levite camp to the East, corresponding to *tiferet*. [↩](#)
19. As the Ba'al HaLeshem will explain in ch. 3 the *atara* is the lowest aspect of *malchut* of that *partzuf*. [↩](#)
20. This is the way the word appear in the text, in the masculine form. It would seem that it should take the feminine form **שְׁהִיָּא** but neither Makover nor Meir HaLeshem make note of this. [↩](#)
21. The actual question takes some time to get to. It begins with the words "וא"כ – **הָיָה אֵיךְ נִעָשׂוּ** – This being so, how did they become..." [↩](#)
22. 'Tikun' in this context can also be rendered as 'garment', as in the verse (Deut. 22:5) **לֹא יִהְיֶה כְּלִי גִבֹּר עַל אִשָּׁה וְלֹא יִלְבַּשׁ גִּבֹּר שְׂמַלְת אִשָּׁה** (a man's attire should not be worn by a woman, and a man may not don women's apparel), which the Targum renders as **לֹא יִהְיֶה תְּקוּן זֵין דְּגִבֹּר עַל** **אִתָּא**, using the word *tikun* for 'wear' and 'apparel.' Thus, in order to become revealed, the *Shechinah* must be 'dressed' in the appropriate garments. [↩](#)

26. Here is the question that the author began right at the beginning of the chapter, starting with the words: "We need to understand..." [↩](#)
27. Liturgy, part of the *Aleinu* prayer. [↩](#)
28. The gist of his explanation is that Yaakov made offerings there to the Divine Presence (the *Shechinah*) in the manner that the *Shechinah* had become revealed to Yitzchak. [↩](#)

59. 'Tikunim' in this contest can be translated as 'rectifications' or as 'garments,' as mentioned above. [↵](#)
60. There seem to be some words missing here. Meir HaLeshem amends כִּי לְהִיּוֹת מְרַבָּה to read אֶמְנָם לְהִיּוֹת מְרַבָּה and we have translated it that way. [↵](#)
61. Ramak and commentaries. [↵](#)
62. *Yesod* should generally be translated as 'foundation' or basis. However, that would obscure the vital point here that *yesod* corresponds to the male and female organs, the organs of the lower *yichud* in particular. Accordingly we have left it as '*yesod*'. [↵](#)

64. See previous footnote. [↵](#)
65. The implication seems to be that just as Rachel prevented the *yichud* as the 'representative' of the lower level of *Shechinah*, so too Leah prevented the *yichud* as the 'representative' of the higher level of *Shechinah*, and therefore she too should have passed on. (Makover) [↵](#)

Chapter 6 — The Names Elokim and Ad-nai

6a — The Names Elokim and Ad-nai

וּמַעֲתָה נִחְזָר לְעִנְיָנֵינוּ הָרִאשׁוֹן הֵנָּה אֲמַרְנוּ לְעִיל רפ"ה

Now let's return to our first topic – we said at the beginning of chap. 5

כִּי הַמַּלְכוּת נִקְבָּא דז"א דְאֶצִּילוֹת הֵנָּה הוּא נֶגֶד הַגְּלוּי הַחֲמִישִׁי
הַכִּלְלִי דא"ס ית"ש

that *malchut* is the *nukvah* the female element of *ze'ir anpin* of Atzilut, which corresponds to the fifth macro revelation of the blessed *Ein Sof*

אֲשֶׁר נִתְגַּלָּה בְּהַעֲלָמוֹת בִּי"ע בְּמַצִּיאוֹתָם וְהִתְגַּתָּם וְכַנ"ל שֶׁעַד ד' פ' ד' ה'

which is revealed in the worlds of BiY"Ä – within their manifested existence and in the way they are directed or supervised – as explained in *Sha'ar* 4 chaps 4 & 5.

וְהֵנָּה הוּא ג"כ ע"ד שֶׁאֲמַרְנוּ לְעִיל פ"ד בְּהַגְּלוּי הַכִּלְלִי הַרְבִּיעִי שֶׁהוּא
נֶגֶד ז"א דְאֶצִּילוֹת

This is also similar to what we said above chap. 4 regarding the fourth macro revelation.

וְאֲמַרְנוּ שֶׁם כִּי הוּא גּוֹפָה עֶקֶר הָאֶצִּילוֹת עֲצָמוֹ שֶׁהוּא הַגְּלוּי הַכִּלְלִי
הַד'

We said there that this very revelation is the primary aspect of Atzilut itself, which is the fourth macro revelation.

כֵּן הוּא כְּעִין זֶה ג"כ בְּעִנְיָנֵינוּ כִּי הַנוֹק' דז"א שֶׁבְּהָאֶצִּילוֹת

So too with this idea, since *nukvah* of *ze'ir anpin* in Atzilut

הֵנָּה הוּא עֲצָמוֹ הַגְּלוּי הַחֲמִישִׁי דא"ס אֲשֶׁר נִתְגַּלָּה בְּפִעֻלַּת כָּל
הַבִּי"ע

is itself the fifth revelation of *Ein Sof* that becomes revealed in producing all of BiY"Ä.

וּר"ל כִּי אוֹר א"ס הָעוֹמֵד בְּאֶצִּילוֹת וּמִתְיַחַד שֶׁם וְנִתְפָּשֵׁט וְנִתְגַּלָּה
בְּגְלוּי הַמַּלְכוּת הַנִּקְרָא בְּשֵׁם נוק' דז"א

Meaning to say: the *Ohr Ein Sof* that manifests in Atzilut and merges with it, then radiates out and becomes disclosed in a revealed manner with the revelation of *malchut*, which is called *nukvah* of *ze'ir anpin*.

הִנֵּה אוֹתוֹ הַגִּלּוּי גּוֹפֶה הוּא אֲשֶׁר הִמְצִיא אֶת כָּל הָעוֹלָמוֹת בִּי"ע
בְּכָל מְצִיאוֹתָם בְּכָלל וּבִפְרָט

This revelation itself is what produced all the worlds of BiY”A in all of their manifested existence, in general and in particular i.e. in macro and micro formats,

וּמִשְׁגִּיחַ בָּהֶם וּמְנַהִיג אוֹתָם תָּמִיד בְּכָל עֲנִינֵיהֶם מֵעוֹלָם וְעַד עוֹלָם
and it is this revelation that **supervises them** in the sense of Divine Providence **and always shepherds them in all matters pertaining to them from one plane of reality to the next.**¹

וְלָכֵן נִקְרָא הוּא ית"ש ע"י גִּלּוּיוֹ בְּהַמְלָכוֹת הַכָּלְלִי דְּאַצִּילוֹת בָּשֶׁם
אֲדֹנָי

And therefore, He, may He be blessed, is called *Ad-nai* by virtue of His revelation in macro-*malchut* of Atzilut.

שֶׁהוּא אֲדוֹן כָּל הָאָרֶץ וְכֵן בָּשֶׁם אֱלֹהֵי כָל הָאָרֶץ

This is because He is Master *Adon* of all the earth and is also known as ‘the God of all the earth,’

וּכְמ"ש בְּזוֹהַר ק פ' תְּצַוֶּה קפ"ו ע"א וְשֶׁם ע"ב וּבִפ' מִשְׁפָּטִים ק"ו ע"א
וּפ' תְּרוּמָה קע"א ע"ב:

as the *Zohar* vol. II states in *Tetzaveh* 186a, *ibid.* b and in *ibid.* *Mishpatim* 106a and in *ibid.* *Terumah* 171b.

וְהִנֵּה יֵשׁ בְּאוֹתוֹ הַגִּלּוּי ד' בְּחִי' כָּלְלִיִּים וְהֵם ד' מִיְנֵי שְׁמוֹת אֲשֶׁר נִקְרָא
בָּהֶם הַמְּאֲצִיל א"ס ית"ש

Now in that same revelation there are four general aspects, which are the four types of Name by which the blessed Infinite Emanator is called

ע"י גִּלּוּיוֹ בְּפַעֲלַת הַבִּי"ע בְּמְצִיאוֹתָם וְהַנְהֲגָתָם

by virtue of His revelation in producing BiY”A as actual existence and in His directing and supervising them.

כִּי הִרִי אֲמַרְנוּ שְׁכָל פַּעֲלַת הַבִּי"ע הִנֵּה פָּעַל אוֹתָם הַמְּאֲצִיל ית"ש

For we said previously that in the entire activation of BiY”A, the blessed Emanator produced them

שִׁיָּהָא כָּל מְצִיאוֹתָם בְּבִחִי' מְצִיאוֹת שְׁחוּץ מִמֶּנּוּ

in a manner that their entire existence is ‘outside’ of Himself

כִּי הֵם אֵינָם אֱלֹהוֹת כָּלָל וְכֵן"ל שְׁעַר ד' פ' ה'

in the sense that they are not Godly as all, as explained earlier *Sha’ar* 4 chap. 5.

אך עכ"ז הרי נבדל פֿעֿלְתּוֹ ית"ש בָּהֶם מִפֿעֿלְתּוֹ כֹּל פּוֹעֵל אֲשֶׁר
בעוה"ז בְּשָׁנֵי דְבָרִים

Nevertheless, His actions in producing them are radically different from all other activities in this world in two ways:

כי פֿעֿלְתּוֹ כֹּל פּוֹעֵל אֲשֶׁר בעוה"ז הרי הָיָה כֹּל פֿעֿלְתּוֹ רַק בְּמִקְרָה וְלֹא
בְּעֶצֶם כָּלָל

1. All activities in this world are incidental and not essential at all

כי אין הנגר ממציא את עצם העץ ואין הנפח ממציא את עצם ברזל
וכל פֿעֿלְתָם הרי הוא רק בְּשָׁנוּיָהֶם וּבְמִקְרֵיהֶם

– because metaphorically speaking the carpenter does not produce the actual wood itself, nor does the blacksmith produce the iron – all of their actions on the wood and iron are merely incidental or superficial changes, not changes in the essence of the materials.

ועוד שנית כי הרי גם פֿעֿלְתּוֹ הַמִּקְרִיִּים אֲשֶׁר פּוֹעֵל בוֹ הֵנָּה אַחֵר
שְׁגוּמֵר אֶת פֿעֿלְתּוֹ

2. Secondly, after the incidental changes have been made to the material, after the work is finished,

אינו קשור עוד הפועל עם הפֿעֿלָה כָּלָל ואינו תלוי הפֿעֿלָה מֵעַתָּה
בְּהַפּוֹעֵל מֵאוֹמָה

the workman is no longer connected to the activity, and the activity is not dependent in any way upon the worker.

משא"כ פֿעֿלְתּוֹ ית"ש אֲשֶׁר בְּכֹל פֿעֿלְתּוֹ הַבִּי"ע הרי הָיָה פֿעֿלְתּוֹ הוּא
בְּעֶצֶם וְהוּא בְּמִקְרָה

This is not so as regards the activities of the Blessed One – all of His activities in BiY"A – whether actions that are incidental or that are essential –

כי הוא הַמְצִיאָם וְהוֹצִיאָם מֵאִין לִישׁ וְכֵן הרי הם קשורים ותלויים בו
לְעוֹלָם

He produced them *ex nihilo*, and they are always bound to Him and dependent upon Him,

הוּא בְּעֶצְמוֹתָם וְהוּא בְּכֹל מִקְרֵיהֶם כִּי כֹל עֲמִידַת וְקִיּוּם עֶצֶם מְצִיאֹתָם
הוּא רַק מִמֶּנּוּ ית"ש

whether in their essence or in their incidental traits – their entire being and continued existence are *only* from Him, may He be blessed.

וְכֹן כָּל תְּהִלּוֹתֵיהֶם בְּכָל מְקָרֵיהֶם וְעִנְיָנֵיהֶם הֵם לְעוֹלָם רַק מִמֶּנּוּ
וְתַלּוּיִם וְקְשׁוּרִים רַק בּוֹ.

Furthermore, all of their journeys through life and all of the events that occur, and all matters concerning them are always *only* from Him, and all of them are dependent only upon Him and are bound to Him.

וְהִנֵּה עַל שֵׁם פְּעֻלַּת עֲצֻמוֹתָם וּמַצִּיאוֹתָם אֲשֶׁר הִמְצִיָּאָם וְהוֹצִיָּאָם
מֵאִין לִישׁ

Now, in terms of bringing about their essence and their existence that He produced and brought forth *ex nihilo*

הִנֵּה נִקְרָא הוּא ית"ש בְּשֵׁם אֱלֹהִים כִּי הוּא גִלּוּיֵי ית"ש בְּכֹחַ
הַתְּהִלּוֹת דְּכָל הַמַּצִּיאוֹת דִּהְיִי"ע וְדְכָל מְקָרֵיהֶם וְתְהִלּוֹתֵיהֶם

He is called by the Name Elokim, for this Name is how He reveals Himself in the power of bringing the entire existence of BiY”A into being, with all its occurrences and all of its trajectories throughout the period of its existence.

כִּי הַשֵּׁם אֱלֹהִים הוּא גִלּוּיֵי ית"ש בְּהַכְחוֹת דְּכָל הִבְי"ע

This is because the Name Elokim is His blessed revelation within the powers that produced all of BiY”A. By ‘powers’ here it seems that the Baal HaLeshem means the powers or capacities of the *sefirot* as revealed in those worlds.

וְהוּא מָה שְׁנוֹדַע שֶׁהַשֵּׁם אֱלֹהִים הוּא בְּחִי' דִּין וּכְמ"ש כִּי הַמְשָׁפֵט
לְאֱלֹהִים הוּא

This is according to a well-known principle that the Name Elokim is the aspect of *din* judgment, as in the verse Deuteronomy 1:17 “For the judgment is God’s” using the Name Elokim.

וּמִזֶּה הוּא כָּל הַצְמָצוּם וְהַגְּבוּל וְהַמְדָּה וְהוּא עֶצֶם הַכֹּחַ דְּכָל
הַמַּצִּיאוֹת דִּהְיִי"ע

And from this Name comes the entire *tzimtzum* constriction and limitation and finite being; this is the essential power that produced the existence of the entire BiY”A –

כִּי בָהֶם הוּא כָּל הַגְּבוּל וְהַמְדָּה וְהֵם מִהַצְמָצוּם עֲצֻמוֹ

it is in them in BiY”A that all limitation and finite being exist, and this comes from the *tzimtzum* itself.

וְר"ל שֶׁהַצְמָצוּם הַנֶּעֱשָׂה מִהַאֲצִילוֹת לְבִי"ע כִּנ"ל שֶׁעַר ו' פ' א' ב'

The reference here is to the *tzimtzum* from Atzilut to BiY”A as explained above *Sha’ar* 6 chaps. 1 & 2.

הוא עֲצָם הַכֹּחַ דְּהַמְצִיאוֹת דִּהְיִי"ע וְזֶהוּ מֵה שֶׁנִּזְכָּר בְּכָל מַע"ב שֵׁם
אֱלֹהִים

This is essentially what powers the existence of BiY”A, and this is why the Name Elokim is mentioned throughout the Work of Creation.

וְהוּא הוּן עַל עֲצָם מְצִיאוֹתָם גּוּפָה וְהוּן עַל כָּל כַּחוֹתֵיהֶם אֲשֶׁר בְּכָל
מְצִיאוֹת וּמְצִיאוֹת

This applies both to their essential existence itself and also to the all of the capabilities that are invested in each and every creature

לְצַרֵּךְ כָּל מְקַרְיו וְעֲנִינָיו

– those that are needed for whatever that individual will undergo, and for all matters pertaining to it,

כִּי הַכָּחוֹת שֶׁבִּכ"א אֲשֶׁר לְצַרֵּךְ כָּל מְקַרְיו

because the capabilities of each individual – required for whatever that individual will undergo –

הֵנָּה הוּא נִמְשָׁךְ עִם עֲצָמוֹתוֹ בְּאֶחָד וְהוּא הַכֹּל מְאוּרוֹ ית"ש אֲשֶׁר
בְּבַחֲיו גְבוּרָה וְדִין

are drawn down with its essence as one from His blessed light in the aspect of *gevurah* and *din*

כִּי מִמֶּנּוּ הוּא כָּל הַפְּעֻלוֹת (ע' דְּבָרֵינוּ בַּדַּע"ה ח"א דְּרוֹשׁ א' סִימָן ב'
(ג)

since from Him as Elokim come all activities (see *Sefer Drushei Olam Hatohu* part 1, *drush* 1, *siman* 2, 3).

וְלָכֵן נֶאֱמַר בְּכָל מַעֲשֵׂה בְּרָאשִׁית וְכָל שֵׁם אֱלֹהִים וְהוּא עַל שֵׁם
פְּעֻלָּתוֹ ית"ש בְּכָל פְּעֻלַּת הִי"ע

It is for this reason that throughout the account of Creation only the Name Elokim is mentioned, and this is in terms of His actions in producing the entire BiY”A,

הוּן אֶת עֲצָם מְצִיאוֹתָם גּוּפָה וְהוּן אֶת כָּל כַּחוֹתֵיהֶם אֲשֶׁר נִתְיָסַד בָּהֶם
whether their very existence itself, or the capabilities that are inherent in them

לְהוֹצִיא תוֹלָדָה מִתּוֹלָדָה וּפְרִי מִפְּרִי וְלִכְלֵל מְקַרֵּיהֶם אֲשֶׁר יַעֲבֹר
עֲלֵיהֶם בְּכָל מִשְׁךְ יְמֵי עוֹלָם

to produce offspring from offspring, and fruit from fruit, with all that

occurs to them throughout the course of history.

וְהֵם כָּלֵם מִגְלִיּוֹ ית"ש אֲשֶׁר נִתְגַּלָּה אֵלֵיהֶם בְּשֵׁם אֱלֹהִים.

All of this is from His blessed revelation that is disclosed to them as the Name Elokim.

אָמְנָם גְּלִיּוֹ ית"ש אֲשֶׁר נִתְגַּלָּה בָּהֶם שֶׁיְהִיּוּ הֵם קְשׁוּרִים וְתִלּוּם בּוֹ
לְעוֹלָם

However, His blessed revelation that is revealed within them so that they should become bound to and dependent upon Him forever

בְּכָל מְצִיאוֹתָם וּבְכָל מְקָרֵיהֶם וְשִׁיתְנַהֲגוּ תָמִיד וְקַבְּלֵם בְּהַשְׁגָּחָתוֹ וּרְצוֹנוֹ
in all of their existence and in all of the events that occur to them, and that they are shepherded exclusively by His Divine Providence and Will

הִנֵּה בְּהַגְלִיּוֹ הִזָּה נִקְרָא הוּא ית"ש בְּשֵׁם אֲדֹנֵי שְׁהוֹרָאָתוֹ הוּא שְׁהוּא
מֶלֶךְ שְׁלִטוֹן שׁוֹפֵט וְדוֹן

– this revelation is called by the Name Ad-nai, indicating that He is King, Sovereign, Adjudicator and Judge.

וְ"ל מְנַהִיג אֶת הַכָּל וְהוּא לְבִדּוֹ עָשָׂה וְעוֹשֶׂה וְיַעֲשֶׂה אֶת כָּל
הַמַּעֲשִׂים

Meaning to say, He conducts everything and He alone did, does and will do all actions.

וְהַגְלִיּוֹ הִזָּה הוּא בְּהַמְלָכוֹת דְּאֶצִּילוֹת שְׁנִקְרָא ג"כ עַל שֵׁם זֶה בְּשֵׁם
מַלְכוּת שְׁהוּא מֶלֶךְ שְׁלִטוֹן כְּנִזְ'ל

This revelation is by means of *malchut* of Atzilut, which is also called thus – *malchut* – because He is King, Sovereign etc. as just mentioned,

וְכֵן עַל שֵׁם כִּי בָּהּ הוּא הַמְּלָכָה וְהַעֲצָה עַל כָּל הַהִתְהוּוֹת דְּהַבִּי"ע
and also because in her in *malchut* is the dominion and the master plan for the entire creation of BiY" A.

וְכֵן הוּא גְּלִיּוֹ ית"ש אֲשֶׁר בְּשֵׁם אֱלֹהִים כְּנ"ל שְׁהוּא ג"כ בְּהַמְלָכוֹת
דְּאֶצִּילוֹת

Furthermore, His blessed revelation in the Name Elokim is also in *malchut* of Atzilut,

כִּי הִיא הָרֵאשִׁית לְנִבְרָאִים כִּי בָּהּ וְעַל יָדָהּ נִבְרָאוּ הַכָּל:

for she is the head and commencement of created beings, since it is in her and with her that everything was created.

אֲמַנָם הִנֵּה גִלּוּי אֲשֶׁר בְּשֵׁם אֱלֹהִים וּבְשֵׁם אֲדֹנָי שְׁאֲמַרְנוּ

However, His revelation in the Names Elokim and Ad-nai, as we just stated,

הִנֵּה כ"ז הוּא עַל אוֹרוֹ הַמִּתְפַּשֵּׁט מִהַמְּלָכוֹת דְּאֲצִילוֹת בְּהַעֲלָמוֹת
בִּי"ע עֲצָמוֹן בִּפְעֻלָּתוֹ אוֹתָם וּבְהִנָּהֲגָתוֹ אוֹתָם

is all as regards the light that expands from *malchut* of Atzilut into the worlds of BiY"A themselves with His originating them and directing them.

אֲךָ אוֹר גִּלּוּי הָעוֹמֵד לָזֶה בְּהַמְּלָכוֹת דְּאֲצִילוֹת גּוֹפָה

But the light of His revelation invested in *malchut* of Atzilut itself for this purpose

אֲשֶׁר מִמֶּנּוּ הִתְפַּשֵּׁט בְּהַגְלוּי דְּשֵׁם אֱלֹהִים וּדְשֵׁם אֲדֹנָי הִנֵּה הוּא רַק
הַשֵּׁם הוּי"ה ב"ה

– that from her the revelation of the Names Elokim and Ad-nai will extend – is from the blessed Name Havaye exclusively,

כִּי הָאוֹר דֶּהשֵׁם הוּי"ה הוּא הַשֶּׁרֶשׁ לְכָל גִּלּוּי שֶׁבִּי"ע וְהוּא
בְּאֲצִילוֹת עֲצָמוֹ

because the light of the Name Havaye is the root of all His revelations in BiY"A, while He the Name Havaye is itself in Atzilut.

אֲמַנָם אוֹתוֹ הָאוֹר דֶּהוּי"ה אֲשֶׁר הוּא בְּהַמְּלָכוֹת דְּאֲצִילוֹת

However, that same light of Havaye that is in *malchut* of Atzilut

שֶׁהוּא הַשֶּׁרֶשׁ דְּשֵׁם אֱלֹהִי"ם וּדְשֵׁם אֲדֹנָי הִנֵּה הוּא הַשֵּׁם הוּי"ה
בְּמַלְוֵי הַהִי"ן – יו"ד ה"ה ו"ו ה"ה

and is the root of the Name Elokim and the Name Ad-nai is in fact the Name Havaye fully iterated with the letter *hei*: *yud* = *yud-vav-dalet*; *hei* = *hei-hei*; *vav* = *vav-vav*; *hei* = *hei-hei*.

שְׁמִסְפָּרוֹ ב"ן כִּי הוּא רַק הוּי"ה כְּפֻלָּה עַל שֵׁם שֶׁהוּא מֵהִיחֻד דְּז"א
וּמַלְכוּת

The numerical sum (*gematria*) of all the letters is **52**, which is why this is known as *Shem Ba"n*² (the Name with the *gematria* of 52), and is produced by **doubling the Name Havaye**, indicating that it is produced from the *yichud* of *ze'ir anpin* and *malchut*,³

כִּי הִתְפַּשֵּׁט מֵהַז"א לְהַמְּלָכוֹת וְעוֹמֵד בָּהּ בְּהַגְלוּי דֶּהוּי"ה דְּב"ן

because *ze'ir anpin* extends forth to *malchut* and stations himself in her as the revelation of Havaye of *Ba"n*.

וְהוּא אֲשֶׁר מְתַגַּלָּה בְּשֵׁם אֱלֹהִים וְאֵדֶנִּי בְּפַעֲלַת כָּל הַבִּי"ע
וּבְהִנְהָגָתוֹ אוֹתָם

And this is what is revealed by the Names Elokim and Ad-nai in producing all of BiY"A, and in directing or shepherding them.

וְהִנֵּה הוּא ע"ד שְׁאֲמַרְנוּ לְעֵיל פ"ד בְּהַגְלוֹי הַכְּלָלִי הָרְבִיעִי שֶׁהוּא
גְּלוּיֹו אֲשֶׁר בְּאַצִּילוֹת

This is similar to what we stated above, chapter 4, regarding the fourth macro revelation, which is His revelation in Atzilut.

וְאֲמַרְנוּ שֶׁם כִּי א"ס ית"ש נְתַגַּלָּה שֶׁם בְּהַגְלוֹי דְּהַשֵּׁם הוּי"ה ב"ה

We said there that the blessed *Ein Sof* is revealed there in the revelation of the blessed Name Havaye

וְהָרִי יֵשׁ לָנוּ ב' בְּחִי' הֵינּוּ מִי שֶׁנְּתַגַּלָּה שֶׁהוּא א"ס וּבְמָה שֶׁנְּתַגַּלָּה
וְהוּא בְּהַשֵּׁם הוּי"ה ב"ה

Thus we have two aspects: He who is revealed as *Ein Sof*; and the manner in which He is revealed – via the blessed Name Havaye,

כִּי א"ס עֲצָמוֹ הוּא אֲשֶׁר נְתַגַּלָּה ע"י הָאַצִּילוֹת בְּהַגְלוֹי דְּהַשֵּׁם הוּי"ה
ב"ה

for *Ein Sof* Himself is revealed via Atzilut in the revelation of blessed the Name Havaye.

וְהוּא הַגְּלוֹי הַכְּלָלִי הָרְבִיעִי וְכַנ"ל פ"ד כֹּן הוּא בְּעֲנִינֵינוּ בְּהַגְלוֹי
הַכְּלָלִי הַחֲמִישִׁי שֶׁהוּא גְּלוּיֹו אֲשֶׁר לַהֲבִי"ע

And this is the fourth macro-revelation, as mentioned in chapter 4, and so too as regards our current matter – the fifth revelation – His revelation for BiY"A.

הִנֵּה לָנוּ ג"כ ב' בְּחִי' הֵינּוּ מִי שֶׁנְּתַגַּלָּה וּבְמָה שֶׁנְּתַגַּלָּה

Here too there are two aspects: He who is revealed; and how He is revealed.

וּמִי שֶׁנְּתַגַּלָּה הוּא הַשֵּׁם הוּי"ה ב"ה וּבְמָה שֶׁנְּתַגַּלָּה הוּא הַגְּלוֹי דְּשֵׁם
אֱלֹהִים וְדָשֵׁם אֵדֶנִּי

The first aspect: He who is revealed is the blessed Name Havaye, and the second aspect: how He is revealed is in the revelation of the Name Elokim and the Name Ad-nai.

וְהָרִי נִמְצָא כִּי הַמְּאֲצִיל א"ס אֲשֶׁר לְמַעַל מְהַאֲצִילוֹת הוּא נְתַגַּלָּה
בְּאַצִּילוֹת

So we find that the Infinite Emanator who transcends Atzilut, is revealed in Atzilut

בְּהַגְלוֹי דְּהַשֵּׁם הוּי"ה ב"ה וְאֵם" כִּנְתַּפְּשֵׁט מְהַגְלוֹי דְּאוֹר דְּהַשֵּׁם
הוּי"ה ב"ה

in the revelation of the blessed Name Havaye, and some of this revelation of the light of the Name Havaye then extends out,

וְנִתְגַּלָּה הוּי"ה ב"ה לְצִרְךָ הַבִּי"ע בְּהַגְלוֹי דְּשֵׁם אֱלֹהִי"ם וְאַדְנָי"י וְהוּא
כְּלוּ חַד

and Havaye, blessed is He, becomes revealed for the needs of BiY"A in the revelation of the Names Elokim and Ad-nai, and they are all one,

כִּי א"ס הוּא הוּי"ה וְהוּי"ה הוּא אֱלֹהִי"ם אֲדָנָי

since the *Ein Sof* is Havaye who is Elokim / Ad-nai,

אֶלָּא שְׂיִרְד וְנִתַּפְּשֵׁט מְהַעֲלָם לְגַלּוּי וּמַגְלוּי לְגַלּוּי עַד סוֹף כָּל
הָעוֹלָמוֹת בִּי"ע

only that He descended and extended out from concealed to revealed, and from revelation to revelation, to the end of the worlds of BiY"A

וְאִין עוֹד מִלְּבַדּוֹ:

and there is none beside Him as the verse (Deuteronomy 4:35) states.

6b — *Shem Ba"n of Malchut of Atzilut*

הִנֵּה אֲמַרְנוּ כִּי הַשֵּׁם הוּי"ה ב"ה אֲשֶׁר בְּהַמְלָכוֹת דְּאַצִּילוֹת הוּא
הוּי"ה שְׁמִסְפָּרוֹ ב"ן

Now we said that the blessed Name Havaye of *malchut* of Atzilut is Havaye whose numerical value is $52 = Ba''n^{**.*}$

שֶׁהוּא הוּי"ה דְּמַלּוּי הַהִי"ן יו"ד ה"ה ו"ו ה"ה וְהוּא מְשׁוּם ב' טַעֲמִים

This is Havaye iterated with the letter *hei*: *yud = yud-vav-dalet*; *hei = hei-hei*; *vav = vav-vav*; *hei = hei-hei*. And this is for two reasons:

אֶחָד הוּא כִּי כָּל עֲקָרָה דְּהַמְלָכוֹת הִנֵּה הִיא בְּחִי' ה'

One, since the primary attribute of *malchut* is the aspect of *hei* –

שֶׁהִיא הָאוֹת ה' בְּתַרְגָּמָה דְּהַשֵּׁם הוּי"ה הַכָּלְלִי הַכּוֹלֵל אֶת כָּל
הָאַצִּילוֹת כְּלוּ

the final *hei* of the macro Name Havaye – which encompasses all of Atzilut.

וְהִיא נִמְשָׁךְ וּמִתְפַּשֵּׁט מִהו' ע"ד הָאוֹת ה' רִאשׁוֹנָה הַנִּמְשָׁךְ וּמִתְפַּשֵּׁט
מִהו' וְכַנ"ל פ"ג

That final *hei* extends from the *vav*, in similar manner to the way the first *hei* extends from the *yud*, as mentioned above chap. 3.

אֵלֶּא שֶׁה' רִאשׁוֹנָה הוּא מִהֲנַעֲלָמִים כִּי י"ה הֵם נִסְתָּרוֹת

However, there is a difference between them in that the first *hei* is one of the concealed aspects, since the first two letters of the Name Havaye *Yud, Hei* are in the category of hidden matters,

וְהָאוֹת ה' אַחֲרוֹנָה הִיא מִהֲנִגְלוֹת וּבָהּ הוּא עֹקֵר הַגְּלוּי

whereas the final *hei* is in the category of revealed matters, and the primary revelation issues forth through her through the final *hei*,

וּמִשּׁוֹם שֶׁעֹקֵר מְצִיאוּתָהּ הוּא הָאוֹת ה'

since the primary feature of her *malchut*'s existence is the letter *hei*.

לָכֵן הָיָה הַשֵּׁם הוּי"ה ב"ה אֲשֶׁר בְּפִרְטוֹת הִי סִפִּי שֶׁבָּהּ בְּמַלְוֵי הַהִי"ן
כִּי כֵן הוּא עֹקֵר מְצִיאוּתָהּ.

Therefore, in the micro aspect of the Name Havaye, the ten *sefirot* therein are expressed in the iterated letters *hei* i.e. *hei-hei***, for that is**

the root of her *malchut*'s existence.

שְׁנִית הוּא כִּי כָל גְּדוּל פְּרָצוּפָה הִנָּה הוּא נִמְשָׁךְ עִם ז"א בִּיחָד
מִדְּבָקִים זב"ז וּבִסּוּד דּוּ פְּרָצוּפִין שֶׁאֶמְרוּ בְּבִרְכוֹת ס"א א'

Secondly, the development of her *malchut*'s *partzuf* is such that she emerged together with *ze'ir anpin* and they were conjoined with one another, in the mystical explanation of two *partzufim* as one, as discussed in Talmud *Berachot* 61a.

וְהִיא נִמְשָׁךְ וְיוֹצֵא מִמֶּנּוּ וְכוּלֵּל אוֹתוֹ ג"כ בְּתוֹכָהּ

She *malchut* was drawn down and then emerged from him *ze'ir anpin* when they were separated according to the mystical explanation of the *nesirah* discussed earlier, and she included him *ze'ir anpin* within her.

וְלָכֵן יֵשׁ בָּהּ הוּי"ה כְּפוֹלָה שֶׁהוּא שָׁלוּ וְשָׁלָה כִּי גְלוּיּוֹ הוּא ג"כ רַק עַל
יָדָהּ

And therefore there is a double Havaye within her – his *ze'ir anpin*'s and hers *malchut*.

וְהוּא הוּי"ה כְּפוֹלָה אֲשֶׁר בָּהּ שֶׁהוּא הוּי"ה דֵּהֵי"ן שֶׁמִּסְפָּרוֹ ב"ן כִּי
הו' ד' דְּמַלְוֵי יו"ד הֲרִי הֵם ג"כ י'

The double Havaye within her is the Havaye iterated with *hei* and having the numerical value of 52, since the *vav* and *dalet* of the iterated *yud* (*yud-vav-dalet*) also have the numerical value of *yud* = 10.

וְהַיּוֹהָוָה הוּא רַק הוּי"ה כְּפֹלֶה שֶׁהוּא מוֹרָה שֶׁהוּא אֶמְתָּתָךְ עִמָּה בְּכָל
פְּעֻלָּתָהּ

The Name having the numerical value of 52 is the only **instance of a double Havaye** (only $26 \times 2 = 52$, which is not so with the Name of 72, 63 or 45) **indicating that ze'ir anpin participates with her malchut in all of her activities,**

וְכָל אוֹרָה וְגִלּוּיָהּ הוּא ע"י יְחִוּד שְׁנֵיהֶם דְּנֻקָּא.

and that all of her light and revelation is specifically via the *yichud* of the two of them.

וְהִנֵּה יֵשׁ בְּהוּי"ה דב"ן רַק ט' אוֹתִיּוֹת לְבַד וְהֵם בְּהֵט' סְפִי' הָעֲלִיּוֹנִים
שָׁבָה

Now note that **Havaye of Ba'n (=52) has only 9 letters, which are the nine upper sefirot within her,**

כִּי הָעֲשִׁירִית שֶׁהִיא הַמַּלְכוּת דְּמַלְכוּת אֵינָה נִכָּר מִצִּיאוּתָהּ
לְמִצִּיאוֹת בַּפִּנ"ע

while the tenth, *malchut of malchut*, is not discernable as a self-contained entity;

אֲלֹא שֶׁהִיא כְּלוּלָה בְּהִיסוּד שָׁבָה (ע' שֶׁעַר תִּקּוּן הַיָּרֵחַ סְמוּךְ לְסוּפוֹ
בְּאוֹת ש"ן וְע' עוֹד בְּתִקּוּן נוֹק' פ"ב כָּלֵל י"ג)

instead she is included within *yesod of malchut*. (See *Etz Chaim, Sha'ar Tikun Hayare'ach* near the end⁴; *ibid. Tikun Nukvah 2:13*).

וְהֶעֱקָר הוּא כִּי בְּהַמַּלְכוּת שָׁבָה שֶׁהִיא הַמַּלְכוּת דְּמַלְכוּת הִנֵּה שָׁם
הוּא הַשְּׁמוֹת דְּאֱלֹהִי"ם וְאֲדָנִי"י אֲשֶׁר לְצֶרֶךְ הַבִּי"ע

The main point is that in *malchut* of Atzilut, i.e. in *malchut of malchut*, are the Names Elokim and Ad-nai which are needed by the worlds of BiY'A.

הַיּוֹצֵאִים מֵהוּי"ה דב"ן וְלָכֵן הֵם ג"כ ט' אוֹתִיּוֹת

They these Names **emerge from Havaye of Ba'n**, and therefore they also consist of 9 letters altogether – the five letters of the Name Elokim and four letters of the Name Ad-nai,

כִּי הֵם יוֹצֵאִים מִמֶּנּוּ וְגִלּוּיֵים הוּא בְּהַמַּלְכוּת דְּמַלְכוּת שֶׁשָּׁם הוּא
שֶׁרֶשׁ כָּל הַבִּי"ע

for they emerge from there and their revelation is in *malchut of malchut* – the root of all of BiY'A.

וְלָכֵן הִנֵּה הוּי"ה דב"ן רַק ט' אוֹתִיּוֹת כִּי הָעֲשִׁירִית הִיא בְּהַגְלוּי
דְּשְׁמוֹת אֱלֹהִי"ם וְאֲדָנִי"י וְהֵם מְשַׁלְּמִים בָּהּ לַעֲשֹׂר.

And therefore Havaye of Ba”n comprises only 9 letters, since the tenth is in the revelation of the Names Elokim and Ad-nai, which complete her quota to ten.

וְהִתְפַּשְׁטוֹת דָּשֵׁם אֱלֹהִים מֵהֶשֶׁם הוּי"ה ב"ה הוּא מִמְלּוֹי הַמִּסְפָּר
שָׁבוּ שֶׁהוּא כָּ"ף ו"ו

And Name Elokim the radiates out of the from the blessed Name Havaye via the *milui* the iterated letters of the numerical value therein i.e. the gematria of the Name Havaye which is 26, and written in letters this is (26=) כ"ו and the iteration of כ"ו is ו"ו כ"ו.

וְהָרִי הָנָה הַמְּלּוֹי פ"ו שֶׁהוּא מִסְפָּר דָּשֵׁם אֱלֹהִים

Now the *milui* thereof is פ"ו i.e. **ו"ו*** **ו"ו*** which is the numerical value of the Name Elokim = 86 (40=ם; 10=י; 5=ה; 30=ל; 1=א adding up to 86).

וְכֵן הִד' אוֹתִיּוֹת דֵּהוּי"ה פָּשׁוּט וְהִי אוֹתִיּוֹת דְּרַבּוּעַ י י"ה י"ה ו"ו י"ה ו"

Similarly, the four letters of the Name Havaye – not iterated – and the ten letters of the ‘squaring’ of the Name i.e. יה"ו, יה"ו, י"ה, י"ה, adding up to 14 (4 plus 10)

וּמִסְפָּרוֹ שֶׁהוּא ע"ב הָרִי הֵם פ"ו

together with the numerical value of יה"ו, יה"ו, י"ה, י"ה, which is 72, also add up to 86.

וְכֵן שֵׁם מ"ה שֶׁהוּא מ"ם ה"א הוּא פ"ו

Similarly the Name Ma”h derived from iterating the Name Havaye with the letter *alef* (i.e. מ"ה = 45 = א"ה, וּא"ו, ה"א, יו"ד, ה"א) when it too is iterated = א"ה the numerical value thereof is also 86 (1=א, 5=ה, 40=ם, 40=מ for a sum total of 86).

וְכֵן הַפָּשׁוּט וּמָלֵא וּמָלֵא דְּמָלֵא דְּאֱלֹהִים הֵם ג"כ ב"ן אוֹתִיּוֹת כְּמִסְפָּר
הוּי"ה דב"ן

And similarly the 5 letters of the Name Elokim, plus the number of letters of the iteration thereof 13=ם מ"ד, יו"ד, ה"י, יו"ד, למ"ד, אל"ף, plus the iteration of the iteration or the *milui* of the *milui* where אל"ף for example is iterated as אל"ף, אל"ף, למ"ד, פ"ה and so on with all the letters of the Name Elokim comes to 52 letters,⁵ and has the same numerical value as Havaye of Ba”n.

וְע' עוֹד שַׁעַר הַחֲשֵׁמֶל ספ"ג.

See more about this in *Etz Chaim Sha’ar Hachashmal* end of chap. 3.

וְהִתְפַּשְׁטוֹת דָּשֵׁם אֲדָנָי מֵהֶשֶׁם הוּי"ה ב"ה הֵנָּה הוּא מְכַלְלוֹת ד'
אוֹתִיּוֹת הַפָּשׁוּטִים

and the spreading forth of the Name Ad-nai from the blessed Name Havaye is in the category of the four ‘simple letters; of the Name Havaye i.e. without iteration,

וְט' אוֹתִיּוֹת דְּמִלּוּי ב"ן וּמִסְפָּרוֹ הָרִי הֵם ד' ט' נ"ב שֶׁהֵם ס"ה כְּמִסְפָּר
אֲדָנִי

and the 9 letters of the iteration of *Ba"n* and their numerical value = 52. Thus 4, 9, 52 added together makes 65 – equal to the numerical value of Ad-nai.

וּמִזֶּה יוֹצֵא הַשֵּׁם אֲדָנִי שֶׁהוּא ס"ה וְהוּא עַל שֵׁם שֶׁהִיא כּוֹלֵל בְּתוֹכָהּ
אֶת הַז"א

From this the Name Ad-nai – *gematria* 65 – emerges, in the sense that it includes *ze'ir anpin* within it –

שֶׁהוּא הו"ק וּכ"א הוּא כָּלּוּל מֵעֶשֶׂר וְהֵם ס'.

the six borders of *ze'ir anpin*, i.e. the six *sefirot* that define the boundaries of *z"a*, and each of them includes ten aspects, making 60.

וְכֵן הִיא כָּלּוּת כָּל הָה' פְּרָצוּפִים כָּלּוּ, וְכָל הָה' גְּלוּיִם הַכָּלְלִיִּים כָּלּוּ
וְהוּא הָה'.

And it *z"a* is also inclusive of all five *partzufim*, and all five of the macro revelations, and this is alluded in the letter *hei*, the *gematria* of which is 5, and this is alluded to in the letter *hei*

וְכֵן הִיא הָה' בְּתִרְאָה כַּנ"ל.

and it is also the final *hei* of the Name Havaye, as mentioned above.

כִּי כָל מַה שֶּׁאֲמַרְנוּ בְּעֵנֵינוּ הַהוּי"ה דב"ן וּבִהְשָׁמוֹת דְּאֱלֹהִי"ם אֲדָנִי
הוּא הַכָּל בְּהָה' בְּתִרְאָה דִּהְשֵׁם הוּי"ה ב"ה.

Everything that we have discussed about Havaye of *Ba"n*, and about the Names Elokim and Ad-nai, are all regarding the final *Hei* of the Name Havaye,

וְהוּא כְּמוֹ שֶׁאֲמַרְנוּ בַּפְּסִיקְתָּא רַבְּתִי פְּסִקָא כ"א שְׁאוֹת אַחַת מִשְׁמוֹ
עוֹשֶׂה צָבָא כָּכָל שְׁמוֹ

much like what they our Sages in *Pesikta Rabbati* para. 21 said: 'A single letter of His Name creates a host of angels just like His entire Name.'

וַיֵּשׁ בְּכָל אוֹת הוּי"ה שְׁלֵמָה וְהוּא הוּי"ה דב"ן אֲשֶׁר הוּא בָּה' בְּתִרְאָה

Moreover, each letter contains a complete Name Havaye – the Havaye of *Ba"n* – which is in the final *Hei* of the Name Havaye,

וּמִמֶּנּוּ יוֹצֵא הַשְּׁמוֹת אֱלֹהִי"ם וְאֲדָנִי שֶׁהֵם גְּלוּיָיו ית"ש אֲשֶׁר
בְּהִעֲלָמוֹת בִּי"ע.

and from there emerge the Names Elokim and Ad-nai – His revelations in the worlds of BiY"Á.

וְהוּא מָה שֶׁאָמְרוּ רַז"ל מִנְחוֹת כ"ט ע"ב אֵלֶּה תּוֹלְדוֹת הַשָּׁמַיִם
וְהָאָרֶץ בְּהִבְרָאָם

This is what our Sages state (*Menachot* 29b) regarding the verse (Genesis 2:4)
“These are the products of the heavens and the earth when they were created” –
‘when they were created’ is written as *b’hibaram*

אֶל תִּקְרִי בְּהִבְרָאָם אֶלָּא בְּה' בְּרָאָם וְהוּא בְּה' בְּתִרְאָה דְּהִשָּׁם הוּי"ה
ב"ה

regarding which the Sages (*ibid*) declared **do not read it as *b’hibaram*** (‘when they were created’) **but as *b’hei b’ra’am*** ‘He created them with the *hei*’ – **with the final *Hei* of the blessed Name Havayah.**

וכמ"ש בזוה"ק פ' צו כ"ט א' דה' בְּתִרְאָה הוּא מְלָכוֹת שָׁמַיִם וּבְה'
אֶתְבְּרִיאוּ כָּל בְּרִיּוֹן דְּשָׁמַיָא וְאָרְעָא וְהִיא הֵה' דְּהִבְרָאָם

In similar fashion the *Zohar III Tzav* 29a states that the final *Hei* is *Malchut Shamayim* the Sovereignty of Heaven, and with it all created in heaven and earth were created, and this is the *hei* of *b’hibaram*.

וְכֵן הוּא בְּפ' תִּזְרִיעַ מ"ג א' ובאד"ז רצ"ח א':

The same statement is made in *Zohar III Tazria* 43a, and in *Idra Zuta* 298a.

וְמָה שֶׁאָמְרוּ מִנְחוֹת כ"ט ב' הָעוֹה"ב נִבְרָא בִּי' וְהָעוֹה"ז נִבְרָא בְּה'.

As regards the statement in *Menachot* 29b that the World-to-Come was created with a *yud*, and this world with a *hei*,

שֶׁהוּא אַחֵר כְּלוּת הַשִּׁית אֶלְפֵי שָׁנִין דִּהְיוּה"ז שֶׁהִיא שְׁלִיטַת הַמְּלָכוֹת. אַז תִּתְחִיל
שְׁלִיטַת הַבִּינָה וְיִהְיֶה אַז כָּל הַהִנְהָגָה רַק ע"י הַבִּינָה שֶׁהִיא לְמַעַלָּה מֵהוּ"ק.
[וְהִיא הָעוֹה"ב וְכִמ"ש בַּסֵּפֶד"צ פ"א ע"ש בְּהַגָּר"א דה"מ שְׁבִיעָא עֲלֵיהּ]

***[The World-to-Come takes place after 6,000 years of this world, where *malchut* reigns. At that time the reign of *binah* will commence and the manner of conduct will be exclusively via *binah*, which transcends the six borders of *z"v* as the *Sifra d'Tzniuta* chap. 1 states. See there the GRA's comment beginning with the words עֲלֵיהּ]

ר"ל כִּי בִּינָה שֶׁהִיא ה' עֲלָאָה וְהִיא הָעוֹה"ב הִנָּה נִבְרָא הַבִּינָה
שֶׁהִיא הֵה' עֲלָאָה בְּהָאוֹת י'.

– the intention is that *binah*, which is the upper *hei*, and the World-to-Come, this *binah* – the upper *hei* – was created by the letter *yud*.

וְהַמְּלָכוֹת שֶׁהִיא הָעוֹה"ז וּר"ל כְּחָה וּפְעֻלָּתָהּ הִנְתַּפְּשֵׁט בְּכָל
הַמְּצִיאוֹת דְּהָעוֹלָמוֹת בִּי"ע וְהִנְהָגָתָם

But *malchut*, which is this world – meaning that her power and her effects spread through the entire existence of the worlds of BiY”A and how they are directed

וְהוּא אוֹרָה וְגִלּוּיָהּ אֲשֶׁר בְּהַשְׁמוֹת דְּאֱלֹהִי"ם וְאֲדֹנָי"י שֶׁהֵם בְּהַמְלָכוֹת
דְּמַלְכוּת כַּנ"ל, הִנֵּה הוּא מֵהָרָה בְּתִרְאָה

and this is the light and revelation of the Names Elokim and Ad-nai, which are *malchut* of *malchut*, as mentioned earlier – is all from the final *hei*.

וְהוּא מָה שֶׁנֶּאֱמַר בְּהִבְרָאָם בְּה' בְּרָאָם שֶׁהוּא הָעוֹלָם הַנִּבְרָא בְּאוֹת
ה':

This is the meaning of the statement that the word *b'hibaram* indicates that ‘with the *hei* they are created’ – referring to this world that was created with the letter *hei*.

יָדַע כִּי מָה שֶׁאֲמַרְנוּ כִּי הַשְׁמוֹת דְּאֱלֹהִי"ם וְאֲדֹנָי"י הֵם בְּבִי"ע

Know that what we said regarding the Names Elokim and Ad-nai – that they are in BiY”A –

הִנֵּה הָאֱמֶת הוּא כִּי עֶקֶרָם הוּא ג"כ רַק בְּאַצִּילוֹת עֲצָמוֹ וְכַמ"ש הָרַב
בְּשַׁעַר הִירָח פ"א וּבכ"מ

in truth their primary aspect is only in Atzilut itself, as the Rabbi Rabbi Chaim Vital in the name of the Arizal, writes in *Etz Chaim, Sha'ar haYareich* chap. 1, and in a number of other places.

כִּי הַמְלָכוֹת דְּהָאֲצִילוֹת כְּאֲשֶׁר נִשְׁלַמְתָּ לְהִיּוֹת פב"פ עִם ז"א

The reason for this is that *malchut* of Atzilut, when she becomes completely completely rectified and restored, so that she can be in face-to-face *yichud* with *ze'ir anpin*,

הִנֵּה עוֹמֶדֶת אֵץ בְּהִגְלוֹי דְּשֵׁם אֱלֹהִי"ם וְדְשֵׁם אֲדֹנָי"י וְע' עוֹד בְּזוּה"ק
וַיִּקְרָא י"א ע"ב וּפ' תְּרוּמָה קנ"ט ב'

is then in a state of revelation of the Name Elokim and the Name Ad-nai. See further *Zohar III, Vayikra 11b; Terumah 159b*.

וְהוּא נֹדַע וּפְשׁוּט אַךְ מָה שֶׁאֲמַרְנוּ כִּי הֵם בְּבִי"ע ר"ל כִּי הַשְׁמוֹת
דְּאֱלֹהִי"ם וְאֲדֹנָי"י הֵם מִתְּפַשְׁטִים וּמִתְגַּלִּים בְּבִי"ע

Now this is known and straightforward, but when we said that that these Names are in BiY”A, our intention was that the Name Elokim and Ad-nai radiate outward and are revealed in BiY”A,

מִשָּׂא"כ הַשֵּׁם הוּי"ה ב"ה הוּא רַק בְּפִנְיֵמִיּוּתָם וְהוּא נֶעְלָם

which is not so with the blessed Name Havaye which remains within and is concealed.

וכל המציאות דהבי"ע והנהגתם הוא רק בהגלוי דשמות אלהי"ם
ואדנ"י

The entire existence of BiY" A and how they are directed is only through the revelation of the Names Elokim and Ad-nai,

וכמו שנאמר בכל מעשה בראשית רק השם אלהי"ם כי בו נתגלה
בהעולמות בי"ע.

and only the Name Elokim is stated throughout the account of Creation, for it is through this that the worlds of BiY" A are revealed.

ולכן הנה שם אלהי"ם גמט' הכס"א שהוא עולם הבריא

And therefore the Name Elokim has the *gematria* of *ha-kisei* 'the Throne,' which is the World of Beriah,

מפני ששם הוא מתפשט ומתגלה. וכמ"ש בהקדמת תקונים ה'
סע"ב וכן הרב ז"ל בלק"ת ריש פ' בראשית.

since this is to where the Name Elokim expands and is revealed, as is written in the Introduction to *Tikunei Zohar* p. 5b, and so too writes Rabbi Chaim Vital in the name of the Arizal in *Likutei Torah, Bereishit*.

וכן הוא גלוי ית"ש בעולם הבריא בשם אדנ"י וכמ"ש בהקדמת
תקונים ז' סע"א ואינו דאדנ"י אתברא

And so too His revelation in the World of Beriah is with the Name Ad-nai, as the *Tikunei Zohar* states in the introduction p. 7a 'that these BiY" A were created with the Name Ad-nai'

שהי' ספי' דשם אדנ"י הנה הם מתפשטים בהעולמות בי"ע
ומתגלים שם.

since the ten *sefirot* of the Name Ad-nai extend into the worlds of BiY" A and are revealed there.

וכן אמר הרב בשער הכוונות ראש השנה צ"ג ע"ג

So too writes Rabbi Chaim Vital in the name of the Arizal in *Sha'ar Hakavanot, Rosh Hashana* p. 93c

כי בשירות המלכות בהיכל קדש קדשים דבריא נקרא בשם
אדנ"י

that when *malchut* of Atzilut descends into the Holy of Holies of Beriah, she is called by the Name Ad-nai.

כי גלוי ית"ש בְּהַעֲלָמוֹת בִּי"ע הוּא רַק בְּהַשְׁמוֹת דְּאֱלֹהִים וְאֲדָנִי

This is because His revelation in the worlds of BiY”A is only via the Names Elokim and Ad-nai,

וְהֵם לְבוּשִׁים לְהָאוֹר דְּהַשֵּׁם הוּי"ה ב"ה שֶׁהוּא בְּפָנִימִיּוֹתָם וְהוּא נֶעְלָם.

and they serve as garments (*levushim*) for the light of the blessed Name Havaye, which is within them (i.e. not in a manner of *makif* where the light is not invested within vessels but merely envelops them) yet remains hidden.

אָבֵל עֲקָרָן דְּהַשְׁמוֹת אֱלֹהִים וְאֲדָנִי הֵם בְּאֻמָּת ג"כ רַק בְּאַצִּילוֹת

Nevertheless, the primary aspects of the Names Elokim and Ad-nai are truly also only in Atzilut,

וְהֵם מְסִתְּעִפִּים וּמִתְּפַשְׁטִים מִהָאוֹר דְּהַשֵּׁם הוּי"ה ב"ה שֶׁהוּא גְלוּיָו הָעֲקָרִי ית"ש אֲשֶׁר בְּכָל אֲצִילוֹת כָּל וְכָל פ"ד.

and they branch out and extend from the light of the blessed Name Havaye, which is His primary revelation in all of Atzilut, as mentioned above chap. 4.

וְהָיָה גַם שֵׁם הָאוֹר דְּהַשֵּׁם הוּי"ה ב"ה בְּבַחֲיו פְּנִימִית וְהָאוֹר דְּשְׁמוֹת אֱלֹהִים וְאֲדָנִי בְּבַחֲיו חִיצוֹנִית.

There too the light of the blessed Name Havaye is within them internally, while the light of the Names Elokim and Ad-nai are external

וְהֵם אֲשֶׁר מְאִירִים וְשׁוֹלְטִים בִּי"ע, וְלָכֵן נֶאֱמַר וַיִּדְעַת הַיּוֹם וְהַשַּׁבָּת אֶל לְבָבָךְ כִּי ה' הוּא הָאֱלֹהִים כו'

and they the latter illuminate and govern in BiY”A, and therefore the verse (Deuteronomy 4:39) states, “Know this day, and take to heart that Havaye is Elokim...”

וְהוּא מְצוֹת הַיְחוד דְּהוּי"ה אֱלֹהִים כְּדִי לְהַמְשִׁיךְ אוֹר קִדְשֵׁת הַשֵּׁם הוּי"ה ב"ה

This is the *mitzvah* commandment of *yichud* – unifying Havaye and Elokim in order to draw down the light of the holy Name Havaye

שְׁתִּיגְלָה לְמַטָּה גַם הוּא וְכִמוֹ שֶׁהִיא בְּמִתֵּן תּוֹרָה כְּמוֹ שֶׁנֶּאֱמַר אֶתָּה הִרְאֵתָ לְדַעַת כִּי ה' הוּא הָאֱלֹהִים כו'

so that this too will be revealed below, just as it was at the time the Torah was given, as the verse (Deuteronomy 4:35) states, “You have been shown so that you shall know that Havaye is Elokim...”

וְכִמוֹ שֶׁנֶּאֱמַר פָּנִים בְּפָנִים דְּבָר ה' עִמָּכֶם.

and as the verse (Deuteronomy 5:4) states, “Face to face Havaye spoke to you.”

וְהוּא מְשׁוּם שֶׁכָּל גְּלוּיוֹ בְּבִי"ע עֲתָה הִנֵּה הוּא בְּבַחֲיוֹ מְצִיאוֹת שְׁחוּץ
מִמֶּנּוּ

This is because all of His revelation in BiY”A nowadays, is all in the aspect of that which exists ‘outside’ of Him, so to speak,

שֶׁהֲרִי הֵם אֵינָם אֱלֹהוֹת כָּלֵל וְכַמ"ש בְּהַקְדָּמַת תְּקוּנִים דְּלֹא אֲנוֹן
וְחִיָּהוֹן חֵד לֹא אֲנוֹן וּגְרָמִיָּהוֹן חֵד.

for they are not Godliness at all, as the Tikunim states in the introduction p. 3b: ‘He and His life-giving emanations are not one; He and His causations are not one in them’ – in the *sefirot* of Beriah, as opposed to the *sefirot* of Atzilut, where they are one in both aspects just mentioned, as stated there explicitly.

וְהוּא גְּלוּיוֹ בְּהֵם בְּהַשְׁמוֹת דְּאֱלֹהִי"ם וְאֲדָנִי"י שֶׁהוּא הַמְּצִיָּאָם
וְהוֹצִיָּאָם מֵאֵין לִישׁ

This is His revelation – through the Names Elokim and Ad-nai – in them in the *sefirot* of BiY”A, which He produced and brought fourth *ex nihilo*,

וְהוּא רַק בְּבַחֲיוֹ מֶלֶךְ שֶׁלְטוֹן עֲלֵיהֶם.

and He is merely in the aspect of a king who is sovereign over them the *sefirot* of BiY”A, but overtly has no direct connection to them.

וְעַל זֶה בָּא מִצְוַת הַיְּחֻד כִּי ה' הוּא הָאֱלֹהִי"ם לִיְחִיד הַכֹּל אֵלָיו תָּמִיד
וּמִלֵּא כָּל הָאָרֶץ כְּבוֹדוֹ

For this the *mitzvah* of *yichud* comes along – that Havaye is Elokim – to unify everything with Him constantly, as the verse (Isaiah 6:3) states, “the whole world is filled with His glory”, albeit in a manner that is not yet fully revealed,

עַד שִׁיתְּקִים גַּם לְמַטָּה וְנִשְׁגָּב ה' לְבָדוֹ

until there will be fulfilled below as well, as the verse (Isaiah 2:11) promises, “Havaye alone will be exalted on that day” –

וְהוּא בְּתַקוּן דְּלַעֲתִיד שִׁיתְּבַטֵּל כָּל הַזֶּהמָא וְיִהְיֶה כָּל הַמְּצִיאוֹת כְּלוֹ
קוֹדֶשׁ לָהּ וּמִיְחָד אֵלָיו:

This is the complete rectification that will take place in the future, when all the toxicity of evil will be annulled, and all of existence will be sanctified to Havaye and unified with Him.

וְהִנֵּה לָנוּ מִכָּל דְּבָרֵינוּ הַנִּז' כִּי יִשָּׁנָם בְּהַמְלָכוֹת הַכֹּלְלִי דְּאֲצִילוֹת ד'
מִיָּנִי גְּלוּיִם וְהֵם ד' מִיָּנִי שְׁמוֹת.

Thus we have it from all the above that there are in macro-*malchut* of Atzilut four types of revelation, which are four types of Name.

אָדד כִּי הִיא הָאוֹת ה' אַחֲרוֹנָה דֶּהֶשֶׁם הוּי"ה הַכִּלְלִית הַכּוֹלֵל כָּל
הָאֲצִילוֹת כָּלוּ

1. The final *hei* of the macro Name Havaye encompasses all of Atzilut

וַיִּשְׁנֶנּוּ בְּאוֹתוֹ הָאוֹת ה' כֹּל הֶשֶׁם הוּי"ה כָּלוּ וְכַנ"ל מִפְּסִיקְתָּא רַבְתִּי
שָׂאוֹת אַחַת מִשְׁמוֹ עוֹשָׂה צָבָא כָּכָל שְׁמוֹ

and that letter *hei* actually includes the entire Name Havaye, as mentioned in the name of the *Pesikta Rabbat*i that a single letter of His Name creates a host of angels just like His entire Name.'

(וְאָמְרוּ שֶׁם דָּזָהוּ מֵה שְׁנִקְרָא הוּא ית"ש בְּשֵׁם צָבָאוֹת ע"ש)

(And the Sages declare there that this is why He is called by the Name *Tzva'ot*). Note that *Tzva'ot* as a Name is always preceded by another Name, usually Havaye or Elokim).

ב' כִּי הִנֵּה הִיא בְּהִגְלוֹי דְּשֵׁם ב"ן וְהוּא בְּפִרְטוֹת הִי סְפִי שְׂבָה.

2. In the revelation of the Name *Ba''n*, and specifically as the 10 *sefirot* therein;

ג' כִּי הִיא בְּהִגְלוֹי דְּשֵׁם אֱלֹהִים וְהוּא בְּמִצִּיאוֹת וִיצִיאת הָעוֹלָמוֹת
בִּי"ע

3. In the revelation of the Name Elokim, and this has to do with the existence and emergence of the worlds of BiY''A

שְׁנִמְצְאוּ וִיצְאוּ מֵאִין לֵישׁ וְהָיָה מִצִּיאוֹתָם מֵהַמְּלָכוֹת דְּאֲצִילוֹת וְהוּא
גְּלוֹי ית"ש שְׁנִתְגַּלָּה בָּה בְּהִגְלוֹי דְּשֵׁם אֱלֹהִי"ם.

that were produced and emerged *ex nihilo*, and whose existence was in *malchut* of Atzilut as His revelation revealed therein as the revelation of the Name Elokim;

ד' וְהוּא הֶשֶׁם אֲדָנִי וְהוּא גְּלוֹי ית"ש שְׁנִתְגַּלָּה בָּה לְהִיּוֹת מְשֻׁגִּיחַ
וּמְנַהִיג אֶת כָּל הָעוֹלָמוֹת בִּי"ע מִן הָעוֹלָם וְעַד הָעוֹלָם.

4. The Name Ad-nai – His revelation therein to oversee in the sense of Divine Providence and conduct all the worlds of BiY''A, from world to world.

וְהִנֵּה כָּל אֵלוֹהֵי הַד' שְׁמוֹת הֵם כָּלם מְרֻמָּזִים בְּשֵׁם אֲדֹנָי כִּי מִסְפָּרוֹ
הֵרִי הוּא ס"ה

Now all these four Names are all alluded to in the Name Ad-nai, whose numerical value *gematria* is 65 –

וְהִנֵּה הֵם ד' אוֹתִיּוֹת הוּי"ה שְׁבִיחַ אֶחְרוֹנָה וְהב"ן דְּהַמְלוּי וְהָה'
אוֹתִיּוֹת דְּאֱלֹהֵי"ם וְהַד' אוֹתִיּוֹת אֲדֹנָי וְהִרִי הֵם ס"ה

this comprises the four letters of the Name Havaye in the final *hei*, the Name Ba”n produced from the *milui* the Name Havaye iterated with the letter *hei* (=65), the five letters of the Name Elokim, and the four letters of the Name Ad-nai – making 65 altogether (4+52+5+4=65).

זֶהוּ שְׁנֵאמַר וְה' בְּהִיכֹל קִדְּשׁוּ ה"ס

This is the meaning of the verse (Habakuk 2:20) “And Havaye is in His holy Sanctuary; let all the world be silent [*ha*”s = 65] before Him,”

וְכָל מְקוֹם שְׁנֵאמַר וְה' הוּא וּבֵית דִּינֹו וְכַמ"ש בְּב"ר פ' נ"א סִימָן ב'
וְהוּא מִדַּת הַדִּין שֵׁם אֱלֹהֵי"ם

Now wherever it states ‘And Havaye’ this means He and his Beth Din His Court, where matters are adjudicated, as *Bereishit Rabba* 51:2 states that this Beth Din is the attribute of judgment, signifying the Name Elokim.

וְהִיכֹל קִדְּשׁוּ הוּא אֲדֹנָי"ס"ה שֶׁהִיא הִיכֹל לְהֵשֵׁם הוּי"ה ב"ה

And “in His holy Sanctuary” is the Name Ad-nai, which has the *gematria* of 65 written in Hebrew as *samech-hei*.

זֶהוּ שְׁאֵמַר וְה' בְּהִיכֹל קִדְּשׁוּ הֵס כִּי הוּי"ה אֱלֹהֵי"ם הֵם שְׁנֵיהֶם
כְּלוּלִים בְּמִסְפָּר אֲדֹנָי"י שֶׁהִיא ה"ס ס"ה וְכַנֶּזֶכֶר:

This is why it states ““And Havaye is in His holy Sanctuary; let all the world be silent [*ha*”s]...” – since Havaye and Elokim are both included in the numerical value of Ad-nai, which is 65, spelling *ha*”s, the *gematria* of which is 65, as just mentioned.

6c — The Yichud of Z”a and Nukvah in BiY”A and in the Future

הִנֵּה אֲמַרְנוּ כִּי כָּל הָעוֹלָמוֹת בִּי"ע שְׁרָשָׁם הוּא בְּהַמְלָכוֹת דְּאֶצִּילוֹת

Now we said that the root of all the worlds of BiY”A is in *malchut* of Atzilut,

ר"ל שְׁבִיחַ נִתְגַּלָּה שְׁרָשָׁם וּבָהּ הוּא תְּמִיד שְׂרָשׁ כָּל מְצִיאוֹתָם וְכָל
תְּהִלּוֹתֵיהֶם וּמֵאֲרָעוֹתֵיהֶם שֶׁהוּא כָּל הַהִתְהַלָּה שְׁבִיחַם

meaning that in her in *malchut* their root is revealed, and the root of their entire existence is always in her, as well as all of their unfolding paths and the events

that occur to them – the entire manner in which they are directed or supervised.

וְנוֹדַע הוּא שְׁכָל שְׂרֵשׁ הַנָּה מְסֻדָּר בּוֹ כָּל כְּחוֹתָיו לְפִי כָּל עֲנִינֵי
הַפְּעֻלוֹת וְהַמַּעֲשִׂים

Now it is known that all the powers and capabilities⁶ needed for all the relevant types of activities and deeds are arrayed in every root,

אֲשֶׁר בְּהֶעָנָף וְהַתּוֹלְדָה הַיּוֹצֵא מִמֶּנּוּ

according to the branch and the offspring that will emerge from it.

כִּי אֵין בְּעָנָף וְהַפְּרִי אֲלָא רַק מֶה שֶּׁנִּמְצָא בְּכֶחַ הַשְּׂרֵשׁ

For there is nothing in the branch and the fruit other than what is found in potential in the root.

וְלָכֵן כִּי הָיוּ שְׂאֵמֵרֵנוּ שְׁכָל מְצִיאוֹת דְּהַעוֹלָמוֹת בִּי"ע

Therefore, since we already stated that the entire existence of the worlds of BiY" A

הַנָּה נַעֲשׂוּ מִמֶּנּוּ ית"ש בְּבַחֲרִי מְצִיאוֹת שְׂחוּץ מִמֶּנּוּ כִּי הָרִי הֵם עֲצָמָם
אֵינָם אֱלֹהוֹת כָּלָל

were made by Him, may His Name be blessed, into an existence 'outside of Himself,' so to speak, since they themselves are not Godliness at all,

וְהֵם נִפְרָד וְנִבְדָּל מֵאֱלֹהוּת וְלָכֵן נִקְרְאוּ בְּשֵׁם עוֹלָמוֹת הַנִּפְרָדִים
וְכַנִּ"ל בְּדַבְּרֵינוּ

and they are separated and detached from Godliness, and thus they

are called 'the separated worlds,' as we explained above.⁷

וְלָכֵן הַנָּה נִסְדָּר כְּעֵין זֶה ג"כ בְּהַמְלָכוֹת דְּאַצִּילוֹת שֶׁהִיא שְׂרֵשָׁם

Therefore a similar arrangement is found in *malchut* of Atzilut as well, since she is their root,

וְכָל קְבָלָתָהּ הוּא מִז"א וְהוּא שְׂרֵשָׁהּ אֲשֶׁר מִמֶּנּוּ הִיא יּוֹצֵאת

so that she receives entirely from *ze'ir anpin*, which is her root and from whence she emerges,

וְכֵן הִיא מְקַבֶּלֶת מִמֶּנּוּ תָמִיד שֶׁפַּעַת הַמַּאֲצִיל ית"ש לְצַרְךָ הָעוֹלָמוֹת
בִּי"ע

and she also always receives from him from *ze'ir anpin* the life-force from the blessed Emanator that is needed for the worlds of BiY" A.

הַנָּה אֵינָה עוֹמֶדֶת הַמְלָכוֹת תָּמִיד בִּיחּוּדָהָ עִם ז"א לִהְיוֹת עִמּוֹ פָּנִים
בְּפָנִים תָּמִיד

But *malchut* is not in a state of permanent *yichud* with *ze'ir anpin* – to always be face-to-face with him, so to speak,

להתייחד זב"ז ולהעשות חד עמו בהיחוד הראוי לאצילות אלא
יחודה בו הוא רק לפרכים

and to unite with one another and become one with the level of *yichud* that is proper for Atzilut – rather, her *yichud* with him is only intermittent.

כי באם שהיתה היא מיחד עם ז"א לעולם בכל בחי' היחוד הראוי
לפרצופי האצילות זב"ז

For if she was always as one with *z"u*, one with the other in all aspects of *yichud* that are appropriate for the *partzufim* of Atzilut,

לא היה אפשר שיוצא על ידה כל העולמות הנפרדים כמו שהם
it would not have been possible for the separated worlds to emerge through her as they are now,

כי כפי השרש כן הוא הענף והתולדה וכנז'.

since the branch and the offspring are according to the root, as noted.

ומבאר הוא בדברי הרב בשער מעוט הירח פ"א כי ישנם ז' בחי'
שונות בענן ירידת המלכות ועלייתה ביחודה והשתוותה עם ז"א

Rabbi Chaim Vital in the name of the Arizal explains in *Etz Chaim Sha'ar Mi'ut haYareach* ch. 1 that there are seven different aspects of the descent and ascent of *malchut* in her unity and parity with *z"u*,

והנה הם כלם לפי מצב מדרגת העולמות בי"ע בכל מארעותיהם
שארע בהם

and all of them all these seven aspects are according to the levels of the worlds of BiY"u with all the events that took place in them

מעת שנבראו בששת ימי בראשית ואחר החטא דעץ הדעת עד
עתה.

from the moment they were created during the Six Days of Creation, and then after the sin of the Tree of Knowledge, until now.

והרי היה נעשה בהם כמה ירידות והריסות גדולות וכמו בעת
החטא דעה"ד עצמו

Now a number of activities were done in them that were a precipitous decline and great destruction, similar to the time of the sin of the Tree of Knowledge itself,

שִׁירָדוּ כָּלֶם לְדִיּוּטָא הַתַּחְתּוֹנָה וְנִתְחַלְפוּ מִכְתָּנֹת אֹר לְכִתְנֹת עוֹר
 שֶׁהוּא מִשְׁכָּא דְחַיָּא

where everything declined to the lowest level and ‘garments of light’ in which they were clothed prior to the sin, were exchanged for ‘garments of skin’ (see Genesis 3:21) – the skin of a snake after the sin. The word for light אֹר , and the word for skin עוֹר sound similar and share the majority of their letters, nevertheless, they could not be more different.

וְאַחֲ"כ בְּדוֹר הַמַּבּוּל וּבְדוֹר הַפְּלָגָה וּבְסֻדּוֹם וּבְגָלוֹת מִצְרַיִם וּבִעֵת
 הַחֲרָבָה וּבְזִמְנוֹ כָּל הַגָּלוֹת עַד בֵּיאַת הַמָּשִׁיחַ

And subsequently – in the Generation of the Flood, the Generation of the Tower of Babel,⁸ and Sodom and the Egyptian exile and the destruction of the First and Second Temples, and throughout all the exiles until the advent of Mashiach.

וְכֵן הָיָה נַעֲשֶׂה בָּהֶם ג"כ עֲלִיּוֹת גְּדוֹלוֹת כְּמוֹ בְּגָאֵלֶת מִצְרַיִם וּבִמְתָּן
 תוֹרָה וּבְבִנְיַן בֵּית הַמִּקְדָּשׁ

And there were also glorious moments, when they experienced great ascents, such as the redemption from Egypt, the giving of the Torah, the building of the Temples – First and Second.

וְכֵן מִתְנַהֵג מִצַּב הָעוֹלָמוֹת תָּמִיד בְּעֲלִיּוֹת וִירִידוֹת וְהוּא ע"פ מַעֲשֵׂה
 הַתַּחְתּוֹנִים

This is also how the worlds are directed – constant ascents and descents, according to the deeds of those below,

או ע"פ כְּבִשְׂי דְרַחֲמָנָא שֶׁהוּא מִהֲנִהֲגָתוֹ הַנִּעְלָמָה ית"ש

or according to the secrets of the Merciful One whose Divine stewardship of the worlds is hidden,

הַמְנַהִיג אֶת הַמְּצִיאוֹת תָּמִיד בְּעוֹלָה וִיּוֹרֵד ע"פ צֶרֶךְ הַתִּקּוּן דְּלַעֲתִיד
 הַנִּעָלֵם מִכָּל בְּרִיָּה

He directs all of existence at all times, causing it to ascend or descend spiritually according to the needs of the future Tikun, which is concealed from every creature.

וְנִמְשָׁךְ כ"ז מִהַמְּלָכוֹת דְּאֲצִילוֹת שֶׁהִיא שֶׁרֶשׁ כָּל הַמְּצִיאוֹת כְּלוּ וְבָה
 הוּא כָּל הַהֲנַהֲגָה כְּלוּ

All of this is drawn from *malchut* of Atzilut, which is the root of all created existence, and through her *malchut* comes the entire Divine stewardship of the world.

וְהַמְלָכוֹת הַיָּא מְקַבֵּל כ"ז מִז"א וְלָכֵן הִנֵּה יֵשׁ בָּהּ ג"כ כַּמָּה בְּחִי'
שׁוֹנוֹת וְעֲלִיּוֹת וִירִידוֹת

Now *malchut* receives all of this from *ze'ir anpin*, and therefore there are also a number of different aspects of ascent and descent

בְּעֵנֵינוּ יְחֻדָּהּ וְהִשְׁתַּוּוּתָהּ עִם ז"א וְהוּא לָפִי עֵרֶךְ צֶרֶךְ הַהִנְהָגָה
הַנִּמְשָׁךְ מִמֶּנָּה לַמַּטָּה:

in her *yichud* and parity with *z"ā* – and it is according to the needs of the Divine stewardship that is drawn down from her.

אָמֵנָם הוּא כִּי הִנֵּה כָּל מְצִיאת דְּעוֹלָמוֹת הַנִּפְרָדִים בְּכָל חֲסוֹנוֹם

However, it is indeed the case that the entire existence of the separated worlds, with all of their deficiencies

שֶׁהוּא בְּעֵבְיוּתָם וְזִהְמָתָם שֶׁהֵם עֵתָה לִפְנֵינוּ וְאֲשֶׁר עִי"ז הִנֵּה נַעֲשֶׂה
בָּהֶם כָּל הַרִיסוֹת הַגְּדוֹלוֹת וְהִירִידוֹת שׁוֹנוֹת שְׂאֵמָרְנוּ

– which is their coarseness and their toxicity that we see in front of us, by means of which all the massive destruction and the different declines we mentioned are caused in them –

הִנֵּה לֹא נַעֲשֶׂה כ"ז מִמֶּנּוּ ית"ש בְּמְצִיאוֹתָם הָרָאוּשׁוֹן דְּמַעֲשֶׂה
בְּרֵאשִׁית

none of this is produced from Him, may He be blessed, in their initial existence during the Work of Creation.

כִּי מְצִיאוֹתָם הָרָאוּשׁוֹנָה אֲשֶׁר יֵצְאוּ מִמֶּנּוּ ית"ש

Because in their original existence, the way they emerged from Him, may His Name be blessed,

הָיוּ בְּאַמֶּת כָּל הָעוֹלָמוֹת כֻּלָּם גְּבוּהִים וְנִעְלִים מְאֹד

all the worlds were truly in a very lofty and elevated status,

עַד שֶׁהָיוּ מוֹכְנִים וְקְרוּבִים שֶׁיַּעֲלוּ כֻלָּם לְמִדְרַגַּת הָאֲצִילוֹת מִמַּשׁ
שֶׁהוּא הַגָּלוּי הַכִּלְי הָרְבִיעִי

to the extent that they were all ready and on the verge of ascending to the very level of Atzilut, which is the fourth macro revelation.

וְכָל הָאֲצִילוֹת כֻּלּוֹ הָיָה נִתְעַלָּה אֲזַי בְּמִדְרַגַּת א"ק שֶׁהוּא הַגָּלוּי
הַכִּלְי הַשְּׁלִישִׁי

Moreover, the entire Atzilut would have then ascended to the level of A"K Adam Kadmon, which is the third macro revelation,

וְהָיָה מוֹכֵן וְעוֹמֵד שְׁהַמְלָכוֹת דְּאַצִּילוֹת אֲשֶׁר הָיָה עֵתָּה בְּסוֹף כָּל
הָאַצִּילוֹת

and *malchut* of Atzilut, which is now at the lowest rung of Atzilut, was ready
and prepared

תַּעֲלֶה הִיא לְמַדְרַגַּת א"א שֶׁל עֵתָּה שֶׁהוּא הַכֶּתֶר וְהִירָאשִׁית דְּאַצִּילוֹת
to ascend to the level of what is currently Arich Anpin, the *keter* and foremost
level of Atzilut.

וְכֹן הָיוּ עוֹלָיִם כָּלָם מַעֲלִיָּה לְעִלְיָה עַד אִין קִץ וְכַמ"ש בְּמַאֲמָרֵי
רִשְׁב"י פ' קְדוּשִׁים וּבִלְק"ת פ' בְּרָאשִׁית וּבִדְבָרֵינוּ בְּאַרְכָּה בְּסִפּוּר
הַדַּע"ה ח"ב דְּרוֹשׁ ג'.

Similarly, all of them all the levels would have ascended from one ascent to the
next without limit, as Rashbi declares in *Zohar III, Kedoshim*, and in *Likutei
Torah, Bereishit* and at length in our exposition in *Sefer Drushei Olam Hatohu*
part 2 *drush* 3.

וְהָרִי הָיָה אֲזִי יַחֲוֹד הַמְּלָכוֹת בַּז"א וּבְכָל הַפְּרָצוּפִים הָעֲלִיוֹנִים וּבְאוֹר
א"ס עֲצוּם הַרְבֵּה מְאֹד

Now had all of that transpired, then the *yichud* of *malchut* with *z"v* and with all of
the supernal *partzufim* and with the *Ohr Ein Sof* would have been extremely
powerful,

וְהָיָה עוֹמֵד אֲזִי הַמְּלָכוֹת בְּכָל בְּחִי מַעֲלָה הַיּוֹתֵר גְּדוֹלָה וְכֹן הָיָה
נִמְשָׁךְ מִמֶּנָּה אֲזִי לְהַעֲלֹמוֹת בִּי"ע ג"כ

so that *malchut* would have been permanently endowed with the very loftiest
qualities, and the worlds of BiY"v would also have drawn from her.

אֲמָנָם הִנֵּה תָּלָה הַמַּאֲצִיל ית"ש אֶת קִיּוֹם מַדְרַגָּתָם הַנֶּעֱלָה שֶׁל אֲזִי
וְכָל עֲלִיָּתָם וִירִידָתָם

However, the blessed Emanator made the possibility of sustaining the lofty levels
at that time, and all of their ascents and descents, dependent

בְּמַעֲשֵׂה אָדָם הָרָאוּשׁוֹן וְהוּא מָה שֶׁנֶּאֱמַר וַיִּנְחָהוּ בְּגֶן עֵדֶן לְעִבְדָּהּ
וּלְשָׁמְרָהּ

upon the deeds of Adam – this is the meaning of “He placed him in the Garden
of Eden to work it and to guard it” (Genesis 2:15).

אֲךָ ע"י הַחֲטָא דַּע"ד הִנֵּה יָרְדוּ כָּלָם לְמַדְרַגָּתָם הַתַּחְתּוֹנָה שֶׁל
עֵתָּה

But because of the sin of the Tree of Knowledge all of them those lofty levels declined to the bottom level, where they are now,

וְהָעוֹלָמוֹת בִּי"ע יָרְדוּ וְנִתְחַלְפוּ מִכְתָּנוֹת אוֹר לְכְתָנוֹת עוֹר שֶׁהוּא
מִשְׁפָּא דְחוּיָא זְהֵמַת נְחֹשׁ הַקְדְּמוֹנִי

and the worlds of BiY”A descended and were transformed from ‘garments of light’ to ‘garments of skin,’ the skin – the toxicity – of the primordial snake.

וְנַעֲשֶׂה עִי"ז כֹּל הָרִיסוֹת הַגְּדוֹלוֹת דְּדוֹר הַמַּבּוּל וְדוֹר הַפְּלָגָה
וּבִסְדוּם וְעַמְרָה

And from this was produced all the tremendous destruction of the Generation of the Flood, and the Generation of Babel and Sodom and Amora.

וְהָיָה נִמְשָׁךְ זֶה עַד מִתֵּן תּוֹרָה שְׁאֵז הָיָה מוֹכֵן הָעוֹלָם לְחֹזֵר וּלְהִתְקֵן
כְּמוֹ קֵדָם הַחֲטָא

This situation continued until the Torah was given; then the world was ready to return and be rectified as before the sin,

אֱלוֹ שְׁזָכוּ לְהִלּוּחוֹת הָרִאשׁוֹנוֹת וּכְמ"ש אֲנִי אֶמְרָתִי אֱלֹהִים אֲתָם
וּכְמוֹ שֶׁבְּאַרְנוֹ כ"ז בְּכ"מ מִדְּבָרֵינוּ

had we been worthy of the First Tablets of stone that God gave Moshe, as the verse states, (Psalms 82:6) “I said, ‘you are angelic’...” as we have explained in a number of different places.

וְהִנֵּה נַעֲשֶׂה עִי"ז כְּמוֹ כֹּן שְׁנוּיִם גְּדוֹלִים בְּכֹל פְּרָצוּפֵי הָאֲצִילוֹת וְכֹן
בְּכֹל הַג' גְּלוּיִם הַכְּלָלִיִּים הָרִאשׁוֹנִים.

This also caused great changes in all the *partzufim* of Atzilut, and also in the first three macro revelations!

וְהַשְׁנוּיִם שֶׁנַּעֲשֶׂה בָהֶם הוּא בְּעֵינֵן הַגְּלוּי דְּאוֹר א"ס שֶׁבָּהֶם

The changes in them concern the revelation of the *Ohr Ein Sof* within them

וּכְמוֹ שֶׁבְּאַרְנוֹ בְּזֶה כְּמָה עֵינֵינִים עֲמָקִים וְסוּדוֹת גְּדוֹלִים בְּדַע"ה ח"ב
וּבִסְפָּר הַכְּלָלִים כָּלֵל י"ט כ' כ"א

and we have already explained a number of deep concepts and great secrets regarding this subject in *Sefer Drushei Olah Hatohu* part 2, and in the *Sefer HaKlalim* 19, 20, 21.

אֲךְ עַכ"פּ הוּא כִּי נַעֲשֶׂה ע"י הַחֲטָא דַּע"ה שְׁנוּיִם גְּדוֹלִים בְּכָלָם

In any event, this sin of the Tree of Knowledge caused great changes in all of them,

ובפרט בהמלכות דאצילות שהיא שרש הבי"ע הנה היא ירדה
ממעלתה הרבה מאד

and particularly in *malchut* of Atzilut, which is the root of BiY”A, for she fell
precipitously from her lofty level,

ואינה מתיחדת עתה עם ז"א אלא רק לפרקים ואינה משתוות עמו

and she currently has no permanent *yichud* with *z”a*, but only intermittently, and
she does not reach parity with him,

להיות שוה בשוה עמו גם בבחי' החיצונית שבה לעולם עד לעתיד
דוקא שהוא בהתקון האחרון

so that they can never be equals even externally, until the Time-to-Come, with
the final Tikun.

ועכ"פ הוא כי עלית המלכות ויחודה בז"א הוא תלוי במעשה
התחתונים

In any event, the ascent of *malchut* and her unification with *z”a* depends on the
actions of those below,

ועל זה הוא כל התורה והמצוה ליחד את המלכות בז"א

and this is the entire thrust of the Torah and mitzvot – to unify *malchut* with
z”a,

והוא ענין היחוד דקודשא בריך הוא ושכינתה המזכר בכל מקום

which is the concept of unifying the blessed Holy One with His *Shechinah*, as is
mentioned everywhere.

כי קודשא בריך הוא הרי הוא השם הוי"ה ב"ה שהוא א"ס
המתגלה באצילות בהשם הוי"ה ב"ה

For the term ‘the blessed Holy One’ refers to the Name Havaye, who is the *Ein Sof*
revealed in Atzilut in the Name Havaye, may He be blessed.

וכל גלויי באותו השם הוא בז"א כי בו נתגלה המאציל א"ס באותו
השם וכנ"ל פ"ד בארפה

All of the revelation with that Name Havaye is from *ze’ir anpin*, since it is there
(literally, ‘in him’) that the Infinite Emanator is revealed with that Name, as
explained above at length in chap. 4,

והוא הקדוש ב"ה כי עקר גלויי הוא בז"א שהוא כלל האצילות
כנ"ל פ"ד

and that is what we signify when we say ‘the blessed Holy One,’ since His
primary revelation is in *ze’ir anpin*, the generality of Atzilut, as explained

above, ch. 4.

ואורו ית"ש המתפשט ומתגלה בהמלכות לצורך תולדות כל
המציאות דהעולמות בי"ע והנהגתם

And His light expands and is revealed in *malchut* for the needs producing the
existence of the worlds of BiY”A, and steering them.

והוא מתפשט ושוך ושוך תמיד בישראל ע"י התורה והמצוה

Now he spreads forth and rests and always dwells within the Israelites via
Torah and mitzvot,

וכמו שכתוב ושכנתי בתוכם בתוכו לא נאמר אלא בתוכם

as the verse (Exodus 25:8) states, “They shall make for Me a Sanctuary, so that I
may dwell among them” – it does not state ‘in it’ i.e. in the Sanctuary, but rather
‘within them.’ The word *b’tocham* can be translated as ‘among them,’ as the more
traditional translation has it, or ‘within them’ – a more literal rendition, implying

שהוא שוכן בישראל ממש ע"י התורה והמצוה וכנ"ל פ"ה אות ג'

that He dwells within or among the Israelites, literally, by means of Torah and
the *mitzvot*, as explained above chap. 5(c).

הנה האור הזה הוא הנקרא בשם שכינה ע"ש שהוא מתפשט
ושוך למטה

Now this indwelling light is called ‘*Shechinah*’ because it extends down and
dwells below.

והזה ז"א ומלכות בתאר קב"ה ושכינתא והם השמות דהוי"ה
אדנ"י כנ"ל

Z”a and *malchut* are termed ‘the blessed holy One and His *Shechinah*’ and are
the Names Havaye and Ad-nai respectively.

וכאשר נמשך הגלוי והיחוד דאור א"ס בז"א ומלכות כאחד

When this revelation and *yichud* of the *Ohr Ein Sof* in *z”a* and *malchut* is
elicited,

ונעשים שניהם לחד הן בפנימיותם והן בחיצוניותם והוא
כשנעשה כל המציאות דהעולמות בי"ע כלן קודש לה'

and the two become one internally and externally – which happens when the
entire existence of the worlds of BiY”A becomes sanctified to God,

וכמו שהיה קדם החטא דעה"ד וכן בהתקון דלעתיד אז הוא היחוד
דקב"ה ושכינתה כהראוי

as was the situation prior to the sin of the Tree of Knowledge, and as will be with the future *Tikun* – then the proper *yichud* of the blessed holy One and His *Shechinah* will take place.

כי הרי כל המציאות דהבי"ע שהם מהתפשטות אור המלכות
וכחותיה והיא מתפשט ושרויה בהם,

For the entire existence of BiY”A, stemming from the radiance of *malchut* of Atzilut and her powers into which she extends and in which she is instantiated –

הרי הם כלם על טהרת הקדש ומכשרים להתיחד באצילות
thus all of them are spiritually pure and prepared to unify with Atzilut.

והרי מתיחד קב"ה שהוא אורו ית"ש אשר באצילות ובהגלוי דהשם
הוי"ה ב"ה

Thus the blessed holy One – which is His light in Atzilut and the revelation of the blessed Name Havaye – unites with

ושכינתה שהוא אור שכינתו ית"ש אשר בבי"ע ובהגלוי דשם אדנ"י

His *Shechinah* – the radiance of His *Shechinah* in BiY”A, and the revelation of the Name Ad-nai.

הרי הם שניהם מיחדים זב"ז ונמשכים כאחד ומתגלה ומתראה
שה' הוא האלהים

Thus both of them ז"א and *malchut* unite with each other and are drawn down as one, and it is revealed and demonstrated that “Havaye is Elokim,” as the Israelites affirmed when Elijah prayed for heavenly fire to consume his water-soaked offering, and the miracle took place (see I Kings 18:39).

והוא אחד מעילא לעלא עד מטה מטה שהרי כל המציאות כלו
הוא כלו קודש לה'

In this manner it was shown clearly that He is One from the very loftiest of levels to the lowliest, for all of existence is entirely sanctified to Havaye,

ומתיחדים העולמות בי"ע עם האצילות זב"ז והנה ה' אחד לעלא
ושמו אחד לתתא

and the worlds of BiY”A unite together with Atzilut, so that He is One above, and His Name is One below

והוא היחוד דקב"ה ושכינתה

- this is the *yichud* of the blessed holy One and His *Shechinah*, and this will all be revealed in the future.

אָבֵל כָּל זְמַן שֶׁהָעוֹלָמוֹת בִּי"ע הֵם פְּגוּמִים וְעוֹמְדִים בְּעִבְיּוֹתָם
וְזִהְמָתָם

However, as long as the worlds of BiY" A are blemished, and remain in their state of coarseness and toxicity

הָרִי הֵם נִפְרָדִים מֵהָאֲצִילוֹת וְהֵם נִבְדָּלִים מֵאֱלֹהוֹת
they are detached from Atzilut and are separated from Godliness,
וְהָגַם בְּאַמֶּת הָיָה לְעוֹלָם וְקַ"ה הוּא הָאֱלֹהִים בְּשָׁמַיִם מִמַּעַל וְעַל
הָאָרֶץ מִתַּחַת אִין עוֹד

although it is always the exclusive truth that "Havaye is Elokim in the heavens above and on the earth below, there is none other" (see Deuteronomy 4:39).

אֲךָ הוּא עֲתָה וְקַ"ה בְּפִנִּימִית וּבְהָעֵלָם גָּדוֹל וְכִמּוֹ שֶׁאָמְרוּ בְּזוֹהַר ק"פ
תְּרוּמָה קל"ד א'

Nevertheless, this is currently only inwardly and in a greatly concealed manner, as the *Zohar II, Terumah* 134a states:

בְּסוֹד הָעֲנִיָּן מֶה שֶׁאֲנוּ אוֹמְרִים בִּשְׁכַּמְל"ו בְּלַחֲשׁוֹ

‘Regarding the secret as to why we whisper “*Baruch shem k’vod malchuto l’olam va’ed*” – “Blessed is the name of the glory of His kingdom forever and ever” after we recite the first line of the *Shema* prayer –

שֶׁהוּא בְּגִין דְּלֹא יִתְעָרֵב זָר בְּאוֹתוֹ הַיְחוד ח"ו

is so that there will be no admixture of foreign elements into the Divine Unity, Heaven forbid.

כִּי הָעֲנִיָּן דְּשִׁמְעַת יִשְׂרָאֵל וּבִשְׁכַּמְל"ו הוּא עַל יְחודוֹ ית"ש לְעֵלָא וְתַתָּא

For the concept of the *Shema Yisrael* (Hear O Israel) and *baruch Shem k’vod malchuto l’olam va’ed* (blessed is the Name of the glory of His kingdom etc.) is in regard to His Oneness above and below.

וּמִשּׁוּם דְּהַשְׁתָּא עוֹמֵד הַזֶּהמָא אַחוּז בְּכָל הַמְּצִיאוֹת אֲשֶׁר לְמַטָּה

But now, because spiritual contamination permeates all of existence below,

וְהָיָה יְחודוֹ לְתַתָּא וְקַ"ה בְּפִנִּימִית וּבְהָעֵלָם

so that His oneness below is only manifested internally, and in a concealed manner,

לְכֹן אֲנוּ אוֹמְרִים יְחודוֹ אֲשֶׁר לְתַתָּא וְקַ"ה בְּלַחֲשׁוֹ וְע"ש קל"ג ב' וקל"ד
א'

therefore we declare His oneness below only in a whisper. See there in the *Zohar* II 133b, 134a.

וְאָמְרוּ שֶׁם בְּגִין דְּהִשְׁתָּא דִּיהוּא סִטְרָא אַחֲרָא אֲתִדְבַּק בְּהִדָּה כו'

There they stated that since ‘the other side’ the aspect of impurity and evil cleaves to it to existence below,

אֲנוּ מְחַלְפֵי אֲתָנוּ דְּלֹא אֲמַרִינוּ אֶחָד בְּאַתְגְּלִיָּא כו' אֶלָּא דְּאֲנוּ מִיַּחְדִּין
לֵה בְּלַחֲשׁוֹ

we exchange the letters of *echad* (One) with *va'ed* (forever) and we do not say *echad* out loud when expressing the Divine Unity in the worlds below**; rather we express this unity in a whisper,**

בְּרָזָא דְּאַתָּנוּ אַחֲרָנִין וְאֲמַרִי וְעַד

according to the mystical explanation of other letters that ‘exchange’ the letters of *echad* and we state *va'ed* instead.

אֲבָל בְּזִמְנָא דְּאַתִּי דִּיתְפָּרֵשׁ הֵהוּא סִטְרָא מִנָּה וְיִתְעַבֵּר מֵעֲלָמָא

But in the future, when that other side the aspect of evil will be separated from it from holiness, and will be removed from the world,

כְּדִין יִתְקַרִי אֶחָד וְיִדְאִי כו'

then He will definitely be called One,

כַּמָּה דְּאָמַר בַּיּוֹם הַהוּא יִהְיֶה ה' אֶחָד וְשֵׁמוֹ אֶחָד בְּאַתְגְּלִיָּא בְּהִדָּה
וְלֹא בְּלַחֲשׁוֹ וְלֹא בְּרָזָא ע"ש

as the verse (Zechariah 14:9) states, “On that day Havaye will be One and His Name will be One” in a revealed manner, not whispered quietly and not as a mystery. See the *Zohar* there.

וְנִמְצָא כִּי הָגַם שְׁפָפְנִימִית וּבְהֶעֱלָם הָיָה בְּאַמְתַּת הַיַּחֲדוּת עָצוֹם מְאֹד
לְעוֹלָם

So it turns out that even though the inwardly and in a hidden manner the *yichud* is truly very powerful and forever,

אֲבָל בְּחִיצוֹנִית וּבְאַתְגְּלִיָּא חֶסֶר עָתָה הַיַּחֲדוּת דְּמַלְעִילָא לְתַתָּא הֲרָבָה
מְאֹד

nevertheless, outwardly and in a revealed manner the *yichud* from above to below is seriously lacking.

זֶהוּ הָעֲנָן דְּלִשָׁם יַחֲדוּ הָרָאוּי לִזְמַן וּלְכֹחַ בְּכָל מַצְוָה וּמַצְוָה

This is the concept of ‘*V'shem yichud*’ ‘for the sake of the *yichud*’ that it is proper to utter and to have in one’s intention with every *mitzvah* one does

כְּדִי לִיחד אֶת הַמַּלְכוּת בַּז"א ע"י אור א"ס שְׁבַפְנִימִיּוּתָם ר"ל שְׂיָאֵר
וְיִתְגַּלֶּה הָאוֹר א"ס שְׁבַפְנִימִיּוּתָם

in order to unify *malchut* with *z"z* by means of the *Ohr Ein Sof* within them,
meaning to say that the *Ohr Ein Sof* will become revealed in their inner
dimensions.

וְעִי"ז יִתְיחדו זב"ז וכמ"ש אֵלֶיהוּ זל"ט אֲנִתָּה הוּא דִקְשִׁיר לֹון וּמִיחד
לֹון

And in this manner they will unite with one another, as Eliyahu Elijah – may his
memory be for the good – declared in *Patach Eliyahu*, (Introduction to *Tikunei
Zohar*): ‘You are the one who binds them together and unites them.’

וְיִתְגַּלֶּה עִי"ז אֹר יחודו וכבוד מַלְכוּתוֹ לַמַּעֲלָה וּלְמַטָּה וִיתְקַן עִי"ז
כָּל הָעוֹלָמוֹת בִּי"ע מַעֲבִיּוֹתָם וְזִהְמָתָם

Through this the light of His Oneness and the glory of His Kingdom will be
revealed above and below, and in this way all of the worlds of BiY"zA will be
rectified from their coarse and tainted state.

וְהָרִי תִלּוּי תִקּוּן כָּל הָעוֹלָמוֹת רַק בְּיחוד הַמַּלְכוּת עִם ז"א

Thus the *tikun* rectification of all the worlds depends exclusively upon the *yichud*
of *malchut* with *z"z* –

שֶׁהוּא שְׂיִתְיחד גְּלוּי דָשֵׁם אֱלֹהִי"ם וְאֲדָנָי שְׁבַבִּי"ע עִם כָּלָל
הָאֲצִילוֹת וְהַגְּלוּי דְהַשֵּׁם הוּי"ה ב"ה שְׁבַז"א

i.e. that the revelation of the Names Elokim and Ad-nai in BiY"zA will become
one with macro Atzilut and with the revelation of the blessed Name Havaye in
ze'ir anpin of Atzilut,

כִּי בּוֹ נִתְגַּלֶּה הַמַּאֲצִיל א"ס בְּהַגְּלוּי דְהַשֵּׁם הוּי"ה ב"ה וְכֵן"ל פ"ד

for therein is revealed the Infinite Emanator – in the revelation of the blessed
Name Havaye, as explained above chap. 4.

וְלָכֵן מְכַרְחִים אֲנוּ לִיחדם תָּמִיד עִם הָאֲצִילוֹת כָּל כְּדִי שְׂיִהְיֶה הוּא
לְבַדּוֹ יִמְלֹךְ נֹרָא

For this reason we are obligated to always unify them the Names Elokim and Ad-
nai in BiY"zA with Atzilut as a whole in order that He “the Awesome One alone
will reign,” as the *Adon Olam* prayer states.

וַיִּכְירוּ וַיֵּדְעוּ כָּל יִשְׂרָאֵל כִּי לָהּ הַמְּלוּכָה וְה' הוּא הָאֱלֹהִים
בְּשָׁמַיִם מִמַּעַל וְעַל הָאָרֶץ מִתַּחַת אֵין עוֹד:

And all the inhabitants of the world will recognize and know that to Havaye is
the sovereignty, and that Havaye is Elokim in the heavens above and on the

earth below – there is none other.

6d — The Yichud of *Malchut* with the *Sefirot* of Z" A

Dangers of Kabbalah in Practice

וּבִתְקוּנֵי תִקּוּן ס"ט דָּף קל"ה סע"ב אָמְרוּ שֶׁם וְעָקַר דְּאֲרַבַּע אֲתוֹן

In the *Tikunim Tikunei Zohar, Tikun 69*, p. 135b it states that the primary aspect of the four letters i.e. the four-letter Name –

שֶׁהוּא יְהו"ה ב"ה וְעָשָׂר אֲתוֹן שֶׁהוּא יוֹד הָא וְאוּ הָא אִיהוּ מַלְכוּתָא
דְּאִיהִי כְּלִילָא מִכָּל עָשָׂר סְפִירָן

which is the blessed Name Havaye, and the ten-letter iteration of the Name, which is א"ו ה"א ו"ו ה"א – the primary aspect thereof is *malchut*, since she is comprised of all ten *sefirot*.

כִּי הִיא הֵה' אַחֲרוֹנָה דִּהוּי"ה פְּשׁוּט הַמְּשֻׁלְמֶת לְד' וּבָהּ נִכְלָל כָּל הַד'

For she *malchut* is the final *hei* of Havaye in its unembellished state i.e. the unexpanded four-letter Name, where it completes the preceding three letters as the fourth and final letter of the Name, and in her all four letters are included, as explained above.

וְכֵן הִיא הֵה"א אַחֲרוֹנָה דִּהַמְּלוּי הַמְּשֻׁלְמֶת לְעָשָׂר וּבָהּ נִכְלָל כָּל הַי'

And she also the final *hei* i.e. the א"ה of the iteration that completes the expansion to ten, and in it all ten are included.

זֶהוּ אֶחָד דְּשִׁמְעַ יִשְׂרָאֵל שֶׁהוּא א"ח ד' שֶׁהוּא הֵט' סְפִי' דז"א וְהַד'
הוּא מַלְכוּת

This is also represented in the *echad* of the verse (Deuteronomy 6:4) *Shema Yisrael...* where *echad* can be divided into א"ח and ח"א – ד' has the numerical value of 9 alluding to the nine *sefirot* of *ze'ir anpin* and the ד' is *malchut*.⁹

כִּי בְּנִינָה הוּא מִתְנַה"י דז"א וְכֵן הִיא הַמְּשֻׁלְמֶת לְד' כִּנְז' וְהֵם אֶחָד

For she is built up by *tiferet, netzach, hod, yesod* of *ze'ir anpin*, and she also completes the four-letter Name, as mentioned, and thus they are

one.¹⁰

וְכֵן הִיא הַקּוּצוֹ שֶׁל ד' שֶׁהוּא בְּחִי' י' שֶׁהוּא מוֹרֶה עַל עָשָׂר כִּי הִיא
הַמְּשֻׁלְמֶת לְעָשָׂר א"ח ד' וְהֵם אֶחָד

Similarly, the ‘thorn’ on top of the letter ט, which is the aspect of *yud*¹¹ – alluding to ten, since she completes them to ten ח"א and ט' and as we explained above ח"א has the numerical value of 9 alluding to the nine *sefirot* of *ze'ir anpin* and ט' is *malchut*, together as one.

וְעַל זֶה נֶאֱמַר כִּי אֶחָד קָרָאתִיו וְכַמ־שָׁשׁ תִּקְוֹן מִ"ז צ"ד א'

Regarding this the verse (Isaiah 51:2) states, “when he was only one I summoned him,” as the *Tikunei Zohar* *ibid* *Tikun* 47, p. 94a explains. According to the commentaries the verse refers to Abraham. However, the *Zohar* interprets it as referring to Adam and Chava (Eve) who were initially created as a single entity, but were subsequently divided.

וְלָכוּ צָרִיךְ לִיחָדָם תָּמִיד זב"ז וְלַכֻּלָּל הַכֹּל בְּהַמְלָכוֹת שֶׁ"י יְחִידָה
לְמַעֲלָה

And therefore one must constantly unify them with one another and include everything in *malchut* via her unification above with ז"א,

וְכָל־יְלִידוֹת כָּלָם בָּהּ הִיא מְנַהֶגֶת אֶת כָּל הָעוֹלָמוֹת בִּי"ע

and merging all of them in her, since she directs all of the worlds of BiY”A.

וְנִמְצָא כִּי ע"י כְּוִנַּת הַיְחֻד הָרִי הָיָה רַק לָהּ הַמְלוּכָה וְה' הוּא
הָאֱלֹהִים:

So it turns out that by means of the *kavanah* meditation or intentional mental act of unification of *yichud*, only God is sovereign, and Hava is Elokim!

וְאָמְרוּ שֶׁם עוֹד דָּכָל מֵאֵן דְּנָטִיל מַלְכוּת בְּלֹא ט' סְפִירוֹן אִיהוּ מְקַצֵּץ
בְּנִטְיָעוֹן

The *Zohar* states further there that anyone who ‘takes’ i.e. mentally isolates *malchut* without the other nine *sefirot* is one who ‘cuts the plants’ i.e. become a heretic.

Commentaries¹² explain that since meditating on the deepest mystical explanations of the Torah is called ‘strolling in the orchard’ (the *pardess*), and one who uproots the trees planted in the orchard is called ‘one who cuts the plants.’ This refers to one ‘who separates things that are unified, and declares that there are two separate realms – the Divine and the mundane’ – such as Elisha ben Avuya, better known as *Acher* (‘the other one’ when he became a heretic) in the account given in the Talmud there. The Baal HaLeshem explains here that the same is true of one who separates between *malchut* (the roots of the ‘Tree’ of *sefirot*) and the other *sefirot* (the trunk of the ‘Tree’¹³).

וְכָל מֵאֵן דְּנָטִיל ט' סְפִירוֹן בְּלֹא מַלְכוּת אִיהוּ כּוֹפֵר בְּעֶקֶר.

And anyone who ‘takes’ the nine *sefirot* without *malchut* is a denier of the fundamental principle of Judaism, which is the Oneness of God. Such a person is regarded as an idolater.¹⁴

וּבִאֹר הַדְּבָרִים הוּא כִּי הָרִי אֶמְרָנוּ שֶׁבְּסְפִירוֹת וּפְרָצוּפִים הַמְלָכוֹת

The explanation of this is as we already stated – in the *sefirah* and *partzuf* of *malchut*

הנה שם הוא גלוי ית"ש בכל המציאות והנהגת העולמות בי"ע

is where His blessed revelation is, permeating all of existence and in the way the worlds of BiY"A are directed or supervised.

ור"ל כי בהיחוד דהמאציל א"ס אשר נתפשט והתלבש בהמלכות דאצילות

Meaning to say, the Oneness of the Infinite Emanator that permeates and is clothed in *malchut* of Atzilut,

בכלילת כל גלוייו אשר בהט' ספי' העליונים ויחודם בה

which includes all of His revelations in the nine supernal *sefirot* and their unification with her *malchut*,

וכן התיחד הא"ס עצמו בה להעשות חד עמו

and the Infinite One Himself also unites with her, to make her one with Him.

הנה התגלה בה עי"ז להמציא ולהוציא על ידה את כל המציאות דהעולמות בי"ע

Now, as a result, there is revealed in her the ability to create and bring forth from her the entire existence of the worlds of BiY"A,

ולהשגיח בהם ולהנהיג אותם תמיד בכל תהלוכותיהם

and to always direct or oversee them in the sense of Divine Providence and shepherd them in all of their paths.

והם נשואים עליו תמיד בכל מציאותם ובכל מקריהם

And they are always borne aloft by Him in all of their existence and as regards all events that transpire with them.

והרי כי ע"י גלוי ויחודו שבהמלכות שהיא חד עמו עי"ז נעשה המלכות אדון כל הארץ ואלהי כל הארץ יקרא

Thus, by means of His revelations and His oneness with *malchut*, which is one with Him, in this manner *malchut* becomes the Master of all the earth, and is called in Scripture (Isaiah 54:5; see also Genesis 24:3, Deuteronomy 4:1; I Kings 8:23 etc.) “Lord of the entire Earth”

כי נכללים בה כל הט' ספי' העליונים באור א"ס שבהם

For all the nine upper *sefirot*, along with the *Ohr Ein Sof* within them, are included within her –

וּמִתְיַחֲדִים כָּלֶם בָּהּ וְהִיא אֶחָד עִם כָּלֶם וְעִי"ז הִנֵּה הִיא אֱלֹהֵי כָל
הָאָרֶץ

all of them are united with her *malchut* and she is one with all of them; in this manner she is the "Lord of the entire Earth."

וְהִנֵּה מִבָּאָר הוּא בְּכָל דְּבָרֵינוּ לְעֵיל כִּי מְצִיאוֹת כָּל הָעוֹלָמוֹת בִּי"ע
כְּמוֹ שֶׁהֵם עֲתָה לִפְנֵינוּ

Thus it has been explained from all of the above that regarding the existence of the worlds of BiY" A as they are currently before us –

הִנֵּה לֹא הָיָה הַכּוֹנֵה שִׁשְׁאָרוֹ כֵּן לְעוֹלָם ח"ו אֶלָּא שִׁיתְקֵנוּ וְיִזְדַּכְכוּ
וְיִתְעַלּוּ

the intention was never that they should remain this way forever, Heaven forfend, but rather that they should be rectified, purified and elevated

עַד שִׁיְהִיו גַּם הֵם כָּלֶם קוֹדֵשׁ לָהּ לְהִתְיַחֵד עִם הָאֲצִילוֹת בִּיחְדָּא
שְׁלָם

until they too become holy to God and can unite with Atzilut in one complete unity.

וְהוּא ג"כ ע"י שֶׁהַמְּלָכוֹת דְּאֲצִילוֹת שֶׁהִיא שְׂרָשָׁם הִיא אֶחָד עִם כָּל
אֲשֶׁר לְמַעְלָה

This also comes about through their root, *malchut* of Atzilut, which is unified with all the *sefirot* above

וְזֶה שֶׁיִּרְדּוּ עֲתָה לְמַדְרָגָתָם שֶׁהֵם הוּא נַעֲשֶׂה ע"י הַחֲטָא

- albeit that that they have now descended to the level at which they are now, as a result of transgression –

וְע"י שְׁנֵתִיסַד הַמְּלָכוֹת שֶׁהִיא שְׂרָשָׁם ג"כ בַּב' בַּחִי בְּכַח עֲלִיָּה וִירֵדָה
וְכַ"ל וְכֵן לְעֵיל פ"ה אוֹת ד'

so that *malchut*, which is their root, is firmly established in both aspects – the power of ascent and descent, as explained above, and also previously in Chapter 5(d).

וְלָכֵן אִמְרָנוּ כִּי אֲנוּ צְרִיכִים לִיְחָד תְּמִיד אֶת הַמְּלָכוֹת עִם כָּל אֲשֶׁר
לְמַעְלָה

And therefore they the Sages declared that we must constantly unify *malchut* with everything with all the *sefirot* and aspects above

וְכַדִּי לְהַמְשִׁיךְ עִי"ז קִדְשָׁתוֹ וְיִחוּדוֹ ית"ש לְמַטָּה

in order to draw His blessed holiness and Oneness down below.

וְזֶהוּ כָּל חֻבַּת הָאָדָם בְּעוֹלָמוֹ בְּמַעֲשֵׂה וּבִדְבוּר וּבְמַחֲשָׁבָה לִיחַד אֶת
כָּל הַכּחוֹת דְּהָעוֹלָם כְּלוּ אֵלָיו ית"ש

Now this is the obligation of every person in His world, to unite all of the
powers of the entire world with Him – in deed, in speech and in thought –

שֶׁהוּא לְבַדּוֹ עָשָׂה וְעוֹשֶׂה וְיַעֲשֶׂה לְכָל הַמַּעֲשִׂים

for He alone did, does and will do all actions,

וְה' הוּא הָאֱלֹהִים בְּשָׁמַיִם מִמַּעַל וְעַל הָאָרֶץ מִתַּחַת אֵין עוֹד וְרֵק ה'
מֶלֶךְ ה' מֶלֶךְ ה' יִמְלֹךְ לְעֹלָם וָעֶד

“Havaye is Elokim in the heavens above and on the earth below, there is none
other” (see Deuteronomy 4:39).

וְהוּא הַיְחוד דְּמַעֲיָלָא לְתַתָּא וּמִתַּתָּא לְעֵלָא, וְזֶהוּ מָה שְׁנוּגָע לְאַמוּנַת
הַיְחוד בְּפָרֵט.

This is the *yichud* from above to below, and from below to above,¹⁵ and is
applicable to belief in *yichud* specifically.

אֲךְ אֵינוּ מְסַפִּיק זֶה לְבַד אֲלָא רַק ע"י קִיּוּם כָּל הַתּוֹרָה וְהַמִּצְוָה
דְּיֻקָּא בְּפִעַל וּבְמַעֲשֵׂה וּבִדְבוּר

However, belief in the *yichud* is not sufficient on its own, only together with
fulfilling all of Torah and mitzvot explicitly, in practice – i.e. in action and in
speech,

וּבְכֻנַּת הַיְחוד עַל כָּלֵם שֶׁהוּא לַעֲשׂוֹת הַכָּל לְמַעַן שְׁמוֹ שְׂיִתְבָּרַךְ
וְיִתְעַלֶּה וְיִתְקַדֵּשׁ לְמַעַלָּה וּלְמַטָּה וְיִתְגַּלֶּה מַלְכוּתוֹ וְיִחַדּוּ בְּכָל
הָעוֹלָם כְּלוּ.

with the overarching intention of the *yichud* to do everything for the sake of His
Name, that it should be blessed and elevated and sanctified above and below,
and that His sovereignty and oneness will be revealed through the entire world.

אָבֵל קִיּוּם כָּל הַתּוֹרָה וְהַמִּצְוָה הָרִי מְכַרַּח הוּא לְקִיּוּם אֶת כָּלֵם בְּפִעַל
וּבְמַעֲשֵׂה מִמַּשׁ.

But fulfilling all of Torah and *mitzvot* is absolutely necessary – to implement
them in practice and in actual deed.

כִּי הָרִי הוּא עֲצָמוֹ ית"ש אֲשֶׁר הִמְצִיא וְעָשָׂה אֶת הַכָּל

For He Himself, blessed be His Name, produced and made everything,

וַיֵּסֶד וַיִּסְדֵּר אֶת כָּל הַכּוֹחוֹת דִּירִידַת הָעוֹלָמוֹת וְחִסְרוֹנָם וְקִלְקוּלָם
אֲשֶׁר ע"י הַחֲטָא

and He established and arranged all the powers manifested in the descent of the worlds and their deficiencies, and their deterioration due to sin,

וכמ"ש יוצר אור ובזרע רע הרי הוא עצמו יסד וסדר את כל
תקוניהם ועלייתם ג"כ

as the verse (Isaiah 45:7) states, "He forms light... and creates evil" – hence He Himself also established and arranged all of their rectifications and ascents.

והוא כל התורה והמצוה וגזר ואמר שרק בזה יתקן ויתעלה כל
הבריאה כלה

This system of rectifications comprises all of Torah and mitzvot, and He declared that *only* in this manner will the entire creation be rectified and elevated,

וכמו שאמרו בב"ר פ' ס"ו ובכ"מ שהעולם נתבסס ע"י התורה ורק
בה תלוי כל התקון בנודע.

as the Sages stated in *Bereishit abb ach. 62* and a number of other places – that the world is firmly established upon the Torah, and on her the entire *tikun* depends, as we know.

אמנם כל התורה והמצוה כלה הוא רק לשמו כנ"ל פ"ד אות ז' ח'

However, all of Torah and the mitzvot are exclusively for the sake of God, as explained above chap. 4(f) and (g),

והוא כדי שיתגלה יחודו וכבוד מלכותו למטה כמו שהוא למעלה
i.e. to reveal His oneness and the glory of His kingdom below just as it is above.

ועל זה היתה כוננת כל הבריאה כלה אשר היא מהתפשטות כחות
המלכות דאצילות ומתנהגת על ידה לתקנה תמיד

Indeed, this was the intention of the entire Creation, which is produced by the spreading forth of the powers of *malchut* of Atzilut, and it is directed by her in order to constantly rectify her,

ולהעלותה וליחדה למעלה והוא ע"י התורה והמצוה וכוננת היחוד
שבכלם וכנז'

and raise her up to unify her above – and this is through the Torah and mitzvot and the intention of *yichud* in all of them, as mentioned.

וזהו שאמר התקונים הנ"ל דכל מאן דנטיל מלכות בלא ט' ספירן

This is the meaning of the statement of the Tikunim the *Tikunei Zohar* cited above, that anyone who 'takes' *malchut* without the other nine *sefirot* is one who

‘cuts the plants.’

וְהִינוּ שְׁעוֹשֶׂה אֵיזָה פְּעֻלָּה לְשֵׁם הַמַּלְכוּת לְבַד לְקַשְׁרָה לְמַטָּה בְּלִי
כְּנֻת הַיְחוד לְמַעְלָה

That is to say, he does some activity for the sake of *malchut* alone and bind her down below without the intention of *yichud* above.

ומכש"כ כְּשֶׁכְּנֻתוֹ וּפְעֻלָּתוֹ הוּא לְהַפְרִידָהּ מִלְמַעְלָה בְּדוּקָא ח"ו כְּדִי
לְקַח לְעַצְמוֹ הַכּחוֹת דְּהַבְרִיאָה בִּידוֹ

And this is all the more so when his intention and action is to deliberately separate her from above, Heaven forbid, in order to appropriate those powers invested in Creation for himself

לְהִשְׁתַּמֵּשׁ בָּהֶם כְּחֻפְצוֹ בְּכָל הַחֲמוּדוֹת דְּעוֹלָם הַזֶּה וּלְיַלֵּךְ אַחֵר
שְׁרִירוֹת לְבוֹ הָרַע

and to use them for his own desires for all types of earthly delights, and follow the stubbornness of his evil heart.

וְכֵמוֹ שֶׁהָיָה בָּזֶה כְּנֻת הַדּוֹר הַפְּלָגָה וְכֵן הוּא מַעֲיִן זֶה ג"כ
הַמִּשְׁתַּמֵּשִׁים בְּקַבְּלָהּ מַעֲשֵׂית בְּלִי כְּנֻת וַיִּדְעֵת יְחודֵי הַשְּׁמוֹת
לְמַעְלָה

This was the intention of the generation of the Tower of Babel, and in similar manner is true of those who use Kabbalah in practice without the intention and knowledge of the *yichud* unifications of holy Names above.

הִנֵּה הֵם מְקַצְצִים בְּנִטְיָעוֹת וְעֲלִיָּהֶם נֶאֱמַר מִשְׁלִי ט"ז "וְנִגְזַן מִפְּרִיד
אֱלוֹף"

Such people ‘cut down the plants’ i.e. become heretics **and regarding them the verse (Proverbs 16:**28) states, “a faultfinder estranges the Ruler.”¹⁶

כַּמִּשְׁמַטָּה בְּזוֹהַר "ק וַיִּקְרָא ט"ז ב' וּפ' צו ל"א א' וּפ' אַחֲרֵי ע"ד א' וְכֵן בְּהִשְׁמָטוֹת זֶהָר
(בְּרִאשִׁית רַס"ב א)

(as noted in *Zohar III*, *Vayikra* 16b; *Tzav* 31a; *Acharei* 74a; *Addenda to Zohar I*, *Bereishit* 262a),

וְכֵמוֹ שֶׁיִּתְבָּאָר כ"ז לְמַטָּה בְּאַרְכָּה קֶצֶת בַּעֲה"י.

as will all be explained below at some length, God willing.

וְעַכ"פּ הוּא כִּי מָה שֶׁאֱמָרוּ דְּכָל מֵאֵן דְּנִטִּיל מַלְכוּת בְּלֹא ט' סְפִירָן
אִיהוּ מְקַצֵּץ בְּנִטְיָעוֹן

In any event, the statement that anyone who ‘takes’ *malchut* without the other nine *sefirot* is one who ‘cuts the plants’ –

הכּוֹנֵנָה הוּא שְׁעוּשָׁה אִיזָה עֲנֵן לַפֶּעַל אִיזָה גְלוּי מַגְלִיטוֹ ית"ש
שְׁבָה עוֹה"ז

the intention is that a person does something to elicit an illumination in this world from His revelations,

אֲשֶׁר הֵם כָּלֵם מְאוּרוֹת הַמַּלְכוּת כִּי הִיא אֱלֹהֵי כָל הָאָרֶץ וְבָהּ וְעַל
יָדָהּ הוּא כָל הַפְּעֻלוֹת

all of which are from the illuminations of *malchut*, for she is 'the Lord of the earth' i.e. the manifestation of Godliness that creates and sustains the earth, as explained above, and all activities are performed with her and by her,

וּכְשֶׁעוֹשָׂה אִיזָה עֲנֵן מִפְּעֻלוֹתֶיהָ בְּלִי בְּנִת יְחֻדָּה לְמַעֲלָה הֵנָּה הוּא
מִקְצָץ בְּנִטְיָעוֹ:

so that when a person activates one of her activities without the intention of her *yichud* above, this is 'cutting the plants' i.e. this is also a form of heresy.

וְאָמַר שֶׁם עוֹד וְכָל מֵאן דְּנִטִּיל ט' סְפִירָן בְּלֹא מַלְכוּת אִיהוּ כּוֹפֵר
בְּעֶקֶר

It states further there that 'anyone who adopts the nine *sefirot* without *malchut* is a denier of the fundamental principle of Judaism.'

וְהַכּוֹנֵנָה הוּא כְּשֶׁאִינוּ מֵאֲמִין ח"ו שֶׁהוּא לְבַדּוֹ ית"ש עָשָׂה וְעוֹשָׂה
וְיַעֲשֶׂה לְכָל הַמַּעֲשִׂים

The intention here is not that the person doesn't believe that He alone created, creates and will create everything, Heaven forfend,

הַגֵּם שֶׁמֵּאֲמִין שֶׁהוּא הַמַּצִּיא אֶת כָּל הַמַּצִּיאוֹת כְּלוּ יֵשׁ מֵאִין

but that even though that person believes that He produced all of existence *ex nihilo*,

אֲךָ חוֹשֵׁב בְּדַעְתּוֹ שֶׁשָּׁלַק אֶת הַשְּׁגָחָתוֹ מִהַתְּחִיתוֹנִים

he nevertheless is of the view that He removed His Divine Providence from the lower worlds,

וְכָל מָה שֶׁנַּעֲשֶׂה הוּא בְּטֻבֵּעַ וּבִמְקָרָה אוֹ בְּאִיזָה הִנְהָגָה מִכֹּחַ זוּלָתוֹ
אֲשֶׁר מִהָעוֹלָמוֹת בִּי"ע עֲצָמוֹ

and that everything that takes place is by dint of Nature and random chance, or by some controlling power other than His, emanating from the worlds of BiY" A themselves.

וְהָרִי חוֹשֵׁב שֶׁפְּעֻלָּתוֹ ית"ש בְּכָל הַמַּצִּיאוֹת כְּלוּ הוּא ע"ד פְּעֻלַּת
הָאָדָם

Thus this person deems His blessed actions throughout existence to be like those of man,

שאַחר שְׁגֵמַר אֶת פְּעֻלָּתוֹ אֵין לוֹ שִׁיכוּת עוֹד עִמּוֹ

whereby after the activity is over, it no longer has any connection to him to the person, and likewise G-d's actions.

וְנִמְשָׁךְ מִזֶּה ג' כ' שֶׁהָאָדָם אֵין לוֹ דְּבָקוּת וְקֶשֶׁר עִמּוֹ ית"ש

What ensues from this is that the person himself does not cleave to Him, nor even have a connection to Him.

וְכָל הַתּוֹרָה וְהַמִּצְוָה הוּא רַק לְצַרֵּף אֶת הַבְּרִיּוֹת וְאֵינוֹ מִגִּיעַ לְמַעְלָה
כָּלֵל לַפֶּעַל בְּהִשְׁגָּחָתוֹ וְהַנְּהָגָתוֹ מֵאוּמָה

In his mistaken understanding the entirety of Torah and *mitzvot* is merely to purify creatures down below and does not reach up on high at all to bring about His Divine Providence and the way He directs the worlds at all.

וְהָרִי מִפְּרִיד וּמִבְדִּיל אוֹתוֹ ית"ש מִהַמְּצִיאוֹת וְאֶת הַמְּצִיאוֹת מִמֶּנּוּ
רח"ל

Thus such a person separates and detaches Him from existence, and existence from Him, may the Merciful One spare us!

וְעַל זֶה אָמְרוּ וְכָל מֵאן דְּנָטִיל ט' סְפִירָן בְּלֹא מַלְכוּת אִיהוּ כּוֹפֵר בְּעֶקֶר

In this regard they our Sages declared that anyone who 'takes' the nine *sefirot* without *malchut* is a denier of the fundamental principle of Judaism, which is the Oneness of God, as mentioned above.

וְהוּא ע"פ מַה שֶּׁאָמְרָנוּ כִּי סְפִי' הַמַּלְכוּת הִנֵּה שָׁם הוּא גְלוּיָו ית"ש
בְּכָל הַמְּצִיאוֹת דְּהַעוֹלָמוֹת בִּי"ע וְהַנְּהָגָתָם

This concurs with what we explained – that in the *sefirah* of *malchut* is where His revelations take place for all the worlds of BiY”A and the way they are directed,

כִּי נִכְלְלוּ כָּל הַט' סְפִירָן וְיִחוּד דְּהַמֶּאֱצִיל א"ס שֶׁבָּהֶם הִנֵּה נִכְלְלוּ
כָּלֵם בְּהַמַּלְכוּת דְּאֶצִּילוֹת

since all the nine upper *sefirot***, and the unity of the Infinite Emanator** expressed in them, are all included in *malchut* of Atzilut.

וְבָהּ וְעַל יָדָהּ הַמְּצִיא וְהוֹצִיא אֶת כָּל הַעוֹלָמוֹת בִּי"ע כָּלָן מֵאֵין לִישׁ

And from within her *malchut* and by means of her He brought fourth, and brings forth, all the worlds of BiY”A *ex nihilo*

וְהִיא מְקוֹמוֹ שֶׁל עוֹלָם הַנוֹשָׂא אוֹתָם תָּמִיד בְּכָל מְלֻאָם ע"י יְחִידוֹ
בָּהּ

and she defines the place of the world¹⁷ and constantly bears them – and everything in them – aloft, by means of His *yichud* with her with *malchut*.

כִּי מִתְיַחַד בָּהּ הֵיא"ס לְהַעֲשׂוֹת חֵד עֲמָהּ ע"י הַט' סְפִירוֹת הָעֲלִיוֹנִים
שֶׁנִּכְלָלִים בָּהּ

For the Infinite One unites with her, becoming one with her via the nine higher *sefirot* that are included within her,

וְעִי"ז הֵנָּה הִיא אֱלֹהֵי כָל הָאָרֶץ וְהִיא הַשֵּׁם אֲדֹנֵי הַמְּנַהֲגָת אֶת כָּל
הָעוֹלָמוֹת בִּי"ע

and by means thereof she is called ‘the Lord of all the earth,’ which is the Name Ad-nai that directs all the worlds of BiY”A.

וְכָל פְּעֻלוֹתֵיהֶם וּמִקְרֵיהֶם הוּא רַק בְּהַשְׁגָּחָתָהּ וְהַנְּהֲגָתָהּ ע"י יְחִידָהּ
לְמַעַלָּה

And all of the activities and the events that take place in the worlds of BiY”A are only with her Divine Providence or supervision and direction by means of her unifying with the *sefirot* above*.*

וְהִרִי נִמְצָא כִּי הַמֵּאֲצִיל א"ס ית"ש הוּא דְּבוֹק אֶל כָּל הַמְּצִיאוֹת
תָּמִיד ע"י הַמְּלָכוֹת

Thus it turns out that the blessed Infinite Emanator merges with all of existence always via *malchut*,

וְכָל הַמְּצִיאוֹת כֻּלּוֹ בְּכָל תְּהֻלּוֹכוֹתֵיהֶם הוּא תָלוּי לְעוֹלָם רַק עָלָיו
and all of existence, in every path that they take, is all dependent only upon Him,

כִּי הוּא סִבָּתָם בְּכָל עֲנִינֵיהֶם וְהוּא הַנִּשְׁמָה לַנִּשְׁמָה לְכָלֶם

for He is the cause of everything to do with them, and He is the soul of the soul *neshama l'neshama* of everything.

וְכִי"ז הוּא ע"י יְחִידוֹ בְּהַמְּלָכוֹת דְּאֲצִילוֹת הַכְּלוּלָה מִכָּל הַט'
הָעֲלִיוֹנִים שֶׁהִיא הַיְסוֹד וְהַכֹּחַ דְּכָל הַבְּרִיאָה כְּלָהּ

All of this is by means of His unification with *malchut* of Atzilut, which includes all the nine supernal *sefirot*, for she is the foundation and the power of the entire Creation.

וְהָרִי מְתִיחִים כָּל הָעֲלִיּוֹנִים עִם הַמַּלְכוּת וְהַמַּלְכוּת עִם כָּלָן וּבִזְהָ
הֵנָּה הִיא הַכֹּחַ דְּכָל הַבְּרִיאָה תָּמִיד

Thus all of the supernal levels are unified with *malchut*, and *malchut* with all of them the supernal levels, thus she is always what powers the entire creation.

אָבֵל הֵט' סְפִי' הָעֲלִיּוֹנִים הוּא הַז"א שֶׁהוּא כָּלֵל הָאֲצִילוֹת כָּלָן וְהַגְלוי
דִּהְשֵׁם הוּי"ה ב"ה

But the nine supernal *sefirot* are *z"u*, which encompass all of *Atzilut* in general, and the revelation of the blessed Name Havaye,

וְהוּא לְעוֹלָמוֹת בִּי"ע וְכָל בְּבִחִי שֶׁרֶשׁ הַשְּׂרָשִׁים וְנִעְלָם מֵהֶם

are to the worlds of BiY"u merely the aspect of a 'root of roots' that is concealed from them,

וְעָקֹר יִצִּיאת דִּהְעוֹלָמוֹת בִּי"ע וְהַשְּׂגָחַתוֹ בָּהֶם וְהַנְּהָגָתוֹ אוֹתָם הוּא
ע"י הַמַּלְכוּת

while the primary emergence of the worlds of BiY"u, and the Divine Providence over them, and they way they are directed is via *malchut*,

ע"י שֶׁנִּכְלָלִין בָּהּ כָּל הֵט' סְפִירָן עֲלֵאִין וּבִיחוד הַז"ס שֶׁבְּכוֹלָם

by virtue of the fact that the nine supernal *sefirot* are included within her and the unification of the *Ein Sof* with them,

כִּי הַז"ס הוּא שׁוֹרָה בְּכָל הִי סְפִי' כָּלָם וּמְתִיחֵד עִם כָּלָם וְכֵן הֵם
מְתִיחִים זב"ז

for the *Ein Sof* resides¹⁸ within all of the ten *sefirot*, and unites with all of them, and they unite with one another,

וְל"ה הַז"א עִם הַמַּלְכוּת ע"י הַיְּחוד דַּא"ס שֶׁבָּהֶם

meaning to say, *z"u* unites with *malchut* by virtue of the *yichud* of *Ein Sof* within them.

וְזֶהוּ שֶׁאָמְרוּ דְּכָל מֵאן דְּנָטִיל ט' סְפִירָן בְּלֹא מַלְכוּת אִיהוּ כּוֹפֵר בְּעָקֹר

And this is the meaning of our statement that anyone who 'takes' the nine *sefirot* without *malchut* is a denier of the fundamental principle of Judaism, which is the Oneness of God,

כִּי הָרִי עָקֹר כָּל שִׁיכוֹת אֲשֶׁר יֵשׁ לְהַמְאָצִיל א"ס ית"ש עִם הָעוֹלָמוֹת
בִּי"ע בְּמִצִּיאוֹתָם וְהַנְּהָגָתָם הוּא וְכָל ע"י הַמַּלְכוּת וְכַנֵּי:

since the primary relevance of the blessed Infinite Emanator with the worlds of BiY"u, in their very existence and how they are directed is exclusively via *malchut*, as explained above.

וְהִנֵּה אֲמַרְנוּ לְעֵיל פ"ה כִּי הַמַּלְכוּת דְּאֲצִילוֹת הִנֵּה פְּנִימִיּוּתָהּ הִיא
עוֹלָה לְמַעְלָה לְמַעְלָה

We said above, chap. 5 that the innermost aspect of *malchut* of Atzilut ascends to the highest levels,

שֶׁהִיא בְּהַמַּלְכוּת דא"ס אֵלָּא שְׂפָנִימִיּוּתָהּ הוּא נֶעְלָם עֲתָה בָּהּ הִרְבֵּה
מְאֹד

to *malchut* of *Ein Sof*. However, that innermost aspect is now in a state of great concealment.

וְהוּא מְשׁוּם צֶרֶךְ תּוֹצְאוֹת כָּל הַמְּצִיאוֹת דְּהַעוֹלָמוֹת בִּי"ע עַל
מְדוּגָתָם הַתַּחְתּוֹנָה שֶׁהֵם עֲתָה שִׁיבְּאוּ מִמֶּנָּה

The reason for this is for the sake of the emergence of the entire existence of the worlds of BiY" A, including their lowest levels on which they are on now, that emerged from there.

לְכֹן נִתְעַלֵּם פְּנִימִיּוּתָהּ עֲתָה וְלֹא יִתְגַּלֶּה אֵלָּא רַק לְעֵתִיד

Therefore her innermost aspect is concealed now, and will not be revealed until the future,

שֶׁהוּא בְּתַכְלִית תִּקּוּן הָאַחֲרוֹן שִׁיתְקִנוּ וַיִּתְעַלּוּ אֶז כָּל הַעוֹלָמוֹת כָּלָם
with the definitive final *tikun*, when all of the worlds will be rectified and elevated.

וְהִנֵּה הַפְּנִימִיּוּת הַזֶּה הִנֵּה הוּא כָּל עֲצָמוֹת אֹר הַתּוֹרָה כְּלָהּ

This innermost aspect is the entire essence of the light of Torah,

וּבִקְיוּמָהּ וּשְׂמִירָתָה לְמַטָּה מִתְגַּלֶּה אֹר פְּנִימִיּוּת הַמַּלְכוּת מְגֻלּוֹי
לְגֻלּוֹי עַד שִׁיתְקִן וַיִּתְגַּלֶּה כְּלָהּ לְעֵתִיד לְבוֹא

and by observing it and keeping it below in this world the light of the inner aspect of *malchut* is revealed from revelation to revelation, until it will be rectified and will be completely revealed in the future.

וְנִמְצָא כִּי עַקֵּר הַתִּקּוּן דְּהַמַּלְכוּת שֶׁתִּתְקֵן בִּיחּוּדָהּ לְמַעְלָה הוּא תָלוּי
בְּקִיּוּם הַתּוֹרָה וּגְלוּיָהּ לְמַטָּה

So we find that the primary *tikun* of *malchut* – rectifying her *yichud* above – depends on fulfilling Torah and revealing Torah down here.

וְכָל מָה שֶׁנִּתְגַּלֶּה אֹר הַתּוֹרָה בְּיוֹתֵר וּמִתְקַיֶּמֶת לְמַטָּה הִנֵּה נִתְקֵן
וְנִתְגַּלֶּה אֹר פְּנִימִיּוּת הַמַּלְכוּת וַיִּחְוֶה לְמַעְלָה

The more the light of Torah is revealed, and is fulfilled below, the more the rectification and revelation of the innermost light of *malchut* and her *yichud*

above is achieved.

וְהִרִי פְּשׁוּט הוּא כִּי כְּשֶׁתִּתְקַן הַמַּלְכוּת בְּגִלּוּי פְּנִימִיּוּתָהּ וְיִחוּדָהּ
לְמַעְלָה

Now it is obvious that when *malchut* is rectified so that her innermost aspect and her *yichud* above become revealed,

הִנֵּה יִתְקַנּוּ מִמִּילָא כָּל הָעוֹלָמוֹת דֵּהבִי"ע כֻּלָּם מִכָּל יְרִידָתָם אֲשֶׁר
יָרְדוּ עַל מַדְרָגָתָם הַתַּחְתּוֹנָה שֶׁהֵם עָתָה

then all the worlds of BiY" A will inevitably be rectified as well from their state of descent to the lowest rung on which they are currently.

אֲשֶׁר זֶה נֶעֱשֶׂה בָּהֶם ע"י רַבּוּי וְגִדּוּל הַהֶעָלָם דָּאוֹר פְּנִימִית הַמַּלְכוּת
וְכִנּוּז'

This state of descent was brought about by the great magnitude and the intensity of the concealment of the light of the inner aspect of *malchut*, as mentioned above.

אֲךָ אַחֵר שֶׁתִּתְגַּלֶּה אוֹר פְּנִימִיּוּתָהּ וְיִחוּדָהּ הִרִי יִתְקַנּוּ מִמִּילָא כָּל
הָעוֹלָמוֹת בִּי"ע ג"כ

But, after the light of her inner aspect and her *yichud* above have become revealed, then all the worlds of BiY" A will inevitably be rectified as well

מִכָּל עֲבִיּוּתָם וְזִהְמָתָם וְיִזְדַּכְכוּ וְיִתְעַלּוּ לְמַעְלָה לְמַעְלָה.

from their state of coarseness and toxicity, and they will be cleansed and will ascend way above.

וּמֵאַחֵר שֶׁפְּנִימִית הַמַּלְכוּת וְיִחוּדָהּ לְמַעְלָה הוּא רַק אוֹר הַתּוֹרָה

Now since the inner aspect of *malchut* and her *yichud* above are the light of Torah exclusively,

א"כ הִרִי תִּלּוּי כָּל תְּהִלּוּכוֹת הַהִשְׁגָּחָה וְהַהֲנָהָה שֶׁהוּא פְּעֻלַּת כָּל
הַמַּעֲשִׂים וְהַמְקָרִיִּים שֶׁבַעוה"ז

therefore, the entire system of Divine Providence and how things are directed from Above, which is the actualization of all activities and events in this world

שֶׁהֵם מֵהַנְּהִגַּת הַמַּלְכוּת וּלְפִי קִבְּלָתָהּ מִלְּמַעְלָה וְכַנ"ל

that are directed by *malchut* according to what she receives from above, as explained previously,

הִנֵּה תִּלּוּיִם הֵם כֻּלָּם בְּלִמּוּד הַתּוֹרָה (שֶׁהוּא גִלּוּי אוֹרָה) וְקִיּוּמָהּ
אֲשֶׁר לְמַטָּה

all of them are dependent upon Torah study (which is the revelation of her light) and observing it i.e. the mitzvot down below.

כי לפי גלוי התורה וקיומה אשר למטה כן הוא קבלתה מלמעלה
ויחודה בכל העליונים שעליה

Because it is according to the revelation of Torah and observing it below that she *malchut* receives from above and her *yichud* with the aspects above her is achieved.

זוהי היה כונת כל הבריאה בלה לתלות כל תקוני המלכות שהוא
עלייתה ויחודה למעלה

This was indeed the intention in all of Creation – to make dependent the *tikun* of *malchut*, which is her ascent and *yichud* above,

ותקון כל העולמות כלם הנמשך ממנה וכנ"ל הכל רק במעשה בני
אדם בהתורה והמצוה

and the *tikun* of all the worlds that are drawn down from her, as we explained – all of this depend upon the deeds of man in Torah and *mitzvot*,

משום שהתורה הוא אור פנימיותה ובה עצמה היא מתיחדת
ועולה למעלה

since the Torah is the light of her inner aspect, and with it she herself *malchut* merges into oneness and ascends on high.

ולכן הוא כי בקיומה היא עולה ומתיחדת ומתקנים עי"ז כל
העולמות כלם

And therefore, by observing her the Torah she *malchut* ascends and merges into oneness, and in this manner all the worlds become rectified.

ובעברם עליה היא יורדת ומתפרדת ח"ו ונופלים כל העולמות כלם
עד הדיוטא התחתונה רח"ל וכמו שהוא עתה

But when they transgress her laws she descends and becomes separated, Heaven forfend, and all of the worlds fall to the lowest rung, as she is now may the Merciful One spare us.

וזוהו שאמרו דכל מאן דנטיל מלכות בלא ט' ספירן איהו מקצץ
בנטיען דהרי גורם פרוד ח"ו

This then is what the Sages said, that anyone who 'takes' *malchut* without the other nine *sefirot* is one who 'cuts the plants,' for they cause a separation, Heaven forfend.

וכל מאן דנטיל ט' ספירן בלא מלכות איהו כופר בעקר

And anyone who 'takes' the nine *sefirot* without *malchut* is a denier of the fundamental principle of Judaism,

דַּהֲרִי כּוֹפֵר בְּכָל הַהִשְׁגָּחָה וְהַהֲנָהֲגָה וּבְכָל קִיּוֹם הַתּוֹרָה כְּלָהּ וּכְמוֹ שֶׁבִּאֲרָנוּ

for he denies Divine Providence and how things are directed from Above, and he negates the idea of observing the entire Torah, as we explained.

וְלָכֵן הוּא כָּל חוֹבַת הָאָדָם בְּעוֹלָמוֹ לִיַּחַד אֶת כָּל הַמְּצִיאוֹת וְכָל פְּעֻלוֹתֶיהָ רַק אֵלָיו

It is therefore an obligation on every person in His world to unify all of existence and all actions with Him exclusively,

שֶׁהוּא לְבַדּוֹ עָשָׂה וְעוֹשֶׂה וְיַעֲשֶׂה לְכָל הַמַּעֲשִׂים וְהוּא יַחֲוֵד הַמַּלְכוּת לְמַעַלָּה

for He alone did, does and will do all actions – this is the *yichud* of *malchut* above.

וּלְקַבֵּעַ בְּלֵב תָּמִיד שֶׁהַכֹּל בָּרָא לְכַבּוֹדוֹ שֶׁהוּא לְמַעַן מַלְכוּתוֹ

It is also an obligation to permanently embed in one's heart that He created everything for His glory, which means – for the sake of His sovereignty,

שֶׁיִּכְיָרוּ וְיִדְעוּ הַכֹּל שֶׁה' מֶלֶךְ עוֹלָם וְעַד וְהוּא לְבַדּוֹ יִמְלֹךְ נֹרָא

that all should recognize and know that God is the eternal King, and He alone reigns in His awesome majesty.

וְיַעֲשֶׂה כ"ז רַק ע"י הַתּוֹרָה וְקִיּוּמָהּ שֶׁהוּא גְלוּי אֹר הַתּוֹרָה

All of this must be achieved only via Torah and by keeping it i.e. observing the *mitzvot* for this is the revelation of the light of Torah

שֶׁמִּתְגַּלֶּה תָּמִיד ע"י לומְדֶיהָ וְקִיּוֹם הַמִּצְוֹת שֶׁנַּעֲשֶׂה ע"י עוֹשֶׂיהָ וְשׁוֹמְרֶיהָ

that is always revealed by those who study it and observe the *mitzvot* – this is what is achieved by those who do and guard them the *mitzvot*.

וְהוּא יַחֲוֵד הַט' סְפִירִין בְּהַמַּלְכוּת:

This is the *yichud* of the nine upper *sefirot* with *malchut*.

וְאָנוּ מְחַיִּבִּים לְהֶאֱמִין בְּאַמוּנָה שְׁלֵמָה וּלְקַבֵּעַ בְּלִבֵּינוּ תָּמִיד

We are also obligated to have complete faith, and always embed in our hearts

כִּי אֹר א"ס פָּשוּט בְּתַכְלִית הַפְּשִׁיטוּת וְהָעֵלֶם אֲשֶׁר מְאַמְּתָתוֹ הַנֶּעֱלָמָה עֲצָמוֹ

that the *Ohr Ein Sof*, which is absolutely uncompounded, and that the concealment that comes from His true concealed Self,

שאינו נתפס ואינו משג בשום שם ובשום אות ונקדה כלל

that is not apprehended and is not comprehended through any Name, nor letter nor vowel point –

הנה הוא עצמו נתגלה באצילות בהגלוי דהשם הוי"ה ב"ה והוא
אלהינו

He Himself is revealed in Atzilut in the revelation of the blessed Name Havaye, and He is our God.

ועקר גליו הוא בז"א כי בז"א דאצילות הוא הגלוי העקרי דהשם
הוי"ה ב"ה

And His primary revelation is in *ze'ir anpin*, since *ze'ir anpin* of Atzilut is the primary revelation of the blessed Name Havaye.

והוא שמו של א"ס ומשם נתפשט ונתגלה עוד בהמלכות דאצילות

This is the Name of the Infinite One, and from there it spreads forth and is revealed even further in *malchut* of Atzilut,

בהגלוי דשם אלהים ושם אדני לצרך המציאות והנהגת העולמות
בי"ע

in the revelation of the Name Elokim and the Name Ad-nai for the sake of existence and to direct the worlds of BiY" A.

ונמצא כי אור א"ס פשוט הנה הוא עצמו לבד נתגלה באצילות

Thus we find that the uncompounded *Ohr Ein Sof* Himself alone is revealed in Atzilut

בהשמות דהוי"ה אלהים אדני אשר מלכותו בכל משלה

in the Names Havaye, Elokim and Ad-nai, whose sovereignty is over all.

והוא מלך והוא מלך והוא ימלך לעלם ועד ועשה ועושה כל
המעשים למען שמו ומלכותו

He was sovereign, is sovereign and will be sovereign forever, and He did, does and all actions for the sake of His Name and sovereignty,

שיתגלה מלכותו ויחדו בכל העולמות כלם כי כל פעלתו ומעשיו
הנה הוא מנהיג את הכל תמיד לתכלית תקון האחרון

so that His sovereignty and His oneness will be revealed in all the worlds, since all of His effects and deeds are always directed by Him for the sake of the ultimate *tikun*.

שְׁאֵז הוּא לְבַדּוֹ יִמְלֹךְ נוֹרָא בְּסוֹד הַיְחוד הַנֶּעְלָם מִכָּל בְּרִיָּה וְנִשְׁגָּב ה' לְבַדּוֹ בַּיּוֹם הַהוּא.

Then He alone will reign in His awesome majesty, according to the mystical secret of the *yichud* that is concealed from every created being, and on that day we will know that He alone transcends all.

וְהוּא הַיְחוד מְעִילָא לְתַתָּא וּמִתַּתָּא לְעִילָא:

This is the *yichud* from above to below and from below to above.

6e — The Generation of Babel

‘Cutting the Plants’

וְהָעֲנִינוּ מָה שְׁאָמְרוּ בְּתִקּוּנֵי הַנֵּזֶל דְּכָל מֵאן דְּנָטִיל מַלְכוּת בְּלֹא ט' סְפִירוֹן אִיהוּ מְקַצֵּץ בְּנִטְיעָן

Regarding the concept mentioned in the *Tikunim* (*Tikunei Zohar*, *Tikun* 47, mentioned at the beginning of the previous subsection) that anyone who ‘takes’ *malchut* without the other nine *sefirot* is one who ‘cuts the plants’ i.e. become a heretic

הִנֵּה בְּחֻטָּא הַזֶּה נִכְשְׁלוּ בּוֹ רַבִּים וְכַמַּעַט שֶׁהוּא נּוֹגֵעַ לְכָל חֻטָּאוֹת הָאָדָם כָּלָם

– many people stumbled into this sin inadvertently so that it is applicable to almost every human sin,

כִּי כָל חֻטָּא הוּא גֹרֵם פְּרוֹד וְהוּא קוֹצֵץ בְּנִטְיעָן

since every sin causes a separation and can be regarded as ‘cutting the plants.’

אֲךְ אִינוּ דּוֹמֶה מִי שִׁידַע מָה שֶׁעוֹשֶׂה לְמִי שְׁאִינוּ יוֹדַע

Nevertheless, one who knows what he’s doing and transgresses deliberately, is not the same as one who doesn’t know and transgresses inadvertently

וּבִיּוֹתֵר מִי שֶׁהִפְלִיג בְּהַחֲטָא הַזֶּה הָיוּ אֲנָשֵׁי דּוֹר הַפְּלָגָה כִּי הֵם עָשׂוּ בְּכַוְנָה וּבִמְרֹד וּבִמַּעַל

All the more so, those who sinned extremely in this matter were those from the Generation of the Split i.e. when languages became divided, i.e. the Generation of the Tower of Babel, since they acted intentionally and rebelliously and deceitfully,****

וְעָשׂוּ פְעֻלוֹת וְהַכְּנוֹת שִׁיתֻקִּים הַפָּגָם וְהַחֲטָא הַזֶּה לְדָרְאוֹן עוֹלָם

and they did certain acts and preparations to perpetuate this blemish and this sin to their eternal disgrace.

וְלָכוּ נַעֲשֶׂה לָהֶם כַּמַּדָּתָם וְנִפְרְדּוּ הֵם מִמְקוֹר הַחַיִּים

And thus was done to them measure for measure –they became disconnected from the source of life.

וְעַלֵּיהֶם נֹאמַר כִּי הִנֵּה אֵיבֶיךָ ה' כִּי הִנֵּה אֵיבֶיךָ יֵאָבְדוּ יִתְפָּרְדּוּ כָּל
פְּעָלֵי אָוֶן.

Regarding them the verse (Psalms 92:10) states “For behold Your enemies O God, behold Your enemies shall perish; all doers of iniquity shall be dispersed.”

וְהָעֲנִין הוּא כִּי הִנֵּה כָּתְבוּ הָרִאשׁוֹנִים [הָרַמְבַּ"ן וְרַבֵּינוּ בַּחַי
וְהַרְקָאֲנִטִי וְצִיּוֹנִי וְסֹפֵר הַמַּעֲרֶכֶת]

The idea is that the early generations of Sages called the *Rishonim* [such as Ramban Nachmanides, Recanati, Tziuni, and the Ma'arechet] wrote

כִּי מָה שֶׁאָמְרוּ וְנַעֲשֶׂה לָנוּ שֵׁם הָיָה הַכּוֹנֵה לִקְצֹץ בְּנִטְעוֹת

that when they the people who built the Tower of Babel said, “Come let us build a city and a tower... and let us make a name for ourselves” (Genesis 11:4) the intention was to ‘cut down the plants’ i.e. engage in heretical acts

כִּי רָצוּ לְהַפְרִיד הַשְּׂכִינָה מִן הַבְּנִין לְהַכִּין אוֹתָהּ וּלְסַעֲדָהּ בָּזָה
הָעוֹלָם ע"י הָעִיר וּמִגְדָּל אֲשֶׁר בָּנוּ

because they wanted to separate the *Shechinah* represented by the final *hei* of the Name Havaye from the rest of the structure of the letters of that Name and prepare her the *Shechinah* and support her in this world by means of the city and the tower they built.

וָרָצוּ לִקַּח אוֹתָהּ לַעֲצֹמֶן לְהַשְׁתַּמֵּשׁ בָּכָל כְּחוֹתֶיהָ בְּכָל מַחֲמַדֵּי תִבְל

In other words, they wanted to take her for themselves and use all of her powers for all sorts of worldly i.e. profane delights they lusted for,

וּכְדֵי שֶׁלֹא יִבָּצֵר מֵהֶם כָּל אֲשֶׁר יִזְמוּ לַעֲשׂוֹת בְּכָל שְׂרִירוֹת לִבָּם הָרַע.

and they wanted those powers so that they would not be prevented from carrying out anything their obstinate and evil hearts plotted.

וְהָעֲנִין הוּא כִּי בָּבֶר אָמְרָנוּ שֶׁהַשְּׂכִינָה הַקְדוּשָׁה, שֶׁהִיא הַמַּלְכוּת
דְּאֶצִּילוֹת,

The concept is this: we already explained that the holy *Shechinah*, which is *malchut* of Atzilut,

הִנֵּה בָּהּ הוּא כָּל הַכְּחוֹת דְּהַבְרִיאָה כְּלָהּ וּפְנִימִיּוּתָהּ הוּא אוֹר
הַתּוֹרָה כְּלָהּ

has within her (in her external aspect) all of the powers of Creation, and in her internal aspect is the light of the entire Torah

הַנִּמְשָׁךְ וְעוֹלָה לְמַעַלָּה לְמַעַלָּה עַד רִזָּא דְאִוּר א"ס

which is drawn from and traces back to the loftiest of heights – to the mystery of the *Ohr Ein Sof*.

וְהִנֵּה הָיָה הַכּוֹנֵה בְּכָל הַבְּרִיאָה שֶׁהִיא בְּהַחֲצוּנִית דְּהַמְלָכוֹת

Now the intention is that the entire Creation, which is in the outer aspect of *malchut*,

לְהַתְנַהֵּג ע"פ הַתּוֹרָה שֶׁהִיא הַפְּנִימִית דְּהַמְלָכוֹת וְעִי"ז יִתְקַדְּשׁוּ בָּכֶם
בְּאִוּר קְדֻשָּׁתוֹ ית"ש

should be directed according to Torah, which is the inner dimension of *malchut*, and in this manner everything will be sanctified with the light of His blessed holiness,

וַיִּתְיַחֲדוּ הַחֲצוּנִית בְּהַפְּנִימִית וְהַפְּנִימִית בְּהַחֲצוּנִית וַיַּעֲלוּ כָּלֶם
בְּסוֹד הָאֶחָדוֹת הוּא וְשְׁמוֹ אֶחָד

and the outer aspect will unite with the inner aspect, and the inner aspect with the outer, and all of them will ascend according to the mystical teaching of unity – that He and His Name are One.

כִּי יִתְיַחֲדוּ כָּל הָעוֹלָמוֹת בִּי"ע עִם הָאֲצִילוֹת שִׁיְהִיו כֶּלֶן קוֹדֵשׁ לָהּ

For all the worlds will unify – BiY" A with Atzilut – so that all of them will be holy unto God,

וְהָאֲצִילוֹת עִם הַבִּי"ע שִׁתְּגַלֶּה קְדֻשָּׁתוֹ וַיִּחַדּוּ לְמַטָּה וְכ"ז הָיָה כּוֹנֵן
הַבְּרִיאָה

and Atzilut will unify with BiY" A, so that His holiness and oneness will become revealed below; all of this was the intention of the Creation.

אָךְ אֲנָשֵׁי דוֹר הַפְּלָגָה אֲשֶׁר הֵם הָיוּ רָשָׁעִים גְּמוּרִים וַיִּזְמּוּ לַעֲשׂוֹת כָּל
שְׂרִירוֹת לְבָם הָרַע

But the Generation of the Split who built the tower were completely wicked, and they plotted to do everything in their obstinate hearts,

וְלֹא רָצוּ לְהִשְׁתַּעֲבֵד אֵלָיו ית"ש מְאוּמָּה וְכַמ"ש אִיּוֹב כ"א וַיֹּאמְרוּ
לֹאֵל סוּר מִמָּנוּ וְדַעַת דְּרָכֶיךָ לֹא חִפְצָנוּ

and did not want to subjugate themselves to Him at all, as Job 21:14 states:

“They said to God, ‘Get away from us! We have no desire to know Your ways.’

וְכ"ז הָיָה ג"כ בְּדוֹר הַמַּבּוּל וְהַדּוֹר הַפְּלָגָה הָיָה עוֹד יוֹתֵר גְּרוּעַ וְכַמ"ש בְּב"ר פ' (ל"ח סִימָן ו)

(All of this was true of the Generation of the Flood as well, but the Generation of the Split was even worse, as *Bereishit Rabba* 38:6 states).

וּבְאִשֶּׁר שֶׁהָיוּ חֲכָמִים גְּדוֹלִים לְהִרְעֵ וַיִּדְעוּ הַיָּטִיב כִּי כָל כָּחוֹת
הַבְּרִיאָה הִוא בְּהַמְלָכוֹת דְּאֶצִּילוֹת

And because they were very astute in the ways of evil, and knew very well that all the powers of Creation were invested in *malchut* of Atzilut,

וְכָל הַנְּהַגָּתָהּ הִוא ע"פ אֹר פְּנִימִיּוּתָהּ הַמִּיחָד לְמַעַלָּה שֶׁהִוא
עֲצָמוֹת אֹר הַתּוֹרָה

and that her entire manner of conduct is according to her inner light that is united up above, being the essence of the light of Torah,

לָכֵן רָצוּ לְהַפְרִיד אוֹתָהּ מִלְּמַעַלָּה וּלְהַשְׁתַּמֵּשׁ בְּכַחוֹתֶיהָ שֶׁלֹּא ע"פ
דְּרָכֵי הַתּוֹרָה כָּלֵל

therefore they wanted to isolate her from above and use her powers not according to the ways of Torah at all.

וְהָיָה כְּנֻגָתָם לְהַפְרִיד אֶת הַמְּלָכוֹת מִז"א וּלְהַמְשִׁיךְ אוֹתָהּ אֶצְלָם

In other words, their intention was to separate *malchut* from *ze'ir anpin* and draw her down to themselves

בְּהָעִיר וּמִגְדָּל אֲשֶׁר בָּנוּ וְהִוא סוּד מֵאֲמָרָם ז"ל בְּסִנְהֶדְרִין ק"ט א'

into the city and the tower they built – this is the mystical explanation of the statement of the Sages in Tractate *Sanhedrin* 109a,

וְכֵן הִוא בַּב"ר וְתִנְחוּמָא שָׁם וְהוּבָא ג"כ בְּרִש"י ז"ל בְּחֻמֵּשׁ שָׁם

and similarly in *Bereishit Rabba* and *Tanchuma* ad loc. cited in Rashi on Chumash there on that verse.

שֶׁאָמְרוּ נַעֲלֶה לָרָקִיעַ וְנַעֲשֶׂה עִמּוֹ מִלְחָמָה כִּי רָצוּ לִקַּח אֶת הַמְּלָכוֹת
מִז"א בַּע"כ וּלְהַמְשִׁיכָהּ לְמַטָּה

They said: 'let us ascend to the heavens and make war with Him' for they wanted to snatch *malchut* away from *ze'ir anpin* against her will, and draw her down below.

וּלָכֵן רָצוּ לְבָנוֹת אֶת הָעִיר וְאֶת הַמְּגִדָּל בְּשַׁעוֹר מְכוּוֹן לְמִדַּת הַמְּלָכוֹת
כְּמוֹ שֶׁיִּתְבָּאֵר

This is why they wanted to build the city and the tower with specific dimensions paralleling precisely the dimensions of *malchut*, as we will explain.

וְכָל כְּנֻגָתָם הִנֵּה הָיָה ע"ד שֶׁכְּתוּב לְמַעַן טָמֵא אֶת מִקְדָּשִׁי וּלְחַלֵּל אֶת
שֵׁם קָדְשִׁי (וַיִּקְרָא כ')

Their entire intention was similar to what the verse (Vayikra 20:3) states, "...he has offered from his offspring to Molech in order to defile

My Sanctuary and to desecrate My holy Name."

וכמ"ש בַּסִּנְהֶדְרִין ק"ט א' בָּלָם לָשֵׁם עבו"ז נִתְכַּנְּנוּ וְכִדִּי לְהַמְשִׁיךְ כָּל
הַשְּׁפָע וְהַהֲנִיחָה ע"פ שְׁלִיטַת הַסֵּט"א

And as the Talmud states in Sanhedrin 109a: 'they all had the intention of worshipping idols' in order to elicit all the outpouring of life-force from above, and to control things under the domination of the *sitra achara* – the side opposite and opposed to holiness.

כִּי יָדְעוּ הַיָּטִיב שֶׁהִנְהִיגַת כָּל הָעוֹלָם הִיא הַמַּלְכוּת דְּאֶצִּילוֹת

For they knew very well that the conduct of this world is by means of *malchut* of Atzilut,

שֶׁהִיא מְנַהֶגֶת אֶת כָּל הָעוֹלָמוֹת הַתַּחְתּוֹנִים וְכָל הַכּוֹחוֹת דְּכָל
הַבְּרִיאָה כְּלָהּ הִיא בָּהּ

which directs all the lower worlds, and all the powers of the entire Creation are invested in her.

לְכַךְ רָצוּ לְהַמְשִׁיךְ אוֹתָהּ לַהֵסֵט"א רַח"ל וְכִדִּי שְׂיוֹכְלוּ עִי"ז לְמַלְאוֹת
כָּל חִפְצָם וְתַאֲוָתָם מִכָּל תַּאֲוַת עוֹלָם.

This is why they wanted to draw her down into the *sitra achra* the side opposite holiness, Heaven have mercy, so that they could satiate their wishes and base desires with all the lusts of this world.****

וְעָנְנוּ עִיר וּמִגְדָּל אֲמָרוּ בְּזוּה"ק פ' נח ע"ד ב' בְּסִתְרֵי תוֹרָה שָׁם

The concept of a city and a tower is explained in the Zohar, Noah 74b in Sitrei Torah:

הָבָה נִבְנֶה לָנוּ עִיר וּמִגְדָּל כְּלָא בְּרָזָא דְּחֻכְמַתָּא הוּא

"Let us build a city and a tower" is all the secret of Machiavellian wisdom

וַיַּעֲשׂוּ לְאַתְקָפָא בְּאַרְעָא סִטְרָא אַחֲרָא וּלְמַפְלַח פְּלַחְנָא דִּידִיהּ

for they wanted to strengthen the *sitra achara* on earth and worship it in its manner,

בְּגִין דִּהוּוּ יָדְעִין דִּהָא כָּל דִּינִין בִּישׁוּן מִתַּמָּן נִחְתִּין לְעֻלְמִין

because they knew that all evil decrees come from there and descend upon the world.

כִּי כָּל הַסֵּט"א הִנֵּה הִיא הָרָצוּעָה בִּישָׁא לְעֹנֶשׂ אֶת הָרָשָׁעִים וְכִמ"ש (וְשַׁעֲרָהּ נ"ד)
וְאֵנֶכִי בְּרָאֹתִי מִשְׁחִית לְחֻבָּל וְהוּא ע"פ מָה שֶּׁבִּאֲרָנוּ בְּדַע"ה ח"ב דְּרוֹשׁ ב' שָׁכַל

עֲנֵשׁ הַנֶּה הוּא מְהַעֲבֵרָה עֲצָמָה שֶׁהַעֲבֵרָה גּוֹפָה נַעֲשֶׂה אֵח"כ לַחֲמָה וְסַעַר
(מִתְחַלֵּל עַל רֹאשׁ רָשָׁעִים יָחוּל)

(For the entire *sitra achra* is a harsh lash with which to punish the wicked, as the verse (Isaiah 54:16) states, “I have created the destroyer to inflict damage.” This is in accordance with what we explained in *Sefer Drushei Olam Hatohu* part II, *drush 2* that all punishment are the sin itself, for the sin itself afterwards becomes the ‘fury and the tempest that will devolve upon the head of the wicked’ (see Jeremiah 23:19))

וּבַעֲנֵנוּ לְדַחוּיֵי דְרָגָא דְקוֹדֶשָׁא (כְּדִי שְׁלֵא יַעֲנִשׁוּ מִהַעֲבֵרוֹת שְׂבִיבִידִם)

And they sought to push away the aspect of holiness (so that they wouldn't be punished for the sins they had committed).

עִיר וּמִגְדָּל דָּא חֲכֻמַּתָּא עֲלָאָה דְהָא הוּא יְדְעִי דְשִׁמָּא קַדִּישָׁא לָא
אֲתַתְקַף בְּאַרְעָא אֲלָא בְּעִיר וּמִגְדָּל.

‘A city and tower’ is supernal wisdom, for they knew that the Holy Name would not be firmly established on earth other than by way of ‘a city and a tower’

עִיר דְכְּתִיב עִיר דָּוִד הִיא צִיּוֹן מִגְדָּל דְכְּתִיב כְּמִגְדָּל דָּוִד צִנְאָרָךְ

– ‘a city’ as the verse states (I Kings 8:1), “the City of David, which is Zion”, and ‘tower’ as the verse (Song of Songs 4:4) states, “Like the Tower of David is your neck” the site of the Sanhedrin (the Rabbinical Supreme Court)

(וְהֵם כְּנָגֵד ז"ו"ו דְקִדְשָׁה יְסוֹד וּמַלְכוּת כִּי יְסוֹד הוּא מִגְדָּל וּמַלְכוּת עִיר)

(and these correspond to *ze'ir anpin* and *nukvah* of holiness, i.e. *yesod* and *malchut*, since *yesod* is a tower and *malchut* is a city).

וּבְחֲכֻמַּתָּא עֲבָדוּ לְמַהוּי שְׁלִטְנָא דְסִטְרָא אַחֲרָא בְּאַרְעָא לְדַחֲיָא אֲדוֹן
כָּל הָאָרֶץ מֵאַתְרָהּ

They did this with Machiavellian wisdom, so that the *sitra achra* would dominate the earth and push away the Master of all the Earth from His place,

וּלְמַהוּי דִּיּוֹרָא לְסִטְרָא אַחֲרָא בְּאַרְעָא.

and have the *sitra achra* dwell on earth.

וְנַעֲשֶׂה לָנוּ שֵׁם כְּמָה דְאַחֲדָא אִיהוּ שֵׁם לְעֵלְא נִתְקַף לָהּ בִּינָנָא
לְמַהוּי שֵׁם בְּאַרְעָא כּו' ע"ש

The people who built the Tower of Babel said, “Come let us build a city and a tower... and let us make a name for ourselves” they meant that just as there is a Name singled out for *malchut* in the realms of holiness above, let us strengthen her *malchut* of *kelipah* (unholiness) between ourselves i.e. by means of our harmony and unity of purpose below so that there will be a name an unholy name on earth as well.

וְהוּא כַּמִּשְׁכָּן שֶׁהָרַב בְּשַׁעַר קִלְפַּת נֹגַהּ פ"ז כִּי הָעִיר וּמִגְדָּל אֲשֶׁר בָּנוּ הוּא
בְּנִגְדַּת הַסֵּם וְלִילִית

**This is as the Rabbi Chaim vital in the name of the Arizal writes in *Etz Chaim*,
Sha'ar Kelipat Nogah chap. 7 that the city and tower they built corresponded to
the forces of evil called Samael and Lilith,**

הַזֶּה הוּא דְקִלְפַּת נֹגַהּ שֶׁבָּהֶם הָיוּ מִשְׁתַּמְשִׁין בְּדוֹר הַפְּלָגָה

ze'ir anpin and malchut of kelipat nogah an in-between level that is not yet
completely unholy *kelipah* but has an admixture of unholiness therein. **These were
used by the Generation of the Split**

וְרָצוּ לְבָנוֹת מָקוֹם וּמִשְׁכָּן לָהֶם לַעֲבֹד אוֹתָם

**who wished to build a location and a sanctuary for them for Samael and Lilith in
which to worship them.**

כִּי בְּכָל פְּעֻלָּה וּמַעֲשֵׂה שֶׁהָאָדָם עוֹשֶׂה לְאַיִזָּה בְּנוֹה

For in every activity and deed that man does for some intended end,

הִנֵּה נִמְשָׁךְ וְיוֹרֵד אוֹתוֹ הַכֹּחַ אֲשֶׁר מִכֹּחַ בּוֹ בְּפַעֲלָתוֹ הוּא בְּקִדְשָׁהּ וְהוּא
בְּהִטְמָאָה

**that power that corresponds to his action, is drawn down and descends,
whether into holiness or into impurity.**

וְהָיוּ מִכֹּחַיִם בְּכָל פְּעֻלַּת הַבְּנִין דְּעִיר וּמִגְדָּל אֲשֶׁר בָּנוּ הִכָּל לְשֵׁם הַזֶּה
דְּסֵט"א

**Every act they did in building the city and the tower was directed towards and
in the name of *ze'ir anpin* and *malchut of kelipah* –**

לַעֲשׂוֹת מָקוֹם וּמִשְׁכָּן לָהֶם לְשֹׁכְנֵי בֵּיתָם

to make a location and a sanctuary for them to dwell in.

אֲךָ מִשּׁוּם שֶׁיָּדְעוּ שֶׁכָּל הַסֵּט"א אֵין לָהֶם כֹּחַ מַעֲצָמוֹ כָּלֵל אֶלָּא רַק
מִיְּנִיקַת הַקִּדְשָׁה

**But because they knew that the entire *sitra achra* has no power of its own at all,
only what it sucks out of holiness,**

וְגַם שֶׁלֹּא יִהְיֶה עֲלֵיהֶם פְּשָׁעִים וּמִרְדָּם לְחֻמָּה וְסַעַר מִתְּחוּלָל וְכִנְז'

and in order that their sinfulness and rebelliousness would not turn

**into the ‘fury and the tempest that will descend upon the head of the wicked’ as
mentioned,**

לָכוּ הָיוּ רוֹצִים וּמְכוֹנִים לְהַמְשִׁיךְ שָׁם בְּהָעִיר וּמִגְדֵּל שְׂרִית הַמַּלְכוּת
דִּקְדָּשָׁה ג"כ

therefore they desired and intended to also draw down *malchut* of holiness to dwell in their city and tower.

וְכַדִּי שִׁיוָכוּ עִי"ז לְהַשְׁלִים חֻפָּצָם וּלְמַלְאוֹת כָּל תַּאֲוָתָם.

And also so that in this manner they thought they would be able fulfill their desire and satiate all their lusts.

וְכֵן כָּתַב הַגָּר"א בִּסְפַד"צ פ"ה בְּסוּף דַּה"מ הַנִּפְּלִים

And so writes the GR"A in his commentary to *Sifra d'Tzniuta* chap 5 beginning with the words 'הַנִּפְּלִים'

כִּי סוּד דֹּר הַפְּלָגָה שֶׁאָמְרוּ וְנַעֲשֶׂה לָנוּ שֵׁם כִּי רָצוּ לְהַבִּיא כָּל הַשֵּׁם
אֱלֹקִים דִּקְדָּשָׁה אֶצְלָם

for the Generation of the Split said “let us make a name for ourselves” because they wanted to bring the entire Name Elokim from the realm of holiness for themselves,

מִשּׁוּם שֶׁהֵם נִכְלָלִים בְּשֵׁם זֶה (בְּסוּד מֶלֶךְ אֱלֹהִים עַל גּוֹיִם)

since they were included in that name (according to the principle of “Elokim reigns over the nations” (Psalms 47:8))

וּבְסוּד בָּא נָחֵשׁ עַל חוּהָ וּכְמ"ש הָרַב בְּשֵׁעַר מ"ן וּמ"ד דְּרוֹשׁ א' וּבכ"מ

and according to the mystical explanation of the serpent that came upon Eve, and injected her with his toxins, as the Rabbi Chaim Vital in the name of the Arizal writes in *Etz Chaim, Sha'ar M"u Ma'd, drush 1*, and in a number of places.

כִּי כְּשֵׁיט ח"ו אֵיזָה פָּגָם אֲזַ אוֹחֲזִין אֱלֹהִים אֲחֵרִים בְּשָׂרָשׁוֹ

For when there is, Heaven forbid, some spiritual blemish, then the ‘other gods’ the forces of evil latch on to their root,

שֶׁהוּא בַּהֲק"כ צְרוּפֵי אֱלֹהִים דִּקְדָּשָׁה הַמִּתְפַּשְּׁטִים בְּבִי"ע וּכְמ"ש
בְּשֵׁעַר הַשְּׁמוֹת פ"ה

which is in the 120 permutations of the Name Elokim of holiness that extend into BiY"A, as stated in *Sha'ar HaShemot* chap. 5,

וְנִכְלָלִין עִמָּהֶם וְאֵעִפ"י שֶׁאֵינָם נִכְנָסִים שָׁם ח"ו עכ"ז הֵם יוֹנְקִים
בְּסוּד כְּלָלוֹת

and merge with them, even though they do not enter there the place of the roots, Heaven forbid.¹⁹

וְעַל עוֹד בְּשַׁעַר הָאֶרֶץ הַמּוֹחִין פ"ז וּבַעֲקוּדֵים ספ"ב וּבִדְבָרֵינוּ שֵׁם
וּבכ"מ.

See further *Etz Chaim, Sha'ar He'arat haMochin chap. 7; Sha'ar HaAkudim* end of chap 2 and in our commentary there and elsewhere.

וְאָמַר שֵׁם הַגֵּן"א עוֹד כִּי הִיא בְּנֻתָם בְּעִיר וּמִגְדָּל לְחַבֵּר אֶת הַב'
קְלִפּוֹת אֲשֶׁר בְּאֵיזָא וְאֵרֶעָא

The GR"A states there further: Their intention with the city and tower was to join the two *kelipot* of the air and the earth –

הַמְבֹאֵר בַּאד"ר קמ"ג ב' ופ' אַחֲרֵי מוֹת ע"ו ב' וְהֵם דו"ן דְּקִלְפָּה
as explained in the *Idra Rabba* 143b and in *parshat Acharei Mot* 76b – these being the male and female aspects of *kelipah*.

וְרָצוּ לְבָנוֹת מִגְדָּל גְּבוּהָ עַד הֵהוּא אֵיזָא מְקוֹם הַקְלִפּוֹת שֶׁבְּאֵיזָא כְּדִי
לְחַבֵּרָם יחד

They wanted to build a tower tall enough to reach the place where the *kelipot* of the air reside in order to attach them air and earth together.

וְזֶהוּ שֶׁאָמְרוּ בְּזוֹה"ק הַנֵּזִי' וּבָעוּ לְאַתְקַפָּא בְּאֵרֶעָא סְטָרָא אַחֲרָא

This is the meaning of the statement in the Zohar aforementioned – that they wanted to strengthen the *sitra achra* on earth,

וְכוֹנְנוּ לְהַמְשִׁיךְ שֵׁם הַמַּלְכוּת דְּקִדְשָׁה ג"כ שֶׁהִיא הַשֵּׁם אֱלֹהִים
and they intended to draw down the Name associated with *malchut* of holiness – i.e. the Name Elokim.

וְהוּא מ"ש וְנַעֲשֶׂה לָנוּ שֵׁם כְּדִי לְכַלֵּל הַקְלִפָּה עִמָּה ח"ו וְכַנֵּז':

This is the meaning of “let us make a name for ourselves” – in order to include *kelipah* with her *malchut*, Heaven forbid, as mentioned previously.

וְכָתְבוּ הָרִאשׁוֹנִים עוֹד כִּי רָצוּ לְבָנוֹת גּוֹבָה הַמִּגְדָּל רל"ו אֲלָפִים
פְּרָסָאוֹת (ע' בְּחִיט פ"ט וּבִפְי' הַלְבוּשׁ עַל הַרְקָאנְטִי פ' נח)

Earlier commentators also wrote that they wanted to build the tower to the height of 236 thousand *parsaot* parasangs (see *Chayat* chap. 9; *Levush* on Recanati, Noah).²⁰

וְהִיא מִחֲשַׁבְתָּם בְּזֶה לְכַלֵּל בְּתוֹכּוֹ עי"ז אֶת כָּל הַהִנְהָגָה וְהַשְׁפָּע
הָעֲלִיוֹנָה כָּלָה

They reckoned that in this way they would include in her all of the Divine conduct and the outpouring of sustenance from above,

הָרָמוּז בַּפְּסוּק גָּדוֹל אֲדוֹנֵינוּ וְרַב כֹּחַ וּמִילוֹת וְרַב כֹּחַ גִּימָט' רל"ו

as alluded to in the verse (Psalms 147:5) “Great is our Lord and abundant in strength” where the words וְרַב כֹּחַ (and abundant in strength”) add up to 236.

וְהוּא מִסְפַּר הַד' שְׁמוֹת עֵסֶם"ב שֶׁהֵם רל"ב וְעַם הַד' אוֹתִיּוֹת דְּהוּי"ה הַכִּלִּית

This is the same number as the sum of the Names A”b, Sa”g, Ma”h, Ba”n together with the four letters of the macro Havaya

אֲשֶׁר מִמֶּנּוּ יוֹצֵא כָל הַד' מְלוּאִים דַּעֲסֵם"ב בְּנוֹדַע הָרִי הוּא רל"ו

from which all the iterations of A”b, Sa”g, Ma”h, Ba”n derive, as is known, making 236.

וְהוּא מָה שֶׁאָמְרוּ בַּהִיכָלוֹת דְּר"י (הוֹבָא בְּחִיט וּבִצְיוֹנִי וּבכ"מ)

This number is as stated in the *Heichalot of Rabbi Yishmael* (cited in *Chayat and Tziyuni*)

כִּי שְׁעוֹרוֹ שֶׁל יוֹצֵר בְּרֵאשִׁית הוּא רל"ו אֲלָפִים רַבּוֹת פְּרָסָאוֹת מִפְּרָסָאוֹת שֶׁל מַעֲלָה וְכַמֵּנֵן וְר"ב כ"ח

as the *shiur koma* the measure of the spiritual stature of Creation – 236,000 x 100,000 *paras* parasangs of the *paras* above which are exponentially greater than those below, according to the number of וְר"ב כ"ח

וְהַכְּנוּהָ הוּא עַל אוֹרוֹ וְגִלּוּי ית"ש אֲשֶׁר בְּכָל אֲצִילוֹת כָּלוּ בְּהַד' שְׁמוֹת עֵסֶם"ב שֶׁהוּא בְּמִסְפַּר רל"ו כָּנִז'

When we say ‘*paras* above’ – the intention is not a measure of physical distance, but rather His light and revelation in all of Atzilut via the four Names A”b, Sa”g, Ma”h, Ba”n, plus the four basic letters of the Name – adding up to 236, as mentioned.

וְהֵם נִכְלָלוּ וּמִתְגַּלִּים כָּלָם בְּהַמְלָכוֹת אֲדוֹן כָּל הָאָרֶץ וּכְמ"ש בְּזוּה"ק תְּרוּמָה קע"א ע"ב

And they are all contained within *malchut*, ‘Lord of all the Earth,’ as the *Zohar II, Terumah* p. 171b states.

כִּי הַפְּסוּק 'גָּדוֹל אֲדוֹנֵינוּ' בְּדִרְגָּא תַּתָּאָה קָאֻמַּר דְּאִיהוּ אֲדוֹן כָּל הָאָרֶץ

For the verse, “great is our Lord” references the lowest level, the Lord of the *Earth**,* specifically.

כִּי בְּאוֹתָן הָאוֹרוֹת דְּרל"ו שֶׁהֵם הַד' אוֹתִיּוֹת דְּהוּי"ה פְּשוּט עִם הַרל"ב דַּעֲסֵם"ב הַנִּכְלָלִים בָּהּ

With those 236 illuminations, which are the four basic letters of Havaye plus 232 the sum of A"b, Sa"b, Ma"b, Ba"n included therein,

מִלְמַעְלָה הוֹצִיא וְהִמְצִיא אֶת כָּל הָעוֹלָמוֹת בִּי"ע כֵּלָן וְכֵן בָּזָה הִיא
מְנַהֶגֶת אוֹתָם תָּמִיד וְהִיא נִכְלָל כָּל הַהִנְהָגָה בְּמִסְפַּר הַרָל"ו

from above He produced and brought forth all the worlds of BiY"A, and therewith He directs them always. Thus the entire manner in which the worlds are directed is included in the number 236.

(וְעַד עוֹד בְּעֵינֵינוּ מִסְפַּר הַרָל"ו בְּשֵׁעַר הַשְּׁמוֹת פ"ז וּבִפְעַח שְׁעַר הַזְּמִירוֹת פ"ה)

(See more regarding the number 236 in *Etz Chaim Sha'ar HaShemot* chap. 7 and in *Pri Etz Chaim, Sha'ar HaZemiroth* chap. 5).

לָכֵן הָיוּ רוֹצִים לִבְנוֹת אֶת גּוֹבֵה הַמִּגְדָּל ג"כ בְּמִסְפַּר רָל"ו

And therefore they also wanted to build the tower to the height of 236

מִשּׁוּם שֶׁהוּא מְכֻוֵּן לְכָל מִסְפַּר כָּלְלוֹת הָאוֹרוֹת הַכְּלוּלִים בְּהַמְלָכוֹת

because this corresponds to the entire number of illuminations included in *malchut*,

וְכִדִּי שֶׁיִּהְיֶה לָּהּ עִי"ז מְקוֹם וּמַעוֹן לְשֹׁכֵן בְּתוֹכָם

and so that she would have a place and a sanctuary in which to rest.

וְהָיָה כְּנֻנְתָּם לְנִתֵּק אוֹתָהּ מִלְמַעְלָה שֶׁהוּא מַז"א שֶׁהוּא כָּלָל
הָאֲצִילוֹת

But there intention was to detach her from above, from z"a which is the general aspect of Atzilut,

וּלְהַמְשִׁיכָהּ אֶצְלָם אוֹתָהּ לְבִדּוּד בְּלִתִּי אוֹר הַתּוֹרָה וְיִחוּדָהּ לְמַעְלָה
וְכַנ"ל:

and draw her alone down to themselves, without the light of Torah and her *malchut's yichud* above, as explained earlier.

וְהִנֵּה הֵגֶם כִּי בִצַּד אֶחָד הִנֵּה הָיָה כְּנֻנְתָּם יוֹתֵר טוֹב הַרְבֵּה מִכָּל
עוֹבְדֵי עֲבוֹד"ז בָּלָם

Now even though, from one side of the coin, their intention was far better than all the idol worshippers,

כִּי הָרִי הֵם כְּוָנוּ לְהַמְשִׁיךְ עֵקֶר הַשִּׁפְעָה רַק מִהַמְלָכוֹת דְּאֲצִילוֹת שֶׁהִיא
קוֹדֶשׁ קְדָשִׁים

for their intention was to drawn down the primary flow of beneficence exclusively from *malchut* of Atzilut, which is the Holy of Holies,

וְהָרִי הָאֵמִינוּ כִּי אֵין לְהִסְטָרָא אַחֲרָא מַעֲצָמָם מֵאוּמָה

thus they acknowledged that the *sitra achra* has nothing on its own,

אֶלָּא שְׁמִכְרָחִים לְקַבֵּל הַכֹּל מֵהַמְּלָכוֹת דְּאֶצִּילוֹת שְׂרָק הִיא אֲדוֹן כָּל
הָאָרֶץ וּמִנְהֻגָתָּ וּמִשְׁפִּיעַ לְכָל הָעוֹלָמוֹת הַתַּחְתּוֹנִים

and that they were obligated to receive everything via *malchut* of Atzilut – for
she is ‘the Lord of all the Earth’ and directs and nourishes all the lower worlds.

אֲמָנָם הוּא כִּי הִיָּה תִּקְנָתָם קְלִקְלָתָם כִּי הָרִי כָּל עוֹבְדֵי עֲבוֹ"ז הֵם
מְרַחֲקִים אֶת עַצְמָם מֵהֵיכַל ה' לְגִמְרֵי

However, their rectification was their ruination, for after all, everyone who
worships idols distances themselves completely from the halls of God,

וְכָל מַחֲשַׁבְתָּם וּפְעֻלָּתָם הוּא רַק בְּהִזְהָמָא וְהִטְמָאָה שֶׁהוּא
בְּהַקְלָפוֹת וְהִסְט"א לְבַד

and their entire thought and activity is only in toxic spiritual impurity, which is
in the *kelipot* and the *sitra achra*.

אָבֵל אֱלוֹ הָרָשָׁעִים דְּאִנְשֵׁי דוֹר הַפְּלָגָה הִנֵּה הֵם נִכְנָסוּ בְּהֵיכַל הַמֶּלֶךְ
פְּנִימָה

But these wicked people of the Generation of the Split entered into the halls of
the King

וְכוֹנְנוּ וְרָצוּ לְכַבֵּשׁ אֶת הַמְּלָכָה עִמּוֹ בְּבֵית וְנִכְנָסוּ לְטַל בַּע"כ שֶׁרְבִיטוֹ
שֶׁל מֶלֶךְ

and intended and wanted to assault the Queen i.e. the *Shechinah* while He was in
the house (see *Esther* 7:8 – as Achashverosh said to Haman), and they entered in
order to abscond with the King’s scepter,

וְלִהְשֵׁתָמֶשׁ בּוֹ לְכָל פֶּשַׁע מֶרֶד וּמַעַל וְהָרִי הוּא גְדוֹל עוֹנָם מִנְשׂוֹא
and misuse it for all sorts of sin and insurrection and deception; thus their sin is
too heavy to bear.

וְהוּא מָה שֶׁאָמְרוּ רַז"ל בַּב"ר פ' ל"ח סִימָן ה' כִּי עָלִיהֶם נֶאֱמַר כִּי נִגַע
אֶל הַשָּׁמַיִם מִשְׁפָּטָה וְנִשְׂא עַד שְׁחָקִים.

And this is what our Sages say in *Bereishit Rabba* 38:5 – regarding them
it states (Jeremiah 51:9) “for their judgment reaches the very heavens, and rises
to the skies.”

וְאָמְרוּ שֶׁם בְּבִרְאשִׁית רַבָּה עוֹד כִּי אָמְרוּ אַחַת לְאֶלֶף וְתֵרַנ"ו שָׁנָה
הָרְקִיעַ מִתְמוֹטֵט בּוֹאוּ וְנַעֲשֶׂה סְמוּכוֹת

In Bereishit Rabba ibid. they state further: They the builders of the tower said that every 1,656 years the heavens collapse. Let us build it supports to prevent that. The simple meaning is that the Flood occurred in the year 1656 of Creation, and they wanted to prevent the next Flood.

וְהַכֹּנֶנָה הוּא כִּי נִדְעָ שֶׁשָּׂרֵשׁ הַדִּינִין הוּא בְּשֵׁם אֱלֹהִים

The intention is that, as we know, *dinim* harsh judgments are rooted in the Name Elokim

וְהֵם ג' בְּחִי' דִּיּוּדִי"ן דַּלְפִּי"ן דַּהֵי"ן (ע' מבו"ש סוף שַׁעַר א"א בְּדְרוֹשׁ תַּלְתָּ עֲלֵמִין)

and there are three aspects – when Elokim is iterated with *yuds, alephs or heis* (see *Mevo Sha'arim* end of *Sha'ar Arich Anpin, drush תלת עלמין*)

וְעָקֵר הַדִּינִין הוּא בְּהַמְלִי הֵי"ן, וְאֱלֹהִים דַּהֵי"ן בְּאַחֲזֵרִים הוּא גַּמְט' אֶלֶף וְאַחַד

and the primary aspect of *dinim* harsh judgments are with the *hei* iteration 'milui hei' and when Elokim is spelled out with the letter *hei* in the manner of *achorayim* the backside aspect (this will be explained shortly) **their gematria is 1,001.**

כִּי הוּא כְּזֶה אֶל"ף, אֶל"ף לַמ"ד, אֶל"ף לַמ"ד ה"ה, אֶל"ף לַמ"ד ה"ה יו"ד, אֶל"ף לַמ"ד ה"ה יו"ד מ"ם.

This is how it goes spelling out the letters of the Name Elokim, adding another letter each time and then calculating the sum total: אֶל"ף, אֶל"ף לַמ"ד, אֶל"ף לַמ"ד ה"ה, אֶל"ף לַמ"ד ה"ה יו"ד, אֶל"ף לַמ"ד ה"ה יו"ד מ"ם

וְהוּא גַּמְט' אֶלֶף וְאַחַד וְהָאֶחָד הוּא שָׂרֵשׁ וְהוּא בְּהֵשֵׁם הוּי"ה ב"ה שֶׁהוּא חֶסֶד

the *gematria* is 1,001 where the 1 over and above the 1,000 is their root, which is the Name Havaye, the attribute of *chesed* by contrast with *gevurah* and *dinim*, but usually Havaye corresponds to *tiferet*.

אֲךָ הָאֶלֶף הֵם גְּבוּרוֹת וְדִינִין וְהֵם מִתְפַּשְּׁטִים בְּהַעֲלָמוֹת בִּי"ע

But the 1,000 are *gevurot* and *dinim* which extend down to the worlds of BiY" A

ע"י הַק"כ צְרוּפֵי אֱלֹהִים שֶׁהֵם בְּבִי"ע כַּמ"ש בְּשַׁעַר הַשְּׁמוֹת פ"ה

via the 120 permutations of the Name Elokim which are in BiY" A, as explained in *Sha'ar Hashemot* chap. 5.

וַיֵּשׁ בָּהֶם ת"ר אוֹתִיּוֹת שֶׁהֵם דִּינִין דְּדְכוּרִין וְדְנֻקְבִין ש"כ ופ"ר וְהֵרִי הֵם אֶלֶף וַת"ר,

There are 600 letters between them i.e. the five letters of Elokim times the 120 permutations = 600. **These are the harsh male *dinim*, and the female *dinim* are 320 and 280²¹** also adding up to 600 – **thus** there are two aspects: **1,000 *dinim*** from the *achorayim* **and 600 *dinim*** from the permutations of the Name Elokim.

והפ"ר שהם המנצפ"ך הם נחלקין לה' פעמים נ"ו וכל נ"ו הוא
גבורה ודין

280 is the sum of the numerical values of the final letters **מנצפ"ך** – the five letters (representing *gevurah*) that are written differently when found at the end of a word. **This number 280 is divided into 5x56, and each 56 is an aspect of *gevurah* and *din*** harsh judgment

וכמ"ש בפע"ח שער השבת פ' כ"ד ובתפלת ראש השנה פ"ג במילות
אלהינ"ו ואלה"י אבותינו וכן בכונת פורים בברכת הרב את ריבנו

as explained in *Pri Etz Chaim, Sha'ar HaShabbat* chap. 24 and in the *Rosh HaShana Prayers* chap. 3 on the words אבותינו ואלה"י (our God and the God of our fathers), and also in the *kavanot* for Purim, on the blessing את הרב את ריבנו **.

וזהו שאמרו כי אחת לאלף ותרנ"ו שנים תרקיץ מתמוטט

And this is why they said that once in 1,656 years the heavens collapse,

כי מתעוררים אז כל הגבורות כלם דאלף ות"ר ונ"ו ונעשה עי"ז דין
ברשעים

because then all the *gevurot* – all 1,656 of them – are aroused and pass judgment on the wicked.

ולכך היה המבול כאשר הגיע הזמן לאלף ותרנ"ו

Therefore the Flood happened when they reached the year 1,656 from Creation.

כי עמודי השמים ירוּפּוּ מחמת גדל רשעם ונשפע אז עליהם כל
הדינין

And indeed ‘the pillars of the heavens shake’ (see Job 26:11) because of their great wickedness, and all of the harsh judgments were then poured out upon them.

ולכן התחכמו בחכמתם להרע ואמרו כי הרי כ"ז הוא רק באשר
המלכות דאצילות

For this reason they got smart with their Machiavellian wisdom to do evil and said that all this is only when *malchut* of Atzilut,

אשר בידה הוא כל ההנהגה היא מיחד בז"א ובכל אור שלמעלה
ואז מנהגת ע"פ רצון העליון דוקא

in whose hands is the entire way in which the world is directed, and when she is unified with *ze'ir anpin* and with all the light above, then things are directed according to the Divine Will explicitly.

וְכַשֶּׁהֲתַחְתּוֹנִים עוֹבְרִים עַל רְצוֹנוֹ מִתְעוֹרֵר הִיא בְּכָל תִּקְוָה הַגְּבוּרוֹת
שֶׁבַּהֶשֶׁם אֱלֹהִים שֶׁבָּהָ לַעֲשׂוֹת דִּין בְּרָשָׁעִים

But when those below transgress His will, she is aroused with all the intensity of the *gevurot* severities of the Name Elokim within her, to pass judgment upon those wicked people,

וְכִדִּי שִׁיתְנַהֲגוּ הַתַּחְתּוֹנִים רַק ע"פ רְצוֹן הָעֲלִיוֹן ית"ש

so that those below will behave only according to the blessed Divine Will.

וְלָכוּ רָצוּ אוֹתוֹ הַרָשָׁעִים לְהַפִּיר עֲצַת עֲלִיוֹן וְחָשְׁבוּ מַזְמָה

Accordingly, those wicked folks wanted to counteract the Divine plan and plotted a scheme

וְאָמְרוּ הֵבֵה נִבְנֶה לָנוּ עִיר וּמִגְדָּל שֶׁהוּא לְשֵׁם הַזֶּה"ו וְדִסְטָרָא אַחֲרָא
לְמַהוּי שְׁלִטְנָא דִּסְט"א בְּאַרְעָא

saying, “Let us build a city and a tower” in the name of *ze'ir anpin* and *malchut* of *sitra achra*, so that the *sitra achra* would reign on earth,

וְנַעֲשֶׂה לָנוּ שֵׁם שֶׁהוּא לְהַמְשִׁיךְ שֵׁם אֶת כָּל הַשֵּׁם אֱלֹקִים דִּקְדָּשָׁה

and “let us make a name for ourselves” was to draw there into their city and tower the entire Name Elokim of holiness

אוֹר הַמַּלְכוּת דְּאַצִּילוֹת הַמְּנַהֲגָת אֶת כָּל הַבִּי"ע

– i.e. the light of *malchut* of Atzilut that directs all of BiY”A –

וְכִדִּי שִׁיְהֵא הַנְּהַגַּת הָעוֹלָם הַזֶּה ע"פ שְׁלִטְנוֹ דִּהִסְט"א כִּדִּי שְׁלֵא יִבְצֹר
מֵהֶם כָּל אֲשֶׁר יִזְמוּ לַעֲשׂוֹת מִכָּל עוֹן וּפָשַׁע וּמֶרֶד וּמַעַל וְכֵנ"ל

so that the way this world is directed would be according to the sovereignty of the *sitra achra* and thus they would not be prevented from doing anything they plotted to do – every sin and transgression and rebellious and deceitful act, as explained above.

וְהוּא מ"ש רז"ל בב"ר פ' ל"ח סימן ה' ו' וְדָבָרִים אַחָדִים

This is what our Sages say in *Bereishit Rabba* 38:5, 6 – on the verse (Genesis 11:1) “The whole earth was of one language and one common purpose”

שֶׁאָמְרוּ דְּבָרִים חֲדָיִם עַל ה' אֱלֹהֵינוּ ה' אֶחָד שְׂרָצוּ לְהַפְרִיד בִּיחִידוֹ
שֶׁל עוֹלָם

which our Sages explain thus: **they said strident and rebellious words²² against “God our Lord, God is One” (Deuteronomy 6:4) for they wished to cause separation in the ‘One’ of the world** i.e. by separating this world from His all-encompassing oneness,

לַמַּעַן טָמְאוּ אֶת מִקְדָּשׁוֹ וּלְחַלֵּל אֶת שֵׁם קִדְשׁוֹ שֶׁהוּא מַלְכוּת שְׁמַיִם רַח"ל.

in order to contaminate His Sanctuary and profane His holy Name, which is the Kingdom of Heaven, may the Merciful One spare us.

וְאָמְרוּ בַּמִּדְרָשׁ שֵׁם מַעֲשֵׂה דֹר הַמַּבּוּל נִתְפָּרַשׁ אֲבָל מַעֲשֵׂה דֹר הַפְּלָגָה לֹא נִתְפָּרַשׁ

And the Midrash there states that the sinful deeds of the Generation of the Flood are stated explicitly that “the earth had become filled with violence” etc. (see Genesis 6:13), whereas the sinful deeds of the Generation of the Split are not stated explicitly,

אֶלֹא רַבּוֹתֵינוּ פָּרְשׁוּ מִקְצָתוֹ (וּבִתְנַחוּמָא רַש"ב²³ מְסִיק)

Midrash Tanchuma concludes) but our Rabbis did explain partially:

וְהַטַּעַם הוּא ע"ד שֶׁכָּתוּב מִשְׁלֵי כ"ה כָּבֵד אֱלֹהִים הַסֵּתֶר דָּבָר וְלִכְּוֹן לֹא נִתְפָּרַשׁ בַּתּוֹרָה

the reason is as it states in Mishle Proverbs 25:2 “It is the honor of the Lord to conceal a matter,” and therefore it wasn’t stated explicitly in Torah but rather in a concealed manner,

אֶלֹא שֶׁנִּגְלָה לָנוּ מִקְצָת דְּבָרִים ע"י חֲז"ל בַּמִּדְרָשִׁים שֶׁם וְשָׁם, וְע"י הַגְּאוּנִים חֲכָמֵי חֲרָשִׁים.

although some matters were revealed to us by our Sages in the Midrash on the verses there, and by the Geonim, the Sages of the whispered tradition i.e. Kabbalah.

כִּי הָרִי זֶהוּ עֵקֶר כּוֹנֵנֶת וּמַצּוֹת הַיְּחִוּד דְּשִׁמְעַיִשְׂרָאֵל לִיְחִיד אֶת הַמַּלְכוּת דְּאַצִּילוֹת

For after all this is the primary intention of the *mitzvah* of *yichud* when reciting *Shema Yisrael* – to unify *malchut* of *Atzilut*,

שֵׁם אֲדָנָי וְהֵשֵׁם אֱלֹהִים הַמִּתְפַּשֵּׁט בְּבִי"ע

which is the Name Ad-nai and the Name Elokim that extends into BiY”A

וְהִיא הוּי"ה דב"ן אֲשֶׁר בָּהֶּה' אַחֲרוֹנָה דְּהוּי"ה דְּאַצִּילוֹת וְהִיא הַד' דְּאַחַד סְפִי הָעֲשִׂירִית שֶׁבְּאַצִּילוֹת

which is Havaye of *Ba”n* in the final *hei* of Havaye of Atzilut, and the *dalet* of ד"חא**, the tenth *sefirah* of Atzilut** – all of these referring to different aspects of *malchut* of Atzilut,

ליחד אותה בהט' ספ'י דז"א שהוא א"ח דאחד שם הוי"ה דמ"ה
to unify her with the nine *sefirot* of *ze'ir anpin*, which is the *aleph-chet* of ד"חא –
the Name Havaye of *Ma”h* –

אשר בהאות ו' דהוי"ה והם אחד באו"א והדעת עלאה דא"א
which is the letter *vav* of the Name Havaye – and they are one in Abba *chochmah*
and Imma *binah* and the supernal *da'at* of Arich Anpin,

שם השמות ס"ג וע"ב המרמזים בהוי"ה אלהינ"ו הוי"ה
and these are the Names *Sa”g* and *A”b* alluded to in the two occurrences of the
Name Havaye in the first verse of the Shema: *Havaye Elokeinu, Havaye***.*²⁴

והם אחדות גמור אחד בא"ס (וע' שער מ"ן ומ"ד דרוש ז')
And they are completely united with the *Ein Sof* (see *Etz Chaim Sh’aar Ma”m*
u’Ma”d drush 7).

ובזה אנו מאמינים ועוסקים תמיד יומם ולילה ליחד כל גלוינו
ית"ש בא"ס פשוט וכנ"ל בכל דברינו
It is this in which we believe and in which we occupy ourselves always, day and
night, to unify all His revelations with the uncompounded *Ein Sof*.

אבל אלו הרשעים השחיתו התעיבו עול ופרצו גדר דיחידו של עולם
But those wicked folks acted destructively and despised the yoke of Heaven and
broke out of the boundaries set by the One of the universe.

ורצו לעשות פרוד בין הדבקים ולטל שרביטו של מלך לטמא ולחלל
רח"ל

They wanted to make a separation between attached things and ‘capture the
scepter of the King’ and defile and desecrate.

ולכן נמדד להם כמדתם ונפץ ה' אותם על פני כל הארץ
And therefore – ‘measure for measure’ – “God dispersed them there over the
face of the entire earth” (Genesis 11:8).

ומהם אשר הציף עליהם הים וכמ"ש בב"ר שם סימן י'
And there were those whom He engulfed in the sea, as *Bereishit Rabba* 10 states.

ומהם אשר נעשו קופים ורוחות ושידים ולילין כמ"ש סנהדרין ק"ט
א':

And some of them devolved to become apes and spirits and ghouls and banshees, as the Talmud *Sanhedrin 109a* states.

אָמַנִם עֲנִין מֵה שְׁאַמְרָנוּ כִּי רָצוּ לְהַבִּיא אֶת כָּל הַשֵּׁם אֱלֹקִים דִּקְדָּשָׁה
לָהֶם

However, regarding the concept we mentioned – that they wanted to appropriate the holy Name Elokim for themselves

וְלָטֹל אֶת הַמַּלְכוּת דְּאַצִּילוּת לְהַשְׁתַּמֵּשׁ בְּכַחוּתֶיהָ לְפִי חֲפָצָם
and capture *malchut* of Atzilut in order to misuse her powers according to their wishes –

הִנֵּה עֲנִין הַמְּשַׁכֵּת הַשֵּׁם אֱלֹהִים וְהַשְׁמוּשׁ בְּכַחוּת הַמַּלְכוּת
we need to examine this concept of drawing down the Name Elokim and misusing the powers of *malchut*.

אִיךְ שֶׁהִיא אֶפְשָׁר לָהֶם לַעֲשׂוֹת כ"ז בְּפֶעַל הִנֵּה מִבְּאֵר בְּדִבְרֵי הַרְח"ו
ז"ל בַּלְק"ת פ' נח

How it was possible for them to do all this practically is explained by Rabbi Chaim Vital z"l in his *Likutei Torah, Noah*,

וּבִסְפָּר הַגִּלְגּוּלִים הַנִּדְפָּס מִכ"י בִּפְרַעְמִישְׁלָא תַרל"ה פ' נ"ג
and in *Sefer Hagilgulim* printed from the Premishlan manuscript in the year 5635 p. 53.

שְׁאַמְרָ שֵׁם כִּי אֲנָשִׁי דּוֹר הַפְּלָגָה הָיוּ בְּקִיָּאִים בְּהַשְׁבָּעוֹת וְשִׁמּוּשׁ
שְׁמוֹת הַקְּדוּשִׁים

He states there that the Generation of the Split was expert in uttering and using holy Names.

וְהָיוּ בְּקִיָּאִים בְּזֶה מְדוֹר אֲנוֹשׁ שְׁאַז הוּחַל לְקַרְא בְּשֵׁם ה'

They were experts in this from the generation of Enosh, for “then they began profaning God’s Name” (Genesis 4:26).

שֶׁהָיוּ יוֹדְעִים שִׁמּוּשׁ שְׁמוֹתָיו שֶׁל הַקַּב"ה וְהָיוּ מְשַׁתְּמָשִׁים בְּקַבָּלָה
מַעֲשִׂית

For they knew how to use the Name of the blessed Holy One, and they would use Kabbalah in practice – the term used here is *Kabbalah ma’asit*, which is usually translated as ‘practical Kabbalah,’ as opposed to merely conceptual or theoretical Kabbalah (*Kabbalah iyunit*).

וְהָיוּ מוֹרִידִים בְּזֶה כַח אֶל עֲבו"ז כִּי כָּבַר הָיוּ יוֹדְעִים שְׁאִין כַּח בַּעֲבו"ז
אִם לֹא שָׁיְבוּא אֵלֶיהָ מִן הַקְּדָשָׁה

In this way they would bring down energy to idolatry, since they knew that there is no power in idolatry of its own, unless this was transferred to it from holiness.

וְהָיָה כְּוָנָתָם שֶׁיִּשְׁפִּיעַ לָהֶם טוֹבָה בְּהִכָּרֵם בְּכֹחַ שְׁמוֹשׁ הַשְּׁמוֹת

And so their intention was that He would perforce stream all good things to them by dint of the power of using holy Names,

גַּם אִם יִהְיוּ רָשָׁעִים כִּי הָיוּ רוֹצִים לְלַכֵּת בְּכָל שְׁרִירוֹת לִבָּם לְמַלְאוֹת
כָּל חֲפָצָם וְתַאֲוָתָם

even if they were wicked people, for in their consuming stubbornness they wished continue to fulfill their desires and lusts.

וְרֹאשׁ הַמְּכַוֵּן בְּכָל זֶה הָיָה נִמְרוֹד כִּי הוּא הָיָה חָכָם גָּדוֹל בְּכֹחַ
הַשְּׁבָעוֹת הַשְּׁמוֹת

The chief perpetrator in all of this was Nimrod, for he was very knowledgeable in the power of using holy Names

לְהַשְׁבִּיעַ כָּל מַלְאָךְ וּמַלְאָךְ בְּהֵשֵׁם הַשּׁוֹלֵט עָלָיו

to compel each angel to do his will with the Name that controlled him.

וְזֶהוּ שֶׁנֶּאֱמַר עָלָיו הוּא הָיָה גִבּוֹר צִיד לִפְנֵי ה' כִּי הָיָה צוֹדֵה וְרוֹדֵה
בְּכָל הַכַּחוֹת בָּלָם ע"י שְׁמוֹשׁ שְׁמוֹתָיו שֶׁל הַקֵּב"ה

This is why the verse (Genesis 10:9) states about him Nimrod that he

was “a mighty trapper before God” because he would trap and hunt down all the powers by using the Names of the blessed holy One.

(עֵינֵינוּ בְּסוּף הַסֵּפֶר קִצַּת הוֹסְפוֹת תְּקוּנִים תְּקוּנוֹ א)

(See the first entry in the addenda and corrections at the end of this work)

וְהִנֵּה כָּל שְׁמוֹשׁ הַשְּׁמוֹת בָּלָם הוּא הַכָּל רַק בְּהַמְלָכוֹת דְּאֶצִּילוֹת

Now any utilizing of any Name all takes place in *malchut* of Atzilut.

וּבְהַשְׁמוֹת דְּאֶלֶהי"ם וְאֲדֹנָי אֲשֶׁר בָּהּ הַיּוֹצְאִים וּמַסְתַּעֲפִים מֵהֵשֵׁם
הוּי"ה ב"ה

As regards the Names Elokim and Ad-nai therein, which emerge and branch off from the blessed Name Havaye,

וְהֵם אוֹרוֹתֶיהָ וְגִלּוּיָהּ הַמְתַּפְּשֶׁטת בָּהֶם בְּכָל הַתְּהוּוֹת וְהַנְּהֻגָת
דְּבִי"ע

they are her *malchut*'s illumination and revelation that spread forth through them to the entire inception and operation of BiY"Y A.

וְכָל שְׁמוֹשׁ הַשְּׁמוֹת הוּא הַכָּל רַק בְּהַשְׁמוֹת וְכַנּוּיֵם הַמְתַּגְלִים בָּהּ

The entire usage of Divine Names is only those Names and designations that are revealed in her in *malchut*,

כי למעלה ממנה אי אפשר לגעת שם מאומה כלל

for on a higher plane than her it is impossible to reach at all,

כי היא הראשית לנבראים שממנה נברא הכל כמ"ש בהקדמת
תקונים י"ב סע"ב

since she is the beginning or the origin of created things – all of which were created from her, as the *Introduction to Tikunei Zohar* p. 12b states.

וכל שמושי השמות הוא רק ביה ולכן אמרו בתקונים שם

The entire usage of Divine Names is only in her *malchut* and therefore the stated there in the *Tikunim* the *Tikunei Zohar* p. 11b and regarding her

ובגנה אתמר כל המשתמש בתגא חלף כי אין התר להשתמש
בשמות אלא רק לצדיקים גמורים

“Regarding her they the Sages said ‘one who misuses the crown will pass away,’” for no one has permission to use the Names other than the perfectly righteous,

הגורמים יחודה למעלה והיודעים על כל שם ושם אין שהוא נמשך
ומתפשט מהשם הוי"ה

those who bring about her unification up above, and who know how each Name is drawn from and extends from the Name Havaye,

וכמ"ש הגר"א בתקונים סוף תקון נ"ה כי אין רשות להשתמש
בשמות

as the GRA writes on the *Tikunim* the *Tikunei Zohar* end of *Tikun 55*: no permission is granted to make use of the Names

כי אם בכונת ההוי"ה מקורו כי אל"כ הוא ח"ו קצוץ בנטיעות כו'
ע"ש

other than with having in mind its source, Havaye; for if not, he is ‘cutting down the plantings’ Heaven forbid. See there.

וע"ש עוד קי"ג סוף תקון ס"ו בדה"מ ובזמנא ובדה"מ אכל ובדה"מ
ואמר ע"ש

See more on this *ibid.* p. 113 end of *Tikun 66*, beginning with *ובזמנא*; and beginning with *אכל*; and beginning with *ואמר*

וזהו מה שהרעישו כמה קדושי עליון על המשתמשים בהשבעות
ושמות כי הוא מעין החטא דדור הפלגה רח"ל

This is why a number of saintly scholars make a ruckus about using oaths or utterances in the Kabbalistic sense, i.e. making binding declarations using holy Names, and using Names – for this is similar to the sin of the Generation of the Split, heaven forbid.

וְהִינוּ כִּי כַּאֲשֶׁר אוֹתוֹ הַמְּשַׁתְּמֵשׁ הוּא אֵינוֹ צָדִיק גָּמוּר בְּכָל עֲנִיָּו

That is when the person using the Names is not a complete tsaddik in every way,

וְגוֹרָם מִצַּד מַעֲשָׂיו פֶּרֶד בְּהִיחוד דִּהְיוֹ"ן דְּאַצִּילוֹת

*and his actions cause the separation in the yichud of ze'ir anpin and malchut of Atzilut.***

וְעִי"ז הֵנָּה מִסְתַּתֵּר הַשְּׂכִינָה הַקְּדוּשָׁה וּמִתְעַלֶּמֶת בְּכַחוֹתֶיהָ וּמִצְמָצֵם אוֹתָם מִבְּלִי לְהִתְגַּלֶּה לְמַטָּה

And thus the holy *Shechinah* becomes concealed, and her powers are obscured and become diminished with no revelation below.

וְכַדִּי שֶׁלֹא לְהִתְעַרֵּב בְּתוֹךְ הַחִיצוֹנִים שֶׁלֹא יִנָּקוּ מִמֶּנָּה הַקְּלָפוֹת בְּזִמְן שְׁלִיטָתָם שֶׁהוּא כַּאֲשֶׁר חֹסֵר הִיחוד לְמַעְלָה

Another reason to avoid using the Names is so that they will not become mixed in with extraneous factors, to prevent the *kelipot* shells, husks from being nourished by her when they are dominant, which happens when the *yichud* above is absent.

וְא"כ הָרִי כַּאֲשֶׁר אוֹתוֹ הַמְּשַׁתְּמֵשׁ בְּהִשְׁבָּעוֹת וְשִׁמוֹת

Therefore, one who uses oaths and utterances in the Kabbalistic sense and the holy Names

הוּא מְכַרִּיחַ שִׁיתְגַּלֶּה וַיִּתְפָּשֵׁט אוֹרוֹתֶיהָ לְמַטָּה בְּאֵין יחו"ד ח"ו

and forces the revelation and distribution of her light without any *yichud*, Heaven forbid,

הוּא קוֹצֵץ בְּנִטְיָעוֹת כִּי מִפְּרִיד אוֹתָהּ מֵאוֹר קְדוּשַׁת הָאַצִּילוֹת

is ‘cutting down the plants’ for he alienates her *malchut* from the light of the holiness of Atzilut.

וְעָלָיו נֶאֱמַר וְנִרְגַּן מִפְּרִיד אֵלָיו וְהוּא מֵעֵין הַחֵטָא דְּדוֹר הַפְּלָגָה

Regarding such a person the verse (Proverbs 16:28) states, “A protester alienates a ruler” and this is akin to the sin of the Generation of the Split,

שְׁגוֹרָם לְהַמְּשִׁיךְ אוֹרָה בֵּין הַקְּלָפוֹת וְהַחִיצוֹנִים רח"ל

since he causes her light to be drawn into the *kelipot* and extraneous forces, may the Merciful One spare us!

וְאִין רְשׁוּת לְהַמְשִׁיכָה לְמַטָּה אֶלָּא רַק בְּיַחְוּד כָּל קִדְשֵׁת אוֹר
הָעֲלִיוֹנִים דְּנֻקָּא

No permission is granted to draw her *malchut* down below other than by way of the *yichud* of the holy illuminations above.

וְאִזּוּ מִתְקַיֵּם מָה שֶׁנֶּאֱמַר וְנִגְלָה כְּבוֹד ה' וְהָיָה ה' לְמֶלֶךְ עַל כָּל הָאָרֶץ:

Only then is fulfilled what the verse (Isaiah 40:5) states, “and the glory of God will be revealed” and (Zechariah 14:9) “and then God will be King over the entire earth!”

וְהָרִי נִתְבָּאֵר לָנוּ מִכָּל הַנֶּזֶק הָעֲנִיָּן מִה שֶׁאֲמַרְנוּ שֶׁרָצוּ לְהַמְשִׁיךְ אֶת
הַשֵּׁם אֱלֹהִים

So, from all of the above, the central idea of our statement – that they wanted to draw down the Name Elokim – has been explained to us.

שֶׁהוּא אוֹר הַמַּלְכוּת אֲצֵלָם וּלְקַצֵּץ בְּנִטְיָעוֹת

The Name Elokim is the light of *malchut* that they wanted to draw down to themselves, and thus cut the plantings.

הִנֵּה הָיָה זֶה הוּא בְּכֻנְיָהּ וּבְמַחְשָׁבָהּ וְהוּא בְּמַעֲשֵׂה שֶׁהוּא בְּפוּעֵל מִמֶּשׁ

This was their intention and what they had in mind and this is what they actually did.

וְהִינוּ כִּי חָשְׁבוּ וְכוּנוּ לְקַשֵּׁר אֶת עֲצָמָם בְּהַמְלָכוֹת לְבַד בְּלִתֵּי יַחְוּדָה
לְמַעַלָּה

That is, they had in mind, and intended to bind themselves to *malchut* alone, without her *yichud* above,

וְרָצוּ רַק אוֹתָהּ לְבַד וְכֵן עָשׂוּ בְּפוּעֵל מִמֶּשׁ ג' כִּי הִשְׁתַּמְּשׁוּ בְּכַחוֹתֶיהָ

and they wanted her alone, and this is what they actually did in practice – they misused her powers,

שֶׁהֵם הַכָּחוֹת דְּכָל הַמְּצִיאוֹת כְּלוּ ע"י הַשְּׂבָעוֹת וְשִׁמּוֹת בְּכָל הַפְּעֻלוֹת
כָּלָם שֶׁהֵיוּ בְּקִיָּאִים בְּזֶה מְאֹד

which are the powers of all existence, by means of utterances and holy Names in all of their activities, for they were experts in this regard.

וְהֵם כָּלָם בְּהַמְלָכוֹת וְהִשְׁתַּמְּשׁוּ בְּכָל קְבָלָה מַעֲשִׂיּוֹת

All of these powers and holy Names were in *malchut*, and they used Kabbalah in practice

כְּדֵי לְשַׁלֵּט עִי"ז בְּכָל הַכָּחוֹת כָּלָם וּלְמַלְאוֹת אֶת תְּאוֹתָם בְּכָל מַעֲדָנֵי
עוֹלָם

in order to control all the powers of *malchut* and satiate their lusts with all types of corporeal pleasures.

וְהָרִי בָמָה שֶׁהִשְׁתַּמְּשׁוּ בְכַחוֹתֶיהָ בְּהִכָּרֶחַ הָרִי הַמְּשִׁיכוֹ וְלָקְחוּ אוֹתָהּ
אֶצֶּלָם

Thus by using her powers by force they drew her down and captured her for themselves,

וּבָמָה שֶׁעָשׂוּ עִי"ז אֶת כָּל חִפְצָם וְכָל שְׂרִירוֹת לָבָם הָרַע הָרִי גָרְמוּ
לְהַפְרִיד אוֹתָהּ מֵאוֹר קְדֻשָּׁה שֶׁל מַעְלָה

and by using this to satisfy their own lusts and their obstinately evil hearts, they caused her to become separated from the light of holiness above.

וְהָרִי הָיָה בְּדַעְתָּם לִקְצֹץ בְּנִטְיָעוֹת לְהַפְרִיד אֶת הַמַּלְכוּת מִז"א

Thus their intention was ‘to cut down the plants’ and separate *malchut* from *ze’ir anpin*.

וְהוּא מָה שֶׁאָמְרוּ וְנַעֲשֶׂה לָנוּ שֵׁם שֶׁרָצוּ לָקַח אֶת הַשֵּׁם אֱלֹקֵי"ם

And this is what they meant when they said, “Let us make a Name for ourselves” – they wanted to seize the Name Elokim

אֲשֶׁר בּוֹ הוּא כָחוֹת כָּל הַבְּרִיאָה אֶצֶּלָם וְלְהַפְרִידָהּ מִלְּמַעְלָה רַח"ל

in which the powers of all Creation are invested, and draw them down to themselves, and sever her from above, may the Merciful One spare us!

וְלָכוּ נִמְדָּד לָהֶם כְּמִדָּתָם וְנִתְקִים עֲלֵיהֶם מ"ש כִּי הִנֵּה אֵיבֶיךָ ה' כִּי
הִנֵּה אֵיבֶיךָ יֵאָבְדוּ יִתְפָּרְדּוּ כָּל פְּעֻלֵי אָוֶן.

And therefore it was meted out to them measure for measure, and was fulfilled upon them, as it states (Psalms 92:10) “For behold Your enemies, O Lord, behold Your enemies shall perish; the doers of iniquity will be dispersed.”

וְהִנֵּה יֵצְאֵתִי מִן הָעֲנָן לְבָאֵר עֲנָן הַחֹטֵא דְדוֹר הַפְּלָגָה מְשׁוּם שֶׁהוּא
נוֹגֵעַ לְעֲנִינֵינוּ בְּגִדֵּל חַיִּיב מִצּוֹת הַיְּחִיד

Now I went beyond the scope of the topic to explain the sin of the Generation of the Split because it is relevant to our focus regarding the obligation of the *mitzvah* of *yichud* –

לְיַחַד אֶת הַמַּלְכוּת דְּאֲצִילוֹת לְמַעְלָה וְכַנ"ל אוֹת ג' ד'

to unite *malchut* of Atzilut above, as explained in subsections (c) and (d).

כִּי בָזָה אָנוּ מִסִּירִים וּמִרְחִיקִים מִמֶּנָּה כָּל יְנִיקַת הַחִיצוֹנִים וּמִגָּע זָר

For in this way we remove and dissociate from her any sustenance to external forces and alien contacts.

וְהוּא תְּקוּנַי הַשְּׂכִינָה שִׁיתָקוּ עוֹלָם בְּמַלְכוּת שְׂדֵי וְיִתְקַדֵּשׁ שְׁמוֹ
בְּעוֹלָם וַיִּכְרִירוּ וַיֵּדְעוּ הַכֹּל כִּי לָהּ הַמְּלוּכָה:

This is the rectification of the *Shechinah* – that the world will be established under the reign of the Lord, and His Name will be sanctified in the world, and all will recognize and know the to God is the sovereignty.

6f — The Revelations in *Malchut* that Govern the World

וְנַחֲזֹר מֵעַתָּה לְעִנְיָנֵנו הָרִאשׁוֹן דְּלַעֲלֵל רִישׁ פֶּרֶק זֶה וְרִישׁ פ"ה

Let us now return to our initial subject that we began to discuss above, at the beginning of this chapter and at the beginning of chapter 5,

וְנִשְׁלִים דְּבָרֵינוּ בְּעִנְיָן גִּלְיוֹן ית"ש בְּהַמְּלָכוֹת דְּאַצִּילוֹת

and let's finish discussing the concept of His blessed revelations in *malchut* of Atzilut.

וְאָמַרְנוּ שֶׁם כִּי הִנֵּה הִיא עֲצָמָה גִּלְיוֹן הַכִּלְי הַחֲמִישִׁי בְּהַמְצִיאוֹת
וְהַנְהֻגָת דְּהַעוֹלָמוֹת בִּי"ע

We said there that this revelation itself is the fifth macro-revelation in the existence and supervision of the worlds of BiY" A.

וְהוּא הַשְּׁמוֹת דְּאַלְהִי"ם וְאַדְנַי אֲשֶׁר הוּא ית"ש נִקְרָא בָּהֶם

These are the Names Elokim and Ad-nai by which He is called.

כִּי הֵם אֲשֶׁר נִתְפָּשְׁטוּ וְנִתְגַּלּוּ בְּהַמְצִיאוֹת וְהַנְהֻגָת דְּהַבִּי"ע

For these are the Names that extend into and are revealed in the existence and supervision of BiY" A.

אֲךְ עֲצָמוּתָהּ גּוֹפָה הִנֵּה הִיא הָאוֹת ה' אַחֲרוֹנָה דְּהַשֵּׁם הוּי"ה ב"ה

But, as far as she herself the revelation in *malchut* is concerned, she is the final letter *hei* of the blessed Name Havaye

הַנִּכְלָל בְּהַשֵּׁם הוּי"ה הַכִּלְי דְּאַצִּילוֹת וְהוּא כְּלִילוּתָהּ וְאַחֲדוּתָהּ
בז"א הַנִּכְלָל בִּאוּ"א וֵאל"א דְּאַצִּילוֹת וּבִיחּוּד וְגִלְיוֹן דְּאוּר א"ס
שְׁבַאצִּילוֹת

which is included in the macro Name Havaye in Atzilut, which completes her and unifies her with *ze'ir anpin* which in turn is included in Abba and Imma *chochmah* and *binah* and Arich Anpin of Atzilut, and with the oneness and the revelation of the *Ohr Ein Sof* in Atzilut.

וְכֵן פְּרָטוֹת הִי סְפִי שְׁבָהּ הִנֵּה הֵם בְּאַצִּילוֹת בְּהִגְלִיאוֹ אוּר דְּהוּי"ה
דב"ן

And so too specifically – the ten *sefirot* within her in *malchut* are in Atzilut as the revelation of the light of Havaye of Ba”n

שהוא ט' אותיות וממנו מסתעפים הט' אותיות דהשמות אלהי"ם ואדנ"י בהמלכות שבה

which comprises nine letters, and from this stem the nine letters of the Names Elokim and Ad-nai in *malchut* thereof i.e. of Atzilut.

והם מתפשטים ומתגלים בבי"ע במציאותם והנהגתם כנז'

And they spread forth and are revealed in BiY”A in their existence and the way they are directed.

ואותה ההוי"ה דב"ן הפלולה באות ה' אחרונה שאמרנו היא המלכות

And that Havaye of Ba”n, which is merged within the final *hei* of the Name as we said, is *malchut*,

נקבא דז"א שבאצילות וכמו שמבאר כ"ז בארכה לעיל ריש פרק זה ורפ"ה:

the *nukvah* female element included within *ze'ir anpin* of Atzilut, as is all explained at length above, at the beginning of this section and at the beginning of chapter 5.

אמנם הוא כי הגם שאמרנו שכל הג' עולמות בי"ע הנה הם נבראו ונוצרו ונעשו מהמלכות דאצילות

Now it is indeed the case that even though we said that all three worlds of BiY”A are respectively created, formed and made from *malchut* of Atzilut

(ובכח דאור א"ס שבה ור"ל מיחודו וגלוי דאור א"ס שבה וכנ"ל בכל דברינו)

(with the power of the *Ohr Ein Sof* therein, meaning to say from the unity and revelation of the *Ohr Ein Sof* therein, as we have repeated throughout)

עכ"ז הרי בארנו לעיל פ"ג ופ"ד כי עולם הבריאה הנה הוא נמשך ויוצא מכח ומדרגת האמא דאצילות

nevertheless, we explained above chaps. 3 and 4 that the World of Beriah is drawn forth and emerges from the power and level of *Imma* of Atzilut,

ועולם היצירה הוא נמשך ויוצא מכח וממדרגת הז"א דאצילות

while the World of Yetzirah is drawn forth and emerges from the power and level of *ze'ir anpin* of Atzilut.

והוא ע"י שכל פרצופי האצילות הם כלולים כלם בהמלכות כי היא כלל כלם

And this is due to the fact that all the *partzufim* of Atzilut are all included within *malchut* since she is the generality of all of them.

וְלָכֵן נִתְּנָה כ"א כָּחוּ בָּהּ וּמִשְׁתַּתְּפִים בָּלָם בְּמִצִּיאת וְהִנְהִיגָת
הָעוֹלָמוֹת הַנִּפְרָדִים ע"י הַמַּלְכוּת נוֹק' דז"א

And therefore each of them the individual *partzufim* bestows its power to her, and all of them participate in the existence and supervision of the separated worlds via that *malchut* – the *nukvah* of *ze'ir anpin*.

וַיֵּצֵא עוֹלָם הַבְּרִיָּאָה בְּבַחֲי' הַגְּלוּי דָּכָח וּמִדְרַגַּת הָאֵמָא

And the World of Beriah emerged as the aspect of revelation of the power and level of *Imma*,

וְעוֹלָם הַיְצִירָה בְּבַחֲי' הַגְּלוּי דָּכָח וּמִדְרַגַּת הַז"א וְכַנ"ל פ"ד

And the World of Yetzirah emerged as the aspect of revelation of the power and level of *ze'ir anpin*.

אָמְנָם עוֹלָם הָעֲשִׂיָּה הִנָּה הִיא מִמִּדְרַגַּת הַנוֹק' דז"א עֲצָמָה וּבְכָל
בְּחִינוֹתֶיהָ שְׁבָה

However, the World of Asiyah is the level of *nukvah* of *ze'ir anpin* itself, in all of its aspects.

כִּי עוֹלָם הָעֲשִׂיָּה הִנָּה הִיא ג"כ בְּסוֹף בָּלָם וְכֵן הִיא ג"כ כָּלֵל בָּלָם

Because the World of Asiyah is the final level of them all, and is also the inclusion of all of them,

כִּי כָל הָעוֹלָמוֹת הָעֲלִיוֹנִים בָּלָם הֵם נִכְלָלִים בָּלָם בָּהּ וּפְנִימִיּוּתָהּ
הִיא עוֹלָה לְמַעְלָה לְמַעְלָה

for all of the higher worlds are all included within her, and her inner dimension ascends to the highest levels.

וְהוּא אוֹר הַתּוֹרָה וְיִשְׂרָאֵל שֶׁהֵם מִיַּחָדִים וְעוֹלָם בְּכָל הַצְחָצְחוֹת
הָעֲלִיוֹנִים בָּלָם

This inner dimension of *malchut* is the light of Torah and Israel, for they are as one and ascend to all of the supernal *tzachtzachot* illuminations

עַד רָזָא דְאֹר א"ס מ"ש וְכֵמוּ שְׁבָאֲרָנוּ לְעֵיל בְּפָרְקִים וּשְׁעָרִים
הַקּוֹדְמִים

all the way up to the mystery of the *Ohr Ein Sof*, as we explained above in the previous chapters and sections.

וְהַחִיצוֹנִית דְּעוֹלָם הָעֲשִׂיָּה הִיא יוֹרֶדֶת מִטָּה מִטָּה עַד שְׁאִין לְמִטָּה
הַיִּמָּנָה

But the outer dimension of the World of Asiyah descends to the very lowest of levels – to the point that nothing is lower than that.

וְהִיא עוֹלָה וְיוֹרֶדֶת תָּמִיד בְּכָל תְּהִלּוּכוֹתֶיהָ וּמֵאֲרָעוֹתֶיהָ

It this outer dimension, which is essentially the outer aspect of *malchut*, is in a constant state of ascent and descent as it proceeds and in the events that take place.

שֶׁתְּהִלּוּכוֹתֶיהָ הִוא תָּמִיד בְּעוֹלָה וְיֹרֵד וְאִינָה עוֹמֶדֶת בְּמַצָּב אֶחָד
רָגַע אַחַת

It proceeds in a constant state of flux – ascent and descent, and does not remain in one state for even a moment.

וְהִיא מְנַהֶגֶת אֶת כָּל הָעוֹלָמוֹת כֻּלָּם ר"ל שֶׁכָּלֶם תְּלוּיִם בָּהּ

And it directs all of the worlds, meaning that all of them are dependent upon her upon *malchut*

שֶׁהֵם עוֹלִים בְּעֲלִיָּתָהּ וְיוֹרְדִים בִּירֵדָתָהּ וְהִיא סוֹף הַכֹּל וְכוֹנֶנֶת הַכֹּל

since they rise with her ascent and decline with her descent; she is the end of all things and the original intention in everything.

כִּי הִיא תְּכִלִּית כֻּלָּם וְכֵן הִיא סִבָּת כֻּלָּם כִּי סוֹף מַעֲשֵׂה הִוא
בְּמַחֲשָׁבָה תְּחִלָּה

For she is the objective of everything and the ultimate cause for everything, since ‘the final deed arose first in thought’ as the *Lecha Dodi* hymn puts it.

וְהִרִי הִיא הַסִּבָּה וְהַתְּכִלִּית וְתַחֲזֹר לְבִסּוֹף לְסִבְתָּהּ הָרִאשׁוֹנָה וְיִהְיֶה
הַסִּבָּה וְעֲצָמָה תְּכִלִּית הַכֹּל

Thus she is the *raison d’etre* and also the final objective, and in the end everything will return to its ultimate cause, so that the ultimate cause itself will be manifested as the final destination,

וְכִמּוֹ שֶׁהָעֵמִיק בָּזָה הָרַמְבַּם ז"ל בַּמּוֹרָה ח"א פ' ס"ט וּח"ג פ' י"ג

as the Rambam states profoundly in his *Moreh Nevuchin* 1:69 and 3:13.

וְדִבְרָיו הֵם דְּבָרֵי אֱלֹהִים חַיִּים וְהָאֲרָכָנוּ בָּזָה בְּסִפּוֹר הַכָּלָלִים סוֹף כָּלֵל
ט"ו ע"ש

His words are the words of the Living God, as we have expounded upon at length in *Sefer HaKelalim* end of *Klal* 15. See there.

וְהִרִי נִמְצָא כִּי עוֹלָם הָעֲשִׂיָּה הֵנָּה הִיא בְּכָל הַבְּחִי דְּהַמְלָכוֹת
דְּאֲצִילוֹת כִּי הִיא תּוֹלְדָתָהּ וְדִגְמָתָהּ

Thus it turns out that the World of Asiyah comprises all the aspects of *malchut* of Atzilut, since she is the product and replica thereof.

וְכֹן כָּשֵׁם שֶׁהַמַּלְכוּת דְּאֲצִילוֹת הִיא הַכְּוֹנָה הַתְּכֵלִיתִית כְּדִי לְמֶלֶךְ עַל
כָּל הַמַּעֲשִׂים

Furthermore, just like *malchut* of Atzilut is the original intention and the ultimate goal – in order to reign over all of His deeds,

וְהַכֹּל בָּרָא לְכְבוֹדוֹ וְכָנֹ"ל בְּדַבְּרֵינוּ כֵּן הוּא עוֹלָם הָעֲשִׂיָּה כִּי בָּהּ וְעַל
יָדָהּ נַעֲשֶׂה וְנִשְׁלַם עֵקֶר כְּוִנָּתוֹ ית"ש בְּגִלּוֹי כְבוֹדוֹ וּמַלְכוּתוֹ

and He created everything for His glory, as we explained above – so too is the World of Asiyah, since it is through her that His primary intention is brought to completion with the revelation of His glory and His sovereignty.

כִּי מִשּׁוֹם שֶׁהַחִיצוֹנִית שֶׁבַּהֶעֱשִׂה הִיא מְגֻשָּׁם וּמְזוּהָם הִרְבֵּה מְאֹד

Now because the outer dimension of Asiyah is coarse and greatly debased

לָכֵן כְּאֲשֶׁר יִתְגַּלֶּה כְבוֹד מַלְכוּתוֹ וְאַמוּנָתוֹ בְּכֹל הָעֲשִׂיָּה כְּלָה ג'כ"

therefore, when the glory of His sovereignty and authenticity is revealed throughout Asiyah as well,

הִרִי הוּא יוֹתֵר קְדוּשַׁת הַשֵּׁם מְגִלּוֹי כְבוֹדוֹ יִתְבָּרַךְ בְּהַעֲלָמוֹת שְׁלִמְעָלָה

this is more of a sanctification of His Name than the revelation of His blessed glory in the upper worlds.

כִּי כָל דָּבָר נִכָּר מִכַּח תְּמוּנָתוֹ וּכְמ"ש בִּסְפָר יִצִּירָה פ"ו הַטּוֹב מִבְּחִין
אֶת הָרַע וְהָרַע מִבְּחִין אֶת הַטּוֹב

For everything is recognizable by its opposite, as *Sefer Yetzirah* 6:2 states:
Good makes evil identifiable and evil makes good identifiable.

וְהִרִי הִיָּה עוֹלָם הָעֲשִׂיָּה עֵקֶר הַכְּוֹנָה בְּגִלּוֹי כְבוֹד מַלְכוּתוֹ

Thus the world of Asiyah is the ultimate intention in the revelation of the glory of His Kingdom,

וְעַל יָדָהּ נִשְׁלַם הַמַּלְכוּת דְּאֲצִילוֹת לְהַתִּיחַד בְּשִׁרְשָׁהּ הַנֶּעְלָם שֶׁהוּא
הַמַּלְכוּת דא"ס

and through her *malchut* of Atzilut becomes completed so that she *malchut* of Atzilut can be united with her hidden root, which is *malchut* of *Ein Sof*,

אֲשֶׁר גִּלּוּיוֹ הִיָּה כְּדִי לְמֶלֶךְ עַל כָּל הַמַּעֲשִׂים

whose revelation was so that He will reign over all of His deeds.

וְנִמְצָא כִּי עוֹלָם הָעֲשִׂיָּה הֵנָּה הִיא מְדֻרְגֶּת הַמַּלְכוּת נוֹק' דז"א וְהִיא
שְׁלֵמוֹתָהּ

Thus we find that the World of Asiyah is the level of *malchut*, the *nukvah* of *ze'ir anpin* and is the ultimate completion of *malchut* of the highest level.

וְהָרִי הֵנָּה הָעוֹלָמוֹת בִּי"ע נֶגֶד הַבִּינָה וְהַזו"ן דְּאֶצִּילוֹת

And so the worlds of BiY"A correspond to *binah* and *ze'ir anpin* and *nukvah* of Atzilut respectively,

וְיֵצְאוּ הָעוֹלָמוֹת בִּי"ע שֶׁהֵם הָעוֹלָמוֹת הַנִּפְרָדִים מִכֹּחַ וְהַגְלִי
דְּהַבִּינָה וְהַזו"ן דְּאֶצִּילוֹת

and the worlds of BiY"A, the separated worlds, emerged from the power and revelation of *binah* and *ze'ir anpin* and *nukvah* of Atzilut.

אָבֵל לַמַּעֲלָה מִהַבִּינָה שֶׁהוּא כָּל הָאוֹרוֹת כָּלם אֲשֶׁר מִהַחֲכָמָה
וּלְמַעֲלָה

But surpassing *binah* are all the illuminations from *chochmah* and beyond

לֹא נִתְגַּלָּה כְּנֶגְדָם לַמָּטָה שׁוּם מְצִיאוֹת כָּלֵל וְנִשְׁאַר הַחֲכָמָה כָּלוּ
בְּבַחֲיָא אֶצִּילוֹת לְגַמְרִי

and there is no actual revelation at all below corresponding to them, so that *chochmah* remains completely in Atzilut.

וְרַק מִהַבִּינָה וּלְמַטָּה הֵנָּה נִתְגַּלָּה הַבִּינָה בְּעוֹלָם הַבְּרִיאָה וְהַז"א
בְּעוֹלָם הַיְצִירָה וְהַמַּלְכוּת בְּעוֹלָם הָעֲשִׂיָּה

Thus the revelation is only from *binah* and below – *binah* becomes revealed in the World of Beriah; *ze'ir anpin* in the World of Yetzirah, and *malchut* in the World of Asiyah.

וְהָרִי לָנוּ כִּי גִלּוּי הַחֲמִישִׁי הַכָּלְלִי שֶׁהוּא בְּהַמַּלְכוּת דְּאֶצִּילוֹת אֲשֶׁר
בָּהּ נִתְגַּלָּה

Thus we have it that the fifth macro revelation, which is *malchut* of Atzilut, that becomes revealed there

לְהַמְצִיא וּלְהוֹצִיא כָּלֵל הָעוֹלָמוֹת הַנִּפְרָדִים כָּלם הֵנָּה גִּלּוּי הָעֶקְרִי
בְּפֶרֶט הוּא בְּעוֹלָם הָעֲשִׂיָּה

in order to produce and elicit all the separated worlds – its primary revelation is specifically in the World of Asiyah,

כִּי הִיא בְּכָל הַבַּחֲיָא דְּהַמַּלְכוּת דְּאֶצִּילוֹת וְהִיא תוֹלְדָתָהּ וְדִגְמָתָהּ:

since she *malchut* of Asiyah includes all the aspects of *malchut* of Atzilut, and is their product and replica.

וכן עד"ז הנה ישנו דגמטה ג"כ בכל פְּרָצוּף וּפְרָצוּף וְכִמּוֹ שְׂבָאֲרֵנוּ
לְעֵיל בְּפָרְקִים הַקּוֹדְמִים

In similar manner there is an instance of *malchut* in each and every *partzuf*, as we explained in previous chapters.

שְׁכָל מָה שֶׁהוּא בְּכָל־לוֹת כֵּן הוּא בְּפִרְטוֹת וּבְפִרְטֵי פִרְטוֹת

For everything that there is in the macro is also in the micro and even in the micro of the micro.

כִּי מִשּׁוּם שְׁכָלָם יוֹצְאִים וְנִמְשָׁכִים מִמָּקוֹר אֶחָד הֵנָּה יֵשׁ בְּכ"א כָּח
כָּלָם וְכָל הַבְּחִי' כָּלָם כִּי כָּלוּל כ"א מִכָּלָם

This is because all of them emerge from and are drawn down from a single source therefore in each individual is the power of all of them, and all aspects are included within each of them.

וַיִּשְׁנֶם בְּכָל פְּרָצוּף וּפְרָצוּף כָּל הַבְּחִי' דֵּהֶחֱמָשָׁה גְּלוּיִם הַכְּלָלִיִּים

And there are in each and every *partzuf* all the aspects of the five macro revelations.

וְהֵנָּה הֵם הֵה' חֲלָקֵי נִשְׁמָה שֶׁבְּכָל פְּרָצוּף שֶׁהֵם הִנֵּרְנָח"י שְׁבוּ

And these are the five aspects of the soul that there are in each *partzuf*, i.e. the *nefesh, ruach, neshama, chaya* and *yechidah* therein,

וְכִמּוֹ שְׂבָאֲרֵנוּ לְעֵיל פ' א' ב' ג' ד' בְּעֵנִין הַיְּחִידָה חִיָּה נִשְׁמָה רוּחַ

as we explained above chaps. a, b, c, d regarding *yechidah, chaya, neshama, ruach*,

שֶׁהֵם מִבְּחִי' הַד' גְּלוּיִם הַכְּלָלִיִּים הָרְאשׁוֹנִים וְהֵם תְּלֻדוֹתָם וְדִגְמָתָם
אֲשֶׁר בְּפִרְטוֹת כָּל פְּרָצוּף

which are from the first four macro revelations – they are the products and replicas thereof – that are in every *partzuf*.

וכן הוא עד"ז בְּעֵנִינָנו ג"כ כִּי הַמַּלְכוּת דְּאֲצִילוֹת שֶׁהִיא הַגְּלוּי הַכְּלָלִי
הַחֲמִישִׁי

This is also the case in the matter concerning us here – because *malchut* of Atzilut is the fifth macro revelation.

הֵנָּה הוֹצִיאָה הִיא דִּגְמָתָהּ בְּכָל פְּרָצוּף וְהוּא אֹר הַנֶּפֶשׁ שְׁבוּ

And thus she brought forth her own similarity in each *partzuf* and this is the light of *nefesh* therein.

כִּי הַגּוּף דְּכָל פְּרָצוּף הֵנָּה הוּא מִהָעוֹלָם עֲצֻמוֹ אֲשֶׁר הוּא ג"כ רַק
מִהַמַּלְכוּת

For the 'body' of each *partzuf* is from that world itself, which in turn is only from the *malchut* of that world.

כי הנה כל עולם הוא מיסד בחיצונית ופנימית אור וכלי גוף ונשמה

This is because each world is established with outer and inner dimensions; light and vessels; body and soul.

ונמשכים שניהם מהמלכות דעולם העליון שהוא מהחיצונית
ופנימית שבה

And both of them in each pair are drawn forth from *malchut* of the next world up, which are the outer and inner dimension thereof,

אלא שהחיצונית שהוא הגוף שבכל עולם אינו נכר קשורה ותליתה
בעולם העליון כלל

albeit that regarding the outer dimension, which is the 'body' of each world, its connection to and dependence upon the higher world is not recognizable,

משום גדל עביותו וחמירותו אשר נעשה בכל גוף ע"י השתלשלות
המשכת כוחות רבות מהד' חלקי הדצח"מ

because of the exceeding coarseness and materialistic nature of every body due to its *hishtalshelut* – descent by way of cause and effect – and because it draws down numerous powers from the four levels of existence – inanimate, plant, animal and human,

ומה' יסודות ארמ"ע המרכבים והפשוטים שנמשכו בכל גוף מדור
לדור

and from the four elemental qualities of fire, wind, water and earth in combination and in their elemental state in all bodies from generation to generation.

ומיסדים ועומדים בטבעם שהטביע בהם היוצר בראשית ית"ש
מעת ששת ימי בראשית והלאה

And they those bodies are set up and remain within the confines of their nature that was imbedded within them by their Creator, may He be blessed, since the six days of Creation.

ובאשר שדור הלך דור בא והארץ לעולם עמדת והרי חלפו ועברו
כמה אלפי דורות

Since "a generation passes and the next arrives, yet the earth remains forever" (Ecclesiastes 1:4) and several thousand generations have come

and gone (see Addenda p. 200, # 2²⁵)

מֵעַת שֵׁשֶׁת יָמֵי בְּרֵאשִׁית (עֵין בְּסוֹף הַסֵּפֶר עַמ' ר' תִּקּוּן ב') שֶׁנַּעֲשָׂה
גּוֹף הָעוֹלָם

since the six days of Creation when the 'body' of the world was created.

וְגַם אִזְּ גּוֹפָה הָרִי נִבְרָא הָאָדָם בְּאַחֲרוֹנָה וְנוֹצֵר גּוּפוֹ מִתְחִילָה עֶפֶר
מִן הָאָדָמָה

And even in that scenario man was created last and was created initially from
the dust of the earth,

ואח"כ וַיִּפַּח בְּאַפִּיו נְשֵׁמַת חַיִּים וַיְהִי לְנֶפֶשׁ חַיָּה.

after which "He blew into his nostrils the breath of life, and he [Adam] became
a living being" (Genesis 2:7).

וְהָרִי מָצָא הָאָדָם אֶת כָּל הָעוֹלָם כֻּלּוֹ בְּגוּפוֹ וְחִמְרֵיחוֹ קִדָּם אֵלָיו

Thus Adam found that the entire world with its physical and material aspects
preceded him,

וְלָכֵן נֶעְלַם מֵהָאָדָם הַמְשָׁכַת הַגּוֹף וְקִשּׁוּרוֹ לְמַעְלָה.

and for this reason Adam was unaware of how the body was drawn down and
its connections above.

וְהַגֵּם שֶׁאִמְרָנוּ לְעֵיל כִּי אִזְּ הָיָה מְצִיאוֹת כָּל הָעוֹלָם כֻּלּוֹ גְּבוּהָ וְנִעְלָה
מְאֹד

Now even though we stated above that the existence of the entire world was on
a very lofty level at that time,

עַכ"ז הָיָה ג"כ בְּבַחֲי' גּוֹף וְכָלִי לְפִי עֶרְכוֹ כִּי כָּל הָעוֹלָמוֹת כֻּלָּם אֲשֶׁר
מֵאַחֵר מִדְּרָגַת א"ס וְלִמְטָה

nevertheless, it was still the aspect of 'body' and 'vessel' relatively speaking,
because all the worlds below the level of *Ohr Ein Sof*

הֵם כֻּלָּם בְּבַחֲי' חִמֶּר וְצוּרָה וְנִמְשָׁךְ הַחִמֶּר מִקִּדָּם

were all the aspect of matter and form, and matter preceded and was drawn
down first, before form.

(ע' שַׁעַר טֵנֶת א"פ"ה וְדִבְרֵינוּ שָׁם וְכֹן בְּדִבְרֵינוּ בְּאַרְכָּה בְּסִפְר הַכְּלָלִים כָּלֵל ט)

(see *Etz Chaim**, Sha'ar TANT**A*** Chap. 5, and our commentary there, and
also our explanation in *Sefer HaKelalim, K'lal 9*).

וְגַם אִפִּי אִם נֹאמֵר שֶׁלָּאָדָם הָרִאשׁוֹן קִדָּם הַחֲטָא הָיָה גָּלוּי וְנִרְאָה
לְפָנָיו כָּל סְדְרֵי הַמְשָׁכַת הַגּוֹף וְהַכְּלִי דִּהְעוֹלָם

Furthermore, even if one would argue that the entire system of how the body
was drawn down and how the world is a vessel was revealed and visible to

Adam before the sin,

איך שהוא נמשך וקשור בהמלכות דהעליון

i.e. how it was drawn from and connected to the *malchut* of the superior level,

אך מאחר החטא והלאה שנפרדו העולמות בי"ע ונסתמו ממנו כל
מעיינות חכמה דאלהות

nevertheless, from that sin and on, the worlds of BiY”A became separated and
the fountains of Divine wisdom were stopped up.

ואח"כ קין והבל שנולדו אחר החטא (ע' דברינו בעקודים ספ"ב
ובכ"מ)

And subsequently, after the sin of Cain and Abel (see our explanation in *Etz
Chaim, Sha'ar Akudim* end of chap. 2, and elsewhere)

וכן שת שממנו השתת העולם עם כל הדורות שבאו אחריו עד היום
הזה

and also Seth, upon whom the world with all the generations that would follow
him until this very day is based,

הרי מוצא את עצמו כ"א בעולמו את כל גוף העולם מתחילה וקדם
אליו

it transpires that each person finds himself in his world with the entire body of
the world preceding him –

שהוא נמשך ותלוי בהד' יסודות המרכבים והפשוטים כפי מה
שנתיסדו ונטבעו מששת ימי בראשית

for he is drawn from and depends upon the four elemental qualities fire, wind,
water and earth in combination and in their elemental state according to the
manner in which they were set up and with their nature imbedded within them
from the six days of Creation.

ומהם נשתלשל ונמשך כל גוף מגוף מדור לדור והם כלם נפרדים
מעט החטא והלאה

And from them the entire body descends and is drawn down from another body
all the way back to Adam from generation to generation. And all of them are
separated from the time of the Sin of the Tree of Knowledge and on.

ועי"ז אינו נפר כלל המשכת גוף העולם איך שהיא נמשך וקשור
למעלה ותליתה בהמלכות דהעליון

Similarly, due to this process of descent stage by stage, the drawing down of the
'body' of the world, how it is drawn down and how it is attached above, and its

dependence upon *malchut* of the higher level is not recognized at all.

הגם שכל גוף העולם כלו הוא נמשך ג"כ רק מהמלכות דהעליון
ומהחיצונית שבה

This is true even though the entire 'body' of the world is drawn down only from *malchut* of the higher level, and from the outer aspects thereof.

אך מאחר שנפרדו העולמות ע"י החטא ועקר הפרוד הוא בהגוף
שהוא העביות

But since the lower worlds became disconnected from the higher worlds due to the sin, and the primary disjunction is due to the coarse materiality of the body

כי מציאות העביות ולכן הפרוד אחד הוא ולכן אין הפר כלל
להמשכת וקשר כל גוף תחתון בהמלכות דהעליון מאומה:

– since coarse materiality and the power of disjunction are one and the same thing, and therefore there is no recognizable link of descent and connection at all between any body below and the *malchut* of the higher level.

אך אור הנפש אשר כל מציאותה היא מהות נעלם ואין לה מציאת
בפנ"ע באותו העולם כלל

But the light of the *nefesh* the soul or the life-force, whose entire being is a hidden essence, and

which does not have any independent existence in that world at all,

וכן אין להנפש יסוד ומקור כללי באותו העולם לומר שממנו היא
נמשך ונעשה

and furthermore the *nefesh* has no general basis or source in that world to be able to say that from there it was drawn and created,

ולכן הנה היא נכר ונגלה [בידיעה בלא ראיה] שהיא נמשכת
מלמעלה והיא קשורה ותלויה שם לעולם

and therefore it is recognized and revealed [as knowledge without proof] that she is drawn down from above, and she is connected up there and is dependent thereon forever.

אמנם הנפש הנה היא משתתף בהגוף ונעשה עמו לאחד וכמ"ש כי
נפש כל בשר דמו היא

Now indeed the *nefesh* partners with the body and they become a single entity, as the verse (Lev. 17:14) states, "for the *nefesh* of all flesh is in its blood."²⁶

וכן הוא עוד כי הנפש הנה היא באמת למטה ממעלת מדרגת
האדם

And furthermore, it is true that the *nefesh* is actually on a lower level than man himself,

כִּי עֵקֶר הָאָדָם הוּא רֵךְ הָרוּחַ שֶׁהוּא מִהָרוּחַ הַכִּלְלִי שֶׁמִּה"ה גִּימ' אָדָם בְּנִ"ל פ"ד

since the primary aspect of man is *ruach* exclusively, and that stems from the macro-*ruach* which is the Name Ma”h, *gematria* אד"ם (man), as explained in chap. (d).

אָבֵל הַנֶּפֶשׁ הִנֵּה הוּא לְבִהְמָה ג"כ אֵלָא שֶׁהַנֶּפֶשׁ עֲצָמָה הִיא כְּלוּלָה ג"כ מִנִּרְנַח"י

But as for *nefesh* – an animal also has a *nefesh*, and it too comprises *nefesh*, *ruach*, *neshama*, *chaya*, *yechidah*.

וְלָכוּ כְּתִיב קִהְלֵת ג' וְרוּחַ הַבְּהֵמָה הַיּוֹרֶדֶת כו' וְכֵן בַּפ' נח כל אֲשֶׁר נִשְׁמַת רוּחַ חַיִּים בָּאֲפִיו

And therefore Ecclesiastes 3:21 states, “the spirit *ruach* of the beast descends...” and in Naoh (Gen. 7:22) “All in whose nostrils was the spirit *nishmat ruach* of life...”

וְהוּא מִהִנִּרְנַח"י אֲשֶׁר בְּהַנֶּפֶשׁ הַכִּלְלִי וְהוּא רוּחַ הַתְּנוּעָה אֲשֶׁר לְכָל חַי

These gradations in the *nefesh* are *nefesh*, *ruach*, *neshama*, *chaya*, *yechidah* of the macro *nefesh*, as is the life-force that moves every living creature.**

אָבֵל הַנֶּפֶשׁ עֲצָמָה שֶׁהִיא הַנֶּפֶשׁ שֶׁבִּנְפֶשׁ אֵין לָהּ תְּנוּעָה כָּלֵל וְכַמ"ש שֶׁבֵּת וִינְפֶשׁ

But the *nefesh* itself, i.e. the *nefesh* of the *nefesh*, does not move at all, as the verse (Ex. 31:17) **states, “**on the seventh day He rested and came back to *nefesh*” – the word for ‘came back to *nefesh*’ (usually translated as ‘was refreshed’) indicates that *nefesh* is the state of rest, not of movement.

כִּי הִיא חַיּוּת בְּלֹא פְעֻלָּה וְתְנוּעָה וְהִיא מִהָאָרֶץ הָעֲלִיוֹנָה מְלָכוּת

For it is life-force without action or movement, and derives from ‘the supernal land’ i.e. *malchut*,

וְכַמ"ש תּוֹצֵא הָאָרֶץ נֶפֶשׁ חַיָּה וְהִיא קִרְקַע עוֹלָם שֶׁעֲלֶיהָ נֶאֱמַר וְהָאָרֶץ לְעוֹלָם עוֹמֶדֶת

as the verse (Gen. 1:24) states, “Let the earth bring forth living creatures” – ‘the earth’ here is the ground regarding which the verse (Ecclesiastes 1:4) states, “the earth persists forever,”

וכמ"ש ברע"מ פנחס רט"ז ב' כי היא בעצמה בלא פעלה כלל

as *Raya Mehemna*, Pinchas 216b states, for she herself does not perform any action.

וכל פעלתה הוא רק ע"י ז"א שהוא הרוח הכללי ולכן חלק אור
הנשמה אשר ממנה נקרא נפש

And all the activities that she does do are only via *ze'ir anpin*, which is the macro-*ruach*, and therefore the aspect of the light of *neschama* deriving from there is called *nefesh*.

משום שהוא רק חיות בלא פעלה וכמ"ש שבת וינפש ומשום
שהנפש היא משתתפת עם הגוף

The reason for this is that it is life-force without any activity, as in “He rested and came back to *nefesh*” as explained above, and because the *nefesh* partners with the body.

והגוף הוא ירד ונתעבה מעת החטא ונתחלף מכתנות אור לכתנות
עור

Now the body descends and becomes coarse because of the sin of Adam and Eve, and is changed from a “garment of light” (*ohr* with an *aleph*) as was written in Rabbi Meir’s *Sefer Torah*, to a “garment of skin” (*ohr* with an *ayin*) as it now states in Torah.²⁷

שהוא משכא דחויא זהמת נחש הקדמוני לכן הוה כל החטאים
והענשים הכל בנפש

This ‘garment of skin’ is the skin of the primordial snake, and therefore all of the sins and the punishments are all in the *nefesh*,

וכמ"ש ונפש כי תחטא החטאים האלה בנפשותם (במדבר יז, ג)
ונכרתה הנפש ההיא (**e.g. שמות לא, יד)

as various verses state, “when a *nefesh* sins” (translated literally. But usually understood as ‘when a person sins’); “the sinners against their *nefesh*” (Numbers 17:3); “and that *nefesh* will be cut off...” (Exodus 31:14);

אוי לנפשם כי גמלו להם רעה (ישעיה ג, ט) ואת נפש איביך
יקלענה בתוך כף הקלע (שמואל א' כ"ה)

“woe to their *nefesh*, which they have harmed” (Isaiah 3:9); ****May He fling away the *nefesh* of your enemies as a stone from a slingshot” (I Samuel 25:29).

וכן עקר התקון הוא רק לתקן את הנפש וכמ"ש ונתנו איש כפר
נפשו

And similarly the main *tikun* is only to rectify the *nefesh*, as the verse (Exodus 30:12) states, “every man shall give atonement for his *nefesh*.”

וְכֵן בַּפ' שֶׁלַח וְכִפֹּר הַכֹּהֵן עַל הַנֶּפֶשׁ וְכֵן עָקַר תִּקּוּן הָעֲבוּדָה הוּא בָּהּ

And similarly in *Shelach* (Numbers 15:28): “The priest shall atone for that soul...” and so too in Divine service, the primary rectification is therein in the *nefesh*,

כַּמ"ש וּלְעַבְדוֹ בְּכָל לִבְבְּכֶם וּבְכָל נַפְשְׁכֶם כִּי מִשּׁוֹם שֶׁהִיא מִתְעַצֵּם
עִם הַגּוּף

as the verse (Deut. 11:13) states, “... and to serve Him with all your heart and with all your soul (*nafsh'chem*²⁸)...” – because it becomes one essence with the body.

וְהִיא נֶפֶשׁ הַמִּתְאַוָּה לְכָל חֲמוּדַת הָעוֹלָם וְזוֹ בָּהּ הוּא כָּל הַחֲטָאִים

And this is the *nefesh* that desires all the delights of this world, and with it all sins are performed.

לָכֵן תִּלְוִי בָּהּ כָּל הָעֲבוּדָה לְכַבֵּשׁ אוֹתָהּ וּלְשַׁעֲבְדָּהּ לְרָצוֹן קוֹנָה בְּכָל
הַתּוֹרָה וְהַמִּצְוָה

Therefore, all Divine service is dependent upon her, to conquer her and make her subservient to her Creator in all aspects of Torah and Mitzvot.

וְכֵן בָּהּ הוּא עָקַר הַשָּׂכָר וְכַמ"ש (שְׁמוּאֵל א' כ"ה) וְהִיתָה נֶפֶשׁ אֲדָנִי
צְרוּרָה בְּצִרוּר הַחַיִּים

On the other hand, the primary reward is also due to her, as the verse

(I Samuel 25:29) states, “May my master’s *nefesh* be bound up in the bond of life...”

וּבִישְׁעֶיהָ נ"ה וְתִתְעַנֵּג בְּדָשׁוֹן נַפְשְׁכֶם וּבִיחֻזְקָאֵל י"ח וּבִשְׁוֵב רָשַׁע
מִרְשַׁעְתּוֹ אֲשֶׁר עָשָׂה וַיַּעַשׂ מִשְׁפָּט וְצִדְקָה הוּא אֶת נֶפֶשׁוֹ יַחֲיֶה

And in Isaiah 55:2 “...and your *nefesh* will relish all sorts of delights,” and similarly in Ezekiel 18:27, “When a wicked man rejects the wickedness he did, and he performs justice and righteousness, he will bring his *nefesh* to life.”**

וְכָל זֶה הוּא מִשּׁוֹם שֶׁהַנֶּפֶשׁ הִנֵּה הִיא מִשְׁרֵשׁ הַמַּלְכוּת דְּאֲצִילוֹת
וְכִכָּר אֲמָרְנוּ שֶׁהַמַּלְכוּת הִנֵּה יֵשׁ בָּהּ ב' בָּחִי

All of this is because the *nefesh* is from the root of *malchut* in Atzilut, and we already noted that *malchut* has two aspects:

וּבִבְחִי אַחַת הִיא עוֹלָה לְמַעְלָה לְמַעְלָה עַד הַמַּלְכוּת דַּא"ס

One aspect is that she ascends to the highest levels – to *malchut* of Ein Sof –

וְהִיא כּוֹנֶנֶת וְסוֹבֶבֶת כָּל גְּלוּיָיו כָּלֵם וְכָל הַמְצִיאוֹת כָּלוּ

and she is the intention of and the reason for *all* the revelations and for the entire existence;

וּבִבְחִי' הַשְּׁנִית הִיא מְשִׁתַּתֶּפֶת עִם כָּל הָעוֹלָמוֹת הַנִּפְרָדִים כִּי הִיא מְקוֹמוֹ שֶׁל עוֹלָם

and the second aspect is that she participates with the separated worlds, for she is 'the place of the world,'

וְהִיא אֲבֵן שִׁתִּיה שֶׁמִּמֶּנָּה הַשִּׁתָּה הָעוֹלָם וּבָהּ הוּא כָּל מְצִיאוֹתָם וְהַנְהָגָתָם

and she is the foundation stone from which the world spreads out, and in her is all of existence and its supervision.

וַיּוֹרֶדֶת עִמָּהֶם מָטָה מָטָה וּבִסּוֹד וְאַתָּה מְחִיָּה אֶת כָּלֵם וְכֵן בְּסוֹד וּמַלְכוּתוֹ בְּכָל מְשָׁלָה

And she *malchut* descends with them to the lowest levels, according the mystical interpretation of the verse (Nechemiah 9:6) "...You give life to them all" and according to the mystical interpretation of the verse (Psalms 103:19) "...His kingship reigns over all."

וְכָל הַתּוֹרָה וְהַמִּצְוָה הוּא בָּהּ לְתַקֵּן אוֹתָהּ ר"ל אוֹרָה וְכֹחַ הַמַּתְפָּשֵׁט בְּבִי"ע

Also, all Torah and mitzvot are in her *malchut* in order to rectify her, i.e. her light and power that spread forth into BiY"A,

וּמְשִׁתַּתֶּף עִמָּהֶם בְּכָל יְרִידָתָם וְקִלְקוּלָם לְהַעֲלוֹתָהּ וּלְתַקְנָהּ

and she participates with them in all of their descent and their devastation in order to raise it up and rectify it.

וְכֵן יִתְקַן עִמָּהּ עִי"ז הַמְצִיאוֹת כָּלוּ ג"כ וְזֶהוּ כָּל עֲנֵנוּ הַנֶּפֶשׁ ג"כ מְשׁוּם שֶׁהִיא מֵהַמַּלְכוּת

In addition, the entire existence becomes rectified together with her, and that is also the entire concept of the *nefesh* since she is from *malchut*.

וְלָכֵן הִיא מְשִׁתַּתֶּף עִם הַגּוּף וְנַעֲשִׂית חַד עִמּוֹ וּבָהּ הוּא כָּל הַפְּגָמִים וְכָל הַתְּקוּנִים כְּנִז'

And therefore she participates with the body and becomes one with it, and in her are all the defects and all the rectifications, as we mentioned.

כִּי הַשָּׂרֵשׁ וְהָעֶנֶף וְכֵן הַכֶּלֶל וְהַפֶּרֶט אֶחָד הוּא כִּי כְּמוֹ שֶׁכָּל הַקְּלָקוּלִים וְכָל הַתְּקוּנִים

For the root and branch, and the general and the specific are all one, for just as all devastations and all rectifications

הם נעשים כלם רק בעוה"ז שהיא עולם העשיה עולם המעשה
are achieved exclusively in this world, the World of Asiyah, the world of action,
והוא ע"י שהיא למטה מכלם וכלם נכללים בה כנ"ל כן הוא בכל
אדם בפרט

and this is because she is below all of them all the other *sefirot* and they are all included within her, as explained above, and so too with every person specifically –

הנה תלוי כל עניניו כלם קלקולו ותקונו הכל בהנפש שבו שהיא
כנגד עולם העשיה

all of his issues and all devastation the he caused and its rectification
–everything takes place in the *nefesh* within him that corresponds to the World of Asiyah.

וכן הוא בשרש העליון שהכל תלוי בהמלכות דאצילות המתפשטת
בהבי"ע

And so too in the supernal source – everything depends upon *malchut* of Atzilut which spreads forth into BiY" A,

והיא עולה ויורדת לפי מעשה התחתונים וכל התורה והמצוה הם
כלם לתקוני השכינה

and she rises and falls according to the deeds of those below, so that all Torah and mitzvot are for the sake of rectifying the *Shechinah*,

ומזה הוא כל השכר וענש דעולם הנפשות וכן כל התקונים
דלעתיד:

and from this is all reward and punishment in the world of souls, as well as the rectifications that will be achieved in the future.

והנה אמרנו כי עקר מדרגת האדם הוא הרוח אבל הנפש היא
למטה מדרגתו

We said earlier that the primary level of soul that defines man is *ruach*, whereas the *nefesh* is below his level.

והרי שלח האדם בעוה"ז ונתלבש בנפש וגוף לתקן את אשר למטה
הימנו

Now man was sent down into this world to be clothed in a *nefesh* and a body, and to rectify that which is below him.

וכן הוא עד"ז הגלוי החמישי הכללי דא"ס ית"ש אשר נתגלה
בהמלכות דאצילות

In similar fashion, the fifth macro revelation of the blessed *Ein Sof* which is revealed in *malchut* of Atzilut

לצורך העולמות בי"ע הנה היה כל הגלוי הזה לכונת פעלה שחוץ
ממנו שהוא למטה מאלהות וכנ"ל בדברינו

for the sake of the worlds of BiY"A – all of this revelation is with the intention of having an effect outside of Himself, lower than the level we describe as G-dliness, as we mentioned.

וכן המלכות דאצילות המתפשט תמיד בבי"ע לצורך הנהגתם
ותקונם

Similarly, *malchut* of Atzilut that constantly spread forth into BiY"A for the sake of supervising and rectifying them,

וכן גלוי שכינתו ית"ש אשר בביהמ"ק וישראל וכמ"ש ועשו לי
מקדש ושכנתי בתוכם

and also the revelation of His blessed *Shechinah* in the Beit HaMikdash the Temple and within the Jewish People, as the verse (Exodus 25:8) states, "Make for Me a Mikdash, and I will dwell among them."

והיה כ"ז כדי להאיר את כל העולם כולו מכבודו

And all of this was in order to illuminate the entire world with His glory.

והרי נסדר הכל בסדר אחד שמתפשט ומתלבש אור העליון בחוץ
ממנו ובלמטה ממנו כדי לתקנו ולהעלותו:

Thus everything has been arranged in one format – the supernal light spreads forth outside of itself and becomes clothed in that which is below it in order to rectify it and elevate it.

והנה הרוח והנפש הם סוד אדם ובהמה כי הרוח הוא מהשם מ"ה
גמט' אדם

Now *ruach* and *nefesh* are the mystical secret of 'man and animal' (see Psalms 36:7) –

והנפש היא משם ב"ן גימט' בהמה והם סוד האצילות והעולמות
בי"ע

nefesh is from the Name *Ba'n*, which has the numerical value of **בהמ"ה** (beast) and this is the mystical aspect of Atzilut and the worlds of BiY"A – in other

words, the lower levels of Atzilut, called BiY”A of Atzilut, that can relate to the actual lower worlds of BiY”A –

כִּי הָאֲצִילוֹת הָיוּ עֲקֶרֶו הַשֵּׁם מ"ה שֶׁהוּא אָדָם כִּנ"ל פ"ד

because Atzilut is primarily the Name *Ma”h*, which is אד"ם (Adam) as explained in chapter (d),

אֲבָל הָעוֹלָמוֹת בִּי"ע הָיוּ עֲקֶרֶם מֵהַשֵּׁם ב"ן גִּמ' בְּהֵמָה

whereas the worlds of BiY”A are primarily from the Name *Ba”n*, which has the numerical value of בהמ"ה (beast).

וְנִבְרְאוּ כָל הָעוֹלָמוֹת בִּי"ע לְצָרֶךְ הָאֲצִילוֹת וּבִסּוּד מַצְמִיחַ הַצִּיר לְבְּהֵמָה וְעֵשֶׁב לְעִבְדַּת הָאָדָם

All the worlds of BiY”A were created for the needs of Atzilut, and according to the mystical secret of “He causes grass to grow for the beasts, and herbs through man’s labor” (see Psalms 104:14).

וּבְהֵמָה הוּא עוֹלָם הַבְּרִיאָה שֶׁהִיא בְּהֵמָה דְּרַבִּיעָא עַל אֶלֶף טוֹרִין כִּמ"ש בְּזוֹה"ק בְּרֵאשִׁית י"ח ב'

“Beast” alludes to the World of Beriah, “the beast that crouches upon one thousand mountains” as the Zohar writes in *Bereishit* 18b

(וְעַי' בְּדִבְרֵינוּ בְּאַרְכָּה בְּדַע"ה ח"ב דְּרוּשׁ ד' עֲנָף י"ב י"ג)

(See also at length our comments in *Drushei Olam Hatochu* part II *drush* 4:12, 13).

וְהָאָדָם הוּא הַמְּלָכוֹת דְּאֲצִילוֹת

Whereas “man” (Adam) is *malchut* of Atzilut,

שְׁעָלֶיהָ נֹאמַר יְחִזְקָאל א' וְעַל דְּמוֹת הַכֶּסֶּא שֶׁהוּא עוֹלָם הַבְּרִיאָה דְּמוֹת כְּמֵרָאָה אָדָם עָלָיו מְלֻמָּעָה

regarding which the verse in Ezekiel 1:26 states, “...and upon the likeness of a throne” which is the World of Beriah “was what looked like the appearance of a man upon it, from above,”

וְכִמ"ש בְּרַע"מ פִּנְחָס רִי"ז א' וְכֵן בִּסְפַד"צ ספ"ג דִּיּוֹקְנָא וּפְרָצוּפָא דְּאָדָם יְתִיב עַל כְּרִסְיָא

as the *Raya Mehemna, Pinchas* (Zohar III, p.) 217a states, and so too in *Sifra d'Tzniuta* end of chap. 3: ‘the likeness and countenance of a man sitting on the throne.’

וְע"ש רפ"ד וּבְדִבְרֵי הַגָּר"א שֶׁם וְכֵן בִּרְפ"ה בְּדַה"מ יְהִי רָקִיעַ

See *ibid.* beginning of chap. 4 and the explanation of the GR”A there, and also at the beginning of chap. 5 beginning with the words יְהִי רָקִיעַ

וכ"ז הוא משום שכל האורות אשר מהבריאה ולמטה הם רק
תמצית הארה לבד

And all of this is because all the illuminations from Beriah and below are
merely a distilled radiance

המתפשט ונמשך מהמלכות דאצילות והוא הנפש חיה דבריאה
שעליה נאמר תוצא הארץ נפש חיה

that spreads forth and is drawn down from *malchut* of Atzilut, and this is the
living *nefesh* of Beriah, regarding which the verse states “the earth shall bring
forth a living *nefesh*” (Gen. 1:24).

כי כל אור הבריאה היא כלה בחי' נפש ובהמה נגד אצילות שהוא
רוח והיא מהשם ב"ן גימט' בהמה

This is because all the light of Beriah is the aspect of *nefesh* and ‘beast’ – which
is the Name *Ba”n*, and the numerical value of (52) בהמ"ה – contrasted with
Atzilut, which is *ruach*.

אבל כל האצילות הוא מהמ"ה גמט' אדם וכמ"ש אליהו זל"ט
מלגאו איהו יו"ד ה"א וא"ו ה"א דאיהו אורח אצילות

Whereas all of Atzilut is from the Name *Ma”h* which has the numerical value of
(45) אד"ם, as Eliyahu, may he be remembered for good, declared in *Patach*
Eliyahu: Within it is the name א"ו ה"א וא"ו ה"א which is the path of Atzilut.

שכל אצילות הוא מייסד עליו ונבראו כל העולמות בי"ע לעבודת
האדם שהוא האצילות

For all of Atzilut is based upon it the Name just mentioned, and all the worlds of
BiY”A were created for the service of ‘man’ (Adam = 45, hinting to that Name),
which is Atzilut,

ולהיות כלול עם האצילות לעולם וכמ"ש אדם כי יקריב מכם קרבן
לה' מן הבהמה כמ"ש בספד"צ פ"ד.

so that it *Ba”n* and Beriah can be merged into Atzilut forever, as the verse
(Leviticus 1:2) hints at, “When a man (Adam) among you brings an offering to
G-d from an animal...” as the *Sifra d’Tzniuta* chap. 4 explains. It explains there
that ‘Adam’ and ‘animal’ (*beheima*) in the verse allude to *Ma”h* and *Ba”n*, Atzilut
and Beriah respectively, and the purpose is to elevate *Ba”n* and Beriah into Atzilut.

והנה עקר העבית והחמר הרי הוא בהגוף

Now the primary aspect of coarseness and materiality is in the body,

אך הנפש שהיא משתתף עמו כנ"ל הרי היא הממצע בין הרוח
שהוא עקר מעלת ומדרגת האדם לקשרו בהגוף

whereas the *nefesh* that partners with it, as explained above, is the intermediary between *ruach*, the primary asset and level of man, and the body – to bind it *ruach* to the body,

וְכַדִּי שְׂיִהְיֶה בְּמַעֲלֵת וּבְמִדְרַגַּת אָדָם דְּבוּק בָּהּ וּבְתוֹרָתוֹ

so that it will attain the superior quality and level of a person who cleaves to God and His Torah

גַּם בְּהִיוּתוֹ קָשׁוּר וּמִרְכָּב עִם כָּל תַּאֲוֹת וְחִמּוּדֵת הָעוֹה"ז שֶׁהֵם כָּלָם
מַעֲבִיט וְחוֹמְרִיית הַגּוּף

even when he is bound to and mingled in with all the desires and delights of this world, which are all from the coarseness and materialism of the body.

וְכֵן אוֹר הַמַּלְכוּת שֶׁהוּא שְׂכִינָתוֹ ית"ש הַמַּתְפַּשֵּׁט וְשׁוֹכֵן בְּבִי"ע הֵנָּה
הִיא הַמִּמְצָע לְקֶשֶׁר עַל יְדֵה הָאֲצִילוֹת בְּבִי"ע

Similarly, the light of *malchut*, which is His blessed *Shechinah* that spreads to and is lodged in BiY”A, is the intermediary to bind Atzilut and BiY”A

וּלְגַלְיָה כְּבוֹד מַלְכוּתוֹ וְאוֹר קִדְשָׁתוֹ ית"ש גַּם בָּהֶם לְהַעֲלוֹתָם וּלְתַקְנָם
שְׂיִהְיוּ גַם הֵם כָּלָן קוֹדֵשׁ לַה'

and to reveal His glorious sovereignty and the light of His blessed holiness in them as well, in order to elevate them and rectify them so that they should all be sanctified to God.

וְכֵן הַמַּלְכוּת דְּאֲצִילוֹת גּוֹפָה אֲשֶׁר בָּהּ הוּא הַגְּלוּי הַכָּלְלִי הַחֲמִישִׁי
דא"ס ית"ש

And so too *malchut* of Atzilut itself, in which is the fifth macro revelation of the blessed *Ein Sof*,

לְהוֹצִיא וּלְהַמְצִיא אֶת כָּל שְׂרָשֵׁי הַכַּחוֹת דֵּהבִי"ע שֶׁבְּכָל הַתְּהוּוֹת
מְצִיאוֹתָם

to bring forth and present all the roots of the powers of BiY”A latent within the entire creation of their existence.

וְכֵן נִתְגַּלְיָה בָּהּ בְּכָל הַהִנְהָגָה שֶׁבָּהֶם הֵנָּה כָּל הַגְּלוּי הַזֶּה הוּא
הָאֲמֻצָּעִי בֵּין אוֹר א"ס שֶׁבְּאֲצִילוֹת לֵהבִי"ע

And she *malchut* is also revealed in her supervising or conducting them – the worlds of BiY”A – such that all of this revelation is the intermediary between the *Ohr Ein Sof* in Atzilut and BiY”A,

לְהַמְשִׁיךְ אוֹר א"ס בְּבִי"ע וְכַדִּי לְתַקֵּן אֶת הַכָּל לִיחְדָּם וּלְהַעֲלוֹתָם
בְּהִיחָד דְּאוֹר א"ס וְכִמוֹ שְׂיִהְיֶה בְּתַכְלִית תַּקּוּן הָעֵתִיד.

in order to drawn down *Ohr Ein Sof* into BiY”A, and in order to rectify them all and unite them and elevate them into the Oneness of the *Ohr Ein Sof*, as will be with the complete *tikun* in the future.

וְהָרִי נִמְצָא כִּי כָל אֱלוֹהֵי הָאֲמֻצָּעִים שֶׁהוּא הַגְּלוּי הַכָּלְלִי דא"ס אֲשֶׁר
בְּהַמְלָכוֹת דְּאֲצִילוֹת לְצֶרֶךְ הַבִּי"ע

Thus we find that all of these intermediaries, which is the macro revelation of the *Ohr Ein Sof* in *malchut* of Atzilut for the sake of BiY”A,

וְאוֹר הַמְּלָכוֹת דְּאֲצִילוֹת הַמִּתְפַּשֵּׁט בַּהֲבִי"ע עֲצָמָן וְשׁוֹרָה בָּהֶם שֶׁהוּא
אוֹר שְׂכִינָתוֹ ית"ש הַשּׁוֹכֵן לְמַטָּה

and the light of *malchut* of Atzilut that spreads into the worlds of BiY”A themselves, and dwells in them, this is the light of His blessed *Shechinah* that dwell below.

וְעַקֵּר גְּלוּיָהּ הוּא בְּעוֹלָם הָעֲשִׂיָּה כִּנ"ל בְּרִישׁ דְּבְרֵינוּ שֶׁעוֹלָם הָעֲשִׂיָּה
הִיא תוֹלְדָתָהּ וְדִגְמָתָהּ

And the primary revelation thereof is in the World of Asiyah, as we said at the beginning, that the World of Asiyah is her *malchut* of Atzilut's product and replica.

וְכֵן אוֹר הַנֶּפֶשׁ שֶׁבְּכָל פְּרָצוּף הֵנָּה כָּלֵם הֵם בְּבַחֲי' אַחַת

And similarly, the light of *nefesh* in every *partzuf* is all of the same aspect,

שֶׁכ־א יֵרֵד בַּחוּץ מִמֶּנּוּ לְהִיּוֹת שֶׁרֶשׁ לְמַצִּיאֹתוֹ וּלְתַקְנֹו וּלְהַעֲלוֹתוֹ
since the light of each of them descends outside of itself to become the existential root of a lower level, and to rectify it and cause it to ascend.

וְכִ"ז הוּא הַכֹּל מִגְּלוּיֵי דְּהַמְּלָכוֹת דְּאֲצִילוֹת כִּי בָּהּ נִתְגַּלָּה א"ס לְצֶרֶךְ
הַבִּי"ע

All of this mentioned above is from the illuminations of *malchut* of Atzilut, for in her was revealed the *Ohr Ein Sof* needed for BiY”A.

וְכֵן הִיא אֲשֶׁר יֵרֵדָה עִי"ז וְנִתְגַּלָּה אַח"כ בְּעוֹלָם הָעֲשִׂיָּה וְכֵן בְּכָל
פְּרָצוּף בְּפֶרֶט וְהוּא בְּאוֹר הַנֶּפֶשׁ שֶׁבְּכָל פְּרָצוּף

It is she *malchut* too that descends by this means and becomes revealed afterwards in the World of Asiyah, as well as in every *partzuf* explicitly – in the light of the *nefesh* of each *partzuf*.

וְכִ"ז הוּא בְּבַחֲי' גְּלוּיָהּ שֶׁחוּץ מִמֶּנָּה ר"ל מָה שֶׁנִּתְגַּלִּית מִכְּחָהּ
וְדִגְמָתָהּ בְּהַעֲלָמוֹת הַנִּפְרָדִים

And all of this is her *malchut's* revelation outside of herself, meaning to say, what is revealed by her powers as her replica in the separated worlds.

אך גלוי עצמותה גופה שהוא אור קדשתה עצמה הנה הוא אור
שכינתו ית"ש

But the revelation of the essence of *malchut* herself – which is the light of her essential holiness – this is the light of His blessed *Shechinah*

אשר בבית המקדש ולא זזה מכתל מערבי לעולם ומתפשטת
בהתורה וישראל ושכנתי בתוכם.

that was in the Temple and did not budge from the Western Wall ever, and this permeates the Torah and the Jewish People, in the mystery of “I will dwell within them” (Exodus 25:8).

והוא גלוי ית"ש אשר בהשמות דאליהי"ם ואדנ"י המתפשטים
בבי"ע

And this is His blessed revelation within the Names Elokim and Ad-nai that spread forth to BiY”A

והם נמשכים ויוצאים מגלוי הוי"ה דב"ן שבהט"ס העליונים שבה
and they are drawn down and emerge from the revelation of Havaye of Ba”n
that is in her nine upper *sefirot*

אשר הם לעולם באצילות עצמו שהוא באות ה' אחרונה דהוי"ה
דאצילות

that always remain in Atzilut itself, in the final *hei* of Havaye of Atzilut,

שהוא הגלוי דא"ס ית"ש אשר בז"א דאצילות וכנ"ל בכל דברינו:
which is the revelation of the blessed *Ohr Ein Sof* in *ze'ir anpin* of Atzilut, as explained above throughout.

והרי נתבאר לנו מכ"ז כל הענין דהגלוי החמישי הפללי אשר
בהעולמות והפרצופים והשמות

All of the above thus explains the entire concept of the fifth macro revelation in worlds, *partzufim* and Divine Names –

כי כללותו הוא גלוי ויחודו בהמלכות דאצילות ובה הוא השרש
דכל הבי"ע כלם

that is in general His revelation in and oneness with *malchut* of Atzilut, in which is the root of the entire BiY”A.

והיא עצמה הנה היא ה' אחרונה דהוי"ה

And she herself i.e. *malchut* is the final *hei* of Havaye,

וּפְרָטוֹת הִי סְפִי שְׁבָה הוּא הוִ"ה דב"ן בהט"ס הָעֲלִיּוֹנִים שְׁבָה
וְהַשְׁמוֹת דְּאֵלֵּהֶם אֲדֵנִי בְּהַמְלָכוֹת שְׁבָה

and her ten individual *sefirot* are the nine upper *sefirot* of Havaya of Ba"n therein, and the Names Elokim and Ad-nai in her *malchut*.

וּבָהֶם הִיא מִתְגַּלָּה בְּכָל הָעוֹלָמוֹת בִּי"ע בְּמִצִּיאוֹתָם וְהִנְהָגָתָם
וְתוֹלְדוֹת

It is with them that she is revealed in all the worlds of BiY"n, in their existence and the way they are supervised and in their products,

מִדְרָגָתָה אֲשֶׁר בְּעוֹלָמוֹת הַנִּפְרָדִים הוּא עוֹלָם הָעֲשִׂיָּה וּבְחֻלְקֵי
הַנִּשְׁמָה שֶׁבְּכָל פְּרָצוֹף בִּפְרָט הוּא אֹר הַנֶּפֶשׁ

from her level in the separated worlds, which is Asiyah, and specifically in that part of the *neshamah* of every *partzuf* that is light of the *nefesh*.

וְכ"ז הוּא לְקַשֵּׁר כָּל תַּחְתּוֹן בְּעֲלִיּוֹן עַד לְמַעְלָה לְמַעְלָה וּלְגַלּוֹת יַחֲדוֹ
בְּכָלָם

The purpose of all of this is to bind every lower level to a higher level, to the very loftiest of levels, and to reveal His Oneness in everything.

כִּי הַנֶּפֶשׁ הִיא מִבְּחִי הָעֲשִׂיָּה וְהָעוֹלָם דְּעֲשִׂיָּה הִיא עוֹלָה בְּשִׁרְשָׁהּ עַד
הַמְּלָכוֹת דְּאֲצִילוֹת

For *nefesh* is the aspect of the World of Asiyah, and it extends up to its root in *malchut* of Atzilut,

כִּי הִיא תוֹלְדָתָהּ כְּנִז' וְהַמְּלָכוֹת דְּאֲצִילוֹת בָּהּ הוּא הַיַּחֲדוּ וְהַגְּלוּי
הַכָּלְלִי הַחֲמִישִׁי דא"ס

since it *nefesh* is her product the product of *malchut* of Atzilut, as mentioned, and in *malchut* of Atzilut is the unity and revelation of the fifth macro level from *Ein Sof*

וְהִיא עוֹלָה עַד הַמְּלָכוֹת דא"ס עֲצָמוֹ אֲשֶׁר לְמַעְלָה מִהַכֹּל כְּנ"ל
רפ"ה

which ascends to *malchut* of *Ein Sof* Himself that transcends everything, as explained above in chapter 5.

וְיֵרֵד מִלְּמַעְלָה לְמַטָּה וּמִגְלוּי לְגְלוּי עַד עוֹלָם הָעֲשִׂיָּה וְאֹר הַנֶּפֶשׁ
שֶׁבְּכָל פְּרָצוֹף

And it descended from above to below, from revelation to revelation, until the World of Asiyah, and to the light of *nefesh* in every *partzuf*.

וְהוּא אֲשֶׁר מִשְׁתַּתַּף בְּהַגּוּף וּמִתְעַרֵּב עִמּוֹ וְכַמּוֹ"ש כִּי נֶפֶשׁ הַבָּשָׂר בַּדָּם
הִיא (וַיִּקְרָא י"ז וְכֹן בַּפ' רֵאָה)

****It is this that partners with the body and becomes intertwined with it, as the verse (Leviticus 17:**11, and also in Re'eh) states, "for the *nefesh* of the flesh is in the blood..."**

כִּי הַדָּם הוּא הַנֶּפֶשׁ וַיִּשְׁנֻה בְּהַנֶּפֶשׁ כָּל תְּכוּנוֹת הַגּוּפָנוּיּוֹת מִכָּל עֲבִיּוֹתוֹ
וְחִמְרֵיּוֹתוֹ

"for the blood is the *nefesh*" (Deut. 12:23) and in the *nefesh* are all the physical qualities of coarseness and materiality.

וְלָכֵן תְּלִוּי בּוֹ כָּל תְּקוּן הָאָדָם כֻּלּוֹ בְּאֲשֶׁר מִתְקַן אֶת הַנֶּפֶשׁ בְּנ"ל

And therefore the entire rectification *tikun* of a person is when he rectifies the *nefesh*, as explained above.

וְתִקּוּנוֹ הוּא לְטַהֲרוֹ מִכָּל עֲבִית וְזוּהָמַת הַגּוּף אֲשֶׁר מִתְעַרֵּב עִמּוֹ
וְלִקְדָּשׁוֹ וְלִיחְדּוֹ עִם שָׂרְשׁוֹ

His rectification is to purify himself of all coarseness and the toxicity of the body that has become blended into him, and sanctify it and unify it with its root

אֲשֶׁר לֵעֲלֹא לֵעֲלֹא בְּנִז' וְעִי"ז מִתְתַּקֵּן וְעוֹלָה הַגּוּף ג"כ כִּי הֵם שְׁנֵיהֶם
קְשׁוּיִים וּמִיחְדִּים זב"ז לְעוֹלָם (ע' שְׁעַר טִנַּת"א פ"ה)

that is in the loftiest heights, as mentioned, and thus the body becomes rectified and elevated as well, since they are always bound to one another and unified with one another (see *Sha'ar TANT"Ar* chap. 5)

וְעַל זֶה שׁוֹלַח הָאָדָם בְּעוֹלָמוֹ לְתַקֵּן אֶת נִפְשׁוֹ וּלְזַכֵּךְ אֶת גּוּפוֹ שִׁיָּהָ
כֻּלּוֹ קוֹדֵשׁ לָהּ

For this the person was sent into his world – to rectify his *nefesh* and to purify his body, so that they should both be consecrated to G-d,

וְלִיחְדָּם בְּשָׂרָשָׁם הָעֲלִיּוֹן אֲשֶׁר לְמַעְלָה שֶׁהוּא בְּהַמְלָכוֹת דְּאֲצִילוֹת
וּבְהַגְלוֹי וַיִּחְדּוּ דְּאוּר א"ס שְׁבָה

and to unite them with their supernal source above, which is *malchut* of Atzilut, and with the revelation and oneness of the *Ohr Ein Sof* therein.

וְזֶהוּ כְּוָנָתוֹ ית"ש בְּכָל גְּלוּיָיו כֻּלָּם וּבְכָל בְּרִיאַת עוֹלָמוֹ וְאִזּוֹ יִשְׂמַח ה'
בְּמַעֲשָׁיו.

This was His intention in all of His revelations, and in the entire creation of His universe, and then, "God will rejoice in His deeds" (Psalms 104:31).

וּבִזְהָ הִנֵּה נִשְׁלַם הַפֶּרֶק וְכֵן נִשְׁלַם מַעֲתָה הַבְּאוּר דְּכָל הָה' גְּלוּיִם
הַכְּלָלִיִּים

With this we come to the end of this chapter and we complete the explanation of the five macro revelations –

אִיךְ שֶׁהֵם ג"כ בְּפִרְטוֹת כָּל עוֹלָם וּבִהְשָׁמוֹת וְהַפְּרָצוּפִים שֶׁב־א

how they are manifested specifically in each world and in the Names and *partzufim* in each world.

וּכְכֹל מָה שֶׁבִּאֲרָנוּ בְּכָל הַשַּׁעַר הַזֶּה שֶׁבַח וּתְהִלָּה לָאֵל עֲלִיוֹן קְדוֹשׁ
יִשְׂרָאֵל יִתְבָּרַךְ שְׁמוֹ:

For everything that we have explained in this section, may we express our praise of the One above, the Holy One of Israel, may His Name be blessed.

Footnotes

1. can also be translated as ‘forever’, מְעוֹלָם וְעַד עוֹלָם, as תָּמִיד ‘eternally’. But since we have already translated ‘always,’ it seems that the better translation here is as we have it. ↩
2. The Sefardi custom is to pronounce it *Shem Ben* (not *Ban*), but communities whose origins were in Christian countries try to avoid this pronunciation for obvious reasons. ↩
3. ‘Doubling the Name Havaye’ – since each letter is repeated in the iterated version, even the letter *yud* which is iterated as *yud-vav-dalet* since *vav-dalet* = 10, the same *gematria* as *yud* = 10. ↩
4. The reference here is somewhat puzzling as there is no such *sha’ar* in *Etz Chaim*. However, it seems that the Baal HaLeshem is referring to *Sha’ar* 35 (*Sha’ar haYare’ach*) chap. 5 towards the end. ↩
5. See *Etz Chaim, Sha’ar Mochin d’Tezelem* chap. 5. ↩
6. ‘Powers and capabilities’ are the proper translation of כִּחוּתָיו, since both are intended. ↩
7. *Sha’ar* 4 chap. 4. ↩
8. Literally, “the generation of the split between languages” i.e. when the single language used until then became divided into many languages.” ↩
9. When the letter ט is iterated in full, as דל"ט, this alludes to *malchut* “*d’leit lah nehora migarma*” (she has no light of her own) as the *Zohar* states in several places (*Zohar I* 31a, 39b, 132b etc.) ↩

10. The intention is probably to include both ideas – that ז"א and *malchut* together form one unit; and that together as ח"א and ט they form the word אהח. [↩](#)
11. See *Pardes Sha'ar* 19:3*.* [↩](#)
12. See Talmud *Chagiga* 14b, 15a Rashi, Maharsha. [↩](#)
13. Or, perhaps more accurately, the trunk of the tree (ז"א) and its branches (*malchut*) since the roots represent the hidden *sefirot* of *keter*, *chochmah*, *binah*. (See Ramak's *Or Ne'erav* 6:4). [↩](#)

15. The concept of *yichud* 'from below to above' is the ascent of *malchut* into her root above in the higher worlds, while the concept of *yichud* 'from above to below' is when His holiness is drawn down into the lower worlds (Makover). [↩](#)
16. See *Metzudat David*; Rashi (this refers to *Alufi shel olam*). [↩](#)

18. As mentioned previously, the word שורה is not easy to translate. It has the meaning of dwelling within, without being clothed within. [↩](#)
19. Makover explains that even though the 120 permutations of the Name Elokim – a state of spiritual immaturity – is the cause for *kelipah* to latch on to them, the *kelipah* nevertheless does not enter into the realm of holiness. [↩](#)
20. The Recanati there explains that 236,000 parasangs would be impossible to build (1 parasang = about 4 kilometers). But they intended to build it only 236 arm-lengths high, a proportional fraction of the real height in order to achieve their goal. [↩](#)
21. These are the number of sparks that fell when the vessels of Tohu shattered. See *Etz Chaim* 18:5. [↩](#)
22. This is a play on וְדְבָרִים אֶחָדִים ("and one common purpose") – when the *aleph* of אֶחָדִים (representing the Oneness of God) is dropped, it becomes דְבָרִים חֲדָיִם – strident and rebellious words. [↩](#)
23. The meaning of this abbreviation is not clear. [↩](#)
24. The order the Ba'al haLeshem presents here, first Sa"g and then A"b can possibly be explained thus: in the first instance the Name Havaye is associated with *Elokeinu*, which is associated with *binah* and therefore Sa"g, whereas the second instance of the Name is associated with Echad – the declaration of God's unity and is therefore associated with *chochmah*, regarding which is described as ולתוא הוא ואין זולתו (see *Tanya* chap. 35 בהגהה) [↩](#)
25. The Baal HaLeshem notes there that the expression "several thousand generations" here is inexact. It is not meant to be understood as a measure of

time (which the Sages measured as 20 years until the next generation is born), but rather as the Midrash on this verse explains – that thousands die every day, and thousands are born. Hence several thousand generations would have passed by this measure. The author then cites several other views regarding the length of a generation. ↩

26. There are other ways of translating this verse, e.g.: “The life of any creature is in its blood.” Or, “the life-force of all flesh is in its blood.” But our translation brings out the Leshem’s point better, imho. ↩

27. *Bereishit Rabba* 20:12. ↩

28. A derivative of *nefesh*. ↩

Chapter 7 — The Six Partzufim in each World and the Four Levels

7a — The Six *Partzufim* in each World and the Four Levels

הִנֵּה נִתְבָּאֵר לָנוּ מִכָּל דְּבָרֵינוּ בְּשֹׁעַר זֶה כִּי הָה' גְּלוּיָם הַכִּלְלִיִּים דא"ס
ית"ש

From everything we mentioned above in this section, it has been explained that there are five macro revelations of the blessed *Ein Sof*.

הִנֵּה הֵם נִתְפָּשְׁטוּ וְנִתְגַּלוּ בְּהָה' פְּרָצוּפִים א"א או"א זו"ן שֶׁבְּכָל עוֹלָם

These revelations spread forth and are revealed in the five *partzufim* – Arich Anpin, Abba and Imma, Ze'ir Anpin and Nukvah in each world.

וְע' לְעִיל פ"א אוֹת ו' שֶׁכְּתִבְנוּ שֵׁם כִּי בְּאֵמֶת הִנֵּה יִשְׁנָם בְּאַצִּילוֹת

See above chapter 1(f) where we wrote that in fact in Atzilut,

וְכֹן בְּכָל עוֹלָם ו' פְּרָצוּפִים וְהֵם עֲתִיק א"א או"א זו"ן וְהוּא בְּנוֹדָע
וּמְפֹרָס בְּכָל דְּבָרֵי הָאָרֶז"ל

as well as in all of the other worlds, there are six *partzufim*, not five, and they are Atik, Arich Anpin, Abba and Imma, Ze'ir Anpin and Nukvah, as is known and well-publicized throughout the teachings of the Arizal.

וְעַל זֶה הִנֵּה נֶאֱמַר כִּי הִנֵּה אֱלוֹי הַשָּׁשָׁה פְּרָצוּפִים הִנֵּה יִשְׁנָם דְּגִמְתָּן
בעוה"ז ג"כ

Regarding this it is also said that these six *partzufim* are replicated in this world as well,

וְהִנֵּה הֵם בְּכָל דּוֹר וְדוֹר הֵינּוּ בְּשֹׁרֶשׁ מְצִיאת כָּל דּוֹר

and that they are present in every generation, i.e. as the root of the existence of every generation,

אֲשֶׁר מֵרֵאשִׁית הַמְּשָׁכְתוֹ וְקִשּׁוּרוֹ בְּהַדּוֹר שֶׁעָבַר עַד סִיּוּמוֹ וְרִדְתּוֹ
בְּהַדּוֹר הַבֹּא

from the beginning of its evolution and its connection to the previous generation, until its completion and descent into the following generation.

הִנֵּה הֵם שֵׁשׁ פְּרָצוּפִים וְהֵינּוּ כִּי עֶקֶר מְצִיאוֹת כָּל דּוֹר וּמַעֲמָדוֹ הֵם
אֲבוֹת וּבָנִים וְאֲבֵי הָאֲבוֹת

These are the six *partzufim*. This can be understood by way of an analogy – the primary existence of every human generation and its status is defined by the fathers and sons and grandfathers of that generation, as we will explain.

כי אלו הג' הם משתמשים בהעולם ונהנים ממנו ושולטים בו
בשליטה שווה

This is because these three generations utilize the world, and benefit from it and impact it equally,

שהם קשורים בהעולם בקשר אמיץ והעולם הוא שלהם.

for they are tightly bound to the world, and the world is theirs to influence and impact in a positive way.

והנה הבנים הם בחי' הזו"ן והאבות הם א"א ואבי האבות הוא
דגמת א"א

Now the 'sons' in the analogy are the aspects of ze'ir anpin and nukvah¹ in the spiritual worlds, and the 'fathers' are Abba and Imma, and the 'grandfathers' are a replica of Arich Anpin.

שכל הנהגת העולם הוא עליו כי בישושים חכמה ומזקנים עצה

The way the entire world is directed is dependent upon him the grandfather in our analogy, representing Arich Anpin, since "in age is wisdom and in length of days understanding" (Job 12:12).

והוא דגמת א"א שהוא כולל את כלם וכלם תלויים עליו וכמ"ש הרב
בשער הכללים ספ"ט ובכ"מ

He the grandfather represents Arich Anpin, for he includes them all (all the other partzufim), and all of them depend on him, as the Rabbi Chaim Vital writes in the name of the Arizal in *Sha'ar HaKelalim* end of chapter 9 and elsewhere.

אך פרצוף עתיק שהוא למעלה מא"א והא"א הוא יוצא ונמשך
ממנו

But the *partzuf* of Atik, which transcends Arich Anpin, and Arich Anpin emerges and devolves from it,

הנה הוא בבחי' אבי הזקנים והוא אינו מקשר עם העולם כ"כ

is comparable in our analogy to a great-grandfather, who is not attached to the current world to such an extent,

שהנאתו ושמושו ושליטתו בהעולם הוא מעט מן המעט

since his benefit from and use thereof and his unconscious impact on it is minimal.

וכל מציאותו ועמידתו בהדור ההנהגה הוא רק לקשר את הדור
הקודם עם הדור הבא

His entire existence and status in the current generation is thus merely to connect the previous generation with the next generation,

כי הרי הוא נמשך מהדור שעבר ושם היה עקר מציאותו

since he is an extension of the previous generation and therein is his primary existence.

אלא שמתפשט ג"כ בהדור ההנה הנמשך בהדור הבא כדי לקשר
ולייחד את הדורות זה בזה

Only that he the great-grandfather in our analogy extends into the current generation, which in turn continues into the following generation, in order to connect and unite the generations, one to the other

בכל נימוסיהם ותכונותיהם וכן ליחדם ג"כ במציאותם העקרי

in terms of all of their decorum and qualities of character, and also to unite them with their primary mode of existence.

כי כל הדורות כלם הם קומה אחת וכמו פרצוף אחד אשר אי אפשר
לזה בלא זה

For all of the generations constitute a single domain or field, like a single *partzuf*, where one element cannot exist without the other.

אבל בפרטות הדורות הנה עקרו דבי הזקנים באמת רק מהדור
שעבר

But as regards a specific generation, the 'house of the elders' truly relates only to the previous generation

שהוא למעלה לגמרי מהדור ההנה והוא בבחי' פרצוף עתיק

which completely transcends the current generation – and in the correlate to our analogy this is the *partzuf* of Atik.

וכנודע בדברי הרב שעתיק עקרו הוא למעלה ומסתים הנה"י שלו
בחג"ת דא"א

As is known from the words of the Rabbi Chaim Vital citing the Arizal – Atik is primarily transcendent, although the *neh"i* (*netzach, hod, yesod*) thereof, culminates in *chaga"t* (*chesed, gevurah, tiferet*) of Arich Anpin,

אשר שם מלביש אותו או"א

where Abba and Imma *chochmah* and *binah* enclothe only the outer aspects of Arich,

ונשלם ומסתים עתיק כלו למעלה מן הפרסא שבא"א

so that the extension of Atik into Arich is completed and culminates in total above the dividing *parsa* that is in Arich.²

ואינו מתחבר הוא עם הזו"ן מאומה כי הזו"ן הם רק למטה מן
הפרסא

Thus Atik does not connect with ze'ir anpin and nukvah at all,³ and they are situated exclusively below the *parsa*.

ומפסיק הפרסא דא"א בין עתיק לזו"ן ועליו נאמר יהי רקיע בתוך
המים ויהי מבדיל בין מים למים

This *parsa* in Arich Anpin separates between Atik and ze'ir anpin and nukvah, and regarding this the verse (Genesis 1:6) states, "there shall be a firmament in the midst of the waters, and it shall divide between water above the firmament and water below the firmament.

שהוא להבדיל בין הקדש ובין קדש הקדשים בין עתיק לזעירא
וכמ"ש בספד"צ פ"ה ע"ש בהגר"א

Its purpose (like the curtain/*parochet* in the Tabernacle) is to divide between the holy and the holy of holies, between Atik and ze'ir, as it states in *Sifra d'Tzniuta* chap. 5. See GR"A ad loc.

שעל זה נאמר והבדילה הפרכת לכם בין הקדש ובין קדש הקדשים
וכמ"ש בזוה"ק בראשית ל"ג ע"א

Regarding this it states (Exodus 26:33) "and the curtain shall divide for you between the holy and the holy of holies," as the Zohar states in *Bereishit* 33a.

וזהו שאמרו בבראשית רבה פ' נ"ד סימן ב' כי רחמי האב על הבן
הוא רק עד בני בנים ולא יותר למטה

This is also the gist of the statement in *Bereishit Rabba* 54:2 that the compassion of a father for his child extends only to his grandchildren, and no further.

והוא משום שכן הוא קשורם ושרשם למעלה כי אבי האב שהוא
בחי"א"א

This is because their connection and root mirrored up above in the *sefirot* and *partzufim*, is such that the grandfather corresponds to Arich Anpin,

הנה הזו"ן מלבשים אותו מהטבור ולמטה שבו

and ze'ir anpin and nukvah enclothe him Arich from his *tabur* ('navel') **and below. **

והרי קשור הא"א עם הזו"ן ומלבש ומיחד עמהם בכל השעור אשר
מהטבור ולמטה

Thus Arich Anpin is connected to ze'ir anpin and nukvah, and is unified with them for the entire stature from the *tabur* and below.

וְזֶהוּ סוּד הַכְּתוּב עַל כֵּן הֵמוּ מְעִי לוֹ רַחֵם אֶרְחָמֶנּוּ

This is the mystical explanation of the verse (Jeremiah 31:19), “My innards yearn for him, I will surely take pity upon him, says God.”

כִּי יִשְׂרָאֵל אֲשֶׁר שָׂרְשָׁם הוּא הַזֶּה אֵל בְּסוּד בְּנֵי בְכוּרֵי יִשְׂרָאֵל

For since the root of Israel is in ze'ir anpin – the mystical secret of “My firstborn, Israel” (Exodus 4:22)

הֵם מִיְחָדִים בָּא"א וְקִשּׁוּרִים בְּמַעְיָו שֶׁהוּא מֵהַטְּבוּר וּלְמַטָּה

therefore they are unified with Arich Anpin and connected to His ‘innards’ i.e. from the *tabur* and below.

וְלָכֵן הִנֵּה הָא"א הַתְּחִלַּת הָאֲצִילוֹת כִּי הוּא מֵתַפְּשֵׁט וּמֵתַגָּלָה בְּכָל אֲצִילוֹת כָּלוּ

Accordingly, Arich Anpin is the beginning of Atzilut, since it extends throughout and is revealed with the entire span of Atzilut.

מִשָּׂא"כ עֲתִיק הוּא לְמַעְלָה וְנִעְלָם וְאִין לוֹ גִּלּוּי בַּהֲזוּ"ן כָּלֵל כִּי הִרִי הַפָּרָסָא מִפְּסִיק בִּינֵיהֶם

But this is not true of Atik, which remains above and is concealed, and is not revealed in ze'ir anpin and nukvah at all, since the *parsa* divides between them.

וְעָקְרוּ דְעֲתִיק הִנֵּה הוּא רַק לְקִשּׁוּר אֶת הָאֲצִילוֹת בָּא"ס וּכְמ"ס הַסֵּפֶד"צ פ"א

In this scenario the primary function of Atik is merely to connect Atzilut to the *Ein Sof*, as *Sifra d'Tzniuta* chap. 1 states:

הָאִי מֵתַקְלָא תָּלּוּי בְּאַתֵּר דְּלָא הָיִי וְהִרִי הוּא נִעְלָם עַכ"פ

This scale is suspended from a place that isn't i.e. isn't manifested in a way that it can be discerned; at the very least, it is concealed.

וְכֵן הוּא דִּגְמָתוֹ בַּהֲדוּרוֹת שְׂאֵבֵי הַזִּקְנִים הוּא רַק הַמְּקִשֵּׁר אֶת הַדּוּרוֹת שֶׁעָבְרוּ עִם הַדּוּר הַבָּא אֲבָל הוּא לְמַעְלָה מֵהֶם וְכִנּוּי:

And so too is this reproduced in the descent of the generations – the great-grandfather merely binds the past generations to the coming generation, but he transcends them the people of the current generation, as mentioned earlier.

וְהִרִי נִתְבָּאָר כִּי כָּל הַשֵּׁשָׁה פְּרָצוּפִים דְּאֲצִילוֹת הִנֵּה יִשְׁנָם דִּגְמָתוֹ לְמַטָּה בְּכָל דּוּר

Thus it has been explained that all six *partzufim* of Atzilut are replicated in every generation as well.

וּבְעֵמֶק הָעֲנִין הֵנָּה הֵם עֲצָמָן סוּד שְׂרֵשׁ מְצִיאת כָּל דּוֹר וְכָל תְּהִלּוּכוֹת הַנֶּעֱשֶׂה בְּמְצִיאת כָּל דּוֹר לְמַטָּה בֵּן הוּא כ"ז ג"כ לְמַעְלָה לְמַעְלָה.

At the depth of this idea is that they themselves the *partzufim* are the mystical secret of the existence of every generation and the events that unfold in every generation below, so too is all this above – and to the very loftiest levels.

וְהֵינּוּ כִּי הָרִי אֱלוֹ הַשֵּׁשֶׁה פְּרָצוּפִים הֵנָּה הֵם בְּד' מַדְרָגוֹת אֲשֶׁר כָּל מַדְרָגָה וּמַדְרָגָה הוּא קוֹמָה כְּלָלִי אַחַת

This is to say: these six *partzufim* comprise four levels, each of which is a single macro domain or field,

ר"ל פְּרָצוּף כְּלָלִי אֶחָד הַכוֹלֵל פְּרָטִים רַבִּים כִּי הָרִי הֵם עֲתִיק א"א או"א זו"ן שֶׁהֵם ד' מַדְרָגוֹת

in other words, a single macro *partzuf* that includes many details i.e. micro aspects. These macro *partzufim* are Atik, Arich Anpin, Abba and Imma, ze'ir anpin and nukvah comprising four levels – since Abba/Imma is counted as a single level, as is ze'ir anpin/nukvah.

וְהֵנָּה הַזֶּה הַזֶּה הֵם מַדְרָגָה אַחַת הַכוֹלֵל פְּרָטִים רַבִּים וְהֵם שְׂרֵשׁ הַבָּנִים שֶׁבְּכָל דּוֹר

Now ze'ir anpin/nukvah constitute a single level that includes many specifics, and they are the root of the children in every generation.

וְאו"א הוּא מַדְרָגָה לְמַעְלָה מֵהֶם וְכוֹלֵל פְּרָטִים רַבִּים וְהֵם שְׂרֵשׁ הָאֲבוֹת שֶׁבְּכָל דּוֹר

Abba/Imma, also regarded here as a single entity, are a level above them – above ze'ir anpin/nukvah – and they include many specifics, and are the root of the fathers in every generation.

וְא"א הוּא מַדְרָגָה שְׁלִישִׁית לְמַעְלָה מֵהֶם וְכוֹלֵל פְּרָטִים רַבִּים וְהֵם שְׂרֵשׁ הַזְּקֵנִים שֶׁבְּכָל דּוֹר

And Arich Anpin is the third level, and is above them – above Abba/Imma – and includes many specifics, and they are the root of the grandfathers in every generation in our analogy**.*

וְעֲתִיק הוּא מַדְרָגָה רְבִיעִית לְמַעְלָה מֵהֶם וְכוֹלֵל פְּרָטִים רַבִּים וְהֵם שְׂרֵשׁ אֲבֵי הַזְּקֵנִים שֶׁבְּכָל דּוֹר

And Atik is the fourth level, and is above Arich Anpin – and includes many specifics, and they are the root of the great-grandfathers in every generation in our analogy.

וְהִנֵּה מִתְעַלָּה תְּמִיד כָּל מִדְרָגָה הַקּוֹדְמוֹת לְמַעַלָּה לְשָׁרָשׁוֹ

Now every preceding level always ascends to its root above,

וְעוֹלָה כָּל תַּחְתּוֹן לְהַעֲלִיּוֹן שְׁעָלָיו וּמִתְגַּלָּה לְמַטָּה אִוְרוֹת חֲדָשִׁים
תַּחְתִּיהָ

and everything below ascends to the level above it, and new illuminations become revealed below instead of them.

וְסֵדֶר הָעֲלִיָּה הוּא כִּי עֲתִיק עוֹלָה לְשָׁרָשׁוֹ שְׁבַא"ס וְא"א עוֹלָה
לְמִדְרַגַּת עֲתִיק

The order of ascent is as follows: Atik ascends to its root in Ein Sof, and Arich Anpin then ascends to the level of Atik;

וְאִו"א לְמִדְרַגַּת א"א וְזו"ן לְמִדְרַגַּת אִו"א וּמִתְגַּלָּה אִוְרוֹת חֲדָשִׁים
לְמִדְרַגַּת זו"ן

Abba/Imma ascend to the level of Arich Anpin, and ze'ir anpin/nukvah ascend to the level of Abba/Imma, and new illuminations are revealed at the level of ze'ir anpin/nukvah i.e. where they were previously.

וְהִנֵּה עוֹלִים תְּמִיד כָּל פְּרָצוּפֵיהֶם הַפְּרָטִיִּים שְׁבַכ"א מֵהֶם כ"א
לְהַמְדְּרָגָה הָעֲלִיוֹנָה שְׁעָלָיו

Thus all of the individual *partzufim* of each of them of each of the macro levels constantly ascend to the next level up.

כִּי הִרִי אֲמַרְנוּ שְׁכָל מִדְרָגָה וּמִדְרָגָה מֵאֵלּוֹ הֵד' הוּא כּוֹלֵל פְּרָטִים
רַבִּים

For as we said, each level of these four macro levels includes many specifics i.e. micro aspects,

וְשְׁעוֹר הַפְּרָטִים שְׁבַכ"א הוּא כִּמוֹ מִסְפֵּר הָאִישִׁים אֲשֶׁר בְּכָל מִדְרָגָה
שְׁבִהָעוֹלָם הַזֶּה

and the number of details in each of them is like the number of individual entities there are at each level of this world.

וְכֵן הֵם מִסְפֵּר שְׁעוֹרֵי דֵּהד' מִדְרָגוֹת כְּמִסְפֵּר כָּל הַדּוֹרוֹת שְׁבִהָעוֹה"ז

And so too the number of entities at each of the four levels is akin to the number of all the generations there are in this world,

כי הד' מדרגות הם דור אחת כנ"ל וישנם שעורי דד' מדרגות למעלה
כשעור מספר הדורות אשר למטה

since the four levels comprise a single generation, as noted above, and the number of ascending generations above is like the number of descending generations below.

וכן הפרטים שבכל מדרגה למעלה הוא כמספר האישים שבכל
מדרגה שבכל דור אשר למטה

And so too the number of details at each level is like the number of individuals at each level in each generation below,

כי למעלה הוא שרשם ואין בענף ותולדה אלא רק מה שהוא
בהשרש

since their root is above, and the branch as its descendant contains only what is in the root.

והנה עולים תמיד כל הפרטיים שבכל מדרגה מהד' מדרגות שבכל
דור כ"א לשרשו

Thus all the details of each of the four levels in each generation is in a state of constant ascent to its root –

עתיק לשרשו שבא"ס וא"א לעתיק ואו"א לא"א וזו"ן לאו"א

Atik to its root in *Ein Sof*; Arich Anpin to Atik; Abba/Imma to Arich Anpin; and ze'ir anpin/nukvah to Abba/Imma –

ומתחדשים אורות חדשים למציאת מדרגת זו"ן וכן מתחלפים
ומתחדשים בדרך זה תמיד

and new illuminations emerge at the level of the existence of ze'ir anpin/nukvah, and they are continually exchanged and produced anew in this manner.

כי שרש כל דור ודור עולה בו כ"א למדרגה שלמעלה עד שעולים
כלם לא"ס

For the root of every generation ascends to the level above it, until all of them ascend to *Ein Sof*,

ומתגלים ומתחדשים אורות חדשים אחרים תחתיהם בכל הד'
מדרגות כלם לכל דור ודור

and new illuminations are revealed and emerge in place of those that ascended on all four levels in every generation,

וכמו שאנו רואין דגמתו בכל התחלפות הדורות שבהעולם הזה

just as we see with the passing of generations in this world and the advent of new generations,

וכמ"ש דור הלך ודור בא והארץ לעולם עמדת.

as the verse (Ecclesiastes 1:4) states, "A generation comes and a generation goes, but the earth endures forever."

והארץ הוא המלכות דאצילות (כמ"ש בַּרְע"מ פִּנְחָס רט"ז ע"ב)

'The earth' in the verse alludes to *malchut* of Atzilut (as *Raya Mehemna*, Pinchas p. 216b states),

שְׁכָל הַדּוֹרוֹת הֵם מִמֶּנָּה וְכָל הַתַּחֲלָפוֹת הַדּוֹרוֹת כָּלָם הֵם יּוֹצְאִים מִמֶּנָּה

for all of the descending generations come from her, and all the changing of generations also comes from her,

וְכֹן חוֹזְרִים וְעוֹלָם כָּלָם בָּהּ לְשַׁרְשָׁן וּמִתְחַדָּשִׁים מִמֶּנָּה אַחֲרֵיהֶם תַּחֲתֶיהֶן

and all of them return and ascend to her to their root, and new ones are produced anew from her to take their place of the ones that ascended,

עַד סוֹף זְמַן דְּקִיּוֹם הָעוֹלָם שֶׁיִּחְזְרוּ בָּהּ כָּלָם לְשַׁרְשָׁן

until the end of the existence of this world, when all will have returned to their root in her.

וְכֹן הוּא עַד"ז בְּכָל הַד' מִדְּרָגוֹת הַנִּז' שֶׁבְּהֶאֱצִילוֹת שֶׁהֵם כָּל הַפְּרָצוּפִים כָּלָם

And so too is it with all four levels in Atzilut mentioned above, i.e. all the *partzufim* without exception

הֵנָּה הֵם יּוֹצְאִים מִהַמְּלָכוֹת דַּא"ס שֶׁהִיא הָאָרֶץ הָעֲלִיּוֹנָה וְכֹן חוֹזְרִים וְעוֹלָם בָּהּ תָּמִיד

– all emerge from *malchut* of *Ein Sof*, which is the supernal 'land,' and all of them return and ascend into her continually,

לְשַׁרְשָׁן שְׂבַא"ס וּמִתְגַּלִּים מִמֶּנָּה אוֹרוֹת חֲדָשִׁים אַחֲרֵיהֶם תַּחֲתֶיהֶם וּמִתְחַלְּפִים תָּמִיד עַד"ז

returning to their root in *Ein Sof*, and new illuminations are revealed from her instead of them, and they are always changing,

עַד שֶׁיִּכְלוּ כָּל הַנִּשְׁמוֹת שֶׁבְּגוּף הָרְאוּיָן לָבוֹא בַּעוֹה"ז

until there will be no more souls in *Guf* the 'storehouse' of souls above to come down to this world,

ועד שישתלמו כל האורות דהקומה הגבולי הכללית

and until all the illuminations from the finite macro stature will have been completed,

שעלה ברצונו ית"ש לגלה אורם ולהמשיכם ולהוציאם לאור בכל הנאצלים כלם

as it arose in His blessed will to reveal and draw down and bring them out into the light among all the emanated beings.

ואז יחזרו יעלו כלם לשרשן העליון שבהמלכות דא"ס ולסוד שרש האחדות השלימה

And then all of them will return to their supernal root in *malchut* of *Ein Sof* in the mystical secret of complete unity,

והוא לבדו ימלך נורא. יתברך ויתעלה שמו לעד אנס"ו.

And He alone will rule in His awesome majesty, may His Name be blessed and hallowed forever and ever.

וע' בכ"ז עוד בדברנו למטה והבן כ"ז מאד:

Regarding all of this, see further below, and understand all of this very well.

7b — Atik and Arich Compared With Av"A and Zu"n

והנה אמרנו כי הששה פרצופים הם בד' מדרגות שהם עתיק א"א או"א זו"ן

Now we stated that the six *partzufim* constitute four levels – Atik, Arich Anpin, Abba/Imma (abbreviated below as Av"A) and ze'ir anpin/nukvah (abbreviated as zu"n).

והוא משום כי בעתיק וא"א אין בהם בחי' נוקבא נפרדת לפרצוף בפנ"ע

This is because Atik and Arich Anpin do not have a 'female' element recognizable as a distinct *partzuf*,

וכמ"ש הרב בשער עתיק פ"ב וכו'נודע

as the Rabbi Chaim Vital in the name of the Arizal writes in *Etz Chaim Sha'ar Atik* chap. 2, as is known.

לכן הם רק ששה פרצופים והם בד' מדרגות.

Therefore there are only six *partzufim* which constitute four levels.

והנה חלוקים הששה פרצופים הללו בבחי' הנוקבין שבהם

Now these six *partzufim* are differentiated by the ‘female’ elements – *nukvin* – within them.

כי הזו"ן אין יחודם תמידי ואינם משתנים זה עם זה

For the *yichud* supernal unification of *zu"n* is not constant, and they *ze'ir anpin* and *nukvah* are not equal to one another,

וישנם ז' בחי' בענני חלוקי ההשתוות שביניהם וכמ"ש הרב בשער
מעוט הירח פ"א וכנ"ל פ"ו אות ג'

and in fact there are seven aspects in which they differ, as the Rabbi Chaim Vital in the name of the Arizal writes in *Etz Chaim Sha'ar Mi'ut haYare'ach* chap. 1, as explained above Chap. 6(c).

אך או"א הם כחדא נפקיו וכחדא שרין והם תרין רעין דלא
מתפרשין

But Av" A ‘emerge as one, and reside as one, and they are as two inseparable companions,’

(וכמ"ש בספד"צ פ"א ובאד"ז ר"צ ע"ב ופ' ויקרא ד' ע"א)

(as the *Sifra d'Tzniuta* chap. 1 and *Idra Rabba* 290b, and *Vayikra* 4a state).

וע' בשער או"א ספ"ז ה' חלוקים בין או"א לזו"ן.

See *Etz Chaim Sha'ar Av" A* end chap. 7 the five differences between Av" A and Zu"n.

אך עכ"פ הוא כי גם או"א הם ב' פרצופים מיוחדים,

Nevertheless, Abba and Imma are also two discrete *partzufim*,

אבל או"א ועתיק אין הנוקבין שבהם פרצוף בפנ"ע כלל.

whereas with Arich Anpin and Atik the ‘female’ element in them not a distinct *partzuf* at all.

אלא שבאו"א הנה הנוק' בחי' השמאל שבו שהדו"ן שבאו"א שהם
המ"ה וב"ן

Instead, in Arich Anpin the ‘female’ element is the aspect of the left, since the ‘male’ and ‘female’ of Arich Anpin are *Ma" h* and *Ba" n*,

הם הימין ושמאל שבו המ"ה בימין והב"ן בשמאל והם הדו"ן שבו

and are its right and left – *Ma" h* on the right, and *Ba" n* on the left; these are the ‘male’ and ‘female’ elements therein.

אך בעתיק הנה הדו"ן שהם המ"ה וב"ן בחי' הפנים והאחור שבו

But with Atik, the ‘male’ and ‘female,’ which are *Ma" h* and *Ba" n*, are the aspect of front and back or anterior and posterior thereof:

המ"ה בפנים והב"ן באחור והם הדו"ן שבו

Ma"h is in front and *Ba"n* is in back, and constitute its 'male' and 'female' elements.

ועומדים בו המ"ה וב"ן אחור באחור שהוא אחוריהם דבוקים זה בזה

Ma"h and *Ba"n* stand facing away from each other, i.e. they are back-to-back

והנה הפנים דהמ"ה מצד הפנים דעתיק

so that 'face' the anterior aspect of *Ma"h* is situated as the 'face' of Atik,

והפנים דהב"ן מצד האחוריים דהעתיק וכמ"ש כ"ז בשער עתיק
פ"ב

and the 'face' of *Ba"n* is situated as the back or posterior aspect of Atik, as is all explained in *Etz Chaim Sha'ar Atik* chap. 2.

ולכן אמרו באד"ר קכ"ט ע"א לית שמאלא בהאי עתיקא סתימאה
כולא ימינא

And therefore the *Idra Rabba* p. 129a states, "there is no left side in this hidden Atik; it is all right side only,

כי מאחר שהם אחור באחור הרי הנה השמאל דב"ן בהימין
דהמ"ה

because since they *Ma"h* and *Ba"n* are back-to-back, *Ba"n's* left aspect is behind *Ma"h's* right aspect**, **

והשמאל דהמ"ה בהימין דהב"ן ונכלל בכ"א השמאל בימין

and *Ma"h's* left is behind *Ba"n's* right; thus the left aspect of each of them merges into the right of whichever dominates that aspect – *Ma"h* dominates in the front, so the left of *Ba"n* merges into *Ma"h's* right, and *Ba"n* dominates in the back aspect, so the left of *Ma"h* merges into *Ba"n's* right.

והרי הוא עי"ז כולא ימינא וכן הוא ג"כ כולא בחי' פנים

Thus the composite *partzuf* is entirely the right aspect, and it is entirely 'face,' the frontal or anterior aspect

כי הרי מצד זה הוא הפנים דהמ"ה ומצד זה הוא הפנים דב"ן

since on one side is the 'face' of *Ma"h* and on the other side is the 'face' of *Ba"n*.

אלא בהעריך זה מול זה נקרא הפנים דב"ן בחי' אחור בערך הפנים
דהמ"ה

Relative to one another, however, the face of *Ba”n* is called ‘back’ the posterior aspect compared to the face of *Ma”h* in front.

אָבֶל בְּאַמֶּת הָרִי הוּא כָּל פָּנִים וְכָל יָמִין.

But in truth it is all face or anterior, and it is all the right aspect.****

וְהָרִי עַכ"פּ הוּא כִּי בְּעֵתִיק וּא"א אֵין הַנוֹקְבִין שְׂבָהֶם נִכְרִים לְפָרְצוֹף
בַּפִּנ"ע כָּלֵל מִשָּׂא"כ בְּאו"א וְזו"ן כְּנִז'.

So in any event, the female elements of Atik and Arich Anpin are not discernable as standalone entities at all, which is not so with Av”A and zu”n, as we noted.

וְהַטֵּעַם הוּא כִּי לְעוֹלָם הָאָבוֹת מִתְיַחֲדִים ע"י הַבָּנִים.

And the reason for this is that the ‘parents’ (literally ‘fathers’) unite because of the ‘children’ – in other words, the higher *partzufim* merge due to the lower *partzufim* that they produce.

כִּי ע"י הַבָּנִים מִתְקַשְּׂרִים הָאָבוֹת וּמִתְדַבְּקִים רוּחָא בְּרוּחָא וְנִעְשִׂים
אֶחָד

Because by means of the children the lower *partzufim**, the parents** the higher *partzufim* bond and cleave to one another spirit to spirit, and become one *partzuf*.**

וְלָכֵן הוּא כִּי כָּל מָה שֶׁתּוֹלְדוֹת הַדּוֹרוֹת מִתְרַבִּים נִעֲשֶׂה הַיְחוד
בְּהָאָבוֹת בְּיוֹתֵר

Accordingly, the more the descending generations proliferate, the more the *yichud* (unification) of the parents intensifies,

וְהִנֵּה הַיְחוד בְּהָאָבוֹת דְּאָבוֹת יוֹתֵר מִבְּאָבוֹת; וּבְהָאָבוֹת דְּהִזְקֵנִים
יוֹתֵר מִהִזְקֵנִים

so that the *yichud* of the ‘grandparents’ is greater than the *yichud* of the parents; and the *yichud* of the *parents* of the older generation, more than the *yichud* of the older generation itself.

וְלָכֵן הוּא בְּאו"א וְעֵתִיק מִתְיַחֲדִים הַדּו"ן שְׂבָהֶם וְאִינוּ נִכָּר בָּהֶם
הַנוֹקְבִין לְפָרְצוֹף בַּפִּנ"ע כָּלֵל

And therefore, the female and male elements of Arich Anpin and Atik become so closely unified that the female element is not discernable as a separate *partzuf* at all,

וּבְעֵתִיק מִתְמַעֵט בּוֹ הַהִפְךָ עוֹד יוֹתֵר מִבְּאו"א

and in Atik the possibility of distinguishing the female element is even more reduced than in Arich Anpin,

כי כל מה שתולדות הדורות מתרבים מתעצם היחוד והדבקות
דרוחא ברוחא

because this follows the rule that **the more the descendant generations proliferate, the more intense is the yichud and cleaving of spirit to spirit**

בהדו"ן הקודמים אשר בהדורות שלמעלה ביותר וביותר

of the male and female elements in the prior generations, ascending higher and higher,

עד שהדו"ן שבהדור היותר קדם הם נעשים לאחד ממש

to the extent that the male and female elements of the earliest progenitors literally become one.

ולכן לא נכר בעתיק בבחי' נוקבא כלל ומתמעט בו ההכר עוד יותר
מבא"א

This is why no female element can be discerned in Atik at all, and even more so than in Arich Anpin.

וכן הוא באמת דגמלתו גם למטה בעולם הזה והוא בענין התדבקות
דרוחא ברוחא

And so too is it in similar fashion below in this world as well – the concept of cleaving spirit to spirit

שנעשה בהדו"ן שבהזקנים וכן בהאבות דהזקנים הכל ביותר
וביותר:

that prevails among the male and female elements of the older generation, and so too the yichud of the parents of the older generation, becomes more and more intense.

אמנם מה שלא נמצא בהעולם הזה דגמלתו ממש כמו בא"א ועתיק

However, the fact that there is no real replica of Atik and Arich Anpin in this world,

שיתיחדו הדו"ן דהזקנים בבחי' ימין ושמאל

where the male and female elements of the older generation unite as the aspects of right and left,

ובהאבות דהזקנים בבחי' פנים ואחור

and where the male and female elements of the parents of the older generation unite as the aspects of front and back.

הטעם הוא כי ענן היחוד דהדו"ן שבהאבות שהוא לפי רבוי
התולדות שאמרנו

The reason for this is that the *yichud* of male and female elements in the parents is because of the proliferation of descending generations, as we explained.

הנה יש בזה עוד ענן והינו כי הוא תלוי באיכות היחוד דהתולדות
ג"כ

But there is another concept here as well – it depends on the quality of the *yichud* of the descendants as well.

וזהו עקר הסבה בכל החלוקים אשר יש בין או"א להזו"ן וכנ"ל שיש
ה' חלוקים ביניהם

Indeed, this is the primary reason for all the differences there are
between Av"n and Zu"n, of which there are five, as mentioned earlier.

הנה הסבה העקרית בזה הוא משום השנוי וההבדל דאיכות פרי
התולדות אשר בין או"א לזו"ן

Now the primary reason for this (that there is no real replica in this world of Atik and Arich Anpin in terms of left and right, front as back, as just mentioned) is because of fluctuations and differences between Av"n and zu"n in the quality of their descendants,

ועי"ז נשתנו ביחוד הדו"ן שבהם

and because of this, there are changes in the *yichud* of male and female in them
in Av"n and zu"n**.*

כי פרי התולדות דהזו"ן הנה הוא רק בהעולמות הנפרדים

The descendants of *zu"n* are found only in the detached or separated worlds i.e.
BiY"n.

והגם שכל הזו"ן הנה הם באצילות כי הם האצילות העקרי וכנ"ל
פ' ד' ה' ו'

Although the *partzufim* of *zu"n* are entirely in Atzilut, for they are the primary aspect of Atzilut, as explained earlier in chapters 4, 5, 6;

אך פרי תולדותיהם ופעלותיהם הוא בהעולמות בי"ע שהם
העולמות הנפרדים

nevertheless, their descendants and their activities are in the worlds of BiY"n,
which are the detached worlds.

אבל האו"א הנה כל פרי תולדותיהם ופעלותיהם רק באצילות
שהוא בהזו"ן וכמ"ש בזה"ק בראשית כ"ב א' כ"ט ב'

But the descendants and activities of Av”A are only in Atzilut, in zu”n, as it states in *Zohar, Bereishit 22a, 29b*,

וְלָכוּ הָיָה הַיְחוד דְּהוּזו"ן אֵינוֹ תְדִירִי כָּלֵל וְאֵינָם מִשְׁתַּוִּים זֶה עִם זֶה
and therefore the *yichud* of zu”n is not constant at all, and they ze’ir anpin and nukvah are not equal to one another.

כִּי וְכִי בְדִרְךָ זֶה אֶפְשָׁר לְהִנְפָּרֵדִים לְקַבֵּל אֶת פְּרֵי תוֹלְדוֹתֵיהֶם
וּפְעֻלוֹתֵיהֶם

It is only in this way that those who are separated i.e. the inhabitants of BiY”A can receive the descendants and activities originating in zu”n,

וְכֵמוֹ שֶׁכָּתַבְנוּ לְעֵיל פ"ו אוֹת ג' וּבְכָל דְּבָרֵינוּ שֵׁם
as we wrote above, chapter 6(c) et al.

אָבֵל או"א אֲשֶׁר כָּל פְּרֵי תוֹלְדוֹתֵיהֶם וּפְעֻלוֹתֵיהֶם הוּא בְּהוּזו"ן שֶׁהוּא
בְּהֶאֱצִילוֹת עוֹלָם הַיְחוד

But Av”A’s descendants and activities are in zu”n, which in Atzilut, the world of oneness.

וְלָכוּ הָיָה או"א יְחודִם תְּדִירִי וּמִשְׁתַּוִּים זֶה עִם זֶה כִּי הֵם כִּחָדָא
נִפְקִין וְכִחָדָא שְׂרִין וְכָנ"ל.

And therefore the *yichud* of Av”A is constant, and they are equal in stature, since they emerge as one and dwell as one, as noted above.

וְעַכ"ז הִנֵּה מִשּׁוּם שְׁמֵהֶם יוֹצְאִים הוּזו"ן אֲשֶׁר יְחודִם הוּא אֵינוֹ תְּדִירִי
וּפְעֻלִים בְּהִנְפָּרֵדִים

Nevertheless, because zu”n emerge from them, and their zu”n’s *yichud* is not constant, and they have an effect on the separated creatures

וְכָל קְבֻלַּת הוּזו"ן הִרִי הוּא מֵאו"א
and everything they receive is from Av”A.

לָכוּ הוּוּ גַם או"א בְּב' פְּרָצוּפִים מִיְחָדִים עַכ"פ וְהִרִי הֵם אֵינָם אֶחָד
מִמֶּשׁ לְבַד

Therefore, Av”A too are at least comprised of two merged *partzufim*, and they are not entirely a single entity.

אֲמָנָם א"א שֶׁהוּא אָב לֹאֲבָהוּן שֶׁהֵם הָאו"א הַיוֹצְאִים וּמְקַבְּלִים
מֵא"א וְיְחודִם הוּא תְּדִירִי

However, Arich Anpin, in our analogy the ‘grandfather’ to the ‘parents’ Av”A, which emerge from and receive from Arich Anpin, and so their *yichud* is constant,

לְכוּ נַעֲשֶׂה הָדוּ"ן שְׁבִיא"א לְאַחַד מִמֶּשׁ וְאִין בִּא"א נִקְבָּא מִיַּחְדָּת
בִּפְנֵי כָּל

therefore, the male and female in Arich Anpin actually become one, and there is no standalone female element in Arich Anpin at all.

אֲךְ מִשּׁוּם שֶׁגַּם תּוֹלְדָתוֹ שֶׁהוּא או"א הֵרִי הֵם אֵינָם אֶחָד מִמֶּשׁ לְבַד

But, because his Arich's descendants, Av"A, they the male and female elements are not entirely a single entity

כִּי הֵרִי הֵם בָּב' פְּרָצוּפִים מִיַּחְדִּים לְכוּ הִנֵּה נִכָּר גַּם בִּא"א שֶׁרֶשׁ
הַנוֹק' עַכ"פ

– since they are two merged *partzufim*, not one *partzuf* – therefore in Arich Anpin the female aspect is at least discernable

וְהוּא הַשְּׂמָאל שֶׁבוֹ שֶׁהוּא מֵהַב"ן כִּנ"ל וְעוֹמֵד בּוֹ הַב"ן בְּצַד שְׂמָאל
דֵּהמ"ה

as the left aspect therein, which is from *Ba"n*, as explained above, and *Ba"n* is situated on the left of *Ma"n*.

וְשִׁנְיָהֶם מִצַּד הַפָּנִים וְהֵרִי הֵנָּה הַשְּׂמָאל דֵּהא"א בְּחִי שְׂמָאל מִמֶּשׁ

And both of them *Ma"n* and *Ba"n* of Arich Anpin are of the frontal or anterior aspect the *panim*, so that the left aspect of Arich Anpin is indeed the left,

כִּי הוּא גַּם כֵּן הַשְּׂמָאל שֶׁל הַב"ן וְהוּא שְׂמָאל מִמֶּשׁ וְכֵן יֵשׁ בּוֹ פָּנִים
וְאַחֲרָיו ג"כ

since it is also the left aspect of *Ba"n* which is actually left, and it also has front and back, anterior and posterior aspects.

ר"ל שֶׁאַחֲרָיו שֶׁבוֹ הֵרִי הוּא ג"כ אַחֲרֵי מִמֶּשׁ הֵן מִצַּד הַמִּמָּה וְהֵן מִצַּד
הַב"ן

Meaning to say that the posterior aspect is also actually posterior and not just relative to the anterior/frontal aspect, as regards both *Ma"n* and *Ba"n*.

וְהֵרִי נִכָּר בּוֹ שֶׁרֶשׁ הַנוֹק' בְּהִפָּךְ גָּמוּר הֵגֶם שֶׁהִיא אֵינָה בְּפִרְצוֹף
בִּפְנֵי בּוֹ וְהוּא אֶחָד לְבַד

Thus the root of the female element is readily discernable therein, although she is not a standalone *partzuf*, and Arich Anpin is a single *partzuf*, not two *partzufim* in a partnership.

אֲךְ עֲתִיק אֲשֶׁר תּוֹלְדָתוֹ הוּא א"א שֶׁהוּא אֶחָד לְבַד

But Atik, whose descendant is Arich Anpin, is a single entity

הנה בו אינו נכר שרש הנוק' בהכר גמור ג"כ כי הרי הוא כולא
ימינא וכלו פנים כנ"ל

in which a root of the female element is not discernable at all, since it is all right
and all frontal or anterior,

ואינו נכר בו הב"ן לנוק' אלא רק בהעריך זה מול זה הפנים דב"ן
בערך הפנים דהמ"ה וכנ"ל

and *Ba"n* is not discernable there as an actual female element; only in a relative
sense, by comparing it to the frontal aspect of *Ma"n*, as explained above.

והרי נתבאר לנו כי עקר הסבה דעוצם היחוד בהדו"ן שבכל פראוץ
היותר עליון

Thus it has been explained that the primary factor in the intensity of the *yichud*
of the male and female elements in the loftiest *partzuf* at each level

הוא אינו מצד רבוי תולדות הדורות לבד שהוא מצד הכמות
is not due exclusively to its manifold descendants, which is a quantitative issue,

אלא עקר הסבה הוא מצד האיכות שהוא לפי ערך איכות פרי
התולדות והפעלות היוצא ונמשך מכ"א.

but instead the primary factor is qualitative – according to the qualitative value
of the descendants and their actions that emerge and are drawn down from
each of them of those lofty *partzufim*.

כי כל מה שהתולדות והפעלות הם יותר ביחוד מתרבה עי"ז עוצם
היחוד בהדו"ן שבהאבות

Because the more unified the descendants and their actions, the more intense is
the *yichud* of the male and female elements in the 'parents.'

והאמת הוא כי הם תלויים זה בזה כי לפי ערך יחוד הדו"ן
שבהאבות

And the truth is that one depends on the other – commensurate with the
qualitative value of the *yichud* of the male and female elements in the 'parents,'

כן יורד גלוי היחוד בהתולדות והפעלות הנמשך מהם
will be the *yichud* among the descendants and their activities drawn from them.

וכן לפי ערך היחוד הנעשה בהתולדות והפעלות אשר למטה

Conversely, commensurate with the qualitative value of the *yichud* fashioned in
the descendants and their activities below,

כן עולה לפי ערך זה סבת היחוד בהדו"ן שבהאבות אשר למעלה

so will be the value of the *yichud* of the male and female elements in the parents above.

וְנִסְדָּר הַכֹּל מֵהַמְּאֻצִּיל ית"ש בַּמִּדָּה וּבַמִּשְׁקָל שֶׁיְהִיוּ תְלוּיִם זב"ז

And everything is arranged by the blessed Emanator in size and weight, so to speak, so that one is dependent upon the other,

וְיִסְבֵּב זֶה לָזֶה בְּכָל עֲנִינֵי יְחֻדָּם לְפִי צֶרֶךְ הַשְּׁתַּלְשָׁלוֹת הָעוֹלָמוֹת

and they revolve around one other in all matters concerning their *yichud*, according to the needs of the chain-like descent of the worlds,

שֶׁרָאָה רְצוֹנוֹ ית"ש לְהוֹרִידָם כְּמוֹ שֶׁהֵם שֶׁהוּא עַד סוֹף עוֹלָם הָעֲשִׂיָּה

as seen fit in His blessed will to bring them down below as they are – until the final stage of the World of Asiyah –

וּלְפִי צֶרֶךְ תְּקוּנָם וְעֲלִיתָם אֲשֶׁר לְבִסּוֹף שִׁיתְקַנּוּ זֶה ע"י זֶה וְיַעֲלוּ מִלְמַטָּה לְמַעְלָה

and according to the needs of their *tikun* and ascent, for in the end each will rectify the other, and they will ascend from below to above,

עַד שִׁיחְזְרוּ כֻלָּם לְסוֹד שֶׁרֶשׁ הָאֲחָדוּת הָאֱמֵתִית.

until all of them will return to the secret of the root of true unity.

ועכ"פ הוא כי היחוד דהדו"ן שבהאבות הוא אינו תלוי בהכמות לבד שהוא ברבוי תולדות הדורות

In any event, this *yichud* of the male and female elements in the parents does not depend exclusively on quantity – the multitude of descendants through the generations;

אֲלָא שֶׁהוּא תְלוּי בְּהֵאִיכוֹת ג"כ שֶׁהוּא בְּאִיכוֹת הַיְחֻד דְּהַתּוֹלָדוֹת

rather it depends upon the quality as well, i.e. the quality of the *yichud* of the descendants.

וְזֶהוּ הַטַּעַם מָה שֶׁלֹּא נִמְצָא בְּהָעוֹלָם הַזֶּה עֲנִין הַיְחֻד דְּהַדו"ן בְּהִזְקָנִים וּבְאֲבוֹת דְּהִזְקָנִים

And this is why we do not find in this world the concept of *yichud* of male and female elements found in the grandparents and great-grandparents,

שִׁיתְיַחְדּוֹ בִּימִין וּשְׂמָאל וּבִפְנִים וְאַחֲרֵי כֵן שֶׁהוּא לְמַעְלָה בֵּא"א וְעֵתִיק

that right and left, front and back, will merge and unify as above in Arich Anpin and in Atik,

הַגִּם שֶׁכָּל מָה שֶׁהוּא לְמַעְלָה הוּא לְמַטָּה ג"כ כִּי הֵם דְּגֻמָּתוֹ וְכָנ"ל

even though we have the principle that **whatever there is above, is below as well, since below is a replica** of above**, as explained previously.**

אך הטעם הוא כי הרי אנו רואין שסדר היחוד דהדו"ן שבהאבות

The reason for this is we see that the arrangement of the *yichud* of male and female elements in the parents

אשר גם למעלה הנה הוא ג"כ רק לפי איכות היחוד שבהתולדות

is that even above it is also commensurate with the quality of the *yichud* of the descendants.

והרי תלוי ענין היחוד דהדו"ן לפי האיכות דהמציאות

Thus the *yichud* of male and female elements depends on the quality of the current existence.

ולכן בהעלמות הנפרדים ובפרט בהעולם הזה שהוא תחתית העשיה

Accordingly, in the less-connected worlds of BiY" A, and particularly in this world, which is the lowest level of Asiyah

אשר כל מציאותה היא כלה בפרוד ובעביות וגשם

– the entire existence of which is division and coarseness and materiality –

הנה אי אפשר שיסודר בה מציאת היחוד כמו שהוא למעלה

it is impossible for *yichud* to be manifested the way it is above,

מאחר שהרי היא הכל בפרוד ובגוף שהוא הפך היחוד

since everything here is in a state of division and corporeality, the opposite of *yichud*.

וכל היחודים הנעשה בה הוא רק בבחי' הדביקות דרוחא ברוחא אך לא בהגופות

Thus all the *yichudim* achieved here are exclusively a cleaving of spirit to spirit and not of body to body.

כי אי אפשר לשני גופות להעשות לאחד בכל מלואם בשום פנים

For it is impossible in any way for two bodies to become completely one (literally, 'in their entire stature'),

כי זהו עצמו מכוננת המאציל ית"ש בכל המציאות כלו

since this itself was part of the intention of the blessed Emanator throughout existence –

שְׁהוּרִידוֹן בִּירִידָה אַחֵר יִרִידָה עַד הַמְצִיאוֹת דֶּהֱעוֹלָם הַזֶּה שֶׁהִיא כָּלָה
בְּפִרּוֹד

He caused them to descend, decline after decline, until the reality of this world,
which is all disharmony and discord,

וְהָאָדָם יִתְקַן אוֹתָהּ בְּעַל כָּרְחָה ע"י דְּבִיקוּתוֹ לְמַעַלָּה תָּמִיד בְּכּוֹנְנָתוֹ
וּבְמַחֲשַׁבְתּוֹ

and man can rectify her this world against her will, by way of his cleaving up
above in constant *deveikut* cleaving above in his intentions and thoughts.

שֶׁהוּא הַדְּבִיקוּת דְּרוּחָא בְּרוּחָא רּוּחַ הָאָדָם בְּרוּחַ אֱלֹהִים

This is the cleaving *deveikut* of spirit to spirit – the spirit of man to the spirit of
God,

שֶׁיֵּהֱיָא הָאָדָם דְּבוּק תָּמִיד בּוֹ יִתְבָּרַךְ גַּם בְּהֵיוֹתוֹ בְּהָעוֹלָם הַזֶּה שֶׁהִיא
עוֹלָם הַפִּרּוֹד

so that in this world of disharmony man should be in a state of constant
deveikut to the Blessed One.

כִּי זֶהוּ אֲפָשָׁר לְכָל מִי שְׂרוּחַ אֱלֹהִים נוֹסְסָה בּוֹ לִהְיוֹת דְּבוּק בְּאֱלֹהִים
חַיִּים תָּמִיד וְזֶה כָּל הָאָדָם

For this is possible for one in whom the spirit of God soars aloft (Isaiah 59:19⁴),
so that he always cleaves to the Living God, and “this is the totality of man”
(Ecclesiastes 12:13).

וְעַכ"פּ הוּא כִּי כָּל עֲנִיָּן הַיְּחֻדִּים אֲשֶׁר יִסַּד הַקַּב"ה בְּהָעוֹלָם הַזֶּה

In any event, the entire concept of *yichudim*, upon which the blessed holy One
founded this world,

הִנֵּה הוּא רַק הַדְּבִיקוּת דְּרוּחָא בְּרוּחָא וְכֵן הוּא בְּעֲנִיָּנָנוּ בְּעֲנִיָּן יְחֻד
הַדו"ן שֶׁבְּהָאֲבוֹת אֲשֶׁר בַּהֶעוֹה"ז

is only the cleaving of spirit to spirit; and so too as regards our subject – the
yichud of male and female elements among the parents in this world –

הִנֵּה הוּא רַק בְּבַחֲי' הַדְּבִיקוּת דְּרוּחָא בְּרוּחָא שֶׁזֶה נִמְצָא גַּם
בְּהָעוֹלָם הַזֶּה

it is only the aspect of cleaving of spirit to spirit, which can also be found in this
world, but not body to body.

וְתִלּוּי הַדְּבִיקוּת דְּרוּחָא בְּרוּחָא שֶׁבְּהָאֲבוֹת בַּהֶעוֹה"ז לְפִי רַבּוּי
תּוֹלְדוֹת הַדּוֹרוֹת

The cleaving of spirit to spirit of the parents in this world depends upon the multitude of their descendants through the generations –

שְׁכָל מָה שֶׁהִדּוּרֹת מִתְרַבִּים מִתְעַצֵּם הַדְּבִיקוֹת דְּרוּחָא בְּרוּחָא
בַּהֲדוּ"ן דְּאָבוֹת הַקּוֹדְמִים בִּיּוֹתֵר וּבִיּוֹתֵר

for the more the generations proliferate, the more intense the *deveikut* of spirit to spirit in the male and female elements in the parents, going all the way back,

עַד שֶׁנַּעֲשִׂים לְאַחַד מִמֶּשׁ וּכְמוֹ שֶׁהוּא בֵּא"א וְעֵתִיק

until they become literally one, as in Arich Anpin and in Atik.

וּר"ל כִּי נַעֲשֶׂה בָּהֶם בְּאַמֶּת הָאֶחָדוּת דְּרוּחָא בְּרוּחָא ע"ד שֶׁהוּא
בֵּא"א וְעֵתִיק מִמֶּשׁ כִּי הוּא דְּגִמְתּוֹ

Meaning to say, the unity of spirit with spirit is genuine to the extent that it truly models the way this unity is manifested in Arich Anpin and in Atik, for they the parents are the replica of Arich Anpin and Atik.

אֲלֹא שְׁבַהֲעוּה"ז הוּא אֵינּוּ בְּהַחֲצוֹנִית אֲלֹא רַק בְּהַפְּנִימִיּוֹת שֶׁהוּא
רוּחָא בְּרוּחָא. וְהִבֵּן.

Only that in this world that does not take place in the outer aspects the bodies, but only in the inner dimensions, i.e. spirit to spirit. Understand this well.

7c — *Yichud* in Atik and Arich and in Av" A and Zu" N

אָמְנָם דַּע כִּי כָל מָה שֶׁאֲמַרְנוּ לְעֵיל אוֹת א' בְּעִנְיַן הַשָּׁשָׁה פְּרָצוּפִים

Know, however, that whatever we said above in section (a) regarding the six *partzufim*,

שְׁחוֹזִירִים תָּמִיד לְשִׁרְשָׁם וּמִתְחַלְּפִים בְּכָל דּוֹר וּע"ד שֶׁהוּא לְמַטָּה
הֵנָּה הוּא רַק בְּבִחִי הַפְּרָטוֹת וְהַפְּרָטִי פְּרָטוֹת

that they are always in a state of returning to their root and changing in every generation, just as below, this is all only in terms of the details, and the details of details the micro and micro-micro aspects.

כִּי כָל פְּרָצוּף מִהַשָּׁשָׁה פְּרָצוּפִים דֶּהֲאֲצִילוֹת שֶׁהֵם עֵתִיק א"א או"א
זו"ן

For each of the six *partzufim* of Atzilut – which are Atik, Arich Anpin, Abba and Imma and ze'ir anpin and nukvah –

הֵנָּה כָּלּוּל כ"א ג"כ מִכָּל הַפְּרָצוּפִים כָּלָם וְהוּא הַפְּרָטוֹת שְׁבָהֶם

each of them is comprised of all of the *partzufim*, which are the specifics or the micro aspects therein.

יְכוֹן כ"א מֵהֶם הוּא כְּלוּל ג"כ מִכָּלֶם וְהוּא הַפְּרָטִי פְּרָטוֹת

Similarly, each of them of the specifics includes all of them as the specifics of the specifics the micro and micro-micro aspects**. **

יְכוֹן הֵם הוֹלְכִים וְנִפְרָטִים מִפְּרָטוֹת לְפְרָטוֹת עַד אִין חֶקֶר כְּמוֹ
שִׁיתְבָּאֵר

And so it continues, in ever-increasing details as the specifics of the specifics of the specifics and so on, to an extent that cannot be fathomed, as will be explained.

אֲךְ נִנְיֵחַ מִלְדַּבֵּר מִבְּחִי' פְּרָצוּף עֵתִיק בְּפְרָטִיוֹת מִשּׁוּם שֶׁהוּא נֶעְלָם
מֵאֲד

But let us leave aside details of the *partzuf* of Atik, since it is very obscure.

וְלֹא נִדְבֵּר אֶלָּא מֵא"א וּלְמַטָּה כִּי הֵם ה' פְּרָצוּפִים א"א או"א זו"ן

We will speak only about Arich Anpin and below, for they are the five *partzufim* – Arich Anpin, Abba and Imma, and ze'ir anpin and nukvah.

וְהֵם ה' פְּרָצוּפִים כְּלָלִיִּים וְכ"א מֵהֶם הוּא כְּלוּל מֵה' וְכוֹן מֵה' לָה' עַד
אִין חֶקֶר

These are the five macro *partzufim*, and each of them comprises five micro-*partzufim*, and similarly, five sub-micro *partzufim* each and so on, to an unfathomable degree,

וְכַמ"ש הָרַב בְּשַׁעַר עֲגוּלִים וְיִשָּׁר עֲנַף ב' וְשֵׁם עַנִּי"ה וּבַכ"מ וְכַנּוּדֵּעַ

as the Rabbi Chaim Vital in the name of the Arizal states in *Etz Chaim, Sha'ar Iggulim v'Yosher, anaf 2*, and *ibid. anaf 5*, and in a number of other places, as is known.

וְהֵנָּה הָה' פְּרָצוּפִים הַכְּלָלִיִּים הֵם עוֹמְדִים בְּאַמֶּת כָּל מִשְׁךְ יְמֵי עוֹלָם
כָּלוּ

Now these five macro *partzufim* in fact exist throughout the continuation of the world.

וְהֵינּוּ כִּי פְּרָצוּפֵי זו"ן הֵם שׁוֹלְטִים וּמְשַׁמְשִׁים כָּל מִשְׁךְ הַזְּמַן דְּשִׁית
אֲלֵפֵי שָׁנִין דְּזִמְנוֹ קִיּוֹם הָעוֹלָם

That is to say, the macro *partzufim* of ze'ir anpin and malchut are dominant, and operate throughout the entire six thousand years of the existence of the world,

כִּי הֵם מְקַבְּלִים מֵהַג"ר שֶׁהֵם א"א וְאו"א וּמִתְצַמְצֵם הַשֹּׁפֵעַ בָּהֶם
לְמִדְרָגָתָם

for they receive from the first three *partzufim*, which are Arich Anpin, Abba and Imma, and they constrict the *shefa* spiritual outflow from them from the first three down to their own level – the level of ze'ir anpin and malchut.

כי גם א"א ואו"א אינם משפיעים עתה להזו"ן אלא רק לפי מדרגת
הזו"ן לבד

For Arich Anpin, Abba and Imma at their own level do not currently flow into i.e. impact ze'ir anpin and nukvah according to their capabilities, but only according to the level of zu"n alone.

ושולטים ומשמשים הזו"ן בכל השית אלפי שנים שהם מהו קצוות
דז"א הששת ימי בראשית

Thus zu"n preside and function throughout the six thousand years from the beginning of Creation, which are from the six facets of ze'ir anpin that are manifested in the six days of Creation.

וימהם מקבלת המלכות ומכהנת את כל העולמות התחתונים
It is from them that malchut receives and in turn administers the lower worlds.
ואח"כ בא"ל הז' שהוא שליטת המלכות עצמה לחדד אז יחזרו כלם
לשרשו להתפקד

But subsequently, during the seventh millennium, is when *malchut* herself presides alone, and everything else will return to their root to be rectified,

כי עקר אור המלכות הוא גלוי כבודו יתברך ולכן בזמן שליטתה
מכרח שיתקן הכל

because the primary light of *malchut* is the revelation of His blessed glory, and therefore, during her reign it is necessary for everything to become rectified.

וזהו א"ל הז' שאמרו רז"ל סנהדרין צ"א (ע"נ בסוף הספר עמ' ר'
תקון ג') וחד חרוב

This is the meaning of the statement of our Sages in Talmud *Sanhedrin* 97a (see the end of this work, p. 200 in the Hebrew version *Tikun* 3) which is referred to as 'one millennium of destruction,' i.e. since everything is in a state of being rectified,

כי יחזרו כלם לשרשו להתפקד.

since that is when all of them will return to their root to be rectified.

Note: *Otiot d'Rebbe Akiva* para. 2 states that the destruction of the world will take place at the end of the year 6,093 in the Hebrew calendar. Thus he states that things will continue for another 93 years into the seventh millennium. Now the idea of those 93 years is the three Names of E-I (3X31=93) that are in the first Tikun, which are the supernal roots of the worlds of BiY" A, as it states in the *Idra Rabba* p. 132a, and as explained by the Arizal in *Mevo Sha'arim*, *Sha'ar Arich Anpin*, chaps. 14, 15, 16, 17. See there at length. It explains there that the three Names of E-I are the root of all the Primordial Kings of Tohu which are from *Da'at* and the six sides of *ze'ir anpin*, which are the seven kings of the world of Tohu that died. The entire existence of the world during the six thousand years is from the elevation of the sparks from those kings of the six sides *chaga"t, nh"y* i.e. *chesed, gevurah, tiferet* and *netzach, hod, yesod***. And *da'at* is their root and the soul of the six sides – King Bela, the first of the kings** of Tohu**, Bela son of Be'or, whose city was named *Dinhava***, short for *din hava* = judgment will be given, and as it states in Zohar 'the parasite had two daughters

i.e. products – called *hav*, *hav* ‘give me,’ ‘give me.’ This is harsh judgment, on behalf of which 100,000 masters of wailing and shrieking band together, as the *Idra Rabba* p. 135a declares. Now the root of *da’at* is in the first *Tikun* of the Beard of Arich Anpin and that is where the threefold Name *E-I* appears – *E-I Shaddai*; *E-I Havaye*; *E-I Ad-nai*; from which are drawn the three worlds of *binah*, *tiferet*, *malchut* – the three worlds mentioned in *Idra Rabba* 132b. And subsequently they are drawn down even further into the three worlds of BiY”A, all of them as harsh *dinim*** severities**, for they are the *Nahar Dinor*** literally, ‘the river of fire’ in each world. Now the purifications *birurim* of these harsh judgments, whose roots are from the three Names *E-I* mentioned in their combinations above, will be completed within the world after the sixth millennium. And these are the 93 extra years referred to by *Otiot d’Rebbe Akiva*, for the total of these three Names *E-L* ($3 \times 31 = 93$), the purification of the harsh judgments of which will be completely rectified only at the end, for they are very holy judgments, and will be rectified and ‘sweetened’ only at the end of the Messianic period, which is 93 years after the completion of the sixth millennium. After that everything will return to its source, which is the destruction of the world as we know it during the 7th millennium, in order to be rectified then with the rectification of the World-to-Come – when everything will restructured and restored to its pristine state and purpose – that will take place from the 8th millennium and on, as I write inside. End of Note.

וְעַל מֵה שֶׁכָּתַבְתִּי עוֹד בְּזֶה בְּשַׁעַר הָעֵקֶדִים ספ"ב סי' י"ג.

See further what I wrote about this in *Sha’ar HaAkudim* end of chap. 2, *siman* 13.

וְשָׂרֵשׁ הוּא הַבִּינָה שֶׁהִיא אִם הַבָּנִים אִמָּא עֲלָאָה שְׂמִמְנָה יֵצְאוּ
הַכֹּל

When we stated that “all of them will return to their root to be rectified” – **their root is *binah***, for “**she is the mother of the children**” (Psalms 113:9), also called **Imma Ila’a** a supernal Imma, **from which everything emerged**,

וְשֵׁם יִחְזְרוּ כָּלָם וְיִתְקַנּוּ בָּהּ שִׁיְהִיו רְאוּיִם לְקַבֵּל אֶת הָאוֹר דֶּה"ר
עֲצָמָם

and to which everything will return to be rectified within her, so that they will be worthy of receiving illumination from the first three *sefirot* – *keter*, *chochmah*, *binah* – themselves.

שֶׁהוּא חַיֵּי הָעוֹלָם הַבָּא אֲשֶׁר עָלָיו נֶאֱמַר עֵין לֹא רָאָתָה אֱלֹהִים
זוֹלָתָךְ כִּמ"ש רז"ל בְּבִרְכוֹת ל"ד ב'

These first three *sefirot* are the World-to-Come, regarding which the verse (Isaiah 64:3) states, “...no eye has ever seen it but Yours, O Lord!”

כי הג"ר הם נַעֲלָמִים שְׁעֵלֵיהֶם נֹאמַר הַנִּסְתָּרוֹת לָהּ אֱלֵהֵינוּ כִּמ"ש
אֵלֶיהוּ זל"ט

For the first three *sefirot* are concealed, so that regarding them Eliyahu, may he be remembered for the good, cited the verse (Deuteronomy 29:28), “the secrets belong to the Lord our God.” See *Intro. Tikunei Zohar*, s.v. *Patach Eliyahu*.

וְלָכוּ עוֹלָם הֵבֵא שֶׁהוּא זְמַן שְׁלִיטַת הַג"ר נֹאמַר עַל זֶה עֵין לֹא רָאָתָה
אֱלֹהִים זולתָּה

And therefore, regarding the World-to-Come, when the first three *sefirot* will preside, it states, “...no eye has ever seen it but Yours, O Lord!”

וְלִכְךָ יִחְזַר כָּל הַמְּצִיאוֹת בְּאֶלֶף הַז' שֶׁהוּא זְמַן שְׁלִיטַת הַמַּלְכוּת
עֲצָמָה לַמַּעֲי הַבִּינָה

Therefore, during the seventh millennium, which is the era when *malchut* herself will dominate, the entire existence will be returned to the womb of Imma

כְּדֵי שִׁתְקֶנּוּ כָּלֶם בְּהֵאִיר בְּאוֹר פְּנֵי מֶלֶךְ חַיִּים.

in order for everything to be rectified therein, so that it can be illuminated by the light of the countenance of the King of life.

וְאִזְ הוּא לְבִדּוֹ יִמְלֹךְ נוֹרָא וְנִשְׁגָּב ה' לְבִדּוֹ בְּיוֹם הַהוּא

And then He alone will reign supreme, and “His Name will be exalted on that day” (Isaiah 2:11).

וְאַחֵר אֶלֶף הַז' יִתְחַדְּשׁוּ כְּבָרָא שׁוֹנָה וַיֵּצְאוּ מֵהַבִּינָה בְּפָנִים חֲדָשׁוֹת

And after the seventh millennium they will be renewed as from the beginning and will emerge from *binah* with a ‘new countenance’ – a colloquial term signifying an inner transformation.

וַיֵּאִירוּ כָּלֶם בְּאֶלֶף הַשְּׁמִינִי בְּאוֹר הַבִּינָה כִּי הוּא זְמַן שְׁלִיטַת הַבִּינָה

And in the eighth millennium all will shine with the light of *binah*, for this is the era when *binah* presides.

וַיֵּאִירוּ אִזְ בְּאוֹר הַי"ג ת"ד ע"י מַזְלָא תַּתְּאָה וְנִקְהָה

And they will shine then with the light of the Thirteen *Tikunei Dikna* the thirteen restorative aspects of ‘the beard’ i.e. the Thirteen Attributes of Mercy (as written in Exodus 34:6-7) as they flow down from Arich Anpin, via the final thirteenth *mazal* (the Thirteen Attributes are called *mazalot*, literally ‘constellations’) which is ‘*v’nakeh*’ – ‘He cleanses.’

הַכּוֹלֵל אֶת כָּלֶם וְהוּא בְּבִינָה וְכִמ"ש בַּסֵּפֶד צ"פ תְּלִיסַר יְקִים לוֹן
בְּרַחֲמֵי וּמִתְחַדְּשִׁין כְּקַדְמִיתָא

This attribute 'v' *nakeh*' includes all the others, and is in *binah*, as the *Sifra d'Tzniuta* chap. 1 states: "He will establish the Thirteen Attributes of Mercy with compassion, and they will be restored to their original state.

וְקָמוּ כָּל אֲנוֹן שֶׁתָּא שִׁיתִּחַדְּשׁוּ כְּבָרָא שׁוֹנָה וְיֵאִירוּ בְּאוֹרָה שְׁמַאֲרִים
בָּה כָּל הַיָּג"ג ת"ד

And all of these six attributes, corresponding to the first six millennia and to the *sefirot* of *ze'ir anpin* – from *chesed* to *yesod* – will be reestablished and will be restored to their original state, and will shine with the light of all Thirteen Attributes of the *Tikunei Dikna* that illuminate her (*binah*)."

וכמ"ש שם פ"ב כי כל תליסר אליו בעלמא עלאה אשתכחו

And as it states there in *Sifra d'Tzniuta* chap. 2: "All these Thirteen Attributes are present in the Higher World."

ואח"כ באַלף ה'ט' שהוא זמן שליטת החכמה יתעלו במזל עליון
שהוא 'נוצר חסד'

Subsequently, in the ninth millennium, which is the era when *chochmah* presides, they will rise to a loftier *mazal*: *notzer chesed* – 'He preserves kindness,'

תקון ח' והוא בחכמה אבא עלאה ואח"כ באַלף העשירי בא"א
עצמו שהוא המוחא סתימאה

– the eighth *tikun* of the Thirteen Attributes, which is *chochmah*, supernal *Abba*. And afterwards, in the tenth millennium, they will rise into Arich Anpin itself, which is called *mocha stima'a* – 'the hidden intellect' (or perhaps 'the superconscious brain').

ולכן אמר הברית מנוחה בהקדמה (דף ד' ע"א מדפוס ווארשא
תרמ"ד)

And therefore the early Kabbalistic work known as *Brit Menucha* states in the Introduction (p. 4a, Warsaw 5644)

כי אין אדם יכול לדעת מה יהיה באַלף העשירי כי אז יהיה שליטת
א"א עצמו

that no man can know what will transpire in the tenth millennium, for that is when Arich Anpin himself will preside,

הנקרא מוחא סתימאה והרי הוא סתום ונעלם

and Arich Anpin is called *mocha stima'a*, which is sealed off from our perception and is concealed.

ומכש"כ אח"כ למעלה למעלה בשליטת אין ורדל"א והעקודים
וא"ק

And how much more so after that, going forward in time, up and up, in the eras when *Ayin* and *Radl"u* – two very abstruse levels in *keter* – and *Akudim* the loftiest levels in Adam Kadmon, when Adam Kadmon itself will preside,

וכן למעלה למעלה עד המלכות דא"ס עצמו ית"ש
and so on up and up, until *malchut* of *Ein Sof* Himself, blessed be His Name.

והגם שכל המציאות דהשית אלפי שנים עם כל הנהגתם אשר הוא
מהזו"ן

Now although the entire existence of the six millennia, and the way they are directed via zu"n,

הנה הוא ג"כ רק ע"י מה שמקבלים הזו"ן מהג"ר ומלמעלה
למעלה עד א"ס

this is also only by way of what the six *sefirot* of zu"n receive from the first three *sefirot* – *keter*, *chochmah* *binah* – all the way up to *Ein Sof*.

אך כל השית אלפי שנים הנה מתצמצם השפע בלו רק למדרגת
הזו"ן

Only that during all the six thousand years the *shefa* spiritual outflow of beneficence from above is all constricted to the level of zu"n*,*

וכן לא נמשך מלמעלה ג"כ אלא רק במעוט וצמצום לפי גלוי הזו"ן
לבד

and so too, what is drawn down from above is only reduced and constricted according to the revelation of zu"n alone, and not according to the revelations at higher levels.

משא"כ מהתחלת אלף השמיני והלאה יתרבה ויתגדל השפע
במדרגת הג"ר בכל אלף כהראוי לו

But this will not be the case from the beginning of the eighth millennium and on, when the *shefa* will increase and be magnified by the levels of the first three *sefirot*, each in its own proper millennium.

והוא ההנהגה הנעלמה דלעתיד אשר עין לא ראתה אלהים זולתך
כנ"ל:

And this is how the world will be directed in the future – from the formerly concealed level that "...no eye has ever seen it but Yours, O Lord!"

וְהָרִי לָנוּ עַכְ"פּ כִּי אֵלּוּ הַחֲמִשָּׁה פְּרָצוּפִים הֵנָּה הֵם כּוֹלְלִים כָּל יָמֵי
עוֹלָם כָּלּוּ

Thus, in any event, we have it that these five *partzufim* include the entire span of time of the entire world –

אֲשֶׁר מִשֵּׁשֶׁת יָמֵי בְּרֵאשִׁית עַד סוֹף זְמַן דְּקִיּוּם הָעוֹלָם

from the six days of Creation, until the end of the world's existence as it is currently,

וְכֵן גַּם אַחֲ"כּ מִן הָעוֹלָם וְעַד הָעוֹלָם עַד סוֹף אֶלֶף הָעֶשְׂרִי

and also subsequently, throughout time and from level to level,⁵ until the end of the tenth millennium, albeit in somewhat of a different form, as we will see.

אֲלָא שֶׁהִנֵּהֲגַת כָּל זְמַן הוּא לְפִי מַדְרַגַּת אוֹתוֹ הַפְּרָצוּף שֶׁשׁוֹלֵט בּוֹ

However, the way the world is directed during this entire time is according to the level of the *partzuf* that presides during that era.

וּמֵאִירִים אַז כָּל הַפְּרָצוּפִים כָּלֵם ע"פ הַגְּלוֹי דְּאוֹתוֹ הַמַּדְרַגָּה וְכַנֵּז'

In each era all the *partzufim* will illuminate the world, but according to the *partzuf* that presides then, as mentioned.

אָבֵל עַכְ"פּ הוּא כִּי כָלֵם הֵם בְּכָל מָשָׁךְ זְמַן אֲשֶׁר מִן הָעוֹלָם וְעַד
הָעוֹלָם

In any event, all of them all the *partzufim* are present throughout the span of time,⁶

כִּי הֵם עֲצָמֵן הַגְּלוֹיִם דֹּא"ס ית"ש הָעוֹמֵד וּמִתְגַּלֶּה בָּהֶם בְּשֶׁרֶשׁ וְכַח
כָּל הַמְּצִיאוֹת כָּלּוּ

since they themselves are the revelations of the blessed *Ein Sof*, who is constantly revealed in them, at the root and potential of all of existence,

בְּכָל הִנֵּהֲגָתָהּ אֲשֶׁר מִן הָעוֹלָם וְעַד הָעוֹלָם וְהֵם עֲצָמֵן שֶׁפְּעוּ וְאוֹרוֹ
אֲשֶׁר לֵכ"ז.

in the manner in which all things are directed throughout time and from level to level, and they themselves the *partzufim* are His *shefa* spiritual outflow and light from above in all of this.

אֲמָנָם מֵה שֶׁאֲמַרְנוּ לְעֵיל אוֹת א' כִּי כָל הָה' פְּרָצוּפִים הֵם בְּמִצִּיאת
כָּל דּוֹר

But what we said above in subsection (a) – that all the five *partzufim* are present in every generation,

וְהֵם מִתְחַלְּפִים בְּהִתְחַלְּפוֹת הַדּוֹרוֹת הוּא רַק בַּפְּרָטוֹת וּפְרָטֵי פְּרָטוֹת
אֲבָל לֹא בְּהִכָּלּוֹת

and they switch their roles as the generations change – this is only in the micro sense, and in the specifics of the micro sense, but not in the macro sense.

וְכֵן "ל בְּרִישׁ דְּבָרֵינוּ כִּי יִשָּׁנֶה ה' פְּרָצוּפִים כָּלִילִים וְהֵם עוֹמְדִים
בְּאַמֶּת כָּל מִשָּׁךְ זְמַן דְּעוֹלָם כָּלוּ

As we explained earlier at the beginning of our words, there are 5 macro-*partzufim* and they are in truth present throughout the entire existence of the world,

אֲלֹא שֶׁ"א מֵהֶה' הוּא כָּלוּל ג' כ מֵה' וְכֵן מֵה' לֵה' עַד אֵין חֶקֶר

only that each of the five includes within it all the other five, and those five of five more each, and so on, to an extent that cannot be fathomed.

וְאֵלוּ הַפְּרָטִים וְהַפְּרָטֵי פְּרָטִים הֵם הַמִּתְחַלְּפִים בְּכָל דּוֹר.

Now these micro levels and the details of the micro levels change from generation to generation.

וּבְאוֹר הַדְּבָרִים הוּא כִּי כְּגוֹן פְּרָצוּף א"א הִנֵּה יִשָּׁנֶה בְּחִי א"א

The explanation: in the *partzuf* of Arich Anpin, for example, resides the aspect of Arich Anpin as the dominant *partzuf*.

אֲשֶׁר הוּא כּוֹלֵל וּמְקִיף אֶת כָּל הַפְּרָצוּפִים וְהָאוֹרוֹת דְּכָל הָאֲצִילוֹת
כָּלוּ

It Arich Anpin includes and envelops all the other *partzufim* and illuminations of the entire Atzilut,

הֵן אוֹתָן אֲשֶׁר יֵצְאוּ בְּעֵת הַתְּקוּן דְּמַעֲשֵׂה בְּרִאשִׁית וְהֵן אוֹתָן
הַמִּתְחַדְּשִׁים וּמִתְגַּלִּים בְּכָל עֵת

whether those that emerged at the time of the *tikun* rectification

during Creation, or whether those that are produced anew and become revealed all the time –

ע"י עֲלִית הַמ"ן מֵהַנְּצוּצֵי קִדְשָׁה שְׁעוֹלִים וּמִתְבָּרָרִים תָּמִיד

by means of elevating *ma"n* = *mayin nukvin* = 'feminine waters' i.e. the effort from below, by means of Torah and *mitzvot*, to elevate the sparks of holiness that ascend and are purified constantly.

וְנִעֲשֶׂה מֵהֶם פְּרָצוּפִים וְאוֹרוֹת וּנְשָׁמוֹת בְּכָל הַד' עוֹלָמוֹת אֲבִי"ע

From these are made *partzufim* and illuminations and souls in all four worlds of AbiY" A.

הנה כלם הוא ע"י א"א שהוא הא"א הכללי דאצילות כי בו הוא
עלית כלם ותקון כלם

Now all of them are presided over by Arich Anpin, which is the macro Arich
Anpin of Atzilut, since their elevation and *tikun* is all in him in Arich Anpin**. **

שבו מתתקנים להעשות לפרצופים ואורות ונשמות להאצילות
ולבי"ע לכל עולם ועולם כהראוי לו

For in him they are rectified and become *partzufim*, illuminations and souls for
Atzilut and BiY" A – in each world as appropriate for it –

כי הוא שרש כלם וכולל את כלם וכמ"ש הספד"צ פ"א בה סליקו
ובה סלקו

since he Arich Anpin is the root of all of them, as the *Sifra d'Tzniuta* chap. 1
states: "From him Arich Anpin they emerge, and to him they ascend;

דלא הוו והוו ויהיו

initially they did not exist, then they came into existence, and will continue to
exist."

והוא א"א הכללי דאצי' הכולל כל מה שהיה והיה ויהיה

This refers to the macro Arich Anpin of Atzilut from which they emerged etc. and
it includes everything that was, is and will be

בכל משך ימי עולם כלו שהוא עד סוף השית אלפי שנין דמציאת
העולם הזה

throughout the span of time of the entire world, which is until the end of the
sixth millennium of the existence of this world.

וכן גם כל מה שיהיה אח"כ בהג' אלפי שנין הנעלמים שהוא עד
סוף אלף העשירי

And it also includes everything that will be afterwards in the three hidden⁷
millennia, which is until the end of the tenth millennium.

הנה הכל כלולים בא"א הכללי דאצילות שהוא מן העולם ועד
העולם

All of this is included in the macro Arich Anpin of Atzilut, which is throughout
the span of time, from level to level.

אך ענין כליותם בו הנה הוא בדרך זה כי הנה אותו הא"א הוא
כלול ג"כ מה' פרצופים

But as for the concept of their inclusion in him the inclusion of the other *partzufim* within Arich Anpin, **this is how it works: that same macro Arich Anpin also includes five micro *partzufim***

שֶׁהֵם א"א או"א זו"ן כִּי הָרִי הוּא הַשָּׁרֵשׁ דְּכָל הָה' פְּרָצוּפִים שְׁלֵמָטָה
– Arich Anpin, Abba and Imma, and ze'ir anpin and malchut – since he is the
root of all five *partzufim* below

וּמִמֶּנּוּ הוּא כָּל בְּחִי' הָא"א אֲשֶׁר יֵשְׁנוּ בְּכָל פְּרָצוּף וּפְרָצוּף כִּי כ"א הוּא
כָּלּוּל מְכוּלָם כְּנִז'

and from him Arich Anpin comes every aspect of Arich Anpin in each *partzuf*,
since each of them include all of them, as noted.

וְהָרִי כָּלּוּל הָא"א הַכְּלָלִי דְּאֲצִילוֹת מְכָל הָה' פְּרָצוּפִים כְּלָם

Thus the macro Arich Anpin of Atzilut includes all five *partzufim* in micro form,
וכ"א מֵהֶם אֲשֶׁר בּוֹ הוּא כָּלּוּל ג"כ מֵה' וְכֵן מֵה' לָה' עַד אֵין חֶקֶר וְהֵם
הַפְּרָטִים וְהַפְּרָטִי פְּרָטִים שָׁבוּ

and each one of them as they are in him also include five micro-micro, and then
the five micro-micro include yet another subdivision of five micro-micro-micro, and
so on, until it can no longer be calculated. And these are the micro levels and
details of the micro levels therein etc.

אֲמָנָם כָּל אוֹתוֹן הַפְּרָטִים וְהַפְּרָטִי פְּרָטִים הֵנָּה הֵם אֵינָם עוֹמְדִים בּוֹ
כְּלָם בְּפוֹעֵל מִמֶּשׁ בְּמַצִּיאוֹתוֹ תָּמִיד

However, those micro levels and micro-micro levels etc. do not⁸ manifest within
him in actuality, i.e. in Arich's existence at all times.

אֵלָּא שֶׁהֵם בּוֹ רַק בְּכַח לְבַד וְהֵם אֲשֶׁר יוֹצְאִים וּמִתְגַּלִּים בְּמַצִּיאת כָּל
דּוֹר

Instead, they remain within him Arich only in potential, and emerge and are
revealed from within him in each generation in its time.

כִּי הֵם הָה' פְּרָצוּפִים הַמִּתְחַלְפִּים תָּמִיד בְּהִתְחַלְפוֹת הַדּוֹרוֹת
שֶׁאֲמַרְנוּ לְעֵיל אוֹת א'

For these are the five *partzufim* that constantly change with the passing
generations, as mentioned above subsection (a),

כִּי יוֹצְאִים מִן הַכַּח אֶל הַפוֹעֵל בְּמַצִּיאת הָא"א לְצֶרֶךְ הָה' פְּרָצוּפִים
שֶׁבְּכָל דּוֹר

for they emerge from potential to actual within Arich according to the need for
the five *partzufim* in each generation.

ומהם הוא כל בחי' א"א אשר בכל פרצוף ופרצוף מהה' פרצופים
שבכל דור

From them – from the five sub-*partzufim* in macro Arich – come all aspects of Arich Anpin in each and every *partzuf* of the five micro *partzufim* in each generation.

וכן הא"א הכללי שבכל דור והם הפרטים והפרטי פרטים שבו

So too in the macro Arich Anpin of each generation, there are five micro *partzufim*, each of which also has five micro-micro *partzufim* – these are all the details and details of details therein.

והם הם אשר מתחלפים תמיד בהתחלפות הדורות כי הראשונים
חוזרים לשרשן

It is these that constantly change with the passing of the generations, as the first ones return to their source,

ויוצאים ומתגלים אחרים תחתיהם וכנ"ל אות א'.

and others emerge and are revealed to take their place, as mentioned above, subsection (a).

וכן הוא עד"ז בהאבא הכללי כי האבא הכללי דאצילות הנה הוא
עומד במציאותו מן העולם ועד העולם

And similarly with macro Abba – macro Abba of Atzilut exists as it is throughout time and from level to level,

ועקר שליטתו ואורו הוא יתגלה לעתיד באלף הט'

but will preside primarily in the future, in the ninth millennium.

שאז יאירו כלם במדרגתו שכל התחתונים ממנו יעלו אליו להאיר
באורו

For at that time everything will be illuminated by its level – for all of those levels below it will ascend to it to Abba in order to be illuminated by its light.

וכל העליונים ממנו יאירו בו ויתגלו לפי כחו שיוכל לקבל ויאיר
כלם לפי מדרגתו

And all those levels above it above Abba, i.e. levels in *keter*, will illuminate it Abba and will become revealed in it according to its capacity to receive illumination from them, and all of them will shine forth according to its level i.e. according to the level of Abba.

אך עכ"פ הוא שהוא מן העולם ועד העולם אלא שעתה מצמצם
את אורו ושפכו

But in any event, it Abba exists throughout time and from level to level, only
that now it constricts its light and *shefa* spiritual outflow

לפי מדרגת הזו"ן וע"פ גלויים שעומדים בכל משך הזמן דהשית
אלפי שנין

according to the level of zu"n, and according to the revelations that exist
throughout the time of the six millennia.

והרי עכ"פ הוא כי פרצוף אבא הכללי דאצילות הוא מן העולם ועד
העולם

But in any event, the *partzuf* of macro Abba of Atzilut exists throughout time
and from level to level,

אמנם הוא כלול ג"כ מה' פרצופים כלם וכן כל פרצוף מהם הוא
כלול מה' וכן מה' לה' עד אין חקר

and indeed includes all the five micro *partzufim*, each of which also includes five
micro*-micro-partzufim and* those five of five micro-micro-micro *partzufim* as
well, to an extent that cannot be fathomed.

ומהם הוא כל בחי' אבא אשר בכל פרצוף ופרצוף.

And from these come all aspects of Abba in every *partzuf*.

אך אותן הפרטים והפרטי פרטים אשר האבא הכללי כלול מהם

But those details, and details of details which macro Abba includes,

הנה הם אינם עומדים בו וכלם במציאותו תמיד אלא שהם בו רק
בכח

are not all there in actuality on a constant basis; rather they are there in
potential,

והם יוצאים בו מן הכח אל הפועל תמיד לצורך מציאת כל דור

and they are constantly emerging within it within Abba from potential to actual,
according to the needs of the generation.

כי הם האבא הכללי שבכל דור וכן הם בחי' אבא שבכל פרצוף
ופרצוף שבכל דור

For these are the macro Abba aspects in every generation, and they the micro
etc. aspects in each *partzuf* in every generation,

כי כ"א הוא כלול מכולם כנז' והם הפרטים והפרטי פרטים
שמתחדשים ומתגלים

since each of them includes all of them, as mentioned, and these *sub-partzufim* are the micro and micro-micro aspects that are produced anew and become revealed

מהאבא הכללי דאצילות לצורך מציאת כל דור
from macro Abba of Atzilut for the needs of every generation.

ואותן הפרטים והפרטי פרטים הם מתחלפים בהתחלפות כל דור
And those details and details of details change with the passing of each generation.

כי הראשונים חוזרים לשרשם ומתחדשים ומתחלפים אחרים
תחיתהם

For the first ones return to their source and are produced anew and are exchanged by others instead of them.

אבל האבא הכללי דאצילות הנה הוא נמצא ועומד מן העולם ועד
העולם.

But macro Abba of Atzilut is present and continues there throughout time and from level to level.

וכן הוא עד"ז בהאמא הכללי כי האמא הכללי דאצילות שהיא
פרצוף הבינה דאצי'

Similarly as regards macro Imma, since the macro Imma of Atzilut – the *partzuf* of Imma of Atzilut –

הנה היא עומד במציאותה מן העולם ועד העולם
is present there in her particular mode of being, and continues there throughout time and from level to level.

ועקר שליטתה ואורה הוא יתגלה לעתיד באלף הח'

But her dominance as the primary *partzuf* and illumination will be revealed in the future in the eighth millennium,

שאז יאירו כלם במדרגתה שכל התחתונים יתעלו כלם לכנס
במחיצתה להאיר באורה

for in that era everything will shine forth from her level the level of *Imma* and all the lower aspects will ascend to enter within her fences,

so to speak, and will shine with her light.

וכל העליונים ממנה יאירו בה ויתגלו לפי כחה שיאירו כלם בה
לפי מדרגתה

All those above her above *Imma* will illuminate her, and all of them will become revealed and shine forth within her according to her level,

והרי היא מן העולם ועד העולם

Thus she continues throughout time and from level to level.

אך עתה היא מצמצם את אורה וּשפעה לפי מדרגת הזו"ן

But now she constricts her light and *shefa* spiritual outflow according to the level of z"un which she illuminates,

וע"פ גלויים שהם עומדים עתה בכל ההנהגה אשר עד התקון

and according to the revelations that are currently present throughout the way things are directed from above until the *tikun* the future rectification*,* when everything will restructured and restored to its pristine state and purpose.

והרי עכ"פ הוא כי האמא הכללי דאצילות הנה היא מן העולם ועד
העולם

Thus, at least it is so that macro *Imma* of Atzilut persists throughout time and from level to level.

אמנם היא כלולה ג"כ מכל הה' פרצופים כלם, וכן כל פרצוף מהם
הוא כלול מה' וכן מה' לה' עד אין חקר.

And indeed she also includes all five micro *partzufim*, and each *partzuf* of those also includes five micro-micro *partzufim*, and similarly, each of those is also includes five micro-micro-micro *partzufim*, to an extent that cannot be fathomed.****

ומהם הוא כל בחי' אימא אשר בכל פרצוף ופרצוף

And from them these micro aspects emerge all the aspects of *Imma* in each and every *partzuf*.

אך אותן הפרטים והפרטי פרטים אשר האמא כלול מהם הנה הם
אינם עומדים בה כלם במציאותה תמיד

However, those details and details of details i.e. the micro and micro-micro etc. aspects that are included in *Imma*, are not all present there in actuality.

אלא שהם בה רק בכם ויוצאים בה מן הכח אל הפועל תמיד לצורך
מציאת כל דור

Rather they are there only in potential and continually emerge from their potential state into actuality, according to the needs of every generation.

כי הם פְּרָצוּף הָאִמָּא הַכְּלָלִי שֶׁבְּכָל דּוֹר וְכֵן הֵם בְּחִי' הָאִמָּא שֶׁבְּכָל
פְּרָצוּף וּפְרָצוּף שֶׁבְּכָל דּוֹר

For just as **they** the micro and micro-micro etc. aspects **are** part of the *partzuf* of
macro *Imma*, so too are they the aspect of *Imma* in each and every *partzuf*,

וְהֵם הַפְּרָטִים וְהַפְּרָטִי פְּרָטִים שֶׁמִּתְחַדָּשִׁים וּמִתְגַּלִּים מֵהָאִמָּא
הַכְּלָלִי דְּאֲצִילוֹת לְצַרֵּךְ מְצִיאת כָּל דּוֹר

and they are also the details and the details of the details that are produced
anew and become revealed from macro *Imma* of Atzilut for the needs of each
generation.

וְאוֹתָן הַפְּרָטִים וְהַפְּרָטִי פְּרָטִים הֵם מִתְחַלְּפִים בְּהִתְחַלְּפוֹת כָּל דּוֹר

And those details, and details of details, change with every generation,

כִּי הָרֵאשׁוֹנִים חוֹזְרִים לְשִׁרְשֵׁן וּמִתְחַדָּשִׁים וּמִתְחַלְּפִים אֲחֵרִים
תַּחְתִּיהֶם וְכֵן"ל אוֹת א'

for the earlier ones return to their root and others are produced anew and
exchange them.

אָבֵל הָאִמָּא הַכְּלָלִי דְּאֲצִילוֹת הִנֵּה הִיא נִמְצָא וְעוֹמֵד בְּאֵמֶת מִן
הָעוֹלָם וְעַד הָעוֹלָם.

But macro *Imma* of Atzilut is always present there – truly throughout time and
from level to level.

וְכֵן הוּא עַד"ז בִּהְיוֹתוֹ"כִּי הַזֶּה"ו הַכְּלָלִי דְּאֲצִילוֹת הִנֵּה הֵם עוֹמְדִים
בְּמִצִּיאוֹתָם בְּכָל מְשַׁךְ יְמֵי עוֹלָם כָּלוּ

And similarly with zu"n – the macro zu"n of Atzilut are present there
throughout time,

וְכֵן"ל שֶׁכָּל הַשֵּׁשֶׁת אֲלָפִים שָׁנָה הוּא שְׁלִיטַת הַזֶּה"ו וְאִם"כ יִתְעַלּוּ הֵם
עֲצָמָם לְמַדְרַגַּת הַג"ר

and as mentioned earlier the entire span of six millennia is when zu"n presides,
and after that they themselves will ascend to the level of the first three *sefirot* –
keter, *chochmah* and *binah*.

אֲמָנָם אוֹתָן הַזֶּה"ו הִנֵּה הֵם כְּלוּלִים כ"א ג"כ מִכָּל הָה' פְּרָצוּפִים
כָּלָם

But that same *partzuf* of zu"n also includes all five *partzufim*,

וְכֵן מֵה' לָה' עַד אֵין חֶקֶר כִּי הִרִי הֵם נִמְשְׁכוּ מִבְּחִי' הַזֶּה"ו שֶׁבְּכָל הָה'
פְּרָצוּפִים הַכְּלָלִי

and each of those also includes five *partzufim* etc. to an extent that cannot be fathomed, for they are all drawn down from the zu"n in each of the five *partzufim*.

וְהִי הֵם כְּלוּלִים כ"א מֵה' וְכֵן כ"א מְאוֹתָן הֵה' אֲשֶׁר הֵם כְּלוּלִים
מֵהֶם

Thus each of them includes five micro aspects, and so too, each one of them the micro-aspects that are included in the macro aspect,

הִנֵּה כְּלוּל כ"א ג"כ מֵה' וְכֵן מֵה' לָה' עַד אֵין חֶקֶר וְהֵם הַפְּרָטִים
וְהַפְּרָטִי פְּרָטִים שְׁבָהֶם

each one of those micro-aspects also includes five micro-micro-aspects, and those five each include five micro-micro-micro-aspects to an extent that cannot be fathomed, and they are the details and the details of details therein.

אֲךְ אוֹתָן הַפְּרָטִים וְהַפְּרָטִי פְּרָטִים הִנֵּה הֵם אֵינָם עוֹמְדִים בָּהֶם
בְּמַצִּיאוֹתָם תָּמִיד

However, those details and details of details i.e. the micro and micro-micro etc. aspects that are included in zu"n*,* are not present there in actuality.

אֵלָּא שֶׁהֵם רַק בְּכַח לְבַד וְהֵם שֶׁרֶשׁ מַצִּיאוֹת כָּל הַדּוֹרוֹת דְּכָל מִשְׁךְ
יְמֵי עוֹלָם

Rather they are there only in potential and they are the root of generations that unfold throughout history,

וְיוֹצְאִים מִן הַכַּח אֶל הַפּוֹעֵל תָּמִיד לְצַרֵּךְ מַצִּיאת כָּל דּוֹר

and they continually emerge from their potential state into actuality, according to the needs of every generation,

שֶׁכָּל הַד' מְדַרְגּוֹת כֻּלָּם אֲשֶׁר יִשְׁנָם בְּכָל דּוֹר כֵּן"ל אוֹת א'

as all four levels in every generation that we explained above in subsection (a).

הִנֵּה הֵם מֵהַנְּשָׁמוֹת וְהָאוֹרוֹת דְּכָל הֵה' פְּרָצוּפִים הַפְּרָטִים
הַמִּתְחַדְּשִׁים וְיוֹצְאִים מִן הַכַּח אֶל הַפּוֹעֵל

Now these are some of the souls and the illuminations from all five micro *partzufim* that are produced anew and emerge from potential to actual

שְׁבָהֶזוּ"ן דְּאֲצִילוֹת הַכְּלָלִיִּים וְהֵם מִתְחַדְּשִׁים וְיוֹצְאִים בָּהֶם תָּמִיד מִן
הַכַּח אֶל הַפּוֹעֵל

in the macro *partzufim* of zu"n of Atzilut, and they are produced anew and emerge into them constantly from a state of potential to actual,

לְצַרֵּךְ מַצִּיאת כָּל דּוֹר וְהֵם אֲשֶׁר מִתְחַלְּפִים בְּהִתְחַלְּפוֹת הַדּוֹרוֹת

for the needs of every generation, and these are the same ones that change with the change of generations.

כי הראשונים חוזרים לשרשן ומתחלפים אחרים תחתיהם וכנ"ל
אות א':

For the first ones return to their source and others emerge to take their place, as mentioned above subsection (a).

והרי נתבאר לנו מכל דברינו כי הה' פרצופים הכלליים הנה הם
עומדים במציאותם לעולם

Thus it has been explained from all the above discussed that the five macro *partzufim* remain in existence throughout time,

וכל מה שאמרנו לעיל אות א' כי הם מתחלפים בהתחלפות
הדורות

and everything we discussed above in subsection (a) – that they switch their roles as the generations change –

הנה הוא רק בהפרטים לבד וכן נתבאר לנו מדברינו ג"כ

this is only in the micro sense, and this has been clarified in our discussion,

כי הפרטים ופרטי פרטים שאמרנו שהם עד אין חקר

for the details and details of details i.e. the micro and micro-micro etc. aspects that we mentioned divide and subdivide to an extent that cannot be fathomed.

עכ"ז הנה יש להם שעור עכ"פ כי הם במספר כל הדורות

Nevertheless, they do actually have some limitation at least, for they correspond to the number of all the generations

אשר בכל משך זמן דקיום העולם וכן במספר האשים שבכל דור
וכנ"ל אות א':

that extend throughout the span of the existence of the world, and also correspond to the number of individuals there are in every generation, as explained above subsection (a).

והנה הכלליים אשר אמרנו שהם במציאותם לעולם הנה הם
בשמים ממעל

Now the macro or general aspects we discussed, those that persist throughout time, are in the heavenly spheres,

והפרטיים המתחדשים תמיד ומתחלפים בכל דור הנה הם בהארץ
מתחת

while the details i.e. the micro aspects that are constantly produced anew, and change with the changing generations, are down on earth.

כי בכל עולם ועולם מכל הד' עולמות אבי"ע יש בכ"א בְּחִי' שָׁמַיִם
וְאָרֶץ

For in each of the four worlds – Atzilut, Beriah, Yetzirah and Asiyah – there is an aspect of heaven and earth,

וְהֵם הָעֲשָׂרָה סְפִי' הַכְּלָלִיִּים שֶׁבְּכָל עוֹלָם וּבָהֶם הוּא כָּל הָה'
פְּרָצוּפִים הַכְּלָלִיִּים שֶׁבְּכָל עוֹלָם

which are the ten macro *sefirot* in each world, and based on them are the five macro *partzufim* in each world.

אֲשֶׁר עוֹמְדִים בְּמִצִּיאוֹתָם לְעוֹלָם וּמָהֶם מִתְחַדָּשִׁים כָּל הַפְּרָטִים
וְהַפְּרָטִי פְּרָטִים שְׂאֵמָרְנוּ

All of these remain in existence throughout time, and from them all the details and details of details i.e. the micro and micro-micro aspects are produced anew,

כִּי יוֹצְאִים תָּמִיד מִן הַכֹּחַ אֶל הַפּוֹעֵל מֵהָה' פְּרָצוּפִים הַכְּלָלִיִּים
וּמִתְחַדָּשִׁים וּמִתְחַלְפִּים בְּכָל דּוֹר.

for they are always emerging from potential to actual from the five macro *partzufim*, and they are produced anew and change in every generation.

וְאִפִּי בְּבַחֲי' הַגּוּף וְהַחֲמֵר שֶׁבָּהָעוֹלָם הַזֶּה יֵשׁ ג"כ כְּלָלִיִּים וּפְרָטִיִּים

Even in the aspect of body and the material being of this world there are also macro and micro aspects.

וְהַכְּלָלִיִּים קִיָּמִים לְעוֹלָם וְהַפְּרָטִיִּים הֵם הַמִּתְחַלְפִּים כִּי כָּל הַגּוּפוֹת
שֶׁבָּהָעוֹלָם הַזֶּה הֵרִי הֵם מֵהָה' יְסוּדוֹת אֶרֶץ

The macro aspects persist throughout time, and the micro aspects are the ones that change – for all physical bodies in this world derive from the four elemental properties: fire i.e. temperature, air i.e. gasses, water i.e. liquids, and earth solids

שֶׁהֵם בְּבַחֲי' פַּחַד אוֹ חַגַּת"מ ה' פְּרָצוּפִים הַכְּלָלִיִּים וְהֵם קִיָּמִים
לְעוֹלָם

that parallel the aspects of *keter*, *chochmah*, *binah*, *da'at* or alternatively they parallel *chesed*, *gevurah*, *tiferet*, *malchut*.

וּמֵהֶם נִמְשָׁכִים כָּל הַגּוּפוֹת הַפְּרָטִיִּים שֶׁהֵם מִתְחַלְפִּים תָּמִיד
וְחוֹזְרִים לְשִׁרְשׁוֹן בְּהָד' יְסוּדוֹת

And from them from the micro and micro-micro aspects are drawn all the individual bodies that are constantly changing and returning to their roots in the four elements,

וכמ"ש דור הלך ודור בא והארץ לעולם עמדת וע' באבן עזרא שם.

as the verse (Ecclesiastes 1:4) states, "a generation goes and a generation comes and the earth endures forever." See Ibn Ezra on the verse.⁹

אָמַנָם כָּל הַפְּרָטִיִּים כֻּלָּן שֶׁבְּכָל דּוֹר הֵנָּה הֵם בְּכָלֵל קוֹמַת פְּרָצוּף
אַחַת

Indeed, all the micro aspects in every generation in general form a unified *partzuf*,

וְלָכֵן הֵם נִתְּלִין זֶב"ז וְנִצְרָךְ כ"א לַחֲבֵרוֹ וּמִשְׁמָשִׁים זֶה לָזֶה וְנִעְזָר כ"א
ע"י כָּלֵם

and therefore they are dependent upon one another and each one requires others, and they serve one another and each of them is aided by all the others,

אֲשֶׁר אֵי אֶפְשָׁר לָזֶה בְּלֹא זֶה וְהֵם כָּלֵם רַק אָדָם אֶחָד

so that one cannot exist without the other, and together they form a single entity.

וְהוּא מְשׁוּם שֶׁהֵם יוֹצְאִים כָּלֵם מִמָּקוֹם כָּלְלִי אֶחָד הַכּוֹלֵל אֶת כָּלֵם
יֶחֶד

This is because they all emerge from one macro place, where one aspect includes all of them.

וְלָכֵן הֵם קְשׁוּרִים ג"כ זב"ז לעולם וְכֵן כָּל הַדּוֹרוֹת כָּלֵם הֵנָּה הֵם ג"כ
רַק קוֹמַת פְּרָצוּף אֶחָד

And therefore they are also all bound to one another forever, so that all the generations also form a single *partzuf* spanning all of time,

אֲשֶׁר אֵי אֶפְשָׁר לָזֶה בְּלֹא זֶה כִּי כֶּשֶׁם שֶׁאֵי אֶפְשָׁר לְכָל דּוֹר אַחֲרוֹן
לְהִמָּצֵא וּלְהִתְקַיֵּם

where one cannot possibly exist without the others, for just like it isn't possible for a later generation to exist and persist

אֶלָּא רַק ע"י הַדּוֹר הַקּוֹדֵם אֵלָיו וְע"י מָה שֶׁהִכִּינוּ הֵם

other than by virtue of the generation that preceded it, and by means of that which the previous generation prepared for them.

כֵּן הָרִי אֵי אֶפְשָׁר לְכָל דּוֹר הַקּוֹדֵם לְהִשָּׁאֵר בְּהִשָּׁאֵר נִצְחִי לְשֵׁם
עוֹלָם

Similarly, it is impossible for a prior generation to remain in existence forever,
אָלאַ רַק ע"י הַדּוֹר הַנִּמָּשֵׁךְ וְבֹא אַחֲרָיו וְהֵם כֻּלָּם רַק קוֹמָה כְּלָלִי
אַחַת

other than by way of the generation that is drawn from it and follows it, and
thus they form a single entity

הַנִּמָּשֵׁךְ מִמְּצִיאֹתוֹ וְנִחְלַק לְזִמְנִים רַבִּים שֶׁהֵם כָּל הַדּוֹרוֹת
that continues to exist, but is divided into many eras, which are all the
generations.

וּמִתְחַלֵּק וְנִפְרָט לִפְרָטִים רַבִּים שֶׁהֵם כָּל הָאָשִׁים הַפְּרָטִיִּים אֲבָל הֵם
כֻּלָּם רַק אַחַת

And that entity is divided up and dissected into numerous micro aspects, all of
which are discrete individuals – but nevertheless all of them form a single entity

הַיּוֹצֵא וְנִמָּשֵׁךְ מֵהָרָא פְּרָצוּפִים הַכְּלָלִיִּים שֶׁלִּמְעַלָּה אֲשֶׁר הֵם
בְּמִצִּיאֹתָם לְעוֹלָם

that emerges and is drawn down from the five macro *partzufim* above, which
remain existing for all time.

וְכֵן חוֹזְרִים כָּל הַפְּרָטִיִּים וְנִכְלָלוּ שָׁם בְּסוֹף וְנַעֲשׂוּ אֶחָד מִמֶּשׁ כִּמוֹ
הַכְּלָלִי שֶׁיּוֹצֵאוֹ מִמֶּנּוּ.

And all the micro aspects also return to become merged there in the macro
partzufim in the end, and they form a single entity, just like the macro aspect
from which they emerged.

וְכ"ז הוּא בְּכָל עוֹלָם וְעוֹלָם כִּי יִשָּׁנֵם כָּל הַסֵּדֶר דְּכָל עֲנִינֵי הַפְּרָצוּפִים

And this is so in each and every world, since this entire system of *partzufim* is
present in every world

הַנֶּאֱמָרִים בְּדִבְרֵי הָאַרִיז"ל בְּכָלֹת וּבִפְרָטוֹת וּבִפְרָטֵי פְּרָטוֹת ע"ד
שֶׁבִּאֲרָנוּ בְּכָל עוֹלָם וְעוֹלָם.

as is explained in the words of the Arizal in macro and micro and micro-micro
aspects, in a similar manner to the way we explained this in each world.

אָלאַ שֶׁבְּכָל עוֹלָם הוּא לְפִי עֶרְכוֹ וּמִצִּיאֹתוֹ הַמְּתִיחֵס אֵלָיו

Only that in each world this is according to its stature and the type of existence
that is associated therewith,

כִּי בְּכָל עוֹלָם שֶׁהוּא יוֹתֵר עָלִיוֹן הֵנָּה הָאֶחָדוּת שְׁבוּ יוֹתֵר עֲצוּם
for the higher the world, the more intense the unity therein,

וכל מציאותו הוא יותר רחוק מהשגת ותפיסת אנושי

and the further it is from human understanding and intellectual grasp.

אֵלָּא שָׁאֲנוּ לְמַדִּים מִן הַמֵּאָחֵר אֶל הַקֹּדֶם

But we do have some inkling of it by extrapolating from the later manifestation to the earlier,

וּמִן הָעֲנָפִים וְהַתּוֹלְדוֹת אָנוּ מִתְבּוֹנְנִים עַל תְּכוּנָתָם וְכַחַם שְׁבִהַשְׁרָשׁ
וּבְשָׂרָשׁ הַשְּׂרָשִׁים

and from the branches and descendants we can ponder the characteristics and powers in the root, and in the root of roots.

וְכֹן מִן הַמַּעֲשֵׂה וְהַפְּעוּלָה אָנוּ עוֹלִים וּמִסְתַּכְּלִים בְּהִמְחָשְׁבָהּ וְהַרְצוֹן

Similarly, from deeds and actions we ascend to gaze upon the thoughts and the will

אֲשֶׁר בְּקֹדֶשׁ קוֹדֶשׁ הַקִּדְּשִׁים הַנִּעְלָם מִכָּל בְּרִיָּה

of the Holy of Holies that is concealed from every created being.

וּבִזְזָה אָנוּ לְמַדִּים וּמַדְבָּרִים מִכָּל עֲנִינֵי הַפְּרָצוּפִים שֶׁבְּכָל הַדּוֹרוֹת
וְשֶׁבְּכָל הָאֲשִׁים הַפְּרָטִיִּים שְׁבִהַעוּהָ"ז.

In this way, from the concepts associated with the *partzufim* in all generations, and of all the individual entities in this world, we deduce and discuss

גַּם בְּעוֹלָם הָאֲצִילוֹת שֶׁהוּא קוֹדֶשׁ קוֹדֶשׁ הַקִּדְּשִׁים וְשֵׁם הוּא רַק
הִמְחָשְׁבָהּ וְהַרְצוֹן לְכָל זֶה.

even the World of Atzilut, which is the holy, Holy of Holies, wherein reside only pure thought and the Divine Will for the existence of all of this.

שֶׁהוּא עֲצֻמוֹ שֶׁרֶשׁ הַשְּׂרָשִׁים הַנִּעְלָם לְכָל הַמַּצִּיּוֹת וְהָעֲנִינִים כָּלָם

For this itself the Divine Will is the hidden root of roots of all of existence, and of all concepts,

וְכַמ"ש הַסִּפְרָא דְּצִנְיָעוּתָא פ"א: הָאִי מִתְקַלָּא תְּלוּי בְּאַתֵּר דְּלֹא הִוָּה

as the *Sifra d'Tzniuta* chap. 1 declares: This scale hangs from a place that does not exist in a physical sense,

וְשֵׁם יַחְזֹר הַכֹּל בְּהִתְקוֹן דְּלַעֲתִיד לְהִתְעַלָּה וּלְהִתְקַדֵּשׁ בְּאוֹר קִדְּשָׁתוֹ
וְאַחֲדוּתוֹ ית"ש

and there it will return with the future *tikun* rectification*,* to become elevated and sanctified with the light of His blessed holiness and unity,

וְעַל זֶה נֶאֱמַר וְנִשְׁגַּב ה' לְבָדּוֹ בַּיּוֹם הַהוּא בִּב"א.

regarding which the verse (Isaiah 2:11; 2:17) states, "...and God alone will be exalted on that day," may it be speedily in our times.

יְהִי שְׁמוֹ הַגָּדוֹל מְבָרַךְ לְעוֹלָם וּלְעוֹלָמֵי עוֹלָמִים אָמֵן וְאָמֵן.

May His great Name be blessed forever and ever, Amen, Amen!

Footnotes

1. Although we have capitalized Abba and Imma etc. we will use lower caps for ze'ir anpin and nukvah in order to reflect their lower status. ↩
2. See *Etz Chaim* 11:4; 13:1. Makover notes that this corresponds to the *tabur* of Arich. ↩
3. This seems at first glance to contradict *Zohar III*, 292a, which states explicitly that **ז"א בעתיקא אחיד ותליא**. However, perhaps this refers to *Atik Yomin* (essentially *ze'ir anpin* of Atik) rather than *Atik* proper, which is sometimes referred to as *Atika Kadisha* specifically to make this distinction. ↩
4. According to Rashi's first comment; Ibn Ezra; Malbim. ↩
5. The *Zohar I* 153b; 158b; 210a and numerous other places understands this phrase as signifying higher and lower worlds, literally 'from world to world.' However Scripture in general (e.g. Psalms 103:17; *ibid* 106:48; Daniel 2:20; I Chronicles 16:36) use the term to signify 'forever and ever.' We have attempted to combine both meanings and have rendered it here as 'throughout time and from level to level.' ↩
6. As noted in the previous footnote. ↩
7. Hidden from our perception and understanding. ↩
8. The words 'do not' (אֵינָם) were in the original manuscript but were omitted in error. ↩
9. Ibn Ezra explains that everything under the sun is a composite of the four elements to which they eventually return, etc. ↩

Rainbow — Descent and Return

אני ה' לא שניתני – Cosmic Entanglement

6,000 years of *tikun* and transformation where each instant actualizes entirely new possibilities of Divine expression, that are absolutely real, but that nevertheless, when composited, cancel each other out and resolve back into the NoThing that was their starting point (like the colors of a rainbow that, when reunited, resolve back into the pure, colorless, white light from whence they came).

[What has HaShem been doing to keep Himself busy all these 6,000 years after the first week of intensive creative effort? The Talmud answers that He has been busy making *zingim* (couples/marriages). One could understand this to refer to the concept illustrated here. Just as $(-1) + (+1) = 0$; so does $(-7) + (3 + 4) = 0$; and similarly $(-5 - 4) + (3 + 6) = 0$. There are literally an infinite possibility of equations, of number-pairs (i.e., *zingim*), that when added together equal zero. One could say that each moment in history is a unique combination of elements/colors/numbers whose sum-total always equals zero. And so, in that very real sense, the NoThing has never changed.]

Heichalot (24)

The Seven *Heichalot*

The *heichalot* are the layers of containment (within the lower world) for the soul lights that are descending into it from the upper world. The innermost *heichal* is called the *heichal kadosh hakadoshim*, and it is the layer that is in direct contact with transcendent light, the soul light, that seeking to enter the lower world. This mechanism applies to the entire unfolding of worlds but its most essential correspondence is to the world of *briya* (בריאה), the mental plane and first of the "worlds of separation," receiving the lights of *atzilut* (אצילות), the spiritual plane, the world that is totally infused with Divinity.

1. היכל קדש הקדשים (*kadosh hakedoshim*) Holy of Holies – *keter/chokma/bina* (כח"ב)
 2. היכל רצון (*ratzon*) Will – *tiferet* (ת"ת)
 3. היכל אהבה (*ahava*) Love – *chesed* (חסד)
 4. היכל זכות (*zechut*) Merit – *gevurah* (גבורה)
 5. היכל נוגה (*nogah*) Translucence – *netzach* (with interincluded *hod*) (נצח)
 6. היכל עצם השמים (*etzem hashamayim*) *hod* (with interincluded *netzach*) (הוד)
 7. היכל לבנת הספיר (*livnat hasapir*) *yesod* (*v'ateret hayesod* = the root of *malchut*) (יסוד ועטרת היסוד)
- גוף (Body) – embodiment – *malchut* (מלכות)

The sum total of these *heichalot* comprise the כסא (the "throne"), and the *malchut* of the higher world, that descends and becomes the light, or soul, of the lower world, is the כבוד (*kavod*) of the כסא.

19. And the angel of God, who went before the camp of Israel, moved and went behind them; and the pillar of the cloud went from before their face, and stood behind them;
20. And it came between the camp of the Egyptians and the camp of Israel; and it was a cloud and darkness to them, but it gave light by night to these; so that the one came not near the other all the night.
21. And Moses stretched out his hand over the sea; and the Lord caused the sea to go back by a strong east wind all that night, and made the sea dry land, and the waters were divided.
